INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF BEEYU OVERSEAS LIMITED

Report on the Standalone Ind AS Financial Statements

1. We have audited the accompanying standalone Ind AS financial statements of **BEEYU OVERSEAS LIMITED** (“the Company”), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Standalone Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

2. We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (“the SAs”) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the Standalone Financial Statements” section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“the ICAI”) together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

3. Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl. No.	Key Audit Matter	Auditors’ Response
1	<p>Evaluation of Going Concern Aspect</p> <p>The Company’s accumulated loss as on 31 March 2021 exceeds fifty percent of the net worth.</p>	<p>Principal Audit Observations</p> <p>The Company sold its tea manufacturing unit at Ooty, Tamilnadu a few years ago and presently it is not carrying on any tea manufacturing activity.</p> <p>The company has also leased out its office at Kolkata.</p> <p>The revenue from leasing activity does not commensurate the operating expenses for past several years. Only in the financial year 2020-21, the company earned pre-tax profit of Rs.1,91,363.</p> <p>These factors raise substantial doubt that the Company will be able to continue as a going concern.</p>

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

4. The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholders’ Information, but does not include the Standalone Financial Statements and our Auditor’s Report thereon.
5. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
7. If, based on the work we have performed, we conclude that there is a material misstatement of this “Other Information” we are required to report that fact, we have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind-AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
12. As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - i. Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - iv. Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - v. Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
17. Our responsibility is to express an opinion on these Standalone Financial Statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

Report on Other Legal and Regulatory Requirements

18. As required by Section 143(3) of the Act, based on our audit we report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) in our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- e) on the basis of the written representations received from the directors of the Company as on 31 March 2021 taken on record by the Board of Directors none of the directors are disqualified from being appointed as a director in terms of Section 164(2) of the Act as on 31 March 2021.
- f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, no remuneration for the year ended 31st March 2021 has been paid / provided by the Company to its Directors and therefore no comments are made in respect of compliance as enumerated in Section 197(16) read with Schedule V to the Act.

- h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

 - ii. the Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

19. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANEXURE A” TO THE INDEPENDENT AUDITOR’S REPORT

[Referred to in **Paragraph 18(f)** under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of **BEEYU OVERSEAS LIMITED** on the Standalone Financial Statements for the year ended 31 March 2021]

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **BEEYU OVERSEAS LIMITED** (“the Company”) as of 31 March 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

13 SIGNIFICANT ACCOUNTING POLICIES**STATEMENT OF COMPLIANCE**

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ('the Act'). The financial statements have also been prepared in accordance with the relevant preparation requirement of the Companies Act, 2013. The Company has adopted Ind AS from April 1, 2017.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements are prepared in accordance with historical cost convention except for certain items that are measured at fair values, as explained in the accounting policies.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability transaction between the market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability at the measurement date. Fair value for measurement and / or disclosure purpose in these financial statements is determined on such a basis, except for the Share Based Payment transactions which are within the scope of Ind AS 102 – Share Based Payments, leasing transactions that are within the scope of Ind AS 17 – Leases and measurement that have some similarities to fair value but are not fair value such as net realizable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Asset.

USE OF ESTIMATES

The preparation of the financial statements in conformity with Ind AS requires the Management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, disclosures of contingent liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision of the accounting estimates are recognised in the period in which the estimate is revised if the estimate affects only that period; they are recognised in the period of revision and future periods if the revision affects both the current and future periods.

PROPERTY, PLANT AND EQUIPMENTS – TANGIBLE ASSETS

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose the cost includes deemed costs which represents the carrying value of the property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP.

Cost is inclusive of the inward freight, duties and taxes and incidental expenses related to the acquisition of the fixed asset. Expenses capitalised include borrowing cost, wherever applicable, directly attributable to the acquisition, construction and production of qualifying assets. All upgradations / enhancements are expensed off as revenue expenditure unless they bring significant additional benefits.

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising from the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Depreciation on these assets commences when they are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortises the cost (or other amount substituted for cost) of the asset after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight line basis.

The Management estimates the useful lives for the fixed assets as follows:-

Office Buildings	60 Years
Furniture & Fixtures	10 Years
Office Equipment	3 Years

The residual values and useful lives of the property, plant and equipment are reviewed at each balance sheet date and changes, if any, are treated as changes in accounting estimates.

IMPAIRMENT OF ASSETS

Impairment Loss, if any, is provided to the extent the carrying amount of the asset exceeds their recoverable amount. Impairment loss recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversal are recognized as an increase in carrying amounts of the asset to the extent it does not exceed the carrying amounts that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised in previous years.

FINANCIAL ASSETS AND FINANCIAL LIABILITIES

Financial assets and financial liabilities are recorded when the Company becomes a party to the contractual provision of the relevant instrument and are initially measured at fair value. Transactions cost directly attributable to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial asset that require delivery of assets within a time frame established by regulation or convention in the market place (regular way traders) are recognised on trade date i.e. the date when the Company commits to purchase or sell the asset.

□ Recognition and De-recognition of Financial Assets:

Financial Assets include Investments, Trade Receivables, Advances, Security Deposits, Cash and Cash Equivalents. Such assets are initially recognised at the transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Financial Assets are de-recognised when the right to receive cash flows from the asset have expired or has been transferred and the Company has transferred substantially all the risks and rewards of ownership.

□ Classification / Re-classification of Financial Assets:

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial Assets are classified as those measured at:

- a) Amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and / or interest.
- b) Fair value through other comprehensive income (FVTOCI), where the financial asset are held not only for collection of cash flows arising from payments of principal and / or interest but also from the sale of such asset. Such assets are subsequently measured at fair value, with unrealised gain or losses arising from changes in fair value being recognised in other comprehensive income.

- c) Fair value through profit or loss (FVTPL), where the assets are measured in accordance with the approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gain or losses arising from changes in fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Advances, Security Deposits, Cash and Cash Equivalents are classified for measurement at amortised cost while investments may fall under any of the aforesaid classes.

When and only when the business model is changed, the Company shall reclassify all the affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without retaining the previously recognised gains, losses and interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

▣ **Impairment of Financial Assets:**

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances, security deposits held at amortised costs and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on information or evidences available without undue cost or effort.

Expected credit losses are assessed and loss allowances are recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

▣ **Financial Liabilities:**

Borrowings, Trade Payable and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption or settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet. Financial Liabilities are de-recognised when the liability is extinguished i.e., when the contractual obligation is discharged, cancelled and on expiry.

▣ **Offsetting Financial Instruments:**

Financial Assets and Financial Liabilities are offset and the net amount is included in the Balance Sheet where there is a legal enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

Deferred tax assets are recognised for future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary difference can be utilised.
