Further, following were the details of the Audit qualifications made by the statutory auditors in their report for F.Y. 2020-21 and Resolution Professional's reply to it.

1) Details of Audit Qualification:

We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).

Accordingly, the Resolution Professional is not in a position to provide all such written representations, as requested by the Statutory Auditors.

2) Details of Audit Qualification:

Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to approximately Rs. 23,48,25,319 /- as on March 31, 2021 (exact amount cannot be determined), hence to that extent, finance cost, total loss for the year ended March 31, 2021, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by approximately Rs. 23,48,25,319 /- as on March 31, 2021. The said amount of Rs. 23,48,25,319 /- is the difference between claims amounting to Rs. 2,02,33,93,274/- (including interest) received from banks by RP as on December 20, 2019 and amount of loan outstanding from banks amounting to Rs. 178,85,67,955 /- reflected in books of accounts of the Company as on March 31, 2021.

Reply from Resolution Professional-

Since the Company is under CIRP, the accounts have been prepared on going concern concept.

3) Details of Audit Qualification:

The aggregate carrying value of Business and Commercial rights in the books of the Company as on March 31, 2021 is Rs. 89,56,55,643/-. There is no revenue generation from monetization of these assets during the year ended March 31, 2021 due to which the Company has incurred substantial losses during the year ended March 31, 2021 and previous financial years. There is a strong indication of Impairment in the value of these Business and Commercial rights and therefore we are of the opinion that the Impairment loss of Rs. 89,56,55,643 /- should be provided on all such assets in the books of accounts of the Company as on March 31, 2021. The assets of the Company are overstated and net loss for the year ended March 31, 2021 is understated to that extent.

Reply from Resolution Professional-

RP is unable to comment on this qualification as the aforesaid content library (intangible asset) and related records has not been handed over by the Suspended management.

4) Details of Audit Qualification:

The Company has not provided for loss allowances on financial Corporate Guarantee contracts amounting to about Rs. 301,88,23,554/- (exact amount cannot be ascertained) as on March 31, 2021 given by the Company on behalf of its related group companies which is to be recognized as required by Indian Accounting Standard (IND-AS 109) and also not provided for claims amounting to about Rs. 136,07,97,232/- (exact amount cannot be ascertained) as on March 31, 2021 received from banks for security interest on the assets of the Company for Loans availed by the related group companies. The financial liabilities of the Company and net loss for the year ended March 31, 2021 are understated to that extent.

Reply from Resolution Professional-

RP has made disclosures in the Notes to Financials with respect to the claims that have been received by him. The Corporate Guarantee contracts relates to before the CIRP period which the suspended management failed to disclose appropriately in the financials and are now appropriately disclosed in the Notes to the Financials.

5) Details of Audit Qualification:

The Company's inventories are reflected in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2021. The Company has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2021. The assets of the Company are overstated and net loss for the year ended March 31, 2021 is understated to that extent.

Reply from Resolution Professional-

RP is unable to comment on this qualification as the aforesaid inventory and related records has not been handed over by the Suspended management.

6) Details of Audit Qualification:

The impact of Impairment, if any, of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 37,58,43,752/- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should be accounted in the books of accounts by the Company at the year ended March 31, 2021 after considering the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third party expert valuers and by doing a valuation of the same. In the absence of such valuation report of assets by the third party valuers, we are unable to comment whether that the value of assets as reflected in Property, Plant and Equipment and Capital Work in Progress head is correct or impairment for the same is required as on March 31, 2021.

Reply from Resolution Professional-

RP is unable to comment on this qualification as he has not been provided access to the Fixed Assets Register or related records by the Suspended Management.

7) Details of Audit Qualification:

The amount of Depreciation and Amortization expenses for the year ended March 31, 2021 is assumed to be equal to the amount of Depreciation and Amortization expenses as per the Audited financials of the Company for the year ended March 31, 2020, due to reasons as stated in Note No. 33 forming part of the financial statements for the year ended March 31, 2021. The impact of differences, if any, between actual depreciation as per Fixed Asset Register and as per books of accounts, on the financial statements of the Company as on March 31, 2021 is unascertainable.

Reply from Resolution Professional-

Therefore, the Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under Code. Since the RP does not have access to the Fixed Asset Register, the depreciation for FY 2020-21 is calculated based on depreciation expense for FY 2019-20 (as explained in Notes to Financials).

10) Details of Audit Qualification:

The Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under section 19 of IBC. The non-cooperation petition was listed on 6th October, 2020. After hearing the non-cooperation Petition at length, an interim Order was passed by the Hon'ble NCLT, Mumbai Bench. However, Fixed asset register, books of accounts upto 2017-18 and various supporting documents have not been provided. To that effect, the RP has already communicated with the Court Observer. Further, hand-over of the Kandivali plot was completed. As suspended management has not yet handed over the Fixed Assets register, exact depreciation amount for the year ended March 2021 could not be calculated. Accordingly, depreciation amount for the year ended March 2021 is assumed to be equal to depreciation amount for the Year ended March 2020.

