Notes:

1 The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 23rd July, 2020.

2 The Company is engaged in the food business, which in the context of Ind AS 108 on Operating Segment, constitutes a single reportable business segment.

3 Effective 1st April, 2019, the Company adopted Ind AS 116 "Leases" using the modified retrospective approach for transition. Accordingly, the Company has not restated the comparative information. Instead, the cumulative effect of initial application of the standard has been recognised as an adjustment to the opening balance of retained earnings as on 1st April, 2019, aggregating to Rs. 1,699.03 lakhs.

Consequently in the Statement of Profit and Loss for the current period, the nature of expenses in respect of operating leases has changed from "Lease rent" in previous period to "Depreciation and amortisation expense" for the right of use assets, "Finance cost" for interest accrued on lease liability and GST on Lease Rent to "Other expenses". As a result the "Lease Rent", "Depreciation and amortisation expense", "Finance cost" and "Other expenses" of the current period is not comparable to the earlier periods.

The performance of the current period is not comparable with previous period results. The reconciliation of the above effect on the Statement of Profit and Loss for the quarter and year ended 31 March, 2020 is as under:

Quarter ended 31 March, 2020			₹ in Lakhs

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. There has been disruption in regular business operations due to the measures taken to curb the spread of the pandemic. Businesses are being forced to limit their operations for long or indefinite period of time. The restaurant industry has been adversely affected and the Company has assessed the impact of COVID-19 pandemic on its business operations, the carrying amount of its assets, liquidity position, lease/licence fees commitments and profitability.

The Company has already initiated effective steps to reduce its operational fixed costs which include re-negotiation of Rent and CAM charges for the rented properties. Due to uncertainties and impossibilities of business the company has initiated discontinuation of Lease/Leave and Licence arrangements of the premises.

Takeaway and Delivery Sales were resumed during the lockdown period as per the advisory and guidelines by the Central/State Authorities. The Company has considered external and internal information in assessing the impact of COVID - 19 on various elements of its financial statements, including recoverability of its assets as at the Balance Sheet date.

Exceptional item for the quarter and year ended 31st March 2020 resulting from COVID 19 Pandemic i) Impairment of Property Plant and Equipment amounting Rs. 2,544.48 Lakhs, ii) Impairment of Rights of Use Asset amounting Rs. 1,645.41 Lakhs and Iii) Gain on disposal of Right Of Use Asset Rs. 1,452.10 Lakhs.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes based on future economic conditions.

The results of the quarter ended 31st March 2020 and 31st March 2019 are the balancing figure between audited results in respect of full financial year and published year to date results up to third quarter of relevant financial year.

6 Previous period / year figures have been regrouped, wherever necessary.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/ loss and other comprehensive income/ loss of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for
 expressing our opinion on whether the company has adequate internal financial controls with reference
 to financial statements in place and the operating effectiveness of such controls.

Notes:

1 The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 23 July, 2020.

- 2 The Company is engaged in the food business, which in the context of Ind AS 108 on Operating Segment, constitutes a single reportable business segment.
- 3 Effective 1st April, 2019, the Company adopted Ind AS 116 "Leases" using the modified retrospective approach for transition. Accordingly, the Company has not restated the comparative information. Instead, the cumulative effect of initial application of the standard has been recognised as an adjustment to the opening balance of retained earnings as on 1st April, 2019, aggregating to Rs. 1,699.03 lakhs.
 - Consequently in the Statement of Profit and Loss for the current period, the nature of expenses in respect of operating leases has changed from "Lease rent" in previous period to "Depreciation and amortisation expense" for the right of use assets, "Finance cost" for interest accrued on lease liability and GST on Lease Rent to "Other expenses". As a result the "Lease Rent", "Depreciation and amortisation expense", "Finance cost" and "Other expenses" of the current period is not comparable to the earlier periods.

The performance of the current period is not comparable with previous period results. The reconciliation of the above effect on the Statement of Profit and Loss for the quarter and year ended 31st March, 2020 is as under:

Quarter ended 31st March, 2020 ₹ in

4 The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. There has been disruption in regular business operations due to the measures taken to curb the spread of the pandemic. Businesses are being forced to limit their operations for long or indefinite period of time. The restaurant industry has been adversely affected and the Company has assessed the impact of COVID-19 pandemic on its business operations, the carrying amount of its assets, liquidity position, lease/licence fees commitments and profitability.

The Company has already initiated effective steps to reduce its operational fixed costs which include re-negotiation of Rent and CAM charges for the rented properties. Due to uncertainties and impossibilities of business the company has initiated discontinuation of Lease/Leave and Licence arrangements of the premises.

Takeaway and Delivery Sales were resumed during the lockdown period as per the advisory and guidelines by the Central/State Authorities. The Company has considered external and internal information in assessing the impact of COVID - 19 on various elements of its financial statements, including recoverability of its assets as at the Balance Sheet date.

Exceptional item for the quarter and year ended 31st March 2020 resulting from COVID 19 Pandemic i) Impairment of Property Plant and Equipment amounting Rs. 2,544.48 Lakhs, ii) Impairment of Rights of Use Asset amounting Rs. 1,645.41 Lakhs and iii) Gain on disposal of Right Of Use Asset Rs. 1,452.10 Lakhs.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes based on future economic conditions.

- 5 The results of the quarter ended 31st March 2020 and 31st March 2019 are the balancing figure between audited results in respect of full financial year and published year to date results up to third quarter of relevant financial year.
- 6 Previous period / year figures have been regrouped, wherever necessary.

Emphasis of matter

We draw attention to Note 4 to financial results, which describes the possible effect of uncertainties relating to COVID-19 pandemic on the Company's financial performance as assessed by the management and impairment of assets recognized amounting to Rs 2,544.48 lakhs, net of reversal of lease liability and right of use assets. The consequential impact may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes based on future economic conditions as a result of the COVID-19 pandemic.

Our opinion is not modified in respect of the above matters.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/ loss and other comprehensive income/ loss of the Group and other financial information of the Group in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the Companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The respective Board of Directors of Companies included in Group are also responsible for overseeing the Group financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
