Report on the audit of the Standalone Financial Results

Qualified Opinion

We have audited the accompanying statement of standalone financial results of **RELIANCE NAVAL AND ENGINEERING Limited** ("the company") for the quarter and year ended March 31, 2020 (the "Statement"), being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

During the year, the National Company Law Tribunal ("the NCLT"), Ahmedabad Bench, admitted petition for initiation of Corporate Insolvency Resolution Process ("CIRP") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("the Code") filed by financial creditors vide order no. CP (IB) No. 418/7/NCLT/AHM/2018 dated January 15, 2020 and appointed an Interim Resolution Professional ("IRP"), Mr. Rajeev Bal Sawangikar, to manage affairs of the Company in accordance with the provisions of the Code. Subsequent to the year, the NCLT, Ahmedabad Bench, vide order no. IA 233/2020 in CP (IB) No. 418/7/NCLT/AHM/2018 dated May 5, 2020 appointed Mr. Sudip Bhattacharya as Resolution Professional ("RP") replacing the IRP according to the resolution passed by the Committee of Creditors unanimously. In view of pendency of the CIRP and suspension of powers of Board of Directors and as explained to us, the powers of adoption of the Statement vests with RP. These standalone financial results are prepared by the Management of the Company and Certified by Mr. Madan Pendse, Chief Financial Officer and approved by RP.

In our opinion and to the best of our information and according to the explanations given to us, *except the possible effects of the matters described in "Basis for Qualified Opinion" Para below*, these financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information for the quarter and year ended March 31, 2020.

Basis for Qualified Opinion

a) *We draw your attention to Note no. 4 to the Statement:*

i) *regarding non receipt of balance confirmation from banks and financial institutions (including current accounts and fixed deposits) as on March 31, 2020, accordingly the finance costs for the year end has been recognised based on balances as appearing in the books of account as on March 31, 2020 and may undergo change upon receipt of the confirmations. The impact of the same on the Standalone financial results cannot be quantified.*

ii) *during to the year, as a part of CIRP, creditors were called upon to submit their claims upto January 15, 2020. The claims submitted by the creditors are under verification and in respect of operational creditors the process of submitting claims is still going on and it is also under reconciliations with amount as appearing in the books of accounts. Pending reconciliations and final outcome of the CIRP, the consequential impact, if any, on the standalone financial results is not currently ascertainable.*

b) *As mentioned in note no. 5 and 6 to the Statement, ONGC has cancelled the order for Offshore Support Vessels (OSVs) and invoked the bank guarantees in FY 2018-19; further during the year, the Ministry of Defence has also cancelled the order of Naval Offshore Patrolling Vessels (NOPVs) and invoked the bank guarantees, which have been contested by the Company. The above cancellation has resulted into uncertainty about the recoverable value of its assets. As mentioned in note no. 7 to the Statement, the Company has not performed the impairment testing of its Property, Plant and Equipment (PPE), Capital Work in Progress (CWIP), Investments, Other Non Current Assets, Inventories, Trade Receivables and other Current Assets including Advance against purchase of material / services, Shipbuilding Contracts Receivables and Other Advances of the Company as at March 31, 2020 aggregating to Rs. 402,015 Lakhs. We are unable to obtain sufficient appropriate audit evidence about the recoverable value of the above assets; accordingly we are unable to quantify the provision for impairment for the same and its consequential impacts on the standalone financial results of the Company.*

c) *We have been informed by Resolution Professional that certain information including the minutes of meetings of the Committee of Creditors and the outcome of certain procedures carried out as a part of the CIRP are confidential in nature and could not be shared with anyone other than the Committee of Creditors and NCLT. Accordingly, we are unable to Comment on the possible financial impact, presentation and disclosures, if any, that may arise if we have been provided access to those information.*

We conducted our audit of this standalone financial results in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern

We draw attention to the Note no. 2 to the Statement regarding preparation of standalone financial results of the Company on going concern basis, notwithstanding the fact that the Company continues to incur cash losses, it's net worth has been fully eroded, defaulted in repayment of principal and interest to it's lenders, loans have been called back by secured lenders, non-current assets are significantly impaired, current liabilities exceeded the total assets of the Company, major customers have cancelled the orders, termination notice received to terminate the sub concession lease agreement of land parcel on which Company's EOU unit operates, etc. As mention in para 2 above, since the CIRP is currently in progress, as per the Code, it is required that the Company be managed as going concern during the CIRP, the standalone financial statements is continued to be prepared on going concern basis. However there exists material uncertainty about the Company's ability to continue as a going concern since the same is dependent upon the resolution plan to be formulated and approved by NCLT. The appropriateness of preparation of financial statements on going concern basis is critically dependent upon CIRP as specified in the Code.

Our opinion is not modified in respect of this matter.

Emphasis of Matter

We draw your attention to Note no. 9 to the Statement, which describes the uncertainties related to COVID-19 and its consequential effects on the affairs of the Company.

Our opinion is not modified in respect of this matter.

Management's and Resolution Professional's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone financial statements. The Company's Board of Directors are responsible for the preparation of the Statement

that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Resolution Professional is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the RP either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The RP is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control with reference to financial statements in place and the operating effectiveness of such control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Resolution Professional's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- a) We draw your attention that the Company has paid managerial remuneration of Rs. 19 Lakhs and Rs. 97 Lakhs for the quarter and year ended March 31, 2020, respectively, to its whole time director as approved by the shareholders of the Company but without obtaining prior approval from the secured lenders as required under the third proviso of the Section 197(1) of the Act.

Notes:

- 01 On September 4, 2018, IDBI Bank in its capacity of financial creditor had filed a petition under the Insolvency and Bankruptcy Code 2016 (the "IBC" / "Code") with the Hon'ble National Company Law Tribunal, Ahmedabad (the "NCLT") against Reliance Naval and Engineering Limited (the "Company").

The NCLT, vide its order dated January 15, 2020 ("Insolvency Commencement Date") initiated the Corporate Insolvency Resolution Process ("CIRP") of the Company under the Code. The said NCLT Order also records the appointment of Mr. Rajeev Bal Sawangikar as the Interim Resolution Professional ("IRP") in accordance with Section 16 of the Code.

Subsequently, pursuant to the meeting held on March 13, 2020, the Committee of Creditors (the "CoC") has replaced the existing IRP with Mr. Sudip Bhattacharya as the Resolution Professional ("RP") for the Company. Upon the application filed by CoC, the NCLT has approved the appointment of RP vide its order dated 5th May, 2020.

Under the IBC proceedings, the powers of the board have been suspended with effect from January 15, 2020. The powers of the Board of Directors are to be exercised by the RP.

The NCLT order also provided for a moratorium with effect from January 15, 2020 till the completion of the CIRP or until it approves the resolution plan under section 31(1) or passes an order for liquidation of the Company under Section 33, whichever is earlier. Currently, the Company is under CIRP.

- 02 The above audited Standalone Financial Results of the Company for the period and year ended March 31, 2020 have been taken on record by the RP while discharging the powers of the erstwhile Board of Directors of the Company which were conferred upon him by the aforementioned NCLT order dated May 5, 2020 to run the Company as a going concern during CIRP. Hence the financial results for the period and year ended March 31, 2020 have been prepared on going concern assumptions. The RP took charge of the Company on May 5, 2020 and authorized the Key Management Personnel (KMP's) to continue with their respective roles and charges as per their original work allocation.

- 03 The amounts of the claim admitted or to be admitted by the RP under CIRP process may differ from the amount reflecting in the books of account of the Company. The above audited financial results are drawn on the basis of March 31, 2020 figures as per the books of account of the Company. The RP and support team believe that these figures may be interpreted solely for the purpose of satisfying the regulatory requirement for filing of quarterly and yearly audited financial results and that these figures could change during the CIRP process or thereafter.

