#### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### **INDUSTRY STRUCTURE AND DEVELOPMENT**

India has been one of the fastest growing diagnostic and pathology laboratories markets over the past few years. Several factors that are acting as drivers for the market are rise in spending's for health care, increasing awareness of health related concerns, high prevalence of diseases and penetration of health care insurance.

On the basis of the tests performed by various laboratories, the overall India diagnostic and pathology laboratory market has been segmented into radiology and pathology tests by test type. These test types are further segmented on the basis of the type of test and source for tests. By source of test, pathology tests have been segmented into blood, urine, stool, and body tissue.

Also, in the developed markets, the diagnostics business is of a B2B kind. The touch point for patients is primarily the hospitals, which in turn outsource their test processing requirements to the laboratories. In India, the diagnostics business is of a B2C kind, as patients here directly approach the pathology labs to get themselves tested. At times, tests are also conducted without a doctor's prescription.

#### **BUSINESS OVERVIEW**

Our Company was originally incorporated as a partnership firm at New Delhi vide Partnership Agreement dated 15th Day of September, 2011 in the name of Dr. A Lalchandani Pathology Laboratories. Thereafter, the Partnership Firm was taken over by Dr Lalchandani Labs Limited incorporated under the provisions of Companies Act, 2013 vide certificate of Incorporation dated 2nd August 2017 issued by the Registrar of Companies, Delhi vide agreement dated 31st August 2017. ## **OPPORTUNITIES AND THREATS**

#### **OPPORTUNITIES**

There are many aspects in the diagnostics industry in our country which provide huge growth opportunity. These are-

- Corporate Health Check ups
- Consistently increasing sample load at main lab strengthens negotiation with suppliers to give better prices for reagents improving costings and better profit margins
- Increasing B2C presence
- Lack of customer centricity in many labs
- Lack of awareness of quality parameters in consumers is an opportunity for Good Labs like us to take charge in awareness campaigns for building good reputation with consumers.

#### **THREATS**

- Few VC funded Online Startups eroding prices in market with negative cash flows and discount funded strategies.
- B2B clients such as Hospital Lab management businesses not reliable as key position changes in hospital may influence change of lab vendors OR the hospital may choose to bring departments in-house.

Dr Lalchandani Gabs

- Low Barriers to entry
- Lack of regulation and licensing of Labs and lack mandatory quality norms hampers opportunities for quality labs.
- Highly competitive market with presence of both local and national players everywhere
- Highly price sensitive market.
- Lack of awareness of quality parameters to differentiate between labs

#### **STHRENGTHS**

- Company Experience of 32 years with highly experienced staff retained
- Good Personal Brand Name of Dr A Lalchandani in Delhi/NCR
- Image: Strong ties with many hospitals, doctors and nursing homes
- Customization of services for greater customer satisfaction
- Home Collection of Samples across Delhi/NCR
- Good customer follow-up in dormant Stages reminders for periodic health check-ups
- Good Online & Social Media presence in South Delhi currently
- Good Word of mouth from Doctor's network about Dr Lalchandani labs Limited
- Nimble organization & management eager to adopt and change to respond to changing needs of the market and customers.
- Personal Touch and active involvement of Founder and chief pathologist Dr Arjan Lalchandani
- Management is young and enterprising and open to exploring all business opportunities with an open mind.
- B Highly Customer-centric and constantly thinking of improving user experience.

#### **RECOVERING FROM COVID -19 PANDEMIC**

While we have emerged stronger and bolder from the COVID-19 pandemic, we are acutely aware that the pandemic has widened socioeconomic inequities. Our responsibility towards our communities has increased manifold.

To deal with the unprecedented second wave, we have ramped up our response on multiple fronts - our approach has been to address short-term emergency response as well as contribute towards strengthening our public health infrastructure. Our overall healthcare efforts have built capacity and run programs, closely collaborating with the public health system, to serve geographies that have a population of over 150 million people.

The company is embarking on programs of transformation that would improve operational efficiency and embrace agility at scale. Today, the pandemic has served to accelerate this need to transform. Customers have accelerated their adoption of technology. They want partners who can help them transform themselves rapidly, at speed. They need partners who can be trusted. Who share the same business ethics and values. Also, increasingly they want partners who can challenge the status quo, provide insights based on domain expertise and can provide solutions for business outcomes.

