- vi. There is a proper system to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

17. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY

COVID-19

The Company's business has been adversely impacted due to COVID-19 pandemic and subsequent steps taken by the Government to curtail the spread of the same. The Company had to shut down its operations and it has caused tremendous shortages and supply chain issues leading to revenue losses to the business.

Once lockdown was eased in India, operations remained very low initially due to subdued orders and labour shortages. Hence Company's sales and financials were adversely affected for the first quarter of 2020-21. Sales has now revived with some encouraging orders received from overseas customers in countries where lockdowns has been considerably eased. We expect the demand for all the products and services by the Company is expected to revive once the shut down restrictions are lifted and resumption of supply chain.

The Company believes the pandemic has not altered the fundamentals of the business significantly nor its viability. At the close of the accounting year on March 31, 2021 the Company had a balance sheet and a cash position. Efforts are being made continuously to conserve cash and improve collections and reschedule supplies and payments.

However the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from the estimated as at the date of approval of these financial results/statements. The Company will continue to monitor any material changes to future economic conditions.

There are some material changes and commitments which affecting the financial position of the Company due to lockdown and COVID 19 which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

18. INSTANCES OF FRAUD, IF ANY REPORTED BY THE AUDITORS

There have been no instances of fraud reported by the Auditors under Section 143(12) of the Companies Act, 2013.

19. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

As required under the Listing Regulation, Management Discussion and Analysis Report is presented in the separate section and forms an integral part of the Directors' Report.

20. PARTICULARS OF LOANS, GUARANTEES, OR INVESTMENTS

The details of Loans given, Investments made and guarantees given and securities provided under the Section 186 of the Companies Act, 2013 have been provided in the notes to the Financial Statements.

21. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

All contracts / arrangements / transactions entered by the Company during the financial year with related parties were in the ordinary course of business and on an arm's length basis. During the year, the Company had not entered into any contract / arrangement / transaction with related parties which could be considered material in accordance with the policy of the Company on materiality of related party transactions. Accordingly, the disclosure of Related Party Transactions as required under Section 134(3) of the Companies Act in Form AOC-2 is not applicable. Attention of the members is drawn to the disclosures of transactions with the related parties is set out in Notes to Accounts forming part of the financial statement.

22. PARTICULARS REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Your Company has not carried out any business activities warranting conservation of the energy and technology absorption in accordance with Section 134 (3) (m) of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014. Since the company is not engage in any manufacturing activity, issues relating to technology absorption are not quite relevant to its functioning. During the year under consideration the Company has spent/incurred foreign exchange equivalent to Rs. Nil. There is no foreign exchange earnings during the year.

23. RISKS MANAGEMENT AND AREA OF CONCERN

The Company has laid down a well-defined Risk Management Policy covering the risk mapping, trend analysis, risk exposure, potential impact and risk mitigation process. A detailed exercise is being carried out to identify, evaluate, manage and monitoring of both business and non- business risk. The Board periodically reviews the risks and suggests steps to be taken to control and mitigate the same through a properly defined framework.

Although, market conditions are likely to remain competitive, future success will depend upon offering improved products through technology innovation and productivity. The Company continues to invest in these areas.

The Company has the risk management and internal control framework in place commensurate with the size of the Company. However Company is trying to strengthen the same. The details of the risks faced by the Company and the mitigation thereof are discussed in detail in the Management Discussion and Analysis report that forms part of the Annual Report.

24. CORPORATE SOCIAL RESPONSIBILITY

The Company has not developed or implemented any CSR initiatives. The provisions contained in section 135 of the Companies Act, 2013, as well as the Companies (Corporate Social Responsibility Policy) Rules, 2014 are not applicable to your Company for the year under reference.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**1. INDUSTRY OVERVIEW:**

The real estate sector in India has come a long way by becoming one of the fastest growing markets in the world. It is not only successfully attracting domestic real estate developers, but foreign investors as well. The growth of the industry is attributed mainly to large population base, rising income level, and rapid urbanisation.

The sector comprises of four sub-sectors – housing, retail, hospitality and commercial. While housing contributes to five- six percent of the country's gross domestic product (GDP), the remaining three sub-sectors are also growing at a rapid pace, meeting the increasing infrastructural needs.

The real estate sector has transformed from being unorganised to a dynamic and organised sector over the past decade, Government policies have been instrumental in providing support after recognising the need for infrastructure development in order to ensure better standard of living for its citizens. In addition to this adequate infrastructure forms a prerequisite for sustaining the long term growth momentum of the economy.

