62ND ANNUAL REPORT

EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 2:

TO APPOINT A DIRECTOR IN PLACE OF MR. RAVI GHAI (DIN: 00074612) WHO RETIRES BY ROTATION, AND BEING ELIGIBLE, OFFERS HIMSELF FOR RE-APPOINTMENT

Pursuant to provisions of Section 152 of the Companies Act, 2013, at every annual general meeting, not less than two-thirds of the total number of Directors of a public company shall (i) be persons whose period of office is liable to determination by retirement of Directors by rotation; and (ii) save as otherwise expressly provided in this Act, be appointed by the company in general meeting. Further pursuant to Regulation 17 (1A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, no listed entity shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of seventy five years unless a special resolution is passed to that effect.

Mr. Ravi Ghai (DIN: 00074612) the Non-Executive - Non Independent Director-Chairman of the Company is liable to retire by rotation at the sixty second annual general meeting of the Company and being eligible he has offered himself for re-appointment.

Mr. Ravi Ghai was a Director of our Company since 1997 and was appointed as Managing Director in 2007 and continued to serve till the year 2020. He was appointed as a Non-Executive - Non Independent Director-Chairman of the Company by the Board of Directors with effect from 1st January, 2022 which was approved by the shareholders via a special resolution through postal ballot dated March 22, 2022. A brief resume of Mr. Ravi Ghai as required pursuant to Secretarial Standard-2 on General Meetings and Regulation 36(3) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 forms part of this Notice. The Board of Directors has recommended the re- appointment of Mr. Ravi Ghai as a "Non-Executive - Non Independent Director-Chairman" of the Company, considering his rich experience, expertise and immense contribution in the growth of the Company over the past 2 decades. Approval of members is being sought by a special resolution for his re-appointment at this annual general meeting.

The Board recommends the Special Resolution set forth in Item No. 2 for approval of the Members.

Except Mr. Ravi Ghai and his relatives, no other director, KMP or their relatives are interested in or concerned, financially or otherwise, in passing the proposed resolution set out in item no. 2.

Item No. 3:

APPOINTMENT OF MR. SHIVAAN GHAI (DIN: 09256305) AS A NON-EXECUTIVE NON INDEPENDENT DIRECTOR

The Board of Directors of the Company on recommendation of the Nomination and Remuneration Committee have appointed Mr. Shivaan Ghai (DIN: 09256305) as an "Additional Director" under Section 161 of Companies Act, 2013 with effect from August 25, 2023 and he holds office up to the date of this 62nd Annual General Meeting of the Company.

Pursuant to applicable provisions of the Companies Act, 2013 read with Regulation 17(1C) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, stipulating that approval of shareholders for appointment/reappointment of a person on the Board of Directors be taken at the next general meeting or within a time period of three months from the date of appointment, whichever is earlier, approval of shareholders is being sought for the appointment of Mr. Shivaan Ghai as a Non Executive Non Independent Director of the Company, via an ordinary resolution.

Members are requested to note that the Company has received consent in writing from Mr. Shivaan Ghai to act as Non-Executive Director of the Company and he is not disqualified from being appointed as director in terms of Section 164 and other provisions of the Companies Act, 2013. Accordingly, it is proposed to appoint him as Non-Executive Director of the Company whose period of office shall be liable to retire by rotation.

A brief profile of Mr. Shivaan Ghai is annexed herewith for the reference of the members pursuant to Secretarial Standard-2 on General Meetings and Regulation 36(3) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

Except Mr. Shivaan Ghai and his relatives, no other director, KMP or their relatives are interested in or concerned, financially or otherwise, in passing the proposed resolution set out in item no. 3.

The Board recommends the Ordinary Resolution set forth in Item No. 3 for approval of the Members.

Item No. 4:

APPOINTMENT OF MR. SAHARSH DAGA, (DIN: 10272515) AS A NON-EXECUTIVE NON INDEPENDENT DIRECTOR

The Board of Directors of the Company on recommendation of the Nomination and Remuneration Committee have appointed Mr. Saharsh Daga (DIN: 10272515) as an "Additional Director" under Section 161 of Companies Act, 2013 with effect from August 25, 2023 and he holds office up to the date of this 62nd Annual General Meeting of the Company.

GRAVISS HOSPITALITY LIMITED

Pursuant to applicable provisions of the Companies Act, 2013 read with Regulation 17(1C) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, stipulating that approval of shareholders for appointment/reappointment of a person on the Board of Directors be taken at the next general meeting or within a time period of three months from the date of appointment, whichever is earlier, approval of shareholders is being sought for the appointment of Mr. Saharsh Daga as a Non Executive Non Independent Director of the Company, via an ordinary resolution.

Members are requested to note that the Company has received consent in writing from Mr. Saharsh Daga to act as Non-Executive Director of the Company and he is not disqualified from being appointed as director in terms of Section 164 and other provisions of the Companies Act, 2013. Accordingly, it is proposed to appoint him as Non-Executive Director of the Company whose period of office shall be liable to retire by rotation.

A brief profile of Mr. Saharsh Daga is annexed herewith for the reference of the members pursuant to Secretarial Standard-2 on General Meetings and Regulation 36(3) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

None of the Directors of the Company or their relatives with the exception of Mr. Saharsh Daga is concerned or interested in the resolution No. 4 set out in the Notice.

The Board recommends the Ordinary Resolution set forth in Item No. 4 for approval of the Members.

Item No. 5:

APPOINTMENT OF MR. VIKRAM RAJENDRA SETH (DIN: 00234960) AS A NON-EXECUTIVE NON INDEPENDENT DIRECTOR

The Board of Directors of the Company on recommendation of the Nomination and Remuneration Committee have appointed Mr. Vikram Rajendra Seth (DIN: 00234960) as an "Additional Director" under Section 161 of Companies Act, 2013 with effect from August 25, 2023 and he holds office up to the date of this 62nd Annual General Meeting of the Company.

Pursuant to applicable provisions of the Companies Act, 2013 read with Regulation 17(1C) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, stipulating that approval of shareholders for appointment/reappointment of a person on the Board of Directors be taken at the next general meeting or within a time period of three months from the date of appointment, whichever is earlier, approval of shareholders is being sought for the appointment of Mr. Vikram Rajendra Seth as a Non Executive Non Independent Director of the Company, via an ordinary resolution.

Members are requested to note that the Company has received consent in writing from Mr. Vikram Rajendra Seth to act as Non-Executive Director of the Company and he is not disqualified from being appointed as director in terms of Section 164 and other provisions of the Companies Act, 2013. Accordingly, it is proposed to appoint him as Non-Executive Director of the Company whose period of office shall be liable to retire by rotation.

A brief profile of Mr. Vikram Rajendra Seth is annexed herewith for the reference of the members pursuant to Secretarial Standard-2 on General Meetings and Regulation 36(3) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

None of the Directors of the Company or their relatives with the exception of Mr. Vikram Rajendra Seth is concerned or interested in the resolution No. 5 set out in the Notice.

The Board recommends the Ordinary Resolution set forth in Item No. 5 for approval of the Members.

Item No. 6:

TO APPROVE PAYMENT OF PROFESSIONAL AND CONSULTANCY CHARGES TO MR. RAVI GHAI, NON-EXECUTIVE - NON INDEPENDENT DIRECTOR CHAIRPERSON AND EXECUTE CONSULTANCY AGREEMENT WITH MR. RAVI GHAI

It is proposed to pay consultancy charges to Mr. Ravi Ghai, Non-Executive - Non Independent Director-Chairman of the Company.

Mr. Ravi Ghai was appointed as a Non-Executive - Non Independent Director-Chairman of the Company by the Board of Directors with effect from 1st January, 2022. His appointment was approved by the shareholders via a special resolution through postal ballot dated March 22, 2022.

With over four decades of experience, Mr. Ravi Ghai is a known figure in the Indian hospitality industry and serves on the board of various corporate entities and professional bodies. Under his leadership, the Nataraj Hotel in Mumbai was reconstructed in 1999 into the Iconic InterContinental Marine Drive, a landmark in Marine Drive, Mumbai. His rich experience and inputs on the Board of the Company have helped the Company scale new heights. As a person with a vast experience spanning four decades, the Company has hugely benefited from him.