#### **INDEPENDENT AUDITORS' REPORT**

### To the Members of Dr Lalchandani Labs Limited

### **Report on the Audit of the Financial Statements**

### Opinion

We have audited the financial statements of **Dr Lalchandani Labs Limited** ("the Company"), which comprise the balance sheet as at **31st March 2023**, the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

Dr Lalchandani

## Our opinion is qualified for

- Company has not been able to pay installments for few months of term loans/unsecured loans during the previous financial year. Due to which they have not received the balance confirmation of various lenders. Company has valued the loan at the outstanding amount of Jan to mar' 23, i.e. till the time they have paid the installment of term loan/unsecured loan. So the interest/penal interest levied by the varous lenders during the last months have not been captured in the financial statements. Hence the loss suffered by the company is understated by the aforesaid interest/penal interest.
- Gratuity Liability & Leave Encashment Liability is not provided for in the books of accounts of the company and is thus not in accordance with Accounting Standard 15 on "Employee Benefits" issued by the Institute of Chartered Accountants of India.

## Subject to above,

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

## **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

## **Emphasis of Matter**

- The company has generally been irregular in deposit of statutory dues viz ESI, PF and TDS for the financial year under consideration. (Details has been annexed in CARO Report)
- The company has also not deposited some of the dues of TDS Payable for the FY 2021-22 till date.
- During the Financial Year 2022-23, the company has defaulted in repayment of principal and interest thereon of various term loan and unsecured loans from banks& NBFC's despite of having significant cash & cash equivalents; and
- Company has not received balance confirmation from Amount receivables and Amount Payables. We have relied on the management representations in regard to the confirmation of these balances

#### **Other Information**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

#### Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fairview of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flowsof the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.

• Conclude on the appropriateness of management's and Board of Directors' use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Dr Lalchandani

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. (A) As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the AS specified under section 133 of the Act
  - (e) On the basis of the written representations received from the directors as on 31st March 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2023 from being appointed as a director in terms of section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**.
  - (B) respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a) The Company has no pending litigations as at 31st March 2023.
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c) There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Company.
- d) (i) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in anymanner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

(iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis- statement.

e) As stated in note k to the notes to accounts of the financial statements, the Board of Directors of the Company have proposed final dividend for the current year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

(B) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act.

- (d) According to the information and explanations given to us, the Company has not revalued its property, plant and equipment (including right-of-use assets) or intangible assets or both during the year. Accordingly, the requirements under paragraph 3(i)(d) of the Order are not applicable to the Company.
- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated in paragraph 3(i) (e) of the Order are not applicable to the Company.
- (a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification, coverage & procedure of such verification is reasonable and appropriate. having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories.

(b) The Company has not been sanctioned working capital limits in excess of Rs. 5 crores in aggregate from banks/financial institutions on the basis of security of current assets. Quarterly returns / statements are filed with such banks/financial institutions which are in agreement with the books of account.

(iii) According to the information explanation provided to us, the Company has not made any investments in, provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. Hence, the requirements under paragraph 3(iii) of the Order are not applicable to the Company.

Dr Lalchandani

- (iv) According to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, in respect of loans, investments, guarantees and security made.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the services provided by it. Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, cess and other statutory dues have not been regularly deposited by the Company with the appropriate authorities and there have been serious delays in large number of cases. The company has not deposited the PF dues amounting to Rs. 1,65,000/-for the month of Dec 2022 to March 2023, ESI dues amounting to Rs. 28,145/- for the month of Oct 2022, Feb 2023 & March 2023. The company has not deposited the TDS payable for the total amounting to Rs. 17,44,144/- for the period FY 2021 -22 till March 2023.

Also, there are no previously unrecorded income which has been now recorded in the books of account. Hence, the provision stated in paragraph 3(viii) of the Order is not applicable to the Company.
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not been able to pay installments for few months of term loans/unsecured loans during the previous financial year. Due to which they have not received the balance confirmation of various lenders.
  - (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
  - (c) In our opinion and according to the information explanation provided to us, money raised by way of term loans during the year have been applied for the purpose for which they were raised.
  - (d) According to the information and explanation provided to us, there are no funds raised on short term basis. Accordingly, the provision stated in paragraph 3(ix)(d) of the Order is not applicable to the Company.
  - (e) According to the information explanation given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from an any entity or person on account of or to meet the obligations of its associates.
  - (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its associate Company and limited liability partnership. Hence, reporting under the Clause 3(ix)(f) of the order is not applicable to the Company.
- (x) (a) In our opinion and according to the information explanation given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Hence, the provisions stated in paragraph 3 (x)(a) of the Order are not applicable to the Company.
  - (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully, partly, or optionally convertible debentures during the year. Hence, the provisions stated in paragraph 3 (x)(b) of the Order are not applicable to the Company.

