- 15. Members attending the meeting are requested to bring with them the Attendance Slip attached to the Annual Report duly filled in and signed and handover the same at the entrance of the meeting venue.
- 16. Voting through electronic means:

A. THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

 (i) The voting period begins on Wednesday, 27th September, 2023 (9:00 a.m.) and ends on Friday, 29th September, 2023 (5:00 p.m.). During this period shareholder's of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23rd September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote evoting facility to its shareholders, in respect of all shareholder's resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Type of	Login Method
shareholders	

Individual Shareholders holding securities in Demat mode with CDSL	1. Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. NIL

II. INFORMATION ABOUT THE APPOINTEE:

(a) Background Details

Mr. Raghunandan Khandelwal, aged 56 years is a post- graduate in General Commercial Management and has more than two decades of diverse experience in his field. He is associated with the Company since 2015 and under his guidance and management the Company has come to a significant level in the map of India.

(b) Past Remuneration

Since, the Company was having losses. Therefore, has not paid remuneration during the Financial Year 2022-23.

(c) Recognition or Awards

No recognition or Awards has been received.

(d) Job Profile and his suitability

As a Managing Director of the Company he will be responsible for the overall management of the Company, subject to the superintendence, guidance and control of the Board of Directors. Taking into account his previous experience, educational background, knowledge and the nature & size of operations of the Company, he is a fit and proper person to be appointed as the Managing Director of the Company.

(e) Remuneration Proposed

Since the Company is in losses, the Company has not proposed to pay remuneration.

(f) Comparative remuneration Profile with respect to industry, size of the Company, profile of the position and person

Not Applicable

III. OTHER INFORMATION

(a) Steps taken or proposed to be taken for improvement

Improved productivity and cost control measures have been put in place. The Company has also initiated various steps to improve its operational performance.

(c) Expected increase in productivity and profit in measurable terms

Considering the prevalent volatile conditions in the steel industry, the turnover and profitability are not precisely predictable. However, based on the current business plans, strict cost control measures and continued support from all the stakeholders, the Company believes that it would be able to sustain the volatile market conditions and emerge successfully in terms of good turnover and profits in the days to come.

The Directors recommends the Special Resolution set forth in Item No. 3 of the accompanying notice, for the approval of members of the Company.

Except Mr. Raghunandan Khandelwal, none of the Directors and Key Managerial Personnel of the Company or their relative(s) is /are, in any way, concerned or interested, financially or otherwise in the said resolution.

BOARD EVALUATION

The provisions of the Companies Act, 2013 mandates formal evaluation of the Board of Directors, its Committees and individual Directors. Schedule IV of the Companies Act, 2013 also requires the performance evaluation of the Chairman, Executive Directors and Non-Executive Directors and Board as a whole to be carried out at a separate meeting by the Company's Independent Directors.

The Nomination and Remuneration Committee of the Company formulated the criteria for the evaluation of the performance of the Board of Directors, Independent Directors and the Managing Director of the Board.

A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as appropriate composition of the Board, manner in which Board Meetings are conducted, adequate information to the Board Members to consider the matter, overall effectiveness of the Board etc.

Based on that performance, valuation has been undertaken. The Independent Directors of the Company have also convened a separate meeting for this purpose.

"Annexure A to the Board's Report"

FORM NO. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31.03.2023

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members, Viksit Engineering Ltd. (CIN: L99999MH1983PLC029321)

Room No- 1-2, Kapadia Chambers, 51 Bharuch Street Masjid Bunder (E) Mumbai – 400009, (MH)

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Viksit Engineering Ltd.** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of:

- 1. The Companies Act, 2013 (the Act) and the rules made thereunder;
- 2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- 3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- 4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - Not applicable as there was no reportable event during the financial year under review;

- 5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulation, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 Not applicable as there was no reportable event during the financial year under review;
 - d. The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014 Not applicable as there was no reportable event during the financial year under review;
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 – Not applicable as there was no reportable event during the financial year under review;
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client – Not applicable as the Company is not registered as Registrar to an Issue and Share Transfer Agent during the financial year under review;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 – Not applicable as there was no reportable event during the financial year under review;
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 – Not applicable as there was no reportable event during the financial year under review;
 - i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) Listing Agreements entered into by the Company with Stock Exchanges.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above. However some forms have been filed with additional fee.

