ANNEXURE 'D' TO THE BOARD'S REPORT MANAGEMENT DISCUSSION & ANALYSIS

OUTLOOK

(i) Global Economy Overview

A strong pace of vaccination across countries has raised hopes of recovery in 2021, post an estimated 3.3% contraction in global economy in 2020. The Covid-19 pandemic affected growth across nations, even though some positive factors limited the overall impact, during 2020. China's quick recovery, followed by better-than-expected recoveries in the second half of the year for most regions, helped mitigate some of the negative impact of the pandemic, as lockdowns eased and the world adapted to new ways of doing business. However, the subsequent second and third Covid-19 infection waves necessitated renewed restrictions in many countries. This stop-go rhythm meant that recovery was uneven and far from complete. The global economy is projected to grow at 6% in 2021, on a lower 2020 base. Growth will continue to be moderate at 4.4% in 2022, backed by additional fiscal support in a few large economies, coupled with anticipated recovery in the public health situation considering that vaccination has picked up pace in recent quarters.

(ii) Indian Economy Overview

India's economic growth fell abysmally in FY 2020-21, impacted seriously by the lockdown imposed in the initial period of the COVID-19 outbreak. However, slow tapering of the mobility and lockdown restrictions, along with pent-up demand, festive spending and Government stimulus, led to robust recovery in the second half of the fiscal. Over the last two quarters, low base, restocking, healthy monsoons and higher discretionary spends resulted in heightened economic activity, which was led by agriculture, power and the manufacturing sectors. Cheaper interest rates further helped in spurring consumption. Lesser imports and an accelerated pick-up of agricultural and pharmaceutical exports, also added positivity to the economic scenario.

(ii) Future Outlook

According to the World Bank, India's GDP is expected to grow 8.3% in FY 2021-22, down from its earlier projection of 10.1%, with the enormous second Covid-19 wave undermining the sharper-than-expected rebound in activity seen during the second half of FY 2020-21, especially in services. Economic activity is expected to benefit from strong policy support, including higher spending on infrastructure, rural development and health and a stronger-than-expected recovery in services and manufacturing sectors. The second wave of Covid-19 led to slowdown in economic growth due to localised short-term mobility restrictions. The slowdown in economic activity in the second wave is expected to be followed by recovery, as had happened after the

first wave. Strong rebound in private consumption and the investment growth witnessed in the second and third quarters of FY 2020-21, are expected to support the economy. Public consumption, pent-up private demand, significant pick-up in investment, and a large government capital expenditure push are expected to play a significant role in economic recovery.

INDUSTRY STRUCTURE AND DEVELOPMENTS

(i) Global Automobile Industry

Following a decline from 2018 to 2020, the global auto sector underwent stagnation during the first wave of Covid-19. However, as global demand showed signs of recovery, the growth returned in CY 2021. This being said, the pace of recovery has been uneven, with China leading the demand charts, and North America and Europe following. The demand in CY 2021 is estimated to grow at +10.1% YoY with solid recoveries in the US and China region, while maintaining a cautious stance on Europe, followed by +5.5% YoY and +3.0% YoY in CY 2022 and CY 2023 respectively. The global auto sales will expand by 8-10% in 2021 to 83 million-85 million units, up from 77 million in CY 2020. The market share of electric vehicles (including plug-in hybrids) is expected to increase in CY 2021 to a 6-8%, after comprising a 4.4% share in CY 2020 and 2.5% in CY 2019. The European market will drive this growth.

(i) Indian Automobile Industry

The automotive sector is an integral part of the Indian economy. Having faced disruptions and slowdown during the recent pandemic, automobile (auto) sales across segments in India – the world's fifth largest market – slipped to a 6-year low in FY 2020-21. A deep structural slowdown in the industry even before the pandemic was already at work before the Covid-19 catastrophe, which agitated the growth capacity, and pushed all vehicle segments back by many years. In order to overcome the unprecedented challenges faced in CY 2020, the auto industry has shifted its focus to going digital, which could help serve customers, reduce costs, and structure their manufacturing processes. An interesting diversion to note would be the post-lockdown months, to be specific Q3 of FY 2020-21, which recorded higher sales numbers, given the pent-up demand in the personal mobility sector.

(iii) Auto components industry

Auto-components industry account for 2.3% of India's Gross Domestic Product (GDP) and employs as many as 1.5 million people directly and indirectly. A stable government framework, increased purchasing power, large domestic market and an ever-increasing development in infrastructure have made India a favourable destination for investment. The organised segment

of the industry including OEM, is largely engaged in the manufacturing of high-value precision instruments, while the unorganised segment comprises of low-value products catering to after-market services. The industry is highly fragmented, with most firms being Indian businesses and very limited foreign firms and JVs operating in the segment. The Indian auto component industry, being a critical part of the OEM value chain, is expected to record a subdued growth due to muted demand in FY 2020-21 and aggravation following the pandemic. However, as per the data from ACMA, the auto parts industry has degrown less than the vehicle industry in FY 2020-21. Further the industry

is anticipated to witness significant improvement on a sequential basis and register strong growth in FY 2021-22.

COMPANY'S FINANCIAL PERFORMANCE

During FY 2020-21, total income of the Company was Rs. 2,003 Crores as compared to Rs. 1,148 Crores in FY 2019-20, registering an increase of 74.48%.

Profit before tax and Profit after tax were Rs. 32.75 Crores and Rs. 21.03 Crores respectively during the current year as against Rs. 6.85 Crores and Rs. 4.94 Crores respectively in the previous year.

(i) Key Financial Ratios

As required under Regulation 34 of the Listing Regulations, Details of changes are:

Particulars	FY 2020-21	FY 2019-20	Change (in %)	Remarks - 2020-21
Debtors turnover ratio-times	6.36	5.73	10.99	The ratios in the current year have improved compared to the previous year, mainly on account of increased topline compared to previous year.
Inventory turnover ratio - times	35.60	17.72	100.91	The ratios in the current year have improved compared to the previous year, because of decrease in average inventory level in comparison to cost of goods sold.
Interest coverage ratio - times	4.77	1.81	163.44	Interest coverage ratio was improved due to reduction in borrowing and decrease in interest rate by Banks.

OPPORTUNITIES & THREATS

The Covid-19 pandemic is causing paradigm shifts in consumer behavior affecting many industries including the automobile Industry. Social distancing norms followed across the globe due to Covid-19, could become the new normal. People may move away from use of shared / public transport solutions. This changed preference would lead to enhanced need for a personal mobility solution. This could emerge as an area of opportunity for two wheelers.

The move towards alternative-energy based mobility solutions is needed and has been receiving considerable policy support. In light of the revised priorities post Covid-19, the speed and extent of the policy support may alter, modifying the rate of change.

RISK AND CONCERNS

Risk, which is the manifestation of business uncertainty affecting corporate performance and prospects, is an integral part of business. The Company follows a well-defined and exhaustive risk management process, which is integrated with its operations. This enables the Company to identify, categorise and prioritise operational, financial and strategic business risks. To address the identified risks, the Company continues to spend significant time, effort and human resources to manage and mitigate such risks. The global pandemic caused by the corona virus comes at time when both the Indian economy and the

automotive industry were hoping for recovery. Covid-19 has impacted all stakeholders in the value chain who had experienced both short and medium term impact. This includes shortage of raw material, shifting of production to other countries, liquidity crunch to delays in availability of models, deferred launches and shrinkage in consumer demand.

The India automotive industry has already seen difficult past few quarters and this pandemic led lockdown couldn’t have been more ill-timed. However, a planned and concerted response, both immediate and medium to long term will ensure a V shape recovery.

The Company is taking all necessary measures in terms of mitigating the impact of challenges being resilient in order to sail through the current situation. It is focused on controlling the fixed costs, maintaining liquidity and closely monitoring the supply chain to ensure that the manufacturing facility operate smoothly.

CAUTIONARY STATEMENT

Certain statements in the Management Discussion and Analysis Report describing the Company’s objectives, projections, estimates, expectations or predictions may be “forward looking statements” within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied. Important factors that could make a difference to the Company’s operations include raw material availability and prices, cyclical demand and pricing in the markets, exchange rate variations, global economic, social & demographic factors, changes in Government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business and other incidental factors.

