#### NOTES :

- 1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time, physical attendance of the Members to the AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
- 2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.
- 3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- 4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
- 5. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this notice.
- The Register of Members and the Share Transfer Books of the Company will remain closed from 5<sup>th</sup> August, 2023 to 11<sup>th</sup> August, 2023 (both days inclusive).
- 7. Pursuant to Ministry of Corporate Affairs (MCA) General Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 January 13, 2021 and SEBI circular dated January 15, 2021 and various circulars issued to provide relaxation to Companies in light of the pandemic situation in the country, the Notice for the 47<sup>th</sup> Annual General Meeting ("AGM") and Annual Report of FY 2022-23 is being sent only through electronic mode to the shareholders whose email addresses are registered with the depository participants / Registrar and Transfer Agent (RTA).
- 8. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time. the Notice calling the AGM has been uploaded on the website of the Company at <u>www.kandagirimills.com</u>. The Notice can also be accessed from the website of the Stock Exchange BSE Limited atwww.bseindia.com and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e.www.evoting.nsdl.com.
- AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 10/2022 dated December 28, 2022, issued by the Ministry of Corporate Affairs (MCA) and Circular SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 issued by SEBI (hereinafter collectively referred to as "the Circulars"),
- 10. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule20 of the Companies (Management and Administration) Rules, 2014 (as amended)and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.

11. Members holding shares in physical form are requested to contact M/s Cameo Corporate Services Limited, Registrars and Share Transfer Agents of the Company, at 'Subramaniam Building', No. 1 Club House Road, Chennai – 600 002 for recording any change of address, bank mandate, or nominations and for redress of grievance or contact the Company Secretary at the Registered Office of the Company.

In case of shareholders holding shares in demat form, all such intimations are to be sent to their respective Depository Participants (DP).Members can also submit their grievances direct to the Company at the following email ID: sales@kandagirimills.com;

- 12. As per the provisions of the Companies Act, facility for making nominations is available to individuals holding shares in the Company. The prescribed nomination form can be obtained from the RTA/ Depository Participants.
- 13. Transfer of Unclaimed/Unpaid dividends along with underlying shares to IEPF

Pursuant to Section 124 & 125 of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 which came into effect from 07.09.2016 with subsequent amendments thereto, in addition to transfer of unpaid/unclaimed dividend of seven years to IEPF a/c, the underlying shares with respect to unpaid/unclaimed dividend of seven consecutive years has to be transferred by the company to the Investor Education and Protection Fund (IEPF) established by the Central Government.

In accordance with the above statutory provisions, the dividends declared by the Company which remain unpaid and unclaimed for seven years and the underlying shares with respect to unpaid/unclaimed dividend of seven consecutive years were transferred to IEPF a/c by the Company as per the applicability. During the FY 2022-23, there was no transfer of dividends and underlying shares to IEPF a/c as there is no dividend declared and remain unpaid and unclaimed for seven years during the FY 2022-23

Shareholders can claim the earlier transferred dividends and shares from IEPF by filing the requisite forms and following the procedures as stated in the IEPF rules.

- 14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market for registering transfers, transpositions, transmissions etc. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the RTA, Cameo Corporate Services Limited, at 'Subramanian Building', No.1, Club House Road, Chennai – 600 002.
- 15. As per regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, securities of listed companies can be transferred only in dematerialized form with effect from 1st April, 2019, except in case of request received for transmission or transposition of securities. Hence members holding shares in physical form are requested to consider converting their holdings to dematerialized form and shall contact the Company's RTA Cameo corporate Services in this regard.
- 16. Additional information pursuant to regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standards (SS-2) in respect of Director seeking re-appointment at the AGM are furnished and forms part of the Notice. The Directors have furnished the requisite consents / declarations for their appointment/re-appointment.
- 17. Members are requested to inform the Company their e-mail ID to facilitate quick response from the Company. Ministry of Corporate Affairs has recognised e-mail communication to share holders as effective and efficient means of communication from the Company and also member's communication to the Company. Members may register their e-mail id with the Company and also keep the Company informed of any changes in their e-mail ID.
- 18. Members who have not so far dematerialized their shares are advised to demat the shares held in Physical form which will ensure safety and security for their shares.

# 19. THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on 8<sup>th</sup> August, 2023 at 9.00 a.m. and ends on 10<sup>th</sup> August, 2023 at 5.00 p.m. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 4<sup>th</sup> August, 2023, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 4<sup>th</sup> August, 2023.

#### How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

#### Step 1: Access to NSDL e-Voting system

# A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

| Type of<br>Shareholders  | Login Method  |
|--|---|
| Individual<br>Shareholders<br>holding<br>securities in<br>demat mode<br>with NSDL. | 1. Existing IDeAS user can visit the e-Services website of NSDL Viz.<br><u>https://eservices.nsdl.com</u> either on a Personal Computer or on a mobile. On the e-Services home page click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.   |
|  | <ol> <li>If you are not registered for IDeAS e-Services, option to register is available at<br/><u>https://eservices.nsdl.com</u>. Select "Register Online for IDeAS Portal" or click at<br/><u>https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp</u></li> </ol>  |
|  | 3. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <u>https://www.evoting.nsdl.com/</u> either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to <b>e-Voting website of NSDL</b> for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. |
|  | <ul> <li>Shareholders/Members can also download<br/>NSDL Mobile App "NSDL Speede" facility<br/>by scanning the QR code mentioned below<br/>for seamless voting experience.</li> </ul>   |

| Type of<br>Shareholders   | Login Method   |  |  |  |
|---|--|--|--|--|
| Individual<br>Shareholders<br>holding<br>securities in<br>demat mode  | id and password. Option will be made available to reach e-Voting page without any further<br>authentication. | B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual<br>shareholders holding securities in demat mode and shareholders holding securities in<br>physical mode. |  |  |  |  |
| How to Lo   | g-in to NSDL e-Voting websit   | <u>e?</u>  |  |  |
|   |  | L. Open web browser by typing the following URL :<br>Personal Computer or on a mobile.   |  |  |
| 2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.  |  |  |  |  |

3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <u>https://eservices.nsdl.com/</u> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

|    | Manner of holding shares i.e. Demat<br>(NSDL or CDSL) or Physical | Your User ID is:   |
|----|---|--|
| a) | For Members who hold shares in demat<br>account with NSDL.        | 8 Character DP ID followed by 8 Digit Client ID  |
|    |   | For example if your DP ID is IN300*** and Client ID is 12****** then your user ID is IN300***12******. |
| b) | For Members who hold shares in demat                              | 16 Digit Beneficiary ID  |
|    | account with CDSL.  | For example if your Beneficiary ID is 12************************************                           |
| c) | For Members holding shares in<br>Physical Form.                   | EVEN Number followed by Folio Number<br>registered with the company                                    |
|    |   | For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***                  |

- 5. Password details for shareholders other than Individual shareholders are given below:
  - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
  - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
  - c) How to retrieve your 'initial password'?
    - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
    - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those** shareholders whose email ids are not registered.

- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
  - a) Click on "Forgot User Details / Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
  - b) **Physical User Reset Password?**" (If you are holding shares in physical mode) option available on <u>www.evoting.nsdl.com</u>.
  - c) If you are still unable to get the password by aforesaid two options, you can send a request at <a href="mailto:evoting@nsdl.co.in">evoting@nsdl.co.in</a> mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
  - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

#### Step 2 : Cast your vote electronically and join General Meeting on NSDL e-Voting system.

#### How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

- 1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
- Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".
- 3. Now you are ready for e-Voting as the Voting page opens.
- 4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- 5. Upon confirmation, the message "Vote cast successfully" will be displayed.
- 6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- 7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

#### **General Guidelines for shareholders**

- Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to <u>bksundaram@gmail.com</u> with a copy marked to <u>evoting@nsdl.co.in</u>.Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
- 2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.

