Secretarial Audit Report

For the Financial Year ended 31st March, 2023 [Under Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, Dutron Polymers Limited Dutron House, Nr. Mithakhali Underbridge, Navrangpura, Ahmedabad – 380 009

I have conducted a secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. DUTRON POLYMERS LIMITED (CIN: L25209GJ1981PLC00478) (hereinafter called "the Company") during the financial year from 1st April, 2022 to 31st March, 2023 ("the year" / "audit report" / "period under review"). The Secretarial Audit was conducted in a manner that provided me with a reasonable basis for evaluating the Company's corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of the secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31st. March, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter;

I have examined the books, papers, minute books, forms, return filed and other records maintained by the Company for the financial year ended 31st March, 2023 according to the provision of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
- (iv) The Foreign Exchange Management Act, 1999 to the extent applicable in respect of Foreign Direct Investment and Overseas Direct Investment.
- (v) The Following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:
  - (a) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
  - (b) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulation, 2008; (Not Applicable to the Company during the Audit period)
  - (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act, dealing with a client;
  - (f) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - (g) The Securities and Exchange Board of India (Share-based Employee Benefits) Regulations, 2014; (Not Applicable to the Company during the Audit period)
  - (h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not Applicable to the Company during Audit period) and
  - (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS-1) on "Meetings of the Board of Directors" and Secretarial Standards (SS-2) on "General Meetings" issued by The Institute of Company Secretaries of India
- (ii) Listing agreements entered into by the Company with BSE Limited (BSE)

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standard, etc. mentioned above.

I further report that having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on the test-check basis, the Company has complied with the following laws which apply specifically to the Company:

# Management Discussion and Analysis

#### INTRODUCTION

Dutron Polymers Ltd. was formed to manufacture Plastic Pipes and Fittings, as an organized supplier to the industry at Dist. Kheda, Gujarat. The company had a technical license from world leaders in the field M/s. Wavin Overseas, The Netherlands for manufacture of HDPE, PVC pipes till 2006. Today, the Company has been recognised as one of the most reliable quality plastic pipes & fittings manufacturers in India. Its products HDPE, PVC & CPVC pipes and fittings cater to several market areas- agriculture, industries, building & construction and infrastructure projects. The Company is ISO 9001:2015 certified and has established as a quality brand in all parts of the country, especially in Gujarat and neighbouring states.

#### ECONOMIC REVIEW

The global economy showed signs of slowed down during 2022-23 by growth rate falling to 2.7% But the Indian economy showed growth rate of around 6.4% from the previous year. In spite of this, Global Polymers demand showed marginal growth. India's Polymers demand remained stagnant. High prices of Polymers during the year, particularly of PVC, affected the demand. Infrastucture Projects from the government will help boost the demand. Overall, polymer demand is likely to grow in near future.

#### INDIA'S PLASTIC PIPE INDUSTRY

Pipes are used for transportation of oil, water, liquids, air, gases, semi-solids etc. in segments such as Agriculture, Building & Construction, Industries and Infrastructure. Plastic pipes are made from different polymers like HDPE, PVC, CPVC and PP. PVC raw material prices steadily reduced throughout the year. The demand of HDPE, PVC & CPVC Pipes witnessed healthy growth during the year. With situation back to normal after recovering from pandemic, country is going in for economic growth. This will help Plastic Pipe industry in India.

#### INDUSTRY STRUCTURE AND DEVELOPMENTS

Easy availability of polymer raw materials and processing machinery, well-known manufacturing methods, moderate investment requirements have made plastic pipe manufacturing an easy proposition for small scale entrepreneurs in India. With large domestic production capacities along with good quantity of imports of plastic raw materials make it a commodity business in India.

The global plastic pipe industry is growing at about 2-3% annually. In recent years, government schemes such as affordable housing for all, water supply for every village, and now, plans for piped water for every household are helping and contributing the growth of plastic pipes in India.

#### **BUSINESS OUTLOOK**

Your company had healthy growth in demand of plastic pipes during the year. In addition, the government boost for implementation of various water supply schemes and its maintenance resulted in robust growth of Plastic Pipes market. The country witnessed volume growth of 13% in PVC Pipes & Fittings during the year.