(b) We have not come across of any instance of material fraud by the Company or on the Company during the course of audit of the standalone financial statement for the year ended March 31, 2023, accordingly the provisions stated in paragraph (xi)(b) of the Order is not applicable to the Company.

Dr Lalchandani

- (c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year.
- (xii) (a) The Company is not a Nidhi Company. Accordingly, the provisions stated in paragraph 3(xii) (a) to (c) of the Order are not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
  - (b) We have considered internal audit reports of the Company issued till date, for the period under audit.

According to the information and explanations given to us, in our opinion, during the year the Company has not entered into non-cash transactions with directors or persons connected with its directors and hence, provisions of Section 192 of the Act are not applicable to Company.

- (xv) According to the information and explanations given to us, in our opinion, during the year the Company has not entered into non-cash transactions with directors or persons connected with its directors and hence, provisions of Section 192 of the Act are not applicable to Company.
- (xvi) (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions stated in paragraph 3 (xvi)(a) of the Order are not applicable to the Company.

(b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without any valid Certificate of Registration from Reserve Bank of India. Hence, the reporting under paragraph 3 (xvi)(b) of the Order are not applicable to the Company.

(c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Hence, the reporting under paragraph 3 (xvi)(c) of the Order are not applicable to the Company.

(d) The Company does not have more than one CIC as a part of its group. Hence, the provisions stated in paragraph 3 (xvi)(d) of the Order are not applicable to the Company.

- (xvii) Based on the overall review of financial statements, Company has valued the loan at the outstanding amount of Jan to Mar '2023, i.e. till the time they have paid the installment of term loan/unsecured loan. So the interest/ penal interest levied by the various lenders during the last months have not been captured in the financial statements. Hence the loss suffered by the company is understated by the aforesaid interest/penal interest.
- (xviii) There has been no resignation of the statutory auditors during the year. Hence, the provisions stated in paragraph 3 (xviii) of the Order are not applicable to the Company.

- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company.However, during the Financial Year 2022-23, the company has defaulted in repayment of principal and interest thereon of various term loan and unsecured loans from banks & NBFC's despite of having significant cash & cash equivalents. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us and based on our verification, the provisions of Section 135 of the Act are applicable to the Company. The Company has made the required contributions during the year and there are no unspent amounts which are required to be transferred either to a Fund or to a Special Account as per the provisions of Section 135 of the Act read with schedule VII. Accordingly, reporting under Clause 3(xx)(a) and Clause 3(xx)(b) of the Order is not applicable to the Company.
- (xxi) The reporting under Clause 3(xxi) of the Order is not applicable since we have consolidated the unaudited and management furnished financial statements of one of the associate Company to which reporting under CARO is applicable. Accordingly, no comment in respect of the said Clause has been included in the report.

# Annexure B to the Independent Auditors' report on the standalone financial statements of Dr Lalchandani Labs Limited for the year ended 31 March 2023.

### Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

Dr Lalchandan

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

### Opinion

We have audited the internal financial controls with reference to financial statements of Dr Lalchandani Labs Limited ("the Company") as of 31st March 2023 in conjunction with our audit of the financial statements of the Company as at and for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

### Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

### Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and

# expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### SIGNIFICANT ACCOUNTING POLICIES

### 2.1 Statement of compliance

In accordance with the notifications issued by the Ministry of Corporate Affairs, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 & read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016.

### 2.2 Basis of preparation and presentation

These financial statements have been prepared on the accrual and going concern basis, and the historical cost convention except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

### 2.3 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for trade allowances for deduction, rebates and other similar allowances. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

### 2.3.1. Laboratory income

Medical testing charges consists of fees received for various tests conducted in the field of pathology and radiology and are recognized on accrual basis when the samples are registered for the purpose of conducting the tests, net of discounts, ifany.

### 2.3.2 Interest

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

### 2.4 Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the period in which such benefits accrue.

### 2.4.1. The Company as lessee

Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Contingent rentals, if any, arising under operating leases are recognised as an expense in the period in which they are incurred.

### 2.3 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

### 2.4 Employee benefits

Employee benefits include provident fund, gratuity, ESIC, Group Health Insurance, Accidental Insurance for runners and compensated absences.

### 2.4.1 Defined contribution plan

Employee benefit under defined contribution plan comprising of provident fund is recognised based on the amount of obligation of the Company to contribute to the plan. The provident fund contribution is paid to provident fund authorities. The amounts are expensed during the year.

