Management Discussion and Analysis

Macroeconomic Review:

The global economy grew at 3.4% in 2022 compared to a growth of 6.2% in 2021 according to the World Economic Outlook, released by the International Monetary Fund (IMF) in April 2023. This slowdown was primarily due to rising central bank rates as a result of high inflation, the impact of the Russia-Ukraine conflict, and sluggish economic activity in China due to a resurgence of Covid-19 pandemic. IMF forecasts the global growth to decline to 2.8% in 2023 and then rise again to 3.0% in 2024, dipping below the pre-Covid-19 pandemic historical average of 3.8% (for the period 2000-2019). IMF expects global inflation to decline in 2023 and 2024, from 8.7% in 2022 to 7.0% in 2023 and 4.9% in 2024. Global headline inflation peaked during the third quarter of 2022, according to IMF. The lower inflation estimates for 2023 are partly due to decline in international fuel and non-fuel commodity prices, as well as the cooling effects of monetary policy tightening. IMF expects the emerging and developing Asia to grow by 5.3% and 5.1% during 2023 and 2024, respectively.

As per the Economic Survey 2022-23 presented by the Finance Minister in January 2023, the Indian economy is estimated to have grown at 7.0% in 2022-23 (vs. 8.7% in 2021-22). This growth was mainly led by private consumption and increased Government focus on infrastructure development. India is now the fifth-largest economy in the world and was also the fastest growing major economy in the world during 2022-23. Economic growth in 2023-24 is likely to be in the range of 6.0% to 6.8%, as per the Economic Survey 2022-23. This is in line with IMF forecasts that peg the growth of Indian economy at 6.1% in 2023-24 and 6.8% in 2024-25, led by resilient domestic demand.

In 2022-23, elevated core inflation led the Reserve Bank of India (RBI) to maintain a tighter stance on the economy. RBI estimates headline inflation to be at 6.8% in 2022-23. However, RBI expects inflation to moderate in 2023-24 to 5.3%, but remain well above its 4% target.

The Government of India's budgeted estimate for capital expenditure outlay in 2022-23 increased by 35.4% from around ₹ 5.5 Lakh Crores in 2021-22 to an estimated ₹ 7.5 Lakh Crores for 2022-23. Further, the Union Budget of 2023- 24 has allocated a substantial amount of approximately ₹ 10 Lakh Crores for the country's infrastructure development. This is likely to be a key growth driver for the Indian economy amid the current volatile macroeconomic conditions.

India's Construction and Infrastructure Sector

In 2019, Government of India adopted a stronger approach towards infrastructure. The National Infrastructure Pipeline (NIP) was born with a projected investment of around Rs.111 lakh crore for FY20-25. The NIP currently has 8,964 projects with a total investment of more than Rs. 108 lakh crore under different stages of implementation. Regarding sectoral composition, the transport sector constituted more than half of the projects. The government has assigned infrastructure and investment as one of the seven priorities of the Union Budget 2023. The capital investment outlay has increased for the third successive year by 33.4% to Rs. 10 lakh crore equivalent to 3.3% of GDP. Effective capital expenditure of centre is budgeted at Rs. 13.7 lakh crore equivalent to 4.5% of GDP which is around Rs. 303.03 lakh crore. Support to State Governments with 50-year interest free loan has been continued to incentivize infrastructure investment with capital investment outlay of Rs. 1.3 lakh crores.

To bring in further convergence with comprehensive planning across centre and states, PM GatiShakti was launched for logistics facilitation through the National Logistics Policy in September 2022. All of this is expected to tighten the nuts and bolts for the arduous infrastructure journey that our country has undertaken together by the participation of centre, state, local governments, and the private sector.

This story has seen many successes. While roads, railways, and waterways have seen unprecedented expansion in the last eight years, ports and airports have been substantially upgraded. This has also helped the country move from unimodal to multimodal transportation, providing a window of opportunity to the private sector to invest and reinvest in these assets.