Dutron has been one of the early users of Japan's Sekisui CPVC compound - 'Durastream' in India, and these CPVC pipes are established as quality products for the hot and cold-water plumbing system. The imposition of tariff on import of CPVC from countries like China has helped quality manufacturers of CPVC Pipes. HDPE pipe market growth largely depends on Agriculture season and Industrial projects. A good Agriculture season and momentum in industrial growth will be critical to Dutron's growth in the current year.

# **OPPORTUNITIES AND THREATS**

The Government's various welfare schemes in irrigation, drinking water, affordable housing and Smart City projects will give an excellent opportunity to increase the business of your company in the coming years. Replacement of metal plumbing pipes with plastic pipes is already taking place in India. Significant risks and threats to your company are related to threat of third Covid wave, Global Economic Situation, volatile plastic raw material prices, uncertain import transit time to India. The situation of economic downturn, if it comes, may affect building and construction, farming and industrial sectors; and these may affect the demand of your company's products.

### **BUSINESS, OPERATIONAL AND FINANCIAL RISKS**

The significant risks and concerns which may have an impact on the Company's business are as follows:

- 1. Indian Economy and International Economic trends
- 2. Foreign Currency rate fluctuations
- 3. Interest rate fluctuations and high rates on inflation
- 4. Unforeseen circumstances like natural calamities- pandemic, floods, earthquakes, closure due to violence
- 5. Delay in government spending on infrastructure and welfare schemes

Since the company is 100% dependent on import of raw material for CPVC pipes, fluctuations of foreign currency rate affect the most in profitability on CPVC pipes sales. However, it is expected that this fluctuation will decrease due to actions by RBI. Further, Plastic Pipes manufacturing industry is a competitive industry. It reflects with demand-supply chain, trusted quality, and customer confidence is directly linked with economic factors like consumer reliance, technology and its up-gradation etc.

#### **INTERNAL CONTROL SYSTEMS**

The Company has built adequate systems of internal controls towards achieving efficiency and effectiveness in operation, optimum utilization of resources, and effective monitoring thereof as well as compliance with all applicable laws. The internal control mechanism comprises of well-defined organization structure, documented policy guidelines, pre-determined authority levels and processes commensurate with the level of responsibility.

### FINANCIAL PERFORMANCE

The highlight of financial performance is discussed in the Directors' Report. The Audit Committee also reviews the financial performance of the Company from time to time.

### HUMAN RESOURCES MANAGEMENT

Dutron's belief in trust, transparency and teamwork has yielded improvement in employee efficiency at all levels. The Company's commitment to harmonious industrial relations resulted in enhancing the effectiveness of operations and enabled the achievement of benchmarks in industry. The Company's ongoing objective is to create an inspirational work climate where talented employees engage in creating sustained value for the stakeholders. The Company has developed an environment of harmonious and cordial relations with its employees.

#### CAUTION STATEMENT

# **Corporate Governance Report**

Corporate Governance is about commitment to values and ethical business conduct. Corporate Governance at DUTRON is a rigorous and well-established framework that helps to manage the Company's affairs in a fair, accountable and transparent manner. "Transparency" and "Accountability" which are the two columns of good governance are piped in the Company's robust business practices to ensure ethical and responsible leadership both at the Board and at the Management level. Responsible corporate conduct is integral to the manner that we conduct our business, and our actions are governed by values and principles, which are reinforced across all levels within the Company. Your Company has evolved guidelines and best practices over the years to ensure timely disclosure of information regarding our financials, performance, product offerings, distribution network and governance. Dutron Polymers Limited has established a tradition of the highest standards of corporate governance principals and best practices. The Company is committed to introducing corporate governance practices. To succeed, maintain sustainable growth and create long-term value requires the highest standards of corporate discipline. Your Company continues to focus its resources, strengths and strategies on achieving these.

As per Regulation 15(2) of SEBI LODR, 2015, the Provisions of Corporate Governance Report is not applicable to the Company. However, the Company has voluntarily complied with the same to the extent possible.