Indian Macroeconomics scenario

The World Bank projected India's economy to grow at 8.3 per cent in 2021 and 7.5 per cent in 2022, even as its recovery is being hampered by an unprecedented second wave of the COVID-19, the largest outbreak in the world since the beginning of the deadly pandemic. The Washington-based global lender, in its latest issue of Global Economic Prospects released, noted that in India, an enormous second COVID-19 wave is undermining the sharper-than-expected rebound in activity seen during the second half of Fiscal Year 2020-21, especially in services. "India's recovery is being hampered by the largest outbreak of any country since the beginning of the pandemic," the World Bank said. In 2020, India's economy is estimated to have contracted by 7.3 per cent while in 2019, it registered a growth rate of four per cent, the World Bank said, adding that in 2023, India is expected to grow at 6.5 per cent.

Media and Entertainment Industry

[Source: EY – FICCI Indian Media and Entertainment Industry Report 2021]

The Indian Media and Entertainment (M&E) sector is expected to grow by 25% in 2021 and is expected to reach INR 1.73 trillion (US\$23.7 billion). With its current trajectory, the M&E sector in India is expected to reach INR 2.23 trillion (US\$30.6 billion) by 2023 at a CAGR of 17%. In 2020 while television continued to remain the largest segment, digital media has overtaken print, and online

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

gaming has overtaken a disrupted filmed entertainment segment. The Indian Media and Entertainment sector has degrown by 24% to INR 1.38 trillion (US\$19 billion) in 2020.

The Secretary General of FICCI, said that though the media and entertainment sector has been largely impacted by the pandemic, the positive news is that the digital subscription has grown by 49 per cent and the online gaming industry has grown by 18 percent. He further mentioned that different sectors of the media and entertainment industry will take different time to recover and this makes the report more crucial.

Content Creation

Screen count will almost double to near a billion by 2025, of which around 220 million would be television screens and over 750 million would be smartphone screens. This could lead to a massive increase in content creation (news and entertainment) from the around 170,000 currently to over 250,000 hours, as personal consumption (as opposed to group consumption) increases to over 50% of total video time, across a wider set of genres and niche content types. User generated content would continue to grow by 25% a year to exceed 100,000 hours by 2025.

The share of regional content will increase to 60% of television consumption in 2025 from around 55% in 2020 and will increase to around 50% of OTT consumption from 30% in 2019. The need for dubbing, titling, formatting, etc. services to make content mobile will increase.

Television:

The largest segment saw a 22% fall in advertising revenues on account of highly discounted ad rates during the lockdown months, though ad volumes reduced only 3%. In addition, it also witnessed a 7% fall in subscription income, led by the continued growth of free television, reverse migration and a reduction in ARPUs due to part implementation of NTO 2.0

Print:

Print's revenue declines were led by a 41% fall in advertising and a 24% fall in circulation revenues. English language newspapers were hit harder and struggled to get back their circulation post the pandemic, particularly in metros, while regional language newspapers recovered a larger portion of their lost circulation. The segment saw the establishment of a new lower-cost operating benchmark, with most print companies reducing costs by over 25%.

Digital Industry:

28 million Indians (up from 10.5 million in 2019) paid for 53 million OTT subscriptions in 2020 leading to a 49% growth in digital subscription revenues. Growth was led largely by Disney+ Hotstar which put the IPL behind a paywall during the year, increased content investments by Netflix and Amazon Prime Video and launch of several regional language products. In addition, 284 million Indians consumed content which came bundled with their data plans.

Growth Outlook:

We expect television advertising in 2021 to be close to 2019 levels, growing over 20% to reach INR304 billion on the back of a lineup of fresh sports content, regional channel rate increases and continued growth of free television. Subscription income would grow 5% to reach INR456 billion on the back of fresh content, several marquee sports events and pending movie releases, though ARPUs may face regulatory hurdles. Television segment revenues are expected to grow at a CAGR of 7% to reach INR847 billion by 2023 driven by increased base of subscribers as households continue to get televised and TV's price competitiveness as against [OTT + data] alternatives.

INDEPENDENT AUDITOR'S REPORT

To the Members of Sri Adhikari Brothers Television Network Limited

Report on the Audit of the Standalone Financial Statements

Adverse Opinion

We have audited the Standalone financial statements of Sri Adhikari Brothers Television Network Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the statement of Profit and Loss, statement of Changes in Equity and the statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to explanation given to us, because of the significance of the matters and except for the possible effects of the matters, discussed in the Basis of Adverse Opinion and Emphasis of Matters section of our report, the accompanying standalone financial statements give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company, of its loss, position of changes in equity and cash flows for the year then ended.