62ND ANNUAL REPORT

The Board of Directors, the Nomination and Remuneration Committee and the Audit Committee have at their meeting held on August 25, 2023 respectively approved the payment of professional and consultancy charges to Mr. Ravi Ghai, Non-Executive - Non Independent Director-Chairman and execute consultancy agreement with Mr. Ravi Ghai. The Company also proposes to execute a consultancy agreement with Mr. Ravi Ghai pursuant to which the payments referred to in Annexure - I of the resolution, will be made. Pursuant to Regulations 17, 23 and other applicable regulations of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter called as "the Listing Regulations"), all Related Party Transactions shall require prior approval of the Audit Committee. As mentioned above, the Audit Committee of the Company has approved the payment of professional and consultancy charges to Mr. Ravi Ghai, Non-Executive - Non Independent Director-Chairman and execute consultancy agreement with Mr. Ravi Ghai.

GRAVISS HOSPITALITY LIMITED

CEO Speech

Dear Shareholders,

It is my privilege to write to you and present the Sixth Second Annual Report of Graviss Hospitality Limited, in my third year, as the Chief Executive Officer of the Company, that is celebrating its 62nd anniversary this year, since we established a brand that continues to create value by driving positive impact in a sector we feel passionate about: travel, tourism and hospitality.

We count among our key strengths the respect for traditional Indian ethos of 'Atithi Devo Bhava'. Not only does it energise us but also serves as a platform for exceeding our customers' expectations. We have always believed in taking a long-term view of our activities, our business goals, and our growth ambitions. This has led us to prioritise value creation over momentary shifts and events in our macroeconomic environment. Thus, we have ensured strong business fundamentals and capitalisation throughout our journey of growth.

The start of 2023 has been promising, and the Indian hospitality industry's outlook remains positive. Domestic demand will remain strong, and international travel will increase, despite the threat of a recession in the United States and some European nations, growing global geopolitical issues, and small spurts in Covid-19 cases in some countries. Furthermore, India's G20 presidency and the fact that India is hosting a number of international events, including the ICC Men's World Cup, will increase demand for hotels in the cities where these events will be held. In the tourism sector, the hotel occupancy rate was at 63 per cent in March 2023 compared to the post-pandemic record high of 71 per cent in February 2023. Despite a sequential fall, the average room rate (ARR) grew 40 per cent year on year ("y-o-y") in March, leading to a growth in (RevPAR) by 44 per cent y-o-y.

Global tourism is steadily improving towards pre-pandemic levels consequent to the relaxation of travel restrictions across countries and increase in demand for travel. The Indian hospitality industry has witnessed healthy recovery from mid-February 2022 aided by leisure, transient demand, weddings and gradual pickup in business travel. While demand was impacted in January 2022 and for the first two weeks of February 2022 because of the Omicron wave, normalcy has returned at a much faster pace compared to that during Covid 2.0. Further, the impact on hotel demand during the third wave was relatively shorter at about 4-5 weeks compared to 10-12 weeks in Covid 2.0. While the possibility of a fourth Covid wave cannot be ruled out, the increasing vaccination coverage and reducing disruption with each Covid19 wave provide comfort. On account of which, your Company has also recovered losses.

I am immensely pleased to state that The InterContinental, Marine Drive, the hotel unit of the Company has a very good year and performed really well during the past year on account of the life coming back to the new normal. The Company has earned a revenue from operations of Rs. 5272 lakhs in the financial year ended 31st March, 2023 which is almost twice of previous year. Taking the challenges head on, your Company has emerged stronger, more focused and customer-centric. The Company aims to reach even better numbers and attain new heights every year and has been making continuous efforts towards the achievement of that goal. I expect 2023-24 to be even more exciting and challenging for the hospitality industry, but as an organisation we are well poised to take this on with great enthusiasm and focus.

Together we have achieved much during the past year, in the face of formidable challenges. The coming year is set to be as challenging, but as we look to important milestones in our journey. We remain optimistic and bestow our trust on our shareholders, customers and other ecosystem stakeholders and likewise express our gratitude towards them for placing valuable their trust on us. Before closing, I would like to express my sincere thanks to our Board Members for their continued support. And most importantly, a note of thanks to the team members and colleagues- who are our key driving force and biggest assets, for their passion towards the continued stability and growth of the Company.

I thank you for your continuing interest, commitment and support to Graviss Hospitality Limited.

Best Regards,

Romil Ratra

Management Discussion and Analysis Report

Economic Environment – An Overview

Global Economy:

After a tumultuous couple of years, 2023 is finally granting some reprieve and normality across many industries, hospitality being one of them. The world is slowly returning to familiar paths, and organisations are finally able to focus on what they do best once again.

The hospitality sector was one of the most impacted areas during the Covid-19 pandemic because of restrictions on travel, halting their entire businesses and on-going trends. Now that things have started moving forward however, these dynamic developments will start appearing in full force soon enough. Some of the key influencers on travel and tourism in recent years have been globalization, digitalization, sustainability, and the coronavirus (COVID-19) pandemic. Ease of mobility, increased awareness of new destinations, and the internet as a source of information and commerce have caused this market to grow exponentially. After being hit hard by the health crisis, the travel and tourism industries are now gradually recovering. When it comes to the future of this market, increased mobile usage in travel, implementation of new technologies, and a less marked difference between business and leisure trips are all examples of changing consumer interests in the post-pandemic world.

The baseline forecast is for growth to fall from 3.4 percent in 2022 to 2.8 percent in 2023, before settling at 3.0 percent in 2024. Advanced economies are expected to see an especially pronounced growth slowdown, from 2.7 percent in 2022 to 1.3 percent in 2023. In a plausible alternative scenario with further financial sector stress, global growth declines to about 2.5 percent in 2023 with advanced economy growth falling below 1 percent. Global headline inflation in the baseline is set to fall from 8.7 percent in 2022 to 7.0 percent in 2023 on the back of lower commodity prices but underlying (core) inflation is likely to decline more slowly. Inflation's return to target is unlikely before 2025 in most cases. (Source: World Economic Outlook)

The global economic outlook is skewed to the downside. Global growth is set to lose momentum as monetary policy actions tighten financial conditions and as consumer confidence weakens with the rising cost of livelihood. Inflation remains elevated and persistent across countries as they grapple with food and energy price shocks and shortages. More recently, however, there are some signs of moderation in price pressures, which have raised expectations of an easing in the pace of monetary tightening. Alongside easing in sovereign bond yields, the US dollar has come off its highs. Capital flows to emerging market economies (EMEs) remain volatile and global spillovers pose risks to growth prospects. (Source: RBI Bulletin - Monetary Policy Statement-2022-23)

The travel and tourism industry was worth \$ 10 trillion globally in 2019, as per World Travel and Tourism Council ("WTTC"). At the end of the year 2023 it is estimated to get back to about \$ 9.2 to 9.3 trillion. This is majorly because the world after the pandemic has opened in stages. China, which represents 15% of all travel and tourism visitor spends globally, has just opened at the beginning of this year. (Source: World Travel and Tourism Council).

According to the S&P Global Sector Purchasing Managers' Index, the Tourism and Recreation sector led a pick-up in global business activity amongst all sectors recording its sharpest pace since May, 2022. (Source: S&P Global Sector PMI April 2023)

Indian Economy:

India's growth continues to be resilient despite some signs of moderation in growth. It is worth noting that although significant challenges remain in the global environment, India was one of the fastest growing economies in the world. The overall growth remains robust and is estimated to be 6.9 percent for the full year with real GDP growing 7.7 percent year-on-year during the first three quarters of fiscal year 2022-23. There were some signs of moderation in the second half of FY 2022-23. Growth was underpinned by strong investment activity bolstered by the government's capex push and buoyant private consumption, particularly among higher income earners. Inflation remained high, averaging around 6.7 percent in FY 2022-23 but the current-account deficit narrowed in quarter three on the back of strong growth in service exports and easing global commodity prices.