# 1. OUR GOVERNANCE PHILOSOPHY

The Company's philosophy on corporate governance envisages the attainment of the highest levels of transference, accountability and equity in all facets of its operation and all its interactions with its stakeholders including shareholders, employees, the government, lenders and the society. The Company believes that all its activities and actions must focus on the goal of enhancing overall shareholder value over a sustained period. Your Company continuously strives for excellence by adopting the best governance and disclosure practices. In this context, your Company has been making significant disclosures on the Board composition and functioning, management thoughts on the performance and outlook from time to time.

## 2. GOVERNANCE PRACTICES BEYOND REGULATORY REQUIREMENTS

Our governance practices go beyond the statutory and regulatory requirements. Our endeavour is more to follow the spirit of good governance than mere compliance with the conditions specified by regulatory authorities. With this objective, we have formulated, among other things, the following policy documents and introduced best practices of governance:

# 2.1 Code of Ethics

Our policy document on 'Code of Ethics', in essence, directs that our employees should conduct the business with integrity by excluding consideration of personal advantage. The Code requires Directors and Employees to act honestly, fairly, ethically, and with integrity, conduct themselves in a professional, courteous and respectful manner. You can access code of conduct for the Board of directors and senior management persons by clicking <u>here</u> or visit <u>http://dutronindia.com/wp-content/uploads/Code-of-Conduct-for-Board-of-Directors-and-Senior-Management-</u>Personnel.pdf.

#### 2.2 Business Policies

Our 'Business Policies' contains the policy on fair market practices, inside information, financial records and accounting integrity, external communication, work ethics, personal conduct, policy on prevention of sexual harassment, health, safety & environment and quality.

#### 2.3 Prohibition of Insider Trading Policy

The Company has adopted a 'Code of Conduct for Prevention of Insider Trading' by the requirements of the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015. This Code is amended from time to time, reflecting the changes brought in by SEBI in the Insider Trading Regulations. The said Code applies to all Directors and such Designated Employees who are reasonably expected to have access to unpublished price sensitive information relating to the Company. You can access 'Policy on Prohibition of Insider Trading' and 'Code of practices and procedures for fair disclosures of Unpublished Price Sensitive Information' by clicking here or http://dutronindia.com/wp-content/uploads/Policy-on-Prohibition-of-Insider-Trading.pdf.

## 2.4 Whistle Blower Policy

We have established a mechanism for our employees to report concerns about unethical behaviour, actual or suspected fraud, or violation of our Code of Conduct & Ethics policy. Our whistleblower policy also safeguards the whistleblower from any adverse personnel action and allows direct access to the Chairperson of the Audit Committee in exceptional cases. We further affirm that no employee has been denied access to the Audit Committee. You can access our Vigil Mechanism or Whistle Blower Policy by clicking <u>here</u> or visit <u>http://dutronindia.com/wp-content/uploads/Vigil-Mechanism-or-Whistle-Blower-Policy.pdf</u>.

#### 2.5 Risk Management

The Company is exposed to risks from market fluctuations of foreign exchange, interest rates, commodity prices, business risk, compliance risks and people risks.

- Foreign Exchange Risk: The Company's policy is to actively manage its long-term foreign exchange risk within the framework laid down by the Company's FOREX Policy approved by the Board.
- Interest Rate Risk: Given the interest rate fluctuations, the Company has adopted a prudent and conservative riskmitigating strategy to minimize interest costs.
- Commodity Price Risk: The Company is exposed to the risk of price fluctuation on raw materials as well as finished goods in all of its products. The Company proactively manages these risks in inputs through forwarding booking, inventory management, proactive management of vendor development and relationships. The Company's strong reputation for quality, product differentiation and service, the existence of a powerful brand image and a robust marketing network mitigates the impact of price risk on finished goods.
- Risk Element in Individual Businesses: Apart from the risks on account of interest rate, foreign exchange and regulatory changes, various businesses of the Company are exposed to certain operating business risks, which are managed by regular monitoring and corrective actions.
- Compliance Risk: The Company is exposed to risks attached to various statutes and regulations, including the Competition Act, 2002. The Company is mitigating these risks through regular reviews of legal compliances, through internal as well as external compliance audits.
- People Risk: Retaining the existing talent pool and attracting new human resources are significant risks. The Company has initiated various measures such as the roll out of the strategic talent management system, training and integration of learning activities.