INDEPENDENT AUDITORS' REPORT

To
**THE MEMBERS OF
 MUNJAL AUTO INDUSTRIES LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Munjal Auto Industries Limited** (“the Company”), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the standalone financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors’ Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of these standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	How our audit addressed the key audit matters
1.	<p><u>Recognition and Measurement of Deferred Taxes including Minimum Alternate Tax (MAT) credit:</u></p> <p><i>(Refer to note 4 (xiv), 12, 42 to the standalone financial statements)</i></p> <p>The recognition and measurement of deferred tax items requires, at the level of the tax entity, the complete determination of all differences between the recognition and the measurement of tax base of assets and liabilities. This requires significant calculations on account of the tax regulations, most of which are complex. The effects and the measurement of deferred tax assets and liabilities require detailed knowledge of the applicable tax law.</p> <p>We have considered the recognition and measurement of deferred tax assets including MAT credit as Key Audit Matter as recognition of these assets involves judgement by management as to the likelihood of the realization of these deferred tax assets, which is based on a number of factors including whether there will be sufficient taxable profits in future periods to support recognition.</p>	<p><u>Principal Audit Procedures</u></p> <p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> - Evaluating management’s assessment on the sufficiency of future taxable profits in support of the recognition of deferred tax asset by comparing management’s forecasts of future profits to historical results and evaluating the assumptions used in those forecasts. - Inquiry and critical analysis of the management judgement on recognition of deferred tax asset. - Assessing the adequacy of the deferred tax disclosures to the standalone financial statements. <p><u>Conclusion:</u></p> <p>Based on the procedures described above, we did not identify any material exceptions to the management’s assertions and treatment, presentation and disclosure of the subject matter in standalone financial statements.</p>

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Corporate Governance Report and Shareholder's Information but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances and the applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure -A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act;
 - e. on the basis of the written representations received from the directors as on March 31,2021, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of Section 164(2) of the Act;
 - f. with respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure - B";
 - g. with respect to the other matters to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. with respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 43 to the standalone financial statements;
 - ii. the Company did not have any material foreseeable losses on long-term contracts including derivative contracts as at March 31, 2021;
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of **Munjal Auto Industries Limited**)

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of two years. Due to the pandemic, the assets which were to be covered as per the said programme have not been physically verified by the management during the year. As the management has not carried out any verification during the year, we are unable to comment whether the discrepancies, if any, are material.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties other than self-constructed properties are held in the name of the Company.
- ii. The inventories of finished goods, work-in-progress, stores, spare part, and raw materials have been physically verified by the management. In our opinion the frequency of verification is reasonable. On the basis of our examination of the records of inventory, we are of the opinion that the discrepancies noticed on verification between the physical stocks and book records were not material and have been properly dealt with in the books of account.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 and therefore, reporting under clause (iii) (a) to clause (iii) (c) of the Order is not applicable to the Company.
- iv. The Company has not granted any loans or provided any guarantees or security to the parties covered under section 185 of the Act. In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of section 186 of the Act in respect of the Investments made.
- v. According to the information and explanations given to us, the Company has not accepted any deposits during the year from the public within the meaning of provisions of section 73 to 76 of the Act, and the rules framed thereunder or under the directives issued by the Reserve Bank of India and therefore, reporting under clause (v) of the Order is not applicable to the Company.
- vi. In our opinion and according to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013 and rules 3 of the Companies (Cost Records and Audit) Amendment Rules, 2014 for any of the products of the Company and therefore, reporting under clause (vi) of the Order is not applicable to the Company.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has been regular in depositing with appropriate authorities undisputed statutory dues, including provident fund, employee's state insurance, income-tax, duty of customs, goods and service tax, cess and any other statutory dues applicable to it. Further, no undisputed amounts payable in respect of income tax, duty of customs, goods and service tax, cess and other statutory dues were in arrears, as at March 31, 2021 for a period of more than six months from the date they become payable.
- (b) According to the information and explanations given to us, there are no disputed dues in respect of Income Tax, Goods and Service Tax, Service tax and Duty of Customs. According to the information and explanations given to us, the followings are the particulars of Sales Tax and Duty of Excise as at March 31, 2021 which have not been deposited on account of dispute:

Name of the statute	Nature of disputed dues	Amount in ₹	Period to which the amount relates	Forum where pending
The Gujarat Sales Act, 1969	Sales Tax	25,49,704	Financial Year 2002-2003	Commissioner of Commercial Tax Tax (Appeals)
The Central Excise Act, 1944	Duty of Excise	58,76,332	June, 2008- March, 2009	Commissioner of Customs, Excise and Service Tax (Appeals)
The Uttarakhand Value Added Tax Act, 2005	Sales Tax	40,74,88,536	FY 2016-17	Joint Commissioner (Appeals) 1 – State Tax
The Central Sales Tax Act, 1956	Sales Tax	14,50,000	FY 2016-17	Joint Commissioner (Appeals) 1 – State Tax

- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to any bank. The Company has not taken any loans from financial institution or Government. It has not issued any debentures.
- ix. In our opinion and according to information and explanation given to us, the term loans taken by the Company have been applied for the purpose for which they were raised. The company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management of the Company.
- xi. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the provisions of Section 197 read with Schedule V to the Act.
- xii. In our opinion, the Company is not a Nidhi company and therefore, reporting under clause (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and the details of such transactions have been disclosed in the standalone financial statements as required by the applicable Indian accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year and therefore, reporting under clause (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him and therefore, reporting under clause (xv) of the Order is not applicable to the Company.
- xvi. In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Munjal Auto Industries Limited** on the standalone financial statements of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act.

We have audited the internal financial controls with reference to standalone financial statements of Munjal Auto Industries Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the, "Guidance note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 CORPORATE INFORMATION

Munjal Auto Industries Limited (“the Company”) is a public limited company domiciled and incorporated in India having its registered office at 187, GIDC Estate, Waghodia, District: Vadodara- 391760. The shares of the Company are listed on two stock exchanges in India i.e. National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange (BSE). The Company is engaged in manufacturing and selling of Auto components. As at March 31, 2021, Thakur Devi Investments Private Limited, the holding company owned 74.81% of the Company’s equity share capital.

2 APPLICATION OF NEW INDIAN ACCOUNTING STANDARDS

All the Indian Accounting Standards issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparing these financial statements.

Recent accounting pronouncements:

The Ministry of Corporate Affairs (“MCA”) notifies new Standard or Amendments to the existing Standards. There are no such notification which would have been applicable from April 1, 2021.

3 BASIS OF PREPARATION AND PRESENTATION

i. Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as “Ind AS”) as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

ii. Basis of preparation:

These financial statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Standalone Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest two decimal lakhs except otherwise stated.

iii. Operating Cycle

Based on the nature of products/ activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

4 SIGNIFICANT ACCOUNTING POLICIES

i. Property, plant and equipment

Property, plant and equipment (including furniture, fixtures, vehicles, etc.) held for use in the production or supply of goods or services or for administrative purposes are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Cost of acquisition is inclusive of freight, duties, taxes and other incidental expenses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes items directly attributable to the construction or acquisition of the item of property, plant and equipment and for qualifying assets, borrowing costs capitalised in accordance with the Company’s accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is charged on a pro-rata basis at the straight line method over estimated economic useful lives of its property, plant and equipment generally in accordance with that provided in the Schedule II to the Act. Estimated useful lives of these assets are as under:

Description	Years
Building	30-60
Leasehold Improvements	over the lease period
Plant & Machinery	15
Furniture and Fixtures	10
Vehicles	8
Office Equipment	5
Computers	3

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

ii. Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight line basis over a period of 3 to 10 years. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets are derecognised on disposal or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised in the Statement of Profit and Loss when the asset is derecognised.

iii. Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is the higher of fair value less costs of disposal and value in use.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss. When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

iv. Non-Current Assets held for Sale

The Company classifies Non-Current Assets as held for sale/disposal if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets or disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

v. Investment Properties

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16's requirements for cost model. The cost of Investment property includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in Statement of Profit and Loss as incurred.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in Statement of Profit and Loss in the period in which the property is derecognised.

vi. Investment in Subsidiary

The Company records the investment in subsidiary at cost less impairment loss, if any. Where an indication of impairment exists, the carrying amount of investment is assessed and written down immediately to its recoverable amount. On disposal of investment in subsidiary, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

vii. Inventories

Inventories other than scrap are stated at the lower of cost and net realisable value. Costs of inventories are determined on a moving weighted average. Finished goods and work-in-progress (along with Stock in transit) include appropriate proportion of overheads. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Scrap is valued at estimated net realisable value.

Inventory of stores and spare parts is valued at weighted average cost or net realisable value, whichever is lower.

Provisions are made for obsolete and non-moving inventories.

viii. Revenue recognition

The Company earns revenue primarily from sale of products.

(a) Sale of products

Revenues are recognized when the Company satisfies the performance obligation by transferring a promised products to a customer. A product is transferred when the customer obtains control of that product, which is at the point of transfer of custody to customers where usually the title is passed, provided that the contract price is fixed or determinable and collectability of the receivable is reasonably assured.

Revenue is measured at the transaction price of the consideration received or receivable duly adjusted for variable consideration and represents amounts receivable for products and services provided in the normal course of business, net off Goods and Services Tax (GST), etc. Any retrospective revision in prices is accounted for in the respective year to which such revision belongs.

(b) Dividend and interest income

Dividend income from investments is recognised when the right to receive payment has been established.

Interest income from financial assets is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on, time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(c) Other income

Other income is recognized on accrual basis except when realisation of such income is uncertain.

ix. Government Grants

Government grants are recognized only when there is reasonable assurance that the conditions attached to them shall be complied with and the grants will be received. Government grants related to revenue are recognized on a systematic basis in the statement of profit or loss over the periods necessary to match them with the related costs which they are intended to compensate.

x. Leases

As a lessee

The Company's lease assets primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- the contract involves the use of an identified asset;
- the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases and corresponding Right-of-use Asset. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight line basis over the term of the lease.

The Right-of-use Assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses and adjusted for any remeasurement of the lease liability.