### 2.4.2 Defined benefit plan

The Company's gratuity plan is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the projected unit credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the prevailing market yields on government securities as at the balance sheet date.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in

Statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. The company was incorporated in August 2017 and had recruited the employees with effect from September 01, 2017. The company has not provided for any provision for gratuity in their books of accounts for the financial year ended March 31, 2023.

### **Defined benefit** costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and
- Net interest expense or income; and
- Re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The Company intends to take the various policies with insurer managed funds to meet its obligation towards gratuity. Liability with respect to the gratuity plan is determined based on an actuarial valuation done by an independent actuary.

The gratuity benefit obligation recognised in the standalone Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

### Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months from the end of the period in which the employee renders the related service.

### The cost of short-term compensated absences is accounted as under:

- a) In case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- b) In case of non-accumulating compensated absences, when the absences occur.

### Long-term employee benefits

Compensated absences which are not expected to occur within twelve months from the end of the period in which the employee renders the related service are recognised as a liability at the present value of the obligation as at the Balance Sheet date.

Income tax expense represents the sum of the tax currently payable and deferred tax.

### 2.7.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

### 2.7.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets include Minimum Alternate Tax ('MAT') paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realized.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

### Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### 2.8 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any.

The cost of Property, plant and equipment (PPE) comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses, present value of decommissioning costs (where there is a legal or constructive obligation to decommission) and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with

the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. The other repairs and maintenance of revenue nature are charged to profit or loss during the reporting period in which they are incurred.

Property, plant and equipment are tested for impairment whenever events or changes in circumstances indicate that an asset may be impaired. If an impairment loss is determined, the remaining useful life of the asset is also subject to adjustment. If the reasons for previously recognised impairment losses no longer exists, such impairment losses are reversed and recognised in income. Such reversal shall not cause the carrying amount to exceed the amount that would have resulted had no impairment taken place during the preceding periods.

### Depreciation methods, estimated useful lives and residual value

Depreciation on all assets is provided using the Written Down Value (WDV) Method at the rates computed based on the useful lives of the assets estimated by the management on a prorata basis from the month in which each asset is put to use to allocate their cost, net of their residual values, over their estimated useful lives.

Estimated useful life of assets are as follows which is based on technical evaluation of the useful lives of the assets:

| S.No | Asset Description      | Estimated Life of Asset (in years) |
|------|------------------------|------------------------------------|
| 1.   | Building               | 15                                 |
| 2.   | Plant and Equipment    | 8-13                               |
| 3.   | Computers              | 5                                  |
| 4.   | Office Equipment       | 5                                  |
| 5.   | Vehicles               | 8-10                               |
| 6.   | Furniture and Fixtures | 8-10                               |
| 7.   | Intangible Assets      | 3-5                                |
|      |                        | // III                             |

The assets' residual values, estimated useful lives and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

All assets, the individual written down value of which at the beginning of the year is Rs. 5,000 or less, are depreciated at the rate of 100%. Assets purchased during the year costing Rs. 5,000 or less are depreciated at the rate of 100%.

Gains and losses on disposal are determined by comparing proceeds with carrying amount and are credited / debited to profit or loss.

### 2.9 Intangible assets

### 2.9.1. Intangible assets acquired separately

Trademarks and software are carried at cost which is incurred and stated in the relevant license agreement with the technical know-how provider less accumulated amortization and accumulated impairment losses. Amortization is recognised on a straight line basis over their estimated useful lives. The estimated useful lives and amortization method are reviewed at end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

### 2.9.2 Amortization methods and useful lives

Trademarks and software are amortized on a straight line basis over its estimated useful life i.e. 5 years. An intangible asset is derecognized when no future economic benefits are expected from use.

### 2.10 Inventories

Inventories comprise of reagents, chemicals, surgical and laboratory supplies and stores and others and are valued at lower of cost and net realizable value. Cost is determined on moving weighted average basis.

### 2.11 Provisions, contingent liability and contingent asset

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the financial statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the financial statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

### 2.12 Financial instruments

Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

### 2.12.1. Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

### 2.13 Earnings per share

Basic earnings per share are computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share and

also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

### 2.14 Operating cycle

The Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

### 2.15 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

### 2.16 Dividends

The company has not declared any dividend for the financial year 2022-2023.

### 2.17 Use of estimates and judgements

The preparation of financial statements in conformity with AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

### 2.18 Loans availed

During the year under consideration, the company has not availed any new term loan on the security of current assets and immovable property of the company. The company has only availed few business loans for day to day business operations secured by way of personal guarantees of the promoter directors.