We further report that:-

 The Board of Directors of the Company was duly constituted for the period under review. However, the Company has not appointed Women Director on its board which is a non-compliance of section 149 of the Companies Act, 2013.

- 2. Out of total shareholding of promoter group, 20% of the shares are held in physical form that is not in accordance of Regulation 31(2) of the SEBI (LODR) Regulations, 2015.
- 3. The meeting of the Audit committee held on 13th August 2022 was not properly constituted as per Section 177 of the Companies Act, 2013.
- 4. The constituency & quorum of Nomination Remuneration Committee is not in accordance with the provisions of Section 178 of the Companies Act, 2013 from the date of resignation of Mr. Gyan Chand Sharma (i.e July 4, 2022) till the date of Appointment of the Mr. Rajesh Porwal (i.e September 03, 2022)
- 5. The Company has filed intimation after 24 hours of Board Meeting about the appointment and resignation of the Company Secretary of the company and therefore is in non compliance of Regulation 30 and Schedule III Part A and Para A of SEBI (LODR) Regulation, 2015.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance except for the meetings of the Board of Directors, where consent for shorter notice was obtained from all of the directors. System exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has not incurred any specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

"Annexure - C to Board's Report"

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I. <u>OVERVIEW</u>

The objective of this report is to convey the Management's perspective on the external environment and steel industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities and internal control systems and their adequacy in the Company during the financial year 2022-23. This report should be read in conjunction with the Company's financial statements, the schedules, notes thereto and other information included elsewhere in the Annual Report.

II. <u>Industry Structure and Developments</u> (Source: World Steel Association: 2023 world steel in figures)

• World Steel Scenario

Global steel sector has over the years saw a significant growth pattern, together with several challenges and shortcomings which are on the verge of becoming the strength of the industry in the near future.

- The world crude steel production has increased to around 1951 Million Tonnes (MT) in the year 2021 as per the data provided by World Steel Association, China being the top-most steel producing nation.
- The world apparent steel use per capita has decreased to around 232.8 kilograms for the CY 2021 as compared to 229.0 kilograms in the CY 2020.

Due to special emphasis on productivity and quality improvement global steel demand in 2021 increased to 6.1% as compared to 5.3% in 2020.

Indian Steel Scenario

The Indian economy stayed on a steady growth path, demonstrating strong resilience to multiple headwinds stemming from elevated inflation and a volatile global macro environment. The Indian economy is estimated to have grown by 7.2% in FY 2022-231, driven by strong private consumption, steady manufacturing and normalisation of contact-intensive services sectors. Although inflation remained above the upper band of the RBI's comfort range of 4-6% for most part of FY 2022-23, it started easing during the third and fourth quarters, as the central bank hiked its policy rates by 250 basis points cumulatively to contain inflation.

In April 2023, the RBI hit a pause to its rate hike cycle, and is widely expected to maintain it, if a benign inflationary environment persists. The Indian economy growth stems from the resilience seen in the rebound of private consumption, seamlessly replacing the export stimuli as the leading driver of growth. The uptick in private consumption has also given a boost to production activity resulting in an increase in capacity utilisation across sectors. The rebound in consumption was engineered by the near-universal vaccination coverage overseen by the government, which brought people back to the streets to spend on

contact-based services, such as restaurants, hotels, shopping malls, and cinemas, among others

Global Steel Scenario

Global steel demand was impacted by high inflation and consequent aggressive monetary policy tightening by major central banks, coupled with supply chain bottlenecks. In 2022, the developed economies experienced a significant decline in steel demand due to factors such as monetary tightening and surging energy expenditure. Following a substantial decrease of 6.2% during CY 2022, there is an anticipation of a modest rebound with a projected 1.3% increase in steel demand for CY 2023. Looking ahead to CY 2024, a more substantial recovery of 3.2% is expected. Further, the looming energy crisis in the EU led to weakened sentiment, aggravated by the fear of potential gas rationing in the absence of Russian supplies. China's steel demand contracted by 4% in 2022.

