In the evolving landscape of mobility, the changed dynamics demands a sharp understanding of shifting consumer behaviours, regulatory transformations, collaborative models, and innovative strategies. To navigate these challenges successfully, businesses need to focus on three crucial elements: Innovation, Execution, and Transformation.

We recognise the importance of adapting to the changing ecosystem. By fostering a culture of innovation, focussing on efficient execution, and embracing transformational initiatives, we position ourselves for long-term growth and success.

We intend to continuously innovate and integrate cutting-edge technology to assist our clients in navigating the transformative environment and building solutions of the future. We have established a structured ecosystem that proactively addresses emerging challenges, seizes thriving opportunities, and contributes to a more sustainable world.

For us, innovation serves as the bedrock of progress and drives development of groundbreaking ideas, solutions, and novel processes and technologies to deliver extraordinary value to clients. By constantly embracing innovation, we strive to stay ahead of the curve and capitalise on emerging opportunities.

While innovation sparks ideas, execution is the process of translating those ideas into tangible results. Effective execution entails careful planning, resource allocation, strong leadership, operational excellence, and diligent implementation of strategies.

## CHAIRMAN & MANAGING DIRECTOR'S MESSAGE

recommended ₹6 per share as a final dividend in addition to the three interim dividends totalling ₹14.5 per share which have already been paid during the year. The total dividend of ₹493 crore at ₹20.5 per share, takes the dividend payout, on accrual basis, to the highest ever, being 92.8% of the profits earned.

Your Company specialises in handholding clients with their projects from the early stages of planning and ideation to seeing these ideas come to reality, ensuring effective execution and beyond, with a focus on staying ahead of the curve and adapting future-ready practices. By maintaining a sustainable approach towards operational performance excellence, it has, once again, demonstrated the ability of efficient and disciplined execution of various complex projects. Consultancy services for the Shivamogga Airport, Mauritius Metro Phase-III, Supply of locomotives, DEMU trainsets and Passenger coaches to CFM, Mozambique, Railway doubling works of Gooty-Dharmavaram, DEMU/MEMU Shed at Lumding, Assam, Mavli-Bari Sadri Railway Electrification, Highway projects across the country and abroad, are a few of the examples of our multi-sectoral presence.

Leveraging our strength and presence across all areas of infrastructure growth, your Company continues to focus on taking on more works in niche areas. With these concerted efforts, your Company secured orders of more than ₹3,000 crore and ended the year with a healthy order book of ₹5,870 crore, 19% higher than last year. Third Party Inspection for works under the Jal Jeevan Mission, PMC for Railway sidings at multiple locations, Depot construction work for Bengaluru metro, DPR for tunnels between Abu Road and Taranga Hill, and Consultant for the Ahmedabad Metro Rail Project Phase-II etc. were some of the orders across verticals.

Taking forward its vision for sustainable consultancy, a dedicated Sustainability Unit was created and in a short period, it has started getting orders in the fields of NCAP, Swachh Bharat Mission etc.

Your Company's thrust on the RITES Videsh strategic initiative, for

consolidating the international business revenue both in the rolling stock exports as well as the project consultancy streams, is being aggressively pursued across continents. As a result, your Company has witnessed some green shoots in the recent past and is looking to securing finite export orders in this financial year, as well as more international project consultancy orders.

Your Company's Subsidiaries and Joint Ventures - REMCL, SRBWIPL, and RAPL, have contributed ably to the overall performance. REMCL has shown 22.6% growth in the operating revenue and 30.2% jump in profits and will play an important role in Indian Railways' Mission of achieving Net Zero Carbon Emissions. With order from private clients as well, SRBWIPL is aiming at stepping up production in the coming years. RAPL is pitching to secure orders across sectors in the African region.

'Changing Lives', our CSR initiative, continues to be a core tenet of your Company delivering its commitment to bring about a lasting and holistic impact for enhancing social value. With a contribution of ₹14.10 crore towards CSR activities in FY23, these encapsulate a large gamut, including health, women empowerment, and skill development, with an emphasis on aspirational districts across the country.

Your Company is guided by a strong value system and takes pride in being a responsible corporate entity. Abiding with laws & regulations, emulating corporate governance practices, and ingraining a culture of compliance, accountability, transparency, and ethical conduct across the organisation, it is upholding the best interests of its stakeholders. Your Company's highest degree of compliance and transparency was recognised, and we were honoured to receive the ICAI Award for Financial Reporting and the South Asian Federation of Accountants (SAFA) Gold Award for the Best Presented Annual Report.

Our purpose-driven approach to business and our values are aimed at shaping a 'RITES culture' that makes our resources Future-Ready, embraces the people-centric approach and promotes parity & purpose at the workplace. Also,

The total dividend of ₹493 crore at ₹20.5 per share, takes the dividend payout, on accrual basis, to the highest ever, being 92.8% of the profits earned.

it's a matter of pride for us that this approach of valuing human capital was recognised with the 'Dream Companies to Work For' Award at the World HRD Congress-2023.

Your Company's diversified business portfolio, strong order pipeline and expanding global footprints are promising and reliable signposts for the exciting times ahead.

Your Company has made, being 'Future-Ready', its core mission. With close to five decades of experience, we are strongly positioned to build up on our legacy and tap the infrastructure growth opportunities through a three-pronged approach: Innovation, Execution and Transformation.

All the above would not have been possible without the continuous support and guidance of our parent Ministry and our stakeholders for which we are thankful. As we look ahead, given the trust of our clients, the strength of our capabilities, the dedication of 'Team RITES', and the guidance of our Board, we remain confident of our ability to build up on our position of being the 'Go-To Consultant' for infrastructure projects across sectors.

With Best Wishes,

#### Rahul Mithal

Chairman & Managing Director and CEO

With a well-diversified and resilient business model, RITES has followed a trajectory uniquely rooted in India's growth story. A future-ready and multidisciplinary consultancy organization, RITES is providing customized, diversified, comprehensive, and concept to commissioning services and integrated solutions in the transport infrastructure sector in India and abroad.

The company is uniquely placed in terms of geographical reach and consultancy services in sectors such as railways, highways, airports, ports, ropeways, metros, bridges & tunnels, urban engineering and sustainability, inland waterways, and renewable energy. Equipped with sophisticated software (including for designs) and modern equipment, RITES is also a unique inspection organization with in-house material-testing laboratories with national/international accreditation/certification.

Delivering smart and sustainable solutions with a talent pool of over 2,000 professionals, and the ability to adapt to diverse market

needs and foster collaborative relationships, RITES has served clients in more than 55 countries across Asia, Africa, Latin America, South America, and Middle East region.

During the financial year 2022-23, the company recorded consolidated revenue of ₹2730 crore and achieved highest-ever consultancy revenue. Additionally, our Profit After Tax of ₹571 crore underscores our ability to navigate market challenges and capitalize on emerging opportunities.

The increased thrust on the expansion & upgrade of transport infrastructure and last-mile connectivity, domestically as well as globally, provides opportunities for technical consultancy and export of rolling stock (indigenously developed and customised offerings), adding credence to the idea of Atmanirbhar Bharat that calls for 'Make in India, Make for the World'. By aligning our growth plans with the Nation's vision, we aim to further strengthen our position, embracing innovation, and fostering sustainable practices.

#### STATE OF COMPANY'S AFFAIRS & OUTLOOK

Hon'ble Prime Minister Shri Narendra Modi Inaugurates the Ahmedabad Metro

#### **CORPORATE SOCIAL RESPONSIBILITY & SUSTAINABILITY:**

India, being a pioneer in the global arena, took a significant stride by mandating Corporate Social Responsibility (CSR) through an amendment to the Companies Act in April 2014. It is a continuing commitment by businesses to integrate social and environmental concerns in their business operations. CSR is a concept whereby companies integrate social and environmental concerns in their business operations and interactions with their stakeholders.

Corporate Social Responsibility (CSR), is a tool by which an organisation integrates social, environmental, and economic concerns into their values, culture, decision making, strategy and operations in a transparent and accountable manner, thereby establishing better practices to enhance and improve society sustainably for the welfare of all. The CSR activities of the Company should take into account the expectations of stakeholders and should comply with applicable law and be consistent with good business norms and practices. It should act in a way that enhances society and its inhabitants and be held accountable for any action that affects the people, their communities and the environment.

At RITES social responsibility and sustainable development are seamlessly integrated throughout the organisation. RITES recognizes its responsibility toward society and strives to work consistently for its betterment by taking actions to address societal challenges. It applies to a wide variety of company activities, which operate in different social and environmental settings. RITES not only delivers one of the best technological supports in the field of transport & transport infrastructure, but it does it in a transparent sustainable & ethical manner to create a meaningful impact on the beneficiaries.

The Companies Act, which has brought the idea of CSR to the forefront and through its disclose-or-explain mandate, is promoting greater transparency and disclosure. RITES is a staunch advocator of Sustainable Development and is committed to operate in an economically, socially and environmentally sustainable manner that is transparent and ethical. It applies to a wide variety of company

activities, which operate in very different social and environmental settings. In line with these principles, a total amount of ₹14.10 crore was spent during FY 2022-23 on various CSR initiatives.

RITES has a strong corporate governance process in place to address new industry standards and regulations as they emerge. In line with the Guidelines on CSR issued by DPE and provisions of Section 135 of the Companies Act, 2013, a Board-level committee has been constituted to oversee the implementation of CSR and to assist the Board of Directors to formulate suitable policies & strategies in this regard. As on March 31, 2023, the CSR Committee is headed by Shri Raj Kumar Mangla, Chairperson and comprises Shri Bibhu Prasad Nayak Director Finance and Shri Laxman T. Tapashi, Independent Director, as Members of this Committee.

A report on CSR activities as prescribed under Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021 is attached as **Annexure II.** 

## **CORPORATE SOCIAL RESPONSIBILITY**

## CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

#### **CONSERVATION OF ENERGY**

Although, RITES, which is mainly a consultancy organisation, is not a major consumer of electricity and therefore does not fall under the category of major carbon emitter in the country. But since India is the world's 3<sup>rd</sup> largest consumer of electricity, during the Paris Agreement's (in the year 2016) Intended Nationally Determined Contributions Targets, India made a commitment of producing 50% of its total electricity from non-fossil fuel sources by 2030. RITES has been continuously working in this direction along with its subsidiary company REMC Ltd in achieving the national goal of energy conservation and accordingly, suggestions are given to our various clients for measures and methods to conserve energy.

#### I. Steps taken for impact on conservation of energy:

RITES has undertaken a few initiatives like setting-up of solar panels for solar energy at available, selected and suitable locations, turbines for wind energy in the states of Rajasthan, Tamil Nadu and Maharashtra. Further, energy - efficiency measures were initiated like installing energy efficient lighting system (LED) in RITES owned properties (Shikhar, Srijan, Rest House, RPO Buildings), upgrading electrical equipment with star rated equipment etc.

### Steps taken by the company for utilizing alternate source of energy:

RITES has taken various steps for harnessing green energy through use of renewable energy sources and to list a few are:

- a) Installation of solar panels on roof top
  - i) on offices at Gurugram (Shikar & Srijan), Rest House at Gurugram.
  - ii) on the platforms in Sahibabad Railway Station
  - iii) one of the platforms in Gurugram Railway Station and
- b) installed wind power plants (through its subsidiary company REMCL Ltd.) in Rajasthan, Tamil Nadu and Maharashtra for Railways, besides suggesting/ undertaking various energy conservation measures through energy-efficiency studies and their implementation for various clients, RITES Office and various Zonal Railways in the country.

Further, REMC Ltd. (subsidiary company of RITES), has been actively working towards achieving the Net Zero Carbon Emission Goal of Indian Railways by 2030 in harnessing green energy through non-fossil fuel sources-renewable energy resources (mainly Solar & wind).

#### Measures initiated and in progress

 Replacement of Outdated equipment (elevators, DG sets, Air-conditioning system) with latest technology (energy efficient).

- Use of electric vehicles in place of vehicles run on fuel (diesel, petrol, CNG).
- c) Use of low capacity DG set to illuminate building during night in case of power failure
- d) Regular cleaning of window/Atrium glass that fills the majority of building with natural light.

### II. The Capital investment on energy conservation equipment;

During the year, Capital investment on energy conservation equipment is ₹40.47 lakhs (approx.).

- a) Replacement of CFL light fixtures with energy efficient LED light fixtures at Shikhar & Srijan and Guest House at Mumbai at a cost of ₹31.84 lakh.
- b) Installation and commissioning of 8 kWp Solar Panel at Rest house in Gurgaon at a cost of ₹2.10 lakh.
- c) Installation and Commissioning of Brushless DC Fan at Rest House in Gurgaon at a cost of ₹0.60 lakh.
- d) Replacement of Halogen Flood Lights with LED Flood Lights for land scaping in Shikar at a cost of ₹4.12 lakh.
- e) Replacement of 15 HP 3 phase mono-block pumps for water supply and water softener plant at Shikar at a cost of ₹1.81 lakh.

#### III. GRIHA 4-star rating

RITES has undertaken construction of office building at Kolkata and Lucknow. The construction of these two buildings are being done with a view of obtaining **GRIHA 4** rating, which requires "Resource conservation and efficient utilization of resources". In addition to above, renewable energy utilization being mandatory, 130 kW solar panels are being planned for the office at Kolkata and 40 kW at Lucknow.

#### IV. Reduction in use of paper

Use of IT for processing files through E-office, Employee Self Service (ESS) portal for administration purposes, SAP for payments to vendors etc. are in progress, thereby reducing use of paper.

The company has disseminated annual reports in electronic mode to the shareholders who have registered their e-mail address either with the Registrar and share transfer agents or the depositories. The initiative is aimed at minimizing the impact on the planet and supporting carbon neutrality.

RITES endeavors to comply with all applicable environmental laws and regulations and strives to continually strengthen its environmental practices.

#### **TECHNOLOGY ABSORPTION**

I. Implementation of Structural Health monitoring System (SHMS) is the latest technological advancement that take cares

the inspection, maintenance, rehabilitation and replacement of bridges in cost-effective manner. SHMS provides more precise, structured, and automated inspection, diagnostic and Maintenance system. SHMS provides quantitative data about the structural behavior (in order to confirm design assumptions), real-time feed-back during construction, post construction analysis, and to evaluate the real time current condition of the bridge. The results/information obtained through SHMS allows authorities/owners to take informed decisions about remaining life of bridges/structures, to plan maintenance or repair actions which inter alia results in increasing the safety of the structure and provides early warning of an acceleration of the known degradations that are being monitored.

Indian Railways has now a days adopted this latest trend of implementing SHMS on almost every important and mega bridge projects. RITES has taken this opportunity to go the deep end of the pool and secured the contract of SHMS of prestigious Br no 39 & 43 of USBRL project (on open tender basis), which is under advance stage of implementation. RITES is also providing the SHMS for prestigious Bogibeel bridge which is one of the most comprehensive monitoring system worldwide covering all aspects of the SHMS.

- In a place like Ladakh, which is known as dry desert, there is a high scarcity of water, especially where natural water channels are in deficiency. In order to suffice the need of fresh water of people of Leh city, RITES has integrated various engineering techniques to divert a stream carrying fresh water melted from KhardungLa Glacier away from Leh city (towards North) and planned the highway Khardungla tunnel in such a way so that this tunnel could carry the desired fresh water from the diverted stream towards Leh city (towards South) along with the anticipated traffic. The planning of multi-purpose tunnel will suffice the water requirement of the capital city of Ladakh, along with providing alternate road alignment bypassing the high altitude Khardungla pass for traffic, mitigating issues arising from high altitude like icing, avalanche, high snow accumulation on existing road and providing all weather connectivity between Leh and Nubra Valley.
- 3. While working in remote projects of Ladakh, like 100km long proposed Bazgo Niala Hunder road, which is in totally greenfield, completely inaccessible to any type of movement and no prior information available to any availability of previous trace cuts, RITES had planned its alignment to the greatest level of accuracy utilizing High Resolution Satellite Imagery (HRSI). RITES has carried out topographic survey to act as input for design and planning of the road network in the union territory of Ladakh. The basic objective of the topographic survey is to capture the essential ground features and creating the Digital Terrain Model (DTM) for the planning of road network and optimize the alignment of the proposed tunnels. Using the photogrammetric processing, the high resolution digital elevation model (DEM) and overlay of topographical contours will be produced to portraits the

accurate topographical maps. Since the DTM and contours of 1M was needed to be used for optimization and finalization of tentative alignment of the proposed road network, it was required to be optimized on micro level using the very high ground levels for next level final survey using High resolution Satellite imagery (30 cm – WV3). The area to the extent of several hundred square kilometers covering the alignment has been procured by RITES and DTM/DEM been generated after topographic survey on site for planning of alignment with high accuracy.

#### FOREIGN EXCHANGE EARNING AND OUTGO

The foreign exchange earned and the foreign exchange outgo in terms of actual inflows/ outflows during the year are as under:

Total foreign exchange earnings during the year under review was ₹401.74 crore (previous year ₹1039.17 crore) and foreign exchange outgo was ₹29.17 crore (previous year ₹61.52 crore). This resulted in net foreign exchange earnings of ₹372.56 crore (previous year ₹977.65 crore).

#### **Environment Protection**

### CORPORATE GOVERNANCE REPORT AND GREEN INITIATIVE

RITES Ltd. believes in the principle that good corporate governance establishes a positive organisational culture, and it is evident by its responsibility, accountability, consistency, fairness and transparency towards stakeholders. As required under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and DPE guidelines on Corporate Governance, a separate report on Corporate Governance practices followed by the Company forms part of this Report placed at **Annexure-A**.

In support of the "Green Initiative" measure taken by the Ministry of Corporate Affairs, Government of India, which has enabled electronic delivery of documents, as well as in conformation to the circular issued by the Securities and Exchange Board of India (SEBI) dated November 05, 2011, and as prescribed under the relevant provisions of the Companies Act, 2013 and the Rules made thereunder, RITES Ltd has disseminated Annual Reports in electronic mode to the shareholders who have registered their e-mail addresses either with the Registrar and Share Transfer Agents or with the Depositories. The initiative is aimed at minimising the impact on the planet and supporting carbon neutrality.