- 04 The Company has outstanding borrowings from banks and financial institutions aggregating Rs. 11,15,631 Lakhs including interest thereon and bank balances (current account and term deposit) aggregating to Rs. 1,581 Lakhs, balance confirmation as at March 31, 2020 has not been received by the Company. During the year ended March 31, 2020, as a part of CIRP, financial and operational creditors were called upon to submit their claims to the IRP as on January 15, 2020. These claims are under verification and the RP is in the process of receiving, collating, verifying, seeking clarification, sending communications for un-reconciled balances, seeking additional documents to substantiate whole or part of un-reconciled balances on such claims; hence no provision has been made in the books of accounts for the year ended on March 31, 2020. This matter has accordingly been qualified by the auditors in their audit report.

- 05 ONGC had placed an order for 12 Offshore Vessels (OSVs) in Financial Year (FY) 2009-10 out of which 7 OSVs have been delivered till 2015-16. ONGC has cancelled the order and invoked all the bank guarantees in FY 2018-19. The Arbitration Petition has been filed by the Company against the cancellation of Order. Pending the Award no provision has been made against the shipbuilding contract receivables, Advance against purchase of Material/ Services and Inventories, which has been qualified by the auditors in their audit report.

- 06 As on March 31, 2020, the Company has shipbuilding contracts receivables of Rs. 173,960 lakhs, including invocation of the bank guarantees amounting to Rs. 93,739 Lakhs in January 2020, for 5 Naval Offshore Patrol Vessels (NOPVs) from the Ministry of Defence, New Delhi (the "MOD"). On February 3, 2020, the Company has received a Show Cause Notice from the Ministry of Defence for termination of aforesaid Contract. In response to the Notice, the Company replied to the notice and also filed a writ petition along with stay application before the Delhi High Court on February 15, 2020.

The captioned matter was listed for hearing before the Hon'ble Delhi High Court on February 17, 2020. After hearing the arguments of both parties at length, the Hon'ble Court was pleased to direct the MOD to consider the writ petition as a representation in response to the Impugned Termination Notice and take a decision on termination as per law. The Hon'ble Court was further pleased to direct that in case the final decision of the MOD in relation to termination of the NOPV Contract is adverse to the interests of the Company, the operation of the said decision shall remain suspended for a period of 7 days after communication of such decision to the Company.

Although the MOD has not revived the contract, it has offered the Company an opportunity to present a proposal by August 31, 2020, outlining how it can complete two of the five NOPVs (NS001 and NS002) which are in advance stages of completion by outsourcing the remaining work to a PSU shipyard. This is at a proposal stage and only if the MOD is agreeable of the proposal, the MOD may accept the plan for two of the five NOPVs. However there is no clarity of the remaining three NOPVs. Pending the final decision by the MOD, no provision for shipbuilding contract receivables including bank guarantee invoked by MOD, Advance against purchase of Material/ Services and inventories has been made in the above results, which has been qualified by the auditors in their audit report.

- 07 The aggregate carrying value of Property, Plant and Equipment (PPE), Capital Work in Progress (CWIP), Investments, Other Non Current Assets, Inventories, Trade Receivables and Other Current Assets (Advances to vendors, Shipbuilding Contracts Receivables, etc) is Rs. 402,015 Lakhs. As explained in Note 1 above, the Company is under CIRP and RP is required to invite submission of resolution plan from potential resolution applicants, which shall be put up for necessary approvals before the CoC and the NCLT. The CIRP is not yet concluded and the final outcome is yet to be ascertained. The Company has not taken into consideration any impact on the value of tangible, financial and other assets, if any, in preparation of Financial Statements and has not made full assessment of impairment as required by the applicable Ind AS, if any, as on March 31, 2020 in the carrying value of the above assets. This matter has accordingly been qualified by the auditors in their audit report.