Basis for Adverse Opinion

- i) We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).
- ii) Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to approximately Rs. 23,48,25,319 /- as on March 31, 2021 (exact amount cannot be determined), hence to that extent, finance cost, total loss for the year ended March 31, 2021, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by approximately Rs. 23,48,25,319 /- as on March 31, 2021. The said amount of Rs. 23,48,25,319 /- is the difference between claims amounting to Rs. 2,02,33,93,274/- (including interest) received from banks by RP as on December 20, 2019 and amount of loan outstanding from banks amounting to Rs. 178,85,67,955 /- reflected in books of accounts of the Company as on March 31, 2021.
- iii) The aggregate carrying value of Business and Commercial rights in the books of the Company as on March 31, 2021 is Rs. 89,56,55,643/-. There is no revenue generation from monetization of these assets during the year ended March 31, 2021 due to which the Company has incurred substantial losses during the year ended March 31, 2021 and previous financial years. There is a strong indication of Impairment in the value of these Business and Commercial rights and therefore we are of the opinion that the Impairment loss of Rs. 89,56,55,643 /- should be provided on all such assets in the books of accounts of the Company as on March 31, 2021. The assets of the Company are overstated and net loss for the year ended March 31, 2021 is understated to that extent.
- iv) The Company has not provided for loss allowances on financial Corporate Guarantee contracts amounting to about Rs. 301,88,23,554/- (exact amount cannot be ascertained) as on March 31, 2021 given by the Company on behalf of its related group companies which is to be recognized as required by Indian Accounting Standard (IND-AS 109) and also not provided for claims amounting to about Rs. 136,07,97,232/- (exact amount cannot be ascertained) as on March 31, 2021 received from banks for security interest on the assets of the Company for Loans availed by the related group

companies. The financial liabilities of the Company and net loss for the year ended March 31, 2021 are understated to that extent.

- v) The Company's inventories are reflected in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2021. The Company has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2021. The assets of the Company are overstated and net loss for the year ended March 31, 2021 is understated to that extent.
- vi) The impact of Impairment, if any, of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 37,58,43,752/- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should be accounted in the books of accounts by the Company at the year ended March 31, 2021 after considering the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third party expert valuers and by doing a valuation of the same. In the absence of such valuation report of assets by the third party valuers, we are unable to comment whether that the value of assets as reflected in Property, Plant and Equipment and Capital Work in Progress head is correct or impairment for the same is required as on March 31, 2021.
- vii) The Company / RP has received claims from some Operational Creditors amounting to Rs. 9,59,838 /- which has been accepted, however Rs. 6,89,782/- is the balance outstanding as per books as on March 31, 2021 for such operational creditors. The loss for the year ended March 31, 2021 and Trade Payables are understated to the extent of Rs. 2,70,056 /- as on March 31, 2021.
- viii) Inter-Company Related Party outstanding balance with TV Vision Limited and SAB Events and Governance Now Media Limited as on March 31, 2021 is subject to reconciliation. The impact, if any, due to non-reconciliation of Inter-Company accounts on the financial statements of the Company as on March 31, 2021 is unascertainable.
- ix) The amount of Depreciation and Amortization expenses for the year ended March 31, 2021 is assumed to be equal to the amount of Depreciation and Amortization expenses as per the Audited financials of the Company for the year ended March 31, 2020, due to reasons as stated in Note No.32 forming part of the financial statements for the year ended March 31, 2021. The impact of differences, if any, between actual depreciation as per Fixed Asset Register and as per books of accounts, on the financial statements of the Company as on March 31, 2021 is unascertainable.
- x) No provision for doubtful debts for the sum of Rs. 26,81,000/- has been made in books of accounts as on March 31, 2021 as per Expected Credit Loss method prescribed under IND-AS 109 for amount recoverable from a debtor which is doubtful of recovery. The loss for the year ended March 31, 2021 is understated and Trade Receivables of the Company are overstated as on March 31, 2021 to the extent of Rs. 26,81,000/-.

Emphasis of Matters

- i) Attention is drawn to Note No. 36 forming part of financial statements regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal, invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016 and substantial losses incurred by the Company for the year ended March 31, 2021 and negative Net worth of Rs. 57,14,07,056 /- as on March 31, 2021. The appropriateness of assumption of going concern is mainly dependent on the company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management's using principle of going concern in the preparation of financial statements, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which is unascertainable as on date and uncertainty relating to other matters stated hereinabove. Further, Attention is drawn to Note No. 35 forming part of financial statements wherein it is stated that RP has served notice of termination of Leave and License agreement to the licensees from July 1, 2020 in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari, Suspended Director, before Hon'ble NCLT, Mumbai Bench, seeking issuance of appropriate directions to quash the termination of Leave and Licence Notice on behalf of the Company to the licensees. The outcome of such application is unascertainable as on date.

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

- ii) Attention is drawn to Note No.32 forming part of the financial statements wherein it is stated that the suspended management has not handed over the possession of the Corporate and Registered office of the Company, content library (intangible assets), inventories, other fixed assets, Fixed Assets Register and other such information and records / documents related to the Company and the Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under section 19 of IBC.