Right-of-use Assets are depreciated on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

As a Lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight line basis over the lease term. The Company has leased out its Investment Property classifying such lease as an Operating Lease, because it does not transfer substantially all of the risks and rewards incidental to the ownership of such Investment Property. Note 4 (v) sets out the information about the said Investment Property.

xi. Foreign Currency Transactions

The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which it operates.

In preparing the financial statements of the Company, transactions in currencies other than the company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items (which includes advance received/paid) that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

xii. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

xiii. Employee benefits

(a) Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

(b) Post-employment benefits**(1) Defined contribution plan**

Payments to defined contribution plans are recognised as an expense when employees have rendered service entitling them to the contributions. The eligible employees of the Company are entitled to receive benefits in respect of provident fund, for which both the employees and the Company make monthly contributions at a specified percentage of the covered employees' salary.

(2) Defined benefit plan

Defined retirement benefit plans comprising of gratuity are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted. Net interest on the net defined liability is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the Statement of Profit and Loss except those included in cost of assets as permitted. Remeasurement of defined retirement benefit plans comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest as defined above), are recognised in other comprehensive income except those included in cost of assets as permitted in the period in which they occur and are not subsequently reclassified to the Statement of Profit and Loss. The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

(c) Other long term employee benefits

The obligation for long term employee benefits such as long term compensated absences is measured at present value of estimated future cash flows expected to be made by the company and is recognised in a similar manner as in the case of defined benefit plans vide (b)(2) supra.

Long term employee benefit costs comprising current service cost, interest cost implicit in long term employee benefit cost and gains or losses on curtailments and settlements, re-measurement including actuarial gains and losses are recognised in the Statement of Profit and Loss as employee benefit expenses.

xiv. Income taxes

Income tax expense represents the sum of the current tax and deferred tax.

(a) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

(b) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realised.

(c) Current and deferred tax for the year

Current and deferred tax expense is recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

xv. Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Product warranty expenses

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidences based on actions on product failures. The timing of outflows will vary as and when warranty claim will arise, being typically up to five years.

xvi. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through the Statement of Profit and Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through the Statement of Profit and Loss are recognised immediately in the Statement of Profit and Loss.

xvii. Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(a) Financial assets at amortised cost

Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently, these are measured at amortized cost using the effective interest method less any impairment losses.

(b) Equity investments at fair value through other comprehensive income:

Financial assets are measured at fair value through other comprehensive income (FVTOCI) if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognized directly in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognized in the Statement of Profit and Loss when the right to receive payment has been established.

When the equity investment is derecognized, the cumulative gain or loss in equity is transferred to retained earnings.

(c) Financial assets at fair value through profit or loss

Financial assets are measured at fair value through Profit or Loss (FVTPL) unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through Profit or Loss are immediately recognised in the Statement of Profit and Loss.

(d) Impairment of financial assets

The Company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

(e) Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of Profit and Loss.

xviii. Financial liabilities and equity instruments

Debt and equity instruments issued by Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(a) Financial liabilities

Financial liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs'.

(b) Equity instruments

An equity instrument is any contract that evidences residual interests in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

(c) Derecognition of financial liabilities

The Company derecognises financial liabilities when and only when the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

xix. Research and Development Expenditure

Expenditure of capital nature are capitalised and expenses of revenue nature are charged to the Statement of Profit and Loss, as and when incurred.

xx. Statement of Cash Flows:

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

5 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company accounting policies, which are described in note no. 4, the management of the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

(i) **Critical judgments in applying accounting policies**

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the standalone financial statements:-

(a) **Evaluation of indicators for impairment of Property, Plant and Equipment**

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline asset's value, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset or poor economic performance of the asset etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment.

(ii) **Assumptions and key sources of estimation uncertainty**

(a) **Assets and obligations relating to employee benefits**

The employment benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost/ (income) include the discount rate, inflation and mortality assumptions. Any changes in these assumptions will impact upon the carrying amount of employment benefit obligations.

(b) **Useful lives of depreciable assets**

Management reviews the useful lives of depreciable assets at each reporting period. As at March 31, 2021 management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

(c) **Estimation of provision for warranty**

Management estimates the related provision for future warranty claims based on certain percentages of revenue. The provision is based on historical information on the nature, frequency and average cost of warranty claims. Management also estimates regarding possible future outflow on servicing the customers for any corrective action in respect of product failure which is generally expected to be settled within a period of 1 to 5 years. The assumptions made in relation to the current period are consistent with those in the prior year. Factors that could impact the estimated claim information include the success of the Company's productivity and quality initiatives.

(d) **Provision for slow moving and obsolete items in inventory valuation**

Inventories are measured at the lower of cost and net realizable value. Write-down of inventories are calculated based on an analysis of foreseeable changes in demand, technology or market conditions to determine obsolete or excess inventories.

(e) **Identification of leases, duration and value**

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease and to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is rate of interest that the Company would have to pay to borrow over a similar term and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

43 CONTINGENT LIABILITIES AND COMMITMENTS (to the extent not provided for)

(A) Contingent liabilities not provided for in respect of

In the ordinary course of business, the Company faces claims and assertions by various parties. The Company assesses such claims and assertions and monitors the legal environment on an ongoing basis, with the assistance of external legal counsel, wherever necessary. The Company records a liability for any claims where a potential loss is probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Company provides disclosure in the financial statements but does not record a liability in its accounts unless the loss becomes probable. The following is a description of claims and assertions where a potential loss is possible, but not probable. The Company believes that none of the contingencies described below would have a material adverse effect on the Company's financial condition, results of operations or cash flows.

(Amount ₹ in Lakhs)

Particulars	As at	As at
	March 31, 2021	March 31, 2020
Claims against the company not acknowledged as debt under the labour laws	127.90	64.98
Income Tax	44.22	21.81
Excise Duty	58.76	58.76
Sales Tax	4,415.29	50.79

- (i) The Company does not expect any reimbursements in respect of the above contingent liabilities.
- (ii) It is not practicable to estimate the timing of cash outflows, if any, in respect of matters above pending resolution of the arbitration/appellate proceedings.

(iii) Income Tax

The Company is involved in tax disputes amounting to ₹ 44.22 Lakhs (as at March 31, 2020 ₹ 21.81 Lakhs) relating to Income Tax. This mainly relate to the disallowance under section 14A of the Income Tax Act, 1961 and interest thereon which is pending at Appellate level.

(iv) Excise Duty

The Excise Authorities had denied a CENVAT credit amounting to ₹ 29.38 Lakhs and imposed a penalty of ₹ 29.38 Lakhs for a period between June, 2008 to March, 2009 (₹ 29.38 Lakhs and ₹ 29.38 Lakhs CENVAT credit and penalty respectively at March 31, 2020) in respect of CENVAT credit availed on supplementary invoices raised by the Customer on account of material supplied by them. The Company is contesting the show cause notice.

(v) Sales Tax

The total sales tax demands (including interest and penalty), that are being contested by the Company amount to ₹ 4,415.29 Lakhs (as at March 31, 2020 ₹ 50.79 Lakhs). The details of the demands are as follows:

The Sales Tax authorities have denied input tax credit and levied interest and penalty thereon due to varied reasons aggregating to ₹ 31.89 Lakhs (as at March 31, 2020 ₹ 31.89 Lakhs). The reasons for disallowing credit was mainly due to not allowing set off of taxes on LPG Gas and other materials used in manufacturing and also not allowing full deduction of taxes paid. Further, there is levy of purchase tax on purchase of LPG Gas. The matter is contested in appeal.

The Sales Tax authorities have demanded tax aggregating to ₹ 18.90 Lakhs (as at March 31, 2020 ₹ 18.90 Lakhs) on account of tax being levied on inter-state stock transfers. The matter is contested in appeal.

The Sales Tax authorities have demanded tax aggregating to ₹ 4,364.50 Lakhs (as at March 31, 2020 ₹ Nil), in this regard an ex parte order has been issued. The matter is contested in appeal.

(a) Defined Contribution Plans

Contributions to defined contribution plan are recognized as expenses when contributions become due.

The Company participates in a number of defined contribution plans on behalf of relevant personnel. Any expense recognized in relation to these schemes represents the value of contributions payable during the period by the Company at rates specified by the rules of those plans. The only amounts included in the balance sheet are those relating to the prior months contributions that were not due to be paid until after the end of the reporting period. The major defined contribution plans operated by the Company are as below:

(i) Provident fund and Pension

In accordance with the Employee's Provident Fund and Miscellaneous Provisions Act, 1952 eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary.

The contributions, as specified under the law, are made to the provident fund set up as an irrevocable trust by the Company, post contribution of amount specified under the law to Employee Provident Fund Organization on account of employee pension scheme.

(ii) Superannuation fund

The Company has a superannuation plan for the benefit of its employees. Employees who are members of the defined benefit superannuation plan are entitled to benefits depending on the years of service and salary drawn.

Separate irrevocable trusts are maintained for employees covered and entitled to benefits. The Company contributes up to 10% of the eligible employees' salary to the trust every year. Such contributions are recognized as an expense as and when incurred. The Company does not have any further obligation beyond this contribution.

