Dear Sir,

Sub.: Intimation of Notice of 17th Annual General Meeting alongwith Annual Report of the Company, Book Closure, E-voting Facility and fixation of cut-off date.

With reference to Regulation 30 of Securities Exchange Board of India ((Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), we would like to inform you that the 17th Annual General Meeting ("AGM") of the Company is scheduled to be held on Monday, September 25, 2023 at 11:00 a.m. IST through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM").

Pursuant to Regulation 34(1) of SEBI Listing Regulations, we are submitting herewith the Notice of 17th AGM alongwith the Annual Report for the Financial Year 2022-23 of the Company, which is being sent through electronic mode to the members.

The Annual Report containing the Notice is also uploaded on the Company's website and can be accessed at <u>www.deepindustries.com</u>.

Further, Pursuant to Regulation 42 of the SEBI Listing Regulations, the Register of Member and Share Transfer Books of the Company will remain closed from Tuesday, September 19, 2023 to Monday, September 25, 2023 (both days inclusive) for taking record of the Members of the Company for the purpose of 17th Annual General Meeting of the Company.

Further, Pursuant to Regulation 44 of SEBI Listing Regulations, the Company has fixed Monday, September 18, 2023 as the cut-off date to determine the entitlement of the shareholders to cast their vote electronically in respect of the businesses to be transacted as per the Notice of the AGM and to attend the AGM.

The Company has availed remote e-voting and venue e-voting service(s) from Link Intime India Private Limited (LIIPL) and below are the calendar of the events for remote e-voting:

1.	Date and time of commencement of voting through	Friday, September 22, 2023	
electronic means		(from 09:00 a.m. IST onwards)	
2.	Date and time of end of voting through electronic	Sunday, September 24, 2023	
	means	(till 05:00 p.m. IST)	
3.	Date of declaration of result by the Chairman	Within two working days of conclusion of the AGM i.e September 25, 2023.	

You are requested to consider the same for your reference and record.

Thanking you,

Yours faithfully,

For, Deep Industries Limited

Shilpa Sharma Company Secretary & Compliance Officer

NOTICE of the 17th Annual General Meeting

NOTICE is hereby given that the 17th Annual General Meeting ("AGM") of the Shareholders of **DEEP INDUSTRIES LIMITED** will be held on Monday, September 25, 2023 at 11:00 A.M. through Video Conferencing ("VC") or Other Audio-Visual Means ("OAVM") to transact the following businesses. The venue of the meeting shall be deemed to be the registered office of the Company situated at 12A & 14, Abhishree Corporate Park, Ambli Bopal Road, Ambli, Ahmedabad – 380 058, Gujarat.

ORDINARY BUSINESS:

1. To receive, consider and adopt the audited Standalone and Consolidated Statements (including financial statements) of the company for the financial year ended March 31, 2023 and the Reports of the Board of Directors and Auditors thereon.

To consider and if thought fit, to pass, with or without modification(s), the following Resolution as an **Ordinary Resolution**:

"**RESOLVED THAT** the audited standalone financial statement of the Company for the financial year ended on March 31, 2023 and the reports of the Board of Directors and Auditors thereon, as circulated to the Members, be and are hereby considered and adopted."

"**RESOLVED FURTHER THAT** the audited consolidated financial statement of the Company for the financial year ended March 31, 2023 and the report of Auditors thereon, as circulated to the Members, be and are hereby considered and adopted."

2. To declare a Final Dividend of Rs. 1.85 per Equity Shares for the financial year 2022-23.

To consider and if thought fit, to pass, with or without modification(s), the following Resolution as an **Ordinary Resolution**:

"**RESOLVED THAT** a final dividend at the rate of Rs. 1.85/- (Rupees One and Eighty Five Paise only) per equity share of Rs. 5/- (Rupees Five only) each fully paid-up of the Company, as recommended by the Board of Directors, be and is hereby declared for the financial year ended March 31, 2023 and the same be paid out of the profits of the Company."

3. To appoint a Director in place of Mr. Rohan V. Shah (DIN: 09154526), who retires by rotation and being eligible, offers himself for re-appointment.

To consider and if thought fit, to pass, with or without modification(s), the following Resolution as an **Ordinary Resolution**:

"**RESOLVED THAT** in accordance with the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, Mr. Rohan V. Shah (DIN: 09154526), who retires by rotation at this meeting, be and is hereby appointed as a Director of the Company"

SPECIAL BUSINESS:

4. To approve Loans, Guarantee or Security under Section 185 of Companies Act, 2013.

To consider and if thought fit, to pass, with or without modification(s), the following Resolution as a Special Resolution:

"**RESOLVED THAT** pursuant to the provisions of Section 185 and all other applicable provisions (including any modification or re-enactment thereof), if any, of the Companies Act, 2013 ("the Act"), read with applicable rules and regulations made thereunder (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) and Companies (Amendment) Act, 2017, the consent of the member be and is hereby accorded to authorize the Board of Directors of the Company (hereinafter referred to as the Board, which term shall be deemed to include, unless the context otherwise required, any committee of the Board or any director or officer(s) authorised by the Board to exercise the powers conferred on the Board under this resolution) to advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any entity which is a subsidiary or associate or joint venture of the Company, and entities which are controlled by directors of Company, being entities covered under the category of 'a person in whom any of the Director of the Company is interested' as specified in the explanation to subsection 2 of the said Section, upto an aggregate sum of Rs. 200 Crores (Rupees Two Hundred Crores Only) in their absolute discretion deem beneficial and in the interest of the Company, provided that such loans are utilized by the borrowing company for its principal business activities."

"RESOLVED FURTHER THAT for the purpose of giving effect to the aforesaid resolution, the Board of Directors of the Company be and is hereby authorized, to approve, decide, vary or modify the terms and conditions applicable for the aforesaid loan, Corporate Guarantee and to do all such acts, deeds, matters and things as they may, in their absolute discretion deem necessary, desirable or expedient and things in connection therewith and incidental thereto as the Board in its absolute discretion deem fit without being required to seek any further consent or approval of the members or otherwise to the end and intent that they shall be deemed to have given their approval thereto expressly by the authority of this resolution."

"**RESOLVED FURTHER THAT** the Board of Directors of the Company be and is hereby authorized to do all such acts, deeds, matters and steps as may be necessary for obtaining such approvals in relation to the above and to execute all such documents, instruments and writings as may be required in this connection and to delegate all or any of the powers herein vested in the Board to any Committee thereof or to the Managing Director(s) or Whole Time Director or Company Secretary, to give effect to the aforesaid resolution."

5. To approve related party transaction with regards to holding an office or place of profit of Mr. Dharen Savla as President:

To consider and if thought fit, to pass, with or without modification(s), the following Resolution as an **Ordinary Resolution**:

"**RESOLVED THAT** pursuant to the provisions of Sections 188(1)(f) and all other applicable provisions, if any, of the Companies Act, 2013 ("the Act") read with the Companies (Meetings of Board and its Powers) Rules, 2014 and regulations made thereunder (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) and pursuant to Regulation 23 of Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015 and as per recommendation received from Nomination and Remuneration Committee, Audit Committee and Board of Director of the Company, consent of Members of the Company be and is hereby accorded to approve remuneration of upto Rs. 600,000 per month to Mr. Dharen Savla as President who is also holding office or place of profit w.e.f. October 01, 2023."

"RESOLVED FURTHER THAT the remuneration, perquisites and amenities to be paid to Mr. Dharen Savla is as under:

- (a) Remuneration- Upto Rs. 600,000 per month.
- (b) Car and Telephone: Provision of car used for Company's business and Telephone at residence will not be considered as perquisites. However, personal long distance calls and use of car for private purposes shall be billed by the Company.
- (c) Mobile: Cost of Mobile Instrument and its bill will be paid by the Company.
- (d) Electricity Charges: It will be paid by the Company.
- (d) Insurance Premium: Insurance Premium (Term Plan) upto Rs. 6,00,000/- p.a. to be reimbursed by the Company on production of documentary evidence."

"**RESOLVED FURTHER THAT** the Board of Directors of the Company be and is hereby authorized to do all such acts, deeds, matters and things as may be necessary for obtaining such approvals in relation to the above and to execute all such documents, instruments and writings as may be required in this connection and to delegate all or any of the powers herein vested in the Board to any Committee thereof or to the Managing Director(s) or Whole Time Director or Company Secretary, to give effect to the aforesaid resolution."

6. Appointment of Mr. Ashokkumar Ratilal Patel (DIN: 09451821) as an Independent Director.

To consider and if thought fit, to pass, with or without modification(s), the following Resolution as a **Special Resolution**:

"**RESOLVED THAT** pursuant to the provisions of Section 149, 152, 161 and other applicable provisions (including any modification or re-enactment thereof), if any, of the Companies Act, 2013 ("the Act"), the Companies (Appointment and Qualification of Directors) Rules, 2014 read with Schedule IV of the Act (including any statutory modification(s) or amendment(s) or re-enactment(s) thereof, for time being in force), the relevant provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("SEBI Listing Regulations"), Mr. Ashokkumar Ratilal Patel (DIN: 09451821), who was appointed as an Additional Director with effect from August 01, 2023 for 5 (five) years and who shall hold office upto the date of the ensuing Annual General Meeting of the Company, who has submitted a declaration that he meets the criteria for independence as provided in 149(6) of the Act and 16(1)(b) of SEBI Listing Regulations and also declared that he has not been debarred from holding the office of director or continuing as a Director of Company by SEBI/ MCA or any other authority and in respect of whom the Company has received a notice in writing from a member under Section 160(1) of the Act, signifying his intention to propose Mr. Ashokkumar Ratilal Patel as a candidate for the office of a Director of the Company, whose appointment has been recommended by the Nomination and Remuneration Committee and approved by the Board of Directors, be and is hereby appointed as an Independent Director

of the Company, not liable to retire by rotation, for a first term of 5 (five) consecutive years with effect from August 01, 2023."

"**RESOLVED FURTHER THAT** the Board of Directors of the Company be and is hereby authorized to do all such acts, deeds, matters and steps as may be necessary for obtaining such approvals in relation to the above and to execute all such documents, instruments and writings as may be required in this connection and to delegate all or any of the powers herein vested in the Board to any Committee thereof or to the Managing Director(s) or Whole Time Director or Company Secretary, to give effect to the aforesaid resolution."

7. To consider and approve Material Related Party Transaction(s) proposed to be entered by Company with Deep Onshore Drilling Services Private Limited.

To consider and if thought fit, to pass, with or without modification(s), the following Resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Regulation 23(4) and other applicable regulations if any, of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, ("SEBI Listing Regulations"), Section 2(76) and other applicable provisions of the Companies Act, 2013 ("Act") read with Rules made thereunder, other applicable laws/statutory provisions, if any, (including any statutory modification(s) or amendment(s) or re-enactment(s) thereof, for the time being in force), the Company's Policy on Related Party Transactions, and subject to such approval(s), consent(s), permission(s) as may be necessary from time to time and on the basis of receipt of recommendation of the Audit Committee and approval of the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to the Company to enter into Material Related Party Transaction(s)/Contract(s)/Arrangement(s)/Agreement(s) be entered into (whether by way of an individual transaction or transactions taken together or series of transactions or otherwise) as mentioned in detail in Explanatory Statement annexed herewith, between the Company and Deep Onshore Drilling Services Private Limited (DODSPL), subsidiary company and 'Related Party' as defined under Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) on such material terms and conditions as may be mutually agreed between the Company and DODSPL, for an aggregate value not exceeding Rs. 70 crores with the subsidiary for the period 3 years w.e.f. the date of passing of this resolution provided that the said arrangement(s)/ transaction(s) shall be carried out in the manner beneficial to the company and will be at arm's length basis."

"**RESOLVED FURTHER THAT** the Board of Directors of the Company (hereinafter referred to as 'Board' which term shall be deemed to include the Audit Committee of the Company and any duly constituted/to be constituted Committee of Directors thereof to exercise its powers including powers conferred under this resolution) be and is hereby authorised to do all such acts, deeds, matters and things as it may deem fit at its absolute discretion and to take all such steps as may be required in this connection including finalizing and executing necessary documents, contract(s), scheme(s), agreement(s) and such other documents as may be required, seeking all necessary approvals to give effect to this resolution, for and on behalf of the Company and settling all such issues, questions, difficulties or doubts whatsoever that may arise and to take all such decisions from powers herein conferred to, without being required to seek further consent or approval of the Members and that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

"**RESOLVED FURTHER THAT** any one of the Directors of the company or Company Secretary be and are hereby severally authorized to do all such acts, deeds and things which are necessary or expedient, to give effect to the aforesaid resolution(s)."

By Order of the Board sd/-Shilpa Sharma Company Secretary Membership No. A34516

Date : August 01, 2023 Place : Ahmedabad

NOTES:

- 1. In compliance with all the applicable Circulars issued by the Ministry of Corporate Affairs ('MCA') and Securities Exchange Board of India ('SEBI'), permitted the holding of the General Meetings through VC / OAVM, without the physical presence of the members at a common venue. In compliance with the provisions of the Act, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations"), MCA Circulars for General Meetings and SEBI Circulars for General Meetings, the AGM of the Company is being held through VC / OAVM on Monday, 25th September, 2023. In accordance with the Secretarial Standard 2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI") read with Clarification/Guidance on applicability of Secretarial Standards 1 and 2 dated 15th April, 2020 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM.
- 2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 in respect of Special Businesses Item Nos. 4 to 7 in the Notice is annexed hereto.
- Pursuant to the requirement of Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard – 2 issued by The Institute of Company Secretaries of India, the brief profile/particulars of the Director of the Company seeking their re-appointment at the AGM are stated at the end of the Explanatory Statement annexed hereto.
- 4. The Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, September 19, 2023 to Monday, September 25, 2023 (both days inclusive).
- 5. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for this AGM. Hence, proxy form, attendance slip and route map are not annexed to this Notice. However, Institutional Investors and Corporate Members are entitled to appoint authorised representatives to attend this AGM through VC / OAVM, participate there at, and cast their votes through e-voting.
- 6. Institutional shareholders (i.e. investors other than individuals, HUF, NRI etc.) intending to appoint authorised representative to participate and/ or vote through e-voting, are requested to send scanned copy of the certified true copy of Board Resolution/ Authority letter etc. to the Scrutinizer by e-mail to ravi@ravics.com with a copy marked to rnt.helpdesk@linkintime.co.in.
- 7. The Members may join the AGM in the VC / OAVM mode thirty minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in this Notice.
- 8. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act
- 9. In line with the General Circular Nos. 20/2020 dated May 05, 2020 and No. 02/2021 dated January 13, 2021, and the relevant circulars issued by SEBI, the Notice of this AGM along with the Annual Report 2022-23 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company/ Depositories/ RTA. For the physical copy of Annual Report, the Members may send requests to the Company's dedicated investor email-id: info@deepindustries.com. The Notice of 17th Annual General Meeting and Annual Report for FY 2022-23 is also available on the Company's website www.deepindustries.com, websites of the Stock Exchanges, i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively.
- 10. Those members, who desire to receive notice / financial statement / documents through e-mail, are requested to communicate their e-mail ID and changes thereto from time to time to his / her Depository Participant / the Company's Registrar & Share Transfer Agent, as the case may be.
- 11. Members are requested to support this Green Initiative by registering/updating their e-mail addresses with the Depository Participant (in case of Shares held in dematerialized form) or with RTA (in case of Shares held in physical form)
- 12. Members desirous of seeking information regarding Accounts of the Company are requested to send their queries to info@deepindustries.com on or before Wednesday, September 20, 2023.
- 13. In the case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM through e-voting.
- 14. If the dividend, as recommended by the Board of Directors, is approved at this AGM, payment of such dividend will be made as under:
 - a) To all Beneficial Owners in respect of shares held in dematerialised form as per the data as may be made available by the National Securities Depository Limited ('NSDL') and the Central Depository Services (India) Limited ('CDSL') as of the close of business hours on Monday, September 18, 2023.
 - b) To all Members in respect of shares held in physical form after giving effect to valid transmission or transposition requests lodged with the Company as of the close of business hours on Monday, September 18, 2023.

