Hetal Khalpada Chairman

DIN: 00055823

Registered Office:

209-210, Arcadia Building, 195, Nariman Point, Mumbai – 400 021.

NOTES:

- 1. Paragraph 1.2.5 of the Secretarial Standard on General Meetings, in respect of the Director seeking re-appointment at the AGM are annexed hereto.
- 2. The Ministry of Corporate Affairs ("MCA") has, vide its General Circular Nos. 14/2020, 17/2020, 20/2020, 02/2021, 20/2021, 21/2021, 3/2022, 10/2022 dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021, December 14, 2021, May 5, 2022 and December 28, 2022 respectively, (collectively referred to as "MCA Circulars") and Securities Exchange Board of India ("SEBI") vide its Circular No. SEBI/HQ/CFD/ CMD2/CIRP/P/2022/62 dated May 13, 2022 & Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 and other applicable notifications in this regard have permitted convening the AGM through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without physical presence of the members at a common venue till September 30, 2023. Accordingly, the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.
- 3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since 40th AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the 40th AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
 - However, in pursuance of Sections 112 and 113 of the Act, Corporate Members are entitled to appoint their authorized representatives to attend the AGM through VC/OAVM on their behalf and to vote through electronic means.
- 4. As per the provisions under the MCA Circulars, Members attending the 40th AGM through VC shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
- In terms of Section 136 of the Companies Act, 2013 (the 'Act') read with the rules made thereunder, Regulation 36 of the Listing Regulations and in terms of MCA circular dated May 5, 2022 and December 28, 2022 and SEBI circular dated May 13, 2022 and January 5, 2023 the listed companies may send the notice of e-AGM and the annual report, including financial statements, boards' report, etc. by electronic mode in case the meeting is conducted through VC/OAVM. Accordingly, Notice of the 40th AGM along with the Annual Report for the year 2022-23 are being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories unless the Members have requested for a physical copy of the same. Members may note that this Notice and Annual Report 2022-23 will also be available on the Company's website at www.winrocommercial.com and websites of BSE Limited at www.bseindia.com and on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
- 6. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Regulation 44 of the Listing Regulations (as amended), and the Circulars issued by the Ministry of Corporate Affairs, the members are provided with the facility to cast their vote electronically, through the e-voting services provided by NSDL, on all the resolutions set forth in this Notice. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The instructions for participation by Members are given in the subsequent paragraphs. Participation at the AGM through VC shall be allowed on a first-come-first-served basis.
- 7. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.
- 8. The Company has provided the facility to Members to exercise their right to vote by electronic means both through remote e-voting and e-voting during the AGM. The process of remote e-voting with necessary user id and password is given in the subsequent paragraphs. Such remote e-voting facility is in addition to voting that will take place at the 40th AGM being held through VC.
- 9. Members joining the meeting through VC, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC but shall not be entitled to cast their vote again.
- 10. Corporate Members are required to send email of certified copy of the Board resolution to the Scrutinizer at njawasa@yahoo.co.in with a copy marked to evoting@nsdl.co.in authorizing their representative to attend the AGM through VC and vote on their behalf.
- 11. Members who have not registered their e-mail address are requested to register the same in respect of shares held in electronic form with the Depository through their Depository Participant(s) and in respect of shares held in physical form by writing to the Company's Registrar and Share Transfer Agent, TSR Consultants Private Limited at C-101, 1st Floor, 247 Park, Lal Bahadur Shastri Marg, Vikhroli West, Mumbai- 400 083 or may write to company secretary at winro.investor@gcvl.in.

- 12. In case of joint holders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
- 13. All documents referred to in the accompanying Notice and the Explanatory Statement shall be available for inspection electronically. Members seeking to inspect such documents can send an email to winto.investor@gcvl.in.
- 14. Further, as required under Regulation 36(3) of the Listing Regulations and the provisions of the Secretarial Standard on General Meetings, details of the director, who is being appointed/re-appointed is annexed hereto. The Company has received the requisite consents/declarations for the appointment/ re-appointment under the Companies Act, 2013 and the rules made thereunder.
- 15. Members are requested to send all their documents and communications pertaining to shares to TSR Consultants Private Limited at C-101, 1st Floor, 247 Park, Lal Bahadur Shastri Marg, Vikhroli West, Mumbai- 400 083, (Maharashtra), Telephone: +91-8108118484, Fax: +91-22-66568494 for both physical and demat segments of Equity Shares. Please quote on all such correspondence- "Unit Winro Commercial (India) Limited."
- 16. Members holding physical securities in the Company are requested to furnish/update their KYC viz., PAN, Nomination, Contact details, Bank A/c details and Specimen signature by submitting Form ISR-1, Form ISR-2 and Form No. SH-13/ Form ISR 3, as SEBI vide its circular SEBI/HO/MIRSD/ MIRSD-PoD-1/P/CIR/2023/37 dated March 16, 2023 states the folios wherein any one of the above cited are not available on or after October 01, 2023, shall be frozen by the RTA. The RTA shall revert the frozen folios to normal status only upon receipt of all the documents/details. If the folios continue to remain frozen as on December 31, 2025, they shall be referred by the RTA / Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002. The link for downloading the forms is available on the Company's website https://www.winrocommercial.com/investor-services.asp
- 17. SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_ RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the Listed Companies to issue securities in demat form only while processing service requests viz. Issue of duplicate securities certificate; claim from Unclaimed Suspense Account; Renewal/ Exchange of securities certificate; Endorsement; Sub-division/Splitting of securities certificate; Consolidation of securities certificates/folios; Transmission and Transposition. Accordingly, members are requested to make service requests by submitting a duly filled and signed Form ISR 4, the format of which is available on the Company's website under the web link at

https://www.winrocommercial.com/investor-services.asp

Benefits of Dematerialization: Shares held in dematerialized form have several advantages like immediate transfer of shares, faster settlement cycle, faster disbursement of non-cash corporate benefits like rights, etc., lower brokerage, ease in portfolio monitoring, etc. In view of the above and to eliminate the risks associated with physical shares, members holding equity shares of the Company in physical form are requested to kindly get their equity shares converted into demat/electronic form to get inherent benefits of dematerialization and also considering that physical transfer of equity shares/ issuance of equity shares in physical form have been disallowed by SEBI.

Members may note that, in terms of the Listing Regulations equity shares of the Company can only be transferred in dematerialized form.

To support "Green Initiative", Members who have not registered their e-mail addresses are requested to register the same with M/s. TSR Consultants Private Limited/ their Depository Participants, in respect of shares held in physical or electronic mode respectively.

- 18. Loss of Shares: In case of loss/misplacement of share certificates, members should immediately lodge a complaint/FIR with the police and inform the Company's Registrar and Transfer Agent, Integrated for the procedure of obtaining the duplicate share certificates.
- 19. Nomination Facility: As per the provisions of Section 72 of the Act and Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014, as amended, members holding shares in physical form may file nomination in the prescribed Form SH-13 with Company's Registrar and Transfer Agent. In respect of shares held in dematerialized form, the nomination form may be filed with the respective Depository Participant.
- 20. Non-Resident shareholders: Non-Resident shareholders are requested to immediately notify the following to the Company in respect of shares held in Physical form and to their Depository Participant in respect of shares held in Dematerialized form:
 - Indian address for sending all communications, if not provided so far;
 - Change in their residential status on return to India for permanent settlement;
 - Particulars of the Bank Account maintained with a bank in India, if not furnished earlier; and
 - RBI Permission number with date to facilitate prompt credit of dividend in their Bank Accounts

- 21. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
- 22. Since the 40th AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
- 23. Register of Directors and Key Managerial Personnel and their shareholding, and the Register of Contracts or Arrangements in which the Directors are interested, as maintained under the Companies Act, 2013 will be available for inspection by the Members electronically during the 40th AGM. Members seeking to inspect such documents can send an email to winro.investor@gcvl.in.

24. Information and instructions relating to E-voting are as under:

In compliance with provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the Listing Regulations, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the AGM by electronic means. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by National Securities and Depositories Limited (NSDL).

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:-

The remote e-voting period begins on Saturday, 23rd September, 2023 at 09:00 A.M. and ends on Tuesday, 26th September, 2023 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 20th September, 2023, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 20th September, 2023.

 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.

- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on <u>"Forgot User Details/Password?"</u> (If you are holding shares in your demat account with NSDL or CDSL) option available on <u>www.evoting.nsdl.com</u>.
 - b) "Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

- 1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
- 2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
- 3. Now you are ready for e-Voting as the Voting page opens.
- 4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- 5. Upon confirmation, the message "Vote cast successfully" will be displayed.
- 6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- 7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

- 1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/ JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail njawasa@yahoo.co.in with a copy marked to evoting@nsdl.co.in. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
- 2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Economy and Markets

(a) Economic review:

Global economy

Financial year 2022- 2023 began with uncertainties while steering through challenges. On the positive side, after inflicting chaos for almost two years, the impact of the COVID-19 pandemic on lives and livelihoods started retreating. This was assisted by a mass immunization programme and the arrival of a less infectious variant called omicron. However, the flip side was the escalation of Russia-Ukraine war, continuous disruption in global supply chain leading to inflation globally due to closing down of China were amongst the major events that provided maximum volatility to the markets. Since then, the different world economies are struggling to combat inflationary pressures, causing them to constantly hike rates, causing in a slowdown in growth. IMF too lowered its growth forecast for 2022 and 2023. In January 2023, the World Economic Outlook Update projects that global growth slowdown will be more pronounced for Advanced economies than Emerging and Developing economies. Advanced economies Real GDP growth is projected at 1.3% in 2023 vis-à-vis 3.9% for Emerging and Developing economies.

Indian Economy

As stated by the World Bank in its India Development Update, India's growth continues to be resilient despite some signs of moderation in growth. Although significant challenges remain in the global environment, India was one of the fastest growing economies in the world. The overall growth remains robust and is estimated to be 6.9 percent for the full year with real GDP growing 7.7 percent year-on-year during the first three quarters of fiscal year 2022-2023. There were some signs of moderation in the second half of financial year 2022-2023. Growth was underpinned by strong investment activity bolstered by the government's capex push and buoyant private consumption, particularly among higher income earners. Inflation remained high, averaging around 6.7 percent in financial year 2022-2023 but the current-account deficit narrowed in Q3 on the back of strong growth in service exports and easing global commodity prices.

The Reserve Bank of India's has withdrawn accommodative measures to rein in inflation by hiking the policy interest rate. India's financial sector also remains strong, buoyed by improvements in asset quality and robust private-sector credit growth. As per the projections by the World Bank - 'India to remain the fastest growing major economy in the world during 2021-24'.

(b) Outlook:

The global economy is currently bracing itself for slower growth, primarily due to the unsettling impact of the Russia Ukraine conflict and the tightening of monetary policy. These factors have led to significant supply-side disruptions, creating challenges for economies around the world. However, amidst this uncertain outlook, certain economies are expected to exhibit resilience and drive global growth. The widening of the Current Account Deficits (CAD) in net importing economies, agencies worldwide continue to project India as the fastest-growing major economy at 6.5-7.0 per cent in financial year 2022-2023.

Given the crisis and despite concerns surrounding the sector, NBFCs with robust business models, strong liquidity mechanisms, governance and risk management standards are well positioned to take benefit of the market opportunity.

India is further expected to witness a growth of 6.0% in FY 2023-24. RBI projects CPI inflation for Q1 – financial year 2023-24 at 5.0% and for Q2 – financial year 2023-24 at 5.4% on the assumption of a normal monsoon. Whereas on the inflationary front, it is anticipated that the rates would remain moderate somewhere between 5-6%, due to the Government's adherence to calibrated monetary policies.

The Company is mainly into the business of investment in shares and securities. The revenue of Company is generated from Trading in Shares and Securities, Lending activities, Sale of Electricity from the windmill owned by Company. Considering the above positive factors, if there is a better performance in the equity market, then the Company is expected to accomplish better performance compared to the previous year.

(c) Industry structure and developments:

India has a diversified financial sector undergoing rapid expansion with many new entities entering the market along with the existing financial services firms. The sector comprises commercial banks, insurance companies, NBFCs, housing finance companies, co-operatives, pension funds, mutual funds and other smaller financial entities. After the COVID-19 impact gradually tapers off, the financial services sector is poised to grow eventually on the back of strong fundamentals, adequate liquidity in the economy, significant government and regulatory support, and the increasing pace of digital adoption. In fact, digital transactions will play a larger role in the financial eco-system than hitherto witnessed.

Non-Banking Financial Companies:

India's financial services sector comprises of commercial banks/co-operative banks, non-banking financial companies, insurance companies, pension / mutual funds and other various entities. India is expected to be fourth largest private wealth market globally by 2028.

NBFCs have become increasingly important in recent years as they have played a critical role in providing credit to individuals and businesses that are underserved by traditional banks. This is especially true in rural and semi-urban areas, where NBFCs have been able to fill the gap left by banks. One of the key advantages of NBFCs is their ability to be flexible in their lending practices. Unlike banks, which have a rigid set of guidelines for lending, NBFCs can tailor their lending practices to meet the specific needs of their clients. This has made them an attractive option for those who are looking for more personalised financial services. They are financial institutions that provide a wide range of banking services like loans, credit facilities, investments, and other financial products. NBFCs have played a significant role in the Indian economy's growth story, especially in the rural and semi-urban areas. They cater to the financial needs of small and medium-sized businesses, entrepreneurs, farmers, and individuals who do not have access to traditional banking services. In this article, we will explore the future of NBFCs in India.

After the pandemic decline, 2023 has brought growth for the NBFCs. It has demonstrated an innovative and resilient streak over the years which includes adapting efficiently even during the COVID-19 pandemic to avoid the revolving credit landscape. The market share of NBFCs has increased in the last few years with Asset Under Management (AUM) accounting for as much as 18% of the overall credit on March 2019, up from 12% in March 2008. A few challenges over the past three years lowered their share to 16% in fiscal 2022, with banks making bigger growth strides. The increase in NBFCs AUM from US\$ 44.02 billion (Rs. 3.6 lakh crore) in March 2008 to almost US\$ 330.21 billion (Rs. 27 lakh crore) in March 2022, and is expected to increase further, indicates the importance of the sector to overall credit delivery in the economy.

NBFCs have become important components of India's financial sector and have been recording higher credit growth than scheduled commercial banks (SCBs) over the past few years. Non-Banking Financial (NBFC) sector has played a crucial role in bridging the credit gap and supporting the growth of various sectors such as micro, small and medium enterprises (MSMEs), agriculture and affordable housing, among others. NBFCs continue to leverage their superior understanding of regional dynamics and customised products and services to expedite financial inclusion in India. NBFCs have emerged as the principal institutions providing credit financing to the unorganised and underserved sectors. NBFCs have revolutionised the lending system in India by providing financial inclusion for those who lack easy access to credit. Lower transaction costs, innovative products, quick decision making, customer orientation and prompt service standards have typically differentiated NBFCs from banks. Considering the reach and expanse of NBFCs, these are well-suited to bridge the financing gap in a large country like India. Systemically important NBFCs have demonstrated agility, innovation and frugality to provide formal financial services to millions of Indians. The growing importance of NBFCs is reflected in the consistent rise of their credit as a proportion to GDP as well as in relation to credit extended by SCBs to the NBFC sector.

Equity Markets:

In 2021-2022, equity investors reaped handsome rewards as their wealth grew nearly ₹78 lakh crore while Sensex gained 10,502 points or 22%. However, the financial year 2022-2023 saw the outperformance of the Indian markets. In a year in which S&P 500 is down by 20% and most markets are down between 10 to 20 %, Nifty is up by 4.8%. This outperformance is the result of mainly two factors: One, India's superior economic growth; two, domestic investors support the market by buying every dip caused by FII selling.

On the flipside, elevated inflation levels triggered by the Russia-Ukraine war was the biggest negative catalyst for the equity market. Moreover, the COVID-19 lockdown in China caused supply chain constraints globally, which impacted economic activities in certain sectors. To tame the elevated inflation levels, central banks across the globe, including RBI, hiked interest rates. The higher prices and borrowing costs have raised recession fears in the U.S. and other major economies. This, in turn, has darkened the outlook for global growth as it could have a spillover effect on the Indian economy and other parts of the world.

FPIs turned net sellers to the tune of Rs 38,334 crore during the financial year, being wary of expensive valuations. However, strong domestic participation cushioned some losses as investors showed confidence in India's long-term growth story backed by the resilience shown by the Indian economy and India Inc.

The Company believes that given the volatile nature of the equity markets, it is advisable to maintain a diversified portfolio at all times by taking into account your risk profile, financial goals, and investment horizon.

(d) Opportunities and threats:

Indian Economy provides excellent growth opportunities as the increased thrust to power, road, ports, telecom and other infrastructure projects will create a positive environment for the Investment and Financial Services Industry in India. Further, growth of service sector also presents new opportunities for Investment and Financial Services Industry in India.

With increasing globalization, integration of world markets, it not only provides new avenues for earning opportunities for our investment business but is also impacted / threatened by domestic and global events. The Company believes that it has to adopt robust risk management practices and continuously monitor and adapt to changing dynamics to not only take advantage of the earnings opportunities but also mitigate the risks and threats posed by the local and global events.