The total expenses recognized in the Statement of Profit and Loss during the year are as under:

Particulars	(Amount ₹ in Lakhs)	
	For the year ended March 31, 2021	For the year ended March 31, 2020
Employer's contribution to Provident and other Funds	304.30	411.96
Employer's contribution to Superannuation Fund	80.25	118.12
Total	384.55	530.08

(b) Defined Benefit Plan

(i) Gratuity

In respect of Gratuity, a defined benefit plan, contributions are made to LIC's Recognized Group Gratuity Fund Scheme. It is governed by the Payment of Gratuity Act, 1972. Under the Gratuity Act, employees are entitled to specific benefit at the time of retirement or termination of the employment on completion of five years or death while in employment. The level of benefit provided depends on the member's length of service and salary at the time of retirement/termination age. The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2021, by a member firm of the Institute of Actuaries of India. The present value of the defined benefit obligation and the related current service cost and past service cost, were measured using the projected unit credit method. Each year, the Company reviews the level of funding in gratuity fund. The Company decides its contribution based on the results of its annual review.

This plan typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

(I) Investment Risk

The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit. However, the risk is partially mitigated by investment in LIC managed fund.

(II) Interest Rate Risk

A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.

(III) Longevity Risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

(IV) Salary Risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Amounts recognized in the Financial Statements in respect of defined benefit plan are as follows:

The fair value of the plan assets at the end of the reporting period for each category are as follows:		
100% managed by insurer (Life Insurance Corporation of India)	1,172.34	1,322.61

Fair value of Investment in Group of Insurance Company is taken as book value on reporting date.

The actual return on plan assets of gratuity during the year is ₹ 79.36 Lakhs (during previous year ended March 31, 2020: ₹ 80.31 Lakhs)

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and withdrawal rates. The sensitivity analyses below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Significant actuarial assumptions	(Amount ₹ in Lakhs)	
	For the year ended March 31, 2021	For the year ended March 31, 2020
Discount Rate		
- Impact due to increase of 50 basis points	1,325.39	1,463.21
- Impact due to decrease of 50 basis points	1,412.54	1,554.99
Salary increase		
- Impact due to increase of 50 basis points	1,409.52	1,552.19
- Impact due to decrease of 50 basis points	1,327.47	1,465.01
Withdrawal Rate		
- Impact due to increase of 10 percent	1,366.98	1,507.24
- Impact due to decrease of 10 percent	1,367.80	1,507.76

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Sensitivity due to mortality are not material & hence impact of change not calculated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognized in the balance sheet.

The Company expects to make a contribution of ₹ 119.07 Lakhs (as at March 31, 2020: ₹ 138.67 Lakhs) to the defined benefit plans during the next financial year.

(c) Other long term employee benefit plans

Leave encashment

48 The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

49 FINANCIAL INSTRUMENT DISCLOSURE

(a) Capital Management

The Company's capital management is intended to create value for shareholders by facilitating the meeting of long term and short term goals of the Company, safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

The Company determines the amount of capital required on the basis of annual business plan coupled with long term and short term strategic investment and expansion plans. The funding needs are met through equity, cash generated from operations, long term and short term bank borrowings.

The Company monitors capital using a ratio of net debt to equity. For this purpose, net debt is defined as liabilities, comprising interest-bearing loans less cash and cash equivalents, other bank balances (including earmarked balances) and current investments. Equity comprises all components of equity.

The table below summarizes the capital, net debt and net debt to equity ratio of the Company.

(ii) Fair value measurement

This note provides information about how the Company determines fair values of various financial assets and liabilities.

Fair value measurements under Ind AS are categorized as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date;
- Level 2 inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets/liabilities.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

Fair value of the Company's financial assets that are measured at fair value on a recurring basis:

Following table gives information about how the fair values of the Company's financial assets are determined:

(Amount ₹ in Lakhs)

Financial assets	Fair value as at		Fair value hierarchy
	March 31, 2021	March 31, 2020	
Investment in mutual funds	2,632.63	1,888.01	Level 1

Valuation technique and key input: NAV declared by respective Asset Management Companies.

Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required):

Management considers that the carrying amounts of financial assets and financial liabilities recognized in the financial statements except fair value of investments in mutual funds approximate their fair values.

There have been no transfers between Level 1 and Level 2 for the years ended March 31, 2021 and March 31, 2020.

(iii) Financial risk management objectives

The Company's principal financial liabilities comprises of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include mutual funds, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company is exposed to market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

(a) Market risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices- will affect the Company's income or the value of its holdings of financial instrument. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimizing the return. The major components of market risk are foreign currency risk, interest rate risk and price risk.

(I) Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise.

The carrying amount of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(Amount ₹ in Lakhs)

Foreign Currency Exposure	As At	As At
	March 31, 2021	March 31, 2020
Assets	32.06	0.20
Liabilities	18.15	6.54

The Company has not entered in to any forward contracts to hedge its foreign exposures and therefore there are no outstanding forward contract at the year end (as at March 31, 2020: Nil)

Foreign Currency Sensitivity:

The Company is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables. As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between USD/EURO-INR currency pair, sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below:

(II) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from the long term borrowings with fixed rates. The Company's fixed rates borrowings are carried at amortized cost.

The Company invests the surplus fund generated from operations in mutual funds. Considering these mutual funds are short term in nature, there is no significant interest rate risk.

The Company has laid policies and guidelines including tenure of investment made to minimize impact of interest rate risk.

(III) Price risk

The Company has deployed its surplus funds into units of mutual fund. The Company is exposed to NAV (net asset value) price risks arising from investments in these funds. The value of these investments is impacted by movements in liquidity and credit quality of underlying securities.

NAV price sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to NAV price risks at the end of the reporting period. If NAV prices had been 1% higher/lower:

Profit for the year ended March 31, 2021 would increase/decrease by ₹ 26.33 Lakhs (for the year ended March 31, 2020: increase/decrease by ₹ 18.88 Lakhs).

(b) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. The Company's exposure and wherever appropriate, the credit ratings of its counterparties are continuously monitored and spread amongst various counterparties. Credit exposure is controlled by counterparty limits that are reviewed and approved by the management of the Company. Financial instruments that are subject to concentrations of credit risk, principally consist of balance with banks, investments in mutual funds, trade receivables and loans and advances. None of the financial instruments of the Company result in material concentrations of credit risks.

Balances with banks were not past due or impaired as at the year end. In other financial assets that are not past dues and not impaired, there were no indication of default in repayment as at the year end.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

The age analysis of trade receivables as of the balance sheet date have been considered from the due date and disclosed as under:

Particulars	(Amount ₹ in Lakhs)	
	As At March 31, 2021	As At March 31, 2020
Within the credit period	37,212.00	25,445.74
Upto 6 months past due	-	-
More than 6 months past due	3.43	3.43
Total	37,215.43	25,449.17

The Company has used a practical expedient by computing the expected loss allowance for financial assets based on historical credit loss experience and adjustments for forward looking information.

(c) Liquidity risk

The Company manages liquidity risk by maintaining sufficient cash and cash equivalents and availability of funding through an adequate amount of committed credit facilities to meet the obligations when due. Management monitors rolling forecasts of liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, liquidity management also involves projecting cash flows considering level of liquid assets necessary to meet obligations by matching the maturity profiles of financial assets & liabilities and monitoring balance sheet liquidity ratios.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

52 The spread of Covid 19 has affected the business operations post the national lock down. The Company has taken various measures

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

in consonance with Central and State Government advisories to contain the pandemic, which included closing of manufacturing facilities. Given the uncertainty of quick turnaround to normalcy, post lifting of the lock down, the Company has carried out a comprehensive assessment of possible impact on its business operations, financial assets, contractual obligation and its overall liquidity position, based on the internal and external sources of information and application of reasonable estimates. The Company does not foresee any significant incremental risk to the recoverability of its assets or, in meeting its financial obligations over the foreseeable future, given early and required steps taken to contain, protect and mitigate the exposure. Pursuant to the relaxed guidelines, the Company has now resumed its operations, however, some of the staff continues to operate from home. Since the situation is continuously evolving, the impact assessed in future may be different from the estimates made as at the date of approval of these financial results. Management will continue to monitor any material changes arising due to the impact of this pandemic on financial and operational performance of the Company and make necessary measures to address the situation.