RITES Ltd has also adopted several environment-friendly initiatives to realise its endeavour of '*Transforming to Green*'. The company continues to adapt and innovate its strategy to reflect its ambition of 'Shaping Tomorrow's Mobility' that is sustainable and connected. Some among them include promotion of mobility solutions that emphasize sustainable performance, decarbonisation and digitally-enabled efficiency; adoption of innovative systems that underpin the transition to a low-carbon future, in line with India's target of achieving net-zero emission by 2070; and development of green transport infrastructure.

It has also been actively involved in CSR activities, including pond rejuvenation, plantation drives, waste management, rainwater harvesting and recycling projects across the country.

### BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT (BRSR)

Fulfilment of environmental, social and governance responsibilities is part of RITES' business culture. SEBI, vide its circular dated May 10,2021, made BRSR mandatory for the top 1,000 listed companies (by market capitalization) from fiscal 2023. In compliance, the BRSR disclosure is integrated into the Annual report and aimed at describing RITES' initiatives in discharging responsibilities from an environmental, social and governance perspective. The BRSR is attached as **Annexure - C** which forms part of this report.

#### KNOWLEDGE MANAGEMENT SYSTEM

RITES gives a lot of emphasis on creating and updating a knowledge base to maintain its leadership position in the market place. IT Sub-Unit of RITES is an enabler which provides technology support to other units and helps them to gain a competitive edge in the market. In line with Industry, RITES is determined to accelerate its Digitalization journey. RITES has embarked on its journey on creating a "Vault" which will house all the artefacts created as part of consulting assignments. It will be a central repository of all documents that can be easily retrieved for reference in future as well as using for credentials. Digitization of Personal Files has been an ongoing process in RITES. It helps in fast retrieval of information. All these initiatives manifest RITES emphasis on Knowledge Management.

Implementation of SAP and a renewed approach for keeping SAP as single source of truth has helped RITES in standardising its process across all SBUs. The process documents along with training are available online.

RITES is implementing system which will streamline knowledge sharing process. It will be central repository of training materials including videos.

A CV Dashboard has been created which curates the employee CVs with advance search on various parameters. It helps RITES in identifying right person for a particular project.

#### **HUMAN RESOURCES AND INDUSTRIAL RELATIONS**

Being a leading transport infrastructure consultancy and engineering company, RITES is constantly looking to enhance its knowledge capabilities and professional pool by inducting bright, qualified employees into its team every year. In line with this mission, the Human Resource Department of RITES is committed to achieve excellence in talent acquisition, upskilling & training, employee engagement, talent retention, career progression and development of human capital.

The company's progressive HR policies have a purpose-driven approach to being established as an "Equal Opportunity Employer". Such policies are one of the many reasons there is an ease in employee acquisition, retention and maintenance of a very low attrition rate. The attrition rate during FY 22-23 stood at a mere 1.58 %.

As a part of succession planning and career progression, as well as to keep the employee motivated, a periodic review of cadres is done. The reviews are conducted in a supportive environment, with benchmarks outlined against the business goals of the Company and best practices in the industry. During FY 22-23, the selection process of 340 eligible candidates from across disciplines, levels & regions was conducted, and 234 employees (including both executive & non-executive staff) were promoted.

The company believes in consistently improving its systems and processes to attract, motivate and nurture talent. It focuses on making the workforce agile and *Future Ready* to align with dynamic industry trends and the infrastructure needs of tomorrow.

### IMPLEMENTATION OF RIGHT TO INFORMATION ACT, 2005

RITES has put in place a robust implementation structure with high level of commitment towards transparency amongst the First

Appellate Authority (FAA), Central Public Information Officer (CPIO) & Assistant Central Public Information Officers (ACPIOs) which had profound influence on successful implementation and accomplishing goals & objectives of the Right to Information Act, 2005. By establishing citizens' right to have maximum access to records & documents in all areas, barring a limited regime of exceptions, has thus improved transparency, accountability, good governance and service delivery.

To bring about transparency in RITES, administrative culture, concerted efforts were made through in house awareness and training programmes for officers & staff highlighting the significance and strategic approach with which RITES is pursuing the implementation of the Right to Information Act, 2005. This has helped in a catalytic improvement in implementing the Act, making the goals & objectives achievable with their concerted, creative and decisive actions.

RITES believes on the principle of "maximum disclosure", the right to access information extends to a broad range of records & documents unless specifically included in the narrowly defined list of exemptions. Therefore, in RITES, there is a fundamental paradigm shift, a presumption of disclosure and transparency supersedes the presumption of secrecy and the effective implementation of the Right to Information Act, 2005, has fostered a new culture of openness.

RITES has been putting sincere efforts in creating informed citizenry & promoting transparency through pro-active disclosures on its website under Section 4(1)(b) of the Right to Information Act, 2005. Categories of information frequently sought, have also been identified, catalogued, and organized in a retrievable user-friendly database. RITES conduct Transparency Audit regularly to ensure compliance of all the stipulated major statutory requirements of Section 4 of the Right to Information Act and compliances for DoPT OM/Circular dated April 15, 2013 for proactive/Suo-Moto disclosures and other provisions of the Right to Information Act.

The provision for submission of RTI applications/First Appeals with payment of application/additional fee online, provided on RITES website, has enabled citizens to file their applications/First Appeals with ease and receive information faster, cutting on the cost of postal dispatch and nullifying the time of postal transit.

The gradual reduction in the number of new applications highlights the effective use of RITES' Website and Social Media platforms for dissemination of information. Efficient & scientific record keeping, ensuring timely and accurate information to the applicants under the provisions of the Act, vocalizes effective containment of First and Second Appeals in compliance with the letter and spirit of the Right to Information Act, 2005.

#### **EXHIBITIONS AND AWARDS**

As a part of business strategy, the company encourages participation in specialized trade exhibitions with the objective of displaying its multifarious capabilities and exploring business opportunities in India and abroad. It believes these expositions play an important role in building business linkages and providing exposure to numerous prospective clients, delegations, and ministerial participation. This year, the Company participated in an exhibition on 'Contribution of CPSEs in nation building since Independence - Showcasing their first-in-the-country product/services' from 9th June to 12th June, 2022, in Gandhinagar. The exhibition was organized as part of Azadi Ka Amrit Mahotsav (AKAM) celebrations.

# CERTIFICATE ON CORPORATE GOVERNANCE COMPLIANCES

To,
The Members,
RITES LIMITED,
SCOPE MINAR, LAXMI NAGAR
DELHI-110092

We have examined the compliance of conditions of Corporate Governance by RITES Limited ("Company") for the year ended 31st March, 2023 as stipulated in SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 ("SEBI (LODR) Regulations") in respect of Equity Shares of the Company listed with Stock Exchanges and the DPE guidelines on Corporate Governance for Central Public Sector Enterprises ("CPSEs") issued by the 'Department of Public Enterprises', Ministry of Heavy Industries and Public Enterprises, Government of India.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination, carried out is in accordance with the Corporate Governance (Models of Best practices) issued by the Institute of Company Secretaries of India, was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of certification and have been provided with such records, documents, certification, etc. as had been required by us.

In our opinion and to the best of our knowledge and information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI (LODR) Regulations, 2015 and amendment therein from time to time and in the guidelines on corporate governance issued by the 'Department of Public Enterprises' except that during Financial Year 2022-23, the number of Independent Directors on the Board was less than half of the total strength of Board as required under Regulation 17 (1)(b) of SEBI (LODR) Regulations, 2015 and the DPE Guidelines.

The Company had requested to its administrative ministry i.e. Ministry of Railways for appointment of appropriate number of Independent Directors on the board.

We further state that such compliance is neither an assurance as to further viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

# Management Discussion and Analysis

The financial year 2023 was another pivotal year for RITES. With a well-diversified business model, the company demonstrated agility and adaptability, which allowed us to record the best-ever performance in the Consultancy segment despite export headwinds. Embarking on the next level of sustained growth, the company is capitalizing on its core competencies to help build smart & sustainable infrastructure with a three-pronged approach:

# Innovation, Execution and Transformation

### **ECONOMIC OVERVIEW**

In the financial year gone by, the world economy faced severe headwinds amid poor growth prospects, elevated inflation, and heightened uncertainties. A confluence of factors — the lingering Russia-Ukraine war, the recent banking sector turmoil, legacy effects of the Covid-19 pandemic, the worsening impact of climate change and ever-changing macroeconomic conditions — is clouding the economic outlook even as the global picture shows a slight improvement.

As per the United Nations World Economic Situation and Prospects Mid-Year Report, the deceleration in global growth is likely to be less severe than anticipated, mainly due to persistently robust spending (household) in the largest economies. The IMF World Economic Outlook April 2023 echoes similar sentiments; global inflation will cool down, although more slowly than initially anticipated, but is expected to touch the targeted levels of central banks by 2025. Advanced economies are expected to experience a deceleration in growth, but the global economy is projected to remain on a path of expansion. While there are challenges to be addressed, the outlook remains positive.

Despite the gloomy backdrop of what appears to be turning out to be a difficult year for the global economy, Asia and the Pacific remain a dynamic region. As the region increasingly lifted Covid-19 restrictions, amplifying mobility, boosting domestic demand, particularly in emerging market nations, and supplementing in closing output gaps. As per the IMF Regional Economic Outlook Edition May-23, economic growth in Asia and the Pacific is projected to increase this year to 4.6% from 3.8% in 2022. This means the region would contribute around 70% of global growth on Asia's dynamism.

India's economy has been showing a positive outlook, with a robust growth of 7.2% in the current year, making it the 5th largest economy globally. As per World Bank global economic prospectus report June 2023, the Indian economy is expected to remain one of the world's fastest growing major economies with a growth rate of 6.3% in FY24. As per the IMF forecast, India is expected to become a \$5 trillion economy by FY27, however the government's resolve towards faster infrastructure development through supportive policy reforms is expected to catalyse growth and beat the IMF deadline.

Through its policies such as PM Gati Shakti, National Infrastructure Pipeline, PM Awas Yojana, Agricultural Accelerator Fund and more, the Government significantly increased capital expenditure on infrastructure projects to build back medium-term demand and prepare the economy for a sustained long-term expansion.

Also, India's G-20 presidency coupled with growth in world ranking is a testimony that the Indian economy is on the right track and being recognised as a bright spot in the world economy.

#### **INDUSTRY OVERVIEW**

As per the report published by Allied Market Research in December 2022, the global transport infrastructure industry has been growing at a steady pace, with the market size valued at \$1.77 trillion in 2021, and projected to reach \$5.1 trillion by 2026. Asia accounts for the largest share of the global transport infrastructure market, followed by Europe and North America. The market growth can be attributed to the increasing investments in transport infrastructure, technological advancements, and the growing demand for public transport.

In Asia, the transport infrastructure industry is witnessing significant growth, with an increasing demand for mass transit systems and the expansion of transportation networks. As per the UNCTAD June report, the market size of the transport infrastructure industry in Asia was valued at \$2.4 trillion in 2020, and it is projected to reach \$3.5 trillion by 2026. India is one of the largest markets in the region, with the country investing heavily in its transportation infrastructure.

In India, the transport infrastructure industry is witnessing a paradigm shift, with the government focusing on improving the country's transportation network to drive economic growth. India's transport infrastructure industry is expected to reach \$326 billion by 2025.

The Government's focus on developing green and sustainable transport infrastructure, as reflected in the 2023 Budget which recognises the infrastructure sector as a key contributor to the vision of sustainable growth in Amrit Kaal, is expected to provide a significant boost to the industry. Also, the 2023 Infrastructure Agenda under the Indian G20 Presidency's theme of 'One Earth, One Family, One Future' underlines the priorities of building resilient, inclusive & future-ready urban infrastructure, making cities economic centres of growth and the importance of equitable growth. These prospects along with the enhanced capex outlay of ₹10 lakh crore (representing 3.3% of GDP), including the highest outlay for railways, development of regional airports and transport infrastructure projects, will enhance growth potential, job creation, pool private investments and provide a cushion against global headwinds.

Hon'ble Minister of External Affairs Mr. S Jaishankar, along with Hon'ble Transport Minister of Mozambique Mr. Mateus Magala, takes a ride in made-in-India train, exported by RITES to CEM. Mozambique.

# A NEW APPROACH

# **REGIONAL STRUCTURE**

Adopted a regional management structure where each Regional Project Office (RPO), having Project Units (PUs), also undertakes multi-sectoral projects in the state-wise territory. The endeavour is to strengthen RITES' presence in regions of 'new growth', be in close proximity to clients, and achieve greater business synergies.

#### II. STRENGTHS & WEAKNESSES

RITES has built a reputation over the past 49 years of delivering top-notch engineering consultancy services across sectors. The company provides a comprehensive range of consultancy services and has a diversified sector portfolio in the transport infrastructure space. It has successfully completed projects to expand its reach and expertise, positioning itself to take advantage of additional business opportunities from the current clients as well as to meet the needs of a larger pool of potential/new clients. The company's diversified sector portfolio allows it to access industries with growth potential as per the changing macroeconomic trends and to expand operations in industries where the company already has a sizable presence. As an example, the company has pooled its resources from various verticals working on sustainability and related projects and grouped them under 'Sustainability Unit'.

Leveraging its position as a public sector company and its relationships with governments, government agencies and other public sector companies in India and various countries where it has delivered projects in the past, the company can increase its presence and participation in new emerging infrastructure sectors and in developing business relationships with governments and government instrumentalities as well as private sector corporations both domestically and internationally.

With unique export product offerings and strengths, RITES has an edge over others. The company has supplied rolling stock to 12 countries and being an MoR owned organization, it has access to new state-of-the-art products of Indian Railways for exports. Its product portfolio comprises Locomotives, Coaches, Wagons and Train Sets (including semi-high-speed trainsets) in various gauges --- Narrow, Meter, Standard, Cape and Broad. It has the unique strength of providing after-sale services including but not limited to warranty, spare part support, incidental services, and training etc. Over 49 years, the company has developed a strong quality assurance vertical, which is testing, at both process as well as final stages. Having the ability to harness relevant technology for mega projects, the company has delivered and been delivering projects in critical areas of infrastructure.

RITES' success depends largely upon highly skilled engineering and transportation professionals, particularly project managers at senior & mid-level positions. The company faces a continuous challenge to recruit and retain suitably skilled personnel, particularly as it continues to grow. There is significant competition for engineering, management, and other skilled personnel in India, and it may be a challenge to attract and retain the personnel company needs in the future. However, the company is taking various measures such as employee training and development, upskilling, job rotation, and career growth opportunities to overcome the challenge.

### III. OPPORTUNITIES & THREATS

In the backdrop of the government's strong emphasis on developing innovative and sustainable large infrastructure projects, opportunities galore for a player like RITES that has a multi-sectoral presence.

An all-time high capital outlay for the Railways, \$1.3trillion National Master Plan for Infrastructure - Gati Shakti, the proposed Urban Infrastructure Development Fund, plan to revive 50 more airports, Amrit Bharat Station Development Scheme, focus on export of indigenous railway products such as Vande Bharat, Maritime India Vision 2030, Parvatmala Programme and other systemic and effective reforms in the sector are making the next fiscal year a critical one for effective execution and celerity of completion. Besides, the Net-Zero goal has emerged as a top-notch priority. Thus, all these offer RITES a vista of opportunities, vis-a-vis engineering to green consulting, to grow and contribute to build India@100.

Also, infrastructure networks of transport, communication and energy are expanding rapidly across borders. Post-Covid, sectors such as transport, including Light Rail System and multi-modal transport network; renewable energy; and info-communication technology have been reprioritised for infrastructure development in Southeast Asia, Africa, and Latin America, offering opportunities for technical consultancy and export of indigenously developed and customized rolling stock to clients in the region. Banking on its core expertise, RITES is strategically moving ahead, under its initiative 'RITES Videsh', to tap opportunities emerging in the regions and foray into new-age areas and markets as well.

Evolving as a 'Future-Ready' company in a dynamic economic environment with ever-emerging industry-related challenges, RITES is aware of potential business threats. The policy shift to competitive bidding, opening up of sectors, including railways, for private participation and changing policy & regulatory environment pose challenges to the company as these may moderate the margins. However, by undertaking more strategic initiatives, underscoring its brand strength and commitment to quality, the company is geared up to take on the Best in Class.

# IV. FINANCIAL PERFORMANCE

With highest-ever consultancy, including international consultancy, the company recorded a total income of ₹2639 crore compared to ₹2661 crore in the previous year. Profit after tax for the year stood at ₹531 crore as against ₹497 crore in the year before.

It earned an operating turnover of ₹2520 crore as against ₹2575 crore in the previous year. This revenue is achieved on account of growth in all segments barring exports. The net worth has grown from ₹2399 crore to ₹2503 crore and the company has remained debt-free. During the year, the company has spent ₹14.10 crore towards corporate social responsibilities as compared to ₹13.90 crore last year.

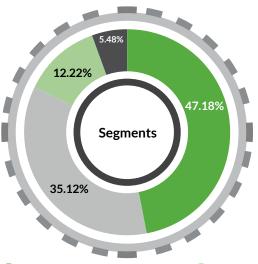

Continuous satisfactory performance to win clients' confidence and efforts on business development have contributed to close the year with an order book of ₹5870 crore with orders worth ₹3080 crore secured in FY23 only.

## Expenditure

Total expenditure has decreased to ₹1930 crore from ₹1987 crore last year. The decrease is mainly on account of decline in exports, which has led to fall in exports' cost from ₹706 crore last year to ₹217 crore this year. Expenses related to employees have remained almost constant. Expenditure on supplies and services increased to ₹974 crore from ₹590 crore on account of higher execution of turnkey projects.

# V. OPERATIONAL PERFORMANCE

The nearly five-decade-long journey of RITES, preferred by clients across the globe and ranked among the Top-500 listed companies in the country based on market capitalization, is a testimony to high quality of solutions and services delivered, driven by its talented pool of professionals.

#### Overseas

Having footprints in more than 55 countries, RITES continues to build on its legacy and international presence. This year, the company achieved its highest-ever revenue from international consultancy and under its strategic initiative 'RITES Videsh', the company aims at enhancing its international business with a focus on emerging opportunities (export and consultancy) in Southeast Asia, Africa, and South America.

