Priyesh Garg

Director

DIN: 07636054

Explanatory Statement pursuant to Sections 102 of the Companies Act, 2013 read with Rule 22 of the Companies (Management and Administration) Rules, 2014.

The following Statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice:

Item No. 3:**APPROVAL FOR INCREASE IN THRESHOLD OF LOANS/ GUARANTEES, PROVIDING OF SECURITIES AND MAKING OF INVESTMENTS IN SECURITIES UNDER SECTION 186 OF THE COMPANIES ACT, 2013**

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate or as and when required.

In accordance with the provisions Section 186 of the Companies Act, 2013 (the 'Act'), it would be necessary to obtain the approval of the members for:-

1. making loans to any person or other bodies corporate;
2. giving guarantee or provide security in connection with a loan to any other bodies corporate or person; and acquiring by way of subscription, purchase or otherwise, the securities of any other body corporate, in excess of the limits of: 60% of the paid-up share capital and free reserves and securities premium account; or 100% of the free reserves and securities premium account; whichever is higher.

Considering the long term business plans of the Company, which requires the Company to make sizeable loans/investments and issue guarantees / securities to persons or bodies corporate, from time to time, prior approval of the Members is being sought for enhancing the limit up to an aggregate sum of Rs. 50 crores (Rupees Fifty Crores Only).

No loan shall be given under this section at a rate of interest lower than the prevailing yield of one year, three year, five year or ten year Government Security closest to the tenor of the loan. The Board recommends passing the Special Resolution set out in Item No. 3 for the approval of members.

None of the Directors and Key Managerial Personnel of the Company and their relatives is in any way concerned or interested, financially or otherwise in the resolution except to the extent of their directorship and shareholding in the body corporate(s) in which investment may be made or loan/ guarantees may be given pursuant to this special resolution.

Item No. 4:**APPROVAL OF THE BORROWING LIMITS OF THE COMPANY**

As per the provisions of Section 180(1)(c) of the Companies Act, 2013, the Board of Directors of a company cannot, except with the consent of the Members of the company in a general meeting, borrow monies, apart from temporary loans obtained from the company's bankers in the ordinary course of business, in excess of the aggregate of the paid-up capital of the Company, its free reserves.

The Members, had accorded their consent to the Board of Directors for borrowing upto an outstanding amount of Rs. 50 crore only (Rs. Fifty Crores only) to meet the working capital and long term funding requirements. The approval of the Members is, therefore, being sought by way of a special resolution, pursuant to Section 180(1)(c) of the Companies Act, 2013, to increase the limit for outstanding borrowings from to an amount of Rs. 50 crore.

None of the Directors and Key Managerial Personnel of the Company and their relatives is in any way concerned or interested, financially or otherwise in the resolution except to the extent of their directorship and shareholding in the body corporate(s) in which investment may be made or loan/ guarantees may be given pursuant to this special resolution.

Item No. 5:

APPROVAL FOR GIVING OF LOANS, GUARANTEE OR SECURITY TO ANY PERSON IN WHOM ANY OF THE DIRECTOR OF THE COMPANY IS INTERESTED UNDER SECTION 185 OF COMPANIES ACT, 2013.

The Company is expected to render support for the business requirements of other companies in the group (i.e. entities in which directors of the Company are interested as per the provisions of Section 185 of the Companies Act, 2013), from time to time. However, owing to certain restrictive provisions contained in the Section 185 of the Companies Act, 2013, the Company was unable to extend financial assistance by way of loan, guarantee or security to other entities in the Group.

Pursuant to the provisions of Section 185 of Companies Act, 2013, the Company with the approval of members by way of special resolution, may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the director of the company is interested in respect of loans taken by such entities, for their principal business activities.

The members may note that board of directors would carefully evaluate proposals and provide such loan, guarantee or security proposals through deployment of funds out of internal resources /accruals and/or any other appropriate sources, from time to time, only for principal business activities of the entities in the Group.

Accordingly, in order to meet the funding requirements and ensure necessary compliances of the provisions of the Companies Act, 2013, the Board of Directors, hereby proposes to grant loans or provide guarantee/security to these abovementioned entity upto an aggregate amount of Rs. 50 Crores.