INDEPENDENT AUDITOR'S REPORT

To
THE MEMBERS OF
MUNJAL AUTO INDUSTRIES LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Munjil Auto Industries Limited** ("the Holding Company" or "the Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise of the Consolidated Balance Sheet as at March 31,2021, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor on separate financial statements and on the other financial information of the subsidiary as referred to in the "Other Matter", the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31,2021, of consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to at the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of these consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	How our audit addressed the key audit matters
1.	<p><u>Recognition and Measurement of Deferred Taxes including Minimum Alternate Tax (MAT) credit:</u> <i>(Refer to note 4 (xvi), 10 and 41 to the consolidated financial statements)</i></p> <p>The recognition and measurement of deferred tax items requires, at the level of the tax entity, the complete determination of all differences between the recognition and the measurement of tax base of assets and liabilities. This requires significant calculations on account of the tax regulations, most of which are complex. The effects and the measurement of deferred tax assets and liabilities require detailed knowledge of the applicable tax law.</p> <p>We have considered the recognition and measurement of deferred tax assets including MAT credit as Key Audit Matter as recognition of these assets involves judgement by management as to the likelihood of the realization of these deferred tax assets, which is based on a number of factors including whether there will be sufficient taxable profits in future periods to support recognition.</p>	<p><u>Principal Audit Procedures</u></p> <p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> - Evaluating management's assessment on the sufficiency of future taxable profits in support of the recognition of deferred tax asset by comparing management's forecasts of future profits to historical results and evaluating the assumptions used in those forecasts. - Inquiry and critical analysis of the management judgement on recognition of deferred tax asset. - Assessing the adequacy of the deferred tax disclosures to the consolidated financial statements. <p><u>Conclusion:</u></p> <p>Based on the procedures described above, we did not identify any material exceptions to the management's assertions and treatment, presentation and disclosure of the subject matter in consolidated financial statements.</p>

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Corporate Governance Report and Shareholder's Information but does not include the consolidated financial statements and our Auditors' report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed and report of the other auditors as furnished to us (refer "Other Matters" paragraphs below), we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group incorporated

in India have adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. For the other entities included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of a subsidiary, whose financial statements for the year ended reflect below values, as considered in the consolidated financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Munjal Auto Industries Limited** on the consolidated financial statements of even date)

Report on the Internal Financial Controls with reference to Consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act.

We have audited the internal financial controls with reference to consolidated financial statements of Munjal Auto Industries Limited ("the Holding Company") and its subsidiary company as of March 31, 2021 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the, "Guidance note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject

to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**1 CORPORATE INFORMATION**

Munjal Auto Industries Limited ('the Company') is a public limited company domiciled and incorporated in India having its registered office at 187, GIDC Estate, Waghodia, District: Vadodara- 391760. The shares of the Company are listed on two stock exchanges in India i.e. National Stock Exchange of India Limited (NSE) and Bombay Stock Exchange Limited (BSE). As at March 31, 2021, Thakur Devi Investments Private Limited, the holding company owned 74.81% of the Company's equity share capital.

The Consolidated financial statements relates to the Company and its Subsidiary (collectively referred as "the Group"). The Group is mainly engaged in manufacturing and selling of Auto components and designing, developing, testing and production of different types of composites moulds and products for different industries.

2 APPLICATION OF NEW INDIAN ACCOUNTING STANDARDS

All the Indian Accounting Standards issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparing these financial statements.

Recent accounting pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new Standard or Amendments to the existing Standards. There are no such notification which would have been applicable from April 1, 2021.

3 BASIS OF PREPARATION AND PRESENTATION**i. Statement of Compliance**

The Consolidated Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

ii. Basis of preparation

The Company had acquired 55% stake in Indutch Composites Technology Private Limited (ICTPL) from Murwari BV. The Company has further subscribed to Rights Shares and thus increasing its stake to 68% in ICTPL. The acquisition transaction has been accounted for under Purchase method.

These consolidated financial statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The consolidated financial statements are presented in Indian Rupees and all values are rounded off to the nearest two decimal Lacs except otherwise stated.

iii. Operating Cycle

Based on the nature of products/ activities of the Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

4 SIGNIFICANT ACCOUNTING POLICIES**i. Principles of Consolidation**

The Consolidated Financial Statements incorporate the financial statements of the Company and its subsidiary (collectively referred as "the Group").

Subsidiary is entity controlled by the Company. The Company controls an entity when it is exposed or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary is consolidated from the date of their acquisition (except for Business Combinations under Common Control), being the date on which the Company obtains control and continue to be consolidated until the date that such control ceases.

The Consolidated financial statements are prepared using uniform accounting policies consistently for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's Standalone Financial Statements except otherwise stated. Whenever necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's Significant Accounting Policies.

The Consolidated Financial Statements have been prepared by combining the financial statements of the company and its subsidiary on a line-by-line basis by adding together the book values of like items of assets, liabilities, equity, income, expenses and cash flow after eliminating in full intra-group assets, liabilities, equity, income, expenses and cash flow relating to intra-group transactions and unrealized profits. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Changes in the Group's ownership interests in subsidiary that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to the owners of the Company.

When the Group loses control of a subsidiary, a gain or loss is recognised in the consolidated statement of profit and loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill) and liabilities of the subsidiary and any non-controlling interests. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to the consolidated statement of profit and loss or transferred to another category of equity as specified/permitted by applicable Ind AS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109 or the cost on initial recognition as investment in an associate or a joint venture, when applicable.

ii. **Business Combination**

Acquisitions of businesses (except for Business Combinations under Common Control) are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value which is calculated as the sum of the acquisition date fair values of the assets transferred by the Group, liabilities incurred by the Group to the former owners of the acquiree and the equity interests issued by the Group in exchange of control of the acquiree. Acquisition related costs are generally recognised in consolidated statement of profit and loss as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their fair value, except that:

- Deferred tax assets or liabilities and assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 'Income Taxes' and Ind AS 19 'Employee Benefits' respectively;
- Assets (or disposal groups) that are classified as held for sale in accordance with Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' are measured in accordance with that Standard.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisition date amounts of the identifiable assets acquired and the liabilities assumed.

In case of a bargain purchase, before recognising a gain in respect thereof, the Group determines whether there exists clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. Thereafter, the Group reassesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and recognises any additional assets or liabilities that are identified in that reassessment. The Group then reviews the procedures used to measure the amounts that Ind AS requires for the purposes of calculating the bargain purchase. If the gain remains after this reassessment and review, the Group recognises it in other comprehensive income and accumulates the same in equity as capital reserve. This gain is attributed to the acquirer. If there does not exist clear evidence of the underlying reasons for classifying the business combination as a bargain purchase, the Group recognises the gain, after reassessing and reviewing (as described above), directly in equity as capital reserve.

When the consideration transferred by the Group in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition date fair value and included as part of the consideration transferred in a business combination. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with corresponding adjustments against goodwill or capital reserve, as the case may be. Measurement period adjustments are adjustments that arise from additional information obtained by the Group during the 'measurement period' about facts and circumstances that existed at the acquisition date. Measurement period does not exceed one year from the acquisition date.

The subsequent accounting for changes in the fair value of the contingent consideration that do not qualify as measurement period adjustments depends on how the contingent consideration is classified. Contingent consideration that is classified as equity is not remeasured at subsequent reporting dates and its subsequent settlement is accounted for within equity. Contingent consideration that is classified as an asset or a liability is remeasured at fair value at subsequent reporting dates with the corresponding gain or loss being recognised in the consolidated statement of profit and loss.

When a business combination is achieved in stages, the Group's previously held equity interest in the acquiree is remeasured to its acquisition date fair value and the resulting gain or loss, if any, is recognised in the consolidated statement of profit and loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income are reclassified to the consolidated statement of profit and loss where such treatment would be appropriate if that interest were disposed of.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period recognising additional assets or liabilities (if any) to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date.

iii. **Non Controlling Interest**

Non-controlling interests represent the proportion of income, other comprehensive income and net assets in subsidiaries that is not attributable to the Company's shareholders.

Non-controlling interests are initially measured at the proportionate share of the recognised amounts of the acquiree's identifiable net assets. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of the interest at initial recognition plus the non-controlling interests' share of subsequent changes in equity.

iv. **Goodwill on Consolidation**

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or groups of cash-generating units) that is expected to benefit from the synergies of the combination.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually or more frequently when there is an indication that the cash generating unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the cash generating unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in Consolidated Statement of Profit and Loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the Profit and Loss.

v. **Property, plant and equipment**

Property, plant and equipment (including furniture, fixtures, vehicles, etc.) held for use in the production or supply of goods or services or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Cost of acquisition is inclusive of freight, duties, taxes and other incidental expenses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes items directly attributable to the construction or acquisition of the item of property, plant and equipment and for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy. Such

properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

In case of Holding Company, depreciation is charged on a pro-rata basis at the straight line method over estimated economic useful lives of its property, plant and equipment generally in accordance with Schedule II of the Act. In case of a Subsidiary Company, depreciation is charged on a pro-rata basis at the written down value method over estimated economic useful lives of its property, plant and equipment. Estimated useful lives of these assets of group are as under:

Description	Years
Building	30-60
Leasehold Improvements	over the lease period
Plant & Machinery	15
Furniture and Fixtures	10
Vehicles	8
Office Equipment	5
Computers	3

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Consolidated Statement of Profit and Loss.

vi. Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. In case of Holding Company, amortisation is recognised on a straight-line basis over a period of 3 to 10 years. However, in case of the Subsidiary Company, amortisation is recognised on written down value basis over the estimated lives of intangible assets. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets are derecognised on disposal or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised in the Consolidated Statement of Profit and Loss when the asset is derecognised.

vii. Impairment of tangible and intangible assets

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is the higher of fair value less costs of disposal and value in use.

When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Consolidated Statement of Profit and Loss. When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Consolidated Statement of Profit and Loss.

viii. Non-Current Assets held for Sale

The Group classifies Non-Current Assets as held for sale/disposal if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets or disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

ix. Inventories

Inventories other than scrap are stated at the lower of cost and net realisable value. Costs of inventories are determined on a moving weighted average. Finished goods and work-in-progress (along with Stock in transit) include appropriate proportion of overheads. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Scrap is valued at estimated net realisable value.

