sweep of all the constituencies in the region, contends the UDF camp. The aggressive and intimidating campaign launched by the saffron forces led by the BJP-RSS has en-

sured the total gravitation of minority votes towards the Congressled UDF, claim UDF leaders. This, they also argue, is a total reversal of the pro-LDF minority voting witnessed in the 2016 State Assembly elections. If this is true, then that is extremely bad news for the LDF.

eight constituencies, the poll per-

centage topped 80, which itself is a

record. And most of these con-

stituencies - among them are

Kasaragod (80.57), Kannur which

tops the list (83.05), Vadakara

(82.48), Alathur (80.33) and

Wayanad (80.31) –p are in the Mal-

This, the UDF leaders argue, is

mainly due to the inspiring pres-

ence in the Wayanad poll fray of

Congress president Rahul Gandhi

While the Rahul wave will have its

impact all over the state, its effect

will be most pronounced in the

Malabar region, ensuring a virtual

abar region.

The LDF, however, has sought to counter this argument with their own reasoning. They feel nothing has happened to reverse the trend

seen in the assembly elections. The unprecedented surge of minority votes for the LDF camp would be repeated in this election, too, aver the left leaders. The Lok Sabha election is a different ball game and here the calculations that mattered in the assembly polls would not matter, say however the seasoned political

analysts. There is a growing feeling among the minorities that in this crucial election. Congress is the party to look forward to; that is the only force which can stop the march of the communal forces led by the BJP. The left parties lack a national focus and do not matter at the national level. That is the crux of their argument. This, then, is the basis of the confidence in the Congress camp of a 20 out of 20 sweep in the State.

No matter how vehemently the left leaders argue, the Rahul factor seems to have influenced the voting pattern in the state. The mere presence of the Gandhi scion – a possible future Prime Minister – has electrified not only the Congress cadres but also those of its allies. Opinion has solidified among the minorities that Rahul alone can lead the post-poll front against the BJP-RSS duo.

As for the BJP, the party is hopeful of opening its Lok Sabha account from the state winning at least two seats, Thiruvananthapuram and Pathanamthitta. But the voting pattern has made the BJP a bit uneasy. To cite an instance: In Thiruvananthapuram, the UDF has done extremely well in its strongholds like Kovalam. Parassala and Neyyatinkara segments which witnessed very heavy polling. However, in BJP bastions like Vattiyurkavu and Nemom, voting was not up to the expectations of the saffron forcers. This has raised the anxiety levels in the BJP camp. What has added to their unease is the excellent show by the CPI candidate C Divakaran in Kazhakkoottam constituency that is part of the Thiruvananthapuram Lok Sabha constituency. No wonder, Shashi Tharoor and his supporters are sporting a broad

The BJP is not sure of bagging Pathanamthitta either, given the pattern of voting. True there has been an eight-point increase in the polling percentage. The Sabarimala factor has had a big impact, it seems. And the BJP-strongholds

saw heavy polling, as a result. But this has been more than matched by heavy polling in minority-dominated constituencies that form part of Pathanamthitta. This has raised the spirits in the UDF camp and deepened the lines on the foreheads of BJP leaders. This is the basis of the confidence of both LDF and UDF leaders that the BJP's hopes of opening its account in Kerala will

remain a dream. The reaction of Chief Minister Pinarayi Vijayan to a question from media persons on high polling is a giveaway. A visibly angry Vijayan refused to answer the question but also snapped at the presspersons asking them to 'move away'! The CM's body language has given the game away, claim opposition lead-

LDF leaders, of course, make light of the dire predictions of both Congress and the BJP. They continue to predict that the LDF would put up a good show, winning majority of the seats from Kerala. All this talk of Rahul factor and minority consolidation are all products of a fertile UDF imagination and that Kerala will retain its reputation of being a Left bastion. That is their strong contention. (IPA Service)