Hence, in order to enable the company to advance loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the director of the company is interested to any entity of the group, in which Directors of the company are interested directly or indirectly under section 185 of the Companies Act, 2013 requires approval of members by a Special Resolution.

None of the Directors and Key Managerial Personnel of the Company and their relatives is in any way concerned or interested, financially or otherwise in the resolution except to the extent of their directorship and shareholding in the body corporate(s) in which investment may be made or loan/ guarantees may be given pursuant to this special resolution.

- Overview of Indian Economy
- Industry Overview
- Result of Operation
- Opportunities And Threat
- Risk and Concerns
- Internal Control Systems and adequacy
- Material Development in Human Resources

OVERVIEW OF INDIAN ECONOMY

In general, global economic shocks in the past were severe but spaced out in time. This changed in the third decade of this millennium. At least three shocks have hit the global economy since 2020. It all started with the pandemic-induced contraction of the global output, followed by the Russian-Ukraine conflict leading to a worldwide surge in inflation. Then, the central banks across economies led by the Federal Reserve responded with synchronised policy rate hikes to curb inflation. The rate hike by the US Fed drove capital into the US markets causing the US Dollar to appreciate against most currencies. This led to the widening of the Current Account Deficits (CAD) and increased inflationary pressures in net importing economies. The rate hike and persistent inflation also led to a lowering of the global growth forecasts for 2022 and 2023 by the IMF in its October 2022 update of the World Economic Outlook. The frailties of the Chinese economy further contributed to weakening the growth forecasts. Slowing global growth apart from monetary tightening may also lead to a financial contagion emanating from the advanced economies where the debt of the non-financial sector has risen the most since the global financial crisis. With inflation persisting in the advanced economies and the central banks hinting at further rate hikes, downside risks to the global economic outlook appear elevated. The Indian economy, however, appears to have moved on after its encounter with the pandemic, staging a full recovery in FY22 ahead of many nations and positioning itself to ascend to the pre-pandemic growth path in FY23. Yet in the current year, India has also faced the challenge of reining in inflation that the European strife accentuated. Measures taken by the government and RBI, along with the easing of global commodity prices, have finally managed to bring retail inflation below the RBI upper tolerance target in November 2022. However, the challenge of the depreciating rupee, although better performing than most other currencies, persists with the likelihood of further increases in policy rates by the US Fed. The widening of the CAD may also continue as global commodity prices remain elevated and the growth momentum of the Indian economy remains strong. The loss of export stimulus is further possible as the slowing world growth and trade shrinks the global market size in the second half of the current year. Despite these, agencies worldwide continue to project India as the fastest-growing major economy at 6.5-7.0 per cent in FY23. These optimistic growth forecasts stem in part from the resilience of the Indian economy seen in the rebound of private consumption seamlessly replacing the export stimuli as the leading driver of growth. The uptick in private consumption has also given a boost to production activity resulting in an increase in capacity utilisation across sectors. The rebound in consumption was engineered by the near-universal vaccination coverage overseen by the government that brought people back to the streets to spend on contact-based services, such as restaurants, hotels, shopping malls, and cinemas, among others. The world's second-largest vaccination drive involving more than 2 billion doses also served to lift consumer sentiments that may prolong the rebound in consumption. Vaccinations have facilitated the return of migrant workers to cities to work in construction sites as the rebound