In CY 2022, total crude steel production stood at 1,885 MnT, down 3.9% y-o-y, as steel producers reduced output in response to weak demand and weak margins due to falling steel prices and elevated raw material costs. The world's largest steel producer China recorded production of 1,018 MnT, a 1.6% y-o-y decline and Japan's production fell 7.4% y-o-y to 89.2 MnT. This was partly offset by a 6.0% y-o-y increase in production to 125.3 MnT in India.

III. <u>Opportunities and Threats</u>

<u>Opportunities</u> <u>(Source: Ministry of Steel: Make in India)</u>

- During the period January to December 2021, India was the 2nd largest producer of Crude Steel in the world.
- In line with Government's announcement of various schemes like Housing for all, Jal Shakti and the resulting investments they will drive into roads, railways and other infrastructure will be major drivers for the growth of the steel sector in India.
- Government's focus on strengthening the domestic manufacturing base under the flagship "Atmanirbhar Bharat" programme. The Production Linked Incentive scheme for Specialty Steel has been introduced to boost the manufacturing sector in industries like automobile & auto components, consumer durables, solar equipment, telecom, etc. These are expected to boost steel consumption.
- Government has announced an investment of over Rs. 1 trillion in infrastructure over the next 5 years. This would be a key growth driver not only for steel industry but will also be a multiplier of growth across the sectors, boosting steel demand from sectors such as transportation, real estate and infrastructure.

• <u>Threats</u>

- Demand-Supply imbalance.
- Political, legal and regulatory risks.
- Financial Risks.

- > Depletion of high quality raw materials required for production of steel.
- Environmental concerns.
- Dumping of excess inventory in other countries by countries producing steel in abundance.

IV. <u>Outlook - Steel Sector</u>

China's re-opening, lower energy cost and easing supply chain bottlenecks are likely to lead to a ~2.3% increase (after the 2022 contraction) in global steel demand in CY 2023. Chinese steel demand is expected to grow by ~2% in CY 2023, aided by a marginal recovery in the property market. Demand in the US is expected to grow moderately by ~1% in CY 2023, supported by the infrastructure sector following the 2021 Infrastructure Law and Inflation Reduction Act. A strengthening construction sector, easing supply chain and exports could boost steel demand in Japan and South Korea. Meanwhile, India's steel demand is on track with infrastructure investments and urban consumption driving demand for automobiles and capital goods.

V. <u>Risks and Concerns</u>

The business environment in which the Company operates faces a variety of risks which may affect its operations, financial results. Many of risks are driven by the factors which are beyond the control of the Company.

Broadly, the risks are classified as under:

- Macroeconomic Risk;
- Operational Risk;
- Market Related Risk;
- Regulatory Risk; and
- Environmental Risks

Hence, adequate risk management system has been put in place by the management to ensure the success of the Company.

VI. <u>SEGMENT WISE OR PRODUCT WISE PERFORMANCE</u>

The Company operates only in one segment i.e. Trading Segment. During the period under review the Company was inoperative.

VII. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an Internal Financial Controls ('IFC') framework, commensurate with the size, scale, and complexity of the Company's operations. The Board of Directors of the Company is responsible for ensuring that IFC have been laid down by the Company and that such controls are adequate and operating effectively. The internal control framework has been designed to provide assurance with respect to recording and providing reliable financial and operational information, complying with applicable laws, safeguarding assets from unauthorised use, executing transactions with proper authorisation and ensuring compliance with corporate policies.

The Company maintains an adequate and fair system of internal control based on well established policies and procedures designed for transparent operations. The management is regular in reviewing, on periodic basis, issues and concerns that have or could have an effect on the operations, functioning or performance of the Company.

VIII. <u>MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL</u> <u>RELATIONS FRONT INCLUDING NUMBER OF PEOPLE EMPLOYED</u>

Human resource is considered as one of the key assets of an organisation as human resource is unique to a particular organisation and plays an active role in its growth.

The total number of permanent employees on roll as on 31st March, 2023 were two.

IX. <u>DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO</u> <u>OPERATIONAL PERFORMANCE</u>

A. <u>FINANCIAL PERFORMANCE</u>

During the year under review, the turnover of the Company is Nil. The financials depicting loss in the company. The loss before tax is of ₹ 558.50 Lacs as against loss of ₹ 93.50 Lacs for the previous financial year. The loss after tax is of ₹ 560.22 Lacs as against loss of Rs. ₹ 93.18 Lacs for the previous financial year.

