- i. a Supplemental Deed of Hypothecation dated 29 September 2014 executed by the Corporate Debtor in favour of the Applicant
 - ii. Deed of Guarantee dated 29 September 2014 executed by GGL in favour of the Applicant,
 - iii. Deed of Personal Guarantee dated 29 September 2014 executed by Mr. Mehul C. Choksi in favour of the Applicant.
32. Additionally, at the request of the Corporate Debtor, the Applicant issued a Credit Arrangement Letter dated 31 July 2017 whereby the Applicant renewed the working capital facilities upto an overall limit of INR 121 Crores (INR One Hundred and Twenty-One Crores Only) upto 18 July 2018, subject to the terms and conditions mentioned therein.
33. On 1 August 2017, letter of Acknowledgement was issued by the Corporate Debtor to the Applicant whereby it acknowledged that it had executed the Third Interim Facility Agreement which had been secured by the Supplemental Deed of Hypothecation dated 12 March 2013. Further contractual comfort to the Third Interim Facility Agreement had been provided by way of a Deed of Guarantee dated 12 March 2013. Pursuant thereto, the **Corporate Debtor acknowledged that the balance due under the working capital facility was to the tune of INR 119,74,09,611** (INR One Hundred and Nineteen Crores Seventy Four Lakhs Nine Thousand Six Hundred and Eleven Only).
34. Accordingly, in terms of the facility agreements, the Applicant issued a **notice of recall dated 21 February 2018** in respect of the Facilities, (**Recall**

Notice) to the Corporate Debtor, recalling the Facilities availed by the Corporate Debtor from the Applicant along with interest and other monies due in respect thereof. Further, the Applicant, *vide* the Recall Notice called upon the Corporate Debtor to honour the obligations towards the Applicant and pay the outstanding amount under the **Facilities aggregating to INR 120,45,88,734 (INR One Hundred and Twenty Crores Forty Five Lakh Eighty-Eight Thousand Seven Hundred and Thirty Four Only)** as on 31 January 2018 together with applicable interest, penal interest, premia charges thereon at the contractual rates upon the footing of compounded interest until payment/realisation.

35. Upon failure to make payment despite issuing the Recall Notice, the account of the Corporate Debtor with the Applicant was classified as a non-performing asset **(NPA) with effect from 31 March 2018.**

36. It is submitted that despite issuing the Recall Notice and the Statutory Notice and time granted for regularisation of accounts, the Corporate Debtor has failed and neglected to repay the outstanding dues under the facilities to the Petitioner.

37. The Applicant submits that the aforesaid clearly demonstrates, (i) the existence of a debt owed by the Corporate Debtor to the Applicant under the Facilities; and (ii) the occurrence of persistent defaults on part of the Corporate Debtor in repayment of such debt. Hence, it is prayed that the petition be admitted.

B) No Submissions by the Corporate Debtor :

38. The promoters and directors of the Corporate Debtor never appeared before this Bench except on the date of final hearing dated 22.01.2019, after a specific direction by the Bench for the Directors to be present. The executive directors namely Jyoti Vora and Dinesh Bhatia were present in person and recorded their presence in the order sheet. They informed the court that they did not have any involvement in availing these credits from the bank authorities. It is strange and alarming to note that the directors present, on issuance of notice of personal appearance, informed that they happened to be an employee of the Debtor Company, having no knowledge about this financial irregularity. They were forced to be a Director of this Company. No fees for attending Board meetings were ever paid. They have also been questioned by the EOW and ED officers but due to no knowledge of the affairs, asked them to leave. Moreover, no reply has been received on record till date. The Corporate Debtor has nowhere denied his liability to pay the amount claimed.

Findings :

39. The debt was repayable as per the Agreements and other documents put on record. The Financial creditor issued a **Recall Notice** to the Corporate Debtor for repayment

of debt. However, the Corporate Debtor failed to pay the said sum. Furthermore, the Corporate Debtor failed to reply to the petition in hand as well.

