Management Discussion and Analysis

Company Overview:

The Company is asset finance company focusing on rural, semi-urban & other under banked geographies of Gujarat, Maharashtra & Madhya Pradesh.

Company has conceptualized simple, speedy, small ticket asset financing products with high yields.

With a network of 42 branches, we offer wide range of customized retail products such as financing two wheelers, auto rickshaw, cars & consumer durables.

Key Competitive Advantages:

- Robust and comprehensive Credit assessment and Risk management framework.
- Significant presence in Rural and Semi-urban markets with focus on low and middle income customers.
- Deep customer insight and strong business model.
- Strong Balance sheet.
- Easy and fast appraisal and disbursements makes Shalibhadra the preferred choice for many of its customers.
- Flexible repayment options aligned to the unique needs of customers.

Risk Management:

- The Company is exposed to high credit risk given the unbanked rural customer base. The Company manages credit risk through customized credit norms established through adequate experience in this line of business. Deep insight about the nature of borrowers and a strong business model reduces the risk of default significantly. Moreover, the advances being retail loans are spread over a large customer and geographic base.
- There may be drastic economic slowdown in demand for the two wheelers. However, company is confident to growing business due to withdrawal of NBFC's /Bank from this sector coupled with company's diversified business portfolio and customer reach.
- There is always a greater difficulty of seizing NPA assets from rural area due to non-co-operation of customers and local community pressure. Company has mitigated this risk to a great degree by keeping average loan size small, financing a maximum of 75% of vehicle cost, adapting a robust hypothecation policy and collaborating with local business partners.

- Shortage of skilled manpower in the local areas of operation poses a considerable risk. To counter this, the company strives to attract and retain the best talent from local markets, adopts a robust performance management system, employee engagement and training practices to create an inspiring and rewarding work environment.
- However, a major slowdown in economy, fluctuation in interest rates, liquidity availability, extra-ordinary increase in fuel prices or vehicle taxes, floods or such calamities can drastically affect growth and asset portfolio in non-urban segments.

Operations & Control Systems:

Shalibhadra Finance Limited has a very good presence in Gujarat and Maharashtra, being *"the dominant player"* in its segment of financing 2 wheelers in rural, semi-rural and under banked areas. Company operates in small towns, villages and city outskirts where the customer is not very literate and highly unorganized. With its grip on the right pulse of the market segment in question, the Company has mastered the art of keeping excellent relations with its clients without compromising on growth and bottom-line, resulting in return business and word of mouth publicity.

The Company has tie up's with various dealers, brokers and service station spread around 50 km range of each branch from where regular business is generated.

Company also believes that normal collection through post dated cheques / ECS / NACH will not work in rural areas due to poor banking habits & less banking penetration. Therefore the company has tied up with various Co-operative banks to collect on behalf of company which has received good response from customers.

Company does not operate on franchise or DSA model but put up its own branches in owned premises. The company thinks that this small loan business is highly service oriented & requires physical presence & cannot be done from a long distance. We have to be physically present & be face-to-face to give service to rural borrower. Company covers up to 50 km. of area from each branch to keep its high standard of service & be in touch with customers directly.

Company employs local rural people who know local market well, know local language properly & can easily establish good relationship with local customers. This also helps in keeping employee cost down and attrition rate low.

Shalibhadra Finance Limited have a reasonably de-centralized decision making system with the first contact employee empowered to initiate sanction of loans under supervision of branch heads upto certain amounts. All disbursements of loan are done from head office. All branches are fully computerized and are linked on line.

Once loan is sanctioned there is strong MIS system which is centralized at head office. Monthly reporting system of all overdues and follow-ups with customers are in place. All documents pertaining to hypothecation are kept at branches. NOC are sent from Head office. The company has also got all its documents digitized by an outside agency.

People having extremely low income are served by Microfinance institutions. The company does not target them as they usually do not have means / income to buy any vehicles. The company wants to finance people who are in slightly higher income bracket.

Company has started financing white goods in rural areas. Due to heavy competition from large NBFCs, company will not be able to grow this business. Company has also started financing old 3/4 wheelers.

The company has got rating renewal of BBB- (Stable) from ICRA. This will help in raising funds at cheaper rate.