 In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and evoting user manual for Shareholders available at the download section of <u>www.evoting.nsdl.com</u> or call on.: 022 - 4886 7000 and 022 - 2499 7000 or send a request to Ms. Pallavi Mhatre, Manager, NSDL at <u>evoting@nsdl.co.in</u>

# Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of email ids for e-voting for the resolutions set out in this notice :

- 1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to <u>ksmcs@kandagirimills.com</u>.
- 2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to (ksmcs@kandagirimills.com). If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.
- 3. Alternatively shareholder/members may send a request to <u>evoting@nsdl.co.in</u>for procuring user id and password for e-voting by providing above mentioned documents.
- 4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. # **KANDAGIRI SPINNING MILLS LIMITED**

### DIRECTORS' REPORT TO THE MEMBERS

Your directors hereunder submit their 47<sup>th</sup>Annual Report together with the audited accounts for the year ended March 31, 2023 (the year).

#### 2022-23 2021-22 **Performance Highlights** (Rupees in Lakhs) Revenue from Operations 123 319 Other Operating Income Other Income 326 259 Total Income 449 578 Gross profit/(Loss) (i.e., Profit/(Loss) before interest, tax and depreciation) 301 231 Cash profit/(Loss) (i.e., Profit / (Loss) before depreciation and tax) 169 72 Profit/(Loss) before exceptional Item and tax 139 43 Exceptional Item: Profit/(Loss) after exceptional Item (before tax) - PBT 139 43 Tax Expense: Current Tax Current year 15 - Prior year withdrawal (14)\_ Deferred tax Profit/(Loss) after exceptional Item and tax - PAT 28 153 Earnings per share - basic and diluted Rs. 3.97 0.71

#### Dividend

In view of the loss incurred during the past years and erosion of networth, no dividend is recommended by your Board of Directors for the financial year 2022-23.

#### **Retained Earnings**

The current year profit of Rs. 152.93 lakhs is added to the negative retaining earnings as at the beginning of the year of (Rs. 3785.67 lakhs) and the negative retained earnings as at the end of the year is (Rs. 3632.74 lakhs).

#### Financial Performance with respect to Operational Performance :

During the financial year 2022-23, the Company continued to lease out its immovable property and earned lease rental income of Rs. 180.00 lakhs. The Company carried out yarn trading business and generated revenue of Rs. 123.10 lakhs during the financial year 2022-23. Though the Company has earned a profit of Rs 139.35 lakhs, still there has been an erosion of networth. The profit of Rs. 139.35 lakhs is mainly because of forfeiture of Unit-II sale advances (net) on account of failure to fulfill the commitment on part of the buyer and net gain on fair value of investments.

The total income of the Company during the FY 2022-23 is Rs. 448.59 lakhs as against the previous year income of Rs. 577.70 lakhs. The Company has incurred profit before tax of Rs.139.35 lakhs and profit after tax of Rs 152.93 lakhs in the financial year 2022-23 as against the previous year profit before tax of Rs. 42.52 lakhs and profit after tax of Rs. 27.52 lakhs.

#### MANAGEMENT DISCUSSION AND ANALYSIS

#### (a) Industry structure and developments and future outlook:

The Company at present is carrying out yarn trading business. Industry scenario is very much influenced by the Impact of macroeconomics headwinds on textile industry which is very crucial in determining the Industry behavior /growth and also depends on following factors such as Impact of anticipated domestic cotton shortage, Impact of support initiatives under the Foreign Trade Policy 2023 for Textile Sector and lastly by the Timeliness and Impact of high capex announced by most large industry players. The financial year 2022 - 2023 was challenging year when compared to financial year 2021 - 2022 for the textile industry. Many of the mills in TamilNadu State and also in other States, have either stopped their production totally or heavily reduced their production capacity, mainly because of increase in cotton price, want of sufficient orders for yarn and also due to labour shortage. With expected improvement in capacity utilisation, supported by improving domestic and export volumes in fiscal 2023, It is expected for improvement in the textile industry for the financial year 2023 - 2024.

#### (b) Strategies and Future plans

The quality of goods produced hitherto by company has generated goodwill and brand image. The Board of Directors hope to continue to use these advantages by continuing trading business. The Board of Directors of the Company exploring various possibilities for settling the outstanding liabilities and revival of the Company in the near future.

#### (d) Risks and Concerns

Your Company has devised risk management policy which involves identification of the business risks as well as the financial risks, its evaluation, monitoring, reporting and mitigation measures. The Audit Committee and Board of Directors of the Company periodically review the risk management policy of the Company so that management controls the risk through properly defined network. Head of Departments are responsible for implementation of the risk management system as may be applicable to their respective areas of functioning and report to the Board and the Audit Committee. The details of risk management mechanism and key risks faced by the Company are enumerated in the risk management policy. Risk management policy is uploaded in the company's website <u>www.kandagirimills.com</u>.

#### (e) Internal control systems

The Company has in place a well established internal control procedures. Necessary checks and balances have been instituted for timely correction with an effective internal audit system.

#### (f) Human resources management

Employees are your company's most valuable resource. Your Company continues to create a favourable environment at work place.

The company also recognises the importance of training and consequently deputes its work force to training and development. The fact that the relationship with the employees continued to be cordial is testimony to the company's ability to retain high quality workforce.

#### (g) Environmental Protection, Health and Safety (EHS)

EHS continues to receive the highest priority in all operational and functional areas at all locations of your Company. Systematic process safety analysis, audits, periodic safety inspections are carried out by expert agencies and suitable control measures adopted for ensuring safe operations at the site. Various processes as required for Pollution Control and Environmental Protection are strictly adhered to.

#### (h) Corporate Social Responsibility

The CSR provisions became inapplicable to the Company and accordingly, the CSR Committee was dissolved by the Board with effect from 18.06.2020. There is no CSR obligation for the Company for the FY 2022-23 in accordance with the provisions of section 135 of the Companies Act, 2013. Accordingly, requirement of CSR disclosure in required format is not applicable for the Company

#### (i) Change in Key ratios

Details of significant changes on following ratios (i.e., changes if 25 % or more as compared to immediately previous financial year

|    |                                  | FY 2022-23 | FY 2021-22 | change  | change % |
|----|----------------------------------|------------|------------|---------|----------|
| a. | Debtors turnover ratio (in days) | 74         | 65         | 9       | 13.85    |
| b. | Inventory turnover ratio         | -          | -          | -       | -        |
| C. | Interest coverage ratio          | 2.28       | 1.36       | 0.92    | 67.65    |
| d. | Current ratio                    | 0.25       | 0.01       | 0.24    | 2400     |
| e. | Debt equity ratio                | (0.565)    | (0.533)    | (0.032) | (6.00)   |
| f. | Operating profit margin %        | 220.49     | 63.36      | 157.13  | 247.98   |
| g. | Net profit margin %              | 124.23     | 8.63       | 115.60  | 1339.51  |
| h. | Return on net worth %            | (5.82)     | (1.01)     | (4.72)  | (467.33) |

#### Explanations

The Company continued to let its immoveable property of land and building for lease and had regular lease income. The Company carried out yarn trading business and generated revenue during the financial year 2022-23. Though The Company has earned a profit of Rs 139.35 lakhs, still there has been an erosion of networth. The profit of Rs. 139.35 lakhs is mainly because of forfeiture of sale advances (net) and net gain on fair value of investments. Because of these reasons, there had been significant changes in the key ratios as compared to previous year.

