**Subject - Clarification on news articles related to acquisition of Paytm's movies and events business**

We have noticed that there are certain news articles circulating in the mainstream media with the subject "Zomato in talks to acquire Paytm's movies, ticketing business". This voluntary disclosure is being made to clarify our stance on the matter given that any transaction that is considered potentially meaningful may create uncertainty in the market.

We acknowledge that we are in discussions with Paytm for the aforementioned transaction, however, no binding decision has been taken at this stage that would warrant a Board approval and subsequent disclosure in accordance with applicable law.

The above discussion is being undertaken with an intent to further strengthen our Going-out business and is in line with our stated position of focusing only on our four key businesses currently.

The above information will also be available on the website of the Company i.e. [www.zomato.com](http://www.zomato.com).

You are requested to take note of the same.