B. <u>OPERATIONAL PERFORMANCE OF THE COMPANY</u>

During the year under review, the company had no operations.

C. <u>HEALTH, SAFETY, SECURITY AND ENVIRONMENT</u>

During the year under review, the company had no operations. Thus there was no requirement to maintain healthy, safety, security and environment.

D. CHANGES IN KEY FINANCIAL RATIOS:

During the year under review, the change in the key financial ratios as compared to previous year do not exceed 25% (Twenty Five Percent)

E. <u>CAUTIONARY STATEMENT</u>

This Management Discussion and Analysis Report, giving a brief profile of the Company along with its vision, mission, objectives, performance and future prospects and also reflecting the scenario of the industry at domestic and global level, may consist of "forward looking statements" which involve a number of risks and uncertainties that could cause actual results to differ materially from those stated. Important factors that could make a difference to the Company's operations include external economic conditions affecting demand/supply or influencing price conditions in the market in which the Company operates, changes in regulatory regime and other incidental factors.

INDEPENDENT AUDITOR'S REPORT

To, The Board of Directors of Viksit Engineering Limited CIN:- L99999MH1983PLC029321

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of Viksit Engineering Limited ("the Company"), which has its registered office at Room No-1-2, Kapadia Chambers, 51 Bharuch Street Masjid Bunder (E), Mumbai City, MH, 400009 IN, which comprises the balance sheet as at March 31, 2023, and the Statement of Profit and Loss, Statement of changes in equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its loss and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are Independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Emphasis Of Matter

1

Material Uncertainty Related to Going Concern

The company has posted a loss of Rs. 560.22 Lakhs during the year ended on March 31, 2023 and; as of that date, the current liabilities exceeded its current assets by Rs. 119.85 Lakhs and its net worth is negative Rs. 5.48 Lakhs which has resulted in complete erosion of the net worth of the company. Further, there are no regular activity/operations in the company, thereby raising doubt whether the Company will be able to continue as a going concern. In spite of these events or conditions which may cast a doubt on the ability of the company to continue as a going concern the management is of the opinion that the going concern basis of accounting is

Appropriate in view of that management is exploring the new area of business. However, our opinion is not modified in this matter.

S. Ramanand Aiyar & Co. CHARTERED ACCOUNTANTS

Key audit matters

Ē

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

iii Nitia

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
 that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are
 also responsible for expressing our opinion on whether the company has adequate internal financial
 controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that

may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

- i. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- ii. As required by Section 143(3) of the Act, we report that:

e.

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The company has informed that it has no operational branch which requires Audit u/s 143 (8) of the Act;
- d. The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;
- e. In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- f. On the basis of the examination of the Books of Account and other records shown to us for the purpose of the Audit and other such documents asked during the course of the audit, the auditor has no observation or adverse comment, apart from those mentioned in the relevant paras if any, on the financial transactions or matters which may have any adverse effect on the functioning of the company.
- g. On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
- h. On the basis of the examination of the Books of Account and other records shown to us for the purpose of the Audit and other such documents asked during the course of the Audit, the Auditor found no material reason to report any qualification, reservation or adverse remark relating to the maintenance of accounts and other matters connected therewith, apart from the matters already mentioned in the relevant paras if any.
- i. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B"; and

j. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

S. Ramanand Aiyar & Co. CHARTERED ACCOUNTANTS

The following are the particulars of the default made:

X.

144

XI.

(b) According to the information and explanations given to us, Company has not been declared as willful defaulter by any bank or financial institution or any other lender;

(c) According to the information and explanations given to us, the Company has not obtained any Term Loans during the year; hence, this clause is not applicable.

(d) According to the information and explanations given to us, the funds are not raised on a short-term basis.

(e) According to the information and explanations given to us, the company does not have subsidiary, associates or joint ventures, hence not applicable.

(f) According to the information and explanations given to us, the company does not have subsidiary, associates or joint ventures, hence the clause is not applicable.

(a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph (x) of the order is not applicable.

(b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.

(a)Based on examination of the books and records of the Company and according to the information and explanations given to us, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.

