L&T Wins (Significant*) Orders for Hydrocarbon Business

Mumbai, Feb 13, 2024: The Hydrocarbon vertical (L&T Energy Hydrocarbon - LTEH) of Larsen & Toubro (L&T), has secured an onshore order and an offshore order from a prestigious client in the Middle East.

The scope of work for the onshore order comprises of engineering, procurement, & construction of an Enclosed Ground-Flare system and demolition of existing facilities, reducing flame and smoke visibility to the nearby ongoing large scale residential developments.

The offshore order involves mainly brownfield work including upgradation of shutdown systems in existing offshore platforms.

L&T Energy Hydrocarbon is executing several domestic and international projects and is committed to building its regional presence in geographies that it operates by growing local skills and talent, improving procurement from local vendors, engaging commercially with local contractors on the foundation of a sustainable workload.

Organised under Offshore, Onshore EPC, Modular Fabrication, Advanced Value Engineering & Technology (AdVENT) and Offshore Wind Farm Business Groups, LTEH offers integrated design-to-build solutions across the hydrocarbon sector to domestic and international customers. With over three decades of rich experience, LTEH has been setting global benchmarks in all aspects of project management, corporate governance, quality, health safety environment (HSE) and operational excellence.

Background:

Larsen & Toubro is a USD 23 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing, and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