ANNUAL REPORT 2022-23 DEEP INDUSTRIES LIMITED

- 15. SEBI vide its notification dated January 25, 2022, has mandated listed companies to issue securities in dematerialised form only while processing service requests, viz., issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Further, as per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialised form with effect from April 01, 2019. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or M/s. Link Intime India Private Limited ('RTA'), for assistance in this regard.
- 16. The Securities and Exchange Board of India ('SEBI') has mandated the submission of Permanent Account Number ('PAN') by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to the Depository Participant with whom they are maintaining their demat account.
- 17. SEBI vide its circular No(s) SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 and SEBI/HO/MIRSD/MIRSD-PoD-1/P/ CIR/2023/37 dated November 3, 2021 and March 16, 2023 respectively have prescribed certain mandatory provisions with regard to "Common and Simplified Norms for processing investor's request by RTAs and norms for furnishing PAN, KYC details and Nomination", where the shares are held in physical mode. Said SEBI circular prescribes following norms, in case the shares are held in physical mode:
 - (i) Common and simplified norms for processing any service request from the holder, pertaining to the captioned items, by the RTAs.
 - (ii) Electronic interface for processing investor's queries, complaints and service request.
 - (iii) Mandatory furnishing of PAN, KYC details and Nomination by holders of physical securities.
 - (iv) Freezing of folios without valid PAN, KYC details and Nomination and
 - (v) Compulsory linking of PAN and Aadhar by all holders of physical securities.

Members of the Company holding shares in physical mode shall provide the following documents / details to the RTA of the Company:

- (i) PAN.
- (ii) Nomination (for all eligible folios) in Form No. SH-13 or submit declaration to "Opt-Out" in Form No. ISR-3. Note: Any cancellation or change in nomination shall be provided in Form No. SH-14.
- (iii) Contact details including postal address with pin code, mobile number, e-mail address.
- (iv) Bank account details including bank name and branch, bank account number, IFSC.
- (v) Specimen signature.

Please provide the above documents / details to the RTA of the Company along with other basic details like name of the member, folio number, certificate number and distinctive numbers. As per the said SEBI circular, the Company has uploaded the following documents (along with the SEBI circular) on the website of the Company:

- (i) Form No. ISR-1-request for registering PAN, KYC details or changes / updation thereof.
- (ii) Form No. ISR-2-confirmation of signature of securities holder by the Banker.
- (iii) Form No. ISR-3-declaration form for opting-out of nomination by holders of physical securities in listed companies.
- (iv) Form No. SH-13-nomination form.
- (v) Form No. SH-14-cancellation or variation of nomination.
- 18. The members who have already casted their vote through remote e-voting may attend the meeting but shall not be entitled to cast their vote again at the AGM.
- 19. The institutional members are encouraged to attend and vote at the AGM.
- 20. Further, the contact details of the Company and RTA are also available on the website of the Company
- 21. Effective from January 01, 2022, Grievance Redressal / Service Requests can be availed with the RTA only after the required documents / complete data as mandated are furnished for physical folios.
- 22. SEBI vide its circular no. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated March 16, 2023, mandated for all holders of physical securities in listed companies to furnish PAN, Nomination, Contact details, Bank A/c details and Specimen signature for their corresponding folio numbers.
 - a. Folios wherein any one of the said document/details are not available on or after October 01, 2023, shall be frozen and will not be eligible to lodge grievance or avail service request from the RTA. Further effective from April 01, 2024, you will not be eligible for receiving dividend, interest or redemption payment in physical mode, as these payments shall be processed only through electronic mode.
 - b. After December 31, 2025, the frozen folio, shall be referred by RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and or Prevention of Money Laundering Act, 2002.

c. The RTA shall revert the frozen folios to normal status upon receipt of all the documents/ details.

Keeping in view the above provisions, the shareholders holding shares in physical mode are requested to follow the Procedure/ Instructions as notified by SEBI in regard to updation of PAN, KYC details, Nomination immediately in the specified forms as given below and enclosed for your convenience:

- 26. Non-resident shareholders can avail beneficial rates under the tax treaty between India and their country of residence, subject to providing necessary documents, i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to info@deepindustries.com. The aforesaid declarations and documents need to be submitted by the shareholders by 06:00 P.M. (IST), September 18, 2023.
- 27. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or Arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode upto the date of AGM and will also be available electronically for inspection by the Members during the AGM. Members seeking to inspect such documents can send the e-mail to info@deepindustries.com.
- 28. All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection by the Members by writing an e-mail to the Company Secretary at info@deepindustries.com.

- 29. As per Regulation 40 of the LODR Regulations, as amended, securities of listed companies can be transferred only in dematerialised form with effect from 1st April, 2019, except in case of transmission or transposition of securities. Further, SEBI vide its Circular dated 25th January, 2022, has mandated that the securities shall be issued only in dematerialised mode while processing duplicate/unclaimed suspense/ renewal/ exchange/ endorsement/sub-division/ consolidation/ transmission/ transposition service requests received from physical securities holders. In view of the above and to eliminate risk associated with physical shares and to avail various benefits of dematerialization, Members are advised to dematerialize their shares held in physical form. The Company in this regard has sent letters to the shareholders holding shares in physical form informing them about the above requirement.
- 30. The resolutions shall be deemed to be passed on the date of Annual General Meeting of the Company, subject to receipt of sufficient votes.
- 31. A person who is not a Member as on the Cut-off Date should treat this Notice for information purposes only.
- 32. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:
 - a) The general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
 - b) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Link Intime India Private Limited (LIIPL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by LIIPL.
 - c) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
 - d) The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
 - e) Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
 - f) In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.deepindustries.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of LLIPL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. https://instavote.linkintime.co.in
 - g) The voting period begins on Friday, September 22, 2023 at 09:00 am IST and ends on Sunday, September 24, 2023 at 05:00 pm IST .During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Monday, September 18, 2023 may cast their vote electronically. The e-voting module shall be disabled by LIIPL for voting thereafter.
 - h) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - i) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

- j) Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
- k) In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(i) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above aid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Type of shareholders	Login Method		
Individual Shareholders holding securities in Demat mode with NSDL Depository	1) Existing IDeAS user can visit the e-Services website of NSDL viz https:// eservices.nsdl.com either on a personal computer or on a mobile. On the e-Services home page click on the "Beneficial Owner" icon under "Login"" which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name i.e. LINKINTIME and you will be re-directed to "InstaVote" website for casting your vote during the remote e-Voting period.		
	 If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com Select "Register Online for IDeAS Portal" or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp 		
	3) Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a personal computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen-digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name i.e. LINKINTIME and you will be redirected to "InstaVote" website for casting your vote during the remote e-Voting period.		
Individual Shareholders holding securities in demat mode with CDSL Depository	 Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. The option will be made available to reach e-Voting page without any further authentication. The users to login Easi / Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon & New System Myeasi Tab and then use your existing my easi username & password. 		
	2) After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by the company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider i.e. LINKINTIME for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there are also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly.		
	3) If the user is not registered for Easi/Easiest, the option to register is available at CDSL website www.cdslindia.com and click on login & New System Myeasi Tab and then click on registration option.		

	4) Alternatively, the user can directly access the e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, the user will be able to see the e-Voting option where the evoting is in progress and also able to directly access the system of all e-Voting Service Providers.
Individual Shareholders (holding securities in demat mode) login through their Depository Participants (DP)	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on the company name or e-Voting service provider name i.e. LinkIntime and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period.

EXPLANATORY STATEMENT UNDER SECTION 102(1) OF THE COMPANIES ACT, 2013.

The statements pursuant to Section 102 of the Companies Act, 2013 setting out all the material facts relating to the Special Businesses mentioned in accompanying Notice are as follows:

SPECIAL BUSINESS:

Item No. 4

The Company is expected to render support for the business requirements of other companies in the group, from time to time. Therefore as per the provisions of Section 185 of the Companies Act, 2013 read with recent amendments notified by the Ministry of Corporate Affairs, the Company with the approval of members by way of passing special resolution will be able to increase the overall limit to advance loan to Subsidiaries/ Joint Ventures /Associates/ other Companies/ Firms in which Directors are interested directly or indirectly from Rs. 100 Crores to Rs. 200 Crores. Further the Companies which avail the borrowings will utilize the same for it's principal business activities.

Hence, in order to enable the Company to advance loan to Subsidiaries/ Joint Ventures /Associates/ other Companies/ Firms in which Directors are interested directly or indirectly under section 185 of the Companies Act, 2013 requires approval of members by way of passing Special Resolution.

The Board of Directors recommends the resolution as set out in Item No. 4 of the accompanying notice for the approval of the Shareholders of the Company as a Special Resolution.

None of the other Directors and Key Managerial Personnel of the Company or their respective relatives is in any way, concerned or interested, financial or otherwise, in the said resolution except to the extent of their shareholding in the Company, if any.

Item No.5

Mr. Dharen Savla being part of Promoter and Promoter Group and brother of Mr. Paras Savla, Chairman and Managing Director of the Company, was appointed as President w.e.f. August 01, 2022 and holding as place of profit under Section 188(1)(f) of Companies Act, 2013 ("the Act") read with the Companies (Meetings of Board and its Powers) Rules, 2014 read with Regulation 23 of Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015 at remuneration upto Rs. 6,00,000 per month, subject to approval of the Shareholders of the Company.

Mr. Dharen Savla has been associated with the Company and gave his best for Company's immense growth. Now for his continue guidance and leadership and as recommendation received from Nomination and Remuneration Committee and Audit Committee, the Board proposed resolution to revise remuneration of Mr. Dharen Savla, President w.e.f. October 01, 2023.

Item No. 6:

The Board of Director, on the recommendation of the Nomination and Remuneration Committee in its meeting held on August 01, 2023, appointed Mr. Ashokkumar Ratilal Patel (DIN: 09451821) as Additional Director (Non-Executive Independent Director) of the Company for the first period of five (5) years effective from August 01, 2023 to July 31, 2028.

Brief resume of Mr. Ashokkumar Ratilal Patel is provided in the annexure to the Notice.

The Board of Directors recommends the resolution as set out in Item No. 6 of the accompanying notice for the approval of the Shareholders of the Company as an Ordinary Resolution.

Except Mr. Ashokkumar Ratilal Patel and his relatives, none of the other Directors and Key Managerial Personnel of the Company or their respective relatives is in any way, concerned or interested, financial or otherwise, in the said resolution except to the extent of their shareholding in the Company, if any.

Item No. 7:

Regulation 23 of the SEBI Listing Regulations, inter alia, provides that all the Material Related Party Transactions ('RPT') shall require prior approval of the shareholders by means of an Ordinary Resolution, even if such transaction(s) are in the ordinary course of business and at an arm's length pricing basis. A transaction with a Related Party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds Rs. 1,000 crore or 10% of the annual consolidated turnover of a listed entity as per the last audited financial statements of the listed entity, whichever is lower. Regulation 2(1)(zc) of the SEBI Listing Regulations defines related party transaction to mean a transaction involving transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity, regardless of whether a price is charged or not.

In view of the above mentioned regulatory requirement the Resolutions No.7 is placed for approval by the Members. The Management has provided the Audit Committee and board members with relevant details of the proposed RPTs, including material terms and basis of pricing. The Audit Committee, after reviewing all necessary information, has recommended for the approval to enter into the Related Party transactions. The Audit Committee and Board has noted that the said transaction(s) will be at an arm's length pricing basis and will be in the ordinary course of business.

Background, details and rationale of transaction:

Deep Industries Limited ('DIL'), being a flagship entity extends financial assistance to various entities of DIL Group on need basis, in form of corporate guarantee/ revolving interest bearing inter corporate deposits/ loans/ advances. In a similar manner, the Company may also seek financial assistance from other entities of DIL Group for business purposes.

The financial assistance will be utilised by the borrowing entity(ies) for its business purposes including expansion, working capital requirements and other business purposes. The financial assistance would be unsecured with repayment over a period of one - three years from date of disbursement; however, the borrowing entity (which may include the Company) will have the right to make pre-payment, without any pre-payment penalty during the tenor of relevant financial assistance. The financial assistance will carry interest at appropriate market rate prevailing at the time of disbursement and may vary depending upon the credit profile of the borrowing entity(ies).

Details of the proposed Related Party Transactions between DIL and Deep Onshore Drilling Services Private Limited, including the information required to be disclosed in the Explanatory Statement pursuant to the SEBI Circular No. SEBI/HO/CFD/ CMD1/CIR/P/2021/662 dated 22 November 2021, are as follows:

Sr. No	Particulars	Details
1.	Name of the Related Party and its relationship	Deep Onshore Drilling Services Private Limited ('DODSPL') is a
	with the Company or its subsidiary, including	subsidiary of the Company.
	nature of its concern or interest (financial or	Deep Industries Limited ('DIL') is in the business of Oil and gas
	otherwise).	field services. DODSPL is a Related Party of the Company, as
		on the date of this Notice.

2.		Type, Material terms and particulars of the proposed transactions	The Company proposes to enter into transaction such as sale / purchase and/or infusion of working capital as and when required and/or to give corporate guarantee in lieu of loan taken by its subsidiary i.e. DODSPL.
3.		Tenure of proposed transaction	For the period of 3 years w.e.f. the date of passing of this resolution.
4.		Value of proposed transaction	For an aggregate value not exceeding Rs. 70 crores.
5.		Value of RPT as % (appx.) of Company's audited consolidated annual turnover of Rs. 341.34 Crores for the financial year 2022-23	14.65%
6.		If the transaction relates to any loans, inter-corporate deposits, advances or investments made or given by the listed entity or its subsidiary:	The Company may infuse Inter Corporate Deposit(s) in single or multiple tranches from its internal accruals or borrowed funds.
	a)	details of source of funds in connection with the proposed transaction.	
	b)	Where any financial indebtedness is incurred to make or give loans, inter-corporate deposits, advances or investments- nature of indebtedness, cost of funds and tenure.	None
	c)	Applicable terms, including covenants, tenure, interest rate and repayment schedule, whether secured or unsecured; if secured, the nature or security; and	
	d)	the purpose for which the funds will be utilized by the ultimate beneficiary of such funds pursuant to the related party transaction	The financial assistance will be utilised by DODSPL for its business purposes including expansion, working capital requirements and other business purposes as mentioned in Note no 2 of this table.
7.		Justification as to why the RPT is in the interest of the listed entity.	Please refer to "Back ground, details and rationale of the transaction" which forms part of explanatory statement to the resolution no. 7.
8.		Copy of the valuation or other external party report, if any such report has been relied upon	Since the company has made valuation of Rs. 70 crores of this proposed related party transaction on ad-hoc basis and not relying on any external party report therefore this disclosure requirement is not applicable to the Company.
9.		Any other information that may be relevant	Nil

Pursuant to the provisions of Regulation 23 of SEBI Listing Regulations, no related party shall vote on above resolution. The Board recommends the members to pass the above resolution as an Ordinary Resolution.