(b) According to the information and explanations given to us, no report under subsection (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

- XII. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph (xii) of the order is not applicable.
- XIII. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- XIV (a) In our opinion and based on our examination the company has an internal audit system commensurate with the size and nature of its business.

(b) We were unable to obtain the internal audit report of the company, hence the internal audit reports have not been considered.

- XV According to the information and explanations given to us the Company has not entered into any non-cash transactions with directors or persons connected with him during the financial year; hence the provisions of section 192 of the Act, are not applicable.
- XVI. (a) According to the information and explanations provided to us, the company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and hence this clause is not applicable to the Company.
 - (b) The Company is not an NBFC hence the reporting in this clause is not applicable.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the clause is not applicable.

(d) According to the information and explanations provided to us during the course of audit, the Company does not have any CIC. Accordingly, the clause is not applicable.

- XVII The Company has incurred cash losses in the current financial year 2022-23 amounting to Rs. 9.90 Lakhs. There were no cash losses in the previous year.
- XVIII There has been no resignation of the statutory auditors during the year. Hence reporting under this clause is not applicable.
- XIX According to the information and explanations given to us and on the basis of financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, circumstances included in MATERIAL UNCERTAINTY paragraph of our main audit report, causes us to believe that material uncertainty exists as on the date of the audit report that the company is not capable of, meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- XX. (a) According to the information and explanations given to us, in respect of other than ongoing projects, and transfer of unspent amount to a Fund specified in Schedule VII to the Companies Act in

compliance with second proviso to sub-section (5) of section 135 of the said Act are not applicable to the company.

(b) According to the information and explanations given to us, the company is not required to transfer any amount to special account in compliance with provision of sub-section (6) of section 135 of the said Act.

XXI

According to the information and explanations given to us, the company does not make any consolidation financial statement hence this clause is not applicable.

Annexure "B" to the Independent Auditor's Report

(Referred to in paragraph 2 under 'Report on other legal and regulatory requirements' section of our report to the members of Viksit Engineering Limited of even date)

Report on the Internal Financial Controls under Clause (I) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("The Act")

We have audited the internal financial controls over financial reporting of Viksit Engineering Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Financial Statements was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with references.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Financial Statements.

Meaning Of Internal Financial Controls over Financial Reporting With Reference To These Financial Statements

A company's internal financial control over financial reporting with reference to these Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the

preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting With Reference To These Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Financial Statements and such internal financial controls over financial reporting with reference to these Financial Statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. SIGNIFICANT ACCOUNTING POLICES

A. CORPORATE INFORMATION

VIKSIT ENGINEERING LIMITED ('the Company') is a Limited Company, domiciled in India and incorporated under the provision of the Companies Act, 1956 having its registered office at Room No-1-2, Kapadia Chamber, 51 Bharuch Street Masjid Bunder (E), Mumbai City, MH, 400009 IN and listed on the Bombay Stock Exchange (BSE). The company is registered with the Ministry of Corporate Affairs. The registration details are as follows:

Corporate Identity Number (CIN) - L999999MH1983PLC029321

The financial statements of the Company for the year ended March 31, 2023 were approved for issue in accordance with the resolution of the Board of Directors on May 29, 2023.

B.1 ACCOUNTING POLICIES

a) Basis of Preparation and Presentation

The Financial Statements have been prepared to comply with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013.

The Financial Statements are presented in Indian Rupees and all values are rounded to the nearest lakhs (00,000) except when otherwise indicated.

B.2 Summary of Significant Accounting Policies

a) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification. An asset is treated as Current when it is –

- Expected to be realized or intended to be sold or consumed in normal operating cycle;

- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

- A liability is current when:
 - It is expected to be settled in normal operating cycle;
 - It is held primarily for the purpose of trading;
 - It is due to be settled within twelve months after the reporting period, or
 - There is no unconditional right to defer the

b) Revenue Recognition

i) The Company generally follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis except those with significant uncertainties.

ii) Claims made by the Company and those made on the company are recognized in the profit and loss Account as and when the claims are accepted.

c) Property, Plant and Equipment (PPE)

Measurement at recognition:

- i. Property plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount.
- ii. All property, plant and equipment are initially recorded at cost. Cost comprises acquisition cost, borrowing cost if capitalization criteria are met, and directly attributable cost of bringing the asset to its working condition for the intended use.
- iii. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefit associated with these will flow with the Company and the cost of the item can be measured reliably.
- iv. Any gain or loss on disposal of an item of property, plant and equipment is recognized in statement of profit and loss.
- v. The Company has opted to elect to continue with the carrying value for all its property, plant and equipment as recognized in the financial statements as at the date of transition to IND AS, measured as per the previous GAAP and use that as its deemed cost as at the date of Transition.