Further, Attention is also drawn to Note No. 37 forming part of the financial statements wherein Mr. Markand Adhikari, Suspended Director, has filed an application in Hon'ble NCLAT challenging the orders of Hon'ble NCLT, Mumbai Bench, admitting the CIRP of the Company.

The outcomes of all such applications are unascertainable as on date.

- iii) Attention is drawn to Note No. 33 forming part of the financial statements wherein it is stated that the Transaction Audit of the Company for a period of 5 years was conducted by Transaction Auditor and the Transaction Audit Report has reported certain findings of Preferential, Undervalued and Fraudulent Transactions under section 43, 45 and 66 of IBC, undertaken by the erstwhile management of the Company. Such transactions, as reported in the said Transaction Auditor's report, were incurred in the previous financial years, when the financial statements / accounts of the Company were audited by predecessor auditors. Accordingly, the RP, with approval of Committee of Creditors, has filed a petition with Hon'ble NCLT, Mumbai, against the suspended management of the Company under section 43, 45 and 66 of IBC. However, an application has been filed by Mr. Markand Adhikari before Hon'ble NCLT, Mumbai for quashing the appointment and report of the Transaction Auditor.

The outcomes of these applications are unascertainable as on date.

Further, RP has also appointed valuers to carry out valuation of all the assets (including intangible assets) of the Company. As per Note No. 33 forming part of the financial statements for the year ended March 31, 2021, the valuation of the fixed assets, intangible assets, financial assets and inventory as disclosed in the financials of F.Y. 2020-21 are subject to the valuation reports of the valuers.

- iv) The impact of short / excess provision, if any, in all the pending direct and indirect tax assessments has not been accounted for the year ended March 31, 2021 due to non-receipt of final assessment order of direct and indirect tax demand received from the relevant tax authorities / court.
- v) The Opinion expressed in the present report is based on the limited information, facts and inputs made available to us through electronic means by the Company. We wish to highlight that due to the COVID-19 induced lockdown and restrictions on physical movement and strict timelines, the entire audit team could not visit the office of the Company for undertaking the required audit procedures as prescribed under ICAI issued Standards on Auditing, including but not limited to:
- Inspection, Observation, examination and verification of the original documents of invoices, legal agreements, bank accounts statements / loan accounts statements and files.
 - Physical Verification of Property, Plant and Equipment, Inventories and Status of Capital Work in Progress as on March 31, 2021.
 - Any other processes which required physical presence of the audit team.

Our opinion is not modified in respect of these matters.

Other Matters

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors / Management is responsible for the other information. The other information comprises the information included in the Board's report and Management Discussion and Analysis, but does not include the Secretarial Audit

report, Standalone financial statements and our auditor's report thereon. The Board's report and Management Discussion and Analysis is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance or conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board's report and Management Discussion and Analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and make disclosures and take specific actions as per applicable laws and regulations, if required.

Key Audit Matters

Except for the matter described in the Basis for Adverse Opinion section and Emphasis of Matters paragraph, we have determined that there are no other key audit matters to communicate in our report.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors / Management is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors / Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors / Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors / Management are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management / resolution professional.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieve fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“ANNEXURE B” FORMING PART OF INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of Sri Adhikari Brothers Television Network Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, subject to the possible effects and significance of the matters, as discussed in the Basis of Adverse Opinion and Emphasis of Matters section of our report, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

1. Significant Accounting Policies

1.1 General

The financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity and Cash Flow Statement together with the notes have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

1.2 Use of Estimate

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

1.3 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset and is recognised as an asset.

1.4 Fixed Assets

Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition as reduced by accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and attributable cost for bringing the asset to its working condition for its intended use.

Intangible Fixed Assets

1.7 Revenue Recognition

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Exchange Differences

1.9 Investments

Provision for diminution in value is made if the decline in the value is other than temporary in the opinion of the management. Current Investments are stated at cost or realisable value whichever is lower.

1.10 Employee Benefits

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

comprising actuarial gains and losses (excluding interest on the net defined benefit liability/ (asset)) are recognised in Other Comprehensive Income (OCI). Such remeasurements are not reclassified to the statement of profit and loss, in the subsequent periods.

Other short-term employee benefits are charged to profit & loss account on accrual basis.

1.11 Borrowing Cost

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend, on these preference shares is recognised as finance costs in the Statement of Profit and Loss.

Borrowing costs directly attributable to development of qualifying asset are capitalized till the date qualifying asset is ready for put to use for its intended purpose. All other Borrowing costs are recognized as expense and charged to profit & loss account.