The most significant threat for any lending activity is to constantly exhibit operational excellence and contain the loss given defaults within the acceptable limits. The Company believes that this task is to be worked upon continuously through a very sharp learning and unlearning in order to achieve operational excellence. NBFCs rely on external funding to fulfill the financing needs of their customers. A liquidity crunch arising from reduced loan recovery, external funding or other unforeseen events could adversely impact the loan disbursement cycle of the NBFCs leading to subdued performance.

India being an emerging global economy, faces notable risks due to global relations. A shift in developed and emerging countries' interest rates, policies and protectionism along with trade and capital market conditions may hamper businesses locally. Geopolitical and trade tensions in the global market post further risk to the Indian NBFC industry. There also exists Risk of investment or Market risk which arising from the adverse movements in market price of various securities and it similarly depends on the global markets, which may impact value of portfolio of investment in securities.

External Risks associated with liquidity stress, political uncertainties, fiscal slippage concerns, etc. Regulatory and compliance-related changes in the sector affecting NBFCs

Any stringent regulatory change or unfavorable policy change can pose a threat to the industry players in the short run.

(e) Risks and Concerns:

The Financial services industry is subject to continuously evolving regulatory requirements due to increasing globalization, integration of world markets. Risk is an integral part of the business and almost every business decision requires the management to balance risk and reward. The Company is exposed to the market risk, liquidity risk, operational risk, compliance risk, cyber security risk and credit risk. It is further exposed to risk of economic cycle. The company manages these risks by remaining very conservative and following requisite risk management practices.

(f) Internal Control Systems and their adequacy:

As a part of the effort to evaluate the effectiveness of the internal control systems, your Company's internal audit system reviews all the control measures on a periodic basis and recommends improvements, wherever appropriate. The Company has in place adequate internal control systems and procedures commensurate with the size, scale, complexity and nature of its business. These systems and procedures provide reasonable assurance of adherence to the accounting procedures and policies, maintenance of proper accounting records, reliability of financial information, compliance with regulatory directives, efficacy of its operating systems, protection of resources and safeguarding of assets against unauthorized use. The management regularly reviews the internal control systems and procedures, undertake corrective actions, in their respective areas and thereby strengthen the controls.

(g) Segment-wise or product-wise performance:

The Company is engaged in the business of investment, trading in shares and securities, Lending Activities and generation of renewable energy. As per Ind AS 108 "Operating Segments", specified under Section 133 of the Companies Act, 2013, there are no reportable operating or geographical segments applicable to the Company.

SCORES (SEBI Complaints and Redressal System) is a centralized web based grievance redressal system launched by SEBI (https://scores.gov.in/scores/Welcome.html). SCORES provide a platform for aggrieved investors, whose grievances, pertaining to securities market, remain unresolved by the concerned Listed Company or registered intermediary after a direct approach. This enables the market intermediaries and listed Companies to check the complaints online from investors, redress such complaints and report redressal online. All the activities starting from lodging of a complaint till its closure by SEBI would be handled in an automated environment and the complainant can view the status of his complaint online. An investor, who is not familiar with SCORES or does not have access to SCORES, can lodge complaints in physical form at any of the offices of SEBI. Such complaints would be scanned and also uploaded in SCORES for processing.

Pursuant to SEBI circular SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/131 & SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/135 dated 31st July, 2023 & 4th August, 2023 respectively, all listed companies shall in consultation with their empaneled ODR Institutions, establish and operate a common Online Dispute Resolution Portal ("ODR Portal") for online resolution of Disputes in the Indian Securities Market. The listed companies have to register themselves on the ODR Portal should be done by 15th September, 2023.

An investor/client shall first take up his/her/their grievance with the Market Participant by lodging a complaint directly with the concerned Market Participant. If the grievance is not redressed satisfactorily, the investor/client may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal in accordance with the process laid out therein. After exhausting these options for resolution of the grievance, if the investor/client is still not satisfied with the outcome, he/she/they can initiate dispute resolution through the ODR Portal.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To

The Members of

WINRO COMMERCIAL (INDIA) LIMITED

Report on the audit of the Standalone financial statements

Opinion

We have audited the standalone financial statements of **WINRO COMMERCIAL (INDIA) LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including other comprehensive income), Statement of changes in Equity and Statement of Cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information. (Herein referred to as "Standalone Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and total comprehensive income, (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statement's section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters

a) Fair Valuation of Financial Instruments

The Company's investments (including investment in Associates) are measured at fair value at each reporting date and these fair value measurements significantly impact the Company's results.

How our audit addressed the key audit matter

We have assessed the Company's process to compute the fair value of various investments. For Quoted instruments we have independently obtained market quotations and calculated the fair valuations. For Unquoted instruments (included investment in associates) we have obtained an understanding of the valuation methods used by Management and analysed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.

We have verified that all the investments are held in the name of the Company. Our audit procedures over the valuation of all investments included reviewing valuation of all investments held as at 31st March, 2023. Based on the audit procedures performed we are satisfied with existence and valuation of investments.

Other Information

The Company's management and board of directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, Management Discussion and Analysis, Corporate Governance Report in Annual Report of the Company for the financial year 2022-23 but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's management and board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management and the board of directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial statements that, individually or in aggregate, makes it probable that the economic decision of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. A. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Standalone Balance Sheet, the Standalone Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended.
 - e. On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2".

- g. In our opinion, and to the best of our information and according to explanation given to us, the Company has not paid any remuneration to any director of the Company. However, sitting fees paid to Independent directors are within the limit prescribed under section 197 of the Act.
- B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements Refer **Note 33** to the standalone financial statements;
 - b. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d. i. The management has represented that, to the best of its knowledge and belief, as disclosed in note 43 to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
 - ii. The management has represented, that, to the best of its knowledge and belief, as disclosed in **note 43** to the accounts, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries
 - iii. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) contain any material misstatement
 - e. No Dividend was declared / paid during the year under audit.

In our opinion and according to the information and explanations given to us, the Company is in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian accounting standards.

14. Internal Audit

- a. In our opinion, the company has an internal audit system commensurate with its size and the nature of its business.
- b. On the basis of the report provided by the management, we have considered the report of the Internal Auditors for the period of the audit.

15. Non-Cash Transactions

In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding, subsidiary or associate company or persons connected with them and hence provisions of Section 192 of the Companies Act, 2013 and reporting under clause (xv) is not applicable.

16. Applicability of Section 45-IA of Reserve Bank of India Act, 1934

- a. The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 ('RBI Act') and it has obtained the registration.
- b. The Company has conducted the non-banking financial activities with a valid Certificate of Registration ('CoR') from the RBI as per the RBI Act. The Company has not conducted any housing finance activities and is not required to obtain CoR for such activities from the RBI.
- c. The company is not a Core Investment Company ('CIC') and hence reporting under paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- d. The Group (as defined under Master Direction Non-Banking Financial Company Systemically Important Non-Deposit taking Company, 2016, as amended) has more than one Unregistered CICs as part of the group. There are 2 Unregistered CICs forming part of the Group.

17. Cash Losses Incurred

The Company has not incurred any cash loss during the financial year ended March 31, 2023 and in the immediately preceding financial year.

18. Any Resignation of Statutory Auditors

During the year, there has been no resignation of the statutory auditors.

19. Existence of any Material Uncertainty

On the basis of the analysis of the financial ratios stated in Note No. 43.10 of the Notes to Accounts, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. Corporate Social Responsibility.

- a. In our opinion and according to the information and explanations given to us, there are no unspent amounts towards Corporates Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a fund specified in schedule VII of the Companies Act in Compliance with second proviso to sub-section (5) of section 135 of the said Act. Accordingly, reporting under paragraph 3(xx)(a) of the Order is not applicable for the year.
- b. In our opinion and according to the information and explanations given to us, the Company does not have any ongoing projects. Accordingly, clause 3(xx)(b) of the Order is not applicable.

21. Qualifications in CARO Report.

According to the information and explanations given to us and based on the reports issued by the auditors of the respective associates included in the consolidated financial statements of the Company, to which reporting on matters specified in paragraph 3 and 4 of the Order is applicable, provided to us by the Management of the Company, we have not identified any qualification or adverse remarks made by the auditors in their report on matters specified in paragraph 3 and 4 of the Order.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

Annexure Referred to in Independent Auditors' Report on the Standalone Financial Statements of Even date to the members of **WINRO COMMERCIAL (INDIA) LIMITED** for the year ended March 31, 2023.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **WINRO COMMERCIALS (INDIA) LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions
 of the assets of the company;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured at fair value at initial and subsequent measurement as explained in the accounting policies below.

Historical cost is the consideration paid in exchange for the goods and services or the amount paid for acquiring the asset. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis.