During the year, RITES executed projects in 13 countries and some of these projects, such as 4-lane national highway in Bangladesh, dual gauge railway line from Bogura to Shahid M. Mansur in Bangladesh, Tshesebe to Masunga Road in Botswana, Consultancy for Integrated Check Posts at Nepalgunj and Bhairawaha in Nepal, study project for port in Indonesia and Myanmar, consultancy for runway rehabilitation at Gautam Buddha International Airport in Nepal and Project Management Consultancy for highway project in Guyana (by RITES wholly owned subsidiary RITES (AFRIKA), progressed well

With the supply of 4 DEMU trainsets and 1 locomotive to CFM Mozambique, RITES completed its contractual supply obligation for DEMUs and locomotives. In addition, RITES supplied 25 passenger coaches to Mozambique. Also, RITES completed the metro study for Bahrain & phase- IV of Mauritius Metro and Detailed Project Report for Link Road & helipad in Indorama Complex, Nigeria. After successfully delivering Mauritius Metro Phase I and II as General Consultant, phase III of the project was inaugurated during the year.

During the year, the company secured assignments for Construction Supervision of Highway in Guyana, PMC for Eastern Railway Sections in Ghana, High Occupancy Vehicle Lanes Study on Budaiya Highway in Bahrain.

# Domestic

RITES has always remained at the forefront in development of transport infrastructure & related technologies and turnkey engineering solutions for clients from Ministries/ Departments of Central and state governments and private corporate houses.

During the year, the company's association continued with several railway projects including DFC, high-speed passenger corridors, semi high-speed corridors, rail connectivity for industry/ports for bulk movement of freight, capacity augmentation projects, railway electrification, signalling and telecommunication, Sub-Urban rail Projects, workshop modernization/capacity augmentation, traffic studies,

detailed engineering of bridges, tunnels and geo-technical investigations, including structural health (condition) monitoring of railway bridges and other assets.

During the year, the company secured the Independent Safety Assessor (ISA) certificate and became the second company to have this certification in India. Indian Railways, the biggest client for Quality Assurance services of RITES, selected 4 parties to do the inspection works, which may have impact on revenue and profits during the FY24. RITES has continuously been making significant progress and has considerably enhanced its quality assurance business with non-railway & private clients such as SAIL, Oil PSUs, NTPC, state PWDs, state electricity boards/utilities, smart city projects, state rural and urban development projects, etc. RITES provides third-party inspection services for head hardened rails and long products at their conversion and wet leasing agents across the country.

In the rolling stock leasing segment, RITES owns 69 locomotives which are operating on the wet lease basis at major ports (Visakhapatnam, Mumbai, Mormugaon, Dhamra, Haldia etc), steel plants (Bhilai, Rourkela, Burnpur, Tata Steel-Kalinganagar, Jindal- Aungul in Odisha and more) and other sectors. The company continues to provide services for operation and maintenance of railway systems to domestic clients in power, steel, cement, coal, and port sectors. At present, it is engaged in maintenance of over 240 diesel locomotives and 2,000 wagons owned by NTPC, SAIL etc.

The sector-wise details of domestic projects undertaken or executed during the year are covered under RITES' Sectors of Operation.

# VI. OUTLOOK

With countries embracing investment in infrastructure as a strategy for unlocking growth potential, RITES, with

wide consultancy expertise coupled with a multi-pronged approach, finds itself fully aligned to tap new opportunities, new markets, and new areas.

Large-scale development of transport networks will continue in many economies, including India, given the changing economic dynamics and rapid urbanisation. To ensure faster, safer and timely movement of goods and public, there is a massive thrust on railway electrification, semi high speed, track/railway line works, road infrastructure to accommodate more vehicles, urban mobility to relieve congestion, port infrastructure for strengthening last-mile connectivity and supporting expansion in international trade, alternate mobility solutions (ropeways) and sustainable & low-carbon infrastructure. This offers a constructive outlook to RITES as it is capable of undertaking complex and multi-faceted projects emerging under these thrust areas to witness sustained growth.

Also, Southeast Asia, Africa and Latin America are the geographical zones that harbour strong growth potential for RITES' business. Under its strategic initiative 'RITES Videsh', the company is exploring opportunities with prospective/ existing clients for consultancy and export of rolling stock across gauges.

Taking forward its 'Transforming to GREEN' campaign and expanding the ambit of green consultancy through the

'Sustainability Unit', RITES undertakes projects involving advanced sustainable solutions. Working in this direction, the company has recently collaborated with IIT-Kanpur for sustainability works, including NCAP and R&D on air quality sensors in line with MoEFCC and MoHUA's campaign to address pollution and waste management (solid and wastewater).

Digitalization and technological advancements are also transforming the way that infrastructure is designed, built, and operated. RITES is positioned to capitalize on these trends as it is continually exploring new technologies and approaches to improve its services and deliver better outcomes.

Overall, the outlook for RITES is positive with emerging opportunities for growth and innovation. Leveraging its core strengths and adapting to the changing ecosystem, RITES aims at delivering value to its clients and consolidating its position in the industry.

# VII. SECTORS OF OPERATION

With a well-diversified business model, RITES continues to follow a path of systematic and professional operations to provide integrated solutions for building Infra4Future and drive growth in sectors such as railways, highways, metros sustainability and urban engineering, airports, ports, ropeways, institutional buildings, inland waterways, and renewable energy.

# **RAILWAYS**

RITES envisages its continued presence in projects planned in the railway sector such as Dedicated Freight Corridors, high-speed & semi-high speed passenger corridors, capacity augmentation projects, railway electrification, sub-urban railways, workshop modernisation, last and first mile connectivity projects, freight terminals & logistics parks,

station redevelopment, long bridges and tunnels, and energy & sustainability solutions.

## VIII. PEOPLE MANAGEMENT

Being a consulting organisation, RITES is constantly enhancing its knowledge and professional pool by regularly inducting skilled professionals. Its Human Resource Department is committed to achieving deliverables in terms of talent acquisition and retention, employee engagement, career progression, welfare, and development of the human capital.

## Employee strength as on 31.03.2023

# Attrition rate of regular employees

## Recruitment

To maintain its competitive advantage, RITES is determined to induct the best and talented workforce across the hierarchy — from fresh graduates, to engineer and management trainees, to deputationists, to retired officials (as experts and advisors) and to staff on third-party pay roll. The company has adopted best practices for providing equal opportunities and harmonious environment for advancement of SC, ST, OBC, Minorities and women employees. Its recruitment policies indicate the forward-looking approach with the emphasis on becoming 'Equal Opportunity Employer'.

During the year, RITES inducted 53 employees (18 regular and 35 contractual) of which 34 belong to the SC/ST/OBC/EWS category. Further, 2 PWD candidates were also inducted.

# **Career Progression**

RITES' promotion and transfer policy has been framed to provide adequate avenues of career advancement at all levels consistent with merit, suitability, performance and professional attainments of the employees. It is also commensurate with the business needs of the company to sustain in the competitive environment.

The promotion process was conducted for the 340 eligible candidates across disciplines, levels and regions and 234 employees (executive and non-executive staff) were promoted in FY 2022-23.

Based on the project requirements and to aid in learning and career progression as well as to comply with the job rotation policy for sensitive posts, around 500 employees have been transferred across verticals and regions during the year.

To make the workforce future ready and sustain a healthy pipeline of rich talent and expertise, RITES also continuously engages itself in succession planning.

# **Training & Development**

Over the years, RITES workforce has been continually evolving due to several factors. An increasingly competitive business landscape, rising complexity, and the digital revolution have placed a premium on training and development. The company focuses on reskilling and upskilling its workforce through interventions such as training programmes, workshops, seminars, conferences and capacity-building sessions, both online and offline, covering the broad spectrum of technical, functional, behavioural, well-being as well as technological areas.

The company collaborates with various Indian Railway academies, Centralised Training Centres, premier business schools and other prestigious institutes/agencies to hone engineers into managers and leaders of tomorrow. This year, a total of 8185 training man-days have been clocked.

In view of knowledge management and knowledge sharing, the company focuses on In-house Capability Development. Under this initiative, regular knowledge-sharing sessions are organized by various industry experts, retired RITES officials and senior personnel of the organization.

## Performance Management System

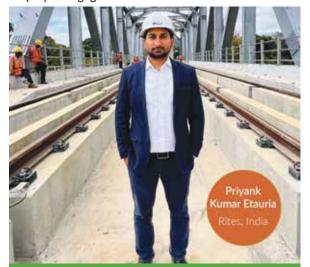

This year, the Performance Management System was revamped with the introduction of parameters aligning with vision of the organization. The performance appraisal process was carried out seamlessly through the e-PMS tool of Employee Self Service (ESS) and digitalization of processes such as submission of property transactions and no-due clearances resulted in efficacious delivery and reporting.

# Digitalisation

The HR department has taken a leap forward to keep records in digitised format and implementing e-office for day-to-day operations. Also, the e-office system has been made bilingual to encourage the progressive use of Hindi in office functioning. More than 6,500 files, including 850 files for FY 2022-23, have been scanned and digitised up to March 2023.

HR functions such as Employee Records, Leave Records, Performance Management System, Annual Property Returns, Employee Engagement, Transfer and Postings have also been put in an e-format, thereby reducing paper use, and improving efficiency.

# **Employee Engagement**

A pride moment for RITES as Priyank Etauria featured in International Railway Journal's 'Top 10 under 40'

Employees have been given an opportunity to be part of decision-making on issues such as service conditions, resolving grievances and improving productivity by setting up the consultative council called CONCERT. The council comprises elected and nominated representatives of all sections of employees for continuous communication. Periodic meetings are being held to achieve these objectives. Also, to recognise exceptional performance, periodic awards and recognition (individual as well as group) are given to employees.

## **Employee Welfare**

RITES has various schemes to improve the overall well-being of its employees. The primary objective is to enhance the quality of life of the RITES employees. Employees have been granted perks, allowances and facilities and non-monetary benefits such as transportation, housing, leased accommodation, medical facility, health insurance, etc.

Apart from incorporating statutory benefits, Additional benefits have been provided such as personal healthcare (regular medical check-ups), reimbursement of OPD medical expenses (which includes prolonged treatment as well dental treatment) and availability of doctors on the RITES office campus. Buffer amount has been increased for both serving as well as retiring employees in Group Mediclaim Policy. Also, tie-ups with leading institutions have been garnered for cashless/discounted treatment.

A dedicated PRMS (Post Retirement Medical Scheme) cell and Abhaar committee have been formed to address the concerns of retired employees. To provide social security to family members of employees, apart from statutory measures, other insurance covers in the form of Group term plans and personal accident plans have been taken for employees. Superannuation benefits consisting of provident fund, gratuity, pension and post-retirement medical scheme are also provided.

The Fixed Allowances have been streamlined for all employees and the facility of Sodexo Card has also been implemented. Encouraging Fit India Movement and sports, various individual and team events are organised every year for the overall development of the employees.

Proper prevention and protection measures have been taken to deal with COVID-19. Employees have been encouraged

and motivated for the vaccination, including booster dose, by arranging vaccination camps and reimbursing the amount for the same.

## Women Empowerment

RITES has always believed in providing equal opportunities and harmonious environment for the advancement of women employees. It is committed to drive positive change at workplace and beyond. As a result, various initiatives are being taken to ensure fair participation and representation of women workforce at all forums. empowering them to take decisions and make a difference.

International Women's Day (8th March) is celebrated in RITES every year marking contributions of women in the social, economic, cultural and political fields. This year, while celebrating the occasion, the management emphasised the need of having gender diversity and its benefits towards fostering creativity and innovation in the company's growth.

RITES' POSH Committee ensures providing safe and secure workplace for female employees. Employees are regularly sensitized on the issue of prevention of sexual harassment at workplace through trainings/awareness sessions. Through various initiatives, the committee reiterates the policy of ZERO tolerance to sexual harassment in any form.

## **Grievance Redressal**

Acentralised complaint cell has been functioning for registration, monitoring and disposal of grievances raised by staff, exemployees and public. The employees can raise grievances online through the Employee Self Service (ESS) portal. Any member of public or ex-employee of the company can also submit their complaint through the company website. Two standing committees have been constituted to further augment the grievance handling mechanism of serving and retired employees.

## Contribution to Govt. Initiatives

The Company has always been proactively supporting initiatives of the Government of India such as Skill India, Swachh Bharat Mission, Startup India, Make in India, including MSMEs, Digital India, promotion of solar ecosystem by formulating its business or governance objectives in line with the government plans.

During the year, the company procured goods worth ₹25.43 crore from Micro and Small Enterprises, including those belonging to SC/ST and women categories, against the total procurement of ₹63.17 crore.

## IX. RISKS & CONCERNS

In view of the increased globalisation and opening of crossborder businesses, there is a greater risk of competition from foreign companies in consultancy projects. The company also faces competition from the existing service providers and new entrants in both public and private sectors within India. Increased competition and aggressive bidding by competitors can impact its business operations and financial conditions.

The company may have a risk of incurring additional liabilities due to failure or subdued performance of its joint venture/consortium partners in respect of assignments being executed in the joint venture/consortium manner. Also, the company's global operations are exposed to geopolitical and currency risks.

### X. INTERNAL CONTROL SYSTEMS

The company has adequate internal control and audit systems to ensure efficient operations and compliance with applicable laws, rules, and regulations. It has structured policies and guidelines for the optimal delegation of authority for business facilitation. Internal audit is conducted by experienced professionals and external audit firms. The internal control and audit systems are also reviewed periodically. Corrective and preventive measures, whenever necessary, are taken for continuous improvement.

The internal control system has been further strengthened through:

### Internal financial controls

The internal financial control of the company is analysed and audited for its relevance, effectiveness, and compliance under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013. A report on the same, annexed to the Independent Auditor's Report, suggests whether the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial control over financial reporting criteria established by the company considering the essential components of internal control.

# System Certification (ISO 9001:2015) & Other Accreditations

The Company has been certified to Quality Management System (QMS) as per ISO 9000 series of Standards since 1999. The system has been documented as per ISO 9001:2015 requirements. The ISO-based QMS defines the requirement of internal controls through manuals and procedures which are formulated internally. The QMS,

involving regular internal audits to ensure the compliances with stipulated rules/regulations, forms an integral part of the internal control systems. RITES' ISO 9001:2015 Certificate has been awarded by M/s. NVTQC under ANAB accreditation.

In addition, the Company is also accredited to ISO 17020:2012 Standard by NABCB, (A body under Quality Council of India) to ensure compatibility of its inspection services to international norms. The company has material testing laboratories in different regions which are accredited as per ISO 17025.

### Risk management system

Company has a Risk Management Committee of the Board of Directors, which ensure that appropriate methodology, processes, and systems are in place to monitor and evaluate risks associated with the business of the company. A risk management system is in place to look into identification, prioritisation and mitigation of risks. It includes the financial risk management system since the company's activities are exposed to financial risks such as market risk, credit risk and liquidity risk. The financial risk management system foresees the unpredictability of financial markets and seeks to minimise potential adverse effects on the company's financial performance through the various risk mitigation strategies. Additional requirements related to the risk management in accordance with ISO 9001: 2015 have also been implemented.

# Treasury risk & liquidity management

The company has continued to optimise its surplus funds by adhering to efficient decision-making process of investing its surplus funds in deposits with banks, mutual funds and corporate bonds within the framework and guidelines of the Government bodies, Department of Public Enterprises (DPE), Companies Act and those approved by Board of Directors (BoD).

The execution of foreign projects also carries a currency fluctuation risk. The company regularly monitors exchange fluctuations to mitigate it. The company has a sound currency risk management policy that covers various aspects of currency risk management, benchmarking, hedging and risk appetite, permissible instruments, structure of the risk management committee, treasury group and reporting procedures.

For control and direction of operations pertaining to the currency risk management, the company has a committee and an external consultant. Actions taken are apprised to the management periodically.

The company has been affirmed 'IVR A1+', the highest short-term rating for its non-fund based working capital limits by Infomerics Valuation and Rating Pvt. Ltd. This rating helps the company to get non-fund based facilities at more attractive terms.

## **Dividend Distribution Policy**

#### **PREAMBLE**

The Shares of RITES Limited (the "Company") are listed on National Stock Exchange of India Limited, Mumbai and Bombay Stock Exchange Limited, Mumbai.

Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2016 has inserted Regulation 43A w.e.f. 08th July, 2016 to the Securities and Exchange Board of India (LODR) Regulations, 2015. As per Regulation 43A, the top five hundred listed entities based on market capitalization (calculated as on March 31 of every financial year) shall formulate a dividend distribution policy which shall be disclosed in their annual reports and on their websites. Considering the fact that the Company, as of 31st March 2019, is amongst the top 500 listed entities as per the criteria, the dividend distribution policy has been formulated.

The Board of Directors of the Company (the "Board") has approved the Dividend Distribution Policy of the Company (the "Policy") in its meeting held on 29th March, 2023.

#### **OBJECTIVE**

The objective of this Policy is to ensure a regular dividend income for the members and long term capital appreciation for all stakeholders of the Company. The Company would ensure to strike the right balance between the quantum of dividend paid and amount of profits retained in the business for various purposes. The Board of Directors will refer to the Policy while declaring/recommending dividends on behalf of the Company. Through this Policy, the Company would endeavour to maintain a consistent approach to dividend pay-out plans, subject to the applicable laws and conditions.

The policy has been framed broadly in line with the provisions of the Companies Act, 2013 and also taking into consideration guidelines issued by other Regulatory Authorities, to the extent applicable.

#### STATUTORY AND GOVERNMENT GUIDELINES

The Board of the Company shall comply with the following statutory and government guidelines and requirements while taking decision of a dividend payout:

- a. Companies Act 2013 and rules & regulations there under ("Act").
- b. Guidelines or directives issued by Government of India.
- c. Any other law to the extent applicable.

The Company endeavours to declare dividend as per the guidelines issued by Department of Investment & Public Asset Management (DIPAM), Govt. of India from time to time.

#### **FINANCIAL PARAMETERS**

- a. Financial performance for the year.
- b. Distributable surplus available as per the "Act".
- c. Liquidity position.

Internal and External factors that would be considered for declaration of dividend

- Capital expenditure requirements considering expansion and other opportunities.
- b. Borrowing levels and the capacity to borrow.
- c. Cost and availability of alternative source of financing.
- d. Covenants of loan agreements.
- e. Macroeconomic and business conditions.
- f. Regulatory norms.
- g. Any other relevant factors that the board may deem fit to consider before declaring dividend.

Circumstances under which the shareholders of the company may or may not expect dividend

The company has been consistently paying out dividends to its shareholders and is expected to continue in future as well, unless the company is restrained to declare dividends due to financial and other internal and external factors as mentioned above. The company would aim to strike a balance between rewarding shareholders through dividend and ensuring that sufficient profits are retained for growth of the Company and other needs.

