#### 2. Necessity for the Buyback and details thereof

The Board is of the view that the Buyback will help the Company achieve the following objectives: (a) optimize returns to members; and (b) enhance overall members' value. The above objectives will be achieved by returning part of surplus cash back to members through the Buyback process. This may lead to reduction in outstanding Equity Shares, improvement in earnings per share, based on the assumption that the Company would earn similar profits as in the past, and enhanced return on equity capital. The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations. The Board at its meeting held on August 9, 2018, considered the accumulated free reserves as well as the cash liquidity reflected in the audited accounts as on March 31, 2018, and considering these, the Board decided to allocate a sum of INR 8,540 lakh (Indian Rupees Eight Thousand Five Hundred Forty Lakh only) excluding Transaction Costs for distributing to the members holding Equity Shares of the Company through the Buyback.

#### 3. Basis for arriving at the Maximum Buyback Price and other details

- 3.1 The Maximum Buyback Price of INR 3,800 (Indian Rupees Three Thousand Eight Hundred only) per Equity Share has been arrived at after considering various factors, including average of the weekly high and low of the closing share price of the Equity Shares on the Stock Exchanges (till August 8, 2018), the net worth of the Company and the potential impact of the Buyback on the earnings per share of the Company. The Maximum Buyback Price excludes the Transaction Costs.
- 3.2 The Maximum Buyback Price represents a premium of 11.06% and 11.40% compared to the average of the weekly high and low of the closing prices of the Equity Shares on the BSE and NSE, respectively, during the two weeks preceding the date of the Board Meeting.
- The Buyback is proposed to be completed within a maximum period of 6 (six) months from the date of opening of the Buyback or such other period as may be permitted under the Companies Act and/or Buyback Regulations or as may be directed by the appropriate authorities. Subject to the Maximum Buyback Price of INR 3,800 (Indian Rupees Three Thousand Eight Hundred only) per Equity Share, maximum validity period of 6 (six) months from the date of opening of the Buyback or such other period as may be permitted under the Companies Act and/or Buyback Regulations or as may be directed by the appropriate authorities, and achievement of the Minimum Buyback Size, the actual time frame and the price for the Buyback will be determined by the Board or the Buyback Committee or their duly authorized representatives, at their discretion, in accordance with the Buyback Regulations. However, in accordance with the Buyback Regulations, Buyback price for the Equity Shares in physical form ("Physical Shares") will be determined as the volume weighted average price of the dematerialised Equity Shares ("Demat Shares") bought back, during the calendar week in which such Physical Shares are received by Edelweiss Securities Limited ("Company's Broker") (or in case no Equity Shares are bought back in the normal market during that calendar week then the preceding week when the Company last bought back Equity Shares) and the price of Physical Shares tendered during the first calendar week of the Buyback shall be the volume weighted average market price of the Equity Shares of the Company during the preceding calendar week
- At the Maximum Buyback Price and for Maximum Buyback Size, the indicative maximum number of Equity Shares bought back would be 2,24,736 (Two Lakh Twenty Four Thousand Seven Hundred Thirty Six only) Equity Shares. If the Equity Shares are bought back at a price below the Maximum Buyback Price, the actual number of Equity Shares bought back could exceed the indicative Maximum Buyback Shares (assuming full deployment of Maximum Buyback Size) but will always be subject to the Maximum Buyback Size. Further, the number of Equity Shares to be bought back will not exceed 25% of the total paid up equity capital of the Company 3.5 Further, the Company shall utilize at least 50% of the Maximum Buyback Size i.e. INR 4,270 lakh (Indian Rupees Four Thousand Two Hundred Seventy Lakh only) towards the Buyback and the Company will accordingly purchase an indicative minimum of 1,12,368 (One Lakh Twelve Thousand Three Hundred Sixty Eight only) Equity Shares ("Minimum Buyback Shares") based on the Maximum Buyback Price. - The Buyback is expected to enhance overall long term members' value for continuing members, without 11.1 compromising on the future growth opportunities of the Company, as well as provide an exit opportunity to the public shareholders. The Buyback is not likely to cause any material adverse impact on the earnings of the Company, except a reduction in the treasury income which the Company could have otherwise earned from investments in fixed deposits and mutual funds. The Company will also bear the cost of the Buyback transaction.

