Chennai, Feb 16: Artificial intelligence will become prominent in the pharmaceutical industry and eventually reduce the time taken for a drug to reach the market from the current average of 20 years to just a few years, says Mr.M.N.Sridhar, Joint Director (Drugs Control Department), Government of Tamilnadu.

SRM College of Pharmacy organizes a three-day National conference on 'Artificial Intelligence in Drug Discovery and Pharmaceutical Research' SRMPCON 2023. Around 250 members including undergraduate, postgraduate and Research scholars from different states and institutions participated in the conference.

Dr. V. Chitra, Dean (College of Pharmacy), SRMIST presented the welcome address.