With the intent to improve Ease of Doing Business and facilitate overall probusiness environment, Ministry of Finance has issued a blueprint for Vivad se Vishwas II (Contractual Disputes) scheme. The scheme intends to setup a conciliation mechanism for settling the contractual disputes of Government and Central Government undertakings with private parties. The scheme allows a one-time settlement amount of up to 80% of the disputed amount, depending on progress and stage of the claim under the dispute resolution mechanism. This is a welcome move, and once implemented after taking into account inputs provided by industry, the scheme can give a boost to the sector as a whole.

As per India's Nationally Determined Contribution (NDC) under the Paris Agreement, India is committed to achieve 50% installed capacity by non-fossil fuel sources by 2030. To follow up on its commitment to clean energy, it has issued guidelines to promote pumped storage projects through concessional finance and rationalisation of environment clearance. Nuclear power is also seeing a renewed push from the government in line with its clean energy commitment. India approved 10 indigenously developed nuclear reactors and is also taking steps for development of Small Modular Reactors (SMR)

In the context of unique challenges, which only a country with a billion people can face, India's infrastructure journey has been global in outlook, but domestic in innovation and implementation.

Opportunities and Threats:

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well-designed projects in strategic locations, strong balance sheet, and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your company is ideally placed to further strengthen its development potential by acquiring new land parcels.

Outlook:

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure timebound creation of world class infrastructure in the country. Infrastructure sector includes power, bridges, dams, roads, and urban infrastructure development. In other words, the infrastructure sector acts as a catalyst for India's economic growth as it drives the growth of the allied sectors like townships, housing, built-up infrastructure and construction development projects.

India's high growth imperative in 2023 and beyond will significantly be driven by major strides in key sectors with infrastructure development being a critical force aiding the progress. In order to meet India's aim of reaching a USD 5 Tn economy by 2025, infrastructure development is the need of the hour. The government's focus on building infrastructure of the future has been evident given the slew of initiatives launched recently. The USD 1.3 Tn national master plan for infrastructure, Gati Shakti and Smart Cities has been a forerunner to bring about systemic and effective reforms in the sector, and has already shown a significant headway.

The government has launched the National Infrastructure Pipeline (NIP) combined with other initiatives such as ‘Make in India’ and the production-linked incentives (PLI) scheme to augment the growth of infrastructure sector. Historically, more than 80% of the country's infrastructure spending has gone toward funding for transportation, electricity, and water & irrigation. Investments in building and upgrading physical infrastructure, especially in synergy with the ease of doing business initiatives, remain pivotal to increase efficiency and costs. Few of the recent government initiatives and investments in the infrastructure sector are as follows:

- Capital investment outlay for infrastructure is being increased by 33% to Rs.10 lakh crore (USD 122 Bn), which would be 3.3% of GDP and almost three times the outlay in 2019-20.
- Infrastructure Finance Secretariat is being established to enhance opportunities for private investment in infrastructure that will assist all stakeholders for more private investment in infrastructure, including railways, roads, urban infrastructure, and power.
- 100 critical transport infrastructure projects, for last and first mile connectivity for ports, coal, steel, fertilizer, and food grains sectors have been identified and will be taken up on priority with investment of Rs. 75,000 crore (USD 9 Bn), including Rs. 15,000 crore (USD 1.8 bn) from private sources.
- An Urban Infrastructure Development Fund (UIDF) will be established through use of priority sector lending shortfall, which will be managed by the National Housing Bank, and will be used by public agencies to create urban infrastructure in Tier 2 and Tier 3 cities.

Real estate:

The real estate market in India has shown resilience and stability despite the impact of the COVID-19 pandemic. Home prices have stabilized with a rebound in housing sales and a decline in unsold inventories. The increase in rent price ratios in major metros has also shown promising growth potential in the rental market. REITs have experienced positive returns, and there is renewed interest from foreign funds in private equity real estate investments in India. Overall, the future performance of the real estate market in India looks promising despite global uncertainties. India's real estate sector has seen a three-fold increase in foreign institutional inflows, amounting to USD 26.6 Bn between 2017 and 2022. Foreign investments accounted for 81% of total investments in real estate during the period, driven by investor-friendly FDI policies, increased transparency in deals, and higher investment limits. Institutional investments remained strong in Q1 2023, with a 37% YoY increase to USD 1.7 Bn, led by the office sector.

