Message from the Managing Director & CFO

Dear Shareowners,

With great pride and privilege, I present to you the 23rd Annual Report of your Company for the FY 2020-21. The Year 2020-2021 was indeed a challenging year as the Covid 19 pandemic has hit hard the global economy and the Indian Industry also could not remain immune to the adverse business conditions. As the second year of pandemic continues to shake the roots of the Indian economy, this will have far reaching implications. Though the period was tough but I am very delighted to share with you all that “Anmol India Limited” had sufficient financial strength to sail through the tough times.

Firstly, I want to say that we recognize the importance of meeting shareholder expectations and delivering long term shareholder value is fundamental for a listed company. Our standalone revenues increased to Rs. 696.58 Crore (grew 25.25% YoY) for the financial year ended 31st March, 2021 and standalone profit after tax for the year increased to Rs. 9.89 Crores compared to Rs. 4.52 crore in the previous year. These results were achieved despite some major challenges, including the outbreak of the Covid 19 pandemic and the nationwide lockdown imposed by the government in March 2020.

Given the circumstances, I believe that these are incredible results. The management and every employee of the Company should be collectively congratulated for the tremendous efforts they have made to survive in the most difficult times, the entire Country has witnessed.

I am extremely delighted to share we have created history as Anmol India Limited has become the 1st Indian private sector organization to get listed from BSE SME platform to the main boards of NSE & BSE together on 04th June, 2021.

We aim to continue working diligently to keep delivering enhanced value to all our stakeholders. I would like to express my gratitude towards the Board for their guidance and support, as well as to our Management and our people, for their hard work and dedication to take the Company to greater heights of success. I am really thankful and grateful to all my customers for their continued support and trust reposed in us. Lastly, I am thankful to all our bankers and shareholders for their continued faith and trust in our abilities.

Get vaccinated and stay safe!

Vijay Kumar

Managing Director & CFO

- (i) The voting period begins on 25th September, 2021 at 9.00 A.M. and will end at 5.00 P.M. on 27th September, 2021. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 22nd September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under

Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Management Discussion and Analysis Report

1. Overview of the Indian Economy

More than a year into the deadliest global pandemic for a century, the way we live has changed dramatically, most likely forever. For all of us, there will be a pre and post COVID 19 world.

The economic devastation brought by the pandemic was unmatched creating an environment of uncertainty. The world was ill-prepared for its scale, magnitude, and duration which has now entered its second year. The key challenge is that infections still need to be controlled, and we are seeing new variants and mutations affecting large populations that pose a significant challenge in terms of recovery and world economic growth.

The Indian economy was negatively impacted by an unprecedented health crisis in 2020-21 with the highly contagious corona virus (Covid-19) spreading across the country. In response to the pandemic, Government has taken several proactive preventive and mitigating measures starting with progressive tightening of international travel, issue of advisories for the members of the public, setting up quarantine facilities, contact tracing of persons infected by the virus and various social distancing measures. Government imposed a strict 21 days nationwide lockdown from 25th March, 2020, under the Disaster Management Act, 2005, with subsequent extensions and relaxations, to contain the spread of Covid-19 while ramping up the health infrastructure in the country. The lockdown measures, imposed to contain the spread of Covid-19 pandemic in India, ubiquitously affected employment, business, trade, manufacturing, and services activities. The real Gross Domestic Product (GDP) growth is projected to contract by 7.7 percent in 2020-21 as compared to a growth of 4.2 percent in 2019-20. GDP growth, however, is expected to rebound strongly in 2021-22 owing to the reform measures undertaken by the Government.

In a publication released in June, 2021, the World Bank has slashed India's GDP forecast to 8.3 per cent for FY22, the fiscal year starting April 2021, as against its earlier estimate of 10.1 per cent.

It has further projected India's growth to be 7.5 per cent in 2022, even as its recovery is being hampered by an unprecedented second wave of the Covid-19, the largest outbreak in the world since the beginning of the deadly pandemic.