### 3. BOARD ROOM PRACTICES

#### 3.1 Board Charter

The Board of Directors has adopted a comprehensive board charter. The charter has set out matters relating to board composition, scope & functions of the board & committees, etc.

#### 3.2 Tenure of Independent Director

Tenure of independent directors on the board of the Company shall not extend beyond stipulated years, subject to their re-appointment on retirement by rotation as per statutory provisions.

#### 3.3 Director's Interactions with Shareholders

Shri Rasesh H. Patel and Shri Mitesh C. Shah interact with shareholders. The suggestions and queries are forwarded to the Company Secretary. The directors assure the shareholders that their company is running smoothly and is rising in a steady yet sustainable manner throughout times.

#### 3.4 Meeting of Independent Directors with Operating Team

The independent directors of the company meet in executive sessions with the operating teams in each of the respective areas, regularly as they deem necessary. These executive session discussions may include topics such as operating policies and procedures; risk management strategies; measures to improve efficiencies; performance and compensation; strategic issues for board consideration; the flow of information to directors; management progression and succession and others as the independent directors may determine. During these executive sessions, the independent directors have access to members of management and other advisors, as the independent directors may determine and deem fit.

#### 3.5 Commitment of Directors

The board meeting dates for the entire financial year are scheduled at the beginning of the year, and an annual calendar of meetings of the board and its committees are circulated to the directors. This enables the directors to plan their commitments and facilitates the attendance of all directors at the meetings of the board and its committees. Such planning of meetings allows the directors to plan their responsibilities, particularly in the context that the meetings of the board usually extend over the entire working day.

# 4. GOVERNANCE PRACTICES BEING FOLLOWED TO PROMOTE THE INTERESTS OF OUR STAKEHOLDERS

We have in the recent past introduced several trends setting governance practices to improve stakeholder satisfaction.

# 5. COMPLIANCE WITH SCHEDULE V OF SEBI (LODR), 2015

Dutron Polymers Limited is fully compliant with the mandatory requirements of Clause 49 of the Listing Agreement formulated by Securities and Exchange Board of India (SEBI). We present our report on compliance of governance conditions specified in Clause 49.

#### OPINION

We have audited the accompanying Standalone financial statements of M/s. Dutron Polymers Limited ("the Company") which comprises the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, and Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year ended on that date.

#### **BASIS OF OPINION**

We conducted our audit by the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **KEY AUDIT MATTER**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Financial Statements for the financial year ended 31st March, 2023. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each key matter, our description of how our audit addressed the matter is provided in that context.

We have determined that there are no key audit matters to be communicated in our report.

We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Standalone Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone Financial Statements. Accordingly, our audit included the performance of procedure designed to respond to our risk of material misstaken of the Standalone financial statements. The result of our audit procedure provides the basis for our audit opinion on the standalone financial statement.

#### INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditors' report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# **RESPONSIBILITY OF MANAGEMENT FOR THE STANDALONE FINANCIAL STATEMENTS**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity)[iv] and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and

application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process

#### AUDITORS' RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAS, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable le, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended 31st March, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for our audit.

- a. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- b. The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- c. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- d. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- e. We hereby attach an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated 13th June, 2017 in Annexure - B to this report.
- f. Concerning the other matters to be included in the Auditor's Report by Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - 1. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - 2. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - 3. (i)The management has represented that to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kinds of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediately shall whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or like on behalf of the Ultimate Beneficiaries.

(ii) The management has represented that to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with understanding whether recorded in writing or otherwise, that the company shall whether directly and indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of ultimate beneficiaries.

(iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) contain any material mis-statements.

- 4. The Company has not declared or paid any dividend during the year in contravention of provisions of Section 123 of the Companies Act, 2013.
- 5. With respect to the matter to be included in the Auditor's Report under section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the limits prescribed for the payments of remuneration is not applicable to the private company.

