Subject: Clarification on Price Movement

Dear Sir/Ma'am,

This is with reference to the clarification sought as on March 15, 2024, on significant movement in the price of our security at the Exchange in the recent past.

The Company is aware that as per Regulation 30 of the Securities and Exchange Board of India (Listing Obligations Disclosure Requirements) Regulations, 2015, it is required to intimate the Exchange about all events, information, etc., that have a bearing on the operations/performance of the Company, including all price-sensitive information.

The Company has promptly intimated the Stock Exchange about such events and information. Furthermore, the Company confirms that it is not aware of any price-sensitive information that needs to be intimated to the Stock Exchange under Regulation 30 and that has not been disclosed. Therefore, the movement in the Company's share price is entirely attributable to market circumstances, driven by external factors over which the Company has no control.

We trust the above clarifies the situation, and we request you to take the same on record.

Thanking you.

Yours faithfully,

For Gogia Capital Services Limited