The World Bank has revised its FY 2023-24 GDP forecast to 6.3 percent from 6.6 percent in December 2022. Growth is expected to be constrained by slower consumption growth and challenging external conditions. Rising borrowing costs and slower income growth will weigh on private consumption growth, and government consumption is projected to grow at a slower pace due to the withdrawal of pandemic-related fiscal support measures. Although headline inflation is elevated, it is projected to decline to an average of 5.2 percent in

FY 2023-24, amid easing global commodity prices and some moderation in domestic demand. The Reserve Bank of India has withdrawn accommodative measures to rein in inflation by hiking the policy interest rate. India's financial sector also remains strong, buoyed by improvements in asset quality and robust private-sector credit growth. (Source: India Development Update by the World Bank)

In a survey by Mobility Market Insights about Travel and Tourism in India the following findings were published:

- Revenue in the Hotels segment is projected to reach ₹0.62 trillion in 2023.
- Revenue is expected to show an annual growth rate (CAGR 2023-2027) of 10.62%, resulting in a projected market volume of ₹0.92 trillion by 2027.
- In the Hotels segment, the number of users is expected to amount to 61.33 million users by 2027.
- User penetration is 3.0% in 2023 and is expected to hit 4.0% by 2027.
- The average revenue per user (ARPU) is expected to amount to ₹13.38 thousand.
- In the Hotels segment, 59% of total revenue will be generated through online sales by 2027.
- In global comparison, most revenue will be generated in the United States (₹8,532 billion in 2023).

Outlook:

Notable increases in international tourism receipts have been recorded across most destinations, in several cases higher than their growth in arrivals. This has been supported by the increase in average spending per trip due to longer periods of stay, the willingness by travellers to spend more in their destinations and higher travel costs due to inflation. However, major risks threatening the ongoing recovery of tourism in 2023 remain economic, health and geopolitical risks. Prime among these are high inflation and interest rates, spike in oil and food prices, higher transport and accommodation costs, fear of a global recession, intermittent COVID-19 virus recurrences and the Russian aggression against Ukraine causing unrest through Europe. UNWTO's scenarios expect international tourist arrivals to reach 80% to 95% of pre-pandemic levels in 2023 (Source: UNWTO, Barometer January 2023).

The outlook however for the Indian hospitality industry during 2023 remains positive. The upsides working in favour of the hospitality industry in India are good macro- economic environment evidenced by a positive GDP growth, superior performance by the services sector of the Indian economy, abating COVID-19 fears, continuing infrastructure development projects within the country, growth in air and railway passenger traffic and growth in demand for branded rooms outpacing a tepid growth in supply of those rooms to provide long-term sustainable demand. The industry has learnt to work with volatility and adopt leaner cost structures thus contributing to higher profitability. Balance Sheets of large corporates have also strengthened over the past few years.

Indian Hospitality and Tourism Industry:

The start of 2023 has been promising, and the Indian hospitality industry's outlook remains positive. Domestic demand will remain strong, and international travel will increase, despite the threat of a recession in the United States and Europe, growing global geopolitical issues, and an increase in Covid-19 cases in some countries. Furthermore, India's G20 presidency and the fact that India is hosting a number of international events, including the ICC Men's World Cup, will increase demand for hotels in the cities where these events will be held.

In their new report titled, 'India Hospitality Industry Overview 2022' hospitality research firm HVS ANAROCK, Mandeep Singh Lamba President (South Asia) says "We expect India-wide occupancy to improve to 66 per cent in 2023, which coupled with a 16-17 per cent increase in ARR will push revenue per available room ("RevPAR") to 4,690 during the year, almost 18 per cent higher than the pre-pandemic RevPAR recorded in 2019,"

In the tourism sector, the hotel occupancy rate was at 63 per cent in March 2023 compared to the post-pandemic record high of 71 per cent in February 2023. Despite a sequential fall, the average room rate (ARR) grew 40 per cent year on year ("y-o-y") in March, leading to a growth in RevPAR by 44 per cent y-o-y.

In 2022, the contribution of India's travel and tourism sector to India's economy was worth Rs 15.7 trillion. By the end of this year, it would be worth Rs 16.5 trillion. "The forecast for the next ten years is worth an enormous almost Rs 37 trillion. This is what we expect India on

62ND ANNUAL REPORT

its current trajectory to achieve," said Julia Simpson, president and CEO of World Travel and Tourism Council in an interview with the Economic Times. In 2022, there were 37.2 million people employed in the travel and tourism sector in India. By the end of this year, it is expected to increase to 39 million people to be employed in this sector. In 2022, domestic visitor spends in India were estimated at worth Rs 12.3 trillion while international visitor spends were Rs 1.6 trillion. This year international spending is going to be up to Rs 2 trillion while domestic spends are estimated at Rs 12.6 trillion. (Source: World Travel and Tourism Council)

*The Indian Government has taken several steps to make India a global tourism hub. Some of the major initiatives planned by the Government of India to boost the tourism and hospitality sector of India are as follows:

- Under Budget 2023-24, the Government has allocated US\$ 30.25 million for the development of tourist circuits under PRASHAD. Since its launch in January 2015, the Ministry has sanctioned 37 projects in 24 states with estimated expenditure of US\$ 146.4 million and a cumulative amount of US\$ 91.6 million crore has been released for these projects. 68 destinations/sites have been identified in 30 States/UTs for development under the PRASHAD Scheme as on March 31, 2022.
- Under the Union Budget 2023-24, an outlay of US\$ 170.85 million has been allocated for the Swadesh Darshan Scheme to develop a complete package of 50 tourist destinations for providing a wholesome tourism experience by facilitating physical, digital and virtual connectivity, availability of tourist guides and tourist security.

Internal Control Systems and their Adequacy:

The Company has institutionalised an adequate system of internal controls, with documented procedures covering all corporate functions and hotel operating units. Internal controls provide reasonable assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, the reliability of financial controls, and compliance with applicable laws and regulations.

The audit committee of the Board regularly reviews the internal audit reports and the adequacy and effectiveness of internal controls.

Discussion on Financial Performance with Respect to Operational Performance:

During the financial year 2022-23, the Company has continued to recover at a steady pace from the losses incurred during the Covid-19 pandemic and the same has been reflected in the current year's revenue, cashflows and profitability. There has been an almost 83% increase in the revenue during the year as compared to the previous year. The Company has earned a net profit after tax of Rs. 727 lacs as against net loss of Rs. 198 lacs in the previous year.

Material Developments in Human Resources / Industrial Relations Front, including Number of People Employed:

Hiring and training the right talent with a focus on up-skilling and re-skilling remains a key imperative for the company, with employee well-being and engagement continuing to remain critical to empower the distributed workforce. The Company currently employs approximately 101 people.

There have been no material developments in the Human Resources / Industrial Relations Front during the year under review.

Details of Significant Changes in Key Financial Ratios:

1. Current Ratio: During the year 2021-22 the current ratio was 0.55 which has increased 165.24 times to 1.45 in the year 2022-23 due to increase in current investments from increased revenue and improved collections.

4. Trade Receivables turnover ratio: During the year 2021-22 the Trade Receivables turnover ratio was 11.23 which has decreased 14.33 times to 9.62 in the year 2022-23.

GRAVISS HOSPITALITY LIMITED

5. Net Profit Ratio: During the year 2021-22 the Net Profit Ratio was (6.89) which has increased by 300.19 % to 13.79 in the year 2022-23, the significant improvement has been due to increased turnover and profitability of the Company.
6. Return on capital employed: During the year 2021-22 the Return on capital employed was (0.68) which has increased by 751.35% to 4.41 in the year 2022-23, the improvement has been due to increase in the profitability of the Company.
7. Return on Investment: During the year 2021-22 the Return on Investment was 15.92 which has decreased by 67.82 % to 5.12 in the year 2022-23, the substantial variation is on account of profit on sale of subsidiary in the previous financial year. Further, during the year, the current investments have also increased substantially.

62ND ANNUAL REPORT

Directors' Report

To,
The Members of Graviss Hospitality Limited

Dear Shareholders,

Your Directors have pleasure in presenting the Sixty Second Annual Report of the Company together with the Audited Standalone and Consolidated Financial Statements for the Financial Year ended 31st March, 2023.

FINANCIAL RESULTS

The performance of the Company for the financial year ended 31st March, 2023 is summarized below:

(₹ in Lacs)

Particulars	Standalone		Consolidated	
	2022-2023	2021-2022	2022-2023	2021-2022

Tax expense/(credit)	186	(6)	202	(6)
Profit/(Loss) before exceptional items and tax	727	(198)	595	(650)

OVERVIEW OF OPERATIONAL VIS-À-VIS FINANCIAL PERFORMANCE

On a standalone basis, the total revenue was Rs. 5,272 lacs which was almost 83% higher than the previous year's total revenue Rs. 2,877 lacs caused by the lifting of Covid-19 related restrictions on travel resulting in the surge of tourism in the newly freed, post-pandemic world. The revival of the nation's economy and the travel and tourism industry restarting at the momentous pace has resulted in overall better numbers than that of the previous year. Consequently, the net profit after tax stood at Rs. 727 lacs as against loss of Rs. 198 lacs in the previous year.