# Annexure - B to Independent Auditors' Report on Internal Financial Controls

[Under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")]

We have audited the internal financial controls over financial reporting of Dutron Polymers Limited ("the Company") as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

## MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial control system over financial reporting.

# MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# NOTE NO. 31 SIGNIFICANT ACCOUNTING POLICIES

#### • Basis of Preparation of Financial Statements

- a) The financial statements have been prepared under the historical cost convention by the generally accepted accounting principles on going concern basis and provisions of the Companies Act, 2013 as adopted consistently by the company. The accounts are materially complying with Accounting Standards issued by The Institute of Chartered Accountants of India.
- b) The company generally follows a mercantile system of accounting and recognizes significant items of income and expenditure on an accrual basis. However, Municipal Tax is recognized on Cash Basis.

#### • Disclosure of Accounting Policies

The Accounting Principles and policies, recognized as appropriate for measurement and reporting of the financial performance and the financial position on Accrual Basis except otherwise disclosed using historical cost i.e. not taking into account changing money values/impact of inflation, are applied in the preparation of the financial statement and those which are considered material to the affairs are suitably disclosed. The statement on Significant Accounting policy excludes disclosures regarding Accounting Standards in respect of which there are no material transactions during the year.

#### • Valuation of Inventories

The Company has kept proper records of its inventories. The Cost of inventory is ascertained as the total of cost of procurement, cost of conversions and cost of bringing inventories to its present location and conditions excluding any abnormal cost, administrative, financial, and selling and storage cost. Net realizable value is calculated based on the estimated sales price in the ordinary course of the business less estimated cost of completion and estimated cost necessary to make a sale. Net realizable value is calculated based on the most reliable evidence at the time of valuation. The comparison of cost and net realizable value is made the item by item or by a group of item.

Inventories are generally valued at cost or market value whichever is lower.

#### Current versus Non-Current Classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle
- Held primarily for trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

**(DUTRON)**<sup>®</sup>

All other assets are classified as non-current.

A liability is current when:

- o It is expected to be settled in the normal operating cycle
- It is held primarily for trading
- o It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The company classifies all other liabilities as non-current. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

#### • Functional and Presentation Currency

These standalone financial statements are presented in Indian rupees, which is the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest rupees, except otherwise indicated.

#### • Employee Benefits

(i) Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### (ii) Defined contribution plans

Obligations for contributions to defined contribution plans are expensed as the related service is provided and the Company will have no legal or constructive obligation to pay further amounts. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(iii) Defined benefit plans

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligations is performed periodically by an independent qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI). Net interest expense (income) on the net defined liability (asset) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in a benefit that relates to past service or the gain or loss on curtailment is recognised immediately in Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

(iv) Other long-term employee benefits

The Company's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is measured based on a periodical independent actuarial valuation using the projected unit credit method. Re-measurement are recognised in Statement of Profit and Loss in the period in which they arise

#### • Fair Value Measurement

The Company measures financial assets, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- o In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- o Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is Unobservable

For assets and liabilities that are recognised in the financial statements regularly, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Company management determines the policies and procedures for recurring and non-recurring fair value measurement. Involvement of external valuers is decided upon annually by Company management. The management decodes after discussion with external valuers about valuation technique and inputs to use for each case.

At each reporting date, the Company's management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing on the information in the valuation computation to contracts and other relevant documents.

The Company, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable. For fair value disclosures, the Company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company assesses its revenue arrangements against specific criteria, i.e., whether it has exposure to the significant risks and rewards associated with the sale of goods or the rendering of services, to determine if it is acting as a principal or as an agent.

Revenue is recognised, net of trade discounts, goods and service tax or other taxes, as applicable.

(i) Sale of Goods

Revenue from sale of goods is recognized in the statement of profit and loss when the significant risks and rewards in respect of ownership of goods have been transferred to the buyer as per the terms of the respective sales order and the Company neither continuing managerial involvement to the degree usually associated with ownership nor

effective control over the goods sold. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances and discounts.