in consumption spilled over into the housing market. This is evident in the housing market witnessing a significant decline in inventory overhang to 33 months in Q3 of FY23 from 42 months last year. The Capital Expenditure (Capex) of the central government, which increased by 63.4 per cent in the first eight months of FY23, was another growth driver of the Indian economy in the current year, crowding in the private Capex since the January-March quarter of 2022. On current trend, it appears that the full year's capital expenditure budget will be met. A sustained increase in private Capex is also imminent with the strengthening of the balance sheets of the Corporates and the consequent increase in credit financing it has been able to generate. A much improved financial health of well-capitalised public sector banks has positioned them better to increase the credit supply. Consequently, the credit growth to the Micro, Small, and Medium Enterprises (MSME) sector has been remarkably high, over 30.6 per cent, on average during Jan-Nov 2022, supported by the extended Emergency Credit Linked Guarantee Scheme (ECLGS) of the Union government. The increase in the overall bank credit has also been influenced by the shift in borrower's funding choices from volatile bond markets, where yields have increased, and external commercial borrowings, where interest and hedging costs have increased, towards banks. If inflation declines in FY24 and if real cost of credit does not rise, then credit growth is likely to be brisk in FY24. India's economic growth in FY23 has been principally led by private consumption and capital formation. It has helped generate employment as seen in the declining urban unemployment rate and in the faster net registration in Employee Provident Fund. Still, private capex soon needs to take up the leadership role to put job creation on a fast track. Recovery of MSMEs is proceeding apace, as is evident in the amounts of Goods and Services Tax (GST) they pay, while the Emergency Credit Linked Guarantee Scheme (ECLGS) is easing their debt servicing concerns. The Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) has been directly providing jobs in rural areas and indirectly creating opportunities for rural households to diversify their sources of income generation. Schemes like PM-Kisan and PM Garib Kalyan Yojana have helped in ensuring food security in the country, and their impact was also endorsed by the United Nations Development Programme (UNDP) 1. The results of the National Family Health Survey (NFHS) also show improvement in rural welfare indicators from FY16 to FY20, covering aspects like gender, fertility rate, household amenities, and women empowerment. Global growth has been projected to decline in 2023 and is expected to remain generally subdued in the following years as well. The slowing demand will likely push down global commodity prices and improve India's CAD in FY24. However, a downside risk to the Current Account Balance stems from a swift recovery driven mainly by domestic demand and, to a lesser extent, by exports. The CAD needs to be closely monitored as the growth momentum of the current year spills over into the next. Growth is expected to be brisk in FY24 as a vigorous credit disbursal, and capital investment cycle is expected to unfold in India with the strengthening of the balance sheets of the corporate and banking sectors. Further support to economic growth will come from the expansion of public digital platforms and path-breaking measures such as PM Gati Shakti, the National Logistics Policy, and the Production-Linked Incentive schemes to boost manufacturing output.

INDUSTRY OVERVIEW

During the year under review the company has diversified its business covers a wide range of activities related to scraps and reusable materials. This includes commercializing, controlling, collecting, treating, storing, disposing of, developing, manufacturing, recycling, refurbishing, handling, transporting, operating, packing, integrating, organizing, promoting, facilitating, servicing, supervising, representing, and acting as agents, concessionaires, consultants, and booking agents. The scrap and reusable materials industry plays a crucial role in promoting environmental sustainability and resource efficiency. It involves the management of various types of waste and discarded materials, turning them into valuable resources through recycling and reprocessing. The industry significantly contributes to reducing the strain on natural resources by recycling and reusing materials that might otherwise end up in landfills or incinerators. Recycling

scrap materials conserves raw materials such as metals, plastics, and paper, reducing the need for extensive mining or manufacturing of virgin resources. However the company has not started any business as on date.

OPPORTUNITIES & THREATS

Opportunities

Growing concerns about environmental degradation and climate change have led to increased public awareness. This creates an opportunity for the business to position itself as a solution for responsible waste management and resource conservation. Governments across the globe are implementing stringent regulations to curb pollution and promote recycling. Businesses in the scrap and reusable materials sector can benefit from supportive policies, incentives, and grants. Diminishing reserves of raw materials necessitate resource-efficient practices. The business can capitalize on this scarcity by offering recycled materials as an alternative to virgin resources. Diminishing reserves of raw materials necessitate resource-efficient practices. The business can capitalize on this scarcity by offering recycled materials as an alternative to virgin resources. Advancements in technology, including robotics, AI, and automation, are revolutionizing the recycling industry. The business can leverage these innovations to enhance sorting accuracy and processing efficiency. The scrap and reusable materials industry generates a range of employment opportunities, from collection and sorting to processing and distribution. This can contribute positively to local economies. The business can diversify its revenue streams by offering various services, such as waste consulting, sustainable packaging solutions, and resource recovery from electronic waste (e-waste).

