Mahesh Dattani is a treasured mentor - Shilpa Shukla

that she got an opportunity to work with Dattani and says, "When he called me for 'Big Fat City', he said, 'The play is about and it has been such a learning curve in my life. I'm now able to love the craft a lot more. There is no monotony around it. Words can't describe how much I learned from him, his observations on life, on the whole being. As a teacher he is fabulous. He has mentored so many students and he is really like a treasure for us. There are very few people like this." About the social commentary in 'Big Fat City', she says, "The play is about the aspirations that may revolve around a flat, a lover or a big role. It is about how some people look at the world from an external perspective. They think in terms of glamour and image when actually, there could be so much truth in the city of their dreams. In that sense, it is possibly the first black comedy from India that exposes the dark side of aspiration." (19-10)

Counterfeit HP ink toners & cartridges seized

Ahmedabad, Counterfeit HP products valued at approximately INR 30 crore have been seized during Nov 2022-Oct 2023 in India, according to the HP Anti-Counterfeiting and Fraud (ACF) report. In this period, law enforcement authorities in India with support from HP's Anti-Counterfeiting initiatives have successfully removed nearly 4.4 lakh illicit items from the market. These items include several counterfeit toner and ink cartridges, preventing their circulation and potential sale to unsuspecting consumers. The majority of these operations occurred in Mumbai, where over one lakh illicit items were confiscated. scale and severity of the fraudulent printing supplies market in India. While counterfeit ink and toner cartridges might look like HP originals, they are often of poor quality. They can come with many significant risks for end users, such as sub-standard printout quality, printer downtime and extra costs due to counterfeit cartridge leakage, and loss of money due to non-functioning counterfeit cartridges, among other things.
