## **KPIT Wins 'Distinguished Partner Award' – 'Process Innovation – Complement JDE with SaaS' at the Oracle JD Edwards Summit**

**Pune, India, November 14, 2018:** KPIT Technologies (BSE: 532400; NSE: KPIT), a global technology company and Oracle Platinum level member of Oracle PartnerNetwork (OPN), today announced that it has won the **Distinguished Partner Award** in the **'Process Innovation – Complement JDE with SaaS'** category at the 9<sup>th</sup> Annual Oracle JD Edwards Summit.

The award recognizes KPIT's leadership role in process and technology innovation and its capability of maximizing customers' existing Oracle JD Edwards investments by implementing cloud technologies that complement the existing systems. The amalgamation can equip users to gain a competitive advantage, and rapidly respond to evolving business conditions and capture opportunities in their industry.

*"KPIT is honored to be recognized with the much-coveted Oracle Distinguished Partner Award for our capabilities and innovations around Oracle JD Edwards and Cloud technologies. The award demonstrates our innovation and technology expertise to strengthen Oracle JD Edwards systems by deploying cloud, so our customers can get the best out of their existing Oracle JD Edwards investments and achieve their business objectives,"* said **Baljeet Chhazal, Senior Vice President and Global Head, IES Business Unit, KPIT Technologies.**

"We congratulate KPIT on achieving Oracle's Distinguished Partner Award in the category 'Process Innovation – Complement JDE with SaaS'," said **Lyle Ekdahl, senior vice president Product Development, Oracle.** "This achievement is a testament to their innovation excellence that drives real value for the customer."

KPIT is one of the world's largest Oracle JD Edwards service providers with 150+ global implementations under its belt. The company helped businesses of multiple domains implement and manage Oracle JD Edwards for over three decades in 77 countries. With a team of 2000+ Oracle professionals, KPIT holds more than 20 Oracle Specializations and 5 Oracle Advanced Specializations.

### **About KPIT Technologies Ltd.**

KPIT (BSE: 532400, NSE: KPIT) is a global technology company specializing in providing IT Consulting and product engineering solutions and services to automotive, manufacturing, energy & utilities and life sciences companies. Together with its customers and partners, it creates and delivers technologies to enable creating a cleaner, greener and more intelligent world that is sustainable and efficient. For more information, visit [www.kpit.com](http://www.kpit.com).

## **About Oracle PartnerNetwork**

Oracle PartnerNetwork (OPN) is Oracle's partner program that provides partners with a differentiated advantage to develop, sell and implement Oracle solutions. OPN offers resources to train and support specialized knowledge of Oracle's products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to be recognized and rewarded for their investment in Oracle Cloud. Partners engaging with Oracle will be able to differentiate their Oracle Cloud expertise and success with customers through the OPN Cloud program – an innovative program that complements existing OPN program levels with tiers of recognition and progressive benefits for partners working with Oracle Cloud.