The Indian real estate sector is one of the most globally recognised sectors. In the country, it is the second largest employer after agriculture and is slated to grow at 30 percent over the next decade. It comprises four sub sectors – housing, retail, hospitality and commercial. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations. The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

It is also expected that this sector will incur more non-resident Indian (NRI) investments in the near future, as a survey by an industry body has revealed a 35 percent surge in the number of enquiries with property dealers. Bengaluru is expected to be the most favoured property investment destination for NRIs, followed by Ahmedabad, Pune, Chennai, Goa, Delhi and Dehradun. Private Equity (PE) funding has picked up in the last one year due to attractive valuations. Furthermore, with the Government of India introducing newer policies helpful to real estate, this sector has garnered sufficient growth in recent times.

2. EFFECT OF COVID 19 ON THE ECONOMY

COVID-19 has infected more than 7.55 million people worldwide and has claimed over 5.72 lakh lives across the globe. With the World Health Organisation (WHO) declaring it a global health emergency and pandemic on March 11, 2020, the sentiments of businesses worldwide have been severely impacted and are mostly negative in their outlooks. The outbreak has created a great deal of uncertainty regarding trade and imports, not only in China but worldwide.

The Indian real estate sector has not been spared either. Moreover, with the lockdown in India spanning over two months, and no clarity regarding the resumption of international flights, traders would not be able to visit mainland China any time soon. This will have a bearing on the prices of steel and other articles used in the construction industry in India. Difficulties in procuring raw material would mean reduced construction activities of ongoing real estate projects in the coming months, even if all restrictions are fully lifted.

Despite an increase in the cost of construction and uncertainties around labour returning to metro cities from their hometowns post-lockdown, property prices are expected to see corrections, owing to marred buyer sentiment and panic selling by some homeowners in the resale market. New project launches are expected to get postponed till the festive month of October and it is highly unlikely that they will contribute enough to move average selling prices up in various cities.

The impact of the novel Coronavirus on Indian real estate has been unprecedented to an extent that it has brought construction activities to a halt and significantly eroded the market of its potential buyer-base. With property transactions dipping to near-zero during the nation-wide lockdown, the sector is looking at challenging times ahead. The interdependence of supply chains, migration of labourers, cost overruns, and liquidity constraints are some of the looming challenges. The COVID-19 crisis and its impact on Indian real estate is such that it is being considered as the third 'Black Swan' event for the realty sector in the last five years, the first two being Demonetisation and the implementation of the Real Estate (Regulation and Development) Act, 2016.

3. **REAL ESTATE MARKET:**

The real estate sector in India is being recognised as an infrastructure service that is driving the economic growth engine of the country. The Indian real estate market size is expected to touch US\$180 billion by 2020. Foreign direct investment (FDI) in the sector is expected to increase to US\$ 25 billion in the next 10 years, from present US\$ 4 billion.

According to Department of Industrial Policy and Promotion (DIPP), the construction development sector in India has received foreign direct investment (FDI) equity inflows to the tune of US\$ 23,874.1 million in the period April 2000-September 2014.

The Indian real estate market size is expected to touch US\$ 180 billion by 2020. The housing sector alone contributes 5-6 percent to the country's gross domestic product (GDP). Also, in the period FY 2008-2020, the market size of this sector is expected to increase at a compound annual growth rate (CAGR) of 11.2 percent. Retail, hospitality and commercial real estate are also growing significantly, providing the much needed infrastructure for India's growing needs.

Mumbai is the best city in India for commercial real estate investment, with returns of 12-19 percent likely in the next five years, followed by Bengaluru and Delhi National Capital Region (NCR). Also Delhi NCR was the biggest office market in India with 10 million sqft out of which 88 million sqft were occupied. Sectors such as IT and ITes, retail consulting and e-commerce have registered high demand for office space in recent times.

The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy. The industry's growth is linked to developments in the retail, hospitality and entertainment (hotels, resorts, cinema theatres) sectors, economic services (hospitals, schools) and information technology (IT) – enabled series (like call centres) etc., and vice versa.

The sector is divided into four sub-sectors:

- Housing
- Retail
- Hospitality
- Commercial

The housing subsector contributes five-six percent to the country's gross domestic product. Meanwhile, retail, hospitality and commercial real estate are also growing significantly catering to India's growing needs of infrastructure.

The Indian real estate market size is expected to touch US\$ 180 billion by 2021.

India is going to produce an estimated 2 million new graduates from various Indian universities during this year, creating demand for 100 million sqft of office and industrial space.