Mr. Paras Shantilal Savla and Mr. Rupesh Kantilal Savla and their immediate relatives are deemed to be concerned or interested in this resolution. None of the other Directors, Key Managerial Personnel of the Company or their relatives are in any way concerned or interested, financially or otherwise, in the resolution, except to the extent of their respective Shareholding, if any, in the Company.

Accordingly, the Board recommends passing of the Resolution set out in Item No. 7 of the accompanying Notice as an Ordinary Resolution.

ANNEXURE-B Form No. MR-3

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, DEEP INDUSTRIES LIMITED

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Deep Industries Limited (herein after referred to as "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the statutory compliances and expressing our opinion thereon.

We have verified the soft copies of records maintained by the Company. Based on our online verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Deep Industries Limited ("the Company") for the financial year ended on 31st March, 2023 and verified the provisions of the following acts, regulations and also their applicability as far as the Company is concerned during the period under Audit:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulation, 2015
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;-(During the year these Regulations were not applicable)
 - (d) Securities And Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;-(During the year these Regulations were not applicable)
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Debt Securities) Regulations, 2021;- (During the year these Regulations were not applicable)
 - (f) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with clients;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and- (During the year these Regulations were not applicable)
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (During the year these Regulations were not applicable)

We have also examined compliance with applicable clauses of the following

- 1. Secretarial Standards issued by the Institute of Company Secretaries of India.
- 2. Provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

i) The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. During the year no changes took place in the composition of the Board of Directors and the same is in compliance with the provisions of the Act.

- ii) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- iii) All decisions at Board Meetings & Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or the Committees of the Board, as the case may be.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there are no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above.

ANNEXURE – E

MANAGEMENT DISCUSSION AND ANALYSIS

Indian Oil and Gas Industry

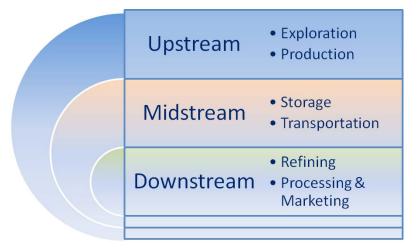

The Global oil and gas (O&G) industry had a robust but volatile 2023. Indian Oil & Gas industry was no exception to it. At the start of the year strong energy demand was expected as the economy continued its recovery from the global pandemic. However Russia-Ukraine conflict introduced huge geopolitical uncertainties and caused energy priced to soar. This has only strengthened the intent of the nations across the world to bolster the Energy Security and Self Sufficiency while transitioning to greener sources of energy in the long term. The trident of Energy Security & self sufficiency, Supply chain diversification and transition to low carbon energy sources is in focus like never before.

India is now world's third largest energy consumer and Indian Oil & Gas industry is entering 2024 with healthier balance sheet supported by record earnings made in 2023. India has got abundant reserves of Natural Gas , largely untapped. Natural Gas as a source of energy is greener and still cheaper. Government of India's aim to increase the share of Natural Gas in primary energy basket from current 6.5% to 15% by 2030 opens up the doors for huge opportunities in natural gas domain. The shift towards natural gas will not only bring in larger share of greener energy but will also carry remarkable economic and strategic significance as India targets to stay on multi-year growth trajectory and need to harness the gas reserves to feed to the growth. It also saves us huge foreign exchange resources for us and increase our energy independence in a significant way.

According to IEA (India Energy Outlook 2021), primary energy demand is expected to nearly double to 1,123 million tonnes of oil equivalent, as the country's gross domestic product (GDP) is expected to increase to US\$ 8.6 trillion by 2040. Robust energy demand, focus on energy self sufficiency coupled with proactive reforms in energy policies sets the brighter outlook for Indian Oil & Gas Industry in the years ahead.

Industry structure and developments

The Oil and Gas industry is typically split into three segments mainly - Upstream, Midstream and Downstream.

Upstream segment consists of exploration and production. Currently, the Indian Oil & Gas production is largely driven by state owned enterprises like ONGC & Oil India, though private explorers like RIL, Vedanta & Essar are increasing their dominance bringing in the efficiencies and technology much faster. This unique mix of state owned and private explorers has created a stable environment in terms of energy security with technological reforms. The fortune of upstream segment is largely tied up with realisation rates for the Oil & Gas output.

Midstream segment takes care of storage and transportation of oil and gas. This segment is largely made up of state owned giants like Indian Oil Corporation (IOCL) and Gas Authority of India Limited (GAIL) owing almost half of the transportation network of the country. Volumes are very important for midstream segment as huge transportation capacities requires those kind of volumes.

Downstream segment involves refining, processing and marketing of oil and gas and their derivatives. Downstream segment is relatively highly fragmented and here processing efficiencies plays a vital role.

Deep Industries Limited with pool of service offerings, is catering all three segments with presence in Drilling, Gas gathering, Gas Processing, Gas transmission and distribution.

Deep Industries Limited is India's 'One Stop Solution' provider to the Energy sector. We carry the vision to become major contributors to India's Gas based economy with a focus on people, environment, innovation and technology. Our mission is to maximize stakeholders' value by providing efficient services to ensure sustainable growth while catering to the needs of customers, partners, employees and society at large.

Currently, the company has got specialized onshore service offerings in providing Natural Gas Processing like Natural Gas Compression Services, Natural Gas Dehydration Services, CO2 Separation Services, etc. Apart from Natural Gas Processing, the company also provides Drilling Rigs Services & Workover Rigs Services and has also forayed into Integrated Project Management Services. Over three decades, Deep Industries Limited has invested a lot in technology to build a strong infrastructure and information system capabilities and has been an 'Energy Infrastructure Equipment Solution Provider' for every need of the Energy Sector including Oil and Gas field operations. The comprehensive services portfolio is well supported by skilled manpower and a wide range of equipments to be used in the industry right from Exploration & Production Services to the Mid Stream Services while maintaining safety and quality as an integral part of the work culture.

Indian Energy services market is expanding and furthering the Deep's reach, we have recently forayed into the off-shore oil & gas support services market with the acquisition of Dolphin Offshore Enterprises (India) Limited. The offshore market holds decent potential as there are few players who can provide efficient services at reasonable cost. However, full impact of offshore business in deep's overall performance will be a couple of years down the line.

FY23 has been a milestone year as Deep earned its highest ever Revenues and Profits. The unexecuted order book has grown to a record level of Rs 1,000 Cr. mark jumping 71% on YoY basis and further growing. With diversification to offshore support services, strong liquidity levels (Deep is zero net debt), buoyant revenue visibility of 2.5-3 years and a robust bidding pipeline, we hope to achieve newer and finer milestones of business performance in the years to come.

Green Initiative

Your Company's all gas processing equipments are running on gas based engines which uses natural gas as fuel. Natural gas is a green form of gas which enables in less carbon emission.

Opportunities and Threats

The Energy Industry plays a crucial role in growth of civilization and lives of people.

Deep Industries Limited has faced many challenges in past and industry can face certain fundamental issues that can also hinder Deep's path to progress and ambitions. Having said that, the opportunities largely outweigh the challenges and the company keeps the philosophy of converting challenges into opportunities. Deep Industries Limited confidently carries out:

- · Largest outsourced natural gas compression service provider in India
- Only Company with presence in Gas Compression, Rigs services, Gas Dehydration and Integrated Project Management Services
- Multi-year contracts with long term client relationships
- · Strong geographical diversity across India with presence in over 20 locations
- · More than 30 years of Industry Experience with large clients in public and private space
- · Diversified service spread smoothens segment specific risks

Company's Services/ Segment-wise or products-wise performance

- Gas Compression Services:

Deep Industries Limited is the largest Natural Gas Compression service provider in India on chartered hire basis. The Company has executed various natural gas compression projects with various Public and Private sector Companies in India during last Three Decades. The Company executes compression contracts on turnkey basis, which includes supply of Equipment, Installation, Commissioning and Operation & Maintenance of gas engine driven compressor packages. The Company is able to provide the right solution to accommodate client's time-frame and budget. The Company has built its equipment fleet to offer a wide range of compression requirements. Deep International DMCC, subsidiary of the Company has acquired number of Gas Compression packages in USA to cater business opportunities in Middle East countries. The Company has started executing various projects in International Market.

- Gas Dehydration, Conditioning & Processing

Generally gas produced from the wells is saturated with water and also contains heavier hydrocarbons (C6+). Water and heavy hydrocarbons need to be removed from the gas for its transmission through pipeline. As per Statutory compliance requirement, it is compulsory to maintain the water and hydrocarbon dew point below specified limits.

Deep Industries Limited is the pioneer in providing Gas Dehydration Systems on Build, Own and Operate basis in India on charter hire basis. And the Company is one of the largest Gas Dehydration Service providers in the country. The process of Gas Dehydration is accomplished in two basic steps through which we sequentially lower the Water Dew Point and Hydrocarbon Dew Point to less than 0 DegC by removing water and heavier hydrocarbons from the source gas to meet PNGRB norms. The Company has efficiently commissioned Gas Dehydration Units of capacities upto 10 LSCMD per unit in a record time and designs packages to meet a wide range of applications with minimal changes required. The Company also maintains an intensive stock of spares to prevent any shutdowns as we understand the criticality of the process and it's impact on clients.

Drilling and Workover Services

DEEP commands a health market position in the area of providing the Drilling and Workover Rig services on charter hire basis in India. Since last 16 years, DEEP has served long term contracts for Drilling rig and Workover services to variety of clients including PSU's and Private E&P companies, and having the excellent track records in India. DEEP is having vision to expand the Rig business in overseas Market. DEEP is also approved Drilling Contractor in Kuwait Oil Company for providing the Rigs.

DEEP owns total 11 Nos. of Drilling and Workover Rig fleets ranging from 145 HP to 1000 HP, and having the tie-ups to provide the Rig up to 2000 HP. The Company has remarkably carried out and successfully completed various contracts for different operators and in diverse areas spreading from the Deserts of India, Ecosensitive Areas, and difficult Terrain of Mountain Range Areas.

DEEP is Capable to provide all Oilfield equipment pertaining to Drilling, Workover, Completion & Production on Charter, Rental &Dry Lease Hire basis. Our professional staff and fully operable fleet of drilling rigs and Workover rigs and technologies delivers for any operational need and helpful to quickly and safely deploy them at well site.

Integrated Project management Services

Deep Industries Limited has adopted the Integrated Project Management (IPM) as a turnkey solution to drill and complete a well or a number of wells under single contract. We have capabilities to provide pool of niche services involving highly technical jobs and services under one roof improves coordination, Time & Cost Management. We are the first Indian company to offer integrated solutions. The Company has adopted various services of Oil & Gas exploration since 2016 considering the opportunity in the space and unconventional energy being the future.

We are the one of the Indian incorporated company who has the unique combination of providing services to Upstream and midstream. Deep's experience, expertise and quality equipment helps to deliver results to the challenging projects and meet stringent client demands.

The Company's IPM services include:

- Drilling Services
- Cementing Services
- Drill Fluid Engineering
- Geophysical Logging, Mud Logging, wire line service
- Hydro Fracturing & Coiled tubing
- Procurement of Tangibles / Casing Running
- Well Completion Services Workover operations to Production

Subsidiary

Raas Equipment Private Limited a subsidiary of Deep Industries Limited has established its green field facility for manufacturing & assembling of CNG Hydraulic Booster Compressor and CNG ON-Line Compressor. Our objective is to cater to the rapidly expanding City Gas Distribution network across India. The vision of our Prime Minister, Shri Narendra Modi and the roadmap from PNGRB has encouraged us to diversify into this sector and establish ourselves as a leading equipment manufacturer for oil and gas sector.

Our focus currently is to accelerate existing product penetration in the market. Booster compressor division is largely engaging in branding, marketing and efficiency improvement activities that will help the company to streamline production and sales. Next in line product integration is with CNG dispenser, CNG ON-Line compressor and Gas Processing Equipment. Technology development is a highly skilled job which requires design, testing, assembly, packaging, and various levels into development.

Your Company has in the year under review acquired Dolphin Offshore Enterprises (India) Limited through its wholly owned subsidiary Deep Onshore Services Private Limited under CIRP vide NCLT order dated 29th September, 2022. By virtue of this acquisition the Company will diversify its business in to offshore services.

Outlook

Deep Industries Limited is in business of Oil and Gas field services and is specialized in providing Gas Compression Services, Drilling and Workover Services, Gas Dehydration, and also having expertise in Integrated Project management Services. In addition, the Company has been expanding its business through organic routes like entering into new services markets as well as inorganic routes like strategic tie-ups and acquisitions. The Company is also in the process of spreading its wings through venturing in to offshore services.

The Company has been building up and growing steadily since, primarily through:

- Conveniently & strategically located to Service Oil & Gas markets in India and globally
- · Owns Fuel Efficient, latest Equipments to cater the need of Oil & Gas Industry
- · Recruiting highly skilled technical staff
- · Providing services at high quality of standards with peak performance

The Company has grown up to be a "One Stop Solution" provider for every need in Oil and Gas field operations by catering various equipment and services under rental and chartered-hire basis.

Risks and Concerns

Risks and uncertainties are an inherent part of every business, and yet it is important to identify the risks and take proactive steps to measure, minimize and mitigate them. The Company sees concerns in relation to the Scarcity of skilled personnel in market, Procurement Risk as not being able to procure rightly configured equipments in a timely manner and dependency on few clients.

The Company understands these risks can adversely impact fruition of both short-term operational and long-term strategic goals. Hence Risk management process is closely aligned with Company's business planning process and control function whereby the Company identifies and evaluates risks as early as possible, applies strategies and tools to mitigate those risks and attempts to limit its overall impact on the business by adopting suitable measures and continuously revaluating those measures with a prime focus to mitigate those risks that pose a threat to its sustainable growth.

Internal control systems and their adequacy

The Company has put in a place an adequate and effective Internal Control Mechanism to ensure efficient conduct of its operations, security of assets, prevention and detection of frauds/errors, preserving accuracy and completeness of the accounting and business records and timely preparation of financial statements and related information. These internal control systems are then further supplemented by Internal Audit carried out by the Internal Auditor of the Company and periodical review by the management. The Company has put in place Proper and adequate controls, which are reviewed at regular intervals to ensure that the business decisions and transactions are properly authorized, correctly and timely reported and the assets are safeguarded from loss , damage and misuse.

In addition to above, the Company has formulated a Vigil Mechanism and Whistle Blower Policy for its Directors and employees of the Company for reporting genuine concern about unethical practices and suspected mal-practices.

m. Outstanding GDRs or ADRs or Warrants or any Convertible Instruments

The Company has not issued any Global Depository Receipts (GDRs) or American Depository Receipts (ADRs) or Warrants or any Convertible Instruments till date. Hence, there are no outstanding GDRs or ADRs or Warrants or any Convertible Instruments as on March 31, 2023.

n. Commodity Price Risk or Foreign Exchange Risk and Hedging Activities

The Company has put in place a Risk Management Policy primarily focusing on identification, assessment, communication and management of risk in a cost effective manner - a holistic approach to managing risk. Risk evaluation and Risk management is an ongoing process within the Company.

In order to reduce the uncertainty arising on account of exchange rate movement in relation to foreign exchange exposures, the Company has in place the hedging policy to secure forex exposures either naturally or otherwise so that the volatility in the exchange rates does not have significant impact the core business of the Company. The policy also aims at monitoring the market conditions for relevant developments and minimising the risk arising out of forex fluctuations with optimum cost of hedging.

o. Plant location / Branch Offices

There are total 39 Plants and 3 Branch Offices of the Company situated throughout the Country.