On a consolidated basis, the Total Income for FY 2022-23 was Rs. 6,546 lacs, which is an almost 35% increase from the previous year's Total Income of Rs. 4,833 lacs. The Company has earned a profit after tax of Rs. 595 lacs as against a post-tax loss of Rs. 650 lacs during FY 2021-22 which is an encouraging sign regarding the future growth of the Company.

GRAVISS HOSPITALITY LIMITED

Independent Auditors' Report

To,
The Members of Graviss Hospitality Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Graviss Hospitality Limited ("the Company"), which comprise the balance Sheet as at 31st March 2023, the statement of Profit and Loss (including Other Comprehensive Income), the statement of Changes in Equity and the statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Response to Key Audit Matter
<p>Investments in Subsidiaries</p> <p>The Company has investment in equity shares of two of its subsidiaries and has also granted interest free loans to these two subsidiaries. Investments in subsidiaries are valued at cost adjusted for impairment losses. In line with "Ind AS 36 Impairment of assets", in case there is an indication of possible impairment, the Company carries out an impairment test by comparing the recoverable amount of the investments - determined according to the value in use method - and their carrying amount.</p> <p>We considered the impairment test of investments in subsidiaries as a key audit matter for our audit.</p>	<p>With reference to this key audit matter, we examined the assessment of the management that having regard to long term interest of the Company one of the subsidiaries will be able to get regular orders of decoration and earn sufficient margin to meet the fixed costs and that in the case of another subsidiary, the market value of the lands acquired would be more than the original cost and hence there is no diminution in the value of investment and recoverability of loan.</p> <p>Accordingly, we considered the assessment of the management to be appropriate.</p>

62ND ANNUAL REPORT

Emphasis of Matter

Without qualifying our opinion, attention of the members is drawn to Note 50 & 51 to the standalone financial statement, in view of the matter stated therein relating to the accumulated losses of two subsidiaries as at 31st March, 2023, keeping in mind the factors stated in the Note, there is no diminution in the value of investments in the subsidiaries and the loans given to the subsidiaries are considered good of recovery.

Our opinion is not modified in respect of the above matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders Information but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and

GRAVISS HOSPITALITY LIMITED

appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

62ND ANNUAL REPORT

Annexure A to Auditor's Report

Annexure "A" to the Independent Auditor's Report of even date on the Financial Statements of GRAVISS HOSPITALITY LIMITED for the year ended 31st March, 2023

(Referred to in paragraph 1 under the section "Report on Other Legal and Regulatory Requirements" section of our report of even date).

With reference to the annexure referred to in the Independent Auditors' Report to the members of company on the standalone Financial Statements for the year ended March 31, 2023, we report the following,

- i. (a) (A) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company as at the balance sheet date.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) According to information and explanations given to us and on the basis of our examination of the records of the Company, the company has obtained Overdraft facility from bank against security of current assets. However, as per the terms of the sanction of facility, no quarterly return or statement of current assets is required to be filed by the company with banks.
- iii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. Accordingly, the reporting under clause 3(iii)(a) of the Order is not applicable to the company.
- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the investments made are, prima facie, not prejudicial to the interest of the Company. Further, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans to companies, firms, limited liability partnerships or any other parties. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given in earlier years, the repayment of principal and payment of interest has been stipulated; however, these were not due during the year.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.

GRAVISS HOSPITALITY LIMITED

- iv. The company has not granted any loans, guarantees or security and has not made investments to which the provisions of section 185 and 186 of the Companies Act, 2013 apply.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- vi. According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the Company. Accordingly, clause 3(vi) of the Order is not applicable.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records maintained by the company, the company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, wealth tax, goods and service tax, custom duty, excise duty, cess and other statutory dues where applicable.

According to the information and explanations given to us, no undisputed amounts in respect of the aforesaid statutory dues were in arrears, as at 31st March, 2023, for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income Tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

Name of Statue	Nature of Dues	Amount (Rs. In Lakhs)	Period to which it relates	Forum where dispute is pending
DVAT Act	VAT	48.69	2010-11	High Court

- viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have any transaction not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessment under the Income Tax Act, 1961.
- ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds are raised on short-term basis. Accordingly, the reporting under 3(ix)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us and based on the audit procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- x. (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and the records of the company examined by us, the company has not made any private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and therefore, provision of clause 3(x)(b) of the Order are not applicable to the company.
- xi. (a) Based on examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company.

62ND ANNUAL REPORT

- xii. According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) Based on information and explanations provided to us and in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
(b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act, are not applicable to the Company.
- xvi. (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
(b) According to the information and explanations given to us and the records of the Company examined by us, the company has not conducted any Non-Banking Financial or Housing Finance activities. Therefore, the provisions of Clause 3(xvi)(b) of the Order are not applicable to the Company.
(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

GRAVISS HOSPITALITY LIMITED

Annexure B

Annexure “B” to the Independent Auditor’s Report of even date on the Financial Statements of GRAVISS HOSPITALITY LIMITED for the year ended 31st March, 2023

Report on the Internal Financial Controls with reference to the aforesaid Standalone Financial Statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Graviss Hospitality Limited as of March 31st, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

62ND ANNUAL REPORT

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the company as, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31,2023, based on the internal financial controls over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note of audit of internal financials controls over financing report issued by the Institute of Chartered Accountants of India ("The Guidance Note").

GRAVISS HOSPITALITY LIMITED

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

NOTE NO 1

Company Overview

GRAVISS HOSPITALITY LIMITED was incorporated in 1959. The Registered Office of the Company is located at Satara. Its shares are listed in Bombay Stock Exchange (BSE). It is engaged in the hospitality business having one hotel in the name of Inter-Continental at Marine Drive Mumbai.

NOTE NO. 2

Basis for preparation:

The Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (Act) read with Rule 4A of Companies (Accounts) Second Amendment Rules, 2015, Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder. The Financial Statements have been prepared under historical cost convention basis except for derivative financial instruments, certain financial assets and financial liabilities which have been measured at fair value.

The Company's presentation and functional currency is Indian Rupees and all values are rounded off to the nearest lacs (INR 00,000), except when otherwise indicated.

The Financial Statements were authorized for issue in accordance with a resolution of the directors on 16-05-2023.

NOTE NO. 3

Use of Judgement, Assumptions and Estimates

The preparation of the Company's financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit & Loss in the period in which the estimates are revised and in any future periods affected.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- a) Financial instruments
- b) Useful lives of property, plant & equipment
- c) Valuation of inventories
- d) Measurement of recoverable amounts of assets / cash-generating units
- e) Assets and obligations relating to employee benefits
- f) Evaluation of recoverability of deferred tax assets; and
- g) Provisions and Contingencies.

NOTE NO. 4

SIGNIFICANT ACCOUNTING POLICIES

A. Property, plant & equipment

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment loss, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- e) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds if any and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.
- f) Direct expenses incurred during construction period on capital projects are capitalised.

B Right of use asset

The company had leasehold land which is a finance lease. The carrying amount representing the fair value (revalued before the date of transition to Ind AS) of the leased land, was recognized under Right-of-Use asset and was treated as deemed cost on adoption of Ind AS. The Right-of-Use assets are stated at cost, less accumulated depreciation and accumulated impairment loss, if any. During the F.Y. 2021-22, the Company has converted its leasehold land at Marine Drive, Mumbai to Occupancy Class - I land (Freehold Land) by making payment of conversion premium of Rs.28.17 crores.

62ND ANNUAL REPORT

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

C Depreciation

- a) Depreciation on property, plant and equipment is provided on the straight line basis, over the useful lives of assets (after retaining the residual value of up to 5%). The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act except in case of following assets which are depreciated over their useful life as determined by a Chartered Engineer and Valuer.