In case of Holding Company, inventory of stores and spare parts is valued at weighted average cost or net realisable value, whichever is lower. However, in case of Subsidiary Company, inventory of stores and spare parts is valued at FIFO basis at cost or net realisable value, whichever is lower.

Provisions are made for obsolete and non-moving inventories.

x. Revenue Recognition

The Group earns revenue primarily from sale of goods.

(a) Sale of goods

Revenues are recognized when the Group satisfies the performance obligation by transferring a promised goods to a customer. A good is transferred when the customer obtains control of that product, which is at the point of transfer of custody to customers where usually the title is passed, provided that the contract price is fixed or determinable and collectability of the receivable is reasonably assured.

Revenue is measured at the transaction price of the consideration received or receivable duly adjusted for variable consideration and represents amounts receivable for goods and services provided in the normal course of business, net off Goods and Services Tax (GST) etc. Any retrospective revision in prices is accounted for in the respective year to which such revision belongs.

(b) Dividend and interest income

Dividend income from investments is recognised when the right to receive payment has been established.

Interest income from financial assets is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(c) Other income

Other income is recognized on accrual basis except when realisation of such income is uncertain.

xi. Government Grants

Government grants are recognized only when there is reasonable assurance that the conditions attached to them shall be complied with and the grants will be received. Government grants related to revenue are recognized on a systematic basis in the Consolidated Statement of Profit and Loss over the periods necessary to match them with the related costs which they are intended to compensate.

xii. Leases**As a lessee**

The Company's lease assets primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is or contains, a lease if the contract conveys the right to control the use of an identified

asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- the contract involves the use of an identified asset;
- the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases and corresponding Right-of-use Asset. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The Right-of-use Assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses and adjusted for any remeasurement of the lease liability.

Right-of-use Assets are depreciated on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

As a Lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term. The Company has leased out its Investment Property classifying such lease as an Operating Lease, because it does not transfer substantially all of the risks and rewards incidental to the ownership of such Investment Property. Note 4 (v) sets out the information about the said Investment Property.

xiii. Foreign Currency Transactions

The functional currency of the Group is Indian Rupees which represents the currency of the primary economic environment in which it operates.

In preparing the financial statements of the Group, transactions in currencies other than the group's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items (which includes advance received/paid) that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the Consolidated Statement of Profit and Loss in the period in which they arise.

xiv. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the Consolidated Statement of Profit and Loss in the period in which they are incurred.

xv. Employee Benefits

(a) Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

(b) Post-employment Benefits**(1) Defined Contribution Plan**

Payments to defined contribution plans are recognised as an expense when employees have rendered service entitling them to the contributions. The eligible employees of the Group are entitled to receive benefits in respect of provident fund, for which both the employees and the Group make monthly contributions at a specified percentage of the covered employees' salary.

(2) Defined Benefit Plan

Defined retirement benefit plans comprising of gratuity are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Net interest on the net defined liability is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the Consolidated Statement of Profit and Loss except those included in cost of assets as permitted.

Remeasurement of defined retirement benefit plans comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest as defined above) are recognised in other comprehensive income except those included in cost of assets as permitted in the period in which they occur and are not subsequently reclassified to the Consolidated Statement of Profit and Loss.

The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

(c) Other long term employee benefits

The obligation for long term employee benefits such as long term compensated absences is measured at present value of estimated future cash flows expected to be made by the group and is recognised in a similar manner as in the case of defined benefit plans vide (b)(2) supra.

Long term employee benefit costs comprising current service cost, interest cost implicit in long term employee benefit cost and gains or losses on curtailments and settlements, re-measurement including actuarial gains and losses are recognised in the Consolidated Statement of Profit and Loss as employee benefit expenses.

xvi. Income Taxes

Income tax expense represents the sum of the current tax and deferred tax.

(a) Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Consolidated Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

(b) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would

follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realised.

(c) Current and deferred tax for the year

Current and deferred tax expenses are recognised in the Consolidated Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

xvii. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Consolidated Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Consolidated Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Product Warranty expenses

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidences based on actions on product failures. The timing of outflows will vary as and when warranty claim will arise, being typically up to five years.

xviii. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through Profit or Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Consolidated Statement of Profit and Loss.

xix. Financial Assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(a) Financial assets at amortised cost

Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently, these are measured at amortized cost using the effective interest method less any impairment losses.

(b) Equity investments at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income (FVTOCI) if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal

and interest on the principal amount outstanding. These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognized directly in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognized in the Consolidated Statement of Profit and Loss when the right to receive payment has been established.

When the equity investment is derecognized, the cumulative gain or loss in equity is transferred to retained earnings.

(c) Financial assets at fair value through Profit or Loss

Financial assets are measured at fair value through Profit or Loss (FVTPL) unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through Profit or Loss are immediately recognised in the Consolidated Statement of Profit and Loss.

(d) Impairment of financial assets

The Group assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

(e) Derecognition of financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Consolidated Statement of Profit and Loss.

xx. Financial Liabilities and Equity Instruments

Debt and equity instruments issued by Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(a) Financial liabilities

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs'.

(b) Equity instruments

An equity instrument is any contract that evidences residual interests in the assets of the Group after deducting all of its liabilities. Equity instruments issued by the Group are recorded at the proceeds received, net of direct issue costs.

(c) Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Consolidated Statement of Profit and Loss.

xxi. Research and Development Expenditure

Expenditure of capital nature are capitalised and expenses of revenue nature are charged to the Consolidated Statement of Profit and Loss, as and when incurred.

xxii. Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

5 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company accounting policies, which are described as above, the management of the group is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

(i) Critical judgments in applying accounting policies

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Group's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:-

(a) Evaluation of indicators for impairment of Property, Plant and Equipment

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline asset's value, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance of the asset etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment.

(ii) Assumptions and key sources of estimation uncertainty

(a) Assets and obligations relating to employee benefits

The employment benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost/ (income) include the discount rate, inflation and mortality assumptions. Any changes in these assumptions will impact upon the carrying amount of employment benefit obligations.

(b) Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting. As at March 31, 2021 management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

(c) Estimation of provision for warranty

Management estimates the related provision for future warranty claims based on certain percentages of revenue. The provision is based on historical information on the nature, frequency and average cost of warranty claims. Management also estimates regarding possible future outflow on servicing the customers for any corrective action in respect of product failure which is generally expected to be settled within a period of 1 to 5 years.

The assumptions made in relation to the current period are consistent with those in the prior year. Factors that could impact the estimated claim information include the success of the Group's productivity and quality initiatives.

(d) Provision for slow moving and obsolete items in Inventory Valuation

Inventories are measured at the lower of cost and net realizable value. Write-down of inventories are calculated based on an analysis of foreseeable changes in demand, technology or market conditions to determine obsolete or excess inventories.

(e) Identification of leases, duration and value

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease and to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is rate of interest that the Group would have to pay to borrow over a similar term and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

42 CONTINGENT LIABILITIES AND COMMITMENTS (to the extent not provided for)

(A) Contingent liabilities not provided for in respect of

In the ordinary course of business, the Group faces claims and assertions by various parties. The Group assesses such claims and assertions and monitors the legal environment on an ongoing basis, with the assistance of external legal counsel, wherever necessary. The Group records a liability for any claims where a potential loss is probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Group provides disclosure in the financial statements but does not record a liability in its accounts unless the loss becomes probable. The following is a description of claims and assertions where a potential loss is possible, but not probable. The Group believes that none of the contingencies described below would have a material adverse effect on the Group's financial condition, results of operations or cash flows.

- (ii) It is not practicable to estimate the timing of cash outflows, if any, in respect of matters above pending resolution of the arbitration/appellate proceedings.

(iii) Income Tax

The Holding Company is involved in tax disputes amounting to ₹ 44.22 lakhs (as at March 31, 2020 ₹ 21.81 lakhs) relating to Income Tax. This mainly relate to the disallowance under section 14A of the Income Tax Act, 1961 and interest thereon which is pending at Appellate level.

In case of Subsidiary, it is involved in tax disputes amounting to ₹ 240.65 lakhs (as at March 31, 2020 ₹ 44.78 lakhs) relating to Income Tax. This mainly relate to the TDS penalties & assessment which are pending at Appellate level.

(iv) Excise Duty

The Excise Authorities had denied a CENVAT credit amounting to ₹ 29.38 lakhs and imposed a penalty of ₹ 29.38 lakhs for a period between June, 2008 to March, 2009 (₹ 29.38 lakhs and ₹ 29.38 lakhs CENVAT credit and penalty respectively at March 31, 2020) in respect of CENVAT credit availed on supplementary invoices raised by the Customer on account of material supplied by them. The Company is contesting the show cause notice.

(v) Custom Duty

In case of Subsidiary, it is involved in tax disputes amounting to ₹ 2,139.52 lakhs (as at March 31, 2020 ₹ 475.41 lakhs) relating to Duty Free Import Machinery (EPCG) (last date of fulfillment of obligation is March 31, 2025) and ₹ 85.12 lakhs (as at March 31, 2020 ₹ Nil) against rectification material lying at customer location for re-import, subject to custom authorities valuation.

