Dear Sir/Madam,

DroneAacharya Aerial Innovations Ltd., India's highest-rated DGCA certified drone pilot training center, headquartered in Pune, Maharashtra, is pleased to announce the opening of its fourth training center in Jaipur, Rajasthan. This expansion is part of our franchise initiative in partnership with **Subhkhayati Aerospace Pvt. Ltd.**

Apart from Jaipur, DroneAacharya has DGCA certified drone pilot training centers in Maharashtra, Gujarat, and Punjab, along with non-DGCA certified drone-centric courses in Mumbai and Bengaluru. With the addition of the Jaipur center, we aim to train the youth of Rajasthan and adjoining states, nurturing talent for the drone industry, which is in high demand for trained and certified professionals as Drone Pilots, Data Analysts, Developers, and Entrepreneurs.

“Our vision aligns completely with the objectives of Indian Prime Minister Shri Narendra Modi, of catapulting India as a Global Drone Hub by 2030”, comments Mr. Prateek Srivastava, Founder, and Managing Director of DroneAacharya. “To date, DroneAacharya has successfully trained over 700 DGCA certified drone pilots and 200 Defence officials. Additionally, we have provided non-DGCA drone-centric courses to over 6,000 candidates across India. With a prominent presence in Jaipur, we aspire to establish a stronghold in the western part of India, aiming to train at least 1,000 DGCA certified drone pilots in the first year itself.”

We kindly request you to take note of the same. Thank you.