1.12 Leases

Finance lease

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

1.13 Financial Instruments

l) Financial Assets

a Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

b Subsequent Measurement

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

c Investment in subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in subsidiaries, associates and joint venture at fair value.

d Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

e De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is de-recognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

II) Financial Liabilities

a Initial Recognition and Measurement'

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost, Fee of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

- b For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

1.14 Taxes on Income

Tax expense comprises both current and deferred taxes. Current Tax provision as per Income Tax Act, 1961, is made based on the tax liability computed after considering tax allowances and exemptions at the balance sheet date.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

The carrying amount of Deferred Tax Assets are reviewed at each balance sheet date and written down or written up, to reflect the amount that is reasonably or virtually certain, as the case may be, to be realized.

1.15 Earning Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Dilutive earning per shares is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except when the result would be anti-dilutive.

1.16 Impairment of Assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

28 Fair Values

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

Particulars	Carrying Values		Fair Values	
	As at March 31, 2021	As at March 31, 2020	As at March 31, 2021	As at March 31, 2020

Borrowings	1,78,85,67,955	1,75,19,06,777	1,78,85,67,955	1,75,19,06,777

The management assessed that fair value of cash and cash equivalents, trade receivables, other financial assets, trade payables and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

29 The Company had sold movie rights in October 2018 to some customers but due to problem in quality of those rights, the payment for such rights was in dispute and had not been received from the customers. Such defective / bad quality movie rights were returned by the customers during the quarter ended December 31, 2019 and the same is accounted as Sales Return in the books, due to which Revenue from Operations is reflecting a negative balance in the financial year 2019-2020.

30 The Company has been admitted in National Company Law Tribunal (NCLT) on 20th December 2019 – Order no. – CP (IB) No. 4374/I&B/MB/2018, as per the order the company is under Corporate Insolvency Resolution process (CIRP) with Resolution professional namely "Mr. Vijendra Kumar Jain" having IP registration No. IBBI/IPA-004/IP-P00721/2017-2018/11253 and the management of the affairs of the Corporate Debtor (Sri Adhikari Brothers Television Network Limited) vests with the Resolution Professional.

NOTES TO FINANCIAL STATEMENTS

periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

A) Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

B) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include loans and borrowings and deposits.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This risk exist mainly on account of borrowings of the Company. However, all these borrowings are at fixed interest rate and hence the exposure to change in interest rate is insignificant.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to significant foreign currency risk as at the respective reporting dates.

C) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and other financial assets.

i) Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major trade receivables."

ii) Other Financial Assets

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only in highly marketable debt instruments with appropriate maturities to optimise the cash return on instruments while ensuring sufficient liquidity to meet its liabilities.

D) Excessive Risk Concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

INDEPENDENT AUDITORS' REPORT

To the Members of Sri Adhikari Brothers Television Network Limited

Report on the Audit of the Consolidated Financial Statements

Adverse Opinion

We have audited the accompanying consolidated financial statements of Sri Adhikari Brothers Television Network Limited (hereinafter referred to as the "Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), its Associate company, which comprise the consolidated Balance Sheet as at March 31, 2021, the consolidated statement of Profit and Loss, consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to explanation given to us, because of the significance of the matters and except for the possible effects of the matters, discussed in the Basis of Adverse Opinion section and Emphasis of Matters section of our report, the accompanying consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate, as at March 31, 2021 of its consolidated loss, consolidated position of changes in equity and the consolidated cash flows for the year ended on that date.

Basis for Adverse Opinion for accounts of Holding Company (i.e. Sri Adhikari Brothers Television Network Limited)

- i) We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).
- ii) Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to approximately Rs. 23,48,25,319/- as on March 31, 2021 (exact amount cannot be determined), hence to that extent, finance cost, total loss for the year ended March 31, 2021, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by approximately Rs. 23,48,25,319/- as on March 31, 2021. The said amount of Rs. 23,48,25,319/- is the difference between claims amounting to Rs. 2,02,33,93,274/- (including interest) received from banks by RP as on December 20, 2019 and amount of loan outstanding from banks amounting to Rs. 178,85,67,955/- reflected in books of accounts of the Company as on March 31, 2021.
- iii) The aggregate carrying value of Business and Commercial rights in the books of the Company as on March 31, 2021 is Rs. 89,56,55,643/-. There is no revenue generation from monetization of these assets during the year ended March 31, 2021 due to which the Company has incurred substantial losses during the year ended March 31, 2021 and previous financial years. There is a strong indication of Impairment in the value of these Business and Commercial rights and therefore we are of the opinion that the Impairment loss of Rs. 89,56,55,643/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2021. The assets of the Company are overstated and net loss for the year ended March 31, 2021 is understated to that extent.
- iv) The Company has not provided for loss allowances on financial Corporate Guarantee contracts amounting to about Rs. 301,88,23,554/- (exact amount cannot be ascertained) as on March 31, 2021 given by the Company on behalf of its

related group companies which is to be recognized as required by Indian Accounting Standard (IND-AS 109) and also not provided for claims amounting to about Rs. 136,07,97,232/- (exact amount cannot be ascertained) as on March 31, 2021 received from banks for security interest on the assets of the Company for Loans availed by the related group companies. The financial liabilities of the Company and net loss for the year ended March 31, 2021 are understated to that extent.