(vi) Sales Tax

The total sales tax demands (including interest and penalty), that are being contested by the Holding Company amount to ₹ 50.79 lakhs. The details of the demands are as follows:

In case of Holding Company, the Sales Tax authorities have denied input tax credit and levied interest and penalty thereon due to varied reasons aggregating to ₹ 31.89 lakhs (as at March 31, 2020 ₹ 31.89 lakhs). The reasons for disallowing credit was mainly due to not allowing set off of taxes on LPG Gas and other materials used in manufacturing and also not allowing full deduction of taxes paid. Further, there is levy of purchase tax on purchase of LPG Gas. The matter is contested in appeal.

In case of Holding Company, the Sales Tax authorities have demanded tax aggregating to ₹ 18.90 lakhs (as at March 31, 2019 ₹ 18.90 Lakhs) on account of tax being levied on inter-state stock transfers. The matter is contested in appeal.

The Sales Tax authorities have demanded tax aggregating to ₹ 4,074.89 Lakhs (as at March 31, 2020 ₹ Nil) on account of tax being levied on ex-parte order. The matter is contested in appeal.

(vii) Provident Fund

There are numerous interpretative issues relating to the SC Judgement on Provident Fund dated February 28, 2019. The Holding Company has evaluated the impact of said judgement and has made necessary provision in financials.

(a) Defined Contribution Plans

Contributions to defined contribution plan are recognised as expenses when contributions become due.

The Holding Company participates in a number of defined contribution plans on behalf of relevant personnel. Any expense recognised in relation to these schemes represents the value of contributions payable during the period by the Holding Company at rates specified by the rules of those plans. The only amounts included in the balance sheet are those relating to the prior months contributions that were not due to be paid until after the end of the reporting period. The major defined contribution plans operated by the Holding Company are as below:

(i) Provident fund and Pension

In accordance with the Employee's Provident Fund and Miscellaneous Provisions Act, 1952 eligible employees of the Holding Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Holding Company make monthly contributions at a specified percentage of the covered employees' salary.

The contributions, as specified under the law, are made to the provident fund set up as an irrevocable trust by the Holding Company, post contribution of amount specified under the law to Employee Provident Fund Organisation on account of employee pension scheme.

(ii) Superannuation fund

The Holding Company has a superannuation plan for the benefit of its employees. Employees who are members of the defined benefit superannuation plan are entitled to benefits depending on the years of service and salary drawn.

Separate irrevocable trusts are maintained for employees covered and entitled to benefits. The Holding Company contributes up to 10% of the eligible employees' salary to the trust every year. Such contributions are recognised as an expense as and when incurred. The Holding Company does not have any further obligation beyond this contribution.

The total expenses recognised in the Consolidated Statement of Profit and Loss during the year are as under:

Particulars	(Amount ₹ in Lakhs)	
	For the year ended March 31, 2021	For the year ended March 31, 2020
Employer's contribution to Provident and other Funds	494.76	584.18
Employer's contribution to Superannuation Fund	80.25	118.12
Total	575.00	702.30

(b) Defined Benefit Plan

(i) Gratuity

In respect of Gratuity, a defined benefit plan, contributions are made to LIC's Recognised Group Gratuity Fund Scheme. It is governed by the Payment of Gratuity Act, 1972. Under the Gratuity Act, employees are entitled to specific benefit at the time of retirement or termination of the employment on completion of five years or death while in employment. The level of benefit provided depends on the member's length of service and salary at the time of retirement/termination age. The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2021 by a member firm of the Institute of Actuaries of India. The present value of the defined benefit obligation,

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

and the related current service cost and past service cost, were measured using the projected unit credit method. Each year, the Company reviews the level of funding in gratuity fund. The Group decides its contribution based on the results of its annual review.

This plan typically expose the Group to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

(I) Investment Risk

The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit. However, the risk is partially mitigated by investment in LIC managed fund.

(II) Interest Rate Risk

A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.

(III) Longevity Risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

(IV) Salary Risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Amounts recognized in the Financial Statements in respect of defined benefit plan are as follows:

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Sensitivity due to mortality are not material & hence impact of change not calculated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

The Holding Company expects to make a contribution of ₹ 119.07 lakhs (as at March 31, 2020: ₹ 138.67 lakhs) to the defined benefit plans during the next financial year.

(c) Other long term employee benefit plans
Leave encashment

48 FINANCIAL INSTRUMENT DISCLOSURE

(a) Capital Management

The Group's capital management is intended to create value for shareholders by facilitating the meeting of long term and short term goals of the Group, safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce the cost of capital.

The Group determines the amount of capital required on the basis of annual business plan coupled with long term and short term strategic investment and expansion plans. The funding needs are met through equity, cash generated from operations, long term and short term bank borrowings.

The Group monitors capital using a ratio of net debt to equity. For this purpose, net debt is defined as liabilities, comprising interest-bearing loans less cash and cash equivalents, other bank balances (including earmarked balances) and current investments. Equity comprises all components of equity.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

(ii) Fair value measurement

This note provides information about how the Company determines fair values of various financial assets and liabilities.

Fair value measurements under Ind AS are categorised as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at measurement date;
- Level 2 inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets/liabilities.

Fair value of the Group's financial assets that are measured at fair value on a recurring basis:

Following table gives information about how the fair values of the Company's financial assets are determined:

Financial assets	(Amount ₹ in Lakhs)	
	Fair value as at March 31, 2021	Fair value as at March 31, 2020
Investment in mutual funds	2,635.21	2,072.69

Valuation technique and key input: NAV declared by respective Asset Management Companies.

Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required):

Management considers that the carrying amounts of financial assets and financial liabilities recognized in the financial statements except fair value of investments in mutual funds approximate their fair values.

There have been no transfers between Level 1 and Level 2 for the years ended March 31, 2021.

(iii) Financial risk management objectives

The Group's principal financial liabilities comprises of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include mutual funds, trade and other receivables and cash and cash equivalents that derive directly from its operations. The Group is exposed to market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Group's senior management oversees the management of these risks. The senior management ensures that the Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives. The Group does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

(a) Market risk

Market risk is the risk that changes in market prices- such as foreign exchange rates, interest rates and equity prices- will affect the Group's income or the value of its holdings of financial instrument. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimising the return. The major components of market risk are foreign currency risk, interest rate risk and price risk.

(I) Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise.

The carrying amount of the Group's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Foreign Currency Exposure	(Amount ₹ in Lakhs)	
	As at March 31, 2021	As at March 31, 2020
Assets	32.06	0.20
Liabilities	18.15	6.54

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

The Group has not entered in to any forward contracts to hedge its foreign exposures and therefore there are no outstanding forward contract at the year end.

Foreign Currency Sensitivity:

The Company is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables. As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between USD/EURO-INR currency pair, sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below:

	(Amount ₹ in Lakhs)	
	For the year ended March 31, 2021	For the year ended March 31, 2020
USD sensitivity at year end

Liabilities:		
Weakening of INR by 5%	-	-
Strengthening of INR by 5%	-	-

* indicate amount less than ₹ 1 thousand

(II) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's main interest rate risk arises from the long term borrowings with fixed rates. The Group's fixed rates borrowings are carried at amortised cost.

The Group invests the surplus fund generated from operations in mutual funds. Considering these mutual funds are short term in nature, there is no significant interest rate risk.

The Group has laid policies and guidelines including tenure of investment made to minimise impact of interest rate risk.

(III) Price risk

The Holding Company has deployed its surplus funds into units of mutual fund. The Holding Company is exposed to NAV (net asset value) price risks arising from investments in these funds. The value of these investments is impacted by movements in liquidity and credit quality of underlying securities.

NAV price sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to NAV price risks at the end of the reporting period. If NAV prices had been 1% higher/lower:

In case of Holding Company, Profit for the year ended March 31, 2021 would increase/decrease by ₹ 26.33 lakhs.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

(b) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Holding Company. The Holding Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. The Holding Company's exposure and wherever appropriate, the credit ratings of its counterparties are continuously monitored and spread amongst various counterparties. Credit exposure is controlled by counterparty limits that are reviewed and approved by the management of the Holding Company. Financial instruments that are subject to concentrations of credit risk, principally consist of balance with banks, investments in mutual funds, trade receivables and loans and advances. None of the financial instruments of the Holding Company result in material concentrations of credit risks.

Balances with banks were not past due or impaired as at the year end. In other financial assets that are not past dues and not impaired, there were no indication of default in repayment as at the year end.

The age analysis of trade receivables as of the balance sheet date have been considered from the due date and disclosed as under:

Particulars	(Amount ₹ in Lakhs)	
	As At March 31, 2021	As At March 31, 2020
Within the credit period	38,525.80	26,819.95
Upto 6 months past due	-	-
More than 6 months past due	131.07	235.98
Total	38,656.86	27,055.93

The Group has used a practical expedient by computing the expected loss allowance for financial assets based on historical credit loss experience and adjustments for forward looking informations.

(c) Liquidity risk

The Group manages liquidity risk by maintaining sufficient cash and cash equivalents and availability of funding through an adequate amount of committed credit facilities to meet the obligations when due. Management monitors rolling forecasts of liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, liquidity management also involves projecting cash flows considering level of liquid assets necessary to meet obligations by matching the maturity profiles of financial assets & liabilities and monitoring balance sheet liquidity ratios.