This ongoing evaluation guarantees that our policies and procedures align with industry standards and best practices. Compliance with statutory requirements The Company complies with all applicable regulations currently in effect. of relevance to the principles and rectification of any non - compliance

Has the Company carried out independent assessment/evaluation of the working of its policies by an external agency? (Yes/ No) If yes, provide 11. the name of the agency.

	<u> </u>							
P1	P2	P3	P4	P5	P6	P7	P8	P9

The Company conducts periodic review of the policies internally by the Senior Management and Committees which then drives the policies, projects and performance of the aspects of business responsibility and sustainability.

12. If answer to question (1) above is "No" i.e., not all Principles are covered by a policy, reasons to be stated:

Questions	P1	P2	P3	P4	P5	P6	P7	P8	P 9
The Company does not consider the principles material to its business (Yes/No)				Not	Applicable	9			
The Company is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No)									
The Company does not have the financial or/human and technical resources available for the task (Yes/No)									
It is planned to be done in the next financial year (Yes/No) Any other reason (please specify)									

SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorized as "Essential" and "Leadership". While the essential indicators are expected to be disclosed by every entity that is mandated to file this report, the leadership indicators may be voluntarily disclosed by entities which aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

PRINCIPLE 1: BUSINESSES SHOULD CONDUCT AND GOVERN THEMSELVES WITH INTEGRITY, AND IN A MANNER THAT IS ETHICAL, TRANSPARENT AND ACCOUNTABLE

Essential Indicators

1. Percentage coverage by training and awareness programmes on any of the principles during the financial year:

In line with Regulation 25 (7) of the Listing Regulations with regard to training of Directors, the Company has following training policy for non-Executive Directors:

- Induction Training/ familiarization program;
- External Training: Non-Executive Board members are eminent personalities having wide experience in the field of social, business, education, industry, commerce and administration. Their presence on the Board is advantageous and fruitful in arriving at strategic decisions. The training policy of Directors and the details of familiarization/ training programs organized are available at website of the Company.

	Segment	Total number of training and awareness programmes held	Topics/principles covered under the training and its impact	% age of persons in respective category covered by the awareness programmes
1	Board of Directors & Key Managerial Personnel	1	Code of Conduct, Anti-Bribery and Corruption, Human Rights, Health and Safety	100

2. Details of fines / penalties /punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format (Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on the entity's website):

	NGRBC Principle	Monetary Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In INR)	Brief of the Case	Has an appeal been preferred? (Yes/No)
Penalty/ Fine	-	-	-	-	-
Settlement	-	-	-	-	-
Compounding fee	-	-	-	-	-
		Non-Monetary			
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In INR)	Brief of the Case	Has an appeal been preferred? (Yes/No)
Imprisonment Punishment	-	-	-	-	-

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or nonmonetary action has been appealed:

Not Applicable.

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a weblink to the policy:

DIL has a comprehensive and well-defined Anti Bribery Policy, Code of Conduct and Vigil Mechanism policy which puts great emphasis on practices of anti-corruption and anti-bribery. The Company firmly believes that all the employees shall uphold the principles mentioned in the policy and fulfill their responsibilities with the utmost faith, discretion, and care, upholding the highest standards of honesty, integrity, and fairness. The Policy forbids using bribery or any other unfair advantage to acquire or capacity to ensure or other benefits, either or through indirect means while also forbidding the promise to do so. The policy is available at: https://www.deepindustries.com/policies.html.

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:

	FY 2022-23	FY 2021-22
Directors	0	0
KMP	0	0
Employees	0	0
Workers	0	0

6. Details of complaints with regard to conflict of interest:

	FY 2022-23		FY 2021-22	
	Number	Remarks	Number	Remarks
Number of complaints received in relation to issues of Conflict of Interest of the Directors	0	NA	0	NA
Number of complaints received in relation to issues of Conflict of Interest of the KMPs	0	NA	0	NA

 Provide details of any corrective action taken or underway on issues related to fines/penalties/action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest: Not Applicable.

PRINCIPLE 2: BUSINESSES SHOULD PROVIDE GOODS AND SERVICES IN A MANNER THAT IS SUSTAINABLE AND SAFE

Essential Indicators

- Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively: Not Applicable.
- 2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

Yes, during the year, the Company has developed a process for selection of suppliers and third parties which includes various parameters such as guidelines on Environment Health & Safety Policy, Legal Compliance, ISO Certification, etc.

b. If yes, what percentage of inputs were sourced sustainably?

0%, The company is yet to start categorising its sustainably sourced input materials, however shall start doing so in the upcoming years.

- 3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.
 - A. Plastic Waste: Product recycling is not practiced in this sector. The product portfolio consists mainly of crude oil, natural gas and value-added products which cannot be recycled.
 - B. E waste : Since the company is in the service industry the company does not have any reportable E waste.
 - C) Hazardous waste: Since the company is in the service industry the company does not have any reportable Hazardous waste.
 - D) Other waste: Since the company is in the service industry the company does not have any reportable other waste...
- 4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes/No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same

Not Applicable

PRINCIPLE 3: BUSINESSES SHOULD RESPECT AND PROMOTE THE WELL-BEING OF ALL EMPLOYEES, INCLUDING THOSE IN THEIR VALUE CHAINS

Essential Indicators

1. a. Details of measures for the well-being of employees:

Category				% of employees covered by							
	Total (A)		Health insurance		lent Ince	Maternity Benefits		Paternity Benefits		Day Care Facilities	
		Number (B)	% (B/A)	Number (C)	% (C/A)	Number (D)	% (D/A)	Number (E)	% (E/A)	Number (F)	% (F/A)
Permanent Employees											
Male	34	34	100	-	-	-	-	-	-	-	-
Female	3	3	100	-	-	-	-	-	-	-	-
Total	37	37	100	-	-	-	-	-	-	-	-
Other than Permanent Employees											
Male	163	163	100	-	-	-	-	-	-	-	-
Female	32	32	100	-	-	-	-	-	-	-	-
Total	195	195	100	-	-	-	-	-	-	-	-

b. Details of measures for the well-being of Workers:

The Company ensures compliance with various labour legislations such as Payment of Wages Act 1936, Minimum Wages Act 1948, Equal Remuneration Act 1976, Industrial Disputes Act 1947, Employees State Insurance Act 1948, Employees Provident fund and Miscellaneous Provisions Act 1952, Contract Labour (R&A) Act, 1970, Child Labour (Prohibition and Regulation) Act 1986 etc. As a responsible principal employer, the Company ensures that contract labours are treated fairly as per law and for any complaints or disputes, the contractor is advised to settle the issue in accordance with the law.

Various in-house policies like service rules, leave rules, gratuity rule, CPF rules, HBA (House Building Advance), Conveyance Advance, Education loans also confirm to Human Rights values. The Company has also implemented Fair Wage Policy for contractors' workers to provide them wages over and above the minimum wages and other statutory and non-statutory benefits.

2. Details of retirement benefits, for Current Financial Year and Previous Financial Year

Benefits		FY 2022-23		FY 2021-22			
	No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)	No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)	
PF	6	65	Y	65	0.12	Y	
Gratuity	0.06	0	Y	40	0.07	Y	
ESI	-	-	-	-	-	-	
Others – please specify	-		-	-	-	-	

3. Accessibility of workplace

Are the premises/offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

Most of our working locations are accessible to differently abled persons.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy

Yes; the entity has laid out the necessary provisions in the HR Policy in line with the Rights of Persons with Disabilities Act, 2016. The Company ensures compliance of 100% employee related applicable statutes which ensures social security.

5. Return to work and Retention rates of permanent employees and workers that took parental leave.

Gender	Permanen	t employees	Permanent Workers		
	Return to work rate	Retention Rate	Return to work rate	Retention Rate	
Male	NA	NA	NA	NA	
Female	100%	100%	NA	NA	
Total	100%	100%	NA	NA	

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.

Yes/No (If Yes, then give details of the mechanism in brief) Yes

Other than Permanent Workers

Permanent Employees

Permanent Workers

Other than Permanent Employees

Employees are encouraged to share their concerns with their reporting managers, the HR department and members of the Senior Leadership Team.

The concern received, if any, is investigated by the authorised persons by gathering, validating and analyzing the data. The observations and findings / recommendations are shared and reviewed by the Chairman & Managing Director.

7. Membership of employees and worker in association(s) or Unions recognised by the listed entity

Category		FY 2022-23			FY 2021-22	
	Total employees/ workers in respective category (A)	No. of employees/ workers in respective category, who are part of association(s) or Union (B)	% (B/A)	Total employees/ workers in respective category (C)	No. of employees/ workers in respective category, who are part of association(s) or Union (D)	% (D/C)

Category	Total employees/ workers in respective category (A)	No. of employees/ workers in respective category, who received Training on Health and Safety(B)	% (B/A)	Total employees/ workers in respective category (C)	No. of employees/ workers in respective category, who received Training on Health and Safety(D)	% (D/C)	
		Male	585	359	61.37	544	374	68.75	
		Female	4	02	50.00	3	03	100	
		Total	589	361	61.29	547	377	68.92	

9. Details of performance and career development reviews of employees and worker:

100% of eligible employees have received performance and career development reviews.

10. Health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

Yes. The Safety & Health Management system covers activities across all plant locations, offices, and ensures the protection of environment, health & safety of its employees, contractors, visitors and all other relevant stakeholders.

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

The Company has a process for Risk Management which is essential for preventing incidents, injuries, occupational disease, emergency control & prevention and business continuity. Considering the hazards associated with operations and hazardous chemicals used, sites have deployed structured Hazard Assessment, Risk Assessment and Management Process – both qualitative and quantitative which is regularly reviewed and mitigation plans are put in place for high-risk areas. The process also considers roles and responsibilities, monitoring control measures, competency training and awareness of individuals associated with such activities. Formal risk assessment training has been provided as appropriate.

c. Whether you have processes for workers to report the work related hazards and to remove themselves from such risks (Y/N)?

Yes, we encourage our employees to report near-miss incidents identified through various digital platforms which is analyzed from a central repository. All sites have specific procedure for reporting of work-related hazard, injuries, unsafe condition and unsafe act.

d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

Yes, all employees are covered under Mediclaim Insurance Policy and ESI scheme.

11. Details of safety related incidents, in the following format:

Nil

12. Describe the measures taken by the entity to ensure a safe and healthy work place

The Company is committed to continuously employing world-class Safety, Health and Environment ('SHE') practices through benchmarking with the Companies that are best in the business. For all activities including routine or non-routine (permit / project activities) hazards are identified by a trained cross-functional team and risk assessment and management is done through Job Safety Analysis (JSA)/ Standard Operating Procedure (SOP) which is referred before starting any activity. Moreover, Safety Audit is conducted at all manufacturing sites to identify and rectify the gaps in workplace safety.

13. Number of Complaints on the following made by employees and workers:

Particulars		FY 2022-23		FY 2021-22			
	Filed during the year	Pending resolution at the end of the year	Remarks	Filed during the year	Pending resolution at the end of the year	Remarks	
Working Conditions	0	0	NA	0	0	NA	
Health & Safety	0	0	NA	0	0	NA	

14. Assessments for the year:

Particulars	% of your plants and offices that were assessed (by the entity or statutory authorities or third parties)				
Health and safety practices	100%				
Working Conditions	100%				

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks/concerns arising from assessments of health & safety practices and working conditions.

Not Applicable.

PRINCIPLE 4: BUSINESSES SHOULD RESPECT THE INTERESTS OF AND BE RESPONSIVE TO ALL THEIR STAKEHOLDERS

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity:

Through stakeholder engagement and feedback mechanisms, the company aims to identify its key stakeholders. This process would enable the company to better comprehend the concerns and interests of its stakeholders, allowing DIL to align the purpose and scope of the engagement accordingly. By actively seeking and incorporating feedback, DIL looks to foster a deeper understanding of the company's stakeholders' perspectives, by ensuring that their feedback is considered in the decision-making processes.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group:

The company is currently working towards identifying its key stakeholders and shall prioritize this task in the upcoming financial year. By proactively seeking input and feedback, DIL aims to create an inclusive environment where stakeholders' perspectives and concerns are acknowledged and addressed in the decision-making processes.

2.

PRINCIPLE 5: BUSINESSES SHOULD RESPECT AND PROMOTE HUMAN RIGHTS

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

Category	FY 2022-23					FY 2021-22				
	Total (A)	No. of e workers	employe covered		б (В/А)	Total (C)		f employ s covere		% (D/C)

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes, DIL is deeply committed to upholding and promoting high standards of human rights throughout all its operations. As an integral part of the company's corporate responsibility, the Works Council diligently ensures strict adherence to human rights principles.

DIL firmly believes in upholding the dignity and individual rights of every employee, worker, and external stakeholder with whom DIL engages in its businesses. It is DIL's unwavering commitment to ensure that none of its operations infringe upon the human rights of its valued stakeholders. The company strives to create a respectful and inclusive environment for fostering the overall well-being within the organization.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues:

DIL prioritizes the well-being and rights of all individuals associated with the company. The company has established a robust grievance redressal mechanism specifically designed to promptly and effectively address any human rights issues that may arise. DIL encourages open communication and provides multiple channels for employees and stakeholders to report concerns or seek assistance. A dedicated team is committed to thoroughly investigating and resolving grievances in a fair and impartial manner, while maintaining the utmost confidentiality. The Company strives to continuously improve its grievance redressal process to ensure a safe and respectful environment for everyone.

6. Number of Complaints on the following made by employees and workers:

		FY 2022-23		FY 2021-22			
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks	
Sexual Harassment	0	0	-	0	0	-	
Discrimination at workplace	0	0	-	0	0	-	
Child Labour	0	0	-	0	0	-	
Forced Labour/ Involuntary Labour	0	0	-	0	0	-	
Wages	0	0	-	0	0	-	
Other human rights related							
issues	0	0	-	0	0	-	

7. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases:

DIL maintains a zero-tolerance policy towards any form of sexual harassment in the workplace. To address this issue, the company has implemented a comprehensive grievance resolution procedure under its POSH policy for ensuring effective resolution of employee complaints. DIL has also established a stringent Code of Conduct and HR Policy Manual that clearly outline expectations for appropriate employee behaviour and provide measures for the prevention and redressal of such complaints. All employees and new joiners are provided PoSH training not only during induction but also at regular intervals during their lifetime at DIL.

To ensure a prompt and confidential resolution process, DIL has established Internal Complaints Committee dedicated to monitoring and addressing complaints related to harassment. This committee is responsible for taking appropriate action in a timely manner while maintaining the utmost confidentiality.

8. Do human rights requirements form part of your business agreements and contracts? (Yes/No):

Yes; At DIL, all the business agreements and contracts carry the clauses of human rights for promoting sustainable, fair and equitable competition for all its stakeholders.

9. Assessments for the year:

The Company ensures compliance with applicable labour practice laws, including child labour and human rights issues.

10. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 9 above

Not Applicable

PRINCIPLE 6: BUSINESSES SHOULD RESPECT AND MAKE EFFORTS TO PROTECT AND RESTORE THE ENVIRONMENT

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter	Unit	FY 2022-23	FY 2021-22 Details not reported
Total electricity consumption (A)	GJ	789.39 Ref 1	•
Total fuel consumption (B)	GJ	827	
Energy consumption through other sources (C)	GJ	NIL Ref. 2	
Total energy consumption (A+B+C)	GJ	1616.39	
Energy intensity per rupee of turnover			
(Total energy consumption/ turnover in rupees)	GJ/INR /million		

1 Solar Captive Power Generation exceed consumption by 59.50 GJ

2 Gas Fuel used for operations is not included as being included in captive consumption of the clients.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency"

No

2. Does the entity have any sites/facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any:

Given the nature of business, this indicator is not applicable

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2022-23	FY 2021-22 Details not reported
Water withdrawal by source (in kilolitres)		-
(i) Surface Water		-
(ii) Ground Water	1,10,000	-
(iii) Third Party Water	74,000	-
(iv) Seawater/desalinated water		-
(v) Others		-
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	1,84,000	-
Total volume of water consumption (in kilolitres)	1,84,000	-
Water intensity per rupee of turnover (Water consumed/turnover) KL/INR/million	0.0001	-
KLI A I' I'		

Note : Average estimation

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency.