Industry Outlook and Developments

India Coal Market- Growth, Trends and Forecasts (2021- 2026)

The India coal market is expected to grow at a CAGR of more than 2.5% during the forecast period. Factors such as increasing power generation capacity plans and increasing electricity demand in India, owing to rapidly increasing industrial and infrastructural development activities, are expected to drive the market during the forecast period.

- Coal is the most important and abundant fossil fuel in India. **It accounts for 55% of the country's energy needs.** The country's industrial heritage was built upon indigenous coal. The government of India is planning to use coal as a major source because it is cheaper and its availability in abundance in the country. India, as of 2019, had 105,93 trillion tonnes of coal reserves accounting for almost 10% of the global reserves
- Coal is critical to provide much needed affordable electricity and also in building our societies through its steel and cement industries. One can say that coal is backbone of both the steel and cement industries.

- Coal is extensively used in India to fire the thermal power stations and in turn meet the demand for various sectors, such as industry, transport, residential, commercial, and public services. The power stations segment is expected to dominate the market supported by India's plan for adding additional coal-fired plants during the forecast period.
- Lignite resources are concentrated in three states: Tamil Nadu, which accounts for 80% of lignite resources, Rajasthan and Gujarat. Most of the resources are untapped, and with supportive government policies, the mining of lignite sources is expected to create several opportunities for the market players.
- Moreover, population growth in India which is expected to overtake China as the world's most populous country by 2025 is a strong propeller for the market, with increased demand for electricity. Hence, to meet the demand coal production is expected to increase, subsequently driving the coal market in the country. Power generation uses a variety of sources ranging from fossil fuels like coal and oil to renewable sources like wind and solar. Coal accounts for more than 72% of the total electricity produced through different types of coal and has been dominating for decades in the country.
- Further, most of the hard coal resources are located in seven states: Jharkhand, Odisha, Chhattisgarh, West Bengal, Madhya Pradesh, Maharashtra, and Telangana. And lignite resources are concentrated in three states: Tamil Nadu, which accounts for 80% of lignite resources, Rajasthan, and Gujarat. To support the exploration of coal and lignite for power generation, India plans to spend USD 72 million in 2019 and hence promulgate the India coal market.
- Based on the demand projection in 'Coal Vision 2030' for Coal Sector in the country and subsequent demand projection on CIL, a roadmap to produce 1 BT coal by the year 2023-24 in order to reduce both demand- supply and has been prepared. To achieve projected production, CIL has identified major project and assessed their related issues. Coal India Limited has crossed the 600 MT mark in consecutive 2nd year in 2019-20. In 2020-21, the Annual Plan target is pegged at 660 MT and projection for 2021-22 as per 1 BT plan of CIL IS 740 MT.
- During 2020-21, CIL envisages to produce 369.88 MT from the on- going group of projects. Due to the outbreak of COVID 19 Pandemic during the end of FY 19-20 and consequent to severe economic slump globally as well as in the country, the growth trajectory in the country dipped and saw a subdued coal demand in the country. Accordingly, the production plan of CIL was re- worked for FY 20-21 TO 660 MT from 710 MT.

India's coal import rises 30% to 22 million tonnes in April, 2021 in comparison to April, 2020

Coal to be India's energy mainstay for next 30 years. India's coal import rose 30.3 per cent to 22.27 million tonnes in April amid supply concerns and demand for pre-monsoon restocking of dry fuel.

The country had imported 17.09 million tonnes of coal in April last year, according to a provisional compilation by mjunction services, based on monitoring of vessels' positions and data received from shipping companies.

India's coal and coke imports in April 2021 through the major and non-major ports are estimated to have increased by 30.3 per cent over April 2020... Imports in April 2021 stood at around 22.27 million tonnes (MT) as against 17.09 MT imported in April 2020," it said.

Of the total imports in April, the volume of non-coking coal was 15.32 MT, against 12.28 MT imported in April last financial year. Coking coal volume was 4.74 MT, up against 3.23 MT imported in April last fiscal.

During the 2020-21, total coal and coke imports stood at 215.92 MT, about 12.6 per cent lower than 247.10 MT imported during FY'20.