#### **Annual Return**

Annual Return in the prescribed Form MGT-7 has been placed in the Company's website, under the web link: <u>http://www.kandagirimills.com/investors.php</u>

#### Number of Board Meetings

Six Board Meetings were held during the year under review and the gap between two meetings did not exceed one hundred and twenty days. The said meetings were held on May 6, 2022, May 30, 2022, August 5, 2022, November 11, 2022, December 2, 2022 and February 10, 2023. The necessary quorum was present for all the meetings.

#### The Members M/s.Kandagiri Spinning Mills Limited Mill Premises, Post Bag No.3

Udayapatti P.O., Salem-636140

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s.Kandagiri Spinning Mills Limited, Salem-636140 (hereinafter referred to as "the Company").

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by M/s.Kandagiri Spinning Mills Limited (the Company) and also the information provided electronically by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by "the Company" for the financial year ended on 31<sup>st</sup> March 2023, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder.
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBIAct'):
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

#### We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards with respect to the meetings of the Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India.
- (ii) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

#### During the year under report, the Company did not attract the provisions of:

- (i) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBIAct'):
  - (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - (b) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
  - (c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
  - (d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
  - (e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

#### We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice with agenda items supported by detailed notes thereon is given to all Directors to schedule the Board Meetings and Committee meetings and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meetings and for meaningful participation at the meetings.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes. But there were no dissenting views during the year under report.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable Laws, Rules, Regulations and Guidelines.

We further report that during the audit period the Company had no specific events / actionshaving a major bearing on the Company's affairs in pursuance of the above referred Laws, Rules, Regulations, Guidelines, Standards, etc., referred to above.

### ANNEXURE TO SECRETARIAL AUDIT REPORT

#### FOR THE FINANCIAL YEAR ENDED 31<sup>st</sup> MARCH 2023

OF

#### M/s. KANDAGIRI SPINNING MILLS LIMITED

- Maintenance of secretarial records with reference to the provisions of the Companies Act, 2013 & the Rules thereunder and the maintenance of records with reference to other applicable laws is the responsibility of the management of the Company. Our responsibility is to express an opinion based on our audit regarding compliance thereof by the Company.
- 2. The audit was conducted in accordance with applicable Standards issued by the Institute of Company Secretaries of India. We have followed the audit practices and procedures as were appropriate to obtain reasonable assurance about the correctness of the contents of the records. We have sought and obtained all the information electronically and explanations which to the best of our knowledge and belief were necessary for the purposes of our Secretarial Audit. The verifications were done on a random test basis to ensure the correctness of the facts reflected in the records.
- 3. We have obtained the Management representation about the compliance of Laws, Rules and Regulations and occurrence of events. As per the Management representation given by the Managing Director there is no law exclusively applicable for this Company other than all Laws applicable for Manufacturing Industries and hence there is no report to be given therefor.

#### INDEPENDENT AUDITORS' REPORT

#### TO THE MEMBERS OF KANDAGIRI SPINNING MILLS LIMITED Report on the Audit of the Standalone Financial Statements Qualified Opinion

We have audited the accompanying standalone financial statements of **Kandagiri Spinning Mills Limited** ("the Company"), which comprise the standalone balance sheet as at March 31, 2023, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity, the standalone statement of cash flows for the year then ended and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, **except for the effect of the matters described in the Basis for qualified opinion paragraph**, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian accounting standards) Rules 2015, as amended ("IND AS") and other Accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2023, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Qualified Opinion**

Though the company has earned profit of Rs.139.35 lakhs, still there has been an erosion of net worth. The profit came mainly because of forfeiture of advances received and failed to fulfil the commitment and net gain on fair value of investments. Although the company continued yarn trading business, still the company is incurring cash losses (without considering the forfeiture of advance and fair value of investments), we are of the opinion that these factors indicate existence of material uncertainty in the company's ability to continue as a going concern. The attached financial statements do not include any adjustments that might result had the above uncertainties been known. Management has represented in this regard that there is no further adjustments to be made in the carrying values/ financial statements even if the Going Concern Concept is not adopted.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section out of report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis of our opinion on the accompanying standalone financial statements.

#### A. Revenue Recognition Key Audit Matter Description

Reference may be made to note3 of significant accounting policies and note 21 to the standalone financial statements of the Company.

Revenue recognition is inherently an area of audit risk, which we have substantially focused on mainly covering the aspects of cut off and the impact of Ind AS 115 as key audit matters.

#### Response to Key Audit Matter Principal Audit Procedures

Our audit procedures relating to revenue comprised of test of controls and substantive procedures including the following :

- a. We assessed whether the policy of recognizing revenue was in line with Ind AS 115.
- b. We performed procedures to assess the design and internal controls established by the management and tested the operating effectiveness of relevant controls related to the recognition of revenue.
- c. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls.
- d. We have tested, on a sample basis, whether specific revenue transactions around the reporting date has been recognised in the appropriate period by comparing the transactions selected with relevant underlying documentation, including goods delivery notes, customer acknowledgement/proof of acceptance and the terms of sales.
- e. We have also validated subsequent credit notes and sales returns up to the date of this Report to ensure the appropriateness and accuracy of the revenue recognition.
- f. We tested journal entries on a sample basis to identify any unusual or irregular items.
- g. We also considered the adequacy of the disclosures in Company's standalone financial statements in relation to Ind AS 115 and whether they meet the disclosure requirements.

#### Conclusion

Based on the procedures performed above, we did not find any material exceptions with regards to adoption of Ind AS 115 and timing of revenue recognition.

#### Other information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Shareholder's information and Management Discussion and Analysis but does not include the standalone financial statements and our report thereon.

Our opinion on the standalone financial statement does not cover the other information and we do not express any form of assurance for conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement, if any, of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
  material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

The Standalone audited financial statements for the year ended 31<sup>st</sup> March 2022 have been audited by the predecessor auditors who expressed Qualified opinion on those standalone financial statements vide their Auditor's report dated May 30, 2022. The same has been furnished by the management and has been relied upon by us for the purpose of our audit of these standalone financial statements.

Our opinion on the statement is not modified in respect of the above matter.

#### **Report on Other Legal and Regulatory Requirements**

- 1. As required by Section143 (3) of the Companies Act, 2013, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The standalone balance sheet, the standalone statement of profit and loss including other Comprehensive income, the standalone statement of changes in equity and the statement of cash flows dealt with by this report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the IND AS specified under Section 133 of the Act read with the relevant rules issued thereunder.
  - (e) On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the board of directors, none of the directors is disqualified as on March 31,2023 from being appointed as a director in terms of Section164(2) of the Act.
  - (f) With respect to the adequacy of the Internal Financial Controls Over Financial Reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness at the company's internal financial controls over financial reporting.
  - (g) The company has not paid/provided any managerial remuneration to the directors of the Company and hence the question of compliance of requisite approvals mandated by the provisions of Section 197 of Act read with Schedule V to the Act does not arise.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanation given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. (Refer Note 35).
  - ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31,2023.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - (b) The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
  - v. The company has not declared or paid any dividend during the year.
- 2. As required by the Companies (Auditor's Report) Order,2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

#### ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Kandagiri Spinning Mills Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls Over Financial Reporting of **Kandagiri Spinning Mills Limited** ("the Company") as of March 31, 2023, in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('Act').

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and disposition of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Kandagiri Spinning Mills Limited ("the Company") for the year ended March 31, 2023).