The financial statements are presented in INR, which is also the Company's functional currency and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

Critical accounting estimates and judgments

The preparation of the Company's financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the

management's estimates are based. Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

- Business model assessment (refer Note No. 2.6)
- Fair value of financial instruments (Refer Note No 2.6)
- Impairment on financial assets (Refer Note No 2.6)
- Provision for tax expenses (Refer Note No 2.12)
- Provisions, Contingent liabilities and Contingent assets (Refer Note No 2.14)

Presentation of financial statements

The Company presents its Balance Sheet in order of liquidity as provided by the Ministry of Corporate Affairs (MCA) under Division III of Schedule III. An analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note No. 35 of balance sheet.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

2.3 PROPERTY, PLANT & EQUIPMENT (PPE):

Recognition and initial measurement

Property, plant and equipment are stated at cost less accumulated depreciation/amortization and impairment losses, if any.

Cost comprises the purchase price and any attributable / allocable cost of bringing the asset to its working condition for its intended use. The cost also includes direct cost and other related incidental expenses. Revenue earned, if any, during trial run of assets is adjusted against cost of the assets. Cost also includes the cost of replacing part of the plant and equipment.

Borrowing costs relating to acquisition / construction / development of tangible assets, if any, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

When significant components of property and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognized as a separate asset. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Subsequent measurement (depreciation and useful lives)

Depreciation / amortization is recognized on a written-down basis as under:

Assets	Useful life
Property, Plant & Equipment	
1. Office Equipment	5 years
2. Computers	3 years
3. Windmill	22 years
4. Furniture & Fixture	5 / 10 years
5. Vehicles	8 / 10 years

Assets costing less than Rs. 5,000/- are fully depreciated in the year of purchase.

Depreciation method, useful life and residual value are reviewed periodically.

The carrying amount of PPE is reviewed periodically for impairment based on internal / external factors.

An impairment loss is recognized whenever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

De-recognition

PPE are de-recognized either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the statement of profit and loss in the period of de-recognition.

2.4 BUSINESS COMBINATION:

Business Combinations are accounted for using the acquisition method of accounting, except for common control transactions which are accounted using the pooling of interest method that is accounted at carrying values.

The cost of an acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities assumed at the acquisition date i.e., the date on which control is acquired. Contingent consideration to be transferred is recognised at fair value and included as part of cost of acquisition. Transaction related costs are expensed in the period in which the costs are incurred.

2.5 INVESTMENTS IN ASSOCIATES:

Associates:

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

Investments in Associates are accounted at Fair value as per Ind AS 109 and the same has been classified under Level 3 Investments.

2.6 FINANCIAL INSTRUMENTS:

Recognition of Financial Instruments

Financial instruments comprise of financial assets and financial liabilities. Financial assets and liabilities are recognised when the company becomes the party to the contractual provisions of the instruments.

Financial assets primarily comprise of trade receivables, loan receivables, investments in shares & securities etc.

Financial liabilities primarily comprise of borrowings, trade payables and other financial liabilities etc.

Initial Measurement of Financial Instruments

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair value through profit or loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows:

- a. if fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognised in profit or loss on initial recognition (i.e. day one profit or loss);
- b. in all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. the recognition of profit or loss on day one will be deferred by including it in the initial carrying amount of the asset or liability).

After initial recognition, the deferred gain or loss will be released to the Statement of profit and loss on a rational basis, only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability

Subsequent Measurement of Financial Assets

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

The Company recognises all the financial assets, other than measured at fair value or amortised cost, which are realized within 12 months, from the reporting date, at cost & not at fair value or amortised cost but tested for impairment.

Business model assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is assessed on an instrument by instrument basis.

Classification of Financial Assets

For the purpose of subsequent measurement, financial assets are classified into four categories:

- Debt instruments at amortised cost
- Debt instruments at Fair value through Other Comprehensive Income (FVOCI)
- Debt and equity instruments at FVTPL
- Equity instruments designated at FVOCI

Debt instruments at amortised cost :

The Company measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding.

To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to other entities.

After initial measurement, such financial assets are subsequently measured at amortised cost on effective interest rate (EIR).

Debt instruments at FVOCI:

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognised in other comprehensive income (OCI) under the head "items reclassify to profit & loss". The interest income on these assets is recognised in profit or loss.

On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to profit or loss.

Debt / equity instruments at FVTPL:

The Company classifies financial assets which are held for trading & has elected to classify some other equity instruments under FVTPL category. These instruments are recorded and measured in the standalone balance sheet at fair value. Interest income is recognized in profit & loss as per the terms of contract. Dividend income is recognized in profit & loss right when the right to receive the same has been established. Gains and losses on changes in fair value of these debt and equity instruments are recognised on net basis through profit or loss

The Company's majority of the investments into mutual funds, bonds, equity shares have been classified under this category.

Equity instruments designated at FVOCI:

The Company's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 'Financial Instruments. Such classification is determined on an instrument-by-instrument basis.

Gains and losses on equity instruments measured through FVOCI are never recycled to profit or loss, even on sale of investments. Dividends are recognised in profit or loss as dividend income when the right of the payment has been established.

De-recognition of Financial Assets

A financial asset is de-recognised only when:

- The Company has transferred the right to receive cash flows from the financial assets; or
- The right to receive cash flows from the asset have expired; or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes contractual obligations to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received or receivable in profit & loss in case financial assets classified under FVTPL category.

In case of financial asset classified under FVOCI category, the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in other equity is transferred to retained earnings if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Write-off

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

Reclassifications

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. Such reclassification needs to be approved by the Board of Directors of the company.

Impairment of Financial Assets

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not FVTPL. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk or the assets have become credit impaired from initial recognition in which case, those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain or loss in the Statement of Profit and Loss. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Measurement of expected credit loss

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows which the Company expects to receive).

Asset Classification and Provisioning

Loan asset classification and requisite provision made under RBI prudential norms are given below:

Particulars	Criteria	Provision
Standard asset	The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business.	0.40% of the outstanding loan portfolio of standard assets.
Sub-standard asset	An asset for which, interest/principal payment has remained overdue for more than 3 months and less than 12 months.	_
Loss asset	An asset for which, interest/principal payment has remained overdue for a period of 12 months or more.	100% of the outstanding loan portfolio of loss assets.

The Company continuously monitors all the financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL (12m ECL) or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- (a) Historical trend of collection from counterparty;
- (b) Company's contractual rights with respect to recovery of dues from counterparty;
- (c) Credit rating of counterparty and any relevant information available in public domain;

After applying above criteria, the Management has decided to make minimum ECL provision as the provisioning rates (as given in above table) as per RBI prudential norms unless higher provisioning is required as per the above criteria.

Financial liabilities

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company or a contract that will or may be settled in the its's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of its own equity instruments.

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

a) Subsequent measurement

Financial liabilities are subsequently carried at amortized cost using the EIR method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Method (EIR). Gains and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized.

The Company recognises all the financial liabilities, other than those measured at fair value or amortised cost, which are settled within 12 months, from reporting date, at cost & not at fair value or amortised cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and the transaction cost. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

b) De-recognition

A financial liability (or a part of a financial liability) is de-recognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

Fair value measurement

The Company measures financial instruments at fair value on initial recognition and uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV as published on Association of Mutual Funds of India (AMFI).

Level 2 - Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data. If all significant inputs required to measure fair value of an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

Fair value of quoted investments in Saraswati Commercial (India) Limited which is covered in Level 2 is further adjusted on account cross holding within the group of companies.

For unlisted group companies and other unlisted companies (other than classified as Level 2), for which latest standalone / consolidated audited balance sheet are available are classified under level 3. Accordingly, their fair value can be derived from the latest audited balance sheet by applying below formula:

"(Share capital + other equity - prepaid expenses) / no of equity shares = value per share."

No of equity shares in above formula has been derived after reducing cross holding effect (if any).

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

Derivative financial instruments

The Company uses derivative financial instruments for trading purposes. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit and loss as "Gain / (Loss) from trading in securities (future and option segments)" under the head "Net gain / (loss) on fair value changes."

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.7 REVENUE RECOGNITION

A. Interest Income

For all financial instruments measured at amortised cost, interest income is recognised using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial assets.

B. Sale of product

Sale is recognized when the power is delivered by the Company at the delivery point in conformity with the parameters and technical limits and fulfilment of other conditions specified in the Wind Energy Purchase Agreement. Sale of product is accounted for as per tariff specified in the Wind Energy Purchase Agreement. The sale of product is accounted for net of all local taxes and duties as may be leviable on sale of electricity for all electricity made available and sold to customers.

C. Dividend Income

Dividend income is recognized when the Company's right to receive payment is established.

D. Net gain on fair value changes

The Company recognises gains/(losses) on fair value changes of financial assets measured at FVTPL in the statement of profit & loss, which are further bifurcated between realized & unrealized gain / (loss). Net gain of fair value changes includes gain / (loss) on trading of shares & securities held as Stock in trade, gain / (loss) from shares trading in derivatives segment and realized / unrealized gain or (loss) on other financial instruments fair value through profit & loss account (FVTPL).