Asset Description	Useful Life (Years)
Building	30
Air-conditioning plant, cooking machinery, security and fire fighting equipments	15
Furniture & Fixtures including interior design	8

- b) Residual value of building and vehicles is estimated at 5% of the original cost and at nil value for all other assets.
- c) Items of property, plant and equipment costing not more than Rs.5,000 each are depreciated at 100 percent in the year in which they are capitalised.
- d) Expenditure on major repairs and overhauls which qualify for recognition in the item of Property, Plant and Equipment and which result in additional useful life, is depreciated over the extended useful life of the asset as determined by technical evaluation.
- e) Depreciation is charged on additions / deletions on pro-rata monthly basis including the month of addition / deletion.
- f) Leasehold Land is amortised over the lease term.
- g) Freehold Land is not depreciated.

D Accounting for Leases

The Company as a Lessee

On Inception of a Contract, the Company (as a lessee) assesses whether a contract contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. The lease term includes periods subject to extension options which the Company is reasonably certain to exercise and excludes the effect of early termination options where the Company is not reasonably certain that it will exercise the option. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives received. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying assets useful life. The Company applies Ind AS – 36 to determine whether a Right-of-Use asset is impaired and accounts for any identified impairment loss.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates that the Company would have to pay to borrow funds. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Lease liabilities and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

GRAVISS HOSPITALITY LIMITED

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

E Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location, including appropriate overheads apportioned on a reasonable and consistent basis and is determined on the following basis:

- a Food and Beverages on weighted average basis.
- b Stores and other operating supplies on weighted average basis.

Obsolete, slow moving, surplus and defective stocks are identified and where necessary, provision is made for such stocks.

F Revenue Recognition

Sale of goods: Revenue from the sale of goods is recognised when the performance obligation is satisfied by transferring the related goods to the customer. The performance obligation is considered to be satisfied when the customer obtains control of the goods.

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable (after including fair value allocations related to arrangements involving more than one performance obligation), net of returns, taxes or duties collected on behalf of the Government and applicable trade discounts or rebates.

Interest income is recognised using Effective Interest Rate (EIR) method.

Dividend income is recognized when the right to receive payment is established.

G Employee Benefits

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit & Loss for the year/period in which the related services are rendered.

The Company's post-employment benefit consists of provident fund and gratuity. The Company also provides for leave encashment which is in the nature of long term benefit.

Company's contributions to provident fund which is a defined contribution plan, are recognised as an expense in the Statement of Profit & Loss for the year/period in which the services are rendered. The Company's contribution to the Provident Fund is remitted to government provident fund authority based on a fixed percentage of the eligible employee's salary and charged to Statement of Profit and Loss.

The Company operates defined benefit plan for Gratuity and Leave Encashment. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognised in other comprehensive income for gratuity and leave encashment.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- a The date of the plan amendment or curtailment, and
- b The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- a Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- b Net interest expense or income

H Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets till the month in which the asset is ready for use. All other borrowing costs are charged to the Statement of Profit & Loss.

I Foreign Currency Transactions

Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit & Loss.

62ND ANNUAL REPORT

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

Non – Monetary items:

Non-monetary items that are measured in terms of historical cost are recorded at the exchange rates at the dates of the initial transactions.

J Provisions, Contingent Liabilities and Contingent assets

- a) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expenses relating to a provision are recognised in the Statement of Profit & Loss net of any reimbursement.
- b) If the effect of time value of money is material, provisions are shown at present value of expenditure expected to be required to settle the obligation, by discounting using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c) Contingent liabilities are possible obligations arising from past events and whose existence will only be confirmed by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- d) Contingent Assets are not recognised but reviewed at each balance sheet date and disclosure is made in the Notes in respect of possible effects that arise from past events and whose existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company and where inflow of economic benefit is probable.

K Fair Value measurement

- a) The Company measures financial instruments at fair value at each balance sheet date.
- b) Fair value is the price that would be received on selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date.
- c) While measuring the fair value of an asset or liability, the Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value using observable market data as far as possible and minimising the use of unobservable inputs. Fair values are categorised into 3 levels as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices that are observable for the assets or liability, either directly (i.e. as prices for similar item) or indirectly (i.e. derived from prices)

Level 3: inputs that are not based on observable market data (unobservable inputs)

L Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in the following categories

Financial Assets at amortised cost

Financial assets at fair value through profit or loss (FVTPL)

Financial Assets at amortised cost

A financial assets is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows,
- and
- b) Contractual terms of the asset give rise on specified dates to cash flows, if any, that are solely payments of principal and interest, if applicable (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Financial assets which are considered as receivable on demand at any time, are not discounted on initial recognition and on subsequent measurement.

GRAVISS HOSPITALITY LIMITED

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

Financial assets at FVTPL

Any financial asset, which does not meet the criteria for categorization as at amortized cost is classified as at FVTPL.

Equity investments in subsidiaries

Investment in subsidiaries are accounted for at cost in standalone financial statements.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the balance sheet) when:

- a) rights to receive cash flows from the asset have expired, or
- b) The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement? and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Financial liabilities

Initial recognition and measurement.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings.

Subsequent measurement

Financial liabilities are measured subsequently at fair value through profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method.

Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

Financial liabilities which are considered as repayable on demand at any time, are not discounted on initial recognition and on subsequent measurement.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

M Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current if they are expected to be realised / settled within twelve months after the reporting period. All other assets and liabilities are considered as non-current.

62ND ANNUAL REPORT

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

N Impairment

Financial Assets

Loss allowance for expected credit losses is recognised for financial assets. The Company recognises life time expected credit losses for all trade receivables that do not constitute a financing transaction. For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition.

Non-financial Assets

At each Balance Sheet date, an assessment is made of whether there is any indication of impairment. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of the asset's or Cash-Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

O Taxes on Income

Current Tax

Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Deferred tax

Deferred tax (both assets and liabilities) is calculated using the balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The amount of deferred tax assets is reviewed at each reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current tax and Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit & Loss, other comprehensive income or directly in equity.

P Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, adjusted for the effect of all dilutive potential equity shares.

Q Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheques and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

R Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

S Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is treated as deferred income and released to the statement of profit and loss over the expected useful lives of the assets concerned.

Deferred Tax Asset on unabsorbed depreciation, unabsorbed business losses and other temporary differences available as per the Income Tax Act, 1961 has been recognized, since it is probable that taxable profit will be available to adjust them in the future years. Unabsorbed depreciation which forms major portion of the Deferred Tax Asset can be carried forward and set off against the profits for unlimited number of years under the Indian Income Tax Act, 1961 and profitability projections based on current margins show sufficient profits for set-off in future.

Reconciliation of effective tax rate as a numerical reconciliation between tax expense and the product of account profit multiplied by the applicable tax rate.

GRAVISS HOSPITALITY LIMITED

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

49. Hospitality business is the Company's only business segment and hence disclosure of segment-wise information is not applicable under Ind AS 108 – Operating Segments.
50. The Company has an investment in the equity shares of Graviss Catering Private Limited, a subsidiary, with a share capital of Rs. 7.65 lacs and has also granted interest free loans to the said subsidiary of Rs. 351.66 lacs. The accumulated losses of the said subsidiary exceed its net worth. In the opinion of the management, having regard to the long term interest of the Company in the said subsidiary and considering that the subsidiary will be able to get regular orders of decoration and earn sufficient margin to meet the fixed costs, there is no diminution in the value of investments and the Company is also hopeful of recovering the loan.
51. The Company has an investment in the equity shares of Graviss Hotels and Resorts Limited, a subsidiary, with a share capital of Rs. 5.00 lacs and also has granted interest free loan to the said subsidiary of Rs. 2,817.07 lacs. The accumulated losses of the said subsidiary exceed its net worth. The said subsidiary had purchased lands at various places for developing hotels. Due to change in the business plans, the subsidiary is exploring to sell these lands alongwith the buildings constructed so far. In the assessment of the management, the market value of the lands acquired would be more than the original cost and hence there is no diminution in the value of investment and company is also hopeful of recovering the loan.
52. In the opinion of the management there are no indications that the assets of the company may be impaired as on the balance sheet date.

(b) Measurement of fair values:

The following tables shows the valuation techniques used in measuring Level 2 fair values:

Type	Valuation technique
Fixed Rate Borrowings	Discounted cash flows: The valuation model considers the present value of expected payment discounted using appropriate discounting rates.