(ii) Interest Income

For all financial assets measured either at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or the amortised cost of financial liability. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

(iii) Dividend Income

Dividend income from investments is recognised when the right to receive the payment is established which is generally when shareholders approve the dividend.

#### • The Property, Plant and Equipment & Depreciation

(i) Recognition and Measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses if any. The cost of an item of property, plant and equipment comprises - its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates. - Any costs are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. - the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the Company incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period. - Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment have dignement. Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss. If significant parts of an equipment is recognised in Statement of as a capable of property, plant and equipment and equipment. Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss. Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest.

(ii) Subsequent Expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

(iii) Depreciation

The depreciable amount for assets is the cost of an asset or other amount substituted for cost, less its estimated residual value. Depreciation on property, plant and equipment of the Company has been provided on the straightline method as per the useful life prescribed in Schedule II to the Act, except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on independent technical evaluation and management's assessment thereof, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc

Useful life is taken as per Schedule II of Companies Act, 2013.

Depreciation method, useful live and residual values are reviewed at each financial year-end and adjusted if appropriate. Depreciation on additions (disposals) is provided on a pro-rata basis, i.e. from (up to) the date on which asset is ready for use (disposed of).

#### • Intangible Assets

(i) Recognition and Measurement

Intangible assets are carried at cost less accumulated amortisation and impairment losses if any. The cost of an intangible asset comprises of its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use. Expenditure on research and development eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

## (ii) Subsequent Expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

(iii) Amortisation

Intangible assets are amortised over their estimated useful life on Straight Line Method. The estimated useful lives of intangible assets and the amortisation period are reviewed at the end of each financial year, and the amortisation method is revised to reflect the changed pattern if any

#### • Non-Current Assets Held for Sale

Assets are classified as held for sale and stated at the lower of carrying amount and fair value less costs to sell if the asset is available for immediate sale and its sale is highly probable. Such assets or group of assets are presented separately in the Balance Sheet as "Assets Classified as Held for Sale". Once classified as held for sale, intangible assets and property, plant and equipment are no longer amortised or depreciated.

#### • Impairment of Assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. The following intangible assets are tested for impairment each financial year even if there is no indication that the asset is impaired:

- i) an intangible asset that is not yet available for use; and
- ii) an intangible asset that is having an indefinite useful life.

If the carrying amount of the assets exceeds the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss unless the asset is carried at a revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In the case of revalued assets, such reversal is not recognised.

# • Foreign Currency Transactions

Transactions in foreign currency are recorded at the approximate exchange rate prevailing on the date of transactions. Foreign currency monetary assets and monetary liabilities not covered by forwarding exchange contracts are translated at year-end exchange rates and profit and loss so determined and realised exchange gains/losses are recognised in purchase proceed of imports. The Company has made Foreign Exchange Loss of ₹15,17,928 (previous year gain ₹16,22,279).

#### • Government Grants and Subsidies

The company recognises the Government grants only when there is reasonable assurance that:

- a) the enterprise will comply with the conditions attached to them and
- b) the grant will be received.

During the year, the company has not received any grant/subsidy.

# • Provisions and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. If the effect of the time value of money is material, provisions are discounted using an appropriate discount rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed in the Notes to the Standalone Financial Statements. Contingent liabilities are disclosed for:

- i) possible obligations which will be confirmed only by future events not wholly within the control of the Company, or
- ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

#### Borrowing Costs

Borrowing costs are interest, and other costs that the Company incurs in connection with the borrowing of funds and is measured concerning the effective interest rate (EIR) applicable to the respective borrowing. Borrowing costs include interest costs measured at EIR and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, allocated to qualifying assets, about the period from the commencement of activities relating to construction/development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are recognised as an expense in the period which they are incurred.

#### • Earnings per Share

Basic earnings per share are computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for the events for bonus issue, bonus element in a rights issue to existing shareholders, share split and Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

#### • Insurance Claims

Insurance claims are accounted for based on claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect the ultimate collection.

#### Goods and Services Tax Input Credit

Goods and Services tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credits.