### **UTILIZATION OF RETAINED EARNINGS**

The Company's retained earnings shall be applied for:

- Capital and Revenue Expenditures for the growth of the business and operations of the Company.
- b. Issue of bonus shares or buy back of shares as per Government guidelines.
- c. Any other purpose which the board may consider appropriate.

#### MANNER AND TIMELINES FOR DIVIDEND PAYOUT

- a. Dividend for every financial year shall be decided by the Board considering various statutory requirements, financial performance of the company and other internal and external factors enumerated earlier in the policy.
- b. Interim dividend(s), if any, may be declared by the Board in addition to Final Dividend.
- c. Subject to applicable laws, the payment of interim dividend shall be made within 30 days from the date of approval by the Board to the shareholders entitled to receive dividend on the record date.
- d. Recommendation for final dividend, if any, shall be done by the Board usually in the Board meeting that considers and approves the annual financial statements, subject to approval of shareholders of the company.
- e. Subject to applicable laws, the payment of final dividend shall be made within 30 days from the date of approval by the members to the shareholders entitled to receive dividend on the record date.

f. The payment of Interim Dividend shall be subject to subject to Shareholders' ratification.

### PARAMETERS TO BE ADOPTED WITH REGARD TO VARIOUS CLASSES OF SHARES

As on date, the Company has issued only one class of equity shares. All the members of the Company on the record date are entitled to receive the same amount of dividend declared per share. The policy shall be revisited at the time of issue of any new class of shares depending upon the nature and guidelines thereof.

#### **OTHER PROVISIONS**

The Board of Directors of the Company has approved the Dividend Distribution Policy of the Company.

The Board of Directors of the Company shall have the right to carry out any changes in the Policy, as it may deem appropriate

## Independent Auditor's Report

#### To the Members of RITES Limited

#### REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL **STATEMENTS**

#### Opinion

We have audited the accompanying Standalone Financial Statements of RITES Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year ended, notes to the Standalone Financial Statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit including other comprehensive income, statement of changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

#### **Emphasis of Matter**

We draw attention to note no. 57(a) to the Standalone Financial Results wherein it is mentioned that the Financials Statements of one of the Jointly controlled entities, Indian Railway Stations Development Corporation Limited (IRSDC) have been prepared on liquidation basis and that the Company does not perceive any impairment at present in the value of investments held by the Company in IRSDC.

Our opinion is not modified in respect of these matters.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### Sr. No. Key Audit Matter

Accuracy of recognition, measurement, presentation Our audit approach consisted testing of the design and and disclosures of revenues and other related balances operating effectiveness of the internal controls and substantive in respect of Ind AS 115 "Revenue from Contracts with testing as follows: Customers" (revenue accounting standard).

The application of the revenue accounting standard involves certain key judgements relating to identification of distinct • performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized at a point in time or over time. Additionally, revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

#### **Auditor's Response**

- Evaluated the design of internal controls relating to implementation of the revenue accounting standard.
- Selected a sample of contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation and inspection of evidence in respect of operation of these controls.

#### Sr. No. Key Audit Matter

Refer Notes 1.2.1 and 51 to the Standalone Financial • Statements.

#### Auditor's Response

- Selected a sample of contracts and performed the following procedures:
  - Read, analysed and identified the distinct performance obligations in these contracts.
  - Compared these performance obligations with that identified and recorded by the Company.
  - Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.
  - Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.

## INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of our audit report.

Our opinion on the Standalone Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in Equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making

judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risk, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **OTHER MATTERS**

(a) The Statement include company's share of total assets of ₹ 27.40 crores as at 31st March, 2023 and company's share of total revenue of ₹ 35.34 crores and share of net profit after tax of ₹ 1.73 crores for the year ended March 31, 2023, in respect of ten joint operations, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these joint operations and our report in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (As amended), in so far as it relates to the aforesaid joint operations, are based solely on the reports of such other auditors.

Our opinion is not modified in respect of above matters.

### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure I" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- In terms of sub section (5) of section 143 of the Act, we give in the "Annexure II" a statement on the directions issued under the aforesaid section by the Comptroller and Auditor General of India.

# Annexure III to the Independent Auditor's Report referred to in paragraph 3(g) under the heading "Report on other Legal and Regulatory requirements" of our report of even date on the Standalone Financial Statements of RITES Limited

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the Standalone Financial Statements of RITES Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date

### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control with reference to the Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by The Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to the Standalone Financial Statements, and both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to the Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to the Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to the Standalone Financial Statements included obtaining an understanding of such internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness

of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls systems over financial reporting with reference to the Standalone Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to the Standalone Financial Statements

A company's internal financial control over financial reporting with reference to the Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting with reference to the Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING WITH REFERENCE TO THE STANDALONE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting with reference to the Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to the Standalone Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to the Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **OPINION**

Inour opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the Standalone Financial Statements and such internal financial controls were operating effectively as at March 31, 2023, based on the internal control with reference to the Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

The reporting and functional currency of the company is Indian Rupees (INR). Figures in financial statements are presented in ₹ crore, by rounding off upto two decimals except for per share data and as otherwise stated. Certain figures that are required to be disclosed but do not appear due to rounding off are detailed in note 57(j). Previous periods figures have been regrouped/recasted/rearranged, wherever necessary.

The standalone financial statements are approved for issue by the company's Board of Directors in their meeting held on 18th May, 2023.

#### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.1 GENERAL

#### (a) Statement of Compliance

The financial statements of the Company are being prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013, read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Accounting policies at 1.28 on Government Grant has been inserted in place of erstwhile accounting policy on export incentive. Such rearrangement/modification is clarificatory and do not have any impact on financial statement.

#### (b) Basis of Preparation

The financial statements have been prepared on accrual basis at historical cost, except for the following assets and liabilities which have been measured at fair value/ amortized cost:

- Derivative financial instruments,
- Which are specifically indicated in the concerned accounting policy.

#### (c) Use of Estimates and Judgments

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities and contingent assets as at the date of the financial statements and reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognized in the period in which the results are known/materialize.

#### 1.2 REVENUE RECOGNITION

#### 1.2.1 Revenue from Contracts with Customers

Operating revenue is from various streams viz. consultancy fee, inspection fee, lease services, export sales and construction projects.

For recognizing revenue from aforesaid streams in the financial statements, general parameters are stated below which are applicable to all streams of revenue while specific parameters are stated in the accounting policy of the respective stream of revenue.

#### **General Parameters**

To determine whether to recognise revenue, the Company follows a five step process:

- · Identifying the contract with a customer
- Identifying the performance obligations
- Determining the transaction price
- Allocating the transaction price to the performance obligations
- Recognising revenue when/as performance obligation(s) are satisfied.

The Company often enters into transactions involving a range of the Company's products and services. In all cases, the total transaction price for a contract is based on performance obligation. The transaction price for a contract excludes amounts received as deposit from client for execution of the project and amount collected on behalf of third party (for example, some GST)

Revenue is recognised either at a point in time or over time, when (or as) the Company satisfies performance obligations by transferring the promised goods or services to its customers.

The Company recognises contract liabilities for consideration received in respect of unsatisfied performance obligations and reports these amounts as other liabilities in the balance sheet. Similarly, if the Company satisfies a performance obligation before the consideration is due, the Company recognises a contract asset in its balance sheet.

When there is uncertainty as to realisability, recognition of revenue is postponed until such uncertainty is removed.

#### 1.2.1.1 Consultancy Fee

Revenue from providing services is recognized in the accounting period in which services are rendered. Revenue is recognized based on performance obligation satisfied either over time or at a point in time.

In case performance obligation satisfied over time revenue is recognised based on the actual service provided to the end of the reporting period as a proportion of the total services to be provided. This is determined based on physical progress, efforts, cost incurred to date bear to the total estimated cost of the transaction, time spent, service performed or any other method that management considered appropriate.

In other cases where performance obligation is not satisfied over time, revenue is recognized at a point in time.

In case of contracts, where customer pays fixed amount based on a payment schedule, if services rendered by the Company exceed the payment, a contract asset is recognised. If payments exceed services rendered, a contract liability is recognised.

Mobilization fee is considered as customer advance until recognized as revenue based on the stage of completion of activities/ transactions as per the terms of contract/work order.

Reimbursable and supplies are accounted for on accrual basis.

In Construction Management/ Supervision Contracts, revenue is recognised as a percentage of the value of work done/built-up cost of each contract as determined by the Management, pending customer's approval, if any.

#### 1.2.1.2 Inspection Fee

Inspection fee is accounted for on the basis of inspection certificates issued.

### 1.2.1.3 Export Sales

Export sales are accounted for on the basis of bills raised when or as the Company transfers control of the assets to the customer which happens at the point in time the customer has undisputed right on delivered goods.

#### 1.2.1.4 Construction Projects

In construction contracts/ projects, the company recognises revenue over time. Due to high degree of interdependence among various elements of these projects, revenue is accounted for considering these activities as a single performance obligation.

To depict the progress by which the Company transfers control of the promised goods to the customer, and to establish when and to what extent revenue can be recognised, the Company measures its progress towards complete satisfaction of the performance obligation based on work done.

Any expected loss is recognized as an expense immediately.

#### 1.2.1.5 Lease Services

Refer Policy no-1.24:- Leases-Company as lessor.

#### 1.2.2 Other Income

#### 1.2.2.1 Interest Income

Interest income is recognized using effective interest method.

#### 1.2.2.2 Dividend

Revenue is recognised when the right to receive the payment is established, which is generally when shareholders approve the dividend.

#### 1.2.2.3 Others

Other income is accounted for on accrual basis except claims (including insurance claims)/supplementary claims / counter claims/ interest on delayed payments / awards in favour of the Company/ sale of tenders/ premium on sale of licenses etc. which are accounted for on final settlement / realization.

#### 1.3 PROPERTY, PLANT AND EQUIPMENT (PPE)

Property, plant and equipment are stated at cost i.e., cost of acquisition or construction inclusive of freight, erection and commissioning charges, non-refundable duties and taxes, expenditure during construction period, borrowing costs, in case of a qualifying asset, upto the date of acquisition/ installation, net of accumulated depreciation and impairment losses, if any.

- (a) Incidental expenditure during construction period including interest charges incurred upto the date of completion, net of interest recovered on mobilisation advance, are capitalized.
- (b) Spare valuing more than ₹ 10 lakh which can be used only in connection with an item of property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the spares or principal item of the relevant assets, whichever is lower.
- (c) Expenditure incurred subsequently relating to property, plant & equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.
- (d) The initial estimate of the cost of dismantling, removing the item and restoring the site on which PPE is located, the obligation for which is incurred when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during the period, is capitalized as a component of PPE.

#### 1.3.1 Depreciation

- (a) Depreciation on property, plant and equipment are provided on straight line method over their estimated useful life determined by management. Depreciation method, useful lives and residual values are reviewed at the end of each financial year. The useful lives of assets are as prescribed in part C of schedule II of the Companies Act, 2013 except assets indicated in sub paragraphs from (d) to (g) below. In respect of additions to/deductions from the assets during the year, depreciation is charged on pro rata basis.
- (b) The estimated useful lives of the various assets, are as under:-

Asse	ets	Useful Life (Years)
i)	Furniture	10
ii)	Fixture	5
ii)	Office Equipment	5
v)	Mobile Hand Set	3
<b>/</b> )	Coolers & Air Conditioners	7
√i)	Air Conditioning Plant	15
vii)	Computer Hardware	3
viii)	Server & Networks	6
x)	Survey and Equipments	10
<)	Vehicles	8
xi)	Buildings on Freehold Land	60
xii)	Locomotives-New	15
xiii)	Locomotives-In-Service	10
xiv)	Coaches-New	15
xv)	Coaches-In-Service	10

(c) Any addition or extension, which becomes an integral part of the existing asset and which results in increased economic benefits, is capitalized and depreciated over the remaining useful life of that asset.

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset which is calculated as the difference between the net disposal proceeds and the carrying amount of the asset, is included in the income statement when the asset is de-recognised.

- (d) In respect of BOT assets, depreciation is charged over the period of project or the life stated above whichever is lower.
- (e) In respect of buildings on lease hold land, depreciation is charged over the period of lease of land or the useful life stated above for buildings on freehold land, whichever is lower.
- (f) As per company's technical assessment, Fixtures, Mobile Hand Set, Coolers & Air Conditioners and In-Service Locomotives & Coaches (refurbished) have lower useful lives than prescribed in part C of schedule II of the Companies Act, 2013. Therefore depreciation is charged at higher rate than prescribed under the Companies Act, 2013.
- (g) Individual low cost assets of value less than ₹ 5,000/- are fully depreciated in the year of acquisition.
- (h) A nominal value of ₹ 1/- is assigned to the fully depreciated assets.

#### 1.3.2 Capital Work in Progress

Assets which are not ready for the intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

#### 1.3.3 Capital Advances

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets.

#### 1.4 INTANGIBLE ASSETS

Intangible assets acquired/ developed are measured on recognition at cost less accumulated amortisation and impairment losses, if any.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is de-recognised.

- (a) Software of value less than ₹ 100,000/- is fully amortized in the year of acquisition.
- (b) A nominal value of ₹ 1/- is assigned to the fully amortized assets.

#### 1.4.1 Amortization

Estimated useful life of the software is 4 years and amortized on a straight line basis over the period.

#### 1.5 INVESTMENT PROPERTY

Investment properties are measured at cost, including transaction costs less accumulated depreciation and impairment loss, if any.

The Company depreciates building component of investment property over the estimated useful lives of the assets as prescribed in property, plant and equipment.

Investment properties are de-recognised either on disposal or on permanent withdrawal from use. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of derecognition.

#### 1.6 INVESTMENTS

Equity investments are measured at fair value through profit and loss except investments in subsidiary, participating joint venture with or without joint control and associate.

 $Investments\ in\ subsidiary, participating\ joint\ venture\ with\ or\ without\ joint\ control\ and\ associate\ are\ measured\ at\ cost.$ 

#### 1.7 JOINT OPERATIONS

- (a) In case of participating joint operations with joint control, company recognizes in relation to its interest in a joint operation as under:-
  - (i) its assets, including its share of any assets held jointly;
  - (ii) its liabilities, including its share of any liabilities incurred jointly;
  - (iii) its revenue from the sale of its share of the output arising from the joint operation;
  - (iv) its share of the revenue from the sale of the output by the joint operation; and
  - (v) its expenses, including its share of any expenses incurred jointly.
- (b) In case of participating joint operations without having joint control, interest in such arrangements is to be recognized as per aforesaid accounting policy if the company has right to the assets and obligations for the liabilities relating to joint operations otherwise interest in the joint operation is recognized in accordance with applicable Ind AS.

#### 1.8 INVENTORIES

- (a) Inventories are valued at the lower of cost and Net Realizable Value.
- (b) Cost of inventories comprises of costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- (c) The diminution in the value of obsolete, unserviceable, slow moving and non-moving stores and spares are assessed periodically and accordingly provided for.
- (d) Consumables and Stores & Spares other than held for the purpose of warranty are charged to the Statement of Profit and Loss in the year of purchase.

#### 1.9 EMPLOYEE BENEFITS

#### 1.9.1 Defined Contribution Plans

#### Pension Scheme/Post Retiral Medical Schemes

Retirement benefits in the form of pension scheme/post-retirement medical scheme are defined contribution schemes. The Company has no obligation, other than the contribution payable to such funds/ schemes. The Company recognizes contribution payable to such funds/schemes as an expense, when an employee renders the related service. If the contribution payable to the schemes for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined contributions towards pension under EPFO, superannuation pension fund and post retiral medical schemes are charged to the Statement of Profit and Loss based on contributions made in terms of applicable schemes on accrual basis.

#### 1.9.2 Defined Benefit Plan

#### 1.9.2.1 Gratuity

Company provides gratuity, a defined benefit plan covering eligible regular and contract employees. The gratuity plan provides a lump-sum payment to vested employees of an amount based on the respective employee's salary and the tenure of employment with the company at retirement, death, incapacitation, or on completion of terms of employment.

The liabilities with regard to the Gratuity plan are determined by actuarial valuation, performed by an independent actuary, at the year end.

- (i) The Company has set up a separate Gratuity Trust for managing Gratuity Fund.
- (ii) The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability.
- (iii) Gain or loss through re-measurements of net defined benefit liability/(asset) is recognized in Other Comprehensive Income.
- (iv) The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligation is recognized in Other Comprehensive Income.
- (v) Service cost and net interest cost/(income) on the net defined benefit liability/(asset) are recognized in Statement of Profit and Loss.

#### 1.9.2.2 Provident Fund

The Company makes contribution to the recognized provident fund - "RITES CONTRIBUTORY PROVIDEND FUND" for its employees, which is a defined benefit plan to the extent that the Company has an obligation to make good the shortfall, if any, between the returns from the investments of the trust and the notified interest rate. The Company's obligation in this regard is determined by an independent actuary and provided for if the circumstances indicate that the Trust may not be able to generate adequate returns to cover the interest rates notified by the Government.

#### 1.9.3 Other Long Term Benefits

- (a) Leave Travel Concession (CDA employees),Leave Encashment (contract employees) and Long Service Award (regular employees)
  - i. Accounted for on actuarial valuation made at the end of year.
  - ii. The actuarial gains/losses are recognized in the Statement of Profit and Loss for the year.
- (b) Leave Encashment and Medical Leave for regular employees
  - i. Liabilities are funded under plan assets through insurance policies from insurance companies approved by Insurance Regulatory Development Authority (IRDA) and are accounted for on actuarial valuation made at the end of year.
  - ii. The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability.
  - iii. Service cost and net interest cost/(income) on the net defined benefit liability/(asset) are recognized in Statement of Profit and Loss
  - iv. Actuarial gains/losses are recognized in the Statement of Profit and Loss.

#### 1.9.4 Other Benefits

Ex-gratia payments on death are recognized on payment basis in the Statement of Profit and Loss.

#### 1.10 RESEARCH & DEVELOPMENT

Revenue expenditure incurred/paid during the year on research is charged to the Statement of Profit and Loss.

Development cost is capitalized if following are demonstrated otherwise it is charged to the Statement of Profit and Loss:

- (a) Technical feasibility of completing the intangible asset so that it will be available for use or sell.
- (b) Intention to complete the intangible asset and use or sell it.
- (c) Ability to use or sell the intangible assets.
- (d) Asset will generate future economic benefits.
- (e) There is availability of resources to complete the asset.

