In compliance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to announce that our Company has been awarded a significant work order from the Director of Cooperation, Himachal Pradesh, for the computerization of an additional 919 Primary Agriculture Credit Societies (PACS) across all the districts of Himachal Pradesh. This project holds an approximate order value of Rs. 16.00 Crores, which represents a significant addition to our prior engagements in PACS digitization in both Himachal Pradesh and Madhya Pradesh.

Previously, the Company was entrusted with the computerization of 863 PACS in Himachal Pradesh, and this new work order bolsters our ongoing efforts to strengthen digital access and operational efficiency for PACS in the region. Our proven track record of successfully executing similar projects in Madhya Pradesh and Himachal Pradesh has been instrumental in securing this expanded mandate, underscoring our expertise and reliability in delivering crucial technology solutions within the agriculture sector.
