**Sub: - Intimation under Regulation 30**

Dear Sir,

This is in continuation of earlier intimation given by the Company on 30th August 2022 whereby it was informed that the Company is setting up a new facility to manufacture Cable at Vasanthnarasapura Industrial Area, Tumakuru in the state of Karnataka and requisite disclosures were given.

The Company has now started commercial production of Cable at Tumakuru on 3rd September 2024.

In order to cater to the potential demand for Cables, the Company has decided to further expand its Cable manufacturing capacity in the same facility at Tumakuru, from existing 3,48,000 Kms per annum to 4,62,600 Kms per annum, with an additional investment of around INR 450 crores. This investment is primarily towards augmentation of our capacity for higher size Cables. The production through expansion at Tumakuru is expected to commence by September 2026. The entire investment will be funded through internal accruals.

This is for your information and records.

Thanking you.

Yours faithfully,  
for **Havells India Limited**
