PRESS RELEASE

DLF Limited selected in the Dow Jones Sustainability Indices for second time
DLF becomes the only Real Estate company from India to be included in the prestigious Dow Jones Sustainability Emerging Markets Index

Gurugram, November 18, 2021:

DLF Limited, India's leading real estate company, has once again been selected to be a constituent of the Dow Jones Sustainability Emerging Markets Index. DLF is the only real estate company from India to be included in this index and joins a distinguished league of 15 companies from India which have been recognized for their ESG initiatives and practices.

The Dow Jones Sustainability Indices is the world's leading provider of ratings that evaluate publicly listed companies against Environmental, Social and Governance (ESG) criteria. Only the most sustainable companies in each industry are considered for inclusion in the list.

As of November 12, 2021, we performed in the top decile in the S&P Global Corporate Sustainability Assessment with a 97% Percentile ranking. This is the 2nd consecutive year that DLF Limited is included in the index.

Mr. Ashok Kumar Tyagi, Whole time Director & CEO DLF Limited said, "We are encouraged by the continued recognitions for our ESG initiatives. The inclusion in the Dow Jones Sustainability Indices for the second time is a testament of our efforts. We remain committed to making a difference on issues that matter to our customers and shareholders in the environmental, social, and governance (ESG) areas."

Mr. Manjit Jus, Global Head of ESG Research, S&P Global, said, "We congratulate DLF Limited for being included in the Dow Jones Sustainability Index (DJSI) for DJSI Emerging Markets indices. A DJSI distinction is a reflection of being a sustainability leader in your industry. The record number of companies participating in the 2021 S&P Global Corporate Sustainability Assessment is testament to the growing movement for ESG disclosure and transparency."

About Dow Jones Sustainability Indices (DJSI):

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500® and the Dow Jones Industrial Average®. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has been innovating and developing indices across the spectrum of asset classes helping to define the way investors' measure and trade the markets. S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies, and governments to make decisions with confidence.