Auctions for coal mines

In June 2020, Prime Minister had launched an auction process to open 41 coal mines to commercial mining for the first time. The move was designed to create competition for government-owned Coal India, reduce India's reliance on imported energy products, and attract investment to help the country recover from the economic fallout of the COVID-19 pandemic. The auction brought new domestic players into the Indian coal sector.

The Indian government is focussing on expanding the domestic coal mining sector, claiming that recently auctioned mines will create tens of thousands of jobs. In December, the government reinvited bids for four coal blocks that initially saw little interest. Indian officials are also looking at ways to expedite the operationalization of coal blocks that have already been allocated or auctioned. In addition, the central government plans to come up with the second round of auction of blocks for commercial mining in January.

India is home to vast coal reserves, but it still imports large quantities. The push to expand domestic mining stems from a desire to mitigate energy security risk. Some government officials also believe that coal will be the largest contributor to India's ambition of becoming a \$5 trillion economy.

State-run Coal India (CIL) has posted 52.5% growth in e-auction bookings during the first two months of the ongoing fiscal.

Strengths and Opportunities

- Quality tested products from reputed independent agencies (like SGS, HRT etc).
- We believe that we are well positioned for the principal competitive factors in our business. We offer end-to-end service offering. We are adding the benefit of coordination and collaboration with shipping and transport companies, vendors and suppliers. It will improve our Company's system responsiveness to the actual customer's requirements which further reduces risks.
- Unique Mix of Customer: 70% Trader and 30% End User. Traders help in advance booking, risk mitigation and quick inventory turnover. End user help in better margin and inventory turnover in bearish market.
 - Robust internal and external technological platform help in demand forecasting at individual customer level.
 - Significant market share in USA Coal.
 - Strong Cash Flows that provide resources in the hand of the Company to plan its expansion.
 - Strong Distribution Network- over the years the Company has built a reliable distribution network that can reach majority of its potential market.
 - Company's system responsiveness to the actual customer's requirements which further helps in establishing long term relationships.
 - Well established research team which carefully scrutinizes and gathers relevant data that can affect the sales, demand, price of the commodities it deals in

- Committed and agile team with deep sector experience and domain expertise.

Internal Control Systems and their adequacy

Anmol India Ltd believes that internal control is one of the key pillars of governance. It provides freedom to the management within a structure of appropriate checks and balances. The Company has a proper and adequate system of internal financial controls, commensurate with its size and business operation. It ensures timely and accurate financial reporting in accordance with applicable accounting standards, safeguarding of assets against unauthorized use or disposition and compliance with all applicable regulatory laws and Company policies. Internal Auditors of the Company review the internal financial control systems on a regular basis for its effectiveness, and necessary changes and suggestions are duly incorporated into the system.

The Company's internal control environment warrants efficient conduct of operations, security of assets, prevention and detection of frauds/ errors, accuracy and completeness of accounting records, and the timely preparation of reliable financial information.

Financial Performance

During the Financial year 2020-21 the Company has earned a total income of Rs. 696.58Crore against Rs. 556.13Crore in the previous year. Your Company's net profit jumped by 118% to Rs. 9.86Crore from Rs. 4.52Crore in the previous year.

Anmol India Limited became the 1st Indian private sector organization to be listed on the main boards of National Stock Exchange and Bombay Stock Exchange together. Anmol India Limited is focusing on achieving end to end supply chain management in the best possible way. Company intends to improve its supply chain even more and develop such a robust technological supply chain stack so that when introducing new commodities we can have the same competitive edge as Coal.

If I look back at the 10 years journey of Anmol India Ltd, the company has always focused on achieving end to end supply chain management in the best way possible. We are proud to say that we are one of the very few coal companies who have been able to achieve this. From Procuring Coal from Overseas in the quantum of 1 LAC tons per shipment to delivering that coal to factories of the end users in the quantum of 35 tons per cargo, Anmol India does it all. Anmol India Ltd is also one of the very few coal companies which uses new age technologies to optimize this supply chain. Our Anmol Coal Mobile App and Platform has helped us gain good market share and insight using digital channels. Going forward, technology will play a vital role in the growth of the company and help shape the supply chain even better. We are blessed to have a great inhouse tech team. In the future we intend to improve our supply chain even more and develop such a robust technological supply chain stack so that when introducing new commodities, we can have the same competitive edge as Coal.