- v) The Company's inventories are reflected in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2021. The Company has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2021. The assets of the Company are overstated and net loss for the year ended March 31, 2021 is understated to that extent.
- vi) The impact of Impairment, if any, of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 37,58,43,752/- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should be accounted in the books of accounts by the Company at the year ended March 31, 2021 after considering the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third party expert valuers and by doing a valuation of the same. In the absence of such valuation report of assets by the third party valuers, we are unable to comment whether that the value of assets as reflected in Property, Plant and Equipment and Capital Work in Progress head is correct or impairment for the same is required as on March 31, 2021.
- vii) The Company / RP has received claims from some Operational Creditors amounting to Rs. 9,59,838 /- which has been accepted, however Rs. 6,89,782/- is the balance outstanding as per books as on March 31, 2021 for such operational creditors. The loss for the year ended March 31, 2021 and Trade Payables are understated to the extent of Rs. 2,70,056 /- as on March 31, 2021.
- viii) Inter-Company Related Party outstanding balance with TV Vision Limited and SAB Events and Governance Now Media Limited as on March 31, 2021 is subject to reconciliation. The impact, if any, due to non-reconciliation of Inter-Company accounts on the financial statements of the Company as on March 31, 2021 is unascertainable.
- ix) The amount of Depreciation and Amortization expenses for the year ended March 31, 2021 is assumed to be equal to the amount of Depreciation and Amortization expenses as per the Audited financials of the Company for the year ended March 31, 2020, due to reasons as stated in Note No. 33 forming part of the financial statements for the year ended March 31, 2021. The impact of differences, if any, between actual depreciation as per Fixed Asset Register and as per books of accounts, on the financial statements of the Company as on March 31, 2021 is unascertainable.
- x) No provision for doubtful debts for the sum of Rs. 26,81,000/- has been made in books of accounts as on March 31, 2021 as per Expected Credit Loss method prescribed under IND-AS 109 for amount recoverable from a debtor which is doubtful of recovery. The loss for the year ended March 31, 2021 is understated and Trade Receivables of the Company are overstated as on March 31, 2021 to the extent of Rs. 26,81,000/-.

Emphasis of Matters in Auditors report of Holding Company (i.e. Sri Adhikari Brothers Television Network Limited)

- i) Attention is drawn to Note No. 37 forming part of financial statements regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal, invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016 and substantial losses incurred by the Company for the year ended March 31, 2021 and negative Net worth of Rs. 57,14,07,056 /- as on March 31, 2021. The appropriateness of assumption of going concern is mainly dependent on the company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management's using principle of going concern in the preparation of financial statements, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which is unascertainable as on date and uncertainty relating to other matters stated hereinabove. Further, Attention is drawn to Note No. 36 forming part of financial statements wherein it is stated that RP has served notice of termination of Leave and License agreement to the licensees from July 1, 2020 in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari, Suspended Director, before Hon'ble NCLT, Mumbai Bench, seeking issuance of appropriate directions to quash the termination of

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

Leave and Licence Notice on behalf of the Company to the licensees. The outcome of such application is unascertainable as on date.

 - Any other processes which required physical presence of the audit team.

Our opinion is not modified in respect of these matters.

Emphasis of Matters in Auditors report of Subsidiary Company (i.e. Westwind Realtors Limited)

- i) Attention is drawn to Significant accounting policies forming part of financial statements of the Subsidiary Company which states that the Subsidiary Company has not provided for depreciation on Building which is being constructed out of construction contribution received from members in accordance with the Articles of Association of the Company, which being a typical nature of entity, wherein though the Company is the technical / legal owner of the property, the shareholders are the beneficial owners of the areas allotted to them in proportion to their shareholding, due to which fixed assets are stated at cost of acquisition and direct/indirect incidental cost incurred to bring them into their present location and condition as per the generally accepted accounting principles.

- ii) The contribution received from members of the Company amounting to Rs. 3,99,15,000 /- as on March 31, 2021 is subject to confirmation / reconciliation. In the absence of third party confirmation / reconciliation of outstanding balances with such members, the impact, if any, on financial statements of the Company as on March 31, 2021 is unascertainable.

Our opinion is not modified in respect of these matters.

Basis of Adverse Opinion for accounts of Associate Company (i.e. SAB Media Networks Private Limited):

- i) The aggregate carrying value of Business and Commercial rights and Channel Development costs in the books of the Company as on March 31, 2021 is Rs. 83,59,58,439/-. There is no revenue generation from monetization of these assets during the year ended March 31, 2021 due to which the Company has incurred substantial losses during the year ended March 31, 2021 and previous financial years. There is a strong indication of Impairment in the value of these Business and Commercial rights and therefore we are of the opinion that the Impairment loss of Rs. 83,59,58,439/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2021. The assets of the Company are overstated and net loss for the year ended March 31, 2021 is understated to that extent.
- ii) Due to default in repayment of loans taken from Bank, the Account of the Company has been classified as Non-Performing Asset by Bank in the previous financial years. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to approximately Rs. 11,69,89,745 /- for F.Y. 2020-2021 (exact amount cannot be determined), hence to that extent, finance cost, total loss for the year ended March 31, 2021 and current financial liabilities are understated by approximately Rs. 11,69,89,745 /- for F.Y. 2020-2021. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as non-performing in the books of those banks. Also, such loan outstanding balances as per books of accounts are subject to confirmation / reconciliation with the balance as per banks as on March 31, 2021.