No

4. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation:

Not Applicable.

5. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Unit	FY 2022-23	FY 2021-22 Details not reported
NOx	Tons	1.15 Tons	-
SOx	-	-	-
Particulate matter (PM)	KG	~ 23 kg	-
Persistent organic pollutants (POP)	NA	-	-
Volatile organic compounds (VOC)	NA	-	-
Hazardous air pollutants (HAP)	-	-	-
Others – please specify	NA	-	-
Note: Average estimation			

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency.

No

6.

Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2022-23	FY 2021-22 Details not reported
Total Scope 1 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes Of CO2	5828	-
Total Scope 2 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes Of CO2	_	-
Total Scope 1 and Scope 2 emissions per rupee of turnover	Metric Tonnes of CO2/ INR/ million	5828	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency. (Y/N) If yes, the name of the external agency.

No

7. Does the entity have any project related to reducing Greenhouse Gas emissions? If Yes, then provide details.

No, however the company shall aim to undertake initiatives to reduce its GHG emissions in the upcoming years.

8. Provide details related to waste management by the entity in the following format

Parameter	2022-23	2021-22
		Details not reported

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes:

DIL primarily focuses on waste management through structured waste segregation based on its characteristics, storage and disposal, waste to energy recovery and converting it into a saleable product as feasible. DIL follows all applicable regulations for proper waste management, including its handling, storage, transportation and disposal. The Company has developed a robust system with comprehensive detailing of each waste from the source of generation to disposal or recycling and reuse. The Company is fully committed to environment-friendly disposal of hazardous and non-hazardous waste, ensuring that it does not deteriorate any resources.

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals/ clearances are required, please specify details in the following format:

Not Applicable as none of the offices and plants are set up in/around ecologically sensitive areas.

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

DIL has not undertaken any environmental impact assessments in the current financial year.

12. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

Yes, DIL is compliant with the applicable environmental law/ regulations/ guidelines in India.

PRINCIPLE 7: BUSINESSES, WHEN ENGAGING IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A MANNER THAT IS RESPONSIBLE AND TRANSPARENT

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations:

Yes. The Company has association with several trade chambers and associations such as:

i). Federation of Gujarat Chambers of Commerce and Industry

b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S.No	Name of the trade and industry chambers/ associations	Reach of trade and industry
		chambers/ associations (State/National)
1.	Federation of Gujarat Chambers of Commerce and Industry	State

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities:

Not Applicable.

PRINCIPLE 8: BUSINESSES SHOULD PROMOTE INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year:

Not Applicable.

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity:

Not Applicable.

3. Describe the mechanisms to receive and redress grievances of the community:

DIL is deeply committed to being a responsible corporate citizen and maintaining positive relationships with the communities in which it operates. As part of its ongoing efforts to ensure transparency and accountability, the company shall set up a grievance redressal mechanism for the communities it operates in. It will serve as a platform for community members to voice their concerns, provide feedback, and seek resolution regarding any issues related to its operations. DIL understands the importance of actively engaging with and addressing the concerns of the communities it works with, and this mechanism will play a vital role in fostering open dialogue and building trust.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

Particulars	FY 2022-23	FY 2021-22
Directly sourced from MSMEs/ small producers	7.65	3.33
Sourced directly from within the district and neighbouring districts	-	-

PRINCIPLE 9: BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CONSUMERS IN A RESPONSIBLE MANNER

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback

DIL has established a robust mechanism to effectively address and resolve consumer complaints. The company's dedicated marketing department serves as the focal point of contact for such complaints. Depending on the nature and specifics of each complaint, they are promptly forwarded to the Quality department.

DIL places great importance on addressing consumer complaints in a timely and efficient manner. DIL's highly skilled and experienced Quality team diligently investigates and evaluates each complaint to determine the appropriate course of action.

DIL is committed to maintaining the highest standards of product quality to meet the customer's expectations. Through the consumer complaint resolution mechanism, the company strives to continuously improve its products and services, and further strengthen the bonding with valued customers.

2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

Environmental and social parameters relevant to the product Safe and responsible usage Recycling and/or safe disposal

As a percentage to total turnover Not Applicable

3. Number of consumer complaints in respect of the following:

		FY 2022-23			FY 2021-22		
	Received during the year	Pending resolution at end of year	Remarks	Received during the year	Pending resolution at end of year	Remarks	
Data privacy	-	-	-	-	-	-	
Advertising	-	-	-	-	-	-	
Cyber-security	-	-	-	-	-	-	
Delivery of essential services	-	-	-	-	-	-	
Restrictive Trade Practices	-	-	-	-	-	-	
Unfair Trade Practices	-	-	-	-	-	-	
Other	-	-	-	-	-	-	

4. Details of instances of product recalls on account of safety issues:

Particulars	Number	Reasons for recall
Voluntary recalls	0	No Instances related to safety issues
Forced recalls	0	No Instances related to safety issues

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web link of the policy:

No such policy has been framed.

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty/action taken by regulatory authorities on safety of products/services:

Not Applicable.

INDEPENDENT AUDITOR'S REPORT

To, The Members, Deep Industries Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Deep Industries Limited** (the 'Company') which comprise the Balance Sheet as at March 31, 2023, and the statement of Profit and Loss (including the statement of other comprehensive income), Statement of changes in equity and Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information(herein after referred as " the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit, total comprehensive income, the changes in equity and its cash flows for the year then ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Information other than Financial Statements & Auditors Report thereon

The Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the Board's Report including Annexures to Board's Report, Corporate Governance report and Management Discussion and Analysis (but does not include the standalone financial statements, consolidated financial statements and our auditor's reports thereon).

Our opinion on the standalone financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements:-

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting polices used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

- 1. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 2. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 3. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purpose of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from the examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including statement of other comprehensive income and the Cash Flow Statement, Statement of changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;

- (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**";
- (g) With respect to the matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company has disclosed the impact of pending litigations on the financial position of its financial statements Refer Note 37 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provide under (a) & (b) above contain any material misstatement.
 - v. (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The Company has not declared and paid any interim dividend during the year and until the date of this report.
 - (c) The Board of Directors of the Company have proposed final dividend for the year, which is subject to approval of the member at the ensuing Annual General Meeting. The amount of dividend proposed in accordance with Section 123 of the act as applicable.
 - (d) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
- 4. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

i.

"Annexure A" to the Independent Auditors' Report

Referred to in paragraph 15 under the heading 'Report on Other Legal & Regulatory Requirements' of our report of even date to the financial statements of the Company for the year ended March 31, 2023:

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant & Equipment and relevant details of right-of-use assets, if any.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
- b) No item of Property, Plant and Equipment were physically verified during the year by the Management and consequently we are unable to state if the physical verification was carried out at reasonable intervals. Accordingly, the question of reporting on material discrepancies noted on verification does not arise.
- c) Based on our examination of the relevant document provided to us, we report that, the title deeds of all the immovable properties, disclosed in the financial statements included in property, plant and equipment are held in the name of the Company as at the balance sheet date.
- d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.
- e) No proceedings have been initiated during the year or are pending against the Company as at 31 March, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
 - (b) During the year, The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any point of time during the year, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising stock statements and book debt statements filed by the Company for certain quarters are in agreement with the Reviewed books of accounts.
- iii. The Company has made investments in, provided guarantee to companies and other parties during the year. The Company has granted loans or advances in the nature of loans, secured or unsecured, to companies and any other parties during the year, in respect of which:
 - (a) The Company has granted loans or advances in the nature of loans and guarantee during the year and details of which are given below:

Α.	Aggregate amount granted / provided during the year:	Loans	Advances in nature of loan	Guarantee	
	- Subsidiaries	2714.00	-	-	
	- Joint Ventures	-	-	-	
	- Associates	-	-	-	
	- Others	-		-	
В.	Balance outstanding as atbalance sheet date in respect ofabove cases:	Loans	Advances in nature of loan	Guarantee	
	- Subsidiaries	3609.91		1725.00	
	- Joint Ventures	-	-	-	
	- Associates	-	-	-	
	- Others	-		-	

(b) The grant of all the above-mentioned loans and advances in the nature of loans and guarantees provided, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.

(c) The Company has granted loans or provided advances in the nature of loan are payable on demand. During the year the Company has not demanded such loan or advances in the nature of loan. Having regard to the fact that the repayment of principal or payment of interest has not been demanded by the Company, in our opinion the repayments of principal amounts and receipts of interest are regular.

- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) The Company has granted loans which are repayable on demand or without specifying any terms or period of repayment details of which are given below:

Particulars	All Parties- Including Related Party * (Rs. In Lakhs)	Promoters * (Rs. In Lakhs)	Related Parties* (Rs. In Lakhs)
Aggregate amount of loans or advances in the nature of loans which are repayable on demand or without specifying any terms or period of repayment	3609.91	Nil	3609.91
Percentage of loans to the total loans	100%	Nil	100%

- iv. In our opinion and according to the information and explanations given to us, the company has complied with provisions of Section 185 and 186 of the Act in respect of investments made and loans granted, to the extent applicable to the Company. The company has not given guarantee or provided security as provided in section 185 and 186 of the Act.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- vi. Having regard to the nature of the Company's business / activities, company is not required to maintain cost records as per Section 148. Hence reporting under clause(vi) of the Order is not applicable.
- vii. According to information and explanations given to us in respect of statutory dues and on the basis of our examination of the books of account, and records:
 - a) The Company has been generally regular in depositing undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees State Insurance, Income-Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2023 for a period of more than six months from the date on when they become payable.
 - b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March, 2023 on account of any dispute, except the following:

Name of Statute	Nature of Dues	Amount (in Lakhs)	Period to which amount relates	Forum where the dispute is pending
Income Tax Act, 1961	Income Tax	726.23	2019-20	CIT-Appeals
Income Tax Act, 1961	Income Tax	355.14	2020-21	CIT-Appeals
Gujarat Value Added Tax Act, 2003	Value Added Tax	82.68	2017-18	NA

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during the year.
- ix. (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - (b) The company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) Term loans availed by the company were, applied by the company during the year for which the loans were obtained.
 - (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for longterm purposes by the Company..
 - (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary, associate or joint venture.

- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiary, associate or joint venture.
- x. (a) According to the information and explanations given by the management, The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause x(a) of the Order is not applicable.
 - (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- **xi.** (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and upto the date of this report.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- **xiii.** In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- **xiv.** (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) We have considered, the internal audit reports issued to the company during the year and covering the period up to 31st March, 2023.
- **xv.** In our opinion during the year the Company has not entered into any non-cash transactions with any of its directors or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b), (c) & (d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been resignation of the statutory auditors of the Company during the year and there were no issues, objections or concerns raised by the outgoing auditors.
- **xix.** On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date.
- **xx.** The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

"Annexure B" to the Independent Auditors' Report

Referred to in paragraph 13(f) of Independent Auditor's report of even date to the members of the Company on Standalone Financial Statements for the year ended March 31, 2023:

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of Deep Industires Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our opinion, to the best of our information and according to explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as on March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reports issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's Judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies of procedures may deteriorate.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

1. CORPORATE INFORMATION

Deep Industries Limited (the "Company") is a public limited company domiciled in India having its registered office situated at 12A & 14, Abhishree Corporate Park, Ambli Bopal Road, Ambli, Ahmedabad, GJ 380058. The Company was incorporated on 15th November, 2006, under the provisions of the Companies Act, 1956 applicable in India and its equity shares are listed on the National Stock Exchange of India Limited (NSE) and BSE Limited. The Company is incorporated to carry on all or any of the business of prospecting, exploring, developing, opening and working mines, drilling and sinking shafts or wells and to pump, refine raise, dig and quarry coal bed methane, minerals, ores, gases such as methane gas i.e., CH4. & to provide latest equipments like Air Compressor, Gas Compressor, Rigs, Exploration & Production equipments and other equipments, efficient services like operation and maintenance, man power deployment and execution of turnkey projects related to oil gas sector on charter hire basis and carry on business of transport operators, cartages and haulage contractors, garage proprietors, owners, charterers and lessors of road vehicles of every description and to act as carriers of goods by road, rail, water, air cartage contractors, forwarding, transporting and commission agents, custom agents, wharfingers, cargo superintendents, packers, warehouse- man, storekeeper and job-masters and carry on anywhere in India and out of India the business of running of transportation of all kinds on such lines/routes as the Company may deem fit and to transport all types of goods and generally to carry on the business of the common carriers.

2. BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013.

These financial statements have been prepared on a historical cost convention basis, except for the following:

- · Certain financial assets and liabilities that are measured at fair value (refer accounting policy regarding financial instruments).
- · Defined benefit plans assets measured at fair value.
- · Derivative financial instruments

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. The financial statements are presented in Indian Rupees ('INR') and all values are rounded to the nearest Lakhs (INR 00,000) except when otherwise indicated.

2.1 Summary of significant accounting policies

a) Current versus non-current classification

An asset is treated as current when it is:

- (i) Expected to be realized or intended to be sold or consumed in normal operating cycle; or
- (ii) Held primarily for the purpose of trading; or
- (iii) Expected to be realized within twelve months after the reporting period; or
- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when it is:

- (i) Expected to be settled in normal operating cycle; or
- (ii) Held primarily for the purpose of trading; or
- (iii) Due to be settled within twelve months after the reporting period; or
- (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b) Foreign currencies

The Company financial statements are presented in Indian Rupees. The Company determines the functional currency and items included in the financial statements are measured using that functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss, respectively).

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which the Company initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, the Company determines the transaction date for each payment or receipt of advance consideration.

c) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Fair-value related disclosures for financial instruments and non-financial assets that are measured at fair value are disclosed in the relevant notes.

d) Revenue from contract with customer

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of products/ Service

Revenue from sale of products is recognised at the point in time when control of the asset is transferred to the customer. Amounts disclosed as revenue are net of returns and allowances, trade discounts and rebates. The Company collects Goods & Service Tax (GST) on behalf of the government and therefore, these are not economic benefits flowing to the Company. Hence, these are excluded from the revenue.

Variable consideration includes trade discounts, volume rebates and incentives, etc. The Company estimates the variable consideration with respect to above based on an analysis of accumulated historical experience. The Company adjusts estimate of revenue at the earlier of when the most likely amount of consideration we expect to receive changes or when the consideration becomes fixed.

Interest Income

Other revenue streams Interest Income For all debt instruments measured at amortised cost, interest income is recorded using the Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in "other income" in the Statement of Profit and Loss.

Interest income on fixed deposits is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Dividend income

Dividend on financial assets is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Contract balances

Contract assets

A contract asset is initially recognised for revenue earned from sale of goods or services. Upon acceptance by the customer, the amount recognised as contract assets is reclassified to trade receivables.

Contract assets are subject to impairment assessment. Refer to accounting policies on impairment of financial assets in section - Financial instruments – initial recognition and subsequent measurement.

Trade receivables

A trade receivable is recognised if the amount of consideration is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section - Financial instruments – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related goods or services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

e) Taxes

Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Deferred Tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

f) Property, plant and equipment (PPE)

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is calculated on a Straight Line Method (SLM) over the estimated useful lives of assets.