4. CHALLENGES:

The key challenges that the Indian real estate industry is facing today are:

- Lack of clear landtitles.
- Absence of title insurance
- Absence of industry status
- Lack of adequate sources offinance
- Shortage of labour
- Rising manpower and material costs
- Approvals and procedural difficulties

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Diggi Multitrade Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **DIGGI MULTITRADE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss, the Cash Flow Statement for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information. (hereinafter referred to as "financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2021, its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Management's assessment of impact of COVID-19

We draw attention to Note 20(viii) of the financial statements which describes the management's assessment of impact of COVID-19, a global pandemic, on the financial position/matters of the Company. Our opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure – B to the Independent Auditor's Report

(Referred to in paragraph 2(f) on Other Legal and Regulatory Requirements of our Report of even date to the members of Diggi Multitrade Limited on the Financial Statements for the year ended 31st March, 2021)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")

We have audited the internal financial controls over financial reporting of Diggi Multitrade Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statements for the year ended 31st March, 2021**Note 1 : SIGNIFICANT ACCOUNTING POLICIES****Corporate Information:**

Diggi Multitrade Limited (L65900MH2010PLC210471) (the Company) was incorporated under the provisions of the Companies Act, 1956 on 01 December, 2010 as a Private Limited Company namely "Diggi Securities Private Limited" with Registrar of Companies - Mumbai (ROC).

The Company vide resolutions dated 24 April 2014, resolved to change the name and the status of the Company from private limited to public limited company. The said resolutions were duly filed with ROC. Pursuant to the said approvals, the name of the Company was changed from "Diggi Securities Private Limited" to "Diggi Multitrade Limited" with effect from 05 June 2014.

The Company is engaged in the business of trading in fabrics, real estate viz. Flats, Land, Construction material and acquiring interest in various real estate projects.

Basis of Preparation of Financial Statements:

The financial statements of the Company have been prepared on accrual basis and under historical cost convention method and in accordance with Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified).

As per MCA notification dated 16th February 2015, the companies whose shares are listed on BSE SME Platform as referred to in Chapter XB of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2009 are exempted from the compulsory requirements of adoption of IND-AS. As the Company is covered under exempted category from the compulsory adoption of IND AS, it has not adopted IND AS for preparation of financial statements.

Use of Estimate:

The preparation of financial statements require management to make estimates and assumptions that affects the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities on the date of the financial statements and reported amount of revenue and expenses during the year. Actual results could differ from those estimates. Any revision in the accounting estimate are recognised prospectively in the current and future periods.

Property, Plant and Equipment:

Property, Plant and Equipment are recorded and stated at cost less accumulated depreciation and impairment losses, if any. The cost comprises of the purchase price and other costs directly attributable to bringing the assets to its working condition for its intended use.

Depreciation:

Depreciation on Property, Plant and Equipment has been provided on Written Down Value method over the useful life of asset as specified in Schedule II of the Companies Act, 2013. Depreciation on addition / deduction is computed on pro-rata basis.

Impairment of Property, Plant and Equipment:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value at interest rate specific to the asset and in case where the specific rate is not available at the weighted average cost of capital which is adjusted for country risk/currency risk.

g) Investments:

Investments have been classified as long-term investments in accordance with the Accounting Standard 13, as notified by the Companies (Accounting Standards) Rules, 2006 (as amended). Long term investments are carried at cost. Provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of the investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss. Dividends are accounted for when the right to receive the payment is established.

h) Inventories:

Inventories are carried at cost or net realizable value whichever is lower. Cost of inventories is generally ascertained on FIFO (First-In-First-Out) basis. The cost comprises of cost of purchase and other costs incurred in bringing the inventory to its present location and condition. Inventories of residential flats are valued at actual cost based on the information provided.

i) Revenue Recognition:

Revenue is recognized to the N it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured

Revenue from sale of goods is recognized when all significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods.

Revenue from sale of services is recognised when a reasonable certainty as to its realisation exists. Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest Income is included under the head "Other Income" in the Statement of Profit and Loss.

j) Taxes on Income:

Tax expense comprises Current and Deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with Income-tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences only to the extent that there is reasonable certainty exists that sufficient future taxable income will be available against which these can be realised.

k) Earnings Per Share:

The Company reports basic and diluted earnings per equity share in accordance with Accounting Standard 20, 'Earnings Per Share'. Basic earnings per equity share is computed by dividing net profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed by adjusting net profit or loss and using the weighted average number of equity shares outstanding during the year for dilution.

l) Employee Benefits:

The amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the period when the employee renders the service. Post-employment benefits such as gratuity have not been provided for as the Company employs less than 10 employees during the year.

m) Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities for the segment. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated corporate expenses/income.

n) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources of, or where reliable estimate cannot be made. Obligations are assessed on going concern basis and only those having a largely probable outflow of resources are provided for. Contingent liabilities, if any, are not provided for in the financial statements but are separately shown by way of note. Contingent assets are neither recognised nor disclosed in the financial statements.