Depreciation:

i. Depreciation provided on property, plant and equipment is calculated on a Straight-Line Method (SLM) basis using the rates arrived at based on the useful lives estimated by management.

- ii. Depreciation on assets is provided on a Straight-Line Method (SLM) as per the rates prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions to fixed assets is provided on a pro-rata basis from the date the asset is available for use. Depreciation on sale / deduction from fixed assets is provided for up to the date of sale / deduction / scrapping.
- iii. The residual values, estimated useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each financial year and changes if any, are accounted for on a prospective basis.

The Company has elected to measure all its property, plant and equipment at the previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

d) Financial Instruments

The Company recognizes all the financial assets and liabilities at its fair value on initial recognition; In the case of financial assets not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset are added to the fair value on initial recognition. The financial assets are accounted on a trade date basis.

- For subsequent measurement, financial assets are categorized into:
 - **Amortized cost:** The Company classifies the financial assets at amortized cost if the contractual cash flows represent solely payments of principal and interest on the principal amount outstanding and the assets are held under a business model to collect contractual cash flows. The gains and losses resulting from fluctuations in fair value are not recognized for financial assets classified in amortized cost measurement category.

Fair Value through Other Comprehensive Income (FVOCI): The Company classifies the financial assets as FVOCI if the contractual cash flows represent solely payments of principal and interest on the principal amount outstanding and the Company's business model is achieved by both collecting contractual cash flow and selling financial assets. In case of debt instruments measured at FVOCI, changes in fair value are recognized in other comprehensive income. The impairment gains or losses, foreign exchange gains or losses and interest calculated using the effective interest method are recognized in profit or loss. On derecognition, the cumulative gain or loss previously recognized in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. In case of equity instruments irrevocably designated at FVOCI, gains / losses including relating to foreign exchange, are recognized through other comprehensive income. Further, cumulative gains or losses previously recognized to profit or loss on derecognized in other comprehensive income.

Fair value through profit or loss (FVTPL): The financial assets are classified as FVTPL if these do not meet the criteria for classifying at amortized cost or FVOCI. Further, in certain cases to eliminate or significantly reduce a measurement or recognition inconsistency (accounting mismatch), the Company irrevocably

designates certain financial instruments at FVTPL at initial recognition. In case of financial assets measured at FVTPL, changes in fair value are recognized in profit or loss.

Profit or Loss on sale of investments is determined based on first-in-first-out (FIFO) basis.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, if market participants act in their economic best interest.

A fair value measurement of a non-financial asset considers a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as summarized below:

Level 1 - The fair value hierarchy have been valued using quoted prices for instruments in an active market.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs that are not observable and the unobservable inputs have a significant effect on the instrument's valuation.

Based on the Company's business model for managing the investments, the Company has classified its investments and securities for trade at FVTPL. Investment in subsidiaries is carried at deemed cost (previous GAAP carrying amount) as per Ind AS 27.

Impairment of financial assets: In accordance with Ind AS109, the Company applies Expected Credit Loss model (ECL) for measurement and recognition of impairment loss. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. At each reporting date, the Company assesses whether the loans have been impaired. The Company is exposed to credit risk when the customer defaults on his contractual obligations. For the computation of ECL, the loan receivables are classified into three stages based on the default and the aging of the outstanding.

If the amount of an impairment loss decreases in a subsequent period, and the decrease can be related objectively to an event occurring after the impairment was recognized, the excess is written back by reducing the loan impairment allowance account accordingly. The write-back is recognized in the statement of profit and loss.

The Company recognizes life time expected credit loss for trade receivables and has adopted the simplified method of computation as per Ind AS 109.