The Company has based on a technical review and re-assessment by the management, decided to adopt the existing useful life for certain asset blocks which is lower as against the useful life recommended in Schedule II to the Companies Act, 2013, since the Company believes that the estimates followed are reasonable and appropriate, considered current usage of such assets.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

g) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

Software

Cost of software is amortised over its useful life of 36 months starting from the month of project implementation. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

i) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the lease dasset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section "Impairment of non-financial assets".

ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of guest house. (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of guest house that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

j) Inventories

Inventories are stated at lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads (to the extent apportioned based on the stage of completion) based on the normal operating capacity but excluding borrowing costs. Cost is determined on weighted average basis.
- Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale.

k) Impairment of non-financial assets

The Company assesses at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash-Generating Unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation surplus, if any, taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

The impairment assessment for all assets is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the Statement of Profit and Loss.

I) Provisions, contingent liabilities and contingent assets

Provisions

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise. Contingent liabilities are disclosed by way of note to the financial statements.

Contingent Assets

A contingent asset is a possible asset that arises from past events the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise.

Contingent assets are neither recognised nor disclosed in the financial statements.

m) Retirement and other employee benefits

Provident fund

ANNUAL REPORT 2022-23 DEEP INDUSTRIES LIMITED

Retirement benefit in the form of Provident Fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Gratuity

Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit (PUC) method made at the end of each financial year. The Company contributes to Life Insurance Corporation of India (LIC) and SBI Life Insurance Company Limited, a funded defined benefit plan for qualifying employees.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to Statement of Profit and Loss in subsequent periods.

Past service costs are recognised in Statement of Profit and Loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the Statement of Profit and Loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised on an undiscounted accrual basis during the year when the employees render the services. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services.

Long-term employee benefits

Other long term employee benefits comprise of compensated absences/leaves. Provision for Compensated Absences and its classifications between current and non-current liabilities are based on independent actuarial valuation. The actuarial valuation is done as per the projected unit credit method.

n) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section "Revenue from contracts with customer".

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment

is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- financial assets at amortised cost
- financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses
- financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- financial assets at fair value through profit or loss

Financial assets at amortised cost

A 'financial assets' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade receivables, security deposits and other receivables.

Financial assets at fair value through other comprehensive income (FVTOCI)

A 'financial asset' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent Solely Payments of Principal and Interest.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. For debt instruments, at fair value through other comprehensive income (OCI), interest income, foreign exchange revaluation and impairment losses or reversals are recognised in the profit or loss and computed in the same manner as for financial assets measured at amortised cost. The remaining fair value changes are recognised in OCI. Upon derecognition, the cumulative fair value changes recognised in OCI is reclassified from the equity to profit or loss

The Company's debt instruments at fair value through OCI includes investments in quoted debt instruments included under other non-current financial assets.

Financial assets designated at fair value through OCI (equity instruments)

Upon initial recognition, the Company can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in the statement of profit and loss when the right of payment has been established, except when the Company benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

The Company elected to classify irrevocably its non-listed equity investments under this category.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss.

This category includes derivative instruments and listed equity investments which the Company had not irrevocably elected to classify at fair value through OCI. Dividends on listed equity investments are recognised in the statement of profit and loss when the right of payment has been established.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement~ and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, historical observed default rates are updated and changes in the forward-looking estimates are analysed.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

o) Derivative financial instruments

The Company uses derivative financial instruments such as foreign currency forward contracts and option currency contracts to hedge its foreign currency risks arising from highly probable forecast transactions. The counterparty for these contracts is generally a bank.

Derivatives not designated as hedging instruments

This category has derivative assets or liabilities which are not designated as hedges.

Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109. Any derivative that is either not designated a hedge, or is so designated but is ineffective, is recognized on balance sheet and measured initially at fair value. Subsequent to initial recognition, derivatives are re-measured at fair value, with changes in fair value being recognized in the statement of profit and loss. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

p) Cash & Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

q) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

r) Dividend

The Company recognises a liability to pay dividend to equity holders of the parent when the distribution is authorised, and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

s) Investment in subsidiaries, joint ventures and associates

Equity investments in subsidiaries, joint ventures and associates are shown at cost less impairment, if any. The Company tests these investments for impairment in accordance with the policy applicable to 'Impairment of non-financial assets'. Where the carrying amount of an investment or CGU to which the investment relates is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is recognized in the Statement of Profit and Loss.

2.2 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company accounting policies, the management of the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

Useful lives of Intangible assets

The intangible assets are amortised over the estimated useful life. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Useful lives of depreciable tangible assets

Management reviews the useful lives of depreciable assets at each reporting date. As at March 31, 2023 management assessed that the useful lives represent the expected utility of the assets to the Company.

Defined benefit plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on

available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for determined period and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows, the growth rate used for extrapolation purposes and the impact of general economic environment (including competitors).

2.3 Other Notes

a) Other Statutory Information

- (i) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- (ii) The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- (iii) The Company have not traded or invested in Crypto currency or Virtual Currency during the financial year.
- (iv) The Company have not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
 - a) directly or indirectly lend or invest in other person or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
 - b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
- (v) The Company have not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
 - a) directly or indirectly lend or invest in other person or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

 - a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) Regulatory Updates :

i) Standards notified but not yet effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, as and when they become effective. The Ministry of Corporate affairs (MCA) has notified certain amendments to Ind AS, through Companies (Indian Accounting Standards) Amendment Rules, 2023 on 31st March, 2023. The amendments have been made in the following standards:

Ind AS 1: Presentation of Financial Statements is amended to replace the term "significant accounting policies" with "material accounting policy information" and providing guidance relating to immaterial transactions, disclosure of entity specific transactions and more

Ind AS 8: Accounting Policies, Changes in Accounting Estimates and Errors to include the definition of accounting estimates as "monetary amounts in financial statements that are subject to measurement uncertainty."

Ind AS 12: Income Taxes relating to initial recognition exemption of deferred tax related to assets and liabilities arising from a single transaction.

Other Amendments in Ind AS 102 – Share based Payments, Ind AS 103 – Business Combinations, Ind AS 109 – Financial Instruments, Ind AS 115 – Revenue from Contracts with Customers which are mainly editorial in nature in order to provide better clarification of the respective Ind AS's.

These amendments shall come into force with effect from April 01, 2023. The Company is assessing the potential effect of the amendments on its financial statements. The Company will adopt these amendments, if applicable, from applicability date.

	Difference between Tax Base and Book Base	-	757.74
	Deferred Tax Assets (b)	-	757.74
	Net Deferred Tax Liabilities	6,056.03	4,899.29

On account of Scheme of Arrangement approved by Hon'able NCLT, the Company recognized 'Goodwill' in the books of account. On the said goodwill, the Company was claiming amortisation in the books of account and depreciation in the Tax laws while filling return of income for assessment years up to 2020-21. Now, with the amendment brought in by Finance Bill, 2021 on prospective basis, no depreciation would be allowable on goodwill from 01 April 2020 (assessment year 2021-22 onwards). As per the change, goodwill of a business or profession will not be considered as a depreciable asset and there would not be any depreciation on goodwill of a business or profession in any situation. Accordingly, the Company is required to reverse majority of its deferred tax liability created in earlier years (i.e. demerger effective from 1st April, 2017) and bring its deferred tax provision at par with the requirement of the law.

33 - SEGMENT REPORTING

Gujarat VAT

As per para 4 of Ind AS 108 "Operating Segments", if a single financial report contains both consolidated financial statements and the separate financial statements of the Parent Company, segment information may be presented on the basis of the consolidated financial statements. Thus, the information related to disclosure of operating segments required under Ind AS 108 "Operating Segments", is given in ConsolidatedFinancial Statements.

2017-18

The Revenue during FY 2022-23 with the single external customer amounting to 10% or more of the Companys Revenueis

Name of the customer	(₹ in lakhs) Amount	% Share to Total Sales
Oil And Natural Gas Corporation	13,671.00	45.39%
Oil India Limited	4,029.06	13.38%
Vedanta & Cairn	3,813.42	12.66%
	21,513.48	71.43%
Total Annual Sales During the year	30,118.36	100%

34 - DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS

The Company has classified the various benefits provided to employees as under:-

82.68

(a) Defined contribution plans

- Provident fund

The Company has recognized the following amounts in the statement of profit and loss:

Employers' contribution to provident fund

INR 48.31 Lakhs for year ended 31st March 2023 (year ended 31st March 2022 INR 37.82 Lakhs)

(b) Defined benefit plans

- Gratuity

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions

Key Assumptions considered :

	Gratuity (fe	unded)
	As at 31 st March, 2023	As at 31 st March, 2022
Discount rate(per annum)	7.30%	6.90%
Future salary increase	6.00%	6.00%
Retirement age	58 years	58 years
Withdrawal rates		
- Up to 25 years	20.00%	15.00%
- From 26 to 35 years	20.00%	12.00%
- From 35 to 45 years	20.00%	9.00%
- From 45 to 55 years	20.00%	6.00%
- From 55 to 58 years	20.00%	3.00%

Financial Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The rate used to discount other long term employee benefit obligation (both funded and unfunded) shall be determined by reference to market yield at the Balance Date on high quality corporate bonds. In countries where there is no deep market in such bonds the market yields (at the Balance Sheet Date) on government bonds shall be used. The currency and term of the corporate bond or government bond shall be consistent with currency and estimated term of the post employment benefit obligation.

Salary Escalation Rate

This is Management's estimate of the increases in the salaries of the employees over the long term. Estimated future salary increases should take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

ANNUAL REPORT 2022-23 DEEP INDUSTRIES LIMITED

568.33

		Gratuity	(Funded)
		As at 31 st March, 2023 (Rs. In Lakhs)	,
(G)	Quantitative sensitivity analysis for significant assumption is as below: (Note - I)		
(-)	0.5 % increase in discount rate	11.63	11.88
	0.5 % decrease in discount rate	12.04	12.77
	0.5 % increase in salary increase rate	12.04	12.77
	0.5 % decrease in salary increase rate	11.63	11.87
	10 % increase in Withdrawal Rate Sensitivity	11.88	12.35
	10 % decrease in Withdrawal Rate Sensitivity	11.78	12.27
(H)	Investment details of plan assets		
	Policy of Insurance	100%	100%

Notes:

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

35 - CORPORATE SOCIAL RESPONSIBILITY

In accordance with the provisions of Section 135 of the Companies Act, 2013, Schedule VII and Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended, the Board of Directors of the Company had constituted a Corporate Social Responsibility (CSR) Committee. In terms of the provisions of the said Act, the Company was required to spend 99.12 lakhs (previous year 56.59 lakhs) towards CSR activities during the year ended 31st March, 2023. The Company has incurred following expenditure towards CSR activities for the benefit of general public and in the neighbourhood of the Company.

39. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's Risk Management framework encompasses practices relating to the identification, analysis, evaluation, treatment, mitigation and monitoring of the strategic, external and operational controls risks to achieving the Company's business objectives. It seeks to minimize the adverse impact of these risks, thus enabling the Company to leverage market opportunities effectively and enhance its long-term competitive advantage. The focus of risk management is to assess risks and deploy mitigation measures.

The Company's activities expose it to variety of financial risks namely market risk, credit risk and liquidity risk. The Company has various financial assets such as deposits, other receivables and cash and bank balances directly related to the business operations. The Company's principal financial liabilities comprise of trade and other payables. The Company's senior management's focus is to foresee the unpredictability and minimize potential adverse effects on the Company's financial performance. The Company's performance are outlined hereunder:

The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management is carried out by the management in consultation with the Board of Directors. They provide principles for overall risk management, as well as policies covering specific risk areas.

The note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

(A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and from its financial activities including deposits with banks and other financial instruments.

(i) Cash and cash equivalents:

The Company considers factors such as track record, size of institution, market reputation and service standard to select the banks with which deposits are maintained. The Company does not maintain significant deposit balances other than those required for its day to day operations. Credit risk on cash and cash equivalents is limited as these are generally held or invested in deposits with banks and financial institutions with good credit ratings.

(B) Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure that it has sufficient cash to meet operational needs.

The table below provides undiscounted cash flows towards non-derivative financial assets/ (liabilities) into relevant maturity based on the remaining period at the Balance Sheet date to the contractual maturity date and where applicable, their effective interest rates.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.Market risk comprises three types of risks : foreign currency risk, interest risk and other price risk such as commodity risk.

(i) Interest rate risk

The Company's exposure to the risk of changes in market interest rates relates primarily to debts having floating rate of interest. Its objective in managing its interest rate risk is to ensure that it always maintains sufficient headroom to cover interest payment from anticipated cashflows which are regularly reviewed by the Board.

Particular	Change in Interest rate	Effect on Profit before tax 31 st March, 2023	Effect on Profit before tax 31 st March, 2022
Non-current & Current Borrowings	-0.50%	(31.64)	(12.98)
	0.50%	31.64	12.98

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates and arises where transactions are done in foreign currencies. It arises mainly where receivables and payables exist due to transactions entered in foreign currencies. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows approved policy parameters utilizing forward foreign exchange contracts whenever felt necessary. The Company does not enter into financial instrument transactions for trading or speculative purpose.

I. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

			(₹ In lakhs)
2022-	-23	2021	-22
1% Increase	1% Decrease	1% Increase	1% Decrease
7.78	(7.78)	8.66	(8.66)
7.78	(7.78)	8.66	(8.66)
	1% Increase 7.78	7.78 (7.78)	1% Increase 1% Decrease 1% Increase 7.78 (7.78) 8.66

II. The amount of foreign currency exposures that are not hedged by a derivative instrument or otherwise as at 31st March, 2023 & 31st March, 2022 are as under:

	As at 31st March, 2023 Foreign Currency (in USD Lakhs)	(₹ in lakhs)	As at 31st March, 2022 Foreign Currency (in USD Lakhs)	(₹ in lakhs)
Receivables Trade Receivables	8.43	693.09	20.29	1,538.49
Payable Trade Payables	0.66	54.26	9.10	681.25

(iii) Commodity Risk:

The Company is exposed to the movement in the price of key raw materials and other traded goods in the domestic and international markets. The Company has in place policies to manage exposure to fluctuation in prices of key raw materials used in operations. The Company enters into contracts for procurement of raw materials and traded goods, most of the transactions are short term fixed price contracts and a few transactions are long term fixed price contracts.

(D) Capital management

The Company manages its capital to be able to continue as a going concern while maximising the returns to shareholders through optimisation of the debt and equity balances. For the purpose of calculating gearing ratio, debt is defined as non current and current borrowings (excluding derivatives). Equity includes all capital and reserves of the Company attributable to equity holders of the Company. The Company is not subject to externally imposed capital requirements. The Board reviews the capital structure and cost of capital on an annual basis but has not set specific targets for gearing ratios. The risks associated with each class of capital are also considered as part of the risk reviews presented to the Board of Directors.