Financial risk management

The Company has exposure to the Credit risk, Liquidity risk and Market risk arising from financial instruments.

Risk Management Framework: The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established the Risk Management Committee (RMC), which is responsible for developing and monitoring the Company's risk management policies.

62ND ANNUAL REPORT

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits to control / monitor risks and adherence to limit. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Audit Committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to risks faced by the Company. The Audit Committee is assisted by internal audit. Internal audit undertakes reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is approved by the Board of Directors.

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables.

Trade receivables: The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The following table provides information about the exposure to credit risk and measurement of loss allowance using Life time expected credit loss for trade receivables:

Cash and cash equivalents:

The Company held cash and cash equivalents of Rs.169.66 lacs as at 31 March 2023 (31 March 2022 – Rs.71.99 lacs). The cash and cash equivalents are held with reputed banks.

Liquidity Risk:

Liquidity risk refers to the risk that the Company cannot meet its financial obligations on time. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Management is responsible for liquidity funding as well as settlement management. In addition, processes and policies related to such risks are overseen by management.

The following table shows a maturity analysis of the anticipated cash flows for the Company's non-derivative financial liabilities on an undiscounted basis, which therefore differ from both carrying value and fair value.

GRAVISS HOSPITALITY LIMITED

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

Market Risk:

Market risk is the risk that changes in market price such as foreign exchange rates, interest rates and commodity prices, will affect the Company's income or value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables, long term debt and commodity prices. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and commodity price risk.

Interest rate risk:

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through the Statement of profit and loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest rate risk:

Company's interest rate risk arises from variable rate borrowings. The interest rate profile of the Company's interest-bearing long term financial instruments is follows:

Particulars	31st March 2023 (Rs. in lacs)	31st March 2022 (Rs. in lacs)
Fixed-rate instruments		
Financial liabilities – measured at amortised cost	137.52	126.94
Variable-rate instruments		
Financial liabilities – measured at amortised cost	—	—
Total	137.52	126.94

Cash flow sensitivity analysis for variable-rate instruments: A reasonably possible decrease by 100 basis points in interest rates at the reporting date would have positive impact (before tax) by Rs Nil and Rs. Nil for the outstanding balances as on 31st March 2023 and 31st March 2022. Similarly, a reasonable possible increase by 100 basis points in interest would have negative impact (before tax) by same amounts.

Currency risk:

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee.

To the extent the exposures on purchases and borrowings are not economically headed by the foreign currency denominated receivables, the Company uses derivative instruments, like, foreign exchange forward contracts to mitigate the risk of changes in foreign currency exchange and principal only swap rates. Company does not use derivative financial instruments for trading or speculative purposes.

The Company evaluates exchanges rate exposure arising from foreign currency transactions and the Company follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposure.

Exposure to currency risk:

The currency profile of financial assets and financial liabilities as on 31st March 2023 and 31st March 2022 are as below:

	(Rs. in lacs)		
	Total	INR	USD

Exposure for liabilities (B)	794.67	794.67	—
Net exposure (B-A)	(2,395.89)	(2,395.89)	—

Sensitivity analysis:

A reasonably possible strengthening of the Indian Rupees against USD at March, 31 by Rs. NIL would have positive impact (before tax) by Rs. NIL and Rs. NIL for the net outstanding balance as on 31-03-2023 and 31-03-2022 respectively. Similarly a reasonably possible weakening of the Indian Rupee against USD would have a negative impact (before tax) by same amounts.

Capital Management

For the purpose of the Company's capital management, capital includes issued capital, convertible instruments and reserves. The primary objective of the Company's Capital Management is to maximise shareholder value. The company manages its capital structure and makes adjustments, if any, required in the light of the current economic environment and other business requirements.

NOTE '56' – LEASES:

(a) Right of Use Assets

The Company has leases for Building. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. The Company classifies its right-of-use assets in a consistent manner to its Property, plant and equipment.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company.

Set out below are the carrying amounts of right-of-use assets recognised and the movements during the period:

Particulars	As at 31st March 2023 (Rs. in lacs)	As at 31st March 2022 (Rs. in lacs)
	Opening Balance	—
Additions during the year	10.90	—
Depreciation charged during the year	—	—
Closing Balance	10.90	—

Depreciation on ROU Assets is recognized on a straight line basis which is included under Depreciation and other Amortization Expenses in Statement of Profit and Loss.

57. During the F.Y. 2021-22, the Company has converted its leasehold land at Marine Drive, Mumbai to Occupancy Class – I land (Freehold Land) by making payment of conversion premium of Rs.28.17 crores.
58. During the previous year ended 31st March, 2022, the Company has disposed off its holding in one of its wholly owned subsidiary, i.e., Hotel Kanakeshwar Private Limited for cash at fair value. Accordingly, Hotel Kanakeshwar Private Limited is no longer the subsidiary of the Company from 17.02.2022.
59. The date of implementation of the Code on Social Security, 2020 ('the Code') relating to employee benefits is yet to be notified by the Government and when implemented will impact the contributions by the Company towards benefits such as Provident Fund, Gratuity etc. The Company will assess the impact of the Code and give effect in the financial statements when the Code and Rules thereunder are notified.
60. **New Standards or other amendments Issued but not yet effective**
Ministry of Corporate Affairs (MCA), on March 31, 2023, through the Companies (Indian Accounting Standards (Ind AS)) Amendment Rules, 2023 amended certain existing Ind ASs with effect from April 01, 2023. Following are few key amendments:

Ind AS 1 – Presentation of Financial Statements & Ind AS 34 – Interim Financial Reporting:

Material accounting policy information (including focus on how an entity applied the requirements of Ind AS) shall be disclosed instead of significant accounting policies as part of financial statements.

Ind AS 107 – Financial Instruments: Disclosures:

Information about the measurement basis for financial instruments shall be disclosed as part of material accounting policy information.

Ind AS 8 – Accounting policies, changes in accounting estimate and errors:

Clarification on what constitutes an accounting estimate provided.

62ND ANNUAL REPORT

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS

Ind AS 12 – Income Taxes:

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences.

None of the amendments notified by MCA which are applicable from April 1, 2023 are expected to have any material impact on the financial statements of the Company.

61. Additional disclosure under the regulatory requirements:

GRAVISS HOSPITALITY LIMITED

Independent Auditors' Report

To,
The Members of Graviss Hospitality Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Graviss Hospitality Limited** ("the Parent"), and its subsidiaries, (the parent and its subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at 31st March 2023, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2023, and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not determined any key audit matters to be communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders Information but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

62ND ANNUAL REPORT

Management's Responsibility for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statement by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

GRAVISS HOSPITALITY LIMITED

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the group to express an opinion on consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statement of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on our audit and on the consideration of report of the subsidiary companies incorporated in India, as required in paragraph 3(xxi) of the Order, we report that there are no qualifications or adverse remarks in the CARO reports of the companies included in the consolidated financial statements.
2. (A) As required by Section 143(3) of the Act, based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Parent as on 31st March, 2023 taken on record by the Board of Directors of the Company and the reports of the statutory auditors

62ND ANNUAL REPORT

of its subsidiary companies incorporated in India, none of the directors of the Group companies is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors reports of the Parent and subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies.

(B) With respect to the other matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;

(C) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(a) The consolidated financial statements disclose the impact of pending litigation on its financial position as at 31st March, 2023 in its consolidated financial statements - Refer Note No.37 to the consolidated financial statements.

(b) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

(c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(d) (i) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its subsidiaries to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(ii) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been received by the Company or its subsidiaries from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d)(i) and (d)(ii) above contain any material mis-statement.

(e) No dividend has been declared or paid during the year by the company.

62ND ANNUAL REPORT

ANNEXURE “A”

To the Independent Auditor’s Report of even date on the Consolidated Financial Statements of GRAVISS HOSPITALITY LIMITED for the year ended 31st March, 2023

Report on the Internal Financial Controls with reference to the aforesaid Consolidated Financial Statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of Graviss Hospitality Limited (hereinafter referred to as “Parent”) and its subsidiary companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent, its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its subsidiary companies, which are incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Parent, its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on “the criteria for internal financial control over financial reporting established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

GRAVISS HOSPITALITY LIMITED

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

1. Group Overview:

The consolidated financial statements relate to Graviss Hospitality Limited and its subsidiary companies (referred collectively as the "Group") as at 31st March, 2023. Graviss Hospitality Limited was incorporated in 1959. The Registered Office of the Group is located at Satara. Its shares are listed in Bombay Stock Exchange (BSE). The Group and its subsidiaries are engaged in the hospitality business.