Ghastly Sri Lanka tragedy and strategic interests of big powers

BY SAEED NAQVI

Tot far back in time, Osama bin Laden, the 9/11 hijackers, Wahabis, Salafis, Jabhat al Nusra and their numerous variants were all traced to Saudi Arabia. Today all of that has been placed in the margin of amnesia. Instead, the US, Israel and some Europeans are inviting all and sundry to go hammer and tongs at Iran. In a world order so topsy-turvy, where does one turn for help to gauge sources of global terstruck Colombo? Which intelligence agency does one put ones money on? The ground for current terrorism was laid in the 80s when Mujahideen were manufactured in the Salafi mould with Saudi money, American training and equipment and hundreds of Pakistan

Kindly note that the following tenders floated on www.ireps.gov.in are hereby

world it was yet another defeat, humiliation, helplessness. Coverage of one event on global television had divided the world into two hostile camps - a triumphant West and a defeated, demoralized Muslim world. This chasm widened a hundred fold with the two Intefadas, the four-year-long Bosnian war. 9/11. air strikes and occupation of Afghanistan, the bogus search for weapons of mass destruction leading to the occupation of Iraq, destruction of Mesopotamia and so terror began to evolve as a target against which nations could forge coalitions. Then, as an afterthought, terror groups also began to be seen as assets to be let loose on enemies. This latter game became transparent during the Syrian conflict. Countries like Saudi Arabia began to play a lead

role in inducting, breeding, arming Jehadis of the most ferocious variety against President Bashar al Assad, casting him as a "brutal Shia" (therefore heathen) who had to be replaced. The US, Israel, Qatar, Turkey, all joined the expedition. The US, began to train and equip militant groups. President Obama's Defence Secretary Ashton Carter was virtually in tears at being grilled by the Congress as well as the media. In one instance at least (there were others) he had to wind up a \$500 million project on live TV because the Jehadists trained by the Americans had walked away, with the heavy equipment and presumably joined some other group. The sudden establishment of the Islamic State in Mosul remains an uninvestigated mystery. When the IS charged towards Baghdad wielding the latest arms

mounted on Humvees straight from the showroom, my sources in Najaf were convinced of their American sponsorship. Every Arab Ambassador in New Delhi at least (except the GCC) was quite candid: this is an American project. They seemed to make sense because candidate Trump himself told Jake Tapper of the CNN that the Obama-Hillary Clinton team had "spent millions in creating terror groups in Syria". In an interview with the New York Times columnist Thomas Friedman in August 2015, Obama admitted to the uses of the ISIS. Asked why he did not bomb the IS when it first reared its head, Obama said: "We did not just start taking a bunch of air strikes all across Iraq because that would have taken the pressure off Iraqi Prime Minister, Nouri al Maliki."

SRI LANKA GOVERNMENT SPLIT ON ANTI-TERROR STRATEGY

BY BARUN DAS GUPTA

T That is most sinister about the serial 🗸 🗸 blasts in Sri Lanka on Easter Sunday is their subterranean ramifications. There is not an iota of doubt that the Colombo authorities had been informed by New Delhi that the ISIS was planning a terror attack on big hotels and the Indian High Commission in Colombo. Despite this advance intelligence, those entrusted with the responsibility of security in that country, did nothing to foil it. They were guilty of dereliction of duty. The obvious question is, why did they ignore the specific warnings and sat over them? The result was that at least 359 innocent men, women and children lost their lives in a gruesome at-

Indian Intelligence agencies had given the Sri Lankan authorities specific information about the impending attacks. The first warning from India came on April 4, full seventeen days before the attacks. The warning was then repeated two days and then again just two hours before the attack. Still no action was taken. The Government remained quiescently inert and inactive. Why?

The answer lies in the deep Government. Two comments made separately by Prime Minister Ranil Wickremesinghe and President Maithripala Sirisena bring out the state of affairs. The Prime Minister told a news agency: "India had shared intelligence but there has been a lapse on how we acted on that. Intelligence was not conveyed down the line." This means that there was no lateral flow of information between the intelligence and security agencies. On the other hand, Presi-

dent Sirisena said he was not aware of the advance warnings. If he had been, he would have taken appropriate measures. Clearly, the Prime Minister did not share with his President the intelligence reports he had received. This shows the rift between the Prime Minister and the President. The rift – and the crisis following it – occurred last vear when

Uncertainty May Continue Till Next General Elections In January

remesinghe from the office of prime minister and "appointed" former President Rajapaksa, his one-time enemy, as prime minister.