		(₹ in lakhs)
Particulars	As at 31 st March, 2023	As at 31 st March, 2022
Total Debt	6,328.28	2,596.15
Equity	3,200.00	3,200.00
Other Equity	1,13,192.50	1,05,949.48
Capital and total debt	1,22,720.78	1,11,745.63
Gearing ratio	5.16%	2.32%

40. ADDITIONAL REGULATORY INFORMATION - RATIOS

Ratios	Numerator	Denominator M	As at 31 st Iarch, 2023	As at 31 st March, 2022
Current ratio (in times)	Total Current assets	Total Current liabilities	4.31	4.68
Debt equity ratio (in times)	Total debt	Total equity	0.05	0.02
Debt service coverage ratio (in times)	Earnings available for debt service = Net profit after taxes+ Non-cash operating expenses + Interest+/-Deferred tax Expense		3.35	4.60
Return on equity (%)	Net Profit after taxes	Total equity	6.73%	6.35%
Inventory turnover ratio (in times)	Revenue from Operations (Net)	Closing Inventory	7.94	12.33
Trade receivable turnover ratio (in times)	Revenue from Operations (Net)	Closing Trade receivable	3.01	2.13
Trade Payable turnover Ratio (in times)	Cost of spares + other operating expenses	Closing Trade payables	2.59	3.40
Net capital turnover ratio (in times)	Revenue from Operations (Net)	Working capital = Total Current assets - Total Current liabilities	1.10	1.17
Net profit ratio (%)	Net Profit after taxes	Revenue from Operations (N	let) 26.00	25.53
Return on capital employed (%)	Earnings before interest and taxes	Capital employed = Total Eq + Non Current Borrowing	uity 8.97	8.32
Return on Investment (%)	Earnings before interest and taxes	Total Assets	8.02%	7.56%

1) Current ratio (in times)

The company has invested the surplus funds into certain investment buckets. During the year the company has repaid significant borrowings.

2) Debt equity ratio (in times)

Improved due to repayment of significant borrowings and substantial jump in profit before tax.

3) Inventory turnover ratio (in times)

Improved revenue cycles leading to better turnover ratio and lower inventory holding period.

4) Trade receivable turnover ratio (in times)

Increased due to improvement in debtor's collection cycle.

5) Trade Payable turnover Ratio (in times)

Increased due to better financial position of the company leading to intime payments of creditors.

6) Net profit ratio (%):

Decrease due to below reasons:

- 1. Exceptional DTA in previous year.
- 2. Decrease in depreciation due to non allowability of amortisation of goodwill.

If Eliminating the above exceptional items, ratio has been improved.

7) Return on capital employed (%)

Major impact due to significant increase in turnover and better profitibility of the company during the year.

8) Return on Investment (%)

Major impact due to significant increase in turnover and better profitibility of the company during the year.

41 - STRUCK OFF COMPANIES

The Company does not have any transactions with companies struck - off under Section 248 of the Companies Act, 2013 or Section 560 of Companies Act, 1956.

- 42 Balances of Other Current Liabilities, Trade Receivables and Trade Payables are subject to confirmation, reconciliation and adjustments if any.
- 43 In the opinion of the Management, current assets have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated except where indicated otherwise.
- 44 Previous period figures have been regrouped, re-classified and re-arranged wherever considered necessary to confirm to the current year's classification.
- 45 The MCA wide notification dated March 24, 2021 has amended Schedule III to the Companies Act, 2013 in respect of certain disclosures. The Company has incorporated appropriate changes in the above results.
- 46 Additional information as required under para 2 of General Instruction of Division II of Schedule III to the Companies Act, 2013.
 - A. The Company has not carried out any revaluation of Property, Plant and Equipment in any of the period reported in this Financial Statements hence reporting is not applicable.
 - B. The company does not hold any benami property as defined under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and the rules made thereunder. No proceeding has been initiated or pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and the rules made thereunder
 - C. As per sanctioned letter issued by Banks, the Company is required to submit Stock statement to Banks on quarterly basis. As per comparison made of the stock statement vis-a-vis books of account, there are no material difference noted.
 - D. The company does not have any charges or satisfaction, which is yet to be registered with ROC beyond the statutory period.
 - E. The Company does not have any such trasaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (Such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
 - F. The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or(b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries

INDEPENDENT AUDITOR'S REPORT

To, The Members, Deep Industries Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Deep Industries Limited** (the 'holding company'), its subsidiaries (the Holding Company and its subsidiaries together referred to as the "Group"), which comprise the consolidated Balance Sheet as at March 31, 2023, and the consolidated statement of Profit and Loss (including the statement of other comprehensive income), Statement of changes in equity and consolidated Statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information(herein after referred as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of report of other auditor on separate financial statement of subsidiary, these consolidated financial statements:

- a. Include the annual financial statement of :
 - · Deep International DMCC, Dubai
 - · Raas Equipment Private Limited
 - · Deep Onshore Services Private Limited
 - · Deep Onshore Drilling Services Private Limited
 - · Dolphin Offshore Enterprises (India) Limited
 - · Dolphin Mauritius PTE Ltd
- b. give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2023, and its consolidated profit including total comprehensive income, the consolidated statement of changes in equity and its consolidated cash flows for the year then ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Information other than Financial Statements & Auditors Report thereon

The Holding Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the Board's Report including Annexures to Board's Report, Corporate Governance report and Management Discussion and Analysis (but does not include the standalone financial statements, consolidated financial statements and our auditor's reports thereon).

Our opinion on the consolidated financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position,

consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated statement cash flows of the group in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the company(ies) included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the company(ies) included in the Group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the company(ies) included in the group are also responsible for overseeing the Company's financial reporting process of the group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements:-

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting polices used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on consolidate financial statement. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of

which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding company and such other entities included in the consolidated financial statement of which we are the independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Emphasis of Matter

We draw attention to Note _____ to the consolidated financial statement regarding, modification in consolidated financial statement of step-down subsidiary "Dolphin Offshore Enterprises (India) Limited" because the same could not be prepared in accordance with Ind As 110 due to unavailability of financial data of one subsidiary: Global Dolphin Drilling Company Limited and one joint venture: IMPaC Oil and Gas Engineering (India) Private Limited. Considering the materiality, our opinion is not modified in respect of this matter.

Other Matters

- 1. We did not audit financial statement of 1 subsidiary i.e., Deep International DMCC, Dubai included in the consolidated financial result, whose financial statements reflects total assets of Rs. 1180.98 Lakhs as at March 31, 2023, total revenue of Rs. 478.12 Lakhs, total net profit after tax Rs. 1622.44 Lakhs, total comprehensive income (comprising of profit and other comprehensive income) of Rs. 1622.44 Lakhs, are considered in the consolidated financial results. These financial statements have been audited by other auditor of the foreign jurisdiction whose reports have been furnished to us by the management and our opinion on the consolidated financial results, in so far as it relates to amounts and disclosures included in respect of this subsidiary, is based solely on the reports of the other Auditors and the conversion adjustments prepared by the management of the Holding Company.Our opinion on the consolidated financial results is not modified in respect of above matter with respect to our reliance on the work done and report of the other auditor.
- 2. We did not audit financial statement of 1 step subsidiary i.e., Dolphin Offshore Enterprises (Mauritius) Private Limited included in the consolidated financial result, whose financial statements reflects total assets of Rs. 4465.38 Lakhs as at March 31,2023, total revenue of Rs. Nil, total net loss Rs. 156.36 Lakhs, total comprehensive loss (comprising of profit and other comprehensive income) of Rs. 156.36 Lakhs for the year ended on that date, as considered in the consolidated financial statements have been reviewed by management. Our opinion on the consolidated financial results is not modified in respect of above matter.
- 3. In respect of step down subsidiary i.e. Dolphin Offshore Enterprises (India) Limited predecessor auditor has expressed an modified opinion on financial statement for the year ended March 31, 2022 vide their audit report dated May 1, 2022.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of respective companies included in the Consolidated Financial Statements, as provided to us by the Management of the Holding company, we report that in respect of those companies where audits have been completed under Section 143 of the Act,

there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the Consolidated Financial Statements

- 2. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the Standalone / Consolidated Financial Statements / financial information of the subsidiaries, associates and joint ventures referred to in the Other Matters section above we report, to the extent applicable that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from the examination of those books;
 - (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss including statement of other comprehensive income and the consolidated Cash Flow Statement, consolidated Statement of changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Companies Act, 2013;
 - (e) On the basis of the written representations received from the directors of the Holding company as on 31st March, 2023 taken on record by the board of directors of the Holding company and the reports of the statutory auditors of its subsidiary companies, incorporated in India, none of the directors of the Group companies, incorporated in India is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of internal financial controls over financial reporting, with reference to Consolidated Financial Statements and the operating effectiveness of such controls, refer to our separate report in "Annexure A";
 - (g) With respect to the matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us and based on the auditor's reports of subsidiary companies, the remuneration paid/provided by the Holding company and such subsidiary companies to their respective directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the auditor's reports of subsidiary companies:
 - i. The consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. Provision has been made in the Consolidated Financial Statements, as required under the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding company and its subsidiary companies, which are companies incorporated in India.
 - iv. (a) The respective managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, as disclosed in consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The respective managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, as disclosed consolidated financial statements, no funds (which are material either individually or in the aggregate) have been received by the respective Holding Company or any of such subsidiaries from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;.
- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. (a) The final dividend proposed in the previous year, declared and paid by the Holding company and its subsidiary, during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The Holding company and its subsidiary has not declared and paid any interim dividend during the year and until the date of this report.
 - (c) The Board of Directors of the Company have proposed final dividend for the year, which is subject to approval of the member at the ensuing Annual General Meeting. The amount of dividend proposed in accordance with Section 123 of the act as applicable.
 - (d) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

"Annexure A" to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of Deep Industries Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the internal control with reference to Consolidated Financial Statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Holding company and its subsidiary companies, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial statements of the the Holding company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable

assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements insofar as it relates to 4 subsidiary companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of the above matters.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

1. CORPORATE INFORMATION

Deep Industries Limited (the "Group") is a public limited Company domiciled in India having its registered office situated at 12A & 14, Abhishree Corporate Park, Ambli Bopal Road, Ambli, Ahmedabad, GJ 380058. The Company was incorporated on 15th November, 2006, under the provisions of the Companies Act, 1956 applicable in India and its equity shares are listed on the National Stock Exchange of India Limited (NSE) and BSE Limited. The Company is incorporated to carry on all or any of the business of prospecting, exploring, developing, opening and working mines, drilling and sinking shafts or wells and to pump, refine raise, dig and quarry coal bed methane, minerals, ores, gases such as methane gas i.e., CH4. & to provide latest equipments like Air Compressor, Gas Compressor, Rigs, Exploration & Production equipments and other equipments, efficient services like operation and maintenance, man power deployment and execution of turnkey projects related to oil gas sector on charter hire basis and carry on business of transport operators, cartages and haulage contractors, garage proprietors, owners, charterers and lessors of road vehicles of every description and to act as carriers of goods by road, rail, water, air cartage contractors, forwarding, transporting and commission agents, custom agents, wharfingers, cargo superintendents, packers, warehouse- man, storekeeper and job-masters and carry on anywhere in India and out of India the business of running of transportation of all kinds on such lines/routes as the Group may deem fit and to transport all types of goods and generally to carry on the business of the common carriers.

2. Basis of Preparation

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013.

These financial statements have been prepared on a historical cost convention basis, except for the following:

- Certain financial assets and liabilities that are measured at fair value (refer accounting policy regarding financial instruments).
- Defined benefit plans assets measured at fair value.
- Derivative financial instruments

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. The financial statements are presented in Indian Rupees ('INR') and all values are rounded to the nearest Lakhs (INR 00,000) except when otherwise indicated.

3. Principles of consolidation

The consolidated financial statements comprise the financial statements of the Company and subsidiaries as at March 31, 2023.

Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- has power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure:

(a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.

- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- (c) Eliminate in full intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant and equipment, are eliminated in full). Intra-group losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated Statement of Profit and Loss from the date the Group gains control until the date when the Group ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the noncontrolling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the noncontrolling interests even if this results in the non-controlling interests having a deficit balance.

All intra-group assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

3.1 Summary of significant accounting policies

a) Current versus non-current classification

An asset is treated as current when it is:

- (i) Expected to be realized or intended to be sold or consumed in normal operating cycle; or
- (ii) Held primarily for the purpose of trading; or
- (iii) Expected to be realized within twelve months after the reporting period; or
- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when it is:

- (i) Expected to be settled in normal operating cycle; or
- (ii) Held primarily for the purpose of trading; or
- (iii) Due to be settled within twelve months after the reporting period; or
- (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

b) Foreign currencies

The Group financial statements are presented in Indian Rupees. The Group determines the functional currency and items included in the financial statements are measured using that functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Group at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss, respectively).

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which the Group initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, the Group determines the transaction date for each payment or receipt of advance consideration.

c) Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Fair-value related disclosures for financial instruments and non-financial assets that are measured at fair value are disclosed in the relevant notes.

d) Revenue from contract with customer

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. The Group has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of products/ Service

Revenue from sale of products is recognised at the point in time when control of the asset is transferred to the customer. Amounts disclosed as revenue are net of returns and allowances, trade discounts and rebates. The Group collects Goods & Service Tax (GST) on behalf of the government and therefore, these are not economic benefits flowing to the Group. Hence, these are excluded from the revenue.

Variable consideration includes trade discounts, volume rebates and incentives, etc. The Group estimates the variable consideration with respect to above based on an analysis of accumulated historical experience. The Group adjusts estimate of revenue at the earlier of when the most likely amount of consideration we expect to receive changes or when the consideration becomes fixed.

Interest Income

Other revenue streams Interest Income For all debt instruments measured at amortised cost, interest income is recorded using the Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in "other income" in the Statement of Profit and Loss.

Interest income on fixed deposits is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Dividend income

Dividend on financial assets is recognised when the Group's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Contract balances

Contract assets

A contract asset is initially recognised for revenue earned from sale of goods or services. Upon acceptance by the customer, the amount recognised as contract assets is reclassified to trade receivables.

Contract assets are subject to impairment assessment. Refer to accounting policies on impairment of financial assets in section - Financial instruments – initial recognition and subsequent measurement.

Trade receivables

A trade receivable is recognised if the amount of consideration is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section - Financial instruments – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Group transfers the related goods or services. Contract liabilities are recognised as revenue when the Group performs under the contract (i.e., transfers control of the related goods or services to the customer).

e) Taxes

Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Deferred Tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

f) Property, plant and equipment (PPE)

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is calculated on a Straight Line Method (SLM) over the estimated useful lives of assets.

The Group has based on a technical review and re-assessment by the management, decided to adopt the existing useful life for certain asset blocks which is lower as against the useful life recommended in Schedule II to the Companies Act, 2013, since the Group believes that the estimates followed are reasonable and appropriate, considered current usage of such assets.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

g) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

Software

Cost of software is amortised over its useful life of 36 months starting from the month of project implementation. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

i) Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section "Impairment of non-financial assets".

ii) Lease Liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii) Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases of guest house. (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of guest house that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Group as a lessor

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

j) Inventories

Inventories are stated at lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads (to the extent apportioned based on the stage of completion) based on the normal operating capacity but excluding borrowing costs. Cost is determined on weighted average basis.

- Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale.

k) Impairment of non-financial assets

The Group assesses at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash-Generating Unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation surplus, if any, taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

The impairment assessment for all assets is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the Statement of Profit and Loss.

I) Provisions, contingent liabilities and contingent assets

Provisions

A provision is recognised when the Group has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Group expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise. Contingent liabilities are disclosed by way of note to the financial statements.

Contingent Assets

A contingent asset is a possible asset that arises from past events the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise.

Contingent assets are neither recognised nor disclosed in the financial statements.

m) Retirement and other employee benefits

Provident fund

Retirement benefit in the form of Provident Fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognises contribution payable to the provident scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Gratuity

Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit (PUC) method made at the end of each financial year. The Group contributes to Life Insurance Corporation of India (LIC) and SBI Life Insurance Group Limited, a funded defined benefit plan for qualifying employees.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to Statement of Profit and Loss in subsequent periods.