40. Huge stake is involved in the present case. The concerned matter is of national importance as already there are criminal proceedings under the Prevention of Money Laundering Act, 2002 and Fugitive Offenders act, 2018 going on against the promoters of this company. Recovery proceedings have been initiated before DRT, Mumbai. Therefore, on bare perusal of the documents placed on record, submissions made, and the fact that the corporate debtor has time and again acknowledged its liability, not even an iota of doubt is left to hold that the Corporate Debtor had committed breach in repayment.
41. The directors present are nothing but name lenders having no information about the functioning of this debtor company. The main promoter/directors Mr. Mehul Choksi have never surfaced during the proceedings. The Bench has asked to inform the whereabouts and the contact details of the absconding directors. However, they have expressed their inability to provide any information having no knowledge of their whereabouts.
42. Further, by not filing any reply to this petition or recall notice, the Corporate Debtor clarifies that there does not exist any valid defence to the amount claimed. Therefore, it can be very safely presumed that the Corporate Debtor has nothing to say in its defence.
43. On going through the facts and submissions of the petitioner and upon considering the same, it is concluded that the Financial Creditor has established that the loan was duly sanctioned and duly disbursed to the Corporate Debtor but there has been default in payment of Debt on the part of the Corporate Debtor.
44. Considering the above facts, I come to conclusion the nature of Debt is a **“Financial Debt” as defined under section 5 (8)** of the Code. It has also been established that admittedly there is a **“Default” as defined under section 3 (12)** of the Code on the part of the Debtor.
45. As a consequence, keeping the admitted facts in mind, it is found that the Petitioner has not received the outstanding Debt from the Respondent and that the formalities as prescribed under the Code have been completed by the Petitioner, I am of the conscientious view that this Petition deserves **‘Admission’**.
46. Further that, I have also perused the Form – 2 i.e. written consent of the proposed Interim Resolution Professional submitted along with this application/petition by the Financial Creditor and there is nothing on record which proves that any disciplinary action is pending against the said proposed Interim Resolution Professional.

47. Hence, after perusal of the provisions of the Code and facts and circumstances of this case along with the submissions of the petitioner, it is hereby held that this Petition/Application is **Admitted**.
48. The Financial Creditor has proposed the name of Insolvency Professional. The IRP proposed by the Financial Creditor, **Mr. Vijay Garg**, Flat No. 802, Tower 6, Unitech Escape Nirvana Country, Golf Course Road Extension, Sector-50, Gurugram, Haryana-122018., having registration No. IBBI/IPA-002/IP-N00359/2017-18/11060 is hereby appointed as Interim Resolution Professional to conduct the Insolvency Resolution Process.
49. Having admitted the Petition/Application, the provisions of **Moratorium** as prescribed under **Section 14 of the Code** shall be operative henceforth with effect from the date of order shall be applicable by prohibiting institution of any Suit before a Court of Law, transferring/encumbering any of the assets of the Debtor etc. However, the supply of essential goods or services to the “Corporate Debtor” shall not be terminated during Moratorium period. It shall be effective till completion of the Insolvency Resolution Process or until the approval of the Resolution Plan prescribed under Section 31 of the Code.
50. That as prescribed under **Section 13 of the Code** on declaration of Moratorium the next step of **Public Announcement** of the Initiation of Corporate Insolvency Resolution Process shall be carried out by the IRP immediately on appointment, as per the provisions of the Code.
51. That the Interim Resolution Professional shall perform the duties as assigned under **Section 18** and **Section 15** of the Code and inform the progress of the Resolution Plan and the compliance of the directions of this Order within 30 days to this Bench. A liberty is granted to intimate even at an early date, if need be.
52. The appointed IRP shall communicate this order to the other authorities who have taken action against the Debtors namely, Enforcement Directorate, Economic Offences Wing, Income Tax Department and Ministry of External Affairs to take due cognizance of this insolvency order for further action. The bank authorities shall take action against the debtor company along with the guarantors without fail immediately. In case of any recovery, the same should be reported to the appointed IRP, who shall in turn report the matter to this Bench.
53. The Petition is hereby **“Admitted”**. The commencement of the Corporate Insolvency Resolution Process shall be effective from the date of the Order.
54. Ordered Accordingly.
