FY 18 Review: Economic Environment

Government Reform Initiatives

- Emission norms, EV & other regulatory compliance policy initiatives in Auto.
- Private players investment picked up slowly in Aero, Railway and Defense policies.
- GST introduction has worked as strong enabler for business.
- Investments in Infrastructure.

Business Confidence

- Started with cautiously optimistic & turned positive.

Exchange rate

 Rupee value stayed around Rs 65.00, depreciating further from April onwards to end at around Rs 68 towards year end.

Input Cost

 Raw material showed high rising trend. Input costs on Energy, employment etc., continued to go up.

Competition

Quite intense, Asian Players putting more pressure.

Served Markets Impacting our Business

- Automotive production
 - In specific 2W, PV, LCV

MHCV

Tractors production

Steel Production

Aerospace, Defense & Railways

 Capital Investments in Manufacturing including Greenfield facilities

• Oil & Gas, Energy & Mining

Financial Performance

Highlights of the year FY 18

Growth in Revenue...... + 22% (After adjusting Excise duty in previous year)

Growth in Bottom line..... + 125%

EPS increased from Rs 11.00 per share (FY 17) to Rs 24.00

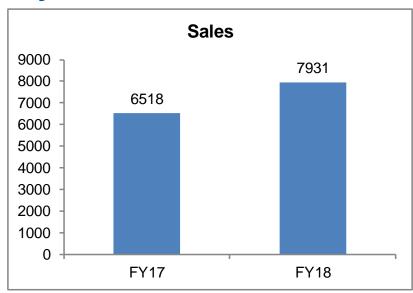

Invested Rs 60 crore in the Manufacturing to modernize, add capacity as well as capability upgrades.

We continue to manage without any External Borrowings to meet our Funds requirement.

Cost reduction Initiatives are continued.

Going Forward

Economic Outlook FY19

- Policy Changes & reform
 Initiatives from the Govt. Expected to stay the Reforms course
- Raw material rising price trend seems to be stabilizing

- Enhanced focus on Manufacturing Make in India initiative – Defense & Railways new opportunities. Auto sector gearing up for BS VI as well as expected to grow
- Rising costs. Intense & growing competition & Pricing challenges to secure margins

 With reasonably good monsoon, GDP forecast is at 7.3% in 2018-2019 as per IMF Liquidity crunch, stressed balance sheets & NPA of banks

** (Sources : - CRISIL Research India Economy Forecast
 - International Monetary Fund
 - World Bank projection)

Oil prices & depreciating rupee

Actions to grow Topline

- Stay focused on Core business & drive profitable growth
- Focus on Channel partner development initiatives with digitally enabled support system
- Diversify end markets: Aero, Defense, Railways added focus
- Explore opportunities for Ecogrind machines in SEA, Brazil & group company re-conditioning centers
- Focus on Hardmetals Export -Tools

Our Continued Focus to secure the Bottom line

 Operational Excellence Initiatives focused around productivity improvement

 Explore more opportunities on energy & other resources for cost savings by taking up Green Co certification

Efficient procurement of raw material with options on suppliers

Continue with other Cost reduction initiatives

With the growth on sales, our leverage for profitability significantly improves

Management Team

Stable and experienced Senior Management Team with around 20 years plus of industry experience.
