Current: 29%
Projected (2024): 50%

Number of People Employed by MSMEs in India
Current: Over 130Mn
Projected (2024): 150Mn

63M MSMEs in India

Contributing ~6.11% to India's manufacturing GDP, 24.63% of the service GDP, and 33.4% of manufacturing output.

Less than 20% of MSMEs have access to Credit

Potential Addressable Credit SME Gap: USD 300 Mn Credit Gap

350 million Blue Collared Workers

Potential Addressable Market size: INR 893 Bn

Policy Support: The government has released several policies for MSMEs such as an easy online registration form, a centralized data bank, and a mobile app with updated schemes available to MSMEs. Various government initiatives were launched to encourage young individuals, women and SC/ST entrepreneurs to launch business.

Government Schemes: The government invests significantly to help MSMEs establish their business. Schemes related to credit, infrastructure building, skill development, technology, etc. are designed to incentivise MSMEs

Road Ahead: The Government of India has envisioned doubling the Indian economy to USD 5 Tn in five years. To achieve this goal, MSMEs have the potential to serve as a key employment generators for the young population entering the workforce. Therefore, the government has taken up the promotion of MSMEs to create new jobs in the sector. Further, the government aims to enhance MSME's share in exports and its contribution to GDP.

Company Overview

Company Overview

- Dhanvarsha Finvest Limited (DFL), is promoted under the aegis of the 80-year-old Wilson Group and has transformed into a technology-enabled financial services company focusing on MSME financing.
- Wilson Group's history traces back up to Pre-Independence and is a diversified conglomerate headquartered in Mumbai with interest and investments across education, philanthropy, institutional clearing and advisory services, angel investing, sustainable water infrastructure projects and MSME lending.
- In 2017, DFL was reborn in its new avatar and has transitioned with the induction of a new Board and Management team, and it has withstood the slowdown in the NBFC market, COVID crisis, and has yet managed to scale up the business through diversification and introduction of new products.
- DFL's mission is to build "social capital" by aiming to provide Credit solutions to India's large underserved and underbanked MSME segment.
- The company prides itself on the highest standards of corporate governance and transparency with an eminent and completely Independent Board that comprises of veterans from banking, fintech, taxation, regulation, and global businesses and Key Management Personnel carefully recruited from renowned institutions.
- It aims to provide timely, affordable and sustainable access to Credit to the country's almost 500 Mn under-served borrowers, either through its own balance sheet or via significant distribution tie-ups coupled with its robust technology engine.
- The bedrock of the business is based on the loan book and an unrelenting focus on 4C's – Credit, Capital, Collections & Collaborations. The company has collaborated with various partners like Banks, NBFC's, Associations, DSA's and other Retail Loan Channel Partners.

Substantial Opportunity Ahead in Maharashtra

- Significant AUM and earnings growth led by Gold loan branch build out and franchisee model in Maharashtra.
- Maharashtra is home to ~7 Mn or 11% of India’s MSME businesses.
- Market share of small and mid size lenders in Gold and MSME loans in Maharashtra is extremely fragmented.
- We firmly believe there is a significant opportunity for us to gain extremely profitable market share with capital efficiency and superior risk adjusted margins given our expertise in these two segments.
- DFL is poised for substantial value accretion from Gold, MSME and Franchisee Model in Maharashtra
 - Gold and MSME Potential in Maharashtra
 - Dhanvarsha Financial Inclusion Stores – Distribution with Scale

The company has onboarded 200 Financial Inclusion Stores until June 10th. Guidance for onboarding 1,500+ Stores by March 2022.

