SHARIKA ENTERPRISES LIMITED

Sharika Enterprises Ltd completes XLPE Cable project in Uttar Kashi

Sharika Enterprises Successfully Completed Supply, Installation, Testing & Commissioning (SITC) of 220 kV XLPE Cable at Naitwar Mori Hydro Power Plant

New Delhi, 14th March 2024: Sharika Enterprises Ltd. (SEL), a prominent player in the power sector, has announced the successful completion and receipt of a Completion Certificate for the Supply, Installation, Termination, Testing, and Commissioning (SITC) of a 220 kV XLPE cable (1Cx400 Sq. mm) at the Naitwar Mori Hydro Power Plant (2x30 MW) in Uttar Kashi.

Naitwar Mori Hydro Electric Project was inaugurated by Honourable Prime Minister Shri Narendra Modi on 4th March, 2024. EHV Cable being part of an Electro-Mechanical Package for Voith Hydro Pvt Ltd, the project included the meticulous SITC of the cable, complete with all necessary accessories and supporting structures. The total cable laid length is approx 2 km with both indoor and outdoor termination, were completed with precision. The SITC work, including the charging of Circuit 1 & 2, which was completed by 10-11-2023 & 26-11-2023 respectively, in strict accordance with the contract and relevant documents.

Expressing pride in the project's completion, **Mr. Rajinder Kaul, Chairman & Managing Director of Sharika Enterprises Ltd** said, *"The successful completion of such a EHV Cable project is like another milestone achieved. It's a testament to Sharika Enterprises' unwavering commitment to excellence and our ability to consistently deliver high-quality solutions in the power sector. We are proud of our team's dedication and hard work that have made this achievement possible."*

Sharika Enterprises remains dedicated to driving innovation and ensuring customer satisfaction, aiming to set new industry standards across all sectors it ventures into. Committed to advancing the power sector in India, the company

continues to lead, shaping the industry's future growth. Its digitalization initiatives and focus on Flexible Power System Operations underscore its commitment to technological advancement, ensuring it remains at the forefront of industry innovation.

About Sharika Enterprises Limited

Sharika Enterprises Ltd., boasting a rich legacy of decades in the power sector with expertise in transmission and distribution, is committed to driving innovation and ushering in a transformative era in the industry. Their visionary goal is to evolve the sector into a futuristic 'Smart Grid,' harnessing state-of-the-art technologies and sustainable solutions. The company has also made remarkable strides in the solar power sector. Actively collaborating with governmental bodies, PSUs, schools, private sectors, and more, Sharika Enterprises has successfully implemented a large number of solar PV projects in the last 4-5 years. Their portfolio includes a range of pioneering solar solutions such as Grid-connected solar PV Systems, Off-Grid Solutions, Hybrid Solutions with Battery Backup, Battery Energy Storage Systems, EV Charging Systems, Micro Grids, Real-Time Monitoring of solar Plants, and Solar Street Lights.