Material uncertainty related to Going Concern of Associate Company (i.e. SAB Media Networks Private Limited):

- i) The financial statements are prepared on going concern basis notwithstanding the fact that loan accounts are classified as non-performing by bank, loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, sale of mortgaged property provided as collateral by promoter and promoter group companies, invocation of part of the shares pledged as collaterals by bank, further as discussed in the Basis of Adverse Opinion paragraph, the carrying value of non-current assets has been fully impaired and also that there is no business activity has been carried out during the financial year under audit and substantial losses incurred by the Company during the year ending March 31, 2021 and previous financial years and negative net worth of Rs. 47,38,02,527 /- as on March 31, 2021. All of the above conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.

Information Other than the Financial Statements and Auditor's Report Thereon

The Group Company's Board of Directors / Management is responsible for the other information. The other information comprises the information included in the Board's report and Management Discussion and Analysis, but does not include the Secretarial Audit Report, Consolidated financial statements and our auditor's report thereon. The Board's report and Management Discussion and Analysis is expected to be made to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Board's report and Management Discussion and Analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and make disclosures and take specific actions as per applicable laws and regulations, if required.

Key Audit Matters

Except for the matter described in the Basis for Adverse Opinion section and Emphasis of Matters paragraph, we have determined that there are no other key audit matters to communicate in our report.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Holding Company's Board of Directors / Management is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors / Management of the Companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company / Management, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors / Management of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors / Management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors / Management of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial

statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieve fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“ANNEXURE A” FORMING PART OF INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of Sri Adhikari Brothers Television Network Limited (“the Holding Company”), its subsidiary company and its associate company as of March 31, 2021 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors / Management of the Holding Company, its subsidiary company and its associate company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its Subsidiary Company and its Associate Company has, in all material respects, subject to the possible effects and significance of the matters, as discussed in the Basis of Adverse Opinion and Emphasis of Matters section of our report, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1. Significant Accounting Policies

1.1 General

The financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity and Cash Flow Statement together with the notes have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

1.2 Use of Estimate

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

1.3 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset and is recognised as an asset.

1.4 Fixed Assets

Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition as reduced by accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and attributable cost for bringing the asset to its working condition for its intended use.

Current Investments are stated at cost or realisable value whichever is lower.

1.10 Employee Benefits

Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses (excluding interest on the net defined benefit liability/ (asset)) are recognised in Other Comprehensive Income (OCI). Such remeasurements are not reclassified to the statement of profit and loss, in the subsequent periods.

Other short –term employee benefits are charged to profit & loss account on accrual basis.

1.11 Borrowing Cost

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend, if any, on these preference shares is recognised as finance costs in the Statement of Profit and Loss.

1.12 Leases

Finance lease

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

1.13 Financial Instruments

l) Financial Assets

a Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

b Subsequent Measurement

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

c Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) "The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or"
- ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

d De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is de-recognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

ii) Financial Liabilities

a Initial Recognition and Measurement'

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost, Fee of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

- b** For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

1.14 Taxes on Income

Tax expense comprises both current and deferred taxes. Current Tax provision as per Income Tax Act, 1961, is made based on the tax liability computed after considering tax allowances and exemptions at the balance sheet date.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

The carrying amount of Deferred Tax Assets are reviewed at each balance sheet date and written down or written up, to reflect the amount that is reasonably or virtually certain, as the case may be, to be realized.

1.15 Earning Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Dilutive earning per shares is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except when the result would be anti-dilutive.

1.16 Impairment of Assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

Particulars	Carrying Values		Fair Values	
	As at March 31, 2021	As at March 31, 2020	As at March 31, 2021	As at March 31, 2020

The management assessed that fair value of cash and cash equivalents, trade receivables, other financial assets, trade payables and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

- 30** The Company had sold movie rights in October 2018 to some customers but due to problem in quality of those rights, the payment for such rights was in dispute and had not been received from the customers. Such defective / bad quality movie rights were returned by the customers during the quarter ended December 31, 2019 and the same is accounted as Sales Return in the books and included in inventories of the Company, due to which Revenue from Operations is reflecting a negative balance in the financial year 2019-2020.
- 31** The Company has been admitted in National Company Law Tribunal (NCLT) on 20th December 2019 – Order no. – CP (IB) No. 4374/I&B/MB/2018, as per the order the company is under Corporate Insolvency Resolution process (CIRP) with Resolution professional namely “Mr. Vijendra Kumar Jain” having IP registration No. IBBI/IPA-004/IP-P00721/2017-2018/11253 and the management of the affairs of the Corporate Debtor (Sri Adhikari Brothers Television Network Limited) vests with the Resolution Professional.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

management framework. The Company has constituted a core Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

A) Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

B) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include loans and borrowings and deposits.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This risk exist mainly on account of borrowings of the Company. However, all these borrowings are at fixed interest rate and hence the exposure to change in interest rate is insignificant.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to significant foreign currency risk as at the respective reporting dates.