The developed asset is carried at cost less any accumulated amortisation and impairment loss, if any. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

#### 1.11 INCOME TAXES

#### 1.11.1 Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted in India, at the reporting date.

Management periodically evaluates positions taken in the tax assessments with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets are offset against current tax liabilities if, and only if, a legally enforceable right exists to set off the recognised amounts and there is an intention either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Additional taxes, interest and/or penalties levied/imposed by the tax authorities / Appellate authorities on finality are recognized in the Statement of Profit and Loss.

Current tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

#### 1.11.2 Deferred Tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

• In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

#### 1.12 RATES & TAXES

Overseas taxes on foreign assignments, service tax, value added tax, alike taxes, professional tax, property tax, entry tax, labour cess, octroi etc. paid/accrued in India or abroad for which credit are not available to the company are charged to the Statement of Profit and Loss.

#### 1.13 PREPAID EXPENSES AND PRIOR PERIOD ADJUSTMENTS

#### 1.13.1 Prepaid Expenses

Prepaid expenses up to ₹ 5,00,000/- in each case are treated as expenditure/income of the year and accounted for to the natural head of accounts.

#### 1.13.2 Prior Period Adjustments

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated unless it is impracticable, in which case, the comparative information is adjusted to apply the new accounting policy prospectively from the earliest date practicable.

#### 1.14 TRANSLATION AND TRANSACTIONS OF FOREIGN CURRENCIES

- 1.14.1 Functional Currency of the company is Indian Rupees and the financial statements are presented in Indian Rupees.
- 1.14.2 Transactions in foreign currencies are initially recorded by the Company at functional currency spot rates at the date the transaction first qualifies for recognition. The company also uses average rate where the average rate approximates the actual rate at the date of the transaction.

- 1.14.3 Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.
- 1.14.4 Exchange differences arising on settlement or translation of monetary items are recognised in the Statement of Profit and Loss

#### 1.15 CASH AND CASH EQUIVALENTS

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term deposits with an original maturity of three months or less from the date of acquisitions which are readily convertible into known amounts of cash and be subject to an insignificant risk of change in value. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

#### 1.16 STATEMENT OF CASH FLOWS

Statement of Cash Flows is made using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, financing and investing activities of the Company are segregated.

#### 1.17 EARNINGS PER SHARE

In determining basic earnings per share, net profit attributable to equity shareholders is divided by weighted average number of equity shares outstanding during the period.

In determining diluted earnings per share, net profit attributable to equity shareholders is divided by weighted average number of equity shares considered for deriving basic earning per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at the later date. Dilutive potential equity share are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus share issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

#### 1.18 IMPAIRMENT OF ASSETS

#### 1.18.1 Financial Assets

#### (Other than at Fair Value)

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company consider the following:

- All contractual terms of the financial assets (including extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables: In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets: In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

#### 1.18.2 Non-Financial Assets

#### (Tangible and Intangible Assets)

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use). Impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount and such losses either no longer exists or has decreased. Reversal of impaired loss is recognized in the Statement of Profit and Loss to the extent of previously recognized or balanced impairment loss.

#### 1.19 WRITE OFF

#### 1.19.1 Financial Assets

Such assets including trade/lease receivables are written off when, in the opinion of the management, unrealisability has become certain.

#### 1.19.2 Non Financial Assets

Such assets including property, plant, equipment (PPE), intangible assets, investment property and inventory are written off when, in the opinion of the management, such asset has become obsolete, damaged beyond repair, stolen and uneconomical to use.

#### 1.20 PROVISION FOR WARRANTY FOR SALE AND SERVICES RENDERED

Provision for warranties is recognized when products are sold and services are rendered with warranty as per the contract. These provisions are estimated by using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise or incurred. The initial estimate of warranty-related costs is revised annually.

As per the terms of the contracts, the Company provides post-contract services /warranty support to some of its customers. The Company accounts for the post-contract support / provision for warranty on the basis of the information available with the Management duly taking into account the current and past estimates.

#### 1.21 PROVISION FOR PROFESSIONAL SERVICES (FOR EXPORT SALES)

Provision for professional services for export sales is recognized in the year in which sales are recognized.

#### 1.22 PROVISIONS. CONTINGENT LIABILITIES AND CONTINGENT ASSETS

- (a) Provisions involving substantial degree of estimation in measurement are recognized when there is a present legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources.
- (b) Contingent Liabilities are not recognized but are disclosed in the notes in any of the following cases:-
  - (i) a present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation; or
  - (ii) a reliable estimate of the present obligation cannot be made; or
  - (iii) a possible obligation, unless the probability of outflow of resource is remote.
- (c) Contingent Liability is net of estimated provisions considering possible outflow on settlement.
- (d) Contingent Assets are not recognized but are disclosed where an inflow of economic benefits is probable.
- (e) Contingent Assets, Contingent Liabilities and Provisions needed against Contingent Liabilities are reviewed at each balance sheet date.

#### 1.23 LEASES:-COMPANY AS A LESSEE

The Company's leased asset primarily consists of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contact involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over lease term.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability.

The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of- use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

#### 1.24 LEASES:- COMPANY AS A LESSOR

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

For operating leases, rental income is recognized on a straight line basis/systematic basis over the lease term. However, reimbursable under the contract are accounted for on accrual basis. Initial direct cost are added to the carrying amount of the leased assets and recognized as an expense over the lease term.

#### 1.25 NON-CURRENT ASSETS HELD FOR SALE

The Company classifies non-current assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification. Non-current assets classified as held for sale is recognized at lower of its carrying amount and fair value less cost to sell.

#### 1.26 DIVIDENDS

Final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the company's Board of Directors.

#### 1.27 FINANCIAL INSTRUMENTS

#### 1.27.1 Initial Recognition

Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and financial liabilities are recognized at fair value on initial recognition except for trade receivables/ trade payables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit and loss are added or deducted to/from the fair value on initial recognition.

#### 1.27.2 Subsequent Measurement

- (a) Financial assets are subsequently measured at amortised cost if these are held within a business model whose objective is to hold the assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding using the Effective Interest Rate (EIR) method. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.
- (b) Financial assets at fair value through profit or loss

The financial assets are measured at fair value through profit or loss unless it is classified at amortised cost.

#### (c) Financial liabilities

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

All other financial liabilities are subsequently measured at amortised cost using EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are de-recognised as well as through the EIR amortisation process.

#### 1.27.3 De-recognition of Financial Instruments

A financial asset is de-recognised when:

- The rights to receive cash flows from the asset have expired, or
- the Company has transferred substantially all the risks and rewards of the asset, or the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

A financial liability or a part of financial liability is de-recognised from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

#### 1.27.4 Forward Contracts

Forward contracts are measured at marked to market value at every reporting date.

#### 1.28 GOVERNMENT GRANTS

Grants are recognized when there is a reasonable assurance that the company has complied with the conditions attached to them and the same will be received. Grants which are receivable for the purpose of giving immediate financial support to the company, with no future related costs are recognized in the statement of profit & loss of the period in which they have accrued.

Grants that compensate the Company for the cost of depreciable asset are recognized as income in statement of profit and loss on a systematic basis over the period and in the proportion in which depreciation is charged. Grants that compensate the Company for expenses incurred are recognized over the period in which the related costs are incurred and the same is deducted from the related expenses.

When the Company receives grant as a non-monetary asset, the asset and the grant are recorded at fair value.

The Company is getting Govt grant as export incentive under Foreign Trade Policy (FTP) of the Government of India. The same is recognized/presented as other operating income when there is a reasonable assurance that the incentive will be received, and all the attached conditions have been complied with.

for the year ended 31st March, 2023

Assumption		
Actuarial (Gain)/Loss on arising from Change in Financial Assumption	(3.59)	(1.52)
Actuarial (Gain)/Loss on arising from Experience Adjustment	(3.39)	1.97

#### V) Amount recognized in Other Comprehensive Income is as follows:

(₹ in crore)

Particulars	31.03.2023	31.03.2022
Actuarial (Gains)/Losses on Liability	(6.98)	0.45
Actuarial (Gains)/Losses on Assets	(1.62)	(1.40)

## VI) The principal actuarial assumptions are as follows:

Particulars	31.03.2023	31.03.2022
Discounting rate (%)	7.38%	7.00%
Future salary increase (%)	8.70%	8.70%
Retirement Age (Years)	60	60
Mortality rates inclusive of provision for disability	100% of IALM	100% of IALM
	(2012 - 14)	(2012 - 14)

for the year ended 31st March, 2023

Particulars	31.03.2023	31.03.2022
Attrition at Ages	Withdrawal	Withdrawal
	Rate (%)	Rate (%)
Up to 30 Years	3.00	3.00
From 31 to 44 years	2.00	2.00
Above 44 years	1.00	1.00

VII) The significant actuarial assumptions for the determination of the defined obligations are discount rate and expected salary increase. The sensitivity for actuarial assumptions has been computed by varying respective actuarial assumption used for valuation of the defined benefit obligation by 1%, while holding all other assumptions constant.

If the discount rate increases/decreases by 1%, the defined obligations would decrease by  $\ref{thm}$  8.90 crore / increase by  $\ref{thm}$  9.54 crore as on 31st March, 2023 and if the expected salary growth increases /decreases by 1%, the defined benefit obligations would increase by  $\ref{thm}$  3.40 crore/ decrease by  $\ref{thm}$  3.59 crore as on 31st March, 2023.

However, the actual change in assumptions would not necessarily behave in isolation to each other. The defined benefit obligations would change accordingly.

Remeasurement (gain)/loss of defined employee benefit plans in Other Comprehensive Income (OCI) for the year ended 31.03.2023 and 31.03.2022 are ₹ (8.60) crore and ₹ (0.95) crore respectively.

The defined benefit obligation shall mature as follows:

(₹ in crore)

for the year ended 31st March, 2023

#### V) Amount recognized in Other Comprehensive Income is as follows:

(₹ in crore)

Particulars	31.03.2023	31.03.2022
Actuarial (Gains)/Losses on Liability	0.85	(0.01)
Actuarial (Gains)/Losses on Assets	0.00	(0.05)
Other Comprehensive (Income)/Expense	0.85	(0.06)

#### VI) The principal actuarial assumptions are as follows:

(₹ in crore)

Particulars	31.03.2023	31.03.2022
Discounting rate (%)	7.38%	7.00%
Future salary increase (%)	4.35%	4.35%
Retirement Age (Years)	60	60
Mortality rates inclusive of provision for disability	100% of IALM	100% of IALM
	(2012-14)	(2012-14)
Attrition at Ages	Withdrawal	Withdrawal
	Rate (%)	Rate (%)
Up to 30 Years	3.00	3.00
From 31 to 44 years	2.00	2.00
Above 44 years	1.00	1.00

VII) The significant actuarial assumptions for the determination of the defined obligations are discount rate and expected salary increase. The sensitivity for actuarial assumptions has been computed by varying respective actuarial assumption used for valuation of the defined benefit obligation by 1%, while holding all other assumptions constant.

If the discount rate increases /decreases by 1%, the defined obligations would decrease by ₹ 0.62 crore /increase by ₹ 0.68 crore as on 31st March, 2023 and if the expected salary growth increases /decreases by 1%, the defined benefit obligations would increase by ₹ 0.69 crore/ decrease by ₹ 0.64 crore as on 31st March, 2023.

However, the actual change in assumptions would not necessarily behave in isolation to each other. The defined benefit obligations would change accordingly.

The Company is expected to contribute ₹ 1.33 crore to defined benefit plan obligations towards gratuity during the year 2023-24. Remeasurement (gain)/loss of defined employee benefit plans in Other Comprehensive Income (OCI) for the year ended 31.03.2023 and 31.03.2022 are ₹ 0.85 crore and ₹ (0.06) crore respectively.

The defined benefit obligations shall mature as follows:

Year ending March, 31	Defined benefit obligations
2024	0.19
2025	0.09
2026	0.16
2027	0.23
2028	0.13
2029	0.18
2029 onwards	4.11

for the year ended  $31^{st}$  March, 2023

#### iii) Provident Fund (Funded)

The Company pays fixed contribution to provident fund at predetermined rates to a separate trust, which invests the funds in permitted securities. The Company has an obligation to ensure minimum rate of return to the members as specified by GOI. Accordingly, the Company has obtained report of the actuary, based on which overall interest earnings and cumulative surplus is more than the statutory interest payment requirement for all the periods presented. Further, contribution to employees pension scheme is paid to the appropriate authorities.

As per the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Company has no right to the benefits either in the form of refund from the plan or lower future contribution to the plan towards the net surplus of ₹ 6.76 crore (previous year ₹ 1.05 crore) determined through actuarial valuation. Accordingly, Company has not recognized the surplus as assets as it pertains to the provident fund trust and not to the Company.

The Company contributed  $\ref{2}$  24.54 crore and  $\ref{2}$  23.61 crore to the provident fund during the year ended 31st March, 2023 and 31st March, 2022 respectively.

This excludes ₹ 4.51 crore (previous Year ₹ 2.31 crore) relating to cases where Company has already won at different appellate authorities during earlier years, against which income tax department has gone for appeal at higher appellate authorities. In similar cases of past years, the appeal of the income tax department has been dismissed.
    - B) Demand on account of service tax, VAT etc. amounting to ₹ 8.87 crore (previous year ₹ 2.85 crore) is being contested by the Company at different forums.
  - IV) The company has entered into a contract with the Ministry of Housing & Urban Affairs for purchase of commercial built up in the complex at Nauroji Nagar New Delhi through NBCC. The company has paid GST under reverse charge from third demand onward along with the GST on earlier demand excluding interest of ₹ 1.40 crore on delay payment of GST under reverse charge prior to third demand. Company is of the view that liability to pay GST is with NBCC under Sec 9(1) of CGST Act. AAR (Authority for Advance Ruling) under Sec 37 (1) and Delhi Appellate Authority also held the same view. As such, the company does not foresee any liability of interest as on 31.03.2023. However, as an abundant precaution, the same is being disclosed as Contingent Liability.

for the year ended 31st March, 2023

- V) A number of cases are lying for adjudication at various forums or under arbitration, which Company is contesting on behalf of Clients. The Company is not subject to any liability that may result pursuant to adjudication / arbitral award.
- VI) The above contingent liabilities do not include contingent liabilities on account of pending cases in respect of service matters & others where amount cannot be quantified.

#### ii) Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for amounting to ₹ 104.19 crore (previous year ₹ 199.97 crore).

#### c) Contingent Assets

- i) In a pre-closed contract in the year 2005–06, Company invokes arbitration for a claim of ₹ 233.93 crore (previous year ₹ 233.93 crore) against a client. Client also submits counter claims of ₹ 469.10 crore (previous year ₹ 469.10 crore) before arbitrator. The sole arbitrator awarded ₹ 88.31 crore in favour of the Company against the claim of ₹ 233.93 crore, while rejecting the counter claims of the client. Since the awarded amount is less than the claimed amount, Company appealed against the aforesaid award. Appellate authority awarded ₹ 231.68 crore with applicable interest in favour of the Company. Client filed a petition in the Civil Court for setting aside the aforesaid award, which was dismissed by the court on 22.11.2017and preliminary objections of Company are allowed. Thereafter the Company filed writ petition before Hon'ble Jharkhand High court on 05.07.2018 to issue the direction to client to pay the awarded amount. Hearing in the matter is yet to be scheduled.
- ii) In the above contract, executing agency also raised claims (excluding interest) of ₹ 184.41 crore (previous year ₹ 184.41 crore) against the Company before the arbitration tribunal. The Company also submitted a counter claim of ₹ 644.53 crore (previous year ₹ 644.53 crore) against the executing agency. Both the parties had concluded their arguments before the Tribunal and award was published on 18<sup>th</sup> October 2016 in favour of the Company. As per the award, Company was to get ₹ 63 crore from executing agency effective from the date of publication of award i.e., 18<sup>th</sup> October 2016. The executing agency had filed two petitions i.e. arbitration appeal before hon'ble Jharkhand high court on 25.05.2017 and commercial revocation to set aside the award before the commercial court, Ranchi on 06.01.2018. The arbitration appeal has already been dismissed by hon'ble Jharkhand high courton 11.03.2019. The commercial revocation has also been dismissed on 29.06.2019. Now RITES limited filed the commercial execution case no. 03 of 2020 on 16.01.2020 before commercial court Ranchi to execute the award amount. Same is pending and next date of hearing is fixed on 16.06.2023. In view of above, the Company has not recognized the award amount in the books of account.

#### b) Fair value hierarchy & valuation techniques

To provide an indication about the reliability of method used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Indian Accounting Standard (Ind AS-113) on fair value measure.

Level 1: Quoted prices in active markets for identical assets or liabilities.

**Level 2**: Fair value of financial instruments that are not traded in an active market is determined using valuation techniques and observable inputs for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: Inputs for the assets or liabilities that are not based on observable market data (observable inputs).

Fair value hierarchies of assets and liabilities as on 31st March, 2023 are as follows:

(₹ in crore)

#### c) Financial Risk Management

The Company's activities are exposed to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from few customers.

### i) Market Risk

The Company operates internationally and a considerable portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk for its sales and services in the Middle East, Africa and South Asian countries. The exchange rates between the rupee and foreign currencies have changed substantially in recent years which may also fluctuate substantially in the future. However, Company has currency risk management policy and exchange fluctuations are regularly monitored by the risk management committee to mitigate this risk. Policy covers various aspects of currency risk management, benchmarking, hedging and risk appetite, permissible instruments, hedging policy, structure of the risk management committee and treasury group, reporting procedures etc.

Analysis of foreign currency risk from financial instruments is as follows:

Particulars	Currency	31.03.2023	31.03.2022	31.03.2023	31.03.2022	
		(Figure in	Millions)	(₹ in crore)		
Cash & Cash equivalents	US Dollar	5.95	2.96	48.61	22.30	
Casi a Casi equivalents	MUR	5.18	2.22	0.90	0.37	
Trade Receivables	US Dollar	20.24	26.60	165.41	200.35	
Hade Receivables	MUR	-	-	-		
Other financial assets	US Dollar	15.35	21.23	125.47	159.94	
Other Illiancial assets	MUR	0.60	0.60	0.11	0.10	
Trade Pavable	US Dollar	(1.82)	(4.20)	(14.88)	(31.61)	
Hade Payable	MUR	-	-	-	-	
Other financial liabilities	US Dollar	(0.35)	(0.20)	(2.86)	(1.52)	
Other illiancial liabilities	MUR	-	(0.16)	-	(0.03)	
Net assets/(liabilities)	US Dollar	39.37	46.39	321.75	349.46	
ivet assets/ (iiddiiities)	MUR	5.78	2.66	1.01	0.44	

For the year ended  $31^{st}$  March, 2023 and  $31^{st}$  March, 2022, every percentage increase/decrease in the exchange rate between the INR & US Dollar has affected the Company's incremental margins by approximately 0.45% (previous year 0.52%) each. For the year ended  $31^{st}$ March, 2023 and  $31^{st}$  March, 2022, every percentage increase/decrease in the exchange rate between the INR & MUR has an insignificant affect on the Company's incremental margins.