#### • Segment Reporting

The Company operates in one reportable business segment, i.e. "Manufacturing of Plastic Pipes". Hence as per Ind AS 108, disclosures of the segment does not apply to it.

#### Taxes on Income

Provision for current income taxes is made on taxable income at the rate applicable to the relevant assessment year. Deferred taxes are recognised for future tax consequences attributable to timings difference between the financial statements, determination of income and their recognition for tax purpose. The effect on deferred tax assets and liabilities of a change in tax rates is recognised for tax purposes. The effect on deferred tax assets and liabilities of a change in tax rates is recognised for tax purposes. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in Profit and Loss Account using the tax rates and tax laws that have been enacted or substantively enacted by Balance Sheet date.

Deferred tax assets are recognised and carried forward only to the extent that there is a virtual certainty of realisation of such assets. Considering this, the company has applied for provision for deferred tax.

## NOTE NO. 32 SIGINIFICANT ACCOUNTING ASSUMPTIONS

The preparations of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, and accompanying disclosures including disclosures of contingent liabilities. Uncertainty about these assumptions may result in an outcome that requires a material adjustment to the carrying amount of assets or liabilities affected in the future period. The estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and assumptions are reviewed on an ongoing basis. The revision to accounting estimates is recognised in the year in which the estimates are revised and in any future affected.

#### • Estimates and Assumptions

The key assumptions that concerning the future and other key sources of estimation on the reporting date, which may cause a material adjustment to the carrying amount of assets and liabilities within the next financial year, are listed below. The company based its estimates and assumptions on parameters available when financial statements are made. Existing circumstances and assumptions about future circumstances may change due to market change or circumstances arising beyond the control of the company.

#### (i) Useful Lives of Property, Plant and Equipment

The company reviews useful life of its property, plant and equipment at the end of each reporting period.

#### (ii) Defined Benefit Plans

The cost of defined benefit gratuity plan and other post-employment and the present value of the gratuity obligations are determined using actuarial valuations. An actuary makes assumptions which may differ from the actual developments in the future. These include the determination of discount rate, future salary increase, mortality rate. Due to the complexity of the valuations, a defined benefit obligation is highly sensitive changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables of India. Future salary and gratuity increase are based on expected future inflation rates in India.

Details of Gratuity valuations are given at the end of this Note.

#### (iii) Provision for Inventories

Provision is made in the financial statements for slow and non-moving inventories based on estimate regarding their usability.

#### (iv) Impairment of Trade Receivables

To measure lifetime expected credit loss allowances of trade receivables, the company has used practical expedient as permitted under Ind AS 109. The expected credit loss allowance is made on a provision matrix based on experience and adjusted for forward-looking information.

#### (v) Impairment of Other Financial Assets

The impairment of loss of other financial assets is based on an assumption about the risk of default coupled with past experiences and information about the future.

#### (vi) Employee Benefit

#### (a) Defined Contribution Plans

- 1. Provident Fund/Employee's Pension Fund
- 2. Employee's State Insurance

# NOTE NO. 37 FINANCIAL RISK MANAGEMENT

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk;
- Market risk

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports to the board of directors on its activities.

The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Company, through its training, standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures and reviews the adequacy of the risk management framework about the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

#### a) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments. Trade receivables The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also influence credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Summary of Company's Exposure to credit risk is as follows:

Particulars	As at	As at
Particulars	31st March, 2023	31st March, 2022
Past dues not impaired	Nil	Nil
Not past dues not impaired	1108.94	1833.26
Total ₹ in Lakh	1108.94	1833.26

Expected credit loss assessment:

The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of

the risk of loss (e.g. timeliness of payments, available press information etc.) and applying experienced credit judgement.

Exposures to customers:

Outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue.

Cash and cash equivalents:

As at the year end, the Company held cash and cash equivalents of ₹170.55 Lakh - (previous year ₹117.05 Lakh). The cash equivalents are held with banks.

Other financial assets:

Other financial assets are neither past due nor impaired.

#### b) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's an reputation. The Company enjoys an overdraft limit from the bank.

The Company invests its surplus funds in bank fixed deposit which carry no/low mark to market risks. The Company monitors funding options available in the debt and capital markets to maintain financial flexibility.