Price Risk

The Company is mainly exposed to the price risk due to its investment in debt mutual funds. The price risk arises due to uncertainties about the future market values of these investments.

C) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and other financial assets.

i) Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major trade receivables."

ii) Other Financial Assets

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only in highly marketable debt instruments with appropriate maturities to optimise the cash return on instruments while ensuring sufficient liquidity to meet its liabilities.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

D) Excessive Risk Concentration

Concentrations arise when a number of counter parties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

II. Audit Qualification (each audit qualification separately):				
1	a.	Details of Audit Qualification: Written management representation as per SA 580 not provided. We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).		
	b.	Type of Audit Qualification : Qualified Opinion / Disclaimer of Opinion / Adverse Opinion		
	c.	Frequency of qualification: Whether appeared first time / repetitive / since how long continuing: Repetitive		
	d.	For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views: NA		
	e.	For Audit Qualification(s) where the impact is not quantified by the auditor:		
		i. Management's estimation on the impact of audit qualification: NIL ii. If management is unable to estimate the impact, reasons for the same: iii. Auditors' Comments on (i) or (ii) above:		

2	a.	<p>Details of Audit Qualification: Non Provision of Interest on loan.</p> <p>Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to approximately Rs. 23,48,25,319/- as on March 31, 2021 (exact amount cannot be determined), hence to that extent, finance cost, total loss for the year ended March 31, 2021, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by approximately Rs. 23,48,25,319/- as on March 31, 2021. The aggregate carrying value of Business and Commercial rights in the books of the Company as on March 31, 2021 is Rs. 89,56,55,643/-. There is no revenue generation from monetization of these assets during the quarter and year ended March 31, 2021 due to which the Company has incurred substantial losses during the quarter and year ended March 31, 2021 and previous financial years. There is a strong indication of Impairment in the value of these Business and Commercial rights and therefore we are of the opinion that the Impairment loss of Rs. 89,56,55,643/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2021. 		<p>The Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") in an Order dated December 20, 2019 admitted an Insolvency and Bankruptcy petition, filed by one of the secured lenders, against Sri Adhikari Brothers Television Network Limited, and appointed Mr. Vijendra Kumar Jain to act as Resolution Professional (RP) to carry the functions as mentioned under Insolvency and Bankruptcy Code, 2016.</p> <p>Pursuant to the order of Hon'ble NCLT initiating Corporate Insolvency Resolution Process ("CIRP"), the powers of the Board of Directors stand suspended and such powers are exercisable by Resolution Professional (RP). The suspended management has not handed over the possession of the corporate and registered office, content library (intangible asset), inventories, other fixed assets, Fixed Assets Register and other such information and records/ documents requested by the Corporate Debtor. The Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under section 19 of IBC. The non-cooperation petition was listed on 6th October, 2020. After hearing the non-cooperation Petition at length, an interim Order was passed by the Hon'ble NCLT, Mumbai Bench. The bench appointed Adv. Nikita Abhyankar as the court observer for recording the minutes and also take videography of the joint meeting of RP and Suspended management for handover of live books of accounts, content library, registered office, Kandivali plot, and the related pending information and request, and report the same to Hon'ble NCLT.</p> <p>After the interim order of the Hon'ble NCLT, recently, limited access to books of accounts for last two financial years was provided. However, Fixed asset register, books of accounts upto 2017-18 and various supporting documents have not been provided. To that effect, the RP has already communicated with the Court Observer. Further, hand-over of the Kandivali plot was completed.</p> <p>As suspended management has not yet handed over the Fixed Assets register, exact depreciation amount for the year ended March 2021 could not be calculated. Accordingly, depreciation amount for the year ended March 2021 is assumed to be equal to depreciation amount for the Year ended March 2020.</p> <p>With respect to Non-reconciliation of inter-company balances as on March 31, 2021, the Resolution Professional does not have control on the books of account of the subsidiary company and the results are as provided by the Subsidiary management. Resolution Professional has added qualifications to the above effect in the Notes to the Financials. Accordingly, the Resolution Professional (RP) is not able to comment on the below qualifications.</p>		
II.	Audit Qualification (each audit qualification separately):			
1	a.	Details of Audit Qualification: Written management representation as per SA 580 not provided.		
		<p>We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).</p>