- 08 On March 16, 2020 and subsequent to year end on May 19, 2020, the Gujarat Pipavav Port Limited ("GPPL") has issued a termination notice to terminate the Sub-concession Agreement for non payment of lease rent. The agreement was entered between Gujarat Maritime Board ("GMB"), GPPL and the Company to sub lease the certain land parcels owned by GMB to the Company in order to carry out business activities. As the Company is under CIRP, it has requested GPPL to continue with the agreement for the smooth resolution process and expect to pay the lease rent as per the provision of the Code.

Further the Company has availed protections available to it as per various contractual provisions to reduce the impact of COVID-19. Any changes due to the changes in situations/circumstances will be taken into consideration, if necessary, as and when it crystallizes; accordingly it is not possible to determine exact financial impact of COVID-19 pandemic over the business at this juncture.

In order to evenly allocate the profit on the said contract to whole of the contract period, provision for proportionate cost to be incurred has been made and charged to statement of profit and loss as "Cost Estimated for Revenue Recognised", which gets adjusted to the statement of profit and loss as and when actual cost is incurred.

We conducted our audit of the Statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Results section of our report. We are independent of the Group and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Statement under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in

terms of their reports referred to in “Other Matters” paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern

We draw attention to the Note no. 2 to the Statement regarding preparation of Consolidated financial results of the Group on going concern basis, notwithstanding the fact that the Group continues to incur cash losses, it's net worth has been fully eroded, defaulted in repayment of principal and interest to it's lenders, loans have been called back by secured lenders, non-current assets are significantly impaired, current liabilities exceeded the total assets of the Group, major customers have cancelled the orders, termination notice received to terminate the sub concession lease agreement of land parcel on which Parent's EOU unit operates, etc. As mention in para 2 above, since the CIRP is currently in progress, as per the Code, it is required that the Parent be managed as going concern during the CIRP, the consolidated financial statements is continued to be prepared on going concern basis. However there exists material uncertainty about the Group's ability to continue as a going concern since the same is dependent upon the resolution plan to be formulated and approved by NCLT. The appropriateness of preparation of financial statements on going concern basis is critically dependent upon CIRP as specified in the Code.

Our opinion is not modified in respect of this matter.

Emphasis of Matter

We draw your attention to Note no. 9 to the Statement, which describes the uncertainties related to COVID-19 and its consequential effects on the affairs of the Group.

Our opinion is not modified in respect of this matter.

Management's and Resolution Professional's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated financial statements. The Parent's Management and Resolution Professional (RP) are responsible for the preparation of the Statement that give a true and fair view of the net loss and other comprehensive income and other financial information of the Group including its associate in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Management/ Resolution Professional / Management of the companies included in the Group and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associate and for preventing

and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Management of the Parent, as aforesaid.

In preparing the Statement, the respective Board of Directors / Resolution Professional / Management of the Companies included in Group and of its associate are responsible for assessing the ability of Group and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors / Resolution Professional / Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors / Resolution Professional / Management of the Companies included in the Group and of its associate are also responsible for overseeing the Company's financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on

whether the Group has adequate internal financial control with reference to financial statements in place and the operating effectiveness of such control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Resolution Professional's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

- 1 The above cash flow statement has been prepared under the "Indirect Method" as set out in IND AS 7 - Cash Flow Statement
- 2 Previous Year Figures have been regrouped / rearranged wherever necessary to make them comparable with those of current year.