Underwriting & Collections Process

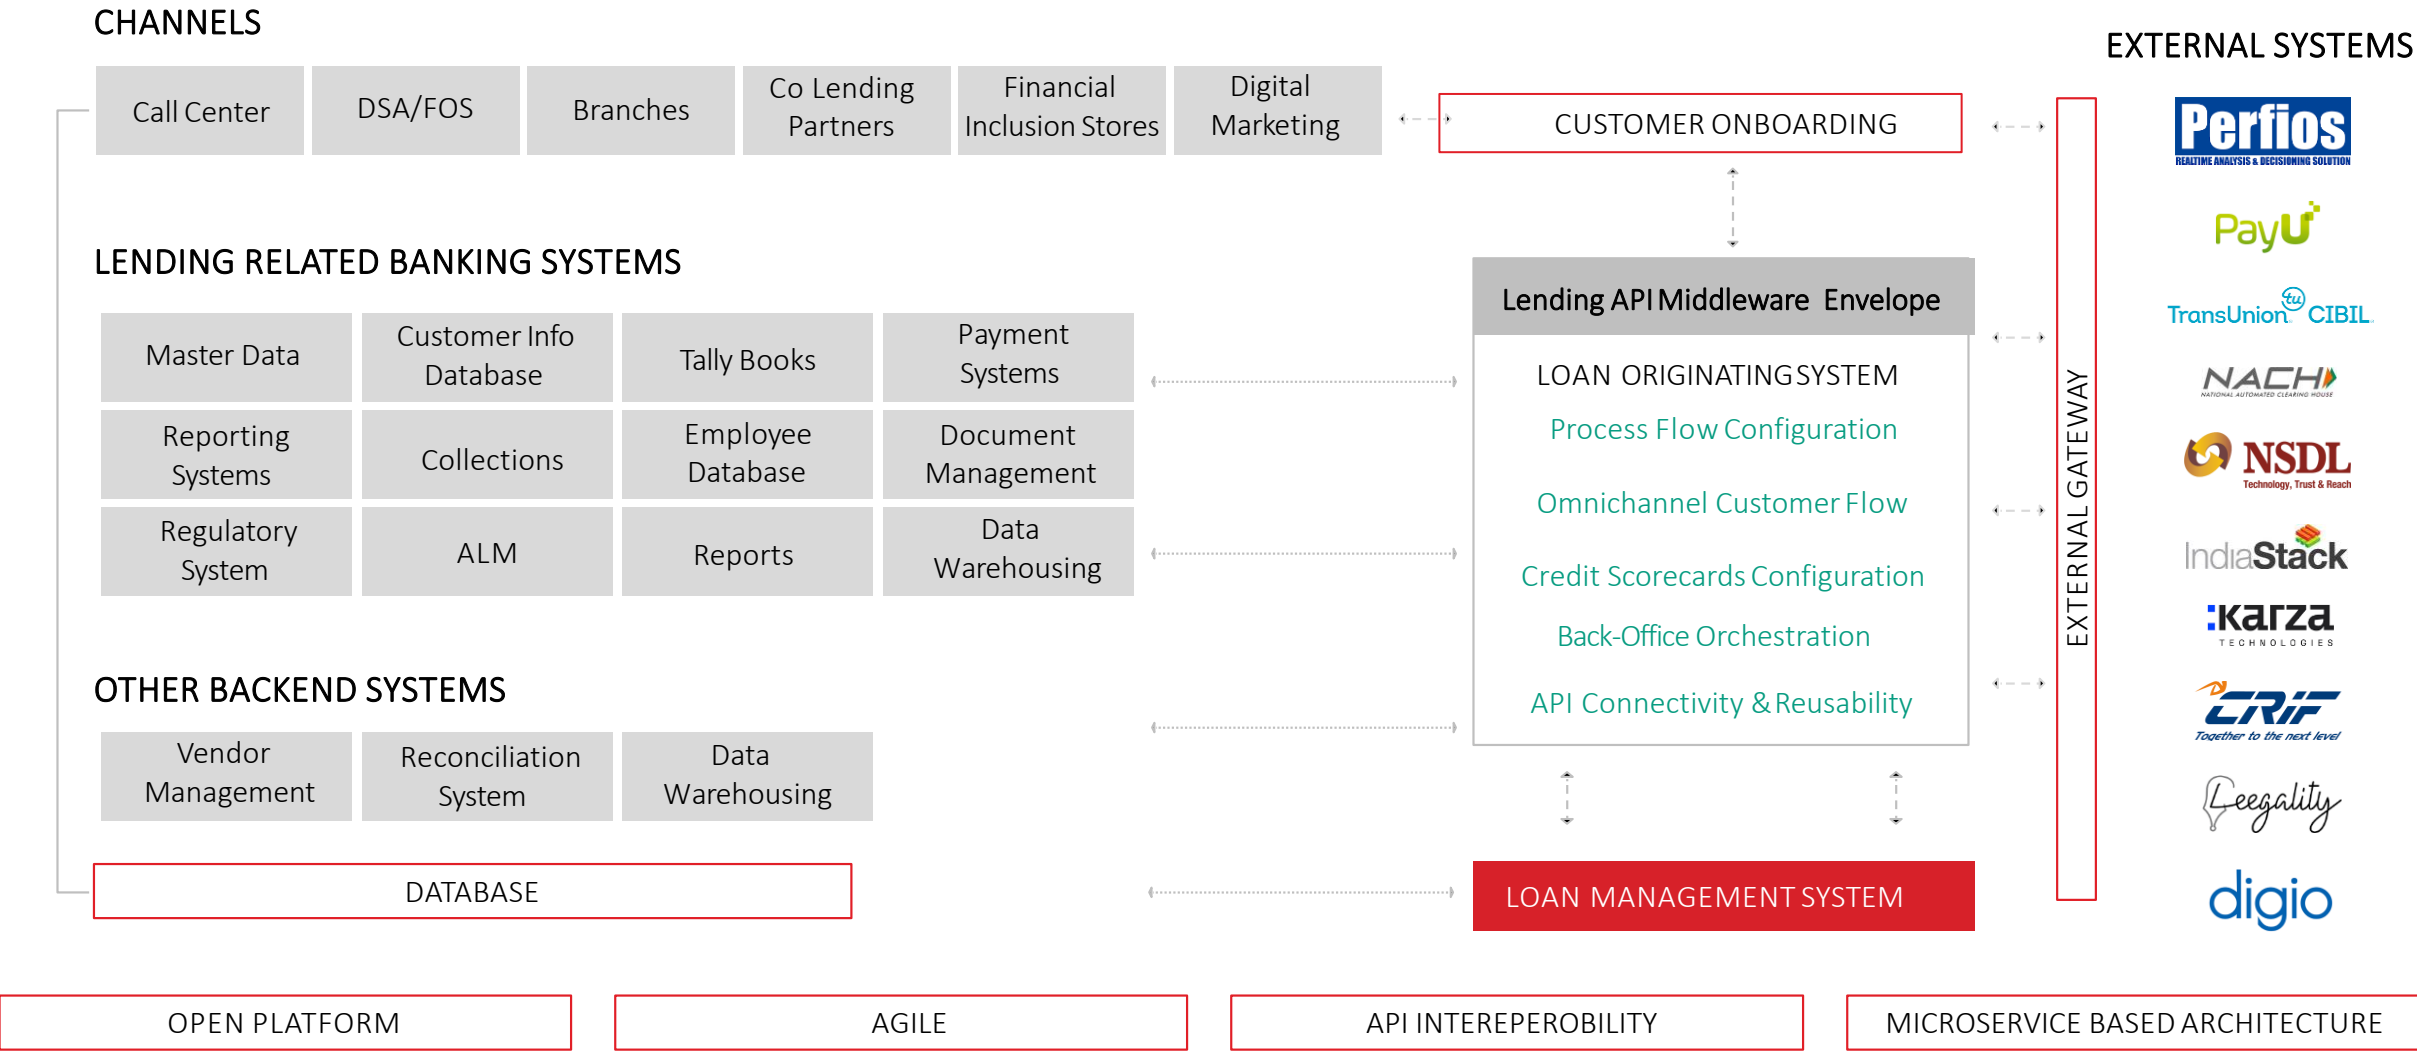

DFL has an extremely robust credit appraisal and collections & recovery process which has been strengthened further given the Covid-19 pandemic. The credit team has pro-actively made changes in the appraisal process by assessing the cases on banking habits rather than DSCR and I-T returns of the borrowers. The company has developed models to assess borrowers based on DBR (Debt to Banking Ratio) even for larger ticket size loans (above 10 lakhs).