Company successfully expanded in the state of Madhya Pradesh this year. Company is trying to increase geographical presence. It is planning to open new branches in Maharashtra & further expand in Madhya Pradesh this year.

Company has also recently implemented new software which has improved efficiency.

Future Outlook:

Due to withdrawal by Banks /NBFC from Two wheelers financing business we have great opportunity to tap this market

The Indian rural landscape is rapidly changing, presenting various growth opportunities. The rural customer (>75% of the population) is becoming more market savvy, and aspires for a higher life quality. Objective of the company is to grow its customer base to over 1,05,000 customers, 50 branches and a vehicle finance portfolio of Rs 150 crores by March 2024.

Shalibhadra Finance Limited plans to concentrate further on smaller but upcoming towns to avoid margin competition. Customers of the company are generally

salaried class, agriculturist and self-employed. This industry is growing in double figure rates and competition from other NBFC's and banks is practically non-existent due to relatively small & wide market and high service oriented business.

Human Resource

Company believes in taking care of its employees and ensuring that their career aspirations are met through professional growth, personal development and fair economic rewards.

With a very low attrition rates, company is focused in creating a happy & engaged workforce

Independent Auditors Report

To,
The Members of,
SHALIBHADRA FINANCE LIMITED
Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS Financial statements of SHALIBHADRA FINANCE LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Cash Flow Statement for the year ended and a summary of significant accounting policies and other explanatory information (herein after referred to as "Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed u/s 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the State of Affairs of the Company as at 31st March, 2023, the Profits and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the company in Accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provision of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	How the matter was addressed in our report
<u>Revenue Recognition:</u> Income/ Interest from vehicle loan are accounted for on an accrual basis and are recognized so as to produce a constant periodic return on the amount financed.	We have verified the income / interest on the loans sanctioned on a quarterly basis and it is accounted regularly on mercantile basis
<u>Sanctioning of Loans:</u> The Company is mainly in the business of Auto finance to Customers for personal use, wherein grant of loan is based on personal evaluation of the borrower by the management and security given by hypothecation of the vehicle with RTO registration authority. Bank Finance is availed on the stock in trade of receivables from the Customers in regular course of business	We have checked the control system of authorization, sanction of loans, the security offered to the Company and down payment made by the Customer. There is no excess amount availed from the banks against eligible stock in trade.

Information Other than the Financial Statements and Auditors Report thereon

The Company's Board of Directors is responsible for the other information. The Other information comprises the information included in the Directors Report Management discussion & Analysis and Business responsibility report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the financial statements or our knowledge obtained during the course of audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("The Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of changes in Equity dealt with by this Report are in agreement with the books of account
 - d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the relevant rule issued thereunder

ANNEXURE B TO THE AUDITORS REPORT

Independent Auditors Report on Internal Financial Control over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SHALIBHADRA FINANCE LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:-

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to

the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on Ind AS Financial Statements

for the year ended 31st March, 2023

NOTE 1 - Significant Accounting Policies

A) Background

SHALIBHADRA FINANCE LIMITED ("the Company") is a public Company domiciled in India and incorporated under the provisions of Companies Act, 1956. The Company is incorporated with an object to carry on the business of Financing. The Company's shares are listed on Bombay Stock Exchange (BSE) in India. The Company is registered as NBFC with The Reserve Bank of India (Asset Finance Company)

B) Basis of Preparation

I. Statement of compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time. For all periods up to and including the year ended 31st March 2018, the Company had prepared its financial statements in accordance with the Accounting Standards notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules 2014 (referred as "Indian GAAP"). Thereafter the Company's annual financial statements are prepared complying in all material respects with the Ind AS notified under Section 133 of the Companies Act, 2013.

The Company has consistently applied the accounting policies used in the preparation of its opening Ind AS Balance Sheet at 1st April 2018 throughout all periods presented, as if these policies had always been in effect and are covered by Ind AS 101 "First-time adoption of Indian Accounting Standards".

II. Going concern

These financials are prepared on going concern as the Company has earned profits during the year and in the preceding previous years;

III. Fair value measurement

Fair value is the price that would be received on selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair values, as applicable, have been determined for measurement and / or disclosure purpose using methods as prescribed in "Ind AS 113 Fair Value Measurement".