The President's order was challenged in the Supreme Court which held the President's order unconstitutional and set it aside. Wickremesinghe was reinstated as Prime Minister. Since then the relationship between the Prime Minister and the President has been anything but cordial. One result of this is the failure to prevent the terror attacks despite advance Intelligence reports.

That apart, there seems to have been some complicity on the part of some top officials of Sri Lanka. A Sri Lankan minister, Lakshman division in the Sri Lanka Kiriella, has gone on record that some senior officials had deliberately withheld intelligence reports about a possible terror attack. According to him, these officials "hid" the intelligence report purposefully. President Sirisena has now asked for the resignations of the Defence Secretary and the police chief. It thus becomes incumbent on the Sirisena government to unearth the larger conspiracy, identify the "insiders" who collaborated with the terrorists and betrayed the trust reposed in them and why they did

The National Towheed Jamat (NTJ), a little known terror group, is believed to have been responsible for the attacks. But many believe that such a massive terror operation across the country, from Batticaloa in the east to Colombo on the west could not have been carried out by an organiza-Sirisena "dismissed" Wicktion which has only a hun-

dred to a hundred and fifty members. It is suspected that a powerful terrorist organization abroad had helped the NTJ. It is in this context that the ISIS claim that the blasts

were their handiwork has to be viewed.. Its involvement has not been proved so far. One man, Zahran Hashim, is believed to have been the mastermind behind the attacks. A video released by the ISIS shows a group of masked men pledging allegiance to the terror group. Only one man wears no mask. He has been identified as Zahran. He is suspected to be one of the suicide bombers. The highly influential

Buddhist clergy is hostile to both Christians and Muslims. The Bodu Bala Sena, a Right-wing Buddhist nationalist organization, has attacked churches and once it killed a pastor. In June, 2014, there were large-scale anti-Muslim riots in the country in which four persons were killed and eighty injured. Hundreds were rendered homelesss and nearly ten thousand people (some eight thousand Muslims and two thousand Sinhalese) were displaced. The Bodu Bala Sena was blamed for inciting the riots but it denied responsibility..The composition of Sri Lanka's 22 million population is: Buddhists 70 per cent; Hindus 12.6 per cent, Muslims 9.7 per cent and Christians 7.6 per cent. The situation in Sri Lanka

is tense. The rift within the Government is now wide open. It has immobilized the administrative machinery as seen in the failure to prevent the terror attacks. There is no possibility of a rapprochement between the President and the Prime Minister any time soon. The next general elections for Sri Lanka are slated for January. 2020. Which means that the Government will remain crisis-ridden at least for the next eight months. The alignment of political forces which will emerge after the elections is expected to resolve the ongoing crisis. (IPA Service)

BEFORE SHRI V. Y. JADHAV, HON'BLE DISTRICT JUDGE-2 & ADDITIONAL SESSION JUDGE, THANE DISTRICT, THANE NOTICE

Civil M.A. 248/1999

36th Annual Report 2018-2019

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s. G M Breweries Limited Report on the Standalone Financial Statements Opinion

We have audited accompanying standalone financial statements of G M Breweries Limited ("the Company"), which comprise of the balance sheet as at March 31, 2019, the statement of Profit and Loss (Including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by The Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("ind as") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independent requirement that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than standalone financial statements and Auditors report thereon

The company's Board of Directors are responsible for the preparation of the other information. The other information comprises of the information included in the management discussion and analysis, Boards report including Annexure to Boards Report, Corporate Governance and Shareholders information, but does not include the standalone financial statements and our auditors report thereon.

Our opinion on standalone financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon

In connection with our audit of the standalone financial statement, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statement or other information obtained during the course of our audit or otherwise appear to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design

G. M. BREWERIES LIMITED

and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the statement of change in equity, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