E. Other revenue from operations

a. Fees

A fee on financial guarantee is recognized based on term of engagement, if any.

F. Other Income

Other incomes are accounted on accrual basis.

2.8 EXPENDITURES

A. Finance costs

Borrowing costs on financial liabilities are recognised using the EIR.

B. Others

Other expenses are accounted on accrual basis.

2.9 FOREIGN CURRENCY TRANSACTIONS

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rate of exchange prevailing on the date of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing on that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

All exchange differences are recognised in the Statement Profit and Loss in the period in which they arise.

2.10 CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand & bank balance in current account and deposit in fixed account with original maturities of three months or less.

2.11 BORROWING COSTS

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets as defined in Ind AS 23 are capitalised as a part of costs of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

Interest expenses are calculated using the EIR and all other Borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

2.12 INCOME TAXES

A) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognized outside the statement of profit and loss (either in other comprehensive income or in equity). Current income tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

B) Deferred tax

Deferred income tax is recognised using the balance sheet approach.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- a) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.
- b) In respect of taxable temporary differences associated with investments in associates, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred taxes are not provided on the undistributed earnings of associates where it is expected that the earnings of the associates will not be distributed in the foreseeable future. Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax relating to items recognized outside the statement of profit and loss is recognised outside the statement of profit and loss. Such deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.13 IMPAIRMENT OF NON-FINANCIAL ASSETS

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

2.14 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are not recognised in the financial statements.

2.15 STATEMENT OF CASH FLOWS

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in inventories, operating receivables, payables and transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses and;
- iii. all other items for which the cash effects are investing or financing cash flows. Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

2.16 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss (before Other Comprehensive Income) for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss (before Other Comprehensive Income) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.17 INVESTMENT PROPERTY

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's

carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is de-recognised.

Investment properties are subsequently measured at cost less depreciation. Investment properties are depreciated using the straight-line method over their estimated useful lives.

2.18 RETIREMENT BENEFITS

Short-Term Employee Benefits

Liabilities for salaries and bonus, including non-monetary benefits, if any and accumulated leave balance in respect of employees' services up to the end of the reporting period, are recognised as liabilities and expenses.

Defined Contribution Plan and Defined Benefit Plan

Retirement benefits in the form of provident fund under the Employees Provident Fund (Misc. Provisions) Act, 1952 and gratuity under the Payment of Gratuity Act, 1972 are not applicable to the Company as the total numbers of employees are below the minimum required number of employees as specified in respective acts.

Other Long-Term Benefits

The expected costs of other long-term employee benefits such as accumulated leaves are accrued over the period of employment and same has been provided based on accrual basis at year end.

2.19 SHARE CAPITAL

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options, and buyback of ordinary shares are recognized as a deduction from other equity.

2.20 SEGMENT REPORTING

According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the company falls within one reportable business segment viz. "Investments, Trading in shares and securities & Lending Activities".

2.21 COMMITMENTS

Commitments are future liabilities for contractual payments, classified and disclosed as follows:

- estimated amount of contracts remaining to be executed on capital account and not provided for;
- ii. uncalled liability on shares and other investments partly paid;
- iii. other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management

Nature and Purpose of Reserves:

a) Statutory reserve under Section 45 IC of The RBI Act, 1934

Every year the Company transfers a sum of not less than twenty per cent of net profit of that year as disclosed in the statement of profit and loss to its Statutory Reserve pursuant to Section 45-IC of the RBI Act, 1934.

The conditions and restrictions for distribution attached to statutory reserves as specified in Section 45-IC(1) in The Reserve Bank of India Act, 1934:

- 1. Every non-banking financial company (NBFC) shall create a statutory reserve fund and transfer therein a sum not less than twenty per cent of its net profit every year as disclosed in the profit and loss account and before any dividend is declared.
- 2. No appropriation of any sum from the statutory reserve fund shall be made by the NBFC except for the purpose as may be specified by the RBI from time to time and every such appropriation shall be reported to the RBI within twenty-one days from the date of such withdrawal
 - Provided that the RBI may, in any particular case and for sufficient cause being shown, extend the period of twenty-one days by such further period as it thinks fit or condone any delay in making such report.
- 3. Notwithstanding anything contained in sub-section (1), the Central Government may, on the recommendation of the RBI and having regard to the adequacy of the paid-up capital and reserves of a NBFC in relation to its deposit liabilities, declare by order in writing that the provisions of sub-section (1) shall not be applicable to the NBFC for such period as may be specified in the order:

Provided that no such order shall be made unless the amount in the reserve fund under sub-section (1) together with the amount in the share premium account is not less than the paid-up capital of the NBFC.

b) General reserve

Amounts set aside from retained profits as a reserve to be utilised for permissible general purpose as per applicable Law.

(Rs. in Lakhs, unless otherwise stated)

c) Retained earnings

Retained earnings represents profits that the company earned till date including impact of changes in fair value of investments which are classified as FVTPL category, realised profit/(loss) on de-recognition of assets classified as FVOCI, less any transfers to General reserve, Statutory reserve, Dividends and other distributions paid to the shareholders.

d) Other comprehensive income on equity securities

The Company has elected to recognise changes in the fair value of certain investments in equity shares securities in other comprehensive income. These changes are accumulated in the Other comprehensive income-equity investments reserve. The Company transfers amounts (net of tax) from this reserve to retained earnings when the relevant equity securities are derecognised.

Note 37: Financial Instruments

- Financial Risk Management

The Company has operations in India. Whilst risk is inherent in the Company's activities, it is managed through a risk management framework, including ongoing identification, measurement and monitoring subject to risk limits and other controls. The Company's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the Company is exposed to and how the entity manages the risk. The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk
- Market risk (including Interest rate risk & Price risk)
- Currency risk

Risk management framework

Risk management forms an integral part of the business. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors are responsible for developing and monitoring the Company's risk management policies. The Company's Risk Management committee reports regularly to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

1. Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. Credit risk arises primarily from financial assets such as trade receivables, investments, other balances with banks, loans and other receivables.

The Company has adopted a policy of dealing with counter parties that have sufficiently high credit rating. The Company's exposure and credit ratings of its counter parties are continuously monitored. Credit risk arising from trade receivables are reviewed periodically and based on past experience and history. Management is confident of recovering all the dues. Credit risk arises from balances with banks is limited. The counter parties are bank with high credit ratings assigned by the credit rating agencies.

Trade receivables & other receivables

Exposures of trade receivables are reviewed at the end of each reporting period by the Company to determine expected credit losses. Historical trends of collection from counterparties on timely basis reflects low level of credit risk. However, company has created impairment wherever required.

Investment in various instruments

Credit risk on investment in debt instruments is limited as company generally invests in debt instruments like mutual fund, preference shares, debentures with high credit ratings assigned by international and domestic credit rating agencies.

Loans

The Company considers default in all cases when the borrower becomes 90 days past due on its contractual payments. The loans are classified under Stage 1 & stage 3 loan i.e. Performing Standard Assets and Loss Assets respectively.

(Rs. in Lakhs, unless otherwise stated)

Expected Credit Loss (ECL) on Financial Assets

The Company continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL (12m ECL) or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- (a) Historical trend of collection from counterparty
- (b) Company's contractual rights with respect to recovery of dues from counterparty
- (c) Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with contract and the cash flows that the Company expects to receive). The Company has following types of financial assets that are subject to the expected credit loss:

- (a) Cash and cash equivalent
- (b) Bank balance other than (a) above
- (c) Loans
- (d) Trade receivables
- (e) Investment in unlisted securities
- (f) Other financial assets

After applying above criteria, Management has decided to make minimum ECL provision as the provisioning rates as per RBI prudential norms unless higher provisioning is required as per above criteria.

2. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's principal sources of liquidity are cash and cash equivalents, investment in liquid mutual fund / other listed securities which are short term in natures and the cash flow that is generated from operations. In case of any shortfall, company has availed revolving loan facilities from its Group Companies and other NBFCs & also sale of listed equity shares.

As at 31st March, 2023, the Company had a cash and cash equivalents of Rs. **515.30 Lakhs** and listed equity shares of Rs. **66,792.44 Lakhs** and As at 31st March, 2022, the Company had a cash and cash equivalents of Rs. 13.01 Lakhs and listed equity shares of Rs. 55,696.22 Lakhs.

Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

(a) Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This included listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV as published on Association of Mutual Funds of India (AMFI).

