Dear Sir,

**Subject: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

The United States Food and Drug Administration (USFDA) conducted inspection at the Company's Goa formulation facility between July 22 to July 31, 2019.

The inspection was a routine GMP surveillance and Post Approval Inspection for our ANDAs submitted from this facility. At the end of Inspection, the facility received 4 observations, with no repeat observations and are mostly procedural in nature.

Unichem will provide the responses and corrective action plan within next 15 working days to address the USFDA observations.

Please take the above on record.

Thanks and Regards

  
Sandip Ghume
