Subject: Investor Presentation

Dear Sir / Madam,

In continuation to our letter dated August 7, 2020 (filed with your respective online platforms on August 11, 2020) informing about the earnings call organized by the Company on August 14, 2020, please find attached Investor Presentation relating to the Unaudited Financial Results for the first quarter ended on June 30, 2020.

You are requested to kindly take the above information on your records.

Thanking you.

Yours faithfully,
For **INEOS Styrolution India Limited**

Abhijaat Sinha
Head Legal and Company Secretary

Disclaimer

This presentation has been prepared by INEOS Styrolution India Ltd. (the “Company”) solely for your information and may not be taken away, distributed, reproduced, or redistributed or passed on, directly or indirectly, to any other person (whether within or outside your organization or firm) or published in whole or in part, for any purpose by recipients directly or indirectly to any other person. By accessing this presentation, you are agreeing to be bound by the trailing restrictions and to maintain absolute confidentiality regarding the information disclosed in these materials. The Company may alter, modify or otherwise change in any manner the contents of this presentation, without obligation to notify any persons of such change or changes. This presentation and its contents are should not be copied, published, reproduced or disseminated in any manner.

This presentation may contain certain forward looking statements within the meaning of applicable securities law and regulations. These statements include descriptions regarding the intent, belief or current expectations of the Company or its directors and officers with respect to the results of operations and financial condition of the Company. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those in such forward-looking statements as a result of various factors and assumptions which the Company believes to be reasonable in light of its operating experience in recent years. Many factors could cause the actual results, performances, or achievements of the Company to be materially different from any future results, performances, or achievements. Significant factors that could make a difference to the Company’s operations include domestic and international economic conditions, changes in government regulations, tax regime and other statutes. In addition, please note that the date of this presentation is mentioned at the beginning of the presentation, and any forward-looking statements contained herein are based on assumptions that we believe to be reasonable as of this date. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.

In no event shall the Company or its directors or management, be responsible to any person or entity for any loss or damage, whether direct, indirect, incidental, consequential or otherwise, arising out of access or use or dissemination of information contained in this presentation, including, but not limited to, loss of profits.

By attending this presentation you acknowledge that you will be solely responsible for your own assessment of the market and the market position of the Company and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the Company's business.

This presentation is not for publication or distribution or release in any country where such distribution may lead to a breach of any law or regulatory requirement. The information contained herein does not constitute or form part of an offer or solicitation of an offer to purchase or subscribe for securities for sale. The distribution of this presentation in certain jurisdictions may be restricted by law and persons into whose possession this presentation comes should inform themselves about and observe any such restrictions. None of the Company's securities may be offered or sold in the United States without registration under the U.S. Securities Act of 1933, as amended, except pursuant to an exemption from registration therefrom.

This disclaimer clause and any claims arising out of the use of the information from this presentation shall be governed by the laws of India and only the courts in Vadodara, and no other Courts, shall have jurisdiction over the same. By accessing this presentation, the reader accepts this.

Notes

- Segment Information :

Segment reporting in financial results: Based on the "management approach" as defined in Ind AS 108 - 'Operating Segments', the Chief Operating Decision Maker (CODM), as represented by Chairman, Managing Director and CFO, evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. The accounting principles used in the preparation of these financial results are consistently applied to record revenue and expenditure in individual segment.

Profit before tax	(307)	89	143

Outlook 2020

Assumptions for 2020

- Uncertainties in global economy due to events like COVID-19, trade war & ongoing strains among nations like India, US and China can potentially disrupt demand / supply chain which may impact business
- We expect Indian economy to show improvements in H2 2020 after COVID-19, NBFC crisis. The Central government related measures like COVID relief package, liquidity support to industry like MSMEs, corporate tax reduction should help revival of economy

Target 2020

- Continue to strengthen our product position in focus segments and drive mix to maximize margins in line with INEOS Styrolution Triple Shift Strategy
- Continue focus on safe operations and maximize utilization of in-house assets to improve ROCE

THANK YOU