(Rs. in Lakhs, unless otherwise stated)

- (b) Level 2: Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
- (c) Level 3: If one or more of the significant Inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

Valuation techniques used to determine fair value :

- 1. Closing NAV Statement from Mutual fund is used to determine fair value of unquoted Mutual Fund, if any.
- 2. Fair values of quoted investments held for trading and investment purpose under FVTPL are valued using the closing price of NSE / BSE as at the reporting period, if any.
- 3. Fair values of quoted investments routed through FVOCI are valued using the closing price of NSE / BSE as at the reporting period, if any.
- 4. Fair value of quoted investment in one of Group Company which is covered in Level 2, are further adjusted on account cross holding within group of companies. Fair value of unquoted investments, covered in Level 2, are derived from transaction in said securities between unrelated parties in the month of March 2023. Valuation of AIF is done based on NAV report provided by the respective AIF's.
- 5. For unlisted group companies investments, for which latest consolidated audited balance sheet are available are classified under level 3. Accordingly, their fair value can be derived from the latest Consolidated audited balance sheet by applying below formula: "Share capital + other equity prepaid expenses) / no of equity shares = value per share."No of equity shares in above formula has been derived after reducing cross holding effect (if any).

Valuation techniques:

Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and cash equivalents, trade receivables, balances other than cash and cash equivalents and trade payables without a specific maturity. Such amounts have been classified as Level 1 / Level 3.

d Inter level transfers:

There are no inter level transfers made during the year.

Note 38: Capital Management

For the purpose of the Company's capital management, capital includes issued capital and other equity reserves attributable to the equity shareholders of the Company. The primary objective of the company, when managing capital, is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure, so as to maximize shareholders' value. As at 31st March, 2023, the Company has only one class of equity shares and has Borrowings (other than debt securities). In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or reinvestments into business based on its long term financial plans.

The Company is subject to the capital adequacy requirements of the Reserve Bank of India (RBI). Under RBI's capital adequacy guidelines, the Company is required to maintain a capital adequacy ratio consisting of Tier I and Tier II Capital. The minimum capital ratio as prescribed by RBI guidelines and applicable to the Company, consisting of Tier I and Tier II capital, shall not be less than 15 percent of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet. The Tier I capital, at any point of time, shall not be less than 10 percent.

The Company has complied with all regulatory requirements related capital and capital adequacy ratios as prescribed by RBI.

Regulatory capital

Particulars	As at 31st	As at 31st
	March, 2023	March, 2022
Tier - I capital	54,203.17	37,285.21
Tier - II capital	6.77	0.20
Total Capital	54,209.94	37,285.41
Aggregate of Risk Weighted Assets	87,844.25	45,861.64
Tier - I capital ratio	61.70%	81.30%
Tier - II capital ratio	0.01%	0.00%
Total Capital ratio	61.71%	81.30%

"Tier I Capital" means owned fund as reduced by investment in shares of other non-banking financial companies and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made to and deposits with subsidiaries and companies in the same group exceeding, in aggregate, 10 percent of the owned fund.

"Owned Fund" means paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any

Tier II capital" includes the following -

- (a) Preference shares other than those which are compulsorily convertible into equity;
- (b) Revaluation reserves at discounted rate of fifty five percent;
- (c) General provisions (including that for Standard Assets) and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses, to the extent of one and one fourth percent of risk weighted assets.
- (d) hybrid debt capital instruments; and
- (e) subordinated debt to the extent the aggregate does not exceed Tier I capital.

Aggregate Risk Weighted Assets -

Under RBI Guidelines, degrees of credit risk expressed as percentage weightages have been assigned to each of the on-balance sheet assets and off- balance sheet assets. Hence, the value of each of the on-balance sheet assets and off- balance sheet assets requires to be multiplied by the relevant risk weights to arrive at risk adjusted value of assets. The aggregate shall be taken into account for reckoning the minimum capital ratio.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

TO

THE MEMBERS OF WINRO COMMERCIAL (INDIA) LIMITED Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **WINRO COMMERCIAL (INDIA) LIMITED** ("the Company") and its associates companies, which comprise the consolidated Balance Sheet as at March 31, 2023, and the consolidated statement of Profit and Loss(including other comprehensive income), consolidated statement of changes in Equity and consolidated statement of Cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate consolidated financial statements of associates referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its associates, as at March 31, 2023, their consolidated profit and loss, including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and its associates, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of reports of the other auditors referred to in paragraph (a) of the "Other Matters" section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements for the current financial year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

Key Audit Matters

How our audit addressed the key audit matter

(a) Fair Valuation of Financial Instruments

The Company's investments (other than investment in Associates) are measured at Fair value at each reporting date and these fair value measurements significantly impact the Company's results.

We have assessed the Company's process to compute the fair value of various investment. For quoted instruments we have independently obtained market quotations and calculated the fair valuations. For the unquoted instruments, we have obtained an understanding of valuation methods used by the Management and analysed the reasonableness of the principal assumptions made for estimating the fair value and various other data used by arriving at the fair value measurement.

We have verified that all the investments are held in the name of the Company. Our audit procedures over the valuation of the Investments included reviewing valuation of all investments held as at 31st March, 2023. Based on the audit procedures performed we are satisfied with existence and valuation of investments.

Key Audit Matters	How our audit addressed the key audit matter
(b) Consolidation procedure	
The Company has four associates. One associate also holds shares of company resulting in a cross holding. At each reporting date, Company consolidates such associate after eliminating crossholding effect.	

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's report, corporate governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the section 134 (5) of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the company including its associates and jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Company and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Company and of its associates are responsible for assessing the ability of the Company and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company and its associates or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the company and of its associates are responsible for overseeing the financial reporting process of the Company and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

Winro Commercial (India) Limited

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company and its associates has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company and its associate's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of its Associates to express an opinion on the consolidated financial statements. For the Associates included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled "Other Matters" in this audit report.

Materiality is the magnitude of misstatements in the consolidated Financial statements that, individually or in aggregate, makes it probable that the economic decision of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The Consolidated Financial statements includes total of the Company's share of net profit/(loss) after tax of Rs. (1,084.61lakhs), other comprehensive income of Rs. 933.41 lakhs and total comprehensive income of Rs. (151.20 lakhs) for the year ended 31st March, 2023, as considered in the Consolidated Financial Statements, in respect of it's associates Singularity Holdings Limited, Better Time Realtors Private Limited, Arkaya Commercial Private Limited and Four Dimensions Securities (India) Limited, whose consolidated financial statements have not been audited by us except in case of one associate. ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Annexure Referred to in Independent Auditors' Report on the Consolidated Financial Statements of even date to the members of **WINRO COMMERCIAL (INDIA) LIMITED** for the year ended March 31, 2023.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31,2023, we have audited the internal financial controls over financial reporting of **WINRO COMMERCIAL (INDIA) LIMITED** ("the Company") and its associates which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its Associates which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its associates based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company and its associates internal financial controls system over financial reporting

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1)Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2)Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;(3)Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Winro Commercial (India) Limited

Opinion

In our opinion, the Company and its Associates which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

3.	Four Dimensions Securities (India) Limited	39.52%	39.52%		
4.	Arkaya Commercial Private Limited	20.82%	20.82%		

2. SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

SIGNIFICANT ACCOUNTING POLICIES:

2.1 STATEMENT OF COMPLIANCE

The Consolidated Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013. Accordingly, the Company has prepared these Consolidated Financial Statements which comprises of the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss for the year ended on 31st March 2023, the Statement of Cash Flows for the year ended on 31st March 2023 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Consolidated Financial Statements' or 'financial statements').

2.2 BASIS OF PREPARATION AND PRESENTATION OF CONSOLDIATED FINANCIAL STATEMENTS

These Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other relevant provisions of the Act on an accrual basis. The Consolidated financial statements have been prepared on a going concern basis.

Historical Cost Convention

The Consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured at fair value at initial and subsequent measurement as explained in the accounting policies below.

Historical cost is the consideration paid in exchange for the goods and services or the amount paid for acquiring the asset. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis.

The financial statements are presented in INR, which is also the Company's functional currency and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

Critical accounting estimates and judgments

The preparation of the Company's consolidated financial statements requires management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the management's estimates are based. Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

- Business model assessment (refer Note No. 2.7)
- Fair value of financial instruments (Refer Note No 2.7)
- Impairment on financial assets (Refer Note No 2.7)
- Provision for tax expenses (Refer Note No 2.13)
- Provisions, contingent liabilities and contingent assets (Refer Note No 2.15)

Presentation of financial statements

The Company presents its Consolidated Balance Sheet in order of liquidity as provided by the Ministry of Corporate Affairs (MCA) under Division III of Schedule III. An analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note No. 35 of consolidated balance sheet.

The Company generally reports financial assets and financial liabilities on a gross basis in the Consolidated Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

2.3 PRINCIPLES OF CONSOLIDATION

The consolidated financial statements incorporate the financial statements of the Company and it includes the Company's share of profits, net assets and retained post acquisition reserves of the associates that are consolidated using the equity method of consolidation.