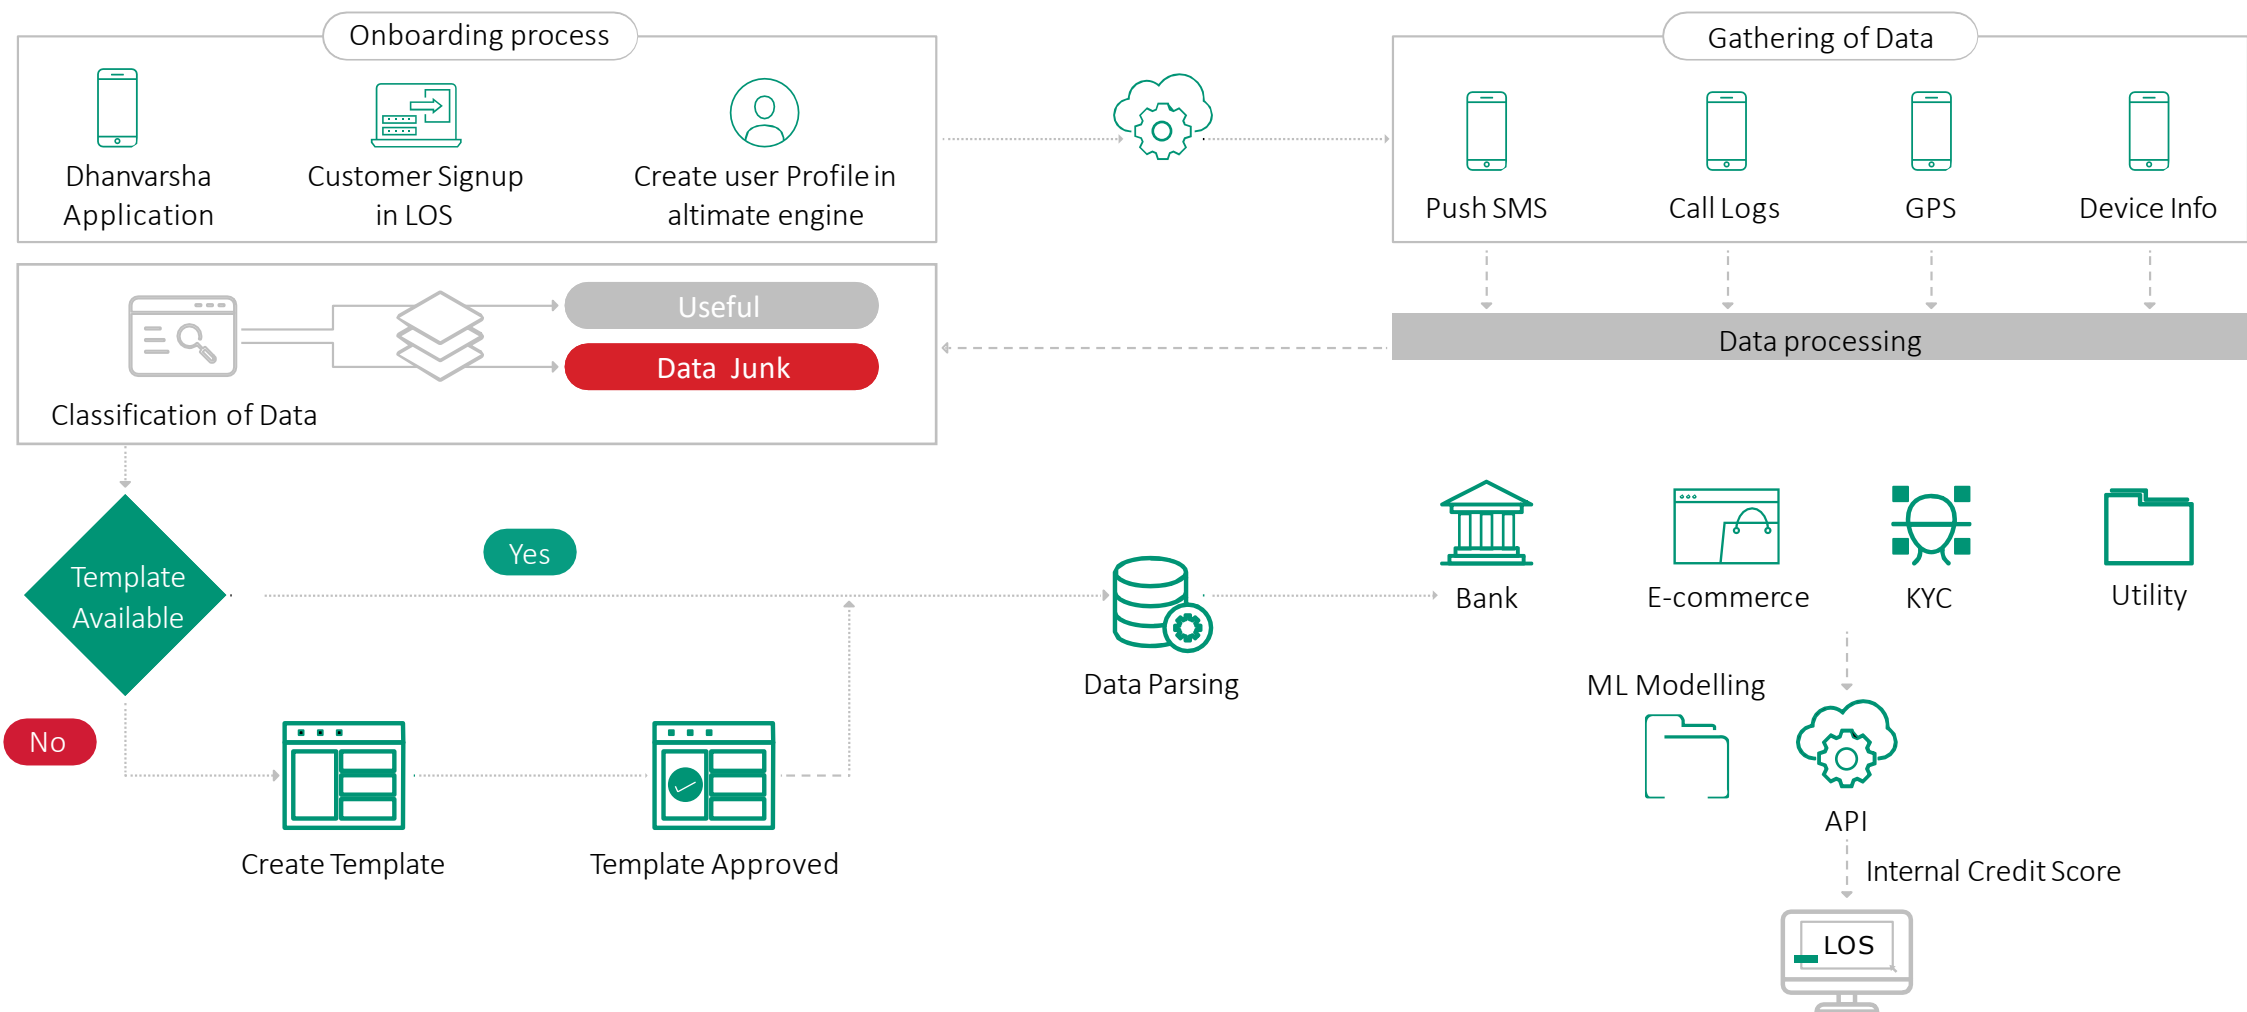

Our Risk Management Framework comprises of:
