Dear Sir / Madam,

With respect to the Investor's Complaints, the Lot Size of the Company was decided by the BSE and after receiving the several complaints from investors the Company has requested the BSE several times to change the Lot Size to 16,500 but no resolution was provided. The Company is helpless at the moment as it is not a matter to be sought out by the Company alone, still the Company is making endeavours to redress the grievances of the Investors through continuous communications with BSE, RTA and Market Maker of the Company and accessing the possibilities to either round off the Lot Size by transfer of shares in the account of respective investors who has been facing problems due to it or through sale in ODD Lot Market.

Please take the same on your records.

Thanking you,

For Veerkrupa Jewellers Limited