Threats

The demand for recycled materials can vary based on market trends and economic conditions. This unpredictability can impact the profitability of the business. Maintaining the quality of recycled materials can be challenging due to contamination and variability in input sources. Poor-quality materials can affect the reputation of the business. The scrap and reusable materials industry is becoming more competitive as more players enter the market. Distinguishing the business through quality, efficiency, and innovation is crucial. While recycling technology advancements offer opportunities, they also require substantial investment. Keeping up with these technological shifts can strain the business's financial resources. Efficient collection, transportation, and distribution networks are essential. Disruptions in logistics can hinder operations and increase costs.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

As compared to the previous reporting period, the company has no income generated from its business during the current financial year. The Company, with superior methodologies and improved process and systems, will focus on positioning the revenues and lead towards high growth path in future.

OUTLOOK, RISK AND CONSERN:

There are signs of improving consumer confidence and major policy changes in some of the developed markets which may provide the required momentum to spurt global growth and kick start the path of recovery. The Board of Directors foresees a considerable growth in the business of scrap as there is immense potential in this time tested business activity. The management is optimistic of substantial growth in its business operations. The Company intends to become a fully integrated and profitable diamond and jewellery Company in the next few years. It also intends to build a well-managed corporate organization with standard processes and controls, competent management and reduced dependency on the promoters to generate revenue – features that are quite unique to Indian diamond companies.

Result of Operations:

During the year under review the Total Income (including other income) has been increased to Rs. 12,40,037/- (Twelve Lakhs Forty Thousand And Thirty Seven Only) as compared to the previous year i.e 7,56,740/- (Seven Lakhs Fifty Six Thousand Seven Hundred And Forty Only). The Company has incurred a loss of Rs. 20,83,144/-(Twenty Lakhs Eighty Three Thousand One Hundred Forty Four) as compared to loss amounting to Rs. 5,04,252 (Five Lakhs Four Thousand Two Hundred Fifty Two) to the previous year.

- Total Revenue stood at Rs. 12,40,037/- for fiscal year 2022-23.

INDEPENDENT AUDITORS' REPORT ON FINANCIAL STATEMENTS

To the Members of:
ANSHUNI COMMERCIALS LIMITED

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of ANSHUNI COMMERCIALS LIMITED ('the Company'), which comprise the balance sheet as at 31st March 2023, the statement of profit and loss including other comprehensive income and the statement of Cash Flows and Statement of Change in Equity for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'financial statements').

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023 the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the financial statement in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our objective are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion on these financial statements.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

ANNEXURE - A**REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")**

We have audited the internal financial controls over financial reporting of ANSHUNI COMMERCIALS LIMITED ("the Company") as of 31st March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR 31.03.2023

NOTE 18: NOTES TO THE STANDALONE FINANCIAL STATEMENTS

1. Corporate Information

Anshuni Commercial Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 2013. Its shares are listed on the Bombay stock exchange in India.

2. Basis of preparation

These financial statements of the Company have been prepared in accordance with IFRS converged Indian Accounting Standards (IndAS) notified under the Companies (Indian Accounting Standards) Rules, 2015 ("IndAS"). Up to the year ended 31 March, 2016, the Company prepared its financial statements in accordance with generally accepted accounting principles in the India, including accounting standards read with Section 133 of the Companies Act, 2013 notified under Companies (Accounting Standards) Rules, 2006 ("Previous GAAP"). The Financial Statements for the year ended on 31st March, 2021 are the first to have been prepared in accordance with the IND AS. The date of transition to Ind AS is 1 April, 2016.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of business operations, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

3. Accounting policies requiring management judgement and key sources of estimation uncertainty

The accounting policies which have the most significant effect on the figures disclosed in these financial statements are mentioned below and these should be read in conjunction with the disclosure of the significant IndAS accounting policies provided below:

i. Revenue recognition

All Income and expenditure are accounted on accrual basis. Dividend Income on Investment is accounted for when the right to receive the payment is established.

Expenses are accounted on accrual basis and provisions are made for all known losses and liabilities.

ii. Useful life of Property, Plant and Equipment

The assessment of the useful life of each asset by considering the historical experience and expectations regarding future operations and expected usage, estimated technical obsolescence, residual value, physical wear and tear and the operating environment in which the asset is located needs significant judgement by the management. The Company does not have any immovable properties.

iii. Income Taxes

The calculation of income taxes requires judgement in interpreting tax rules and regulations. Management judgement is used to determine the amounts of deferred tax assets and liabilities and future tax liabilities to be recognized.