The accounting policies of the associate companies are consistent with those of the Company. If an associate uses accounting policies other than those of the Company for like transactions and events in similar circumstances, appropriate adjustments are made to the associate's financial statements when they are used by the Company in applying the equity method. If it is not practicable to do so, that fact is disclosed along with a brief description of the differences between the accounting policies.

Associate Companies

Associates are those entities over which the Company has significant influence, but not control or joint control. Investments in associates are accounted for using the equity method and, are initially recognised at cost from the date significant influence commences, and thereafter, recognises the Company's share of post-acquisition profits or losses of the investee in the Statement of Profit and Loss, and the Company's share of Other Comprehensive Income of the investee in other comprehensive Income. Dividend received or receivable from associates are recognised as a reduction in the carrying amount of the investment. When the Company's share of losses exceeds the carrying value of investment in associates, the carrying value is reduced to nil and recognition of further losses is discontinued, except to the extent that the Company has incurred obligations in respect of the associates.

2.4 USE OF ESTIMATE

The preparation of these consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities, as at the date of the consolidated financial statements and, the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and in the future periods which are affected.

2.5 PROPERTY, PLANT & EQUIPTMENT (PPE):

Recognition and initial measurement

Property, plant and equipment are stated at cost less accumulated depreciation/amortization and impairment losses, if any.

Cost comprises the purchase price and any attributable / allocable cost of bringing the asset to its working condition for its intended use. The cost also includes direct cost and other related incidental expenses. Revenue earned, if any, during trial run of assets is adjusted against cost of the assets. Cost also includes the cost of replacing part of the plant and equipment.

Borrowing costs relating to acquisition / construction / development of tangible assets, if any, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

When significant components of property and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognized as a separate asset. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Subsequent measurement (depreciation and useful lives)

Depreciation / amortization is recognized on a written-down basis as under:

Assets	Useful life
Property, Plant & Equipment	
1. Office Equipment	5 years
2. Computers	3 years
3. Windmill	22 years
4. Furniture & Fixture	5 / 10 years
5. Vehicles	8/10 years

Assets costing less than Rs. 5,000/- are fully depreciated in the year of purchase.

Depreciation method, useful life and residual value are reviewed periodically.

The carrying amount of PPE is reviewed periodically for impairment based on internal / external factors. An impairment loss is recognized whenever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

De-recognition

PPE are de-recognized either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the statement of profit and loss in the period of de-recognition.

2.6 BUSINESS COMBINATION:

Business Combinations are accounted for using the acquisition method of accounting, except for common control transactions which are accounted using the pooling of interest method that is accounted at carrying values. The cost of an acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities assumed at the acquisition date i.e., the date on which control is acquired. Contingent consideration to be transferred is recognised at fair value and included as part of cost of acquisition. Transaction related costs are expensed in the period in which the costs are incurred.

2.7 FINANCIAL INSTRUMENTS:

Recognition of Financial Instruments

Financial instruments comprise of financial assets and financial liabilities. Financial assets and liabilities are recognised when the company becomes the party to the contractual provisions of the instruments.

Financial assets primarily comprise of trade receivables, loan receivables, investments in shares & securities etc.

Financial liabilities primarily comprise of borrowings, trade payables and other financial liabilities etc.

Initial Measurement of Financial Instruments

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair value through profit or loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows:

- a. if fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognised in profit or loss on initial recognition (i.e. day one profit or loss);
- b. in all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. the recognition of profit or loss on day one will be deferred by including it in the initial carrying amount of the asset or liability).

After initial recognition, the deferred gain or loss will be released to the statement of profit and loss on a rational basis, only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability.

Subsequent Measurement of Financial Assets

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

The Company recognises all the financial assets, other than measured at fair value or amortised cost, which are realized within 12 months, from the reporting date, at cost & not at fair value or amortised cost but tested for impairment.

Business model assessment

The Company determines its business model at the level that best reflects how it manages the group of financial assets to achieve its business objectives. The Company's business model is assessed on an instrument by instrument basis.

Classification of Financial Assets

For the purpose of subsequent measurement, financial assets are classified into four categories:

- Debt instruments at amortised cost
- ➤ Debt instruments at Fair value through Other Comprehensive Income (FVOCI)

- Debt and equity instruments at FVTPL
- > Equity instruments designated at FVOCI

> Debt instruments at amortised cost :

The Company measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding.

To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to other entities.

After initial measurement, such financial assets are subsequently measured at amortised cost on effective interest rate (EIR).

> Debt instruments at FVOCI:

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognised in other comprehensive income (OCI) under the head "items reclassify to profit & loss". The interest income on these assets is recognised in profit or loss.

On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to profit or loss.

Debt / equity instruments at FVTPL:

The Company classifies financial assets which are held for trading & has elected to classify some other equity instruments under FVTPL category. These instruments are recorded and measured in the consolidated balance sheet at fair value. Interest income is recognized in profit & loss as per the terms of contract. Dividend income is recognized in profit & loss right when the right to receive the same has been established. Gains and losses on changes in fair value of these debt and equity instruments are recognised on net basis through profit or loss.

The Company's majority of the investments into mutual funds, bonds, equity shares have been classified under this category.

> Equity instruments designated at FVOCI:

The Company's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 'Financial Instruments. Such classification is determined on an instrument-by-instrument basis.

Gains and losses on equity instruments measured through FVOCI are never recycled to profit or loss, even on sale of investments. Dividends are recognised in profit or loss as dividend income when the right of the payment has been established.

De-recognition of Financial Assets

A financial asset is de-recognised only when:

- The Company has transferred the right to receive cash flows from the financial assets; or
- The right to receive cash flows from the asset have expired; or

• Retains the contractual rights to receive the cash flows of the financial assets, but assumes contractual obligations to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received or receivable in profit & loss in case financial assets classified under FVTPL category.

In case of financial asset classified under FVOCI category, the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in other equity is transferred to retained earnings if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Write-off

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

Reclassifications

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. Such reclassification needs to be approved by the Board of Directors of the company.

Impairment of Financial Assets

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not FVTPL. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk or the assets have become credit impaired from initial recognition in which case, those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain or loss in the Statement of Profit and Loss. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Measurement of expected credit loss

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows which the Company expects to receive).

Asset Classification and Provisioning

Loan asset classification and requisite provision made under RBI prudential norms are given below:

Particulars	Criteria	Provision
Standard asset	The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business.	
Sub-standard asset	An asset for which, interest/principal payment has remained overdue for more than 3 months and less than 12 months.	_

Particulars	Criteria	Provision
Loss asset	An asset for which, interest/principal payment has remained overdue for a period of 12 months or	_
	more.	

The Company continuously monitors all the financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL (12m ECL) or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- (a) Historical trend of collection from counterparty;
- (b) Company's contractual rights with respect to recovery of dues from counterparty;
- (c) Credit rating of counterparty and any relevant information available in public domain;

After applying above criteria, the Management has decided to make minimum ECL provision as the provisioning rates (as given in above table) as per RBI prudential norms unless higher provisioning is required as per the above criteria.

Financial liabilities

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company or a contract that will or may be settled in the its's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of its own equity instruments. All financial liabilities are subsequently measured at amortised cost using the effective interest method.

a. Subsequent measurement

Financial liabilities are subsequently carried at amortized cost using the EIR method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Method (EIR). Gains and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized.

The Company recognises all the financial liabilities, other than those measured at fair value or amortised cost, which are settled within 12 months, from reporting date, at cost & not at fair value or amortised cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and the transaction cost. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

b. De-recognition

A financial liability (or a part of a financial liability) is de-recognised from the Company's consolidated balance sheet when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the consolidated statement of Profit and Loss.

Fair value measurement

The Company measures financial instruments at fair value on initial recognition and uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and

liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV as published on Association of Mutual Funds of India (AMFI).

Level 2 - Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data. If all significant inputs required to measure fair value of an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

Fair value of quoted investments in Saraswati Commercial (India) Limited which is covered in Level 2 is further adjusted on account cross holding within the group of companies.

For unlisted group companies and other unlisted companies (other than classified as Level 2), for which latest Standalone / Consolidated audited balance sheet are available are classified under level 3. Accordingly, their fair value can be derived from the latest audited balance sheet by applying below formula:

"(Share capital + other equity - prepaid expenses) / no of equity shares = value per share."

No of equity shares in above formula has been derived after reducing cross holding effect (if any).

For assets and liabilities that are recognized in the consolidated financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

Derivative financial instruments

The Company uses derivative financial instruments for trading purposes. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit and loss as "Gain / (Loss) from trading in securities (future and option segments)" under the head "Net gain / (loss) on fair value changes."

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.8 REVENUE RECOGNITION

A. Interest Income

For all financial instruments measured at amortised cost, interest income is recognised using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial assets.