- 1. In respect of the Company's Property, Plant and Equipment :
  - (a) (i) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
    - (ii) The company does not have any intangible assets.
  - (b) The Company has a programme of verification to cover all the items of Property, Plant and Equipment in regular intervals during the year and no material discrepancies were noticed during the year on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its Property, Plant and Equipment.
  - (c) Based on our examination of the property tax receipts, registered sale deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties disclosed in the standalone financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
  - (d) The Company has not revalued its Property, Plant and Equipment during the year.
  - (e) No proceedings have been initiated during the year or are pending against the company as at March 31,2023for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

- (a) As explained to us, inventories have been physically verified at periodic intervals by the management. The coverage and procedure of such verification by the management were, in our opinion, appropriate. No discrepancies(of 10% or more in value, in the aggregate for each class of inventory) were noticed on such physical verification.
  - (b) The company has not been sanctioned any working capital limits in excess of five crore rupees, in aggregate, during the year by banks or financial institutions on the basis of security of current assets at any point of time during the year. Accordingly paragraph 3(ii)(b) of the Order is not applicable.
- 3. The Company has made investments and provided guarantees in/to, companies, firms, Limited Liability Partnerships or any other parties and has not granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties, during the year, in respect of which:
  - (a) On the basis of examination of records of the company, during the year, the company provided guarantee of Rs.2279.38 lakhs to banks for the borrowings by Sambandam Spinning Mills Limited. The company made investment in associate for Rs.200 lakhs (balance at the beginning and end of the year) in earlier year. The company not provided any loans or advances in the nature of loans.
  - (b) In our opinion, the guarantee and investments made are, prima facie, not prejudicial to the Company's interest.
  - (c) Based on records examined by us and information and explanation given to us, the guarantee provided by the company has not been revoked.
  - (d) According to the information and explanations given to us and on the basis of our examination of the records of the company, there is no overdue amount for more than ninety days in the respect of the guarantee given.
  - (e) In our opinion and according to the information and explanation given and records examined by us, there is no guarantee given which have fallen due during the year have been renewed to settle the over dues of existing guarantee given to the same parties.
- 4. According to information and explanation given to us, the Company has not granted any loans, secured or unsecured, to any party covered by provisions of sections 185 and 186 of the Companies Act, 2013. Hence reporting on whether there is a compliance with the said provisions does not arise. In respect of investments made and guarantees provided, the company has complied with the provisions of section 185 and 186 of the Companies Act, 203.
- 5. According to information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits from public within the meaning of sections 73 to 76 of the Act and the Rules framed there under. Accordingly paragraph 3(v) of the Order is not applicable.
- 6. As per the information and explanation given to us, the maintenance of the cost records specified by the Central Government under Section 148(1) of the Act is not applicable to the Company, since the annual turnover of the Company is less than Rs. 35 crore. Accordingly paragraph 3(vi) of the Order is not applicable.
- 7. According to the information and explanations given to us and the books of account examined by us, in respect of statutory dues:
  - (a) the company is regular in depositing amounts of undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Service tax, Goods and Service tax, duty of customs, duty of excise, value added tax, Cess, and other material statutory dues as applicable to the appropriate authorities during the year. There were no material undisputed amounts payable in respect of the aforesaid statutory dues outstanding as at March 31, 2023, for a period of more than six months from the date they became payable.

(ii) there are no statutory dues referred to in above sub-clause, which have not been deposited on account of any dispute with the relevant authorities, except dues of corporation tax, state levies and employees state insurance that have not been deposited on account of disputes as detailed hereunder:

|                        |                   |   |                                       | · · · · · · · · · · · · · · · · · · · |
|------------------------|-------------------|---|---------------------------------------|---------------------------------------|
| Name of the<br>Statute | Nature of<br>Dues | Net Amount (In Rs.<br>Lakhs) of Disputed dues | Period to which the<br>Amount Relates | Forum where Dispute<br>is Pending     |
| Sales tax              | VAT               | 0.36  | 2000-01                               | Sales tax appellant Tribunal          |

- 8. As per the information and explanation given to us, there were no transactions previously not recorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income TaxAct, 1961.
- 9. (a) In our opinion and according to information and explanation given to us, the Company has not defaulted in repayment of dues to any financial Institution or bank. The Company does not have any borrowings from Government or by way of Debentures.
  - (b) As per the information and explanation given to us, the company has not been declared willful defaulter by any bank or financial institution or other lender.
  - (c) As per the information and explanation given to us, the monies raised by way of term loans have been applied for the purposes for which they were obtained.
  - (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
  - (e) On an overall examination of the standalone financial statements of the company, the company has not taken any loans from any entity or person on account of or to meet the obligations of its associates. The company does not have any subsidiaries and joint venture companies.
  - (f) On an overall examination of the standalone financial statements of the company, the company has not raised any loans during the year on the pledge of securities held in subsidiaries, joint venture or associate companies.
- 10. (a) As per the information and explanation given to us, the Company has not raised any monies by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under the provisions of Clause 3(x)(a) of the Order does not arise.
  - (b) During the year, the Company has not made any preferential allotment or private placement of shares (covered by section 42 and section 62 (1)c of the Companies Act, 2013) or fully or partly convertible debentures and hence reporting under clause 3(x)(b) of the Order is not applicable.
- 11. (a) No fraud by the company and no material fraud on the company has been noticed or reported during the year.
  - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
  - (c) As per the information and explanation given to us, there are no whistle-blowercomplaints received during the year by the company up to the date of this report.
- 12. The Company is not a Nidhi Company and accordingly the provisions of Clause 3(xii) of the Order is not applicable to the Company.

- 13. In our opinion and according to the information and explanations given to us all transactions with related parties are in compliance with sections 177 and 188 of the Act, where applicable. The details of the transactions during the year have been disclosed in the Standalone Financial Statements as required by the applicable Accounting Standards.
- 14. (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
  - (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year, in determining the nature, timing and extent of our audit procedures.
- 15. In our opinion, the Company has not entered into any non-cash transactions during the year, with its Directors or persons connected with its directors. and hence provisions of section 192 of the Act, are not applicable to the Company.
- 16. The Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and it is not a Core Investment Company. Accordingly, the provisions of Clause 3(xvi) (a),(b) and (c )of the Order is not applicable to the Company.
- 17. The company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- 18. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, the provisions of Clause 3(xviii) of the Order are not applicable to the Company.
- 19. According to the information and explanations given to us and on the basis of (i) the financial ratios, (ii) ageing and expected dates of realization of financial assets and payment of financial liabilities, (iii) other information accompanying the financial statements, (iv) our knowledge of the Board of Directors and management plans and (v) based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- 20. There are no unspent amounts towards Corporate Social Responsibility (CSR) in compliance the provisions of section 135 and accordingly reporting under clause 3(xx)(a) of the Order is not applicable to the Company.
- 21. According to the information and explanations given to us, there are no qualification or adverse remarks in the auditor's report of the associates. The Company does not have any subsidiaries or joint ventures.

# Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

## 1. Corporate Information

Kandagiri Spinning Mills Limited ("the Company") is a listed Public Company domiciled in India and is incorporated under the provisions of the Companies Act 2013 as applicable in India and its shares are listed on the Bombay Stock Exchange (BSE). The registered office headquartered in Salem, India. The Company is principally engaged in trading of cotton yarn and continued to lease out its immovable properties.

The Board of Directors approved the standalone financial statement for the year ended March 31, 2023 at their Board meeting held on  $29^{th}$ May, 2023.