For subsequent measurement, financial liability is categorized into:

All financial liabilities are initially recognized at fair value net of transaction cost that are attributable to the separate liabilities. All financial liabilities are subsequently measured at amortized cost using the effective interest method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for- trading and are not designated as at FVTPL are measured at amortized cost. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortized cost of a financial liability.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issuecosts.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

e) Employee Benefits

a) short term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss Account of the year in which the related service is rendered.

b) Termination benefits are recognized as an expense as and when incurred.

f) Borrowing Costs

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalized as a part of such assets. All other borrowing costs are charged to revenue. A qualifying asset is an asset that necessarily requires substantial period to get ready for its intended use or sale.

g) Cash Flow Statement

Cash flow statement has been prepared in accordance with the indirect method prescribed in Indian Accounting Standard 7- Statement of Cash Flow issued by the Institute of Chartered Accountants of India.

h) Investments

Investments held as long-term investments are stated at Fair market value through FVTPL. Investment in unquoted shares of related parties is carried at Amortized cost as per IND AS 27.

i) Taxes on Income

a) Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961/ relevant tax regulations applicable to the Company.

Current tax assets and liabilities are offset only if, the Company:

-The entity has legally enforceable right to set off the recognized amounts; and

-Intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b) Minimum Alternate Tax (MAT), if paid, in accordance with the tax laws, which give future economic benefits in the form of adjustment to future income tax liability, is considered as an asset, if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

c) Deferred Tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred Tax Assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilized.

Deferred tax assets and liabilities are offset only if:

a) The entity has legally enforceable right to set off current tax assets against current tax liabilities; and

b) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

Deferred Tax Liabilities and Assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

j) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

Contingent liabilities disclosed for possible obligation which will be confirmed only by future events not wholly within the control of the Company or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are neither recognized nor disclosed in the financial statements.

k) Earnings Per Share

Basic Earnings per Share is calculated by dividing the net profit after tax by the weighted average number of equity shares.

Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement include cash in hand, balances with the banks and short-term investments with an original maturity of three months or less, and accrued interest thereon.

18	Financial Instruments						
10	rinancial instruments						
19.1	Financial risk management obje	ctives and policies					
		panies activities expose it to the varie					
		management policy which covers the					pilities such as
	interest rate risks and credit risks.	The risk management policy is appro-	oved by the board of d	irectors. The following	is the summary of the	main risks:	
(-)							
(a)	Market risk Market risk is the risk that change	s in market prices, such as foreign e	change rates (currend	v risk) and interest rat	es (interest rate risk)	will affect the cor	nanies income
		nstruments. The objective of market					
	while optimizing the return.	5	5	5	I I		, i
	Interest rate risk						
		r value or future cash flow of a financ	ial instrument will fluct	ate because of change	es in market interest ra	ate. Fair value inte	erest rate risk is
		fixed interest bearing financial instrur					
	future cash flows of floating interest	st bearing financial instrument will flue	ctuate because of fluct	uations in the interest r	ates.		
	The Company's exposure to the ris	sk of changes in market interest rate	s relates primarily to th	e borrowing from bank	s Currently company	is not using any r	nitigating factor
	to cover the interest rate risk.		b related primarily to t	ie beirewing nom bank	o. ouronay company	is not using any i	inigating factor
		Γ	A				
	Particulars	As at 31st March, 2023	As at 31st March, 2022				
	Interest rate risk exposure		2022				
	Borrowings from Financial						
	Institution	98.25	110.00				
	Total borrowings	98.25	110.00				
	Interest rate sensitivity	e been determined based on exposur	a to interact rates for	corrowing at the and o	the reporting period a	and the stinulated	chango taking
		cial year and held constant throughout					
		er variables were held constant, the e					
	profit in that financial year would h	ave been as below:					
			[
	Parti	iculars		For the Year Ended			
			31st March 2022	31st March 2023			
	Impact on Profit or Loss for the ye	ear (decrease)	0.98	1.10			
	Impact on Profit or Loss for the ye	ear (Increase)	-0.98	-1.10			
(h)	Credit risk						
(b)							
	Credit risk is the risk that arises fro	om the possibility that the counterpar	ty will not meet its obli	gations under a financi	al instrument or custon	ner contract, lead	ing to a financial
		o such risk, principally consist of trad	e receivables, Investm	ents and loans and adv	ances. None of the fin	ancial instrument	s of the