2. Basis for preparation, Principles of Consolidation:

The consolidated financial statements of Graviss Hospitality Limited and its subsidiary companies (referred collectively as the "Group") have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (Act) read with Rule 4A of Companies (Accounts) Second Amendment Rules, 2015, Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder. The consolidated financial statements have been prepared under historical cost convention basis except for certain financial assets and financial liabilities which have been measured at fair value.

The Financial Statements of the Group have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating the intra group balances and intra group transactions and unrealized profits or losses resulting from intra group transactions. The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Group's separate financial statements. The Financial Statements of the Subsidiary Companies used in the consolidation are drawn up to the same reporting date as that of the Group, i.e 31st March, 2023.

The Group's presentation and functional currency is Indian Rupees (?) and all values are rounded off to the nearest lacs (INR 00,000), except when otherwise indicated.

The consolidated financial statements were authorized for issue in accordance with a resolution of the directors on 16-05-2023.

3. Companies included in Consolidation:

<u>Subsidiaries</u>	<u>Country of incorporation</u>	<u>% Holding</u>
Graviss Catering Private Limited	India	100
Graviss Hotels & Resorts Limited	India	100
Hotel Kankeshwar Private Limited (upto 17-02-2022)	India	100

4. Use of Judgement, Assumptions and Estimates:

The preparation of the Group's financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit & Loss in the period in which the estimates are revised and in any future periods affected.

In the assessment of the Group, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- Financial instruments;
- Useful lives of property, plant & equipment
- Valuation of inventories
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits
- Evaluation of recoverability of deferred tax assets; and
- Provisions and Contingencies.

62ND ANNUAL REPORT

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

5. SIGNIFICANT ACCOUNTING POLICIES

A. Property, plant & equipment

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment loss, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- e) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds if any and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.
- f) Direct expenses incurred during construction period on capital projects are capitalised.

B Right of Use Asset

The Holding Company had leasehold land which is a finance lease. The carrying amount representing the fair value (revalued before the date of transition to Ind AS) of the leased land, was recognized under Right-of-Use asset and was treated as deemed cost on adoption of Ind AS. The Right-of-Use assets are stated at cost, less accumulated depreciation and accumulated impairment loss, if any. During the F.Y. 2021-22, the Holding Company has converted its leasehold land at Marine Drive, Mumbai to Occupancy Class - I land (Freehold Land) by making payment of conversion premium of Rs.28.17 crores.

C Depreciation

- a) Depreciation on property, plant and equipment is provided on the straight line basis, over the useful lives of assets (after retaining the residual value of up to 5%). The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act except in case of following assets which are depreciated over their useful life as determined by a Chartered Engineer and Valuer:

<u>Asset Description</u>	<u>Useful Life (Years)</u>
Building	30
Air-conditioning plant, cooking machinery, security and fire fighting equipments	15
Furniture & Fixtures including interior design	8

- b) Residual value of building and vehicles is estimated at 5% of the original cost and at nil value for all other assets.
- c) Items of property, plant and equipment costing not more than Rs.5,000 each are depreciated at 100 percent in the year in which they are capitalised.
- d) Expenditure on major repairs and overhauls which qualify for recognition in the item of Property, Plant and Equipment and which result in additional useful life, is depreciated over the extended useful life of the asset as determined by technical evaluation.
- e) Depreciation is charged on additions / deletions on pro-rata monthly basis including the month of addition / deletion.
- f) Leasehold Land is amortised over the lease term.
- g) Freehold Land is not depreciated.

D Accounting for Leases

The Group as a Lessee

On Inception of a Contract, the Group (as a lessee) assesses whether a contract contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. The lease term includes periods subject to extension options which the Group is reasonably certain to exercise and excludes the effect of early termination options where the Group is not reasonably certain that it will exercise the option. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives received. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. If the Group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying assets useful life. The Group applies Ind AS – 36 to determine whether a Right-of-Use asset is impaired and accounts for any identified impairment loss.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates that the Group would have to pay to borrow funds. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Lease liabilities and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Group as a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

E Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location, including appropriate overheads apportioned on a reasonable and consistent basis and is determined on the following basis:

- a Food and Beverages on weighted average basis.
- b. Stores and other operating supplies on weighted average basis.

Obsolete, slow moving, surplus and defective stocks are identified and where necessary, provision is made for such stocks.

F Revenue Recognition

Sale of goods: Revenue from the sale of goods is recognised when the performance obligation is satisfied by transferring the related goods to the customer. The performance obligation is considered to be satisfied when the customer obtains control of the goods.

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable (after including fair value allocations related to arrangements involving more than one performance obligation), net of returns, taxes or duties collected on behalf of the Government and applicable trade discounts or rebates.

62ND ANNUAL REPORT

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Interest income is recognised using Effective Interest Rate (EIR) method.

Dividend income is recognized when the right to receive payment is established.

G Employee Benefits

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit & Loss for the year/period in which the related services are rendered.

The Group's post-employment benefit consists of provident fund and gratuity. The Group also provides for leave encashment which is in the nature of long term benefit.

Group's contributions to provident fund which is a defined contribution plan, are recognised as an expense in the Statement of Profit & Loss for the year/period in which the services are rendered. The Group's contribution to the Provident Fund is remitted to government provident fund authority based on a fixed percentage of the eligible employee's salary and charged to Statement of Profit and Loss.

The Group operates defined benefit plan for Gratuity and Leave Encashment. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognised in other comprehensive income for gratuity and leave encashment.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- a The date of the plan amendment or curtailment, and
- b The date that the Group recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- a Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- b Net interest expense or income

H Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets till the month in which the asset is ready for use. All other borrowing costs are charged to the Statement of Profit & Loss.

I Foreign Currency Transactions

Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit & Loss.

Non – Monetary items:

Non-monetary items that are measured in terms of historical cost are recorded at the exchange rates at the dates of the initial transactions.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

J Provisions, Contingent Liabilities and Contingent assets

- a) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expenses relating to a provision are recognised in the Statement of Profit & Loss net of any reimbursement.
- b) If the effect of time value of money is material, provisions are shown at present value of expenditure expected to be required to settle the obligation, by discounting using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c) Contingent liabilities are possible obligations arising from past events and whose existence will only be confirmed by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group, or present obligations where it is not probable that an outflow of resources will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- d) Contingent Assets are not recognised but reviewed at each balance sheet date and disclosure is made in the Notes in respect of possible effects that arise from past events and whose existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group and where inflow of economic benefit is probable.

K Fair Value measurement

- a) The Group measures financial instruments at fair value at each balance sheet date.
- b) Fair value is the price that would be received on selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Group has access at that date.
- c) While measuring the fair value of an asset or liability, the Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value using observable market data as far as possible and minimising the use of unobservable inputs. Fair values are categorised into 3 levels as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices that are observable for the assets or liability, either directly (i.e. as prices for similar item) or indirectly (i.e. derived from prices)

Level 3: inputs that are not based on observable market data (unobservable inputs)

L Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in the following categories

Financial Assets at amortised cost

Financial assets at fair value through profit or loss (FVTPL)

Financial Assets at amortised cost

A financial assets is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows,
and

62ND ANNUAL REPORT

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

- b) Contractual terms of the asset give rise on specified dates to cash flows, if any, that are solely payments of principal and interest, if applicable (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Financial assets which are considered as receivable on demand at any time, are not discounted on initial recognition and on subsequent measurement.

Financial assets at FVTPL

Any financial asset, which does not meet the criteria for categorization as at amortized cost is classified as at FVTPL.

Equity investments in subsidiaries

Investment in subsidiaries are accounted for at cost in standalone financial statements.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the balance sheet) when:

- a) Rights to receive cash flows from the asset have expired, or
- b) The group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement? and either (a) the group has transferred substantially all the risks and rewards of the asset, or (b) the group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the group continues to recognise the transferred asset to the extent of the group's continuing involvement. In that case, the group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the group could be required to repay.

Financial liabilities

Initial recognition and measurement.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables, loans and borrowings.