Real estate sector in India is expected to reach USD 1 Tn in market size by 2030, up from USD 250 billion in 2022 and contribute 13% to the country's GDP by 2025. Indian real estate is expected to attract a substantial amount of FDI in the next two years with USD 8 billion capital infusion by FY22. The Private Equity Investments in India's real estate sector, stood at USD 3.4 Bn in 2022.

Indian residential real estate market is witnessing a surge in new launches as the appetite for home ownership remains strong. It is expected that this sector will incur more nonresident Indian (NRI) investment, both in the short term and the long term. Bengaluru is expected to be the most favoured property investment destination for NRIs, followed by Ahmedabad, Pune, Chennai, Goa, Delhi and Dehradun. The residential housing is expected to get further boost by central government's schemes on affordable housing under Pradhan Mantri Awas Yojana (PMAY). Some of the major investments and developments in this sector are as follows:

- In the Union Budget 2023-24, the Finance Ministry has announced a commitment of Rs. 79,000 crore (USD 9.6 Bn) for PM Awas Yojana, which represents a 66% increase compared to the last year.
- In order to revive around 1,600 stalled housing projects across top cities in the country, the Union Cabinet has approved the setting up of Rs. 25,000 crore (USD 3.6Bn) alternative investment fund (AIF).

Risks and Concerns:

The industry is affected by the factors like increased cement & steel cost, power cost; increase in labour cost and transportation cost due to petrol/diesel price increase etc. could contribute to inflation. The Company considers good corporate governance as a pre-requisite for meeting the needs and aspiration of its shareholders. The main risk to the Company which may arise is mainly due to Government policies and decisions, Fluctuations in prices of Raw materials, Exchange rate fluctuations, Industry demand etc.

Internal Control Systems and their adequacy:

The Company has an adequate system of internal controls to ensure accuracy of accounting records, compliance with the applicable laws & regulations. In a developing and dynamic economy such as India, regulatory environment keeps on progressing to keep pace with the global dynamics in the fields of environment, taxation, competition, governance, etc. Non-compliance of applicable regulations may lead to imposition of penalties, suspension of operations, among others apart from reputational damage. This may also hinder the pace of innovation, upgradation, transformation within the organisation. To mitigate the same, the Company keeps a strict vigil and regularly tracks the regulatory environment and takes necessary actions. Wherever required, it amends/ upgrades its operational practices and incurs capex to ensure compliance.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the
Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
TIVOLI CONSTRUCTION LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Tivoli Construction Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Management's responsibility

The Management along with the Board of Directors are responsible for ensuring that the Company complies with the provisions of all applicable laws and maintains the required statutory records and documents in the prescribed manner.

Auditor's responsibility

Our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS.

Basis for Opinion

We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.

Opinion

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and provided as scanned copies in electronic mode and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2023, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made

Independent Auditor's Report

To the Members of Tivoli Construction Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Tivoli Construction Limited ("the Company")** which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the *Indian Accounting Standards* (Ind AS) specified under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, and Loss including Other Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. Based on the circumstances and facts of the Audit, there are no key audit matters to be reported.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the

standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive Income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The standalone financial statements dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g. As required by section 197(16) of the Act, we report that the Company has not paid/provided remuneration to its Director during the year.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has neither declared nor paid the dividend during the year.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i. The Company does not have any fixed asset and hence clause (i) (a) to (e) of the Order is not applicable to the Company.
- ii. As informed to us, the Company does not have any inventory during the year under review and also not availed working capital limit from banks or financial institution. Hence clause (ii)(a) to (b) of the Order is not applicable to the Company.
- iii. During the year the Company has not made investment in, nor provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to Companies, firms, Limited Liability Partnerships, or other parties, therefore reporting under clause 3 (iii)(a) to (f) of the Order is not applicable to the company.
- iv. The Company has complied with the provisions of Section 185 and 186 of Companies Act, 2013 in respect of loans granted, investments made, guarantees and security provided.
- v. The Company has not accepted any deposits from the public in accordance with the provisions of Section 73 to 76 of the Act and the rules framed thereunder. Hence, reporting under clause 3(v) of the Order is not applicable to the company.
- vi. The Central Government has not prescribed the maintenance of cost records under Section 148 (1) of the Act, for any of the activities carried on by the Company.
- vii. According to the information and explanations given to us in respect of Statutory dues :
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Income Tax, Goods and Service Tax, Customs Duty, Professional Tax, Cess and other material statutory dues wherever applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Income Tax, Goods and Service Tax, Customs Duty, Professional Tax, Cess and other material statutory dues in arrears as at 31st March, 2023 for a period of more than six months from the date they became payable except Professional Tax of Rs.10,900/- which is outstanding for more than six months as on 31st March, 2023.
 - (c) There were no dues of Income Tax, Sales Tax, Service Tax, Excise Duty and Value Added Tax which have not been deposited as at 31st March, 2023 on account of dispute.
- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during the year.
- ix. The Company neither availed any loans or borrowings nor declared as wilful defaulter by any financial institution, banks, government or debenture holders during the year. Accordingly, clause 3(ix)(a) to (f) of the Order is not applicable.
- x. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and not availed any term loans from banks or financial institutions during the year. Hence reporting under clause 3 (x) of the order is not applicable to the company.
- xi. (a) No material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.

(b) No report sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4.

(c) As informed to us, the Company didn't receive any complaints from whistle-blower.

- xii. The Company is not a nidhi company. Hence, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Ind AS.
- xiv. (a) In our opinion, the Company has adequate internal audit system commensurate with the size and nature of its business.
(b) We have considered, the internal audit reports for the year audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedure.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them during the year. Accordingly, clause (xv) of the Order is not applicable to the Company.
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934. Hence reporting under clause 3 (xvi) (a) to (d) of the order is not applicable to the company.
- xvii. The Company has incurred cash losses of Rs.10.45 lakhs in the financial year and Rs. 9.23 Lakhs in the immediately preceding financial year.
- xviii. There is no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements our knowledge of the Board of Directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The Company is exempt from complying with Sec.135 of Companies Act, 2013.

Annexure - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred in Para 2(f) under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Tivoli Construction Limited** ("the Company") as of 31st March 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate Internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control and financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Nature & Purpose of Reserve

(a) General reserve

The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

(b) Retained earnings

Retained earnings represents the amount of accumulated earnings of the Company.

Note 1: Corporate Information:

TIVOLI CONSTRUCTION LTD (the "Company"), is a public limited company incorporated in India and has its registered office situated at 4th Floor, Raheja Chambers, Linking Road and Main Avenue, Santacruz (West), Mumbai 400 054.

The Company is primarily engaged in the business of construction.

Note 2: Basis of Preparation, Critical Accounting Estimates and Judgements, Significant Accounting Policies and Recent Accounting Pronouncements:

(i) Compliance with IND AS

These standalone financial statements have been prepared in accordance with the Indian Accounting Standard (hereinafter referred to as the 'Ind AS') as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, and other relevant provisions of the Act.

(ii) Basis of preparation

- (a) These standalone financial statements have been prepared on a historical cost convention, on the accrual basis of accounting. The accounting policies have been applied consistently over all the periods presented in financial statements.
- (b) Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- (c) Current Assets do not include elements which are not expected to be realised within 1 year and Current Liabilities do not include items which are due after 1 year, the period of 1 year being reckoned from the reporting date.

(iii) Critical accounting estimates and judgements

The preparation of these standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

- (a) Impairment testing:** The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which include turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, and future economic and market conditions.

Income Taxes: Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates

deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charges in the Statement of Profit or Loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

(iv) Significant Accounting Policies:

(a) Revenue recognition:

(i) Income from operations

Revenue from operations is accounted on accrual, is net of indirect taxes, returns and discounts. Revenue is measured at the fair value of the consideration received or receivable.

(ii) Interest:

Interest income is accrued on a time proportion basis using the effective interest rate method.

(b) Investments in subsidiaries

Investment in a subsidiary is a long-term investment and is carried at cost.