Notes:

- 01 On September 4, 2019, IDBI Bank in its capacity of financial creditor had filed a petition under the Insolvency and Bankruptcy Code 2016 (the "IBC" / "Code") with the Hon'ble National Company Law Tribunal, Ahmedabad (the "NCLT") against Reliance Naval and Engineering Limited ("the Company").
- The NCLT, vide its order dated January 15, 2020 ("Insolvency Commencement Date") initiated the Corporate Insolvency Resolution Process ("CIRP") of the Company under the Code. The said NCLT Order also records the appointment of Mr. Rajeev Bal Sawangikar as the Interim Resolution Professional ("IRP") in accordance with Section 16 of the Code.
- Subsequently, pursuant to the meeting held on March 13, 2020, the Committee of Creditors (the "CoC") has replaced the existing IRP with Mr. Sudip Bhattacharya as the Resolution Professional ("RP") for the Company. Upon the application filed by CoC, the NCLT has approved the appointment of RP vide its order dated 5th May, 2020.
- Under the IBC proceedings, the powers of the board have been suspended with effect from January 15, 2020. The powers of the Board of Directors are to be exercised by the RP.
- The NCLT order also provided for a moratorium with effect from January 15, 2020 till the completion of the CIRP or until it approves the resolution plan under section 31(1) or passes an order for liquidation of the Company under Section 33, whichever is earlier. Currently, the Company is under CIRP.
- 02 The above audited consolidated financial results of the Company for the period and year ended 31st March, 2020 have been taken on record by the RP while discharging the powers of the erstwhile Board of Directors of the Company which were conferred upon him by the aforementioned NCLT order dated 5th May, 2020 to run the Company as a going concern during CIRP. Hence the financial results for the period and year ended 31st March, 2020 have been prepared on going concern assumptions. The RP took charge of the Company on 5th May, 2020 and authorized the Key Management Personnel (KMP's) to continue with their respective roles and charges as per their original work allocation.
- 03 The amounts of the claim admitted or to be admitted by the RP under CIRP process may differ from the amount reflecting in the books of account of the Company. The above audited financial results are drawn on the basis of March 31, 2020 figures as per the books of account of the Company. The RP and support team believe that these figures may be interpreted solely for the purpose of satisfying the regulatory requirement for filing of quarterly and yearly audited financial results and that these figures could change during the CIRP process or thereafter.
- 04 The Company has outstanding borrowings from banks and financial institutions aggregating Rs. 11,61,588 Lakhs including interest thereon and bank balances (current account and term deposit) aggregating to Rs. 1,594 Lakhs. balance confirmation as at March 31, 2020 has not been received by the Company. During the year ended March 31, 2020, as a part of CIRP, financial and operational creditors were called upon to submit their claims to the IRP as on January 15, 2020. These claims are under verification and the RP is in the process of receiving, collating, verifying, seeking clarification, sending communications for un-reconciled balances, seeking additional documents to substantiate whole or part of un-reconciled balances on such claims; hence no provision has been made in the books of accounts for the year ended on March 31, 2020. This matter has accordingly been qualified by the auditors in their audit report.
- 05 ONGC had placed an order for 12 Offshore Vessels (OSVs) in Financial Year (FY) 2009-10 out of which 7 OSVs have been delivered till 2015-16. ONGC has cancelled the order and invoked all the bank guarantees in FY 2018-19. The Arbitration Petition has been filed by the Company against the cancellation of Order. Pending the Award no provision has been made against the shipbuilding contract receivables. Advance against purchase of Material/ Services and Inventories, which has been qualified by the auditors in their audit report.
- 06 As on March 31, 2020, the Company has shipbuilding contracts receivables of Rs. 173,960 lakhs, including invocation of the bank guarantees amounting to Rs. 93,739 Lakhs in January 2020, for 5 Naval Offshore Patrol Vessels (NOPVs) from the Ministry of Defence, New Delhi (the "MOD"). On February 3, 2020, the Company has received a Show Cause Notice from the Ministry of Defence for termination of aforesaid Contract. In response to the Notice, The Company replied to the notice and also filed a writ petition along with stay application before the Delhi High Court on February 15, 2020.
- The captioned matter was listed for hearing before the Hon'ble Delhi High Court on February 17, 2020. After hearing the arguments of both parties at length, the Hon'ble Court was pleased to direct the MOD to consider the writ petition as a representation in response to the Impugned Termination Notice and take a decision on termination as per law. The Hon'ble Court was further pleased to direct that in case the final decision of the MOD in relation to termination of the NOPV Contract is adverse to the interests of the Company, the operation of the said decision shall remain suspended for a period of 7 days after communication of such decision to the Company.
- Although the MOD has not revived the contract, it has offered the Company an opportunity to present a proposal by August 31, 2020, outlining how it can complete two of the five NOPVs (NS001 and NS002) which are in advance stages of completion by outsourcing the remaining work to a PSU shipyard. This is at a proposal stage and only if the MOD is agreeable of the proposal, the MOD may accept the plan for two of the five NOPVs. However there is no clarity of the remaining three NOPVs. Pending the final decision by the MOD, no provision for shipbuilding contract receivables including bank guarantee invoked by MOD. Advance against purchase of Material/ Services and inventories has been made in the above results.
- 07 The aggregate carrying value of Property, Plant and Equipment (PPE), Capital Work in Progress (CWIP), Investments, Other Non Current Assets, Inventories, Trade Receivables and Other Current Assets (Advances to vendors, Shipbuilding Contracts Receivables, etc) is Rs. 471,407 Lakhs. As explained in Note 1 above, the Company is under CIRP and RP is required to invite submission of resolution plan from potential resolution applicants, which shall be put up for necessary approvals before the CoC and the NCLT. The CIRP is not yet concluded and the final outcome is yet to be ascertained. The Company has not taken into consideration any impact on the value of tangible, financial and other assets, if any, in preparation of Financial Statements and has not made full assessment of impairment as required by the applicable Ind AS, if any, as on March 31, 2020 in the carrying value of the above assets. This matter has accordingly been qualified by the auditors in their audit report.
- 08 On March 16, 2020 and subsequent to year end on May 19, 2020, the Gujarat Pipavav Port Limited ("GPPL") has issued a termination notice to terminate the Sub-concession Agreement for non payment of lease rent. The agreement was entered between Gujarat Maritime Board ("GMB"), GPPL and the Company to sub lease the certain land parcels owned by GMB to the Company in order to carry out business activities. As the Company is under CIRP, it has requested GPPL to continue with the agreement for the smooth resolution process and expect to pay the lease rent as per the provision of the Code.