Exposure to liquidity risk:

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted and include estimated interest payments and exclude the impact of netting agreements.

The details of contractual maturities of significant liabilities as on 31st March, 2023 are as follows:

## c) Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long-term debt. We are exposed to market risk primarily related to interest rate change. However, it does not constitute a significant risk. Hence, sensitive analysis is not given.

#### i) Currency risk

The Company is exposed to currency risk on account of its operations with other countries. The functional currency of the Company is Indian Rupee. The exchange rate between the Indian rupee and foreign currencies has changed substantially in recent periods and may continue to vary in the future. However, the overall impact of foreign currency risk on the financial statement is not significant.

Exposure to Currency risk Following is the currency profile of non-derivative financial assets and financial liabilities:

Particulars	As at	As at
Amount in USD in Lakh	31st March, 2023	31st March, 2022
Financial Assets

	on 31st March, 2023		on 31st March, 2022		
1% Movement	Strengthening	Weakening	Strengthening	Weakening	
USD in Lakh	2.32	(2.32)	3.00	(3.00)	

#### ii) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest-bearing financial assets or borrowings because of fluctuations in the interest rates if such assets/borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest-bearing borrowings will fluctuate because of fluctuations in the interest rates. Exposure to interest rate risk Company's interest rate risk arises from borrowings and finance lease obligations. The interest rate profile of the Company's interest-bearing borrowings is as follows:

Particulars	Amount as at	Amount as at
Total ₹ in Lakh	31st March, 2023	31st March, 2022
Non-Current Borrowings		
<ul> <li>Fixed Rate Borrowings</li> </ul>	963.57	1335.72
<ul> <li>Variable Rate Borrowings</li> </ul>		
Current Borrowings		
<ul> <li>Fixed Rate Borrowings</li> </ul>	Nil	Nil
<ul> <li>Variable Rate Borrowings</li> </ul>	Nil	Nil
Total	96.57	1335.72

Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate borrowings at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

Cash flow sensitivity analysis for variable-rate instruments

A possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular, foreign currency exchange rates, remain constant.

Particulars	Profit (Loss) for the year		Profit (Loss) for the year		
Amount ₹ in Lakh	ended on 31st March, 2023		ended on 31st March, 2022		
100 bps Movement	Increase	Decrease	Increase	Decrease	
Variable Rate Borrowings	Nil	Nil	Nil	Nil	

The risk estimates provided assume a change of 100 basis points interest rate for the interest rate benchmark as applicable to the borrowings summarised above. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

iii) Commodity rate risk

The Company's operating activities involve the purchase and sale of PVC Plastic Pipes, whose prices are exposed to the risk of fluctuation over short periods. Commodity price risk exposure is evaluated and managed through procurement and other related operations, policies. As of 31st March, 2023; and 31st March, 2022, the Company had not entered into any material derivative contracts to hedge exposure to fluctuations in commodity prices.

50.11 Return on Investments

Return on investment (ROI) is a financial ratio used to calculate the benefit an investor will receive in relation to their investment cost. The higher the ratio, the greater the benefit earned. The one of widely used method is Time Weighted Rate of Return (TWRR) and the same should be followed to calculate ROI. It adjusts the return for the timing of investment cash flows and its formula / method of calculation is commonly available. However, the same is given below for quick reference:

$$ROI = \frac{\{MV(T1) - MV(T0) - Sum [C(t)]\}}{\{MV(T0) + Sum [W(t) * C(t)]\}}$$

where,

 $\begin{array}{l} T1 = End \ of \ time \ period \\ T0 = Beginning \ of \ time \ period \\ t = Specific \ date \ falling \ between \ T1 \ and \ T0 \\ MV(T1) = Market \ Value \ at \ T1 \end{array}$ 

MV(T0) = Market Value at T0 C(t) = Cash inflow, cash outflow on specific date W(t) = Weight of the net cash flow (i.e. either net inflow or netoutflow) on day 't', calculated as <math>[T1 - t] / T1

Investors may calculate ROI applying the above formula for their investments.