(c) Taxation

- (i) Provision for current taxation has been made in accordance with the Income Tax laws applicable to the assessment year.
- (ii) Deferred tax is recognized on timing difference being the difference between taxable incomes and accounting income that originates in one period and is capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation, or carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets.
- (iii) Minimum Alternate Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount is written down to the extent there is no longer a convincing evidence that the Company will be liable to pay normal income tax during the specified period.

(d) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date, to assess any indication of impairment. If any such indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognized wherever the carrying amount of the assets exceeds its recoverable amount. The recoverable amount is greater of the net selling price or value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discounting factor.

A previously recognized impairment loss is increased or reversed depending on changes in circumstances.

(e) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law because the Company created valid expectations on the part of the third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

(f) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year is classified by operating, investing and financing activities.

(g) Earnings per Share

Basic earning per share is computed, by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share.

(h) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(I) Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Classification:

- **Cash and Cash Equivalents** — Cash comprises cash/cheques on hand and demand deposits with banks. Cash equivalents are short-term balances with an original maturity of three months or less from the date of acquisition, highly liquid investment that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.
- **Debt Instruments** - The Company classifies its debt instruments as subsequently measured at amortised cost, fair value through Other Comprehensive Income or fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. Interest income from these financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

(ii) Financial assets at fair value through Other Comprehensive Income (FVOCI)

Financial assets are subsequently measured at fair value through Other Comprehensive Income if these financial assets are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest. Movements in the carrying value are taken through Other Comprehensive income, except for the recognition of impairment gains or losses, interest revenue are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from Other Comprehensive Income to the Statement of Profit and Loss. Interest income on such financial assets is included as a

part of the Company's income in the Statement of Profit and loss using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on such debt instrument that is subsequently measured at FVTPL and is not part of a hedging relationship as well as interest income is recognised in the Statement of Profit and Loss.

(II) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, and through the amortisation process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss,

(III) Impairment of financial assets

The Company assesses, at each reporting date, whether a financial asset or a group of financial assets is impaired. Ind AS-109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance.

Independent Auditor's Report

"Arjun", Plot No. 6A, V.P. Road,
Andheri (W), Mumbai - 400 058

To the Members of Tivoli Construction Limited

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Tivoli Construction Limited** ("the Holding Company") and its subsidiary (the Holding Company and its Subsidiary together referred to as "the Group") which comprise the consolidated Balance Sheet as at 31st March, 2023, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year ended on that date, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the *Indian Accounting Standards* ("Ind AS") specified under section 133 of the Act and other accounting principles generally accepted in India, of the consolidated state of affairs of the group as at 31st March, 2023, and Loss including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. Based on the circumstances and facts of the Audit, there are no key audit matters to be reported.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

if, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of the records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors / management of the companies included in the Group are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

- g. As required by section 197(16) of the Act, we report that the Holding Company and Subsidiary Company has not paid/provided remuneration to its Director during the year.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended in our opinion and to the best of our information and according to the explanations given to us:
- The Group does not have any pending litigations which would impact its financial position.
 - The Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Group.
 - (a) The respective Managements of the Company and its subsidiary whose financial statements have been audited under the Act have represented to us, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries, associates and joint ventures to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The respective Managements of the Company and its subsidiary, whose financial statements have been audited under the Act have represented to us, to the best of their knowledge and belief, no funds have been received by the Company or any of such subsidiary from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiary, shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries, associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of the Act, 2014 contain any material mis-statement.
 - The Holding Company or subsidiary company has neither declared nor paid the dividend during the year.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Tivoli Construction Limited** ("the Holding Company") and its subsidiary company (together referred to as 'the Group') as of 31st March, 2023 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Group based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Nature & Purpose of Reserve

(a) Capital reserve

The Group recognises profit and loss on purchase, sale, issue or cancellation of the Group's own equity instruments to capital reserve.

(b) Capital redemption reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

(c) Reserve fund of RBI Act, 1954

The Company has created a Reserve Fund in terms of Section 45-IC(1) of Reserve Bank of India Act, 1934 and now it is not required to be registered, accordingly no further transfer is made.

(d) General reserve

The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

(e) Retained earnings

Retained earnings represents the amount of accumulated earnings of the Company.

