Wipro and Informatica partner to bring cloud-based data and analytics to market with Wipro FullStride Cloud Services data platform

NEW YORK | BANGALORE, India – May 24, 2022: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company is pleased to announce that Informatica is joining Wipro FullStride Cloud Services as a premier collaboration partner.

Together, Informatica and Wipro will create a one-stop marketplace that drives business value and outcomes for clients by combining the offerings of cloud hyperscalers with Wipro's platforms, IP, talent, and partner-led tools. Wipro's well-recognized data, analytics, and artificial intelligence (AI) capabilities, along with Informatica's comprehensive AI-powered data management solution, will bring scale to cloud-based transformations.

Jason Eichenholz, Senior Vice President and Global Head of Ecosystems and Partnerships, Wipro Limited said, "We are happy to expand our longstanding Informatica partnership through the Wipro FullStride data platform. The integration of Wipro FullStride data platform with Informatica's IDMC components as the backbone will enable seamless transformation, accelerate business value, and simplify complexity at lower cost. This partnership supports our goal to use the power and flexibility of the cloud to bring data and analytics to our clients and their stakeholders."

Wipro FullStride data platform combines industry leading data, analytics, and AI accelerators and solutions on a single platform, enabling end-to-end automation of the cloud migration and transformation journey across all major cloud hyperscalers.

"Today's expanded partnership is another key milestone for Wipro and Informatica and will help our customers take full advantage of our best-of-breed cloud data management capabilities," said **Richard Ganley, SVP, Global Partners, Informatica**. "Informatica's Intelligent Data Management Cloud is the industry's only, AI-powered, end-to-end data management platform capable of managing data across any cloud, multi-cloud or hybrid environment and we are excited to be a part of Wipro FullStride Cloud Services as a premier collaboration partner."

Wipro's data, analytics, and AI competencies have been recognized by leading analyst firms as [Everest Group](#), [Forrester](#), and [The Hackett Group](#). Wipro hosts the industry's largest Informatica Cloud Center of Excellence and has been recognized with five Informatica Innovation Awards.

Wipro is a Platinum Sponsor of Informatica World 2022, held May 23–26, 2022, at The Venetian Resort in Las Vegas, NV, where it is hosting the following panels:

- [Global Transparency: HCP Spend Management](#) – May 24 @ 12:30pm – Level 4, Marcella 4401B
- [Enabling Enterprise-wide Data Culture](#) – May 25 @ 12:30pm – Level 4, Marcella 4401B

Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