IV. Use of significant accounting estimates, judgement and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosure of contingent liabilities as on the date of financial statements and reported amounts of income and expenses for the periods presented. The Company based its assumptions and estimates on parameters available when the financial statements were prepared.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Estimates and Assumptions

In preparing these financial statements, the management has made judgments, estimates and assumptions which are prudent and reasonable.

Key assumptions concerning the future and key sources of estimation at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are described below.

Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

V. Presentation and disclosure of financial statement

All assets and liabilities have been classified as current and non-current as per Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013 for a company whose financial statements are made in compliance with the Companies (India Accounting Standards) Rules, 2015.

Based on the nature of products / services and time between acquisition of assets for processing / rendering of services and their realization in cash and cash equivalents, operating cycle is less than 12 months, however for the purpose of current/ non- current classification of assets and liabilities, period of 12 months have been considered as its normal operating cycle.

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

VI. Property, Plant and Equipment and Depreciation

Recognition and measurement

Under the previous GAAP, property, plant and equipment were carried at historical cost less depreciation and impairment losses, if any. On transition to Ind AS, the Company has availed the optional exemption under Ind AS 101 and accordingly it has used the carrying value as at the date of transition i.e. 1st April 2018 as the deemed cost of the property, plant & equipment under Ind AS.

Properties plant and equipment are stated at their cost of acquisition. Cost of an item of property, plant and equipment includes purchase price including non-refundable taxes and duties, borrowing cost directly attributable to the qualifying asset, any costs directly attributable to bringing the asset to the location and condition necessary for its intended use and the present value of the expected cost for the dismantling/decommissioning of the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Capital work-in-progress comprises of cost incurred on property, plant and equipment under construction / acquisition that are not yet ready for their intended use at the Balance Sheet Date.

Depreciation and useful lives

Depreciation on the property, plant and equipment (other than freehold land and capital work in progress) is provided on a straight-line method (SLM) over their useful lives which are in consonance of useful life mentioned in Schedule II to the Companies Act, 2013. Depreciation in respect of fixed assets put to use during the year is provided on a pro-rata basis with reference to the date of installation of assets

VII. Inventories

Inventory for the Company is the total Loan Outstanding on Vehicle Loan.

In the opinion of the management, 2/3rd of the loan stock is classified as current & 1/3rd is classified as non-current.

VIII. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government and discounts given to the customers. The Company has applied the guidelines mentioned in Ind AS 18 for Revenue Recognition.

Interest on Vehicle Loans

Income / Interest from vehicle loan is accounted for on an accrual basis and is recognized so as to produce a constant periodic return on the amount financed. Interest on fixed deposits with Bank on cash basis

Other Income

In respect of other heads of income the Company follows the practice of accounting for such income on accrual basis except for interest income on delayed payment charges which are accounted on the basis of the certainty of collection and /or receipt basis.

IX. Taxes on income

Tax expense comprises current and deferred tax. Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961.

The deferred tax resulting from timing difference between taxable and accounting income is accounted using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred Tax asset is recognized and carried forward only to the extent that there is virtual certainty that the asset will be realized in future.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

X. Investments in equity instruments at FVTOCI

The quoted and unquoted Equity investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the „Reserve for equity instruments through other comprehensive income“. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

There are no equity investments which are held for trading.

XI. Cash and cash equivalent

Cash and cash equivalents include cash in hand, bank balances, deposits with banks (other than on lien) and all short term and highly liquid investments that are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

For the purpose of cash flow statement, cash and cash equivalent as calculated above also includes outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

XII. Cash flow statement

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

XIII. Provisions, contingent liabilities, contingent assets

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made.

The Company does not recognize a contingent asset but discloses its existence in the financial statements if the inflow of economic benefits is probable. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

XIV. Earnings per share

Basic earnings per share are computed using the net profit for the year attributable to the shareholders" and weighted average number of shares outstanding during the year. The weighted average numbers of shares also includes fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is receivable (generally the date of their issue) of such instruments.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder" and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

Prudential Norms

In terms of guidelines issued by Reserve Bank of India to Non Banking Financial Companies on prudential norms for income recognition, assets classification, provisioning for Bad Debts etc., the following additional information is given. No new provisions for non-performing assets are required in current year.

Contingent Provision is made against standard Assets at the rate of 0.25% of standard assets made as per RBI Circular No. DNBS. PD. CC. No. 207/03.02.002/2010-11 dated 17 January, 2011.