Past service costs are recognised in Statement of Profit and Loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Group recognises related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation as an expense in the Statement of Profit and Loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised on an undiscounted accrual basis during the year when the employees render the services. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services.

Long-term employee benefits

Other long term employee benefits comprise of compensated absences/leaves. Provision for Compensated Absences and its classifications between current and non-current liabilities are based on independent actuarial valuation. The actuarial valuation is done as per the projected unit credit method.

n) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section "Revenue from contracts with customer".

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognized on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- financial assets at amortised cost
- financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses
- financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- financial assets at fair value through profit or loss

Financial assets at amortised cost

A 'financial assets' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Group. After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade receivables, security deposits and other receivables.

Financial assets at fair value through other comprehensive income (FVTOCI)

A 'financial asset' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent Solely Payments of Principal and Interest.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. For debt instruments, at fair value through other comprehensive income (OCI), interest income, foreign exchange revaluation and impairment losses or reversals are recognised in the profit or loss and computed in the same manner as for financial assets measured at amortised cost. The remaining fair value changes are recognised in OCI. Upon derecognition, the cumulative fair value changes recognised in OCI is reclassified from the equity to profit or loss

The Group's debt instruments at fair value through OCI includes investments in quoted debt instruments included under other non-current financial assets.

Financial assets designated at fair value through OCI (equity instruments)

Upon initial recognition, the Group can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in the statement of profit and loss when the right of payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

The Group elected to classify irrevocably its non-listed equity investments under this category.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss.

This category includes derivative instruments and listed equity investments which the Group had not irrevocably elected to classify at fair value through OCI. Dividends on listed equity investments are recognised in the statement of profit and loss when the right of payment has been established.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement~ and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Group uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, historical observed default rates are updated and changes in the forward-looking estimates are analysed.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to Profit and Loss. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Group has not designated any financial liability as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Reclassification of financial assets

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

o) Derivative financial instruments

The Group uses derivative financial instruments such as foreign currency forward contracts and option currency contracts to hedge its foreign currency risks arising from highly probable forecast transactions. The counterparty for these contracts is generally a bank.

Derivatives not designated as hedging instruments

This category has derivative assets or liabilities which are not designated as hedges.

Although the Group believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109. Any derivative that is either not designated a hedge, or is so designated but is ineffective, is recognized on balance sheet and measured initially at fair value. Subsequent to initial recognition, derivatives are re-measured at fair value, with changes in fair value being recognized in the statement of profit and loss. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

p) Cash & Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

q) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Group and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

r) Dividend

The Group recognises a liability to pay dividend to equity holders of the parent when the distribution is authorised, and the distribution is no longer at the discretion of the Group. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

s) Investment in subsidiaries, joint ventures and associates

Equity investments in subsidiaries, joint ventures and associates are shown at cost less impairment, if any. The Group tests these investments for impairment in accordance with the policy applicable to 'Impairment of non-financial assets'. Where the carrying amount of an investment or CGU to which the investment relates is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is recognized in the Statement of Profit and Loss.

3.2 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Group accounting policies, the management of the Group is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Group's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

Useful lives of Intangible assets

The intangible assets are amortised over the estimated useful life. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Useful lives of depreciable tangible assets

Management reviews the useful lives of depreciable assets at each reporting date. As at March 31, 2023 management assessed that the useful lives represent the expected utility of the assets to the Group.

Defined benefit plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for determined period and do not include restructuring activities that the Group is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows, the growth rate used for extrapolation purposes and the impact of general economic environment (including competitors).

3.3 Other Notes

a) Other Statutory Information

- (i) The Group does not have any Benami property, where any proceeding has been initiated or pending against the Group for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- (ii) The Group does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- (iii) The Group have not traded or invested in Crypto currency or Virtual Currency during the financial year.
- (iv) The Group have not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
 - a) directly or indirectly lend or invest in other person or entities identified in any manner whatsoever by or on behalf of the Group (Ultimate Beneficiaries) or
 - b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
- (v) The Group have not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Group shall:
 - a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) Regulatory Updates :

i) Standards notified but not yet effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Group's financial statements are disclosed below. The Group intends to adopt these standards, if applicable, as and when they become effective. The Ministry of Corporate affairs (MCA) has notified certain amendments to Ind AS, through Companies (Indian Accounting Standards) Amendment Rules, 2023 on 31st March, 2023. The amendments have been made in the following standards:

Ind AS 1: Presentation of Financial Statements is amended to replace the term "significant accounting policies" with "material accounting policy information" and providing guidance relating to immaterial transactions, disclosure of entity specific transactions and more

Ind AS 8: Accounting Policies, Changes in Accounting Estimates and Errors to include the definition of accounting estimates as "monetary amounts in financial statements that are subject to measurement uncertainty."

Ind AS 12: Income Taxes relating to initial recognition exemption of deferred tax related to assets and liabilities arising from a single transaction.

Other Amendments in Ind AS 102 – Share based Payments, Ind AS 103 – Business Combinations, Ind AS 109 – Financial Instruments, Ind AS 115 – Revenue from Contracts with Customers which are mainly editorial in nature in order to provide better clarification of the respective Ind AS's.

These amendments shall come into force with effect from April 01, 2023. The Group is assessing the potential effect of the amendments on its financial statements. The Group will adopt these amendments, if applicable, from applicability date.

33 - SEGMENT REPORTING

The Group operates mainly in oil and gas exploration and all other activities are incidental thereto, which have similar risk and return. Accordingly, there are no separate reportable Segments as required under IND AS 108 " Operating Segment " The Revenue during FY 2022-23 with the single external customer amounting to 10% or more of the Groups Revenue is :

Name of the customer	(₹ in lakhs) Amount	% Share to Total Sales
Oil And Natural Gas Corporation	13,671.00	45.39%
Oil India Limited	4,029.06	13.38%
Vedanta & Cairn	3,813.42	12.66%
	21,513.48	71.43%
Total Annual Sales During the year	34,133.61	100%

34 - DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS

The Group has classified the various benefits provided to employees as under:-

(a) Defined contribution plans

Provident fund

The Group has recognized the following amounts in the statement of profit and loss: **Employers' contribution to provident fund** :- INR 48.31 Lakhs for year ended 31st March 2023 (year ended 31st March 2022 INR 37.82 Lakhs)

(b) Defined benefit plans

Gratuity

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions -

Key Assumptions considered :

	Gratuity (Funded)	
	31 st March, 2023 31 st March, 20	
Discount rate(per annum)	7.30% 6.9	
Future salary increase	6.00% 6.0	
Retirement age	58 years 58 ye	
Withdrawal rates		
- Up to 25 years	20.00% 15.0	
- From 26 to 35 years	20.00% 12.0	
- From 35 to 45 years	20.00% 9.0	
- From 45 to 55 years	20.00% 6.0	
- From 55 to 58 years	20.00% 3.0	

Financial Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The rate used to discount other long term employee benefit obligation (both funded and unfunded) shall be determined by reference to market yield at the Balance Date on high quality corporate bonds. In countries where there is no deep market in such bonds the market yields (at the Balance Sheet Date) on government bonds shall be used. The currency and term of the corporate bond or government bond shall be consistent with currency and estimated term of the post employment benefit obligation.

Salary Escalation Rate

This is Management's estimate of the increases in the salaries of the employees over the long term. Estimated future salary increases should take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

		Gratuity (Fund	ded)

	Recognized in Other Comprehensive Income	(4.18)	(3.39)
(F)	Maturity profile of defined benefit obligation Within 12 months of the reporting period Between 2 and 5 years Between 6 and 10 years	(3.95) (0.67)	(3.17) - -
(G)	Quantitative sensitivity analysis for significant assumption is as below: (Note 0.5 % increase in discount rate 0.5 % decrease in discount rate 0.5 % increase in salary increase rate 0.5 % decrease in salary increase rate 10 % increase in Withdrawal Rate Sensitivity 10 % decrease in Withdrawal Rate Sensitivity	e - I) 11.63 12.04 12.04 11.63 11.88 11.78	11.88 12.77 12.77 11.87 12.35 12.27
(H)	Investment details of plan assets Policy of Insurance	100%	100%

Notes:

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

35 - CORPORATE SOCIAL RESPONSIBILITY

In accordance with the provisions of Section 135 of the Companies Act, 2013, Schedule VII and Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended, the Board of Directors of the Group had constituted a Corporate Social Responsibility (CSR) Committee. In terms of the provisions of the said Act, the Group was required to spend 99.12 lakhs (previous year 56.59 lakhs) towards CSR activities during the year ended 31st March, 2023. The Group has incurred following expenditure towards CSR activities for the benefit of general public and in the neighbourhood of the Company.

39. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Groups's Risk Management framework encompasses practices relating to the identification, analysis, evaluation, treatment, mitigation and monitoring of the strategic, external and operational controls risks to achieving the Group's business objectives. It seeks to minimize the adverse impact of these risks, thus enabling the Group to leverage market opportunities effectively and enhance its long-term competitive advantage. The focus of risk management is to assess risks and deploy mitigation measures.

The Group's activities expose it to variety of financial risks namely market risk, credit risk and liquidity risk. The Group has various financial assets such as deposits, other receivables and cash and bank balances directly related to the business operations. The Group's principal financial liabilities comprise of trade and other payables. The Group's senior management's focus is to foresee the unpredictability and minimize potential adverse effects on the Group's financial performance. The Group's overall risk management procedures to minimize the potential adverse effects of financial market on the Group's performance are outlined hereunder:

The Group's Board of Directors have overall responsibility for the establishment and oversight of the Group's risk management framework.

The Group's risk management is carried out by the management in consultation with the Board of Directors. They provide principles for overall risk management, as well as policies covering specific risk areas.

The note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

(A) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and from its financial activities including deposits with banks and other financial instruments.

(i) Cash and cash equivalents:

The Group considers factors such as track record, size of institution, market reputation and service standard to select the banks with which deposits are maintained. The Group does not maintain significant deposit balances other than those required for its day to day operations. Credit risk on cash and cash equivalents is limited as these are generally held or invested in deposits with banks and financial institutions with good credit ratings.

(B) Liquidity Risk

Liquidity risk is the risk that the Group will face in meeting its obligations associated with its financial liabilities. The Group's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Group's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The Group relies on a mix of borrowings, capital and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Group monitors rolling forecasts of its liquidity requirements to ensure that it has sufficient cash to meet operational needs.

The table below provides undiscounted cash flows towards non-derivative financial assets/ (liabilities) into relevant maturity based on the remaining period at the Balance Sheet date to the contractual maturity date and where applicable, their effective interest rates.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.Market risk comprises three types of risks : foreign currency risk, interest risk and other price risk such as commodity risk.

(i) Interest rate risk

The Group's exposure to the risk of changes in market interest rates relates primarily to debts having floating rate of interest. Its objective in managing its interest rate risk is to ensure that it always maintains sufficient headroom to cover interest payment from anticipated cashflows which are regularly reviewed by the Board.

Particular	Change in Interest rate	Effect on Profit before tax 31 st March, 2023	Effect on Profit before tax 31 st March, 2022
Non-current & Current Borrowings	-0.50%	(34.94)	(15.90)
	0.50%	34.94	15.90

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates and arises where transactions are done in foreign currencies. It arises mainly where receivables and payables exist due to transactions entered in foreign currencies. The Group evaluates exchange rate exposure arising from foreign currency transactions and follows approved policy parameters utilizing forward foreign exchange contracts whenever felt necessary. The Group does not enter into financial instrument transactions for trading or speculative purpose.

I. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

				(₹ In lakhs)
Currency	2022-23 2021-22		-22	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	7.78	(7.78)	15.38	(15.38)
Total	7.78	(7.78)	15.38	(15.38)

II. The amount of foreign currency exposures that are not hedged by a derivative instrument or otherwise as at 31st March, 2023 & 31st March, 2022 are as under:

	As at 31st March, 2023 Foreign Currency (in USD Lakhs)	(₹ in lakhs)	As at 31st March, 2022 Foreign Currency (in USD Lakhs)	(₹ in lakhs)
Receivables Trade Receivables	8.43	693.09	20.29	1,538.49
Payable Trade Payables	0.66	54.26	9.10	681.25

(iii) Commodity Risk:

The Group is exposed to the movement in the price of key raw materials and other traded goods in the domestic and international markets. The Group has in place policies to manage exposure to fluctuation in prices of key raw materials used in operations. The Group enters into contracts for procurement of raw materials and traded goods, most of the transactions are short term fixed price contracts and a few transactions are long term fixed price contracts.

(D) Capital management

The Group manages its capital to be able to continue as a going concern while maximising the returns to shareholders through optimisation of the debt and equity balances. For the purpose of calculating gearing ratio, debt is defined as non current and current borrowings (excluding derivatives). Equity includes all capital and reserves of the Group attributable to equity holders of the Group. The Board reviews the capital structure and cost of capital on an annual basis but has not set specific targets for gearing ratios. The risks associated with each class of capital are also considered as part of the risk reviews presented to the Board of Directors.

		(₹ in lakhs)
Particulars	As at 31 st March, 2023	As at 31 st March, 2022
Total Debt	6,987.39	3,179.24
Equity	3,200.00	3,200.00
Other Equity	1,33,815.21	1,09,804.92
Capital and total debt	1,44,002.60	1,16,184.16
Gearing ratio	4.85%	2.74%

40. ADDITIONAL REGULATORY INFORMATION - RATIOS

Ratios	Numerator	Denominator N	As at 31 st Iarch, 2023	As at 31 st March, 2022
Current ratio (in times)	Total Current assets	Total Current liabilities	4.69	4.56
Debt equity ratio (in times)	Total debt	Total equity	0.05	0.03
Debt service coverage ratio (in times)	Earnings available for debt service = Net profit after taxes+ Non-cash operating expenses + Interest+/-Deferred tax Expense	Debt service = Interest + Principal repayments	4.64	4.67
Return on equity (%)	Net Profit after taxes	Total equity	9.14%	6.41%
Inventory turnover ratio (in times)	Revenue from Operations (Net)	Average Inventory	7.99	8.17
Trade receivable turnover ratio (in times)	Revenue from Operations (Net)	Average Trade receivable	1.76	2.45
Trade Payable turnover ratio (in times)	Cost of spares + other operating expenses	Average Trade payables	3.09	4.23
Net capital turnover ratio (in times)	Revenue from Operations (Net)	Working capital = Total Current assets - Total Current liabilities	0.85	1.30
Net profit ratio (%)	Net Profit after taxes	Revenue from Operations (N	let) 36.71	22.51
Return on capital employed (%)	Earnings before interest and taxes	Capital employed = Total Eq + Non Current Borrowing	uity 11.14	8.36
Return on Investment (%)	Earnings before interest and taxes	Total Assets	9.89%	7.57%

1) Current ratio (in times)

The company has invested the surplus funds into certain investment buckets. During the year the company has repaid significant borrowings.

2) Debt equity ratio (in times)

Mainly due to availment of fresh borrowings for expansion.

3) Inventory turnover ratio (in times)

Mainly due to fresh inventory

4) Trade receivable turnover ratio (in times)

Increased due to improvement in debtor's collection cycle.

5) Trade Payable turnover Ratio (in times)

Mainly on account of higher payout during the year with better cashflow.

6) Net profit ratio (%):

Major impact due to significant increase in turnover and better profitibility of the company during the year

7) Return on capital employed (%)

Major impact due to significant increase in turnover and better profitibility of the company during the year.

8) Return on Investment (%)

Major impact due to significant increase in turnover and better profitibility of the company during the year.
