Sub : Disclosure under Regulation 30 Of SEBI (Listing Obligations And Disclosure Requirements), Regulations, 2015

Ref: DroneAacharya Aerial Innovations Limited (Scrip Code: 543713; Security ID: DRONACHRYA)

Dear Sir/Madam,

DroneAacharya Aerial Innovations Ltd. has secured a work order worth INR 2,52,756.00 from TreeTies Network Private Limited for a Drone-based LiDAR survey and mapping project covering 1,298 acres at Agastya Foundation, Mustrahalli, Andhra Pradesh. This survey will involve capturing high-resolution data, generating 3D models, and calculating tree canopy height to create a Canopy Height Model (CHM).

TreeTies, known for its reforestation and carbon reduction initiatives, has selected DroneAacharya as its trusted drone service provider for this project. This marks the second collaboration between the two organizations, following a successful Drone-based Multispectral survey for tree plantations in Goa.

"At DroneAacharya, we believe in more than just mapping terrain; we map pathways to a greener future. With our industrial experience and technological expertise in drone-based mapping and restoration, we're not just partners in projects; we're stewards of environmental change. Our commitment extends beyond contracts; it's a dedication to being catalysts for green initiatives, driving sustainable solutions one flight at a time", adds Mr. Prateek Srivastava, Founder and Managing Director.

About TreeTies:

TreeTies Network Private Limited is a pioneering social enterprise startup dedicated to ecosystem restoration through science, technology, and partnerships. Their holistic approach, guided by ecological principles, drives impactful projects worldwide, advocating for environmental stewardship and systemic change.