09 The outbreak of COVID-19 pandemic has significantly impacted businesses around the world. The Government of India ordered a nationwide lockdown, initially for 21 days which was extended twice to prevent community spread of COVID-19 in India. This has resulted in significant reduction in economic activities. With respect to operations of the Company, it has impacted its business by way of interruption in construction activities, supply chain disruption, unavailability of personnel, closure/lock down of various other facilities etc. It has also led to delay in the Resolution process of the Company.

Few of the construction activities are already commenced albeit in a limited manner. Further the Company has availed protections available to it as per various contractual provisions to reduce the impact of COVID-19. Any changes due to the changes in situations/circumstances will be taken into consideration, if necessary, as and when it crystallizes; accordingly it is not possible to determine exact financial impact of COVID-19 pandemic over the business at this juncture.

10 Other expense includes Rs. 10,877 Lakhs for quarter ended March 31, 2020 (Rs. 1,776 Lakhs for the quarter ended March 31, 2019) and Rs. 11,015 Lakhs for year ended March 31, 2020 (Rs. 1,776 Lakhs for year ended March 31, 2019) on account of provision for diminution in the value of

11 In respect of vessels other than the commercial vessels, including offshore support vessels, the Company accounts contract revenue and expenses based on the proportionate completion of contract method as certified by the technical experts. Accordingly Banks and Financial Institutions have not provided the balance confirmation as on March 31, 2020, however the claims from the financial creditors as of January 15, 2020 have been received and claims from financial and operational creditors are under verification and the Resolution Professional (the "RP") is in the process of receiving, collating, verifying, seeking clarification, sending communications for un-reconciled balances, seeking additional documents to substantiate whole or part of un-reconciled balances on such claims; hence no provision has been made in the books of accounts for the year ended on March 31, 2020.
