Wipro Appoints Suzanne Dann as Senior Vice President and Sector Head for Capital Markets and Insurance, North America Region

New York, USA– April 7, 2021: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced the appointment of Suzanne Dann as Senior Vice President and Sector Head for Capital Markets and Insurance, North America region.

Suzanne joins Wipro from Avanade, an Accenture and Microsoft Joint Venture, where she served as a Corporate Vice President and General Manager, running a large P&L focused on the Northeast region in USA. Suzanne powered double-digit growth for this business over the past three years. She was also the North American Financial Services Executive Sponsor at Avanade where she led go-to-market initiatives nationally. She supported multiple marquee clients in the Banking, Capital Markets and Insurance sectors; in application services, cloud advisory, managed services and broader experience-led digital transformation work. In addition, Suzanne also led Avanade's global taskforce for Race and Inclusion, reporting to the CEO.

Prior to Avanade, Suzanne was a Vice President and Global Client Director with IBM where she spent the bulk of her career. She focussed on business-led technology strategy across financial services during her earlier stints with IBM and Ernst & Young. Suzanne will be based in New Jersey and report to Angan Guha, CEO, Americas 2 Market Unit.

Angan Guha, CEO, Americas 2, Wipro Limited said, "I am delighted to welcome Suzanne Dann to the Americas leadership team. Her experience in leading global teams, expertise with Digital transformation, and insight into the financial services industry will enable our clients to succeed, and also drive our growth ambitions in the Capital Markets and Insurance Sector."

"Digital transformation and innovation continues to be critical for the financial services industry. It is an exciting time to step into this role and join a company that has the proven capabilities and experience to assist clients on their digital journey. I look forward to joining my new Wipro colleagues and leadership team as we strengthen our client and partner relationships, accelerate growth and attract top talent in the market," said **Suzanne Dann, Senior Vice President and Sector Head for Capital Markets and Insurance, Wipro Limited.**

Suzanne graduated from Cornell University with a BS in Engineering.

Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