- 11.4 The Buyback may lead to reduction in outstanding Equity Shares, improvement in 'earnings per share' and enhanced return on equity, assuming that the Company would earn similar profits as in the past.
- 11.5 Pursuant to Regulation 16(ii) of the Buyback Regulations, the Promoters and promoter group of the Company will not participate in the Buyback. The Buyback will not result in a change in control or otherwise affect the existing management structure of the Company.

- 11.7 The Company is debt free. In accordance with Section 68(2)(d) of the Companies Act, the ratio of the aggregate of secured and unsecured debts owed by the Company shall not be more than twice the paid up Equity Share capital and free reserves post the Buyback.
- 11.8 In compliance with the provisions of the Buyback Regulations, the Company shall not raise further capital for a period of 1 (one) year from the expiry of the buyback period, except in discharge of its subsisting obligations. Further, the Company shall not issue any Equity Shares or other securities including by way of bonus issue or convert any outstanding employees stock options/outstanding instruments into Equity Shares, till the date of closure of the Buyback in accordance with the Companies Act and the Buyback Regulations.
- 11.9 Unless otherwise determined by the Board or Buyback Committee or as may be directed by the appropriate authorities, the Buyback will be completed within a maximum period of 6 (six) months from the date of opening of the Buyback. In accordance with Buyback Regulations, the Company shall not withdraw the Buyback post Public Announcement.
- 11.10 Consideration for the Equity Shares bought back by the Company shall be paid only by way of cash through normal banking channels, i.e., by way of demand draft/pay order/NEFT/RTGS/Cheque) to the Company's Broker.

#### 2. Necessity for the Buyback and details thereof

The Board is of the view that the Buyback will help the Company achieve the following objectives: (a) optimize returns to members; and (b) enhance overall members' value. The above objectives will be achieved by returning part of surplus cash back to members through the Buyback process. This may lead to reduction in outstanding Equity Shares, improvement in earnings per share, based on the assumption that the Company would earn similar profits as in the past, and enhanced return on equity capital. The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations. The Board at its meeting held on August 9, 2018, considered the accumulated free reserves as well as the cash liquidity reflected in the audited accounts as on March 31, 2018, and considering these, the Board decided to allocate a sum of INR 8,540 lakh (Indian Rupees Eight Thousand Five Hundred Forty Lakh only) excluding Transaction Costs for distributing to the members holding Equity Shares of the Company through the Buyback.