### 2. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

### a) Basis of preparation of financial statements

### (i) Compliance with Indian Accounting Standards (Ind AS):

These financial statements (the financial statements) have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) (Companies (Indian Accounting Standards) Rules, 2015) and other relevant provisions of the Act.

### (ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except the following:

- Certain financial assets and liabilities that are measured at fair value.
- Defined benefit plans plan assets measured at fair value.

## b) Foreign currency translation

## (i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (Rs), which is the Company's functional and presentation currency.

## (ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year and exchange rates are generally recognized in the statement of profit and loss.

## 3. Revenue recognition

Revenue is measured at the fair value of consideration received or receivable.

### Sale of Goods

Revenue from sale of products is recognized when the goods are dispatched or appropriated as per the terms sales at which time the title and significant risks and rewards of ownership pass to the customer. Revenue is recognised when collectability of the resulting receivable is reasonably assured. Revenue is reduced for estimated customer returns, commissions, rebates and discounts and other similar allowances.

Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

## 4. Other Income

Other Income comprises of Lease rental and Interest income are accounted on accrual basis. Lease rental income is accrued on a time basis, based on the lease agreement executed.

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

## 5. Employee benefits

(i) Short term employee benefit obligations are estimated and provided for. A liability is recognised for benefits accruing to employees in respect of salaries, wages, performance incentives, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date;

(ii) Retirement Benefit plans and Post-employment benefits

Payments to defined contribution plans i.e., Company's contribution to provident fund, superannuation fund and other funds and employee state insurance are determined under the relevant schemes and / or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

For defined benefit plans i.e., Company's liability towards gratuity (funded), other retirement/terminations benefits and compensated absences, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- \* net interest expense or income; and
- \* re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

Re-measurement of net defined benefit liability/asset pertaining to gratuity comprise of actuarial gains / losses (i.e., changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

## 6. Property, Plant and Equipment Cost :

Property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost (net of duty / tax credit availed) less accumulated depreciation and accumulated impairment losses. Cost of all civil works (including electrification and fittings) is capitalised with the exception of alterations and modifications of a capital nature to existing structures where the cost of such alteration or modification is Rs.10000 and below.

# Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Fixtures, plant and equipment (including patterns and dies) where the cost exceeds Rs.10,000 and the estimated useful life is two years or more, is capitalised and stated at cost (net of duty/tax credit availed) less accumulated depreciation and accumulated impairment losses.

### Depreciation / amortization :

Depreciation is recognised so as to write off the cost of assets (other than properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013

## **De-recognition**:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

## 7. Leases

The Company does not have any lease assets as at the beginning and end of the year

## 8. Impairment of assets

The carrying amount of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss will be recognised in the Statement of Profit and Loss wherever the carrying amount of an asset exceeds its estimated recoverable amount. When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss. Provision for impairment will be reviewed periodically and amended depending on changes in circumstances.

## 9. Inventories

Inventories (Other than process waste) are stated at lower of cost and net realisable value.

Cost of raw materials, stores, spares and consumables comprises cost of purchases and includes taxes and duties and is net of eligible credits under applicable schemes.

Cost of work-in-progress, work-made components and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overheads, which is allocated on a systematic basis.

Cost of inventories also includes all other related costs incurred in bringing the inventories to their present location and condition.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

# Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

The cost for the said purpose is determined as follows:

- (i) in the case of stores and spare parts, the weighted average cost (net of credit, if any)
- (ii) in the case of cotton in process and manufactured yarn, is the cost adopting the absorption costing method
- (iii) Process waste is valued at net realizable value.

Provision is made for obsolete, slow moving and damaged items of inventory, if any.

### 10. Government grants

Government grants (including export incentives) are recognised only when there is reasonable assurance that the Company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which they accrue.

### 11. Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

### 12. Research and development

Revenue expenditure on research and development is charged to the Statement of Profit and Loss as and when incurred. Capital expenditure on research and development, where the same represents cost of Property, Plant and Equipment, if any, is given the same accounting treatment as applicable to other capital expenditure.

## 13. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

## Current Tax :

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

## Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilized.

# Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

## 14. Provisions and contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

A disclosure of a contingent liability is made when there is a possible obligation that may, but probably will not, require outflow of resources. Where there is possible obligation or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

## 15. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

## Financial assets :

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

## Classification of financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition.

# Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

## After initial recognition :

(i) Financial assets (other than Investments and derivative instruments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flow; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Income on such debt instruments is recognised in profit or loss and is included in the 'Other Income'.

The Company has not designated any debt instruments as fair value through other comprehensive income.

(ii) Financial assets (i.e., derivative instruments and investments in instruments other than equity of subsidiaries, joint ventures and associates) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Other Income".

## Investments in equity instruments of subsidiaries, joint ventures and associates

The Company measures its investments in equity instruments of subsidiaries, joint ventures and associates at cost in accordance with Ind As27. At transition date, the Company has elected to continue with the carrying value of such investments measured as per the previous GAAP and use such carrying value as its deemed cost.

## Impairment of financial assets :

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e., the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

## De-recognition of financial assets :

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

# Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

### Impairment of financial assets

A Financial asset is regarded as credit impaired or subject to significant increase in credit risk, when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the company expects to receive). The Company uses simplified approach for expected credit loss and on a case to case basis.

## Financial liabilities and equity instruments :

## Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

## Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

## **Financial liabilities**

All financial liabilities (other than derivative instruments) are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised costs are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

### **Financial guarantee contracts**

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and are subsequently measured (if not designated as at Fair value though profit or loss) at the higher of :

- the amount of impairment loss allowance determined in accordance with requirements of Ind AS 109; and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

# Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

## De-recognition of financial liabilities :

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

### Derivative financial instruments :

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

### Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at Fair value through profit or loss.

As of the transition date, the Company has assessed whether an embedded derivative is required to be separated from the host contract and accounted for as a derivative on the basis of the conditions that existed on the later of the date of first became a party to the contract and the date when there has been change in the terms of the contract that significantly modifies the cash flows that otherwise would be required under the contract.

## Hedge accounting :

The Company designates certain derivatives as hedging instruments in respect of foreign currency risk, as either fair value hedges, cash flow hedges. Hedges of foreign exchange risk on firm commitments are accounted for as cash flow hedges.

At the inception of the hedge relationship, the entity documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

## Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in the hedged item attributable to the hedged risk are recognised in profit or loss in the line item relating to the hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

# Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

## Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss, and is included in the "Other Income".

Amounts previously recognised in other comprehensive income and accumulated in equity relating to (effective portion as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or non-financial liability, such gains and losses are transferred from equity (but not as a reclassification adjustment) are included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

## 16. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

## 17. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

## 18. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares)

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

## 19. Critical accounting judgments and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the Ind AS financial statements that are not readily apparent from other sources. The judgments, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

# Statement on Significant Accounting Policies forming part of the Standalone Financial Statements for the year ended March 31, 2023

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates(accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgments and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

## Inventories

An inventory provision is recognised for cases where the realisable value is estimated to be lower than the inventory carrying value. The inventory provision is estimated taking into account various factors, including prevailing sales prices of inventory item, changes in the related laws/emission norms and losses associated with obsolete/slow-moving /redundant inventory items. The Company has, based on these assessment, made adequate provision in the books.

### Taxation

The expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profits and all tax bases of assets and liabilities, the Company determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations. Any difference is recognised on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilized.

## Provisions

The management makes judgments based on experience regarding the level of provision required to account for potentially uncollectible receivables using information available at the Balance Sheet date. Provisions so created are based on management assessment of the receivable balances after communication with the respective debtors and are created on the receivable balances net off against related brokerage dues outstanding.