Subsequent measurement

Financial liabilities are measured subsequently at fair value through profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method.

Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

GRAVISS HOSPITALITY LIMITED

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Financial liabilities which are considered as repayable on demand at any time, are not discounted on initial recognition and on subsequent measurement.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

M Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current if they are expected to be realised / settled within twelve months after the reporting period. All other assets and liabilities are considered as non-current.

N Impairment

Financial Assets

Loss allowance for expected credit losses is recognised for financial assets. The Group recognises life time expected credit losses for all trade receivables that do not constitute a financing transaction. For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition.

Non-financial Assets

At each Balance Sheet date, an assessment is made of whether there is any indication of impairment. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of the asset's or Cash-Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

O Taxes on Income

Current Tax

Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Deferred tax

Deferred tax (both assets and liabilities) is calculated using the balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the

62ND ANNUAL REPORT

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The amount of deferred tax assets is reviewed at each reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current tax and Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit & Loss, other comprehensive income or directly in equity.

P Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, adjusted for the effect of all dilutive potential equity shares.

Q Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheques and draft on hand. The Group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

R Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

S Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is treated as deferred income and released to the statement of profit and loss over the expected useful lives of the assets concerned.

50. The accumulated losses of Graviss Catering Private Limited, a subsidiary, are more than the net worth. In the opinion of the management, having regard to the long term interest of the holding Company in the Company and considering that the Company will get regular orders of decoration and earns sufficient margin to meet the fixed costs which will enable the Company to recoup the losses incurred, the going concern assumptions are not affected.
51. The accumulated losses of Graviss Hotels and Resorts Limited, another subsidiary, are more than the net worth. The subsidiary had purchased lands at various places viz. Shirdi and Alibaug for construction of hotels. Due to change in business plans, the subsidiary is exploring to sell these lands. In assessment of the management, the market value of the lands alongwith buildings constructed so far is more than the book values and therefore the preparation of financial statements of the subsidiary (included in the preparation of the consolidated financial statements) on going concern basis is not affected.
52. In the opinion of the management, there are no indications that the assets of the group may be impaired as on the balance sheet date.
53. The Conveyance of the Agricultural lands at Alibaug and Shirdi which were purchased in 2007 for the beneficial interest of the Company in terms of the resolutions of the Board of Directors of the Company, are in the name of Mr Gaurav Ghai and Mr Ravi Ghai, the promoters of Graviss Hospitality Limited, the holding company.

GRAVISS HOSPITALITY LIMITED

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

Financial risk management

The Group has exposure to the Credit risk, Liquidity risk and Market risk arising from financial instruments.

Risk Management Framework: The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Board of Directors has established the Risk Management Committee (RMC), which is responsible for developing and monitoring the Group's risk management policies.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits to control / monitor risks and adherence to limit. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

The Audit Committee oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to risks faced by the Group. The Audit Committee is assisted by internal audit. Internal audit undertakes reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is approved by the Board of Directors.

Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables.

Trade receivables: The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The following table provides information about the exposure to credit risk and measurement of loss allowance using Life time expected credit loss for trade receivables:

Specific Provision	—	—	—	—	—	—
Carrying Amount	60.65	—	—	—	129.37	190.02

Cash and cash equivalents:

The Group held cash and cash equivalents of Rs 183.67 lacs as at 31st March, 2023 (31st March, 2022 - Rs. 203.80). The cash and cash equivalents are held with reputed banks.

Liquidity Risk:

Liquidity risk refers to the risk that the Company cannot meet its financial obligations on time. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Management is responsible for liquidity funding as well as settlement management. In addition, processes and policies related to such risks are overseen by management.

The following table shows a maturity analysis of the anticipated cash flows for the Company's non-derivative financial liabilities on an undiscounted basis, which therefore differ from both carrying value and fair value.

Other Financial Liabilities	380.01	380.01	—	—	380.01

Market Risk:

Market risk is the risk that changes in market price such as foreign exchange rates, interest rates and commodity prices, will affect the Group's income or value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables, long term debt and commodity prices. The Group is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and commodity price risk.

Interest rate risk:

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through the Statement of profit and loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to Interest rate risk:

Group's interest rate risk arises from borrowings. The interest rate profile of the Group's interest-bearing long term financial instruments is follows:

Particulars	31st March 2023 (Rs. in lacs)	31st March 2022 (Rs. in lacs)
Fixed-rate instruments		
Financial liabilities – measured at amortised cost	137.52	126.94
Variable-rate instruments		
Financial liabilities – measured at amortised cost	—	—
Total	137.52	126.94

Cash flow sensitivity analysis for variable-rate instruments: A reasonably possible decrease by 100 basis points in interest rates at the reporting date would have positive impact (before tax) by Rs Nil and Rs. Nil for the outstanding balances as on 31st March 2023 and 31st March 2022. Similarly a reasonable possible increase by 100 basis points in interest would have negative impact (before tax) by same amounts.

Currency risk:

The Group is exposed to currency risk on account of its operating and financing activities. The functional currency of the Group is Indian Rupee.

To the extent the exposures on purchases and borrowings are not economically headed by the foreign currency denominated receivables, the Group uses derivative instruments, like, foreign exchange forward contracts to mitigate the risk of changes in foreign currency exchange and principal only swap rates. Group does not use derivative financial instruments for trading or speculative purposes.

The Group evaluates exchanges rate exposure arising from foreign currency transactions and the Group follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposure.

Sensitivity analysis:

A reasonably possible strengthening of the Indian Rupees against USD at March, 31 by Rs. NIL would have positive impact (before tax) by Rs NIL and Rs NIL for the net outstanding balance as on 31-03-2023 and 31-03-2022 respectively. Similarly a reasonably possible weakening of the Indian Rupee against USD would have a negative impact (before tax) by same amounts.

Capital Management

For the purpose of the Company's capital management, capital includes issued capital, convertible instruments and reserves. The primary objective of the Group's Capital Management is to maximise shareholder value. The group manages its capital structure and makes adjustments, if any, required in the light of the current economic environment and other business requirements.

58 LEASES

(a) Right of Use Assets

The Group has leases for Building. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. The Group classifies its right-of-use assets in a consistent manner to its Property, plant and equipment.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company.

Set out below are the carrying amounts of right-of-use assets recognised and the movements during the period:

Particulars	31st March 2023 (Rs. in lacs)	31st March 2022 (Rs. in lacs)
Opening Balance	—	—
Additions during the year	10.90	—
Depreciation charged during the year	—	—
Closing Balance	10.90	—

Depreciation on ROU Assets is recognized on a straight line basis which is included under Depreciation and other Amortization Expenses in Statement of Profit and Loss.

(b) Lease Liability

Set out below are the carrying amounts of lease liabilities recognised and the movements during the period:

Particulars	31st March 2023 (Rs. in lacs)	31st March 2022 (Rs. in lacs)
Opening Balance	—	—
Additions during the year	10.51	—
Finance cost accrued during the period	—	—
Actual Payment of lease liabilities	—	—
Closing Balance	10.51	—

The table below provides details regarding the contractual maturities of lease liabilities on an undiscounted basis:

Particulars	31st March 2023 (Rs. in lacs)	31st March 2022 (Rs. in lacs)
Less than one year	3.84	—
One to five years	7.87	—
More than five Years	—	—
Total lease liabilities	11.71	—

62. **New Standards or other amendments Issued but not yet effective**

Ministry of Corporate Affairs (MCA), on March 31, 2023, through the Companies (Indian Accounting Standards (Ind AS)) Amendment Rules, 2023 amended certain existing Ind ASs with effect from April 01, 2023. Following are few key amendments:

Ind AS 1 – Presentation of Financial Statements & Ind AS 34 – Interim Financial Reporting:

Material accounting policy information (including focus on how an entity applied the requirements of Ind AS) shall be disclosed instead of significant accounting policies as part of financial statements.

Ind AS 107 – Financial Instruments: Disclosures:

Information about the measurement basis for financial instruments shall be disclosed as part of material accounting policy information.

Ind AS 8 – Accounting policies, changes in accounting estimate and errors:

Clarification on what constitutes an accounting estimate provided.

Ind AS 12 – Income Taxes:

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences.

None of the amendments notified by MCA which are applicable from April 1, 2023 are expected to have any material impact on the financial statements of the Group.
