#### Notes:

- 1 The standalone results of the Company comprise of only one segment i.e. Yamuna Expressway Project, an integrated project which inter-alia includes construction, operation and maintenance of Yamuna Expressway and rights for land development of 25 million sq. mtrs. along the expressway.
- 2 The Company is undergoing Corporate Insolvency Resolution Process (CIRP) under the provisions of the Insolvency and Bankruptcy Code 2016 (Insolvency Code) in terms of order dated August 9, 2017 passed by Hon'ble National Company Law Tribunal (NCLT), Allahabad Bench.

As per the Corporate Insolvency Resolution Process (CIRP), the Resolution Plan submitted by prospective Resolution Applicant as shortlisted by CoC and put to vote was not approved by CoC. The Hon'ble Supreme Court of India, in disposal of Writ Petition (Civil) No. 744/2017 filed by some of the home-buyers has revived the period prescribed under Insolvency Code by another 180 days w.e.f. the date of the order, i.e. 9th August, 2018 and did direct the IRP to follow the provisions of Insolvency Code afresh in all respects. The order also permits the NCLT to grant a further extension of 90 days, if required, in accordance with the provisions of Insolvency Code

As per terms of Section 20 of Insolvency Code, the management and operations of the Company are being managed by IRP/ RP on a Going Concern Basis.

- The National Company Law Tribunal (NCLT), Allahabad, Bench vide its order dated May 16, 2018 has passed the order for release and discharge of security interest created by the Company on 758 acres of land in favour of the Lenders of Jaiprakash Associates Limited (JAL) and has further said that the properties mortgaged shall be deemed to be vested in the Company from the date of order. The lenders of JAL/JAL have since filed an appeal against the said order before Hon'ble NCLAT. The Hon'ble NCLAT vide its order dated May 24, 2018 has directed that the order dated 16, 2018 passed by the adjudicating Authority, Allahabad Bench shall remain staved.
- 4 As the powers of the Board of Directors have been suspended, the above results have not been adopted by the Board of Directors. However, the same have been signed by Shri Manoj Gaur, Chairman Cum Managing Director of the Company confirming accuracy & completeness of results. These financial results have thereafter been taken on record by the IRP on November 12, 2018 for filing with the stock exchanges. The same have also been subjected to L mited Review by the Statutory Auditors.
- The Company has aligned its policy of revenue recognition with Ind AS 115 -Revenue from Contracts with Customers" effective from April 1, 2018. Accordingly, revenue from real estate sales has been recognised based upon 'Satisfaction of performance obligation at a point in time method' as against 'Percentage of completion method' hitherto in accordance with the guidance note issued by ICAI. The net cummulative effect of initial application of Ind AS 115 up to March 31, 2018 aggregating to ₹ 814.93 Crore has been appropriated against the retained earnings as at the initial adoption date, as permitted under the standards. However, total loss for the quarter and half year endiring September 30, 2018 would have been higher by ₹ 10.41 Crore & ₹ 51.92 Crore respectively, if the company would have recognised the revenue from real estate sales for the period based upon erstythile 'Percentage of completion method'. The comparative information is not restated in the standalone financial results.
- The Finance Cost is inclusive of the Interest on the debt for the quarter/ half year ending September 30, 2018, agreegating to ₹ 371.23 Crore and ₹ 730.41 Crore respectively ( Cummulative ₹ 1592.25 Crore as at September 30, 2018), provided in the books of accounts is subject to the final outcome of the Corporate Insolvency Resolution Process under Insolvency Code.
- Management reviewed the deferred tax assets/ liabilities on temporary differences between the tax base of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. However, as the Company is under CIRP, there is virtual uncertainty of taxable profits in near future and availability of deferred tax assets to be set off. Accordingly, the deferred tax (net assets) for the reporting period i.e. April 1, 2018 to September 30, 2018 have not been considered
- 8 Figures for the previous periods have been regrouped /reclassified wherever necessary to conform with those of current period.