4. Summary of significant accounting policies

a. Use of estimates

Preparation of these financial statements in accordance with IndAS requires management to make judgements on the basis of certain estimates and assumptions. In addition, the application of accounting policies requires management judgement. Estimates are based on the managements view on past events and future development and strategies. Management reviews the estimates and assumptions on a continuous basis, by reference to past experiences and other factors that can reasonably be used to assess the book values of assets and liabilities.

b. Presentation of true and fair view

These financial Statements have been prepared by applying IndAS principles and necessary disclosures have been made which present a true and fair view of the financial position, financial performance and cash flows of the Company.

ANSHUNI COMMERCIAL LIMITED

CIN: L90000MH1984PLC034879

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR 31.03.2023

c. Going concern

These financial statements have been prepared on a going concern basis and it is assumed that the company will continue in operation in the foreseeable future and neither there is an intention nor need to materially curtail the sale of operations.

d. Accrual basis

These financial statements, except for cash flow information, have been prepared using the accrual basis of accounting

e. Materiality

Each material class of similar items has been presented separately in these financial Statements.

f. Basis of Measurement

These financial statements have been prepared on an accrual basis, except for certain properties and financial instruments that have been measured at fair values or revalued amounts as required by the relevant IndAS.

g. Offsetting

In preparation of these financial Statements, the Company has not offset assets and liabilities or income and expenses, unless required or permitted by Ind AS.

h. Functional and Presentation Currency

IndAS 21 requires that functional currency and presentation currency be determined. Functional currency is the currency of the primary economic environment in which the entity operates. Presentation currency is the currency in which the financial statements are presented.

These financial statements are presented in Indian Rupee, which is the functional currency and presentation currency of the Company.

i. Tangible fixed assets (PPE)

Property, plant and equipment (PPE) is recognized when the cost of an asset can be reliably measured and it is probable that the entity will obtain future economic benefits from the asset.

PPE is measured initially at cost. Cost includes the fair value of the consideration given to acquire the asset (net of discounts and rebates) and any directly attributable cost of bringing the asset to working condition for its intended use (inclusive of import duties and non-refundable purchase taxes).

The Company does not have any immovable properties.

j. Depreciation on tangible fixed assets

The depreciable amount of PPE (being the gross carrying value less the estimated residual value) is depreciated over its useful life as prescribed in Schedule II to the companies Act, 2013 on straight line basis.

The Company does not have depreciable tangible fixed assets.

ANSHUNI COMMERCIAL LIMITED

CIN: L90000MH1984PLC034879

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR 31.03.2023

k. Borrowings costs: -

Interest & commitment charges on borrowings granted by the banks and interest on loans obtained from other parties are recognized in the Statement of Profit & Loss.

No amounts of borrowing costs have been capitalized during the year.

l. Inventories: -

Inventories are valued in accordance with the method of valuation prescribed by The Institute of Chartered Accountants of India, at lower of cost or net realizable value. However, there is no inventory as on the balance sheet date.

m. Revenue recognition

Revenue from following transactions is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from export sales is recognized when company neither retain continuing managerial involvement nor effective control over goods i.e. when delivery of goods is physically given to Customs authorities. Revenue from domestic sales is recognized when significant risk and rewards associated with goods are transferred by way of delivery to the customer. The Company collects Goods and Service Tax (GST) on behalf of the government, and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

n. Taxes on income

Current tax expense is based on the taxable and deductible amounts to be used for the computation of the taxable income for the current year. A liability is recognized in the balance sheet in respect of current tax expense for the current and prior periods to the extent unpaid. An asset is recognized if current tax has been overpaid.

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

A deferred tax asset is recognized for deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised.

Current and deferred tax is recognized in profit or loss for the period, unless the tax arises from a business combination or a transaction or event that is recognized outside profit or loss, either in other comprehensive income or directly in equity in the same or different period.

o. Earnings per share

Basic EPS is calculated by dividing the profit or loss for the period attributable to the equity holders of the parent company by the weighted average number of ordinary shares outstanding (including adjustments for bonus and rights issues).