Other additional information forming part of Financial statements

1) Impact of Covid-19 pandemic on operations of the company pursuant to SEBI Circular No. SEBI/HO/CFD/CMDI/CIR/P/2020/84 dated May 20, 2020:

In accordance with the board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines relating to „COVID-19 - Regulatory Package", the Company has granted moratorium on the payment of installments falling due between March 1, 2020 and August 31, 2020 to all eligible borrowers.

Majority of company's customers are agriculturists and farmers in rural areas. The pandemic has not materially impacted the cash flows of these customers. Based on assessment by the Company, this moratorium will not significantly increase the credit risk faced by the company.

During the initial period of lockdown, offices of the company were shut in line with government directives. During this period, no disbursements were done however collections continued as the banks remained functional throughout the period. With recent relaxations given by government, offices of the company have resumed work with limited staff.

2) **Contingent Liability :**

During the year Income Tax authorities have raised demand of Rs. 7.79 crores for AY 2017-18 by making addition to our income of Rs. 7.78 crores being total amount of EMI deposited by our 26,376 customers (Average deposit per customer Rs. 2,954) directly in our various bank accounts in normal course of business at various bank branches during demonetization period assuming that they are all unexplained deposit of SBNs (500/1000 notes). Company has preferred an appeal against the order which is pending with CIT (Appeals). Company has also got order from income tax department for abeyance of demand till final outcome of appeal. Company has paid Rs 40 lacs on account. Company is advised by our consultant that it has very strong case and is confident of getting favorable order. As per advice of our consultant we will not make any provision in the books till final outcome of appeal.

- 3) The Company is having many bank accounts of various branch offices of the Company wherein customers deposit their EMI directly in the closest bank branch. There is a delay in receiving the customer-wise details from the banks. Thus, bank reconciliation of bank accounts is under progress since it is carried out by the account staff manually and there is high volume of transaction.
- 4) Deferred Tax Asset, other than unabsorbed depreciation and brought forward losses, is recognized only if there is reasonable certainty that will be realized in future and are reviewed for their appropriateness
- 5) In the opinion of the Board of Directors the current assets, loans and advances have a value of realization in the ordinary course of business at least equal to the amount of which these are stated in the Balance Sheet.
- 6) Other information required by relating to exports, imports and earning in foreign currency, remittances in foreign currency transaction are not applicable.
- 7) The company considers it's financing business as single segment hence IND-AS 108 on segment reporting is not applicable to the company.

6. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
7. In all correspondence with the Company, the members are requested to quote their members folio numbers and in case their shares are held in dematerialized form, quote their client ID Number and their DPID Number.

Explanatory Statement pursuant to section 102(1) of the Companies Act, 2013

ITEM NO. 4

The following Explanatory Statement pursuant to section 102(1) of the Companies Act, 2013 (“the Act”), sets out all material facts relating to the business of the accompanying Notice.

In terms of the provisions of section 180(1)(c) of the Act, the Board of Directors of a company cannot borrow moneys in excess of the amount of the paid-up capital of the company and its free reserves without the approval of the Members by way of a Special Resolution.

In order to further expand its business and to meet increased financial needs for the budgeted disbursements, it is proposed to enhance the borrowing limits of the Company to Rs. 190 crores.

The Company may be required to secure some of the borrowings by creating mortgage/charge on all or any of the movable or immovable properties of the Company in favour of the lender(s) in such

form, manner and ranking as may be determined by the Board of Directors of the Company from time to time, in consultation with the lender(s). In terms of section 180(1)(a) of the Act any proposal to sell, lease or otherwise dispose of the whole, or substantially the whole, of any such undertaking requires the approval of the Members by way of a Special Resolution.

Accordingly, the consent of the Members is being sought for the enhancement of the borrowing limits and to secure such borrowings by mortgage/charge on any of the movable and/or immovable properties and/or the whole or any part of the undertaking(s) of the Company as set out in Special Resolution appended to this Notice. The Board recommends the passing of the Resolution as a Special Resolution. Your approval is sought for passing the Special Resolution as set out in this Notice. None of the Directors, Key Managerial Personnel of the Company and their relatives are in any way, concerned or interested, financially or otherwise, in the Resolution except to the extent of their shareholding interest, if any, in the Company.