Sensitivity analysis is computed based on the changes in the income and expenses in foreign currency upon conversion into functional currency, due to exchange rate fluctuations between the previous reporting year and the current reporting year.

The above foreign currency exposure is unhedged as these are covered through foreign currency risk management policy.

#### ii) Credit Risk

Credit Risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. Primarily exposure to the credit risk is from trade receivables amounting to ₹ 993.65 crore (previous year ₹ 783.19 crore) and unbilled revenue amounting to ₹ 99.35 crore (previous year ₹ 50.75 crore) which are typically unsecured. Credit risk is being managed by continuously monitoring the outstanding dues from the customers. Trade Receivables towards export sales are generally managed by establishing Letter of Credit with the clients. Further, most of the clients of the Company are Government or Government Undertakings; hence credit risk is bare minimum and Company also does not foresee any impact on credit risk of the Company. Company has impaired, as a prudent measure, the trade receivables and unbilled revenue towards expected credit loss as per Company accounting policy to the extent of ₹ 124.73 crore (previous year ₹ 102.34 crore). Keeping in view the nature of business expected credit loss is provided for on case-to-case basis as per the policy on impairment of financial assets.

for the year ended 31st March, 2023

Movement of Impairment of Financial Assets

(₹ in crore)

SI. No.	Particulars	Balance at the beginning of the year	Provision during the year	Reversal during the year	Balance at the end of the year
1	Trade & Other Receivable	125.00	36.96	14.16	147.80

No significant credit risk on cash and bank balances including clients' funds amounting to ₹ 3481.46 crore (previous year ₹ 3398.58 crore) is expected as Company parks surplus funds with Schedule Banks having good capital adequacy ratio and least NPA as determined by RBI and guidelines of the Company. Company has parked its owned funds in fixed deposits of ₹ 803.60 crore (previous year ₹ 743.31 crore) with Schedule banks with negligible credit risks.

Non-Strategic Investments primarily include investments in tax-free bonds of ₹ 45 crore (previous year ₹ 95 crore) and liquid mutual fund units of ₹ NIL (previous year ₹ 25.92 crore) issued by Public Sector Undertaking where risk is minimal.

The Company has given House building, multi-purpose loans etc. to the employees which are insured and house properties/ other assets are mortgaged / hypothecated against these loans in line with the policies of the Company. The risk of default in respect of these loans is considered negligible.

#### iii) Liquidity Risk

Company's principal sources of liquidity are "cash and bank balances" and the cash flow that is generated from operations. The Company has no outstanding borrowings. The Company has a working capital of ₹ 1769.45 crore (previous year ₹ 1562.16 crore) including cash and bank balance (owned funds) of ₹ 837.83 crore (previous year ₹ 674.23 crore) and current investment ₹ 25 crore (previous year ₹ 75.92 crore). Company believes that the working capital is sufficient to meet its requirements, accordingly no liquidity risk is perceived by the Company.

## 50. INDIAN ACCOUNTING STANDARD (IND AS) 108, DISCLOSURES ON OPERATING SEGMENTS ARE AS FOLLOWS:

Operating segments are defined as components of an enterprise for which discrete financial information is available which is being evaluated regularly by the Chief Operating Decision Maker (CODM) in deciding how to allocate resources and assessing performance. The Company's chief operating decision maker is the Chairman & Managing Director who is also Chief Executive Officer.

for the year ended 31st March, 2023

- a) Company has identified four operational reportable segments based on operations being carried out which are as under:-
  - Consultancy Services
  - Leasing of railway rolling stock & equipments
  - Export of rolling stock, equipments and spares
  - Turnkey Construction Projects
- b) Geographical wise revenue segment is disclosed as under:
  - i) Revenue within India from consultancy includes quality assurance & project management services, turnkey construction projects and domestic lease rental services to clients located inside India.
  - ii) Revenue from outside India includes services rendered and export sales of rolling stock & spare parts to the clients located outside India.
- c) The accounting principles used in the preparation of the financial statements are consistently applied to record revenue & expenditure in individual segment, as set out in the note of significant accounting policies.
- d) Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reporting segment have been allocated on the basis of attributed direct cost. All other expenses which are not attributable or allocable to the segments have been disclosed as un-allocable expenses.
- e) Assets and liabilities used in the Company's business are not identified to the reportable segments as these are used interchangeably between segments. Depreciation, amortization& impairment on Property, Plant & Equipment and Intangible Assets cannot be allocated to a specific segment. Company believes that it is currently not practicable to provide segmental disclosure relating to total assets, total liabilities and depreciation, amortization& impairment since a meaningful segregation of the available data could be onerous.

#### 52. INDIAN ACCOUNTING STANDARD (IND AS-116): DISCLOSURES ON LEASES ARE AS FOLLOWS:

#### a) Company as Lessee:

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability. The right-of-use assets are depreciated using the straight-line method from the commencement date over the term of useful life of right-of-use asset.

for the year ended 31st March, 2023

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. Company has no borrowing, as such 3 year SBI MCLR rate 8.70% and 7.30% has been considered as weighted average incremental borrowing rate for calculation of present value of lease liability for the FY- 2022-23 and 2021-22 respectively.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

- i) The following is the summary of practical expedients applied:
  - 1) The Company has used a single discount rate to a portfolio of leases with similar characteristics.
  - II) Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
  - III) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.

Deferred Income Tax Liabilities after set off	-	-

Deferred tax assets and liabilities have been offset wherever the Company has a legally enforceable right to set off current tax assets against current tax liabilities and where the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the year in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making the assessment.

Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the group will realize the benefits of those deductible differences. The amount of deferred income tax assets considered realizable could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

#### q) Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

**Ind AS 1 - Presentation of Financial Statements-** This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect the amendments to have any significant impact in its financial statement.

**Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors-** This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect the amendments to have any significant impact in its financial statement.

**Ind AS 12 - Income Taxes-** This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect the amendments to have any significant impact in its financial statement.

## COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (B) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF RITES LIMITED FOR THE YEAR ENDED 31 MARCH 2023.

The preparation of financial statements of RITES Limited for the year ended 31st March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139 (5) of the Act is responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143 (10) of the Act. This is stated to have been done by them vide their Audit Report dated 18 May 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of RITES Limited for the year ended 31 March 2023 under Section 143(6) (a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditor and is limited primarily to inquiries of the Statutory Auditor and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditor's report under Section 143(6) (b) of the Act.

For and on the behalf of the Comptroller & Auditor General of India

## Independent Auditor's Report

#### To the Members of RITES Limited

#### REPORT ON THE AUDIT OF THE CONSOLIDATED **FINANCIAL STATEMENTS**

#### Opinion

We have audited the accompanying Consolidated Financial Statements of RITES Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), and its associates and jointly controlled entities, which comprise the Consolidated Balance Sheet as at March 31, 2023, and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the consolidated statement of changes in equity and the consolidated cash flows statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory statement (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at March 31, 2023, the consolidated profit including other comprehensive income, consolidated statement of changes in equity and its consolidated cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs)

specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associates and jointly controlled entities in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

#### **Emphasis of Matter**

We draw attention to note no. 62(a) to the Consolidated Financial Results wherein it is mentioned that the Financials Statements of one of the Jointly controlled entities, Indian Railway Stations Development Corporation Limited (IRSDC) have been prepared on liquidation basis and that the group does not perceive any impairment at present in the value of investments held by the group in IRSDC.

Our opinion is not modified in respect of these matters.

#### **Kev Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### Sr. No. Key Audit Matter

of Ind AS 115 "Revenue from Contracts with Customers" follows: (revenue accounting standard).

The application of the revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price • of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized at a point in time or over time. Additionally, revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

#### Auditor's Response

**Accuracy of recognition, measurement, presentation and** Our audit approach consisted testing of the design and operating disclosures of revenues and other related balances in respect effectiveness of the internal controls and substantive testing as

- Evaluated the design of internal controls relating to implementation of the revenue accounting standard.
- Selected a sample of contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation and inspection of evidence in respect of operation of these controls.

#### Sr. No. Key Audit Matter

Refer Notes 1.2.1 and 56 to the Consolidated Financial Statements.

#### Auditor's Response

- Selected a sample of contracts and performed the following procedures:
  - Read, analysed and identified the distinct performance obligations in these contracts.
  - Compared these performance obligations with that identified and recorded by the Group.
  - Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.
  - Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.

## INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of our audit report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGEDWITHGOVERNANCEFORTHE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective

Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. In the case of one of the jointly controlled entities IRSDC, its Board of Directors have decided to close its business and transfer/hand over the business to the promotors of IRSDC.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

## AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from

material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risk, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding Company has adequate internal financial controls with reference to the Consolidated Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group and its jointly controlled entities ability to continue as a going concern. The financial statements of one of the jointly controlled entities IRSDC, have not been prepared on going concern basis but on an alternate basis i.e. liquidation basis refer note no. 62(a) to the consolidated financial statement and para (i) given under the heading "Emphasis of Matter" paragraph of our report on the statement. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial

Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its jointly controlled entities to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of holding company included in the Consolidated Financial Statements of which we are the Independent auditors. For the other entities included in the Consolidated Financial Statements, such other auditors remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the holding company and such entities regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

(i) The Statement includes the audited financial results of two subsidiaries whose financial statements reflect total assets of ₹ 275.21 crores as at March 31, 2023, total revenue of ₹ 124.93 crores, net profit after tax of ₹ 59.81 crores, for the year ended on that date and net cash flows of ₹ 23.86 crores for the year ended March 31, 2023, as considered in the Statement, which have been audited by their respective independent auditors. The independent auditors reports on financial statements of these entities have been furnished to us and our opinion on the statement, in so far as it relates to the amount and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us as stated in the paragraph above.

The Statement includes the unaudited financial results of one associate and two jointly controlled entities whose financial statements reflect Group's share of net profit (including other comprehensive income) of ₹ 0.95 crore for the year

- ended on that date. These financial statements are unaudited and have been furnished to us by the management and our opinion on the Statement, in so far as it relates to the amount and disclosures in respect of these associates and jointly controlled entities are based only on such unaudited financial statements. In our opinion and according to information and explanations given to us by the Management these financial statements are not material to the Group.
- Further, out of these subsidiaries and jointly controlled entities, one subsidiary is located outside India whose financial statements and other financial information has been prepared in accordance with accounting principles generally accepted in Botswana and which have been audited by another auditor under generally accepted auditing standards applicable in Botswana. The Holding Company's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in Botswana to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion, in so for as it relates to the financial information of such subsidiary located outside India, is based on the report of other auditor and the conversion adjustments prepared by the management of the Holding Company

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- 1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order"/"CARO"), issued by the Central Government in terms of section 143(11) of the Companies Act, 2013, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO report issued by us and other auditors of Companies included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in the CARO reports.
- 2. In terms of sub section (5) of section 143 of the Act, based on our audit and on the consideration of the report of the auditor of a subsidiary company, as referred in the 'Other Matters' paragraph we give in the Annexure 'I' a statement on the directions issued under the aforesaid section by the Comptroller and Auditor General of India.
- 3. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditors on separate financial statements and the other financial information of subsidiaries and jointly controlled Companies, as referred in the 'Other Matters' paragraph we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act;
- (e) In view of exemption given vide notification no. G.S.R. 463(E) dated 5<sup>th</sup> June, 2015, issued by Ministry of Corporate Affairs, provisions of Section 164(2) of the Act regarding disqualifications of Directors, are not applicable to the Holding Company and its subsidiaries. ## Annexure II to the Independent Auditor's Report referred to in paragraph 2(f) under the heading "Report on other Legal and Regulatory requirements" of our report of even date on the Consolidated Financial Statements of RITES Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to the Consolidated Financial Statements of RITES Limited (hereinafter referred to as "the Holding Company") and its subsidiary company and its jointly controlled companies, which are companies incorporated in India, as of that date.

### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company, its subsidiary company and its jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to the Consolidated Financial Statements, and, both issued by Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to the Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to the Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to the Consolidated Financial Statements included obtaining an

understanding of such internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to the Consolidated Financial Statements.

## MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING WITH REFERENCE TO THE CONSOLIDATED FINANCIAL STATEMENTS

A company's internal financial control over Financial Reporting with reference to the Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over Financial Reporting with reference to the Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING WITH REFERENCE TO THE CONSOLIDATED FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting with reference to the Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to the Consolidated Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to the Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **OPINION**

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in Other Matters paragraph, the Holding Company, its subsidiary company and its jointly controlled companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to the Consolidated Financial Statements and such internal financial controls were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **OTHER MATTERS**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial

 $controls \, over \, financial \, reporting \, with \, reference \, to \, the \, Consolidated \,$ Financial Statements in so far as it relates to the one subsidiary company and two jointly controlled companies, which are the companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of this matter.

#### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.1 GENERAL

#### (a) Statement of Compliance

These consolidated financial statements of the Group are being prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013, read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Accounting policies at 1.28 on Government Grant has been inserted in place of erstwhile accounting policy on export incentive. Such rearrangement/modification is clarificatory and do not have any impact on financial statement.

#### (b) Basis of Preparation

These consolidated financial statements have been prepared on accrual basis at historical cost except for the following assets and liabilities which have been measured at fair value/ amortized cost:

- Derivative financial instruments.
- which are specifically indicated in the concerned accounting policies.

#### (c) Use of Estimates and Judgements

The preparation of the consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities and contingent assets as at the date of the financial statements and reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognized during the year in which the results are known/materialize.

#### (d) Basis of Consolidation

- i) The consolidated financial statements comprise the financial statements of the Company and its controlled entities i.e. subsidiaries at the reporting date. Control is achieved when the Group is exposed, or has rights to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee, if and only if, the Group has:
  - Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee),
  - Exposure or rights to variable returns from its involvement with the investee, and
  - The ability to use its power over the investee to affect its returns.
- ii) Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:
  - The contractual arrangement with the other vote holders of the investee.
  - Rights arising from other contractual arrangements.
  - The Group's voting rights and potential voting rights.
  - The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.
- iii) The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.
- iv) Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.
- v) The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purpose, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

#### vi) Consolidation procedure for:

#### A) Subsidiaries

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (c) Eliminate in full intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group. Intra group losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

- (d) Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:
  - De-recognises the assets (including goodwill) and liabilities of the subsidiary.
  - De-recognises the carrying amount of any non-controlling interests.
  - De-recognises the cumulative translation differences recorded in equity.
  - Recognises the fair value of the consideration received.
  - Recognises the fair value of any investment retained.
  - Recognises any surplus or deficit in profit or loss.
  - Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed off the related assets or liabilities.

#### B) Joint Ventures & Associates

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement and have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether joint control exist are similar to those necessary to determine control over the subsidiaries.

The Group's investments in its joint venture & associates are accounted for using the equity method. Under the equity method, the investment in a joint venture & associates is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the joint venture since the acquisition date.

#### 1.2 REVENUE RECOGNITION

#### 1.1.1 REVENUE FROM CONTRACTS WITH CUSTOMERS

Operating revenue is from various streams viz. consultancy fee, inspection fee, lease services, export sales, construction projects and power generation.

For recognizing revenue from aforesaid streams in the financial statements, general parameters are stated below which are applicable to all streams of revenue while specific parameters are stated in the accounting policy of the respective stream of revenue

#### **General Parameters**

To determine whether to recognise revenue, the Group follows a five step process:

- Identifying the contract with a customer
- Identifying the performance obligations
- Determining the transaction price
- Allocating the transaction price to the performance obligations
- Recognising revenue when/as performance obligation(s) are satisfied.

The Group often enters into transactions involving a range of the Group's products and services. In all cases, the total transaction price for a contract is based on performance obligation. The transaction price for a contract excludes amounts received as deposit from client for execution of the project and amount collected on behalf of third party (for example, some GST).

Revenue is recognised either at a point in time or over time, when (or as) the Group satisfies performance obligations by transferring the promised goods or services to its customers.

The Group recognises contract liabilities for consideration received in respect of unsatisfied performance obligations and reports these amounts as other liabilities in the balance sheet. Similarly, if the Group satisfies a performance obligation before the consideration is due, the Group recognises a contract asset in its balance sheet.

When there is uncertainty as to realisability, recognition of revenue is postponed until such uncertainty is removed.

#### 1.2.1.1 Consultancy Fee

Revenue from providing services is recognized in the accounting period in which services are rendered. Revenue is recognized based on performance obligation satisfied either over time or at a point in time.

In case performance obligation satisfied over time revenue is recognised based on the actual service provided to the end of the reporting period as a proportion of the total services to be provided. This is determined based on physical progress, efforts, cost incurred to date bear to the total estimated cost of the transaction, time spent, service performed or any other method that management considered appropriate.

In other cases where performance obligation is not satisfied over time, revenue is recognized at a point in time.

In case of contracts where customer pays fixed amount based on a payment schedule If services rendered by the Group exceed the payment, a contract asset is recognised. If payments exceed services rendered, a contract liability is recognised.

Mobilization fee is considered as customer advance until recognized as revenue based on the stage of completion of activities/ transactions as per the terms of contract/work order.

Reimbursable and supplies are accounted for on accrual basis.

In Construction Management/ Supervision Contracts, revenue is recognised as a percentage of the value of work done/built-up cost of each contract as determined by the Management, pending customer's approval, if any.

#### 1.2.1.2 Inspection Fee

Inspection fee is accounted for on the basis of inspection certificates issued.

#### 1.2.1.3 Export Sales

Export sales are accounted for on the basis of bills raised when or as the Group transfers control of the assets to the customer which happens at the point in time the customer has undisputed right on delivered goods.