Provisions for litigation and contingencies are determined based on evaluations made by the management of the present obligation arising from past events the settlement of which is expected to result in outflow of resources embodying economic benefits, which involves judgments around estimating the ultimate outcome of such past events and measurement of the obligation amount. Due to the judgments involved in such estimations, the provisions are sensitive to the actual outcome in future period.

## Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Company used market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engaged third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements.

## Capital management

The Company manages its capital to ensure that entities in the Company will be able to continue as going concerns while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, non-convertible debt securities, and other long-term/short-term borrowings.

The capital structure of the Company consists of net debt (borrowings as detailed in notes 15 and 20 offset by cash and bank balances) and total equity of the Company. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

### Financial risk management objectives

The treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including interest rate risk), credit risk and liquidity risk.

The Company seeks to minimise the effects of these risks by using derivative financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the board of directors, which provide written principles on foreign exchange risk, the use of financial derivatives, and the investment of excess liquidity. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

### **Market risk**

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realisable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

### Interest rate risk management

The Company is exposed to interest rate risk because it borrow funds at floating interest rates.

### Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 25 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 25 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended March 31, 2023 would decrease/increase by Rs. 3.00 lakhs (March 31, 2022: decrease/increase by Rs. 3.00 lakhs). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

## Equity price risk

Equity price risk is related to the change in market reference price of the investments in equity securities. The fair value of some of the Company's investments in available-for-sale securities exposes the Company to equity price risks. In general, these securities are not held for trading purposes.

## Equity price sensitivity analysis

The fair value of equity instruments as at March 31, 2023 was Rs. Nil (March 31, 2022: Rs.nil). A 5% change in prices of equity instruments held as at March 31, 2023 would result in an impact of Rs. Nil on equity (March 31, 2022 : Rs.nil).

## Liquidity risk management :

therefore, these disclosures are not required.

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company has obtained fund and non-fund based working capital lines from various banks.

The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

## Liquidity tables :

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

### 42. Going Concern

The Company has started yarn trading business during the year and continued to lease out its immoveable property and earned lease rental income. The quality of goods produced hitherto by the company has generated goodwill and brand image. The Board of Directors hope to continue to use these advantages by continuing yarn trading business and the promoters have given assurance of infusion of funds as and when deemed necessary. Considering the above, the Board of Directors deem it fit to continue adoption of Going Concern Concept in preparation of the financial statements although the Statutory auditors have qualified their opinion with respect to the same.

- 43. The title deeds of immovable properties are held in the name of the Company.
- 44. The Company has not revalued any of its Property, Plant and Equipment during the year.
- **45.** The Company has given its immovable properties (land and building) as security and extended Corporate Guarantee in favour of CSB bank Ltd in respect of loans aggregating to an amount of Rs. 2,279.38 lakhs availed by M/s Sambandam Spinning Mills Limited.
- **46.** The Company does not have any Benami property, where any proceedings initiated or pending against the Company for holding any Benami property.
- 47. The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- **48.** The Company is not declared as willful defaulter by any Bank or Financial Institution (as defined under the Companies Act, 2013) or consortium thereof or other Lender in accordance with the guidelines on willful defaulters issued by the Reserve Bank of India
- **49.** The Company does not have any transaction with Companies struck off under section 248 of the Companies Act, 2013 or section 560 of the Companies Act, 1956

## INDEPENDENT AUDITORS' REPORT

## TO THE MEMBERS OF KANDAGIRI SPINNING MILLS LIMITED

### Report on the audit of the Consolidated Financial Statements

## **Qualified Opinion**

We have audited the accompanying Consolidated Financial Statements of **KANDAGIRI SPINNING MILLS LIMITED** ("Investee Company/the Company") and its associate, which comprise the Consolidated Balance Sheet as at March 31, 2023, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and theConsolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements).

In our opinion and to the best of our information and according to the explanations given to us, **except for the effect of the matters described in the Basis for qualified opinion paragraph**, and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the associate, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company, its associate as at March 31, 2023, their consolidated loss including other comprehensive income, their consolidated cash flow and the consolidated changes in equity for the year ended on that date.

### **Basis for Qualified Opinion**

Though the company has earned profit of Rs.99.06 lakhs, still there has been an erosion of net worth. The profit came mainly because of forfeiture of advances received and failed to fulfil the commitment and net gain on fair value of investments. Although the company continued yarn trading business, still the company is incurring cash losses (without considering the forfeiture of advance and fair value of investments), we are of the opinion that these factors indicate existence of material uncertainty in the company's ability to continue as a going concern. The attached financial statements do not include any adjustments that might result had the above uncertainties been known. Management has represented in this regard that there is no further adjustments to be made in the carrying values/ financial statements even if the Going Concern Concept is not adopted.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Company and its associate in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section out of report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis of our opinion on the accompanying consolidated financial statements.

#### A. REVENUE RECOGNITION Key Audit Matter Description

Reference may be made to note2(c) of significant accounting policies and note 27 to the consolidated financial statements of the Company.

Revenue recognition is inherently an area of audit risk, which we have substantially focused on mainly covering the aspects of cut off and the impact of Ind AS 115 as key audit matters.

#### Response to Key Audit Matter Principal Audit Procedures

Our audit procedures relating to revenue comprised of test of controls and substantive procedures including the following :

- a. We assessed whether the policy of recognizing revenue was in line with Ind AS 115.
- b. We performed procedures to assess the design and internal controls established by the management and tested the operating effectiveness of relevant controls related to the recognition of revenue.
- c. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls.
- d. We have tested, on a sample basis, whether specific revenue transactions around the reporting date has been recognised in the appropriate period by comparing the transactions selected with relevant underlying documentation, including goods delivery notes, customer acknowledgement/proof of acceptance and the terms of sales.
- e. We have also validated subsequent credit notes and sales returns up to the date of this Report to ensure the appropriateness and accuracy of the revenue recognition.
- f. We tested journal entries on a sample basis to identify any unusual or irregular items.
- g. We also considered the adequacy of the disclosures in Company's consolidated financial statements in relation to Ind AS 115 and whether they meet the disclosure requirements.

## Conclusion

Based on the procedures performed above, we did not find any material exceptions with regards to adoption of Ind AS 115 and timing of revenue recognition.

## **Other Information**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Shareholder's information and Management Discussion and Analysis but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement, if any of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company and its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the Company and its associate are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and its associate are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
  material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company and its associate has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results of the associate to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entity included in the consolidated annual financial results of which we are the independent auditors. For the other entities included in consolidated annual financial financial results, which have been audited by us and responsible for the direction, supervision and performance of the audits carried out by us. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended March 31, 2023and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matter

The consolidated annual financial results include the share of net profit after tax of Rs.5.00 lakhs and Rs.63.35 lakhs for the year ended March 31, 2023 and for the year ended March 31, 2022respectively, as considered in the consolidated annual financial results, in respect of one associate, whose financial statements have been audited by us.

The consolidated audited financial statements for the year ended 31<sup>st</sup> March 2022 have been audited by the predecessor auditors who expressed Qualified opinion on those consolidated financial statements vide their Auditor's report dated May 30, 2022. The same has been furnished by the management and has been relied upon by us for the purpose of our audit of these consolidated financial statements.

Our opinion on the statement is not modified in respect of the above matter.