Note 1: Corporate Information:

TIVOLI CONSTRUCTION LTD (the "Company") and its subsidiary (together referred to as 'the Group'), is a public limited company incorporated in India and has its registered office situated at 4th Floor, Raheja Chambers, Linking Road and Main Avenue, Santacruz (West) Mumbai 400054. The Group is primarily engaged in the business of construction and providing loans.

Note 2: Basis of Preparation, Critical Accounting Estimates and Judgements, Significant Accounting Policies and Recent Accounting Pronouncements:

(i) Compliance with IND AS

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standard (hereinafter referred to as the 'Ind AS') as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, and other relevant provisions of the Act.

(ii) Basis of preparation

- (a) These consolidated financial statements have been prepared on a historical cost convention, on the accrual basis of accounting. The accounting policies have been applied consistently over all the periods presented in financial statements.
- (b) Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- (c) Current Assets do not include elements which are not expected to be realised within 1 year and Current Liabilities do not include items which are due after 1 year, the period of 1 year being reckoned from the reporting date.

(iii) Principles of consolidation and equity accounting

(a) Subsidiary

Subsidiary is an entity (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of that entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group.

The Group combines the financial statements of the parent and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intra-Group transactions, balances and unrealised gains on transactions between entities within the Group are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Balance Sheet respectively.

(b) Capital Reserve

Capital reserve comprises the portion of the purchase price for an acquisition that lower the Group's share in the identifiable assets, calculated on the date of acquisition.

(iv) Critical accounting estimates and judgements

The preparation of these consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

(a) Impairment testing: The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which include turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, and future economic and market conditions.

(b) Income Taxes: Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charges in the Statement of Profit or Loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

(v) Significant Accounting Policies:

(a) Revenue recognition:

(i) Income from operations

Revenue from operations is accounted on accrual, is net of indirect taxes, returns and discounts. Revenue is measured at the fair value of the consideration received or receivable.

(ii) Interest:

Interest income is accrued on a time proportion basis using the effective interest rate method.

(b) Taxation

(i) Provision for current taxation has been made in accordance with the Income Tax laws applicable to the assessment year.

(ii) Deferred tax is recognized on timing difference being the difference between taxable incomes and accounting income that originates in one period and is capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation, or carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets.

(iii) Minimum Alternate Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during

- the specified period. Such asset is reviewed at each balance sheet date and the carrying amount is written down to the extent there is no longer a convincing evidence that the Company will be liable to pay normal income tax during the specified period.

(c) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date, to assess any indication of impairment. If any such indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognized wherever the carrying amount of the assets exceeds its recoverable amount. The recoverable amount is greater of the net selling price or value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discounting factor.

A previously recognized impairment loss is increased or reversed depending on changes in circumstances.

(d) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law because the Company created valid expectations on the part of the third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

(e) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year is classified by operating, investing and financing activities.

(f) Earnings per Share

Basic earning per share is computed, by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share.

(g) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(I) Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Classification:

- **Cash and Cash Equivalents** — Cash comprises cash/cheques on hand and demand deposits with banks. Cash equivalents are short-term balances with an original maturity of three months or less from the date of acquisition, highly liquid investment that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Debt Instruments - The Company classifies its debt instruments as subsequently measured at amortised cost, fair value through Other Comprehensive Income or fair value

through profit or loss based on its business model for managing the financial assets and contractual cash flow characteristics of the financial asset.

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. Interest income from these financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

(ii) Financial assets at fair value through Other Comprehensive Income (FVOCI)

Financial assets are subsequently measured at fair value through Other Comprehensive Income if these financial assets are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest. Movements in the carrying value are taken through Other Comprehensive income, except for the recognition of impairment gains or losses, interest revenue are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from Other Comprehensive Income to the Statement of Profit and Loss. Interest income on such financial assets is included as a part of the Company's income in the Statement of Profit and loss using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on such debt instrument that is subsequently measured at FVTPL and is not part of a hedging relationship as well as interest income is recognised in the Statement of Profit and Loss.

(II) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, and through the amortisation process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss,

(III) Impairment of financial assets

and the
The Company assesses, at each reporting date, whether a financial asset or a group of financial assets is impaired. Ind AS-109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance.