#### 1.2.1.4 Construction Projects

In construction contracts/projects, the Group recognises revenue over time. Due to high degree of interdependence among various elements of these projects, revenue is accounted for considering these activities as a single performance obligation.

To depict the progress by which the Group transfers control of the promised goods to the customer, and to establish when and to what extent revenue can be recognised, the Group measures its progress towards complete satisfaction of the performance obligation based on work done.

Any expected loss is recognized as an expense immediately.

#### 1.2.1.5 Wind Mill Projects

Revenue from sale of power through wind mill projects is recognized on the basis of certificate from concerned State Electricity Authority for energy fed in kwh (units) in authority's system and as per terms and conditions of the Agreement with the beneficiary.

#### 1.2.1.6 Consultancy - Advisory service for Power Procurement

Income from consultancy is recognized as per the terms and conditions of the agreement with the beneficiary.

#### 1.2.1.7 Lease Services

Refer Policy no-1.24.2- Leases-Group as lessor

#### 1.2.2 Other Income

#### 1.2.2.1 Interest Income

Interest income is recognized using effective interest method.

#### 1.2.2.2 Dividend

Revenue is recognised when the right to receive the payment is established, which is generally when shareholders approve the dividend.

#### 1.2.2.3 Others

Other income is accounted for on accrual basis except claims (including insurance claims)/supplementary claims / counter claims/ interest on delayed payments / awards in favour of the Group/ sale of tenders/ premium on sale of licenses etc. which are accounted for on final settlement / realization.

#### 1.3 PROPERTY, PLANT AND EQUIPMENT (PPE)

Property, plant and equipment are stated at cost i.e., cost of acquisition or construction inclusive of freight, erection and commissioning charges, non-refundable duties and taxes, expenditure during construction period, borrowing costs, in case of a qualifying asset, upto the date of acquisition/ installation, net of accumulated depreciation and impairment losses, if any.

- (a) Incidental expenditure during construction period including interest charges incurred upto the date of completion, net of interest recovered on mobilisation advance, are capitalized.
- (b) Spare valuing more than ₹ 10 lakh which can be used only in connection with an item of property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the spares or principal item of the relevant assets, whichever is lower.
- (c) Expenditure incurred subsequently relating to property, plant & equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably.
- (d) The initial estimate of the cost of dismantling, removing the item and restoring the site on which PPE is located, the obligation for which is incurred when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during the period, is capitalized as a component of PPE.

#### 1.3.1 Depreciation

- (a) Depreciation on property, plant and equipment are provided on straight line method over their estimated useful life determined by management. Depreciation method, useful lives and residual values are reviewed at the end of each financial year. The useful lives of assets are as prescribed in part C of schedule II of the Companies Act, 2013 except assets indicated in sub paragraphs from (d) to (g) below. In respect of additions to/deductions from the assets during the year, depreciation is charged on pro- rata basis.
- (b) The estimated useful lives of the various assets, are as under:-

Asse	ets	Useful Life (Years)
i)	Furniture	10
ii)	Fixture	5
iii)	Office Equipment	5
iv)	Mobile Hand Set	3
v)	Coolers & Air Conditioners	7
vi)	Air Conditioning Plant	15
vii)	Computer Hardware	3-4
viii)	Server & Networks	6
ix)	Survey and Equipments	10
x)	Vehicles	4-8
xi)	Buildings on Freehold Land	60
xii)	Locomotives-New	15
xiii)	Locomotives-In-Service	10
xiv)	Coaches-New	15
XV)	Coaches-In-Service	10
xvi)	Windmill Plant	25

(c) Any addition or extension, which becomes an integral part of the existing asset and which results in increased economic benefits, is capitalized and depreciated over the remaining useful life of that asset.

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset which is calculated as the difference between the net disposal proceeds and the carrying amount of the asset, is included in the income statement when the asset is de-recognised.

- (d) In respect of BOT assets, depreciation is charged over the period of project or the life stated above whichever is lower.
- (e) In respect of buildings on lease hold land, depreciation is charged over the period of lease of land or the useful life stated above for buildings on freehold land, whichever is lower.
- (f) In case of RITES Limited, as per company's assessment, Fixtures, Mobile Hand Set, Coolers & Air Conditioners and In-Service Locomotives & Coaches (refurbished) have lower useful lives than prescribed in part C of schedule II of the Companies Act, 2013. Therefore depreciation is charged at higher rate than prescribed under the Companies Act, 2013. In case of REMC Limited, Windmill plants have higher useful life of 25 years than prescribed in part C of schedule II of the Companies Act, 2013 or 22 years. Therefore, depreciation is charged at lower rate than prescribed under the Companies Act, 2013.
- (g) In case of holding & its subsidiary companies in India, Individual low cost assets of value less than ₹ 5,000/- is fully depreciated in the year of acquisition.
- (h) In case of holding company & its subsidiary companies in India, a nominal value of ₹ 1/- is assigned to the fully depreciated assets.

#### 1.3.2 Capital Work in Progress

Assets which are not ready for the intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

#### 1.3.3 Capital Advances

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets.

#### 1.4 INTANGIBLE ASSETS

Intangible assets acquired/developed are measured on recognition at cost less accumulated amortisation and impairment losses, if any.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

- (a) Software of value less than ₹ 100,000/- is fully amortized in the year of acquisition.
- (b) A nominal value of ₹ 1/- is assigned to the fully amortized assets.

#### 1.4.1 Amortization

Estimated useful life of the software is 4 years and amortized on a straight line basis over the period.

#### 1.5 INVESTMENT PROPERTY

Investment properties are measured at cost, including transaction costs less accumulated depreciation and impairment loss, if any.

The Group depreciates building component of investment property over the estimated useful lives of the assets as prescribed in property, plant and equipment.

Investment properties are de-recognised either on disposal or on permanent withdrawal from use. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of de-recognition.

#### 1.6 INVESTMENTS

Equity investments are measured at fair value through profit and loss except investments in subsidiary, participating joint venture with or without joint control and associate.

Investments in subsidiary, participating joint venture with or without joint control and associate are measured at cost.

#### 1.7 JOINT ARRANGEMENTS

#### 1.7.1 Joint Ventures

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Group's investments in its joint venture are accounted for using the equity method. Under the equity method, the investment in a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the joint venture since the acquisition date.

#### 1.7.2 Joint Operations

- (a) In case of participating joint operations with joint control, Group recognizes in relation to its interest in a joint operation as under:-
  - (i) its assets, including its share of any assets held jointly;
  - (ii) its liabilities, including its share of any liabilities incurred jointly;
  - (iii) its revenue from the sale of its share of the output arising from the joint operation;
  - (iv) its share of the revenue from the sale of the output by the joint operation; and
  - (v) Its expenses, including its share of any expenses incurred jointly.
- (b) In case of participating joint operations without having joint control, interest in such arrangements is to be recognized as per aforesaid accounting policy if the Group has right to the assets and obligations for the liabilities relating to joint operations otherwise interest in the joint operation is recognized in accordance with applicable Ind AS.

#### 1.8 INVENTORIES

- (a) Inventories are valued at the lower of cost and net realizable value.
- (b) Cost of inventories comprises of costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- (c) The diminution in the value of obsolete, unserviceable, slow moving and non-moving stores and spares are assessed periodically and accordingly provided for.
- (d) Consumables and Stores & Spares other than held for the purpose of warranty are charged to the Statement of Profit and Loss in the year of purchase.

#### 1.9 EMPLOYEE BENEFITS

#### 1.9.1 Defined Contribution Plans

#### Pension Scheme/Post Retiral Medical Schemes

Retirement benefits in the form of pension scheme/post-retirement medical scheme are defined contribution schemes. The Company has no obligation, other than the contribution payable to such funds/ schemes. The Company recognizes contribution payable to such funds/schemes as an expense, when an employee renders the related service. If the contribution payable to the schemes for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined contributions towards pension under EPFO, superannuation pension fund and post retiral medical schemes are charged to the Statement of Profit and Loss based on contributions made in terms of applicable schemes on accrual basis.

#### 1.9.2 DEFINED BENEFIT PLAN

#### 1.9.2.1 **Gratuity**

Company provides gratuity, a defined benefit plan covering eligible regular and contract employees. The gratuity plan provides a lump-sum payment to vested employees of an amount based on the respective employee's salary and the tenure of employment with the company at retirement, death, incapacitation, or on completion of terms of employment.

The liabilities with regard to the Gratuity plan are determined by actuarial valuation, performed by an independent actuary, at the year end.

- (i) The Company has set up a separate Gratuity Trust for managing Gratuity Fund.
- (ii) The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability.
- (iii) Gain or loss through re-measurements of net defined benefit liability/(asset) is recognized in Other Comprehensive Income.
- (iv) The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligation is recognized in Other Comprehensive Income.
- (v) Service cost and net interest cost/(income) on the net defined benefit liability/(asset) are recognized in Statement of Profit and Loss.

#### 1.9.2.2 Provident Fund

The Company makes contribution to the recognized provident fund - "RITES Contributory Providend Fund" for its employees, which is a defined benefit plan to the extent that the Company has an obligation to make good the shortfall, if any, between the returns from the investments of the trust and the notified interest rate. The Company's obligation in this regard is determined by an independent actuary and provided for if the circumstances indicate that the Trust may not be able to generate adequate returns to cover the interest rates notified by the Government.

#### 1.9.3 Other Long Term Benefits

- (a) Leave Travel Concession (CDA employees), Leave Encashment (contract employees) and Long Service Award (regular employees)
  - i. Accounted for on actuarial valuation made at the end of year.
  - ii. The actuarial gains/losses are recognized in the Statement of Profit and Loss for the year.
- (b) Leave Encashment and Medical Leave for regular employees
  - i. Liabilities are funded under plan assets through insurance policies from insurance companies approved by Insurance Regulatory Development Authority (IRDA) and are accounted for on actuarial valuation made at the end of year.
  - i. The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability.
  - iii. Service cost and net interest cost/(income) on the net defined benefit liability/(asset) are recognized in Statement of Profit and Loss
  - iv. Actuarial gains/losses are recognized in the Statement of Profit and Loss.

#### 1.9.4 Other Benefits

Ex-gratia payments on death are recognized on payment basis in the Statement of Profit and Loss.

#### 1.10 RESEARCH & DEVELOPMENT

Revenue expenditure incurred/paid during the year on research is charged to the Statement of Profit and Loss.

 $Development\ cost\ is\ capitalized\ if\ following\ are\ demonstrated\ otherwise\ it\ is\ charged\ to\ the\ Statement\ of\ Profit\ and\ Loss:$ 

- (a) Technical feasibility of completing the intangible asset so that it will be available for use or sell.
- (b) Intention to complete the intangible asset and use or sell it.
- (c) Ability to use or sell the intangible assets.
- (d) Asset will generate future economic benefits.
- (e) There is availability of resources to complete the asset.

The developed asset is carried at cost less any accumulated amortisation and impairment loss, if any. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

#### 1.11 INCOME TAXES

#### 1.11.1 Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. In case of domestic entities, the tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted in India, at the reporting date. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled.

Management periodically evaluates positions taken in the tax assessments with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets are offset against current tax liabilities if, and only if, a legally enforceable right exists to set off the recognised amounts and there is an intention either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Additional taxes, interest and/or penalties levied/imposed by the tax authorities / Appellate authorities on finality are recognized in the Statement of Profit and Loss.

Current tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

## 1.11.2 Deferred Tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

• In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred income taxes are not provided on the undistributed earnings of the subsidiaries where it is expected that the earning of the subsidiaries will not be distributed in foreseeable future.

#### 1.12 RATES & TAXES

Overseas taxes on foreign assignments, service tax, value added tax, alike taxes, professional tax, property tax, entry tax, labour cess, octroi etc. paid/accrued in India or abroad for which credit are not available to the Group are charged to the Statement of Profit and Loss.

#### 1.13 PREPAID EXPENSES AND PRIOR PERIOD ADJUSTMENTS

## 1.13.1 Prepaid Expenses

Prepaid expenses upto ₹ 5,00,000/- in each case are treated as expenditure/income of the year and accounted for to the natural head of accounts.

### 1.13.2 Prior Period Adjustments

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated unless it is impracticable, in which case, the comparative information is adjusted to apply the new accounting policy prospectively from the earliest date practicable.

#### 1.14 TRANSLATION AND TRANSACTIONS OF FOREIGN CURRENCIES

- 1.14.1 Functional Currency of the Group is Indian Rupees and the financial statements are presented in Indian Rupees.
- 1.14.2 Transactions in foreign currencies are initially recorded by the Group at functional currency spot rates at the date the transaction first qualifies for recognition. The Group also uses average rate where the average rate approximates the actual rate at the date of the transaction.
- 1.14.3 Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.
- 1.14.4 Exchange differences arising on settlement or translation of monetary items are recognised in the Statement of Profit and Loss.
- 1.14.5 The results and financial position of foreign operations (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:
  - Assets and liabilities for each balance sheet presented including comparatives are translated at the exchange rate prevailing on the reporting date.
  - Income and expenses for each statement of profit and loss is presented including comparatives are translated at the average rate (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the dates of the transactions).
  - All resulting exchange differences are recognised in other comprehensive income.

On consolidation, exchange differences arising from the translation of any net investment in foreign operations are recognized in OCI and the same is reclassified to Statement of Profit and Loss, as part of the gain or loss on disposal of the net investment.

## 1.15 CASH AND CASH EQUIVALENTS

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term deposits with an original maturity of three months or less from the date of acquisitions which are readily convertible into known amounts of cash and be subject to an insignificant risk of change in value. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

#### 1.16 STATEMENT OF CASH FLOWS

Statement of Cash Flows is made using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, financing and investing activities of the Group are segregated.

### 1.17 EARNINGS PER SHARE

In determining basic earnings per share, net profit attributable to equity shareholders is divided by weighted average number of equity shares outstanding during the period.

In determining diluted earnings per share, net profit attributable to equity shareholders is divided by weighted average number of equity shares considered for deriving basic earning per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at the later date. Dilutive potential equity share are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus share issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

#### 1.18 IMPAIRMENT OF ASSETS

#### 1.18.1 Financial Assets

#### (Other than at Fair Value)

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive. When estimating the cash flows, the Group consider the following:

- All contractual terms of the financial assets (including extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables: In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets: In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

## 1.18.2 Non-Financial Assets

## (Tangible and Intangible Assets)

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use). Impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount and such losses either no longer exists or has decreased. Reversal of impaired loss is recognized in the Statement of Profit and Loss to the extent of previously recognized or balanced impairment loss.

## 1.19 WRITE OFF

#### 1.19.1 Financial Assets

Such assets including trade/lease receivables are written off when, in the opinion of the management, unrealisability has become certain.

## 1.19.2 Non Financial Assets

Such assets including property, plant, equipment (PPE), intangible assets, investment property and inventory are written off when, in the opinion of the management, such asset has become obsolete, damaged beyond repair, stolen and uneconomical to use.

## 1.20 PROVISION FOR WARRANTY FOR SALE AND SERVICES RENDERED

Provision for warranties is recognized when products are sold and services are rendered with warranty as per the contract. These provisions are estimated by using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise or incurred. The initial estimate of warranty-related costs is revised annually.

As per the terms of the contracts, the Group provides post-contract services /warranty support to some of its customers. The Group accounts for the post-contract support / provision for warranty on the basis of the information available with the Management duly taking into account the current and past estimates.

#### 1.21 PROVISION FOR PROFESSIONAL SERVICES (FOR EXPORT SALES)

Provision for professional services for export sales is recognized in the year in which sales are recognized.

#### 1.22 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

- (a) Provisions involving substantial degree of estimation in measurement are recognized when there is a present legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources.
- (b) Contingent Liabilities are not recognized but are disclosed in the notes in any of the following cases:-
  - (i) a present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation; or
  - (ii) a reliable estimate of the present obligation cannot be made; or
  - (iii) a possible obligation, unless the probability of outflow of resource is remote.
- (c) Contingent Liability is net of estimated provisions considering possible outflow on settlement.
- (d) Contingent Assets are not recognized but are disclosed where an inflow of economic benefits is probable.
- (e) Contingent Assets, Contingent Liabilities and Provisions needed against Contingent Liabilities are reviewed at each balance sheet date.

#### 1.23 BORROWING COST

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of cost of such assets which necessarily takes substantial period of time to get ready for their intended use. All other borrowing costs are recognized as expenses in the Statement of Proft and Loss.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

#### 1.24 LEASES

## 1.24. Group as a lessee

The Group leased asset primarily consists of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over lease term.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability.

The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of- use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

#### 1.24.2 Group as a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

For operating leases, rental income is recognized on a straight line basis/systematic basis over the lease term. However, reimbursable under the contract are accounted for on accrual basis. Initial direct cost are added to the carrying amount of the leased assets and recognized as an expense over the lease term.

#### 1.25 NON-CURRENT ASSETS HELD FOR SALE

The Company classifies non-current assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification. Non-current assets classified as held for sale is recognized at lower of its carrying amount and fair value less cost to sell.

#### 1.26 DIVIDENDS

Final dividend on shares is recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Board of Directors.

#### 1.27 FINANCIAL INSTRUMENTS

#### 1.27.1 Initial Recognition

Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and financial liabilities are recognized at fair value on initial recognition except for trade receivables/ trade payables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit and loss are added or deducted to/from the fair value on initial recognition.

#### 1.27.2 Subsequent Measurement

- (a) Financial assets are subsequently measured at amortised cost if these are held within a business model whose objective is to hold the assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding using the Effective Interest Rate (EIR) method. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.
- (b) Financial assets at fair value through profit or loss

The financial assets are measured at fair value through profit or loss unless it is classified at amortised cost.

#### (c) Financial liabilities

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

All other financial liabilities are subsequently measured at amortised cost using EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are de-recognised as well as through the EIR amortisation process.

## 1.27.3 De-recognition of Financial Instruments

A financial asset is de-recognised when:

- The rights to receive cash flows from the asset have expired, or
- the Group has transferred substantially all the risks and rewards of the asset, or the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

A financial liability or a part of financial liability is de-recognised from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

#### 1.27.4 Forward Contracts

Forward contracts are measured at marked to market value at every reporting date.

#### 1.28 Government Grants

Grants are recognized when there is a reasonable assurance that the company has complied with the conditions attached to them and the same will be received. Grants which are receivable for the purpose of giving immediate financial support to the company, with no future related costs are recognized in the statement of profit & loss of the period in which they have accrued.