B. Sale of product

Sale is recognized when the power is delivered by the Company at the delivery point in conformity with the parameters and technical limits and fulfilment of other conditions specified in the Wind Energy Purchase Agreement. Sale of product is accounted for as per tariff specified in the Wind Energy Purchase Agreement. The sale of product is accounted for net of all local taxes and duties as may be leviable on sale of electricity for all electricity made available and sold to customers.

C. Dividend Income

Dividend income is recognized when the Company's right to receive payment is established.

D. Net gain on fair value changes

The Company recognises gains/losses on fair value changes of financial assets measured at FVTPL in the statement of profit & loss, which are further bifurcated between realized & unrealized gain / (loss). Net gain of fair value changes includes gain / (loss) on trading of shares & securities held as Stock in trade, gain / (loss) from shares trading in derivatives segment and realized / unrealized gain or (loss) on other financial instruments fair value through profit & loss account (FVTPL).

E. Other revenue from operations

a. Fees

A fee on financial guarantee is recognized based on term of engagement, if any.

F. Other Income

Other incomes are accounted on accrual basis.

2.9 EXPENDITURES

A. Finance costs

Borrowing costs on financial liabilities are recognised using the EIR.

B. Others

Other expenses are accounted on accrual basis.

2.10 FOREIGN CURRENCY TRANSACTIONS

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rate of exchange prevailing on the date of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing on that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

All exchange differences are recognised in the Statement Profit and Loss in the period in which they arise.

2.11 CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand & bank balance in current account and deposit in fixed account with original maturities of three months or less.

2.12 BORROWING COSTS

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets as defined in Ind AS 23 are capitalised as a part of costs of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

Interest expenses are calculated using the EIR and all other Borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

2.13 INCOME TAXES

A) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognized outside the statement of profit and loss (either in other comprehensive income or in equity). Current income tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

B) Deferred tax

Deferred income tax is recognised using the balance sheet approach.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- a) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.
- b) In respect of taxable temporary differences associated with investments in associates, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred taxes are not provided on the undistributed earnings of associates where it is expected that the earnings of the associates will not be distributed in the foreseeable future. Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax relating to items recognized outside the statement of profit and loss is recognised outside the statement of profit and loss. Such deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.14 IMPAIRMENT OF NON-FINANCIAL ASSETS

An assessment is done at each consolidated balance sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

2.15 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are not recognised in the consolidated financial statements.

2.16 STATEMENT OF CASH FLOWS

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in inventories, operating receivables, payables and transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses and;
- iii. all other items for which the cash effects are investing or financing cash flows. Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of consolidated balance sheet.

2.17 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss (before Other Comprehensive Income) for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss (before Other Comprehensive Income) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.18 INVESTMENT PROPERTY

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is de-recognised.

Investment properties are subsequently measured at cost less depreciation. Investment properties are depreciated using the straight-line method over their estimated useful lives.

2.19 RETIREMENT BENEFITS

Short-Term Employee Benefits

Liabilities for salaries and bonus, including non-monetary benefits, if any and accumulated leave balance in respect of employees' services up to the end of the reporting period, are recognised as liabilities and expenses.

Defined Contribution Plan and Defined Benefit Plan

Retirement benefits in the form of provident fund under the Employees Provident Fund (Misc. Provisions) Act, 1952 and gratuity under the Payment of Gratuity Act, 1972 are not applicable to the Company as the total numbers of employees are below the minimum required number of employees as specified in respective acts.

Other Long-Term Benefits

The expected costs of other long-term employee benefits such as accumulated leaves are accrued over the period of employment and same has been provided based on accrual basis at year end.

2.20 SHARE CAPITAL

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options, and buyback of ordinary shares are recognized as a deduction from other equity.

2.21 SEGMENT REPORTING

According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the company falls within one reportable business segment viz. "Investments, Trading in shares and securities & Lending Activities".

2.22 COMMITMENTS

Commitments are future liabilities for contractual payments, classified and disclosed as follows:

- i. estimated amount of contracts remaining to be executed on capital account and not provided for;
- ii. uncalled liability on shares and other investments partly paid;
- iii. other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

The Company & its associates has operations in India. Whilst risk is inherent in the Company's activities, it is managed through a risk management framework, including ongoing identification, measurement and monitoring subject to risk limits and other controls. The Company's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the Company is exposed to and how the entity manages the risk. The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk
- Market risk (including Interest rate risk & Price risk)
- Currency risk

Risk management framework

Risk management forms an integral part of the business. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors are responsible for developing and monitoring the Company's risk management policies. The Company's Risk Management committee reports regularly to the board of directors on its activities.

(Rs. in Lakhs, unless otherwise stated)

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

1 Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. Credit risk arises primarily from financial assets such as trade receivables, investments, other balances with banks, loans and other receivables.

The Company has adopted a policy of dealing with counter parties that have sufficiently high credit rating. The Company's exposure and credit ratings of its counter parties are continuously monitored. Credit risk arising from trade receivables are reviewed periodically and based on past experience and history. Management is confident of recovering all the dues. Credit risk arises from balances with banks is limited. The counter parties are bank with high credit ratings assigned by the credit rating agencies.

Trade receivables & other receivables

Exposures of trade receivables are reviewed at the end of each reporting period by the Company to determine expected credit losses. Historical trends of collection from counterparties on timely basis reflects low level of credit risk. However, company has created impairment wherever required.

Investment in various instruments

Credit risk on investment in debt instruments is limited as company generally invests in debt instruments like mutual fund, preference shares, debentures with high credit ratings assigned by international and domestic credit rating agencies.

Loans

The Company considers default in all cases when the borrower becomes 90 days past due on its contractual payments. The loans are classified under Stage 1 & stage 3 loan i.e. Performing Standard Assets and Loss Assets respectively.

Expected Credit Loss (ECL) on Financial Assets

The Company continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL (12m ECL) or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- (a) Historical trend of collection from counterparty
- (b) Company's contractual rights with respect to recovery of dues from counterparty
- (c) Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with contract and the cash flows that the Company expects to receive). The Company has following types of financial assets that are subject to the expected credit loss:

- (a) Cash and cash equivalent
- (b) Bank balance other than (a) above
- (c) Loan
- (d) Trade receivables
- (e) Investment in unlisted securities
- (f) Other financial assets

After applying above criteria, Management has decided to make minimum ECL provision as the provisioning rates as per RBI prudential norms unless higher provisioning is required as per above criteria.

2. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents, investment in liquid mutual fund / other listed securities which are short term in natures and the cash flow that is generated from operations. In case of any shortfall, company has availed revolving loan facilities from its Group Companies and other NBFCs & also sale of listed equity shares.

As at 31st March, 2023, the group had a cash and cash equivalents of Rs. **515.30 Lakhs** and listed equity shares of Rs. **66,792.44 Lakhs** and As at 31st March, 2022, the Company had a cash and cash equivalents of Rs. 13.01 Lakhs and listed equity shares of Rs. 55,696.22 Lakhs

Total Financial Assets	63,916.22	17,011.27	1,561.61	50,110.77	14,167.13	1,849.09

Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- (a) Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This included listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV as published on Association of Mutual Funds of India (AMFI).
- **(b)** Level 2: Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
- **(c)** Level 3: If one or more of the significant Inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

Valuation techniques used to determine fair value :

- 1. Closing NAV Statement from Mutual fund is used to determine fair value of unquoted Mutual Fund, if any.
- 2. Fair values of quoted investments held for trading and Investment purpose under FVTPL are valued using the closing price of NSE / BSE as at the reporting period, if any.
- 3. Fair values of quoted investments routed through FVOCI are valued using the closing price of NSE / BSE as at the reporting period, if any.
- 4. Fair value of quoted investment in one of Group Company which is covered in Level 2, are further adjusted on account cross holding within group of companies. Fair value of unquoted investments, covered in Level 2, are derived from transaction in said securities between unrelated parties in the month of March 2023. Valuation of AIF is done based on NAV report provided by the respective AIF's.
- 5. For unlisted group companies investments, for which latest consolidated audited balance sheet are available are classified under level 3. Accordingly, their fair value can be derived from the latest Consolidated audited balance sheet by applying below formula: "Share capital + other equity prepaid expenses) / no of equity shares = value per share." No of equity shares in above formula has been derived after reducing cross holding effect (if any).

Valuation techniques:

Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and cash equivalents, trade receivables, balances other than cash and cash equivalents and trade payables without a specific maturity. Such amounts have been classified as Level 1 / Level 3.

d Inter level transfers:

There are no inter level transfers made during the year.

Note 38: Capital Management

For the purpose of the Company's capital management, capital includes issued capital and other equity reserves attributable to the equity shareholders of the Company. The primary objective of the company, when managing capital, is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure, so as to maximize shareholders' value. As at 31st March, 2023, the Company has only one class of equity shares and has Borrowings (other than debt securities).