#### Report on Other Legal and Regulatory Requirements

- 1. As required by Section143 (3) of the Act, based on our audit and on the consideration of auditor's report given by us on separate financial statements and the other financial information of associate, as noted in the "other matter" paragraph we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
  - (b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidation of the financial statements have been kept by the Company so far as it appears from our examination of those books and reports of the other auditors;
  - (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss including Other Comprehensive Income, the consolidated Statement of Cash Flows and the consolidated Statement of Changes in Equity dealt with by this report are in agreement with the relevant books of account.
  - (d) In our opinion, except for matter described in the Basis of Qualified Opinion Paragraph, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors of the Investee company and its associate as on March 31, 2023taken on record by the Board of Directors of the investee company and its associate, none of the directors is disqualified as on March 31,2023 from being appointed as a director in terms of Section164(2) of the Act.
  - (f) With respect to the adequacy of the Internal Financial Controls Over Financial Reporting of the Company with reference to these consolidated financial statements of the company and its associate and the operating effectiveness of such controls, refer to our separate report in "Annexure A" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - (g) The Company and its associate company has not paid/provided any managerial remuneration to the directors and hence the compliance requirements of requisite approvals mandated by the provisions of section 197 of the Act read with Schedule V does not arise.
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule 2014, as amended in our opinion and the to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the associate, as noted in the "Other matter" paragraph :
    - i. The Company and its associate have disclosed the impact of pending litigations on its financial position in its consolidated financial Statements.
    - ii. The company and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31,2023.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its associate.
- iv. (a) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (b) The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year.
- 2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Companies Act, 2013, we give in the "Annexure-B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

"ANNEXURE A" to the Independent Auditor's Report of even date on the Consolidated Financial Statements of KANDAGIRI Spinning Mills Limited

# Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of KANDAGIRI Spinning Mills Limited ("the investee Company") and its associate as of March 31, 2023 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the company and its associate are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing deemed to be prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and disposition of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company and its associate have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **Other Matters**

Our report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the company, in so far as it relates to one associate, is based on the corresponding reports of the auditors of such associate company.

# Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

#### 1. Corporate Information

Kandagiri Spinning Mills Limited ("the Company") is a listed Public Company domiciled in India and is incorporated under the provisions of the Companies Act 2013 as applicable in India and its shares are listed on the Bombay Stock Exchange (BSE). The registered office headquartered in Salem, India. The Company is principally engaged in trading of cotton yarn and continued to lease out its immovable properties.

The Board of Directors approved the Consolidated Financial Statement for the year ended March 31, 2023 at their Board meeting held on 29th May, 2023.

#### 2. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### a) Basis of preparation of financial statements

#### (i) Compliance with Indian Accounting Standards (Ind AS):

These financial statements (the financial statements) have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) (Companies (Indian Accounting Standards) Rules, 2015) and other relevant provisions of the Act.

#### (ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except the following:

- Certain financial assets and liabilities that are measured at fair value.
- \* Defined benefit plans plan assets measured at fair value.

#### b) Foreign currency translation

#### (i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (Rs), which is the Company's functional and presentation currency.

#### (ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year and exchange rates are generally recognized in the statement of profit and loss.

#### 3. Investments in associates

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

The results and assets and liabilities of associates are incorporated in these consolidated financial statements using the equity method of accounting. Under the equity method, an investment in an associate is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Company's share of the profit or loss and other comprehensive income of the associate. When the Company's share of losses of an associate exceeds the Company's interest in that associate, the Company discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate.

# Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

On acquisition of the investment in an associate, any excess of the cost of the investment over the Company's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as good will, which is included within the carrying amount of the investment. Any excess of the Company's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired.

The Company discontinues the use of the equity method from the date when the investment ceases to be an associate, or when the investment is classified as held for sale. When the investment becomes a subsidiary, the Company accounts for its investment in accordance with Ind As103 'Business Combination'. When the Company retains an interest in the former associate and the retained interest is a financial asset, the Company measures it at fair value at that date and the fair value is regarded as its fair value on initial recognition in accordance with Ind AS 109. The difference between the carrying amount of the associate at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing of a part interest is included in the determination of the gain or loss on disposal of the associate.

#### 4. Revenue recognition

Revenue is measured at the fair value of consideration received or receivable.

#### Sale of Goods

Revenue from sale of products is recognized when the goods are dispatched or appropriated as per the terms sales at which time the title and significant risks and rewards of ownership pass to the customer. Revenue is recognised when collectability of the resulting receivable is reasonably assured. Revenue is reduced for estimated customer returns, commissions, rebates and discounts and other similar allowances.

#### 5. Other Income

Other Income comprises of Lease rental and Interest income are accounted on accrual basis. Lease rental income is accrued on a time basis, based on the lease agreement executed.

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

#### 6. Employee benefits

(i) Short term employee benefit obligations are estimated and provided for. A liability is recognised for benefits accruing to employees in respect of salaries, wages, performance incentives, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date;

(ii) Retirement Benefit plans and Post-employment benefits

Payments to defined contribution plans i.e., Company's contribution to provident fund, superannuation fund and other funds and employee state insurance are determined under the relevant schemes and / or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

# Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

For defined benefit plans i.e., Company's liability towards gratuity (funded), other retirement/terminations benefits and compensated absences, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- \* net interest expense or income; and
- \* re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

Re-measurement of net defined benefit liability/asset pertaining to gratuity comprise of actuarial gains/losses (i.e., changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

#### 7. Property, Plant and Equipment Cost :

Property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost (net of duty / tax credit availed) less accumulated depreciation and accumulated impairment losses. Cost of all civil works (including electrification and fittings) is capitalised with the exception of alterations and modifications of a capital nature to existing structures where the cost of such alteration or modification is Rs.10000 and below.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Fixtures, plant and equipment (including patterns and dies) where the cost exceeds Rs.10,000 and the estimated useful life is two years or more, is capitalised and stated at cost (net of duty/tax credit availed) less accumulated depreciation and accumulated impairment losses.

#### Depreciation /amortization :

Depreciation is recognised so as to write off the cost of assets (other than properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013

#### **De-recognition**:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

#### 8. Leases

The Company does not have any lease assets as at the beginning and end of the year

# Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

#### 9. Impairment of assets

The carrying amount of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss will be recognised in the Statement of Profit and Loss wherever the carrying amount of an asset exceeds its estimated recoverable amount. When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss. Provision for impairment will be reviewed periodically and amended depending on changes in circumstances.

#### 10. Inventories

Inventories (Other than process waste) are stated at lower of cost and net realisable value.

Cost of raw materials, stores, spares and consumables comprises cost of purchases and includes taxes and duties and is net of eligible credits under applicable schemes.

Cost of work-in-progress, work-made components and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overheads, which is allocated on a systematic basis.

Cost of inventories also includes all other related costs incurred in bringing the inventories to their present location and condition.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

The cost for the said purpose is determined as follows:

- (i) in the case of stores and spare parts, the weighted average cost (net of credit, if any)
- (ii) in the case of cotton in process and manufactured yarn, is the cost adopting the absorption costing method

(iii) Process waste is valued at net realizable value.

Provision is made for obsolete, slow moving and damaged items of inventory, if any.

#### 11. Government grants

Government grants (including export incentives) are recognised only when there is reasonable assurance that the Company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which they accrue.

#### 12. Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

#### 13. Research and development

Revenue expenditure on research and development is charged to the Statement of Profit and Loss as and when incurred. Capital expenditure on research and development, where the same represents cost of Property, Plant and Equipment, if any, is given the same accounting treatment as applicable to other capital expenditure.

# Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

#### 14. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

#### Current Tax:

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

#### **Deferred Tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

#### 15. Provisions and contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

A disclosure of a contingent liability is made when there is a possible obligation that may, but probably will not, require outflow of resources. Where there is possible obligation or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

# Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

#### 16. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

#### Financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

#### Classification of financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition.

#### After initial recognition:

(i) Financial assets (other than Investments and derivative instruments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- \* the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flow; and
- \* the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Income on such debt instruments is recognised in profit or loss and is included in the 'Other Income'.

The Company has not designated any debt instruments as fair value through other comprehensive income.

(ii) Financial assets (i.e., derivative instruments and investments in instruments other than equity of subsidiaries, joint ventures and associates) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Other Income".

#### Investments in equity instruments of subsidiaries, joint ventures and associates

The Company measures its investments in equity instruments of subsidiaries, joint ventures and associates at cost in accordance with Ind As27. At transition date, the Company has elected to continue with the carrying value of such investments measured as per the previous GAAP and use such carrying value as its deemed cost.

# Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

#### Impairment of financial assets:

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e., the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

#### De-recognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

#### Impairment of financial assets

A Financial asset is regarded as credit impaired or subject to significant increase in credit risk, when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the company expects to receive). The Company uses simplified approach for expected credit loss and on a case to case basis.

#### Financial liabilities and equity instruments:

#### Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

#### Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

#### **Financial liabilities**

All financial liabilities (other than derivative instruments) are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised costs are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

# Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

#### Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and are subsequently measured (if not designated as at Fair value though profit or loss) at the higher of:

- the amount of impairment loss allowance determined in accordance with requirements of Ind AS 109; and
- \* the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

#### De-recognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

#### Derivative financial instruments:

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

#### Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at Fair value through profit or loss.

As of the transition date, the Company has assessed whether an embedded derivative is required to be separated from the host contract and accounted for as a derivative on the basis of the conditions that existed on the later of the date of first became a party to the contract and the date when there has been change in the terms of the contract that significantly modifies the cash flows that otherwise would be required under the contract.

#### Hedge accounting:

The Company designates certain derivatives as hedging instruments in respect of foreign currency risk, as either fair value hedges, cash flow hedges. Hedges of foreign exchange risk on firm commitments are accounted for as cash flow hedges.

At the inception of the hedge relationship, the entity documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

# Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

#### Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in the hedged item attributable to the hedged risk are recognised in profit or loss in the line item relating to the hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

#### Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss, and is included in the "Other Income".

Amounts previously recognised in other comprehensive income and accumulated in equity relating to (effective portion as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or non-financial liability, such gains and losses are transferred from equity (but not as a reclassification adjustment) are included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

#### 17. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

#### 18. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

#### 19. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares)

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

Statement on Significant Accounting Policies forming part of the Consolidated Financial Statements for the year ended March 31, 2023

#### 20. Critical accounting judgments and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the Ind AS financial statements that are not readily apparent from other sources. The judgments, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates(accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgments and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

#### Inventories

An inventory provision is recognised for cases where the realisable value is estimated to be lower than the inventory carrying value. The inventory provision is estimated taking into account various factors, including prevailing sales prices of inventory item, changes in the related laws/emission norms and losses associated with obsolete/slow-moving /redundant inventory items. The Company has, based on these assessment, made adequate provision in the books.

#### Taxation

The expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profits and all tax bases of assets and liabilities, the Company determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations. Any difference is recognised on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilized.

#### Provisions

The management makes judgments based on experience regarding the level of provision required to account for potentially uncollectible receivables using information available at the Balance Sheet date. Provisions so created are based on management assessment of the receivable balances after communication with the respective debtors and are created on the receivable balances net off against related brokerage dues outstanding.

Provisions for litigation and contingencies are determined based on evaluations made by the management of the present obligation arising from past events the settlement of which is expected to result in outflow of resources embodying economic benefits, which involves judgments around estimating the ultimate outcome of such past events and measurement of the obligation amount. Due to the judgments involved in such estimations, the provisions are sensitive to the actual outcome in future period.

#### Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Company used market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engaged third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements.

### Capital management

The Company manages its capital to ensure that entities in the Company will be able to continue as going concerns while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, non-convertible debt securities, and other long-term/short-term borrowings.

The capital structure of the Company consists of net debt (borrowings as detailed in notes 15 and 20 offset by cash and bank balances) and total equity of the Company. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

#### Financial risk management objectives

The treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including interest rate risk), credit risk and liquidity risk.

The Company seeks to minimise the effects of these risks by using derivative financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the board of directors, which provide written principles on foreign exchange risk, the use of financial derivatives, and the investment of excess liquidity. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

#### Market risk

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realisable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

#### Interest rate risk management

The Company is exposed to interest rate risk because it borrow funds at floating interest rates.

#### Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 25 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 25 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended March 31, 2023 would decrease/increase by Rs.3.00 lakhs (March 31, 2021: decrease/increase by Rs. 3.00 lakhs). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

#### Equity price risk

Equity price risk is related to the change in market reference price of the investments in equity securities. The fair value of some of the Company's investments in available-for-sale securities exposes the Company to equity price risks. In general, these securities are not held for trading purposes.

#### Equity price sensitivity analysis

The fair value of equity instruments as at March 31, 2023 was Rs. Nil (March 31, 2022: Rs.nil). A 5% change in prices of equity instruments held as at March 31, 2023 would result in an impact of Rs. Nil on equity (March 31, 2022: Rs. nil).

| Offsetting related disclosures :                                    |                                  |                            |
| Offications of each and each aquivalents to be rowings as par the e | onsortium agroomont is available | only to the bank           |

Offsetting of cash and cash equivalents to borrowings as per the consortium agreement is available only to the bank in the event of a default. Company does not have the right to offset in case of the counter party's bankruptcy, therefore, these disclosures are not required.

#### Liquidity risk management :

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company has obtained fund and non-fund based working capital lines from various banks.

The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

#### Liquidity tables :

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

| Particulars   | Due in<br>1st year | Due in 2nd to<br>5th year | Due after<br>5th year | Carrying<br>amount |

Note: The Company has not made any fresh investments, provided security or guarantee during the current year.

#### 43. Going Concern

The Company has started yarn trading business during the year and continued to lease out its immoveable property and earned lease rental income. The quality of goods produced hitherto by the company has generated goodwill and brand image. The Board of Directors hope to continue to use these advantages by continuing yarn trading business and the promoters have given assurance of infusion of funds as and when deemed necessary. Considering the above, the Board of Directors deem it fit to continue adoption of Going Concern Concept in preparation of the financial statements although the Statutory auditors have qualified their opinion with respect to the same.

- 44. The title deeds of immovable properties are held in the name of the Company.
- 45. The Company has not revalued any of its Property, Plant and Equipment during the year.
- **46.** The Company has given its immovable properties (land and building) as security and extended Corporate Guarantee in favour of CSB bank Ltd in respect of loans aggregating to an amount of Rs. 2,279.38 lakhs availed by M/s Sambandam Spinning Mills Limited.
- **47.** The Company does not have any Benami property, where any proceedings initiated or pending against the Company for holding any Benami property.
- **48.** The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- **49.** The Company is not declared as willful defaulter by any Bank or Financial Institution (as defined under the Companies Act, 2013) or consortium thereof or other Lender in accordance with the guidelines on willful defaulters issued by the Reserve Bank of India
- 50. The Company does not have any transaction with Companies struck off under section 248 of the Companies Act, 2013 or section 560 of the Companies Act, 1956
- 51. The Company has not advanced or loaned or invested funds to any other persons or entities including foreign entities (intermediaries) with the understanding that the intermediary shall (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding party (ultimate Beneficiaries) or (b) provide any guarantee or security or the like on behalf of the Ultimate Beneficiaries