Weaknesses and Threats

- Increased competition from cleaner fuel sources are chipping away at coal's dominant market share. Cleaner alternatives are getting cheaper.
- We import our Coal from outside of India and payment of these purchases is made in foreign currency. Changes in value of currencies with respect to Rupee may cause fluctuations in our operating results expressed in rupees. Hence, we mitigate the risk by hedging the dollars or by passing the dollar risk to traders as much as possible.
- Policy uncertainty continues to be an issue
- Foreign Investment in mining sector

Human Resources

With the world facing an unprecedented challenge in the financial year 2020-2021, new work norms had to be established to enable us to navigate through uncharted territories. During this time, the Human Resource function across industries put on creative hats to deal with the new challenges, especially those involving employee health, safety, and security. Balancing these along with business continuity became a priority. Digitalization and Automation and the consequent scaling up of infrastructure became the focus areas for the Company (ies) as a function.

The concept of work from home surfaced for certain functions which led to the adoption of new communication medium to deliver on business objectives. Remote working required that very vital personal touch and employee engagement. Employees working from home were provided tools and regular guidance to adapt to the technology required and that too at a fast pace.

The Company ensured that all the guidelines as laid down by the Central/State governments and WHO were complied with. With Covid-19 becoming rampant and a global crisis looming, the leadership team constituted a special COVID Taskforce which implemented strict protocols and procedures to tackle the pandemic. Employee awareness, training, and monitoring of these initiatives were carried out with great integrity and spirit. Sanitisation of the premises and other COVID appropriate behaviour became a way of life. Masks were in place and social distancing was ensured. Fever screening machines were installed to ensure compliance and daily health monitoring have become a norm. Monitoring the physical and mental health of the employees and providing support to them and their families was undertaken.

The year 2020-2021 demanded a new approach towards digitalization. Virtual communication became the best means for collaboration to ensure social distancing. All crossfunctional teams adopted these means with open arms and honed their skills in no time. Our core values of INTEGRITY, COLLABORATION, and EXECUTION EXCELLENCE (ICE) became a pillar of strength in the face of adversity.

INDEPENDENT AUDITORS' REPORT

To the Members of
Anmol India Limited

Report on the Audit of Standalone Financial Statements

1. OPINION

We have audited the standalone financial statements of Anmol India Limited ("the Company"), which comprise the standalone balance sheet as at 31 March 2021, and the standalone statement of profit and loss, standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and its profit, changes in equity and its cash flows for the year ended on that date.

2. BASIS OF OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone financial statements.

3. KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matter

REVENUE RECOGNITION

Refer to note 1 (III) and 14 to the noted to financial statements

The key audit matter	How the matter was addressed in our audit
Revenue from the sale of goods is recognized when control in goods is transferred to the customer and is measured net of rebates, discounts and returns. Standards on Auditing presume that there is fraud risk with regard to revenue recognition. We focused on this area since there is a risk that revenue may be overstated because of fraud, resulting due to the pressure from Management and Board of Directors who may strive to achieve performance targets. Also, revenue is a key performance indicator for the Company which makes it	In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence: <ul style="list-style-type: none">▪ We assessed the appropriateness of the revenue recognition accounting policies by comparing with applicable accounting standards;▪ We evaluated the design and implementation of key internal financial controls in relation to revenue recognition and tested the operating effectiveness of such controls for a sample of

4. OTHER INFORMATION

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. MANAGEMENT'S AND BOARD OF DIRECTORS' RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

6. AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes an opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- (A) As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (B) As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 01 April 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31 March 2021 on its financial position in its standalone financial statements - Refer Note 24 of the notes to financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The disclosures in the standalone financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made in these standalone financial statements since they do not pertain to the financial year ended 31 March 2021.
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16): In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF ANMOL INDIA LIMITED FOR THE YEAR ENDED 31 MARCH 2021.

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 7(B)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

OPINION

We have audited the internal financial controls with reference to financial statements of Anmol India Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2021, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and

directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