Diluted EPS is calculated by adjusting the profit or loss and the weighted average number of ordinary shares by taking into account the conversion of any dilutive potential ordinary shares.

Basic and diluted EPS are presented in the statement of profit and loss for each class of ordinary shares in accordance with IndAS 33.

ANSHUNI COMMERCIAL LIMITED

CIN: L90000MH1984PLC034879

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR 31.03.2023

p. Provisions, contingent liabilities and contingent assets

Company recognizes provision, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made.

Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

As per IndAS 37, Contingent liabilities, if any, are not recognized but are disclosed and described in the notes to the financial statements, including an estimate of their potential financial effect and uncertainties relating to the amount or timing of any outflow, unless the possibility of settlement is remote.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

q. Cash and cash equivalents

Cash and cash equivalents for the purpose of the cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

r. Related Party Disclosures

All disclosures as specified under IndAS 24 are made in these financial Statements in respect of the company's transactions with related parties.

s. Financial Instruments: -

Financial assets and financial liabilities are recognized on the Company Balance Sheet when the Company becomes a party to the contractual provisions of the instrument.

Financial Assets -

Company does not have any Trade receivables, Interest bearing borrowing & Trade Payables for the year.

Financial Assets - Investments

Investments consist of investments in equity shares (quoted) and are recognized at fair value through profit & loss. Gains and losses arising from changes in fair value are recognized in profit or loss. Dividends, if any, on equity instruments are recognized in profit or loss when the company's right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet only when there is a current legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

No amounts of borrowing costs have been capitalized during the year.

l. Inventories: -

Inventories are valued in accordance with the method of valuation prescribed by The Institute of Chartered Accountants of India, at lower of cost or net realizable value. However, there is no inventory as on the balance sheet date.

m. Revenue recognition

Revenue from following transactions is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from export sales is recognized when company neither retain continuing managerial involvement nor effective control over goods i.e. when delivery of goods is physically given to Customs authorities. Revenue from domestic sales is recognized when significant risk and rewards associated with goods are transferred by way of delivery to the customer. The Company collects Goods and Service Tax (GST) on behalf of the government, and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

n. Taxes on income

Current tax expense is based on the taxable and deductible amounts to be used for the computation of the taxable income for the current year. A liability is recognized in the balance sheet in respect of current tax expense for the current and prior periods to the extent unpaid. An asset is recognized if current tax has been overpaid.

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

A deferred tax asset is recognized for deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised.

Current and deferred tax is recognized in profit or loss for the period, unless the tax arises from a business combination or a transaction or event that is recognized outside profit or loss, either in other comprehensive income or directly in equity in the same or different period.

o. Earnings per share

Basic EPS is calculated by dividing the profit or loss for the period attributable to the equity holders of the parent company by the weighted average number of ordinary shares outstanding (including adjustments for bonus and rights issues).

Diluted EPS is calculated by adjusting the profit or loss and the weighted average number of ordinary shares by taking into account the conversion of any dilutive potential ordinary shares.

Basic and diluted EPS are presented in the statement of profit and loss for each class of ordinary shares in accordance with IndAS 33.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR 31.03.2023

p. Provisions, contingent liabilities and contingent assets

Company recognizes provision, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made.

Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

As per IndAS 37, Contingent liabilities, if any, are not recognized but are disclosed and described in the notes to the financial statements, including an estimate of their potential financial effect and uncertainties relating to the amount or timing of any outflow, unless the possibility of settlement is remote.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

q. Cash and cash equivalents

Cash and cash equivalents for the purpose of the cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

r. Related Party Disclosures

All disclosures as specified under IndAS 24 are made in these financial Statements in respect of the company's transactions with related parties.

s. Financial Instruments: -

Financial assets and financial liabilities are recognized on the Company Balance Sheet when the Company becomes a party to the contractual provisions of the instrument.

Financial Assets -

Company does not have any Trade receivables, Interest bearing borrowing & Trade Payables for the year.

Financial Assets - Investments

Investments consist of investments in equity shares (quoted) and are recognized at fair value through profit & loss. Gains and losses arising from changes in fair value are recognized in profit or loss. Dividends, if any, on equity instruments are recognized in profit or loss when the company's right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet only when there is a current legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.