#### Basis for arriving at the Maximum Buyback Price and other details

- The Maximum Buyback Price of INR 3,800 (Indian Rupees Three Thousand Eight Hundred only) per Equity 3.1 Share has been arrived at after considering various factors, including average of the weekly high and low of the closing share price of the Equity Shares on the Stock Exchanges (till August 8, 2018), the net worth of the Company and the potential impact of the Buyback on the earnings per share of the Company. The Maximum Buyback Price excludes the Transaction Costs.
- The Maximum Buyback Price represents a premium of 11.06% and 11.40% compared to the average of the weekly high and low of the closing prices of the Equity Shares on the BSE and NSE, respectively, during the two weeks preceding the date of the Board Meeting
- The Buyback is proposed to be completed within a maximum period of 6 (six) months from the date of opening of the Buyback or such other period as may be permitted under the Companies Act and/or Buyback Regulations or as may be directed by the appropriate authorities. Subject to the Maximum Buyback Price of INR 3,800 (Indian Rupees Three Thousand Eight Hundred only) per Equity Share, maximum validity period of 6 (six) months from the date of opening of the Buyback or such other period as may be permitted under the Companies Act and/or Buyback Regulations or as may be directed by the appropriate authorities, and achievement of the Minimum Buyback Size, the actual time frame and the price for the Buyback will be determined by the Board or the Buyback Committee or their duly authorized representatives, at their discretion, in accordance with the Buyback Regulations. However, in accordance with the Buyback Regulations, Buyback price for the Equity Shares in physical form ("Physical Shares") will be determined as the volume weighted average price of the dematerialised Equity Shares ("Demat Shares") bought back, during the calendar week in which such Physical Shares are received by Edelweiss Securities Limited ("Company's Broker") (or in case no Equity Shares are bought back in the normal market during that calendar week then the preceding week when the Company last bought back Equity Shares) and the price of Physical Shares tendered during the first calendar week of the Buyback shall be the volume weighted average market price of the Equity Shares of the Company during the preceding calendar week.
- At the Maximum Buyback Price and for Maximum Buyback Size, the indicative maximum number of Equity Shares bought back would be 2,24,736 (Two Lakh Twenty Four Thousand Seven Hundred Thirty Six only) Equity Shares. If the Equity Shares are bought back at a price below the Maximum Buyback Price, the actual number of Equity Shares bought back could exceed the indicative Maximum Buyback Shares (assuming full deployment of Maximum Buyback Size) but will always be subject to the Maximum Buyback Size. Further, the number of Equity Shares to be bought back will not exceed 25% of the total paid up equity capital of the Company Further, the Company shall utilize at least 50% of the Maximum Buyback Size i.e. INR 4,270 lakh (Indian 3.5 Rupees Four Thousand Two Hundred Seventy Lakh only) towards the Buyback and the Company will accordingly purchase an indicative minimum of 1.12.368 (One Lakh Twelve Thousand Three Hundred Sixty Eight only) Equity Shares ("Minimum Buyback Shares") based on the Maximum Buyback Price. The actual number of Equity Shares bought back will depend upon the actual price paid for the Buyback, excluding the Transaction Costs paid for the Equity Shares bought back, and the aggregate amount paid in the Buyback, subject to the Maximum Buyback Size. #### Management Discussion and Analysis on the likely impact of the Buyback on the Company 11.

- 11.1 The Buyback is expected to enhance overall long term members' value for continuing members, without compromising on the future growth opportunities of the Company, as well as provide an exit opportunity to the public shareholders. The Buyback is not likely to cause any material adverse impact on the earnings of the Company, except a reduction in the treasury income which the Company could have otherwise earned from investments in fixed deposits and mutual funds. The Company will also bear the cost of the Buyback transaction.
- 11.2 The Buyback is proposed, considering the accumulated surplus funds available with the Company being in excess of the surplus amount needed to be retained by the Company for future growth of the Company as envisaged by the Board.
- 11.3 The Buyback will be funded from the accumulated surplus funds available with the Company, in the form of cash and/or investments in fixed deposits and mutual funds, and will be drawn out of free reserves, securities premium account of the Company or such other source, in accordance with Section 68(1) of the Companies Act and Regulation 4(ix) of the Buyback Regulations.
- 11.4 The Buyback may lead to reduction in outstanding Equity Shares, improvement in 'earnings per share' and enhanced return on equity, assuming that the Company would earn similar profits as in the past
- 11.5 Pursuant to Regulation 16(ii) of the Buyback Regulations, the Promoters and promoter group of the Company will not participate in the Buyback. The Buyback will not result in a change in control or otherwise affect the existing management structure of the Company.

- The Company is debt free. In accordance with Section 68(2)(d) of the Companies Act, the ratio of the aggregate 11.7 of secured and unsecured debts owed by the Company shall not be more than twice the paid up Equity Share capital and free reserves post the Buyback.
- 11.8 In compliance with the provisions of the Buyback Regulations, the Company shall not raise further capital for a period of 1 (one) year from the expiry of the buyback period, except in discharge of its subsisting obligations. Further, the Company shall not issue any Equity Shares or other securities including by way of bonus issue or convert any outstanding employees stock options/outstanding instruments into Equity Shares, till the date of closure of the Buyback in accordance with the Companies Act and the Buyback Regulations.
- 11.9 Unless otherwise determined by the Board or Buyback Committee or as may be directed by the appropriate authorities, the Buyback will be completed within a maximum period of 6 (six) months from the date of opening of the Buyback. In accordance with Buyback Regulations, the Company shall not withdraw the Buyback post Public Announcement.
- 11.10 Consideration for the Equity Shares bought back by the Company shall be paid only by way of cash through normal banking channels, i.e., by way of demand draft/pay order/NEFT/RTGS/Cheque) to the Company's Broker.