The following tables detail the Group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Group may be required to pay.

52 The spread of Covid 19 has affected the business operations post the national lock down. The Group has taken various measures in consonance with Central and State Government advisories to contain the pandemic, which included closing of manufacturing facilities. Given the uncertainty of quick turnaround to normalcy, post lifting of the lock down, the Group has carried out a comprehensive assessment of possible impact on its business operations, financial assets, contractual obligation and its overall liquidity position, based on the internal and external sources of information and application of reasonable estimates. The Group does not foresee any significant incremental risk to the recoverability of its assets or in meeting its financial obligations over the foreseeable future, given early and required steps taken to contain, protect and mitigate the exposure. Pursuant to the relaxed guidelines, the Group has now resumed its operations, however some of the staff continues to operate from home. Since the situation is continuously evolving, the impact assessed in future may be different from the estimates made as at the date of approval of these financial results. Management will continue to monitor any material changes arising due to the impact of this pandemic on financial and operational performance of the Group and make necessary measures to address the situation.

53 Previous year's figures have been regrouped, wherever necessary, to conform to current year classification.

54 The Consolidated Financial Statements of the Group are approved by the Board of Directors in its meeting held on June 09, 2021.

Notes :

- In view of the COVID-19 pandemic, Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 read with Circular No. 20/2020 dated May 5, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time (hereinafter collectively referred to as "Circulars") allowed companies whose AGMs were due to be held in the year 2020 or become due in the year 2021, to conduct their AGMs on or before December 31, 2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020. Hence, in compliance with these Circulars, the AGM of the Company will be conducted through Video Conferencing (VC)/Other Audio Visual Mode (OAVM). The deemed venue for the 36th AGM shall be the Registered Office of the Company.
- Details under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and in terms of Secretarial Standard - 2 in respect of the Directors seeking appointment/re-appointment at the 36th AGM are annexed here to as Annexure - A to this Notice. The Company has received relevant disclosure/consent from the Directors seeking appointment/re-appointment.
- On account of threat posed by COVID-19 and in terms of the MCA and SEBI Circulars, SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and SEBI/HO/CFD/CMD2/CIR/ P/2021/11 dated January 15, 2021, the Company has sent the Annual Report and the Notice of AGM only in electronic form to the registered email addresses of the shareholders. Therefore, those shareholders who have not yet registered their email addresses are requested to get their email addresses registered by following the procedure given below:
 - Shareholders holding shares in physical form, are requested to register / update their email addresses by sending a request to the Company Secretary at the following email address cs@munjalauto.com or by writing to the RTA with details of folio number and attaching a self-attested copy of PAN card at mcsfldbaroda@gmail.com.
 - Shareholders holding shares in dematerialized form, are requested to register/ update their email addresses with the Depository Participants with whom the demat account is maintained.

4. All documents referred to in the Notice will be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 14, 2021. Members seeking to inspect such documents can send an email to cs@munjalauto.com.
5. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 ("Act") and the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM.
6. Pursuant to Section 91 of the Act and Regulation 42 of the Listing Regulations, the Register of Members and the Share Transfer books of the Company will remain closed from **Wednesday, September 8, 2021 to Tuesday, September 14, 2021** (both days inclusive) for the purpose of 36th AGM of the Company.
7. **Cut-off Date:** The Company has fixed **Tuesday, September 07, 2021 as the Cut-off Date** for remote e-voting. The remote e-voting/ voting rights of the shareholders/beneficial owners shall be reckoned on the equity shares held by them as at close of business hours on the Cut-off Date i.e. **Tuesday, September 07, 2021 only**. A person who is not a Member as on the Cut-off Date should treat this Notice for information purposes only.
8. The voting rights of the Members shall be in proportion to the paid-up value of their shares in the equity capital of the Company as on the Cut-off Date, being **Tuesday, September 07, 2021**.
9. The Company has designated Mr. Rakesh Johari, Company Secretary and Compliance Officer, to address the grievances connected with the voting by electronic means. The Members can reach Company's official at +91-02668-262421-22 or cs@munjalauto.com.
10. The Board of Directors has appointed Mr. Devesh A. Pathak, Proprietor, M/s. Devesh Pathak & Associates, Company Secretaries, Vadodara, as Scrutinizer to scrutinize the remote e-voting process and voting through electronic voting system at the AGM in fair and transparent manner.
11. The Scrutinizer shall, after conclusion of voting at the AGM, first download the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least 2 (two) witnesses not in the employment of the Company and shall within 48 hours of conclusion of the AGM, submit a Consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or any KMPs of the Company who shall countersign the same and declare the results of voting forthwith.
12. The resolutions will be deemed to be passed on the AGM date subject to receipt of the requisite number of votes in favour of the resolutions. The results shall be declared within 48 hours after the AGM of the Company. The results alongwith Scrutiniser's Report shall be placed on the website of the Company (www.munjalauto.com), website of CDSL (www.evotingindia.com) and by filing with the Stock Exchanges. It shall also be displayed on the Notice Board at the Registered Office of the Company.
13. Members are requested to note that under Section 124 of the Act read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules'), the amount of dividend remaining unpaid or unclaimed for a period of seven years from the date of transfer to Unpaid Dividend Account is required to be transferred to the Investor Education and Protection Fund ('IEPF') constituted by the Central Government of India. Further, all shares in respect of which dividends remain unclaimed/unpaid for seven consecutive years or more, are also required to be transferred to designated Demat Account of the IEPF Authority. The Company during the financial year 2020-21 had, accordingly, transferred the unpaid and unclaimed dividend amount pertaining to the financial year 2012-13 alongwith relevant shares to the IEPF within the stipulated time period. Further, all the shareholders who have not claimed/encashed their dividends in the last seven consecutive years from FY 2013-14 and onwards are requested to claim the same. The concerned members are requested to verify the details of their unclaimed amounts, if any, from the website of the Company and write to the Company's Registrar before the same becoming due for transfer to the IEPF.
14. In respect of the physical shareholding, in order to prevent fraudulent transactions, members are advised to exercise due diligence and notify the Registrar of any change in their addresses, telephone numbers, e-mail ids, nominees or joint holders, as the case may be. The Securities and Exchange Board of India ('SEBI') has mandated submission of Permanent Account Number ('PAN') by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to submit their PAN details to the Registrar.
15. Pursuant to the Listing Regulations, shares of a listed entity can only be transferred in demat form w.e.f. April 1, 2019 except in cases of transmission or transposition. Therefore, **shareholders are encouraged in their own interest to dematerialize their shareholding to avoid hassle in transfer of shares and eliminate risks associated with physical shares. Members can write to the Registrar in this regard.**

16. Pursuant to the provisions of Section 72 of the Act, the members holding shares in physical form may nominate, in the prescribed manner, a person to whom all the rights in the shares shall vest in the event of death of the sole holder or all the joint holders. Members holding shares in demat form may contact their respective Depository Participants for availing this facility and the Members holding shares in physical form shall contact the Registrar.
17. Information in respect of unclaimed dividend pertaining to the subsequent financial years when due for transfer to the said fund is given below:

Financial Year ended	Date of declaration of dividend	Last date for claiming unpaid dividend
31.03.2014	08.08.2014	07.08.2021

18. Since, the AGM will be held through VC, the facility to appoint proxy to attend and cast vote for the members is not available for the AGM. Therefore, the route map, proxy form and attendance slip are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and cast their votes through e-voting.
19. **Remote E-Voting:**

Pursuant to Section 108 of the Act, rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the Listing Regulations, the Company is pleased to provide the facility of voting by electronic means viz. 'remote e-voting' (e-voting from a place other than venue of the AGM) through CDSL, for all Members of the Company to enable them to cast their votes electronically, on the resolutions mentioned in the Notice of 36th AGM of the Company. The remote e-voting period begins on **Saturday, September 11, 2021 at 9:00 a.m. (IST) and ends on Monday, September 13, 2021 at 5:00 p.m. (IST).**

During this period, Members of the Company, holding shares either in physical form or in dematerialized form as on the Cut-off Date i.e. may cast their votes electronically. The remote e-voting module shall be disabled after **5:00 p.m. (IST) on Monday, September 13, 2021.** The facility for electronic voting system, shall also be made available at the 36th AGM.

The Members attending the AGM, who have not cast their votes through remote e-voting, shall be able to exercise their voting rights at the AGM. The Members who have already cast their votes through remote e-voting may attend the meeting but shall not be entitled to cast their votes again at the AGM.

The Members desirous of voting through remote e-voting are requested to refer to the detailed procedure given hereinafter. Once the vote on a resolution is cast by a Member, the Member shall not be allowed to change it subsequently.

CDSL e-Voting System – For E-Voting and Joining Virtual Meetings.

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Act, read with rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the Listing Regulations, (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020 and January 13, 2021 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1,000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Act.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://munjalauto.com/finance/notice/>. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(i) The voting period begins on **Saturday, September 11, 2021 at 9:00 a.m. (IST)** and ends on **Monday, September 13, 2021 at 5:00 p.m. (IST)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Tuesday, September 07, 2021**, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020**, under Regulation 44 of the Listing Regulations, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