Grants that compensate the Company for the cost of depreciable asset are recognized as income in statement of profit and loss on a systematic basis over the period and in the proportion in which depreciation is charged. Grants that compensate the Company for expenses incurred are recognized over the period in which the related costs are incurred and the same is deducted from the related expenses.

When the Company receives grant as a non-monetary asset, the asset and the grant are recorded at fair value.

The Company is getting Govt grant as export incentive under Foreign Trade Policy (FTP) of the Government of India. The same is recognized/presented as other operating income when there is a reasonable assurance that the incentive will be received, and all the attached conditions have been complied with.

VII) The significant actuarial assumptions for the determination of the defined obligations are discount rate and expected salary increase. The sensitivity for actuarial assumptions has been computed by varying respective actuarial assumption used for valuation of the defined benefit obligation by 1%, while holding all other assumptions constant.

for the year ended 31st March, 2023

If the discount rate increases /decreases by 1%, the defined obligations would decrease by  $\ref{thm}$  0.62 crore / increase by  $\ref{thm}$  0.68 crore as on 31st March, 2023 and if the expected salary growth increases /decreases by 1%, the defined benefit obligations would increase by  $\ref{thm}$  0.69 crore/ decrease by  $\ref{thm}$  0.64 crore as on 31st March, 2023.

However, the actual change in assumptions would not necessarily behave in isolation to each other. The defined benefit obligations would change accordingly.

The Company is expected to contribute ₹ 1.33 crore to defined benefit plan obligations towards gratuity during the year 2023-24. Remeasurement (gain)/loss of defined employee benefit plans in Other Comprehensive Income (OCI) for the year ended 31.03.2023 and 31.03.2022 are ₹ 0.85 crore and ₹ (0.06) crore respectively.

2029	0.18
2029 onwards	4.11

#### iii) Provident Fund (Funded)

The Company pays fixed contribution to provident fund at predetermined rates to a separate trust, which invests the funds in permitted securities. The Company has an obligation to ensure minimum rate of return to the members as specified by GOI. Accordingly, the Company has obtained report of the actuary, based on which overall interest earnings and cumulative surplus is more than the statutory interest payment requirement for all the periods presented. Further, contribution to employees pension scheme is paid to the appropriate authorities.

As per the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Company has no right to the benefits either in the form of refund from the plan or lower future contribution to the plan towards the net surplus of ₹ 6.76 crore (previous year ₹ 1.05 crore) determined through actuarial valuation. Accordingly Company has not recognized the surplus as assets as it pertains to the provident fund trust and not to the Company.

The Company contributed  $\ref{2}$  24.54 crore and  $\ref{2}$  23.61 crore to the provident fund during the year ended 31st March, 2023 and 31st March, 2022 respectively.

#### b) Contingent liabilities and commitments to the extent not provided for include:

- i) Contingent Liabilities (As certified by the Management)
  - I) Claims (excluding interest) against the Holding Company not acknowledged as debts are ₹ 27.06 crore (previous year ₹ 27.15 crore).
  - II) The holding Company is subject to legal/arbitration proceeding and claims, which have arisen in the ordinary course of business. Management does not reasonably expect that when these cases ultimately conclude and determined, will have any material and adverse effect on the holding Company's results of operations or financial conditions.
  - III) Disputed taxes and duty of the holding Company:
    - A) Demand on account of income tax includes of ₹ 6.66 crore (excluding interest) (previous year ₹ 5.21crore) which are being contested by the Holding Company. This excludes ₹ 4.51 crore (previous year ₹ 2.31 crore) relating to cases where the holding Company has already won the same at different appellate authorities during earlier years, against which income tax department has gone for appeal at higher appellate authorities. In similar cases of past years, the appeal of the income tax department has also been dismissed.
    - B) Demand on account of service tax, VAT etc. amounting to ₹ 8.87 crore (previous year ₹ 2.85 crore) which are being contested by the Holding Company at different forums.
- IV) The company has entered into a contract with the Ministry of Housing & Urban Affairs for purchase of commercial built up in the complex at Nauroji Nagar New Delhi through NBCC. The company has paid GST under reverse charge from third demand onward along with the GST on earlier demand excluding interest of ₹ 1.40 crore on delay payment of GST

for the year ended 31st March, 2023

under reverse charge prior to third demand. Company is of the view that liability to pay GST is with NBCC under Sec 9(1) of CGST Act. AAR (Authority for Advance Ruling) under Sec 37 (1) and Delhi Appellate Authority also held the same view. As such, the company does not foresee any liability of interest as on 31.03.2023. However, as an abundant precaution, the same is being disclosed as Contingent Liability.

- V) REMC Limited, on account of wheeling & transmission charges for 26MW windmill plant of Company at Jaisalmer, an amount of ₹ 1.62 crore (previous year ₹ 1.62 crore) for which Company may be contingently liable to Rajasthan State utilities.
- VI) Group share of contingent liabilities in Joint ventures (IRSDC Limited and SAIL-RITES Bengal Wagon Industry Private Limited) is ₹ 2.68 crore (previous year ₹ 29.24 crore).
- VII) A number of cases are lying for adjudication at various forum or under arbitration, which the holding Company is contesting on behalf of Clients. The holding Company is not subject to any liability that may result pursuant to adjudication / arbitral award.
- VIII) The above contingent liabilities do not include contingent liabilities on account of pending cases in respect of service matters &others where amount cannot be quantified.

#### ii) Commitments

Estimated amount of contracts of holding Company remaining to be executed on capital account and not provided for amounting to ₹ 104.19 crore (previous year ₹ 199.97 crore).

Estimated amount of contracts of REMC Limited remaining to be executed on capital account and not provided for amounting to ₹ 4.27 crore (previous year Nil).

#### c) Contingent Assets

- i) In a pre-closed contract in the year 2005–06, the holding Company invoke arbitration for a claim of ₹ 233.93 crore (previous year ₹ 233.93 crore) against a client. Client also submitted counter claims of ₹ 469.10 crore (previous year ₹ 469.10 crore) before arbitrator. The sole arbitrator awarded ₹ 88.31 crore in favour of the holdingCompany against the claim of ₹ 233.93 Crore, while rejecting the counter claims of the client. Since the awarded amount is less than the claimed amount, the holding Company appealed against the aforesaid award. Appellate authority awarded ₹ 231.68 crore with applicable interest in favour of theholding Company. Client filed a petition in the Civil Court for setting aside the aforesaid award, which was dismissed by the court on 22.11.2017 and preliminary objections of the holding Company are allowed. Thereafter the holding Company filed writ petition before Hon'ble Jharkhand High court on 05.07.2018 to issue the direction to client to pay the awarded amount. Hearing in the matter is yet to be scheduled.
- ii) In the above contract, executing agency also raised claims (excluding interest) of ₹ 184.41crore (previous year ₹ 184.41crore) against the holding Company before the arbitration tribunal. The holding Company also submitted a counter claims of ₹ 644.53 crore (previous year ₹ 644.53 crore) against the executing agency. Both the parties had concluded their arguments before the Tribunal and award was published on 18<sup>th</sup> October, 2016 in favour of the holding Company. As per the award, the holding Company was to get ₹ 63 crore from executing agency effective from the date of publication of award i.e. 18<sup>th</sup> October, 2016. The executing agency had filed two petitions i.e. arbitration appeal before hon'ble Jharkhand high court on 25.05.2017 and commercial revocation to set aside the award before the commercial court, Ranchi on 06.01.2018. The arbitration appeal has already been dismissed by hon'ble Jharkhand high court on 11.03.2019. The commercial revocation has also been dismissed on 29.06.2019. Now RITES limited filed the commercial execution case no. 03 of 2020 on 16.01.2020 before commercial court Ranchi to execute the award amount. Same is pending and next date of hearing is fixed on 16.06.2023. In view of above, the holding Company has not recognized the award amount in the books of account.
- iii) REMC Limited, subsidiary Company has installed 26 MW Wind Mill plant at Jaisalmer, Rajasthan for utilization of energy generated from Wind Mill Plant by WCR for a period of 25 years in accordance with Power Purchase Agreement (PPA) signed between West Central Railways (WCR) and Company. The Wind Mill Plant was commissioned on 16.10.2015 and

for the year ended 31st March, 2023

since then energy generated from Wind Mill Plant was being continuously utilized by Indian Railways through WCR up to 09.01.2017 at three Traction Sub Stations (TSS) in Rajasthan State connected as consumer of Rajasthan DISCOM i.e. Jaipur Vidyut Vitran Nigam limited (JVVNL).

With effect from 10.01.2017, open access status was permitted to Indian Railways as deemed distribution licensee in the state of Rajasthan. Accordingly, Railways started taking power at Six TSSs in Rajasthan as a deemed distribution licensee through open access route and accordingly accountal/methodology for utilization of energy generated by Windmill Plant had to be changed from consumer mode to Deemed Distribution licensee Mode. Utilisation of wind energy by WCR under Deemed Distribution Mode had been started with effect from 27.04.2017 and during transition period i.e., from 10.01.2017 to 26.04.2017 energy generated by Windmill Plant was fed into Rajasthan State Grid and for this period accountal for Wind energy had not been considered by JVVNL. Accordingly, the TSSs initially taking power from 26 MW Wind Power Plant were disconnected as a Consumer of JVVNL and connected with RRVPNL as licensee and WCR is contesting that payment to REMCL for the month of January'17 to April'17 was withheld as wind energy for the above period has not been set off from the conventional energy drawn from other generating company.

In this regard, a petition was filed in Rajasthan Electricity Regulatory Commission (RERC) for realization of the wind energy charges during this period (i.e., 10.01.2017 to 26.04.2017) as this power was fed into the Rajasthan State Grid. As per RERC order dt.05.11.2018, "The commission is of the considered view that the petitioner (REMCL) is not entitled for Adjustment of energy wheeled from its CPP after termination of WBA". Accordingly, the petition was disposed off. Aggrieved by the above RERC order dated 05.11.2018, Company filed an appeal before APTEL on 20.12.2018. The last hearing was held on 28.03.2023. Next hearing date is awaited.

In present circumstances, there is uncertainty regarding realization of revenue. Therefore, revenue amounting to ₹ 6.81 crore for the period 10.01.2017 to 26.04.2017 has been postponed and not recognized.

#### c) Financial Risk Management

The Group's activities are exposed to a variety of financial risks: market risk, credit risk and liquidity risk. The Group's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Group's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from few customer

#### i) Market Risk of Holding Company

The holding Company operates internationally and a major portion of the business is transacted in several currencies and consequently the holding Company is exposed to foreign exchange risk for its sales and services in the Middle East and South Asian countries. The exchange rates between the rupee and foreign currencies have changed substantially in recent years which may also fluctuate substantially in the future. However, holding Company has currency risk management policy and exchange fluctuations are regularly monitored by the risk management committee to mitigate this risk. Policy covers various aspects of currency risk management, benchmarking, hedging and risk appetite, permissible instruments, hedging policy, structure of the risk management committee and treasury group, reporting procedures etc

Analysis of foreign currency risk from financial instruments is as follows:

Particulars	Currency	31.03.2023	31.03.2022	31.03.2023	31.03.2022
		(Figure in	Millions)	ons) (₹ in crore)

Net assets/(liabilities)	MUR	5.78	2.66	1.01	0.44

For the year ended 31stMarch,2023 and year ended 31st March, 2022, every percentage increase/decrease in the exchange rate between the INR & US Dollar has affected the Company's incremental margins by approximately 0.42% (previous year 0.48%) each. For the year ended 31st March, 2023 and 31st March, 2022, every percentage increase/decrease in the exchange rate between the INR &MUR has an insignificant affect on the Company's incremental margins.

Sensitivity analysis is computed based on the changes in the income and expenses in foreign currency upon conversion into functional currency, due to exchange rate fluctuations between the previous reporting year and the current reporting year.

The above foreign currency exposure is unhedged as these are covered through foreign currency risk management policy.

#### ii) Credit Risk of Group

Credit Risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. Primarily exposure to the credit risk is from trade receivables amounting to ₹ 1033.83 crore (previous year ₹ 844.54 crore) and unbilled revenue amounting to ₹ 109.58 crore (previous year ₹ 58.54 crore) which are typically unsecured. Credit risk is being managed by continuously monitoring the outstanding dues from the customer Trade Receivables towards export sales are generally managed by establishing Letter of Credit with the customer. Further most of the clients of the Group are Government or Government Undertakings; hence credit risk is bare minimum. Group has impaired, as a prudent measure, the trade receivables and unbilled revenue towards expected credit loss as per Group's accounting policy to the extent of ₹ 127.19 crore (previous year ₹ 104.85 crore). Keeping in view the nature of business expected credit loss is provided for on case-to-case basis as per the policy on impairment of financial assets.

for the year ended 31st March, 2023

Movement of Impairment of Financial Assets

(₹ in crore)

SI. No.	Description	Balance at the beginning of the year	Provision during the year	Reversal during the year	Balance at the end of the year
1	Trade & Other Receivable	127.51	37.47	14.72	150.26

No significant credit risk on cash and bank balances including clients' funds amounting to ₹ 3533.32 crore (previous year ₹ 3431.63 crore) is expected as holding Company and its Indian Subsidiaries parks surplus funds with Schedule Banks having good credit adequacy ratio and least NPA as determined by RBI and guidelines of the respective companies. Holding Company and its Indian Subsidiaries has parked its owned funds in fixed deposits of ₹ 852.83 crore (previous year ₹ 774.98 crore) with Schedule banks with negligible credit risks.

Non-Strategic Investments primarily include investments in tax-free bonds of ₹ 45 crore (previous year ₹ 95 crore) and liquid mutual fund units of ₹ NIL (previous year ₹ 25.92 crore) issued by Public Sector Undertaking where risk is minimal.

The holding Company has given House building, multi-purpose loans etc. to the employee which are insured and house properties/ other assets are mortgaged / hypothecated against these loans in line with the policies of the Company. The risk of default in respect of these loans is considered negligible

#### iii) Liquidity Risk of Group

Group's principal sources of liquidity are "cash and cash equivalents" and the cash flow that is generated from operations. Group has outstanding borrowings of ₹ NIL (previous year ₹ 24.65 crore). Group has a working capital of ₹ 1878.16 crore (previous year ₹ 1648.42 crore) including cash and bank balance (owned funds) of ₹ 889.88 crore (previous year ₹ 707.65 crore) and current investment ₹ 25 crore (previous year ₹ 75.92 crore). Group believes that the working capital is sufficient to meet its requirements, accordingly no liquidity risk is perceived by the Group.

#### 54. INDIAN ACCOUNTING STANDARD (IND-AS)108, DISCLOSURES ON OPERATING SEGMENTS ARE AS FOLLOWS:

Operating segments are defined as components of the Group for which discrete financial information is available which is being evaluated regularly by the Chief Operating Decision Maker (CODM) in deciding how to allocate resources and assessing performance. The holding Company's chief operating decision maker is the Chairman & Managing Director who is also Chief Executive Officer.

for the year ended 31st March, 2023

- i) The group has identified five operational reportable segments based on operations being carried out which are as under: -
  - Consultancy Services
  - Leasing of railway rolling stock & equipments
  - Export of rolling stock, equipments and spares
  - Turnkey Construction Projects
  - Power Generation
- ii) Geographical wise revenue segment is disclosed as under:
  - A) Revenue within India from consultancy includes quality assurance & project management services, turnkey construction projects, power generation and domestic lease rental services to clients located inside India.
  - B) Revenue from outside India includes services rendered and export sales of rolling stock & spare parts to the clients located outside India.
- iii) The accounting principles used in the preparation of the financial statements are consistently applied to record revenue & expenditure in individual segment, as set out in the note of significant accounting policies.
- iv) Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reporting segment have been allocated on the basis of attributed direct cost. All other expenses which are not attributable or allocable to the segments have been disclosed as un-allocable expenses.
- v) Assets and liabilities used in the Group's business are not identified to the reportable segments as these are used interchangeably between segments. Depreciation, amortisation& impairment on Property, Plant & Equipment and Intangible Assets cannot be allocated to a specific segment. The Group believes that it is currently not practicable to provide segmental disclosure relating to total assets, total liabilities and depreciation, amortisation& impairmentsince a meaningful segregation of the available data could be onerous.

#### 57. INDIAN ACCOUNTING STANDARD (IND AS-116): DISCLOSURES ON LEASES ARE AS FOLLOWS:

#### a) Company as Lessee:-

The Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability. The right-of-use assets are depreciated using the straight-line method from the commencement date over the term of useful life of right-of-use asset.

The holding Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The holding Company has no borrowing, as such 3-year SBI MCLR rate 8.70% and 7.30% has been considered as weighted average incremental borrowing rate for calculation of present value of lease liability for the FY- 2022-23 and 2021-22 respectively.

The Group has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

#### ) The following is the summary of practical expedients applied:

- I) The Group has used a single discount rate to a portfolio of leases with similar characteristics.
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- III) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.

#### 65. RECENT ACCOUNTING PRONOUNCEMENTS:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

**Ind AS 1 - Presentation of Financial Statements-** This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect the amendments to have any significant impact in its financial statement.

**Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors-** This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect the amendments to have any significant impact in its financial statement.

**Ind AS 12 - Income Taxes-** This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect the amendments to have any significant impact in its financial statement.

# COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (B) READ WITH SECTION 129 (4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF RITES LIMITED FOR THE YEAR ENDED 31 MARCH 2023.

The preparation of consolidated financial statements of RITES Limited for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139 (5) read with Section 129 (4) of the Act are responsible for expressing opinion on the financial statements under Section 143 read with Section 129 (4) of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 18 May 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of RITES Limited for the year ended 31 March 2023 under Section 143(6) (a) read with Section 129 (4) of the Act. We conducted a supplementary audit of the financial statements of SAIL RITES Bengal Wagon Industry Private Limited and REMC Limited but did not conduct supplementary audit of the financial statements of Indian Railway Stations Development Corporation Limited for the year ended on that date.

Further, Section 139(5) and 143 (6) (a) of the Act are not applicable to Elicius Energy Private Limited being a private entity and RITES (Afrika) (Pty) Limited, Botswana, being a private entity incorporated in a foreign country under the respective laws, for appointment of their Statutory Auditor and for conduct of supplementary audit. Accordingly, the Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of these companies. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory Auditor's report under Section 143(6) (b) of the Act.

For and on the behalf of the Comptroller & Auditor General of India
