- 2 The above financial results have been approved by the Board of Directors at its meeting held on January 16, 2021. The financial results for the quarter and nine months ended December 31, 2020 have been subjected to a limited review by the statutory auditors of the Bank. The report thereon is unmodified.
- 3 The Bank has applied its significant accounting policies in the preparation of these financial results consistent with those followed in the annual financial statements for the year ended March 31, 2020.
- 4 The figures for the second quarter of the financial year are the balancing figures between audited figures in respect of the half year end and the published year to date figures upto the end of the first quarter of the financial year.
- 5 During the quarter and nine months ended December 31, 2020, the Bank allotted 39,52,776 and 2,43,70,472 equity shares respectively pursuant to the exercise of options under the approved employee stock option schemes.
- 6 Consequent to the outbreak of COVID-19 pandemic, the Indian government had announced a lockdown in March 2020. Subsequently, the lockdown has been lifted by the government outside containment zones.

The impact of COVID-19, including changes in customer behavior and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activity, which may persist. While there has been a gradual pickup in economic activity since the easing of lockdown measures, the continued slowdown led to a decrease in loan originations, the sale of third party products, the use of credit and debit cards by customers and the efficiency in collection efforts. The slowdown may lead to a rise in the number of customer defaults and consequently an increase in provisions thereagainst. The extent to which the COVID-19 pandemic will continue to impact the Bank's results will depend on ongoing as well as future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by us.

In accordance with the COVID-19 Regulatory Packages announced by the RBI on March 27, 2020, April 17, 2020 and May 23, 2020, the Bank, in accordance with its board approved policy, offered a moratorium on the repayment of all installments and / or interest, as applicable, due between March 1, 2020 and August 31, 2020 to all eligible borrowers classified as standard, even if overdue, as on February 29, 2020. In respect of such accounts that were granted moratorium, the asset classification remained standstill during the moratorium period.

The Bank holds provisions as at December 31, 2020 against the potential impact of COVID-19 based on the information available at this point in time. The provisions held by the Bank are in excess of the RBI prescribed norms.

- 7 The Honourable Supreme Court of India (Hon'ble SC), in a public interest litigation (Gajendra Sharma Vs. Union of India & Anr), vide an interim order dated September 03, 2020 ("Interim Order"), has directed banks that accounts which were not declared NPA till August 31, 2020 shall not be declared as NPA till further orders. Pending the finality, the Bank has not classified any account which was not NPA as of August 31, 2020 as per the RBI IRAC norms, as NPA after August 31, 2020. Further, in light of the Interim Order, even accounts that would have otherwise been classified as NPA post August 31, 2020 have not been and will not be, classified as NPA till such time that the Hon'ble SC rules finally on the matter.

However, if the Bank had classified borrower accounts as NPA after August 31, 2020, the Bank's proforma Gross NPA ratio and proforma Net NPA ratio would have been 1.38% at December 31, 2020 (at September 30, 2020: 1.37%) and 0.40% at December 31, 2020 (at September 30, 2020: 0.35%) respectively. Pending disposal of the case, the Bank, as a matter of prudence has, in respect of these accounts made a contingent provision, which is included in 'Provisions (other than tax) and Contingencies'.

- 8 Other income relates to income (including commission) from non-fund based banking activities, fees, earnings from foreign exchange and derivative transactions, profit and loss (including revaluation) from investments, dividends from subsidiaries and recoveries from accounts previously written off.
- 9 Other operating expenses include commission paid to sales agents of ₹ 758.58 crore (previous period: ₹ 836.15 crore) and ₹ 1,747.44 crore (previous period: ₹ 2,297.91 crore) for the quarter and nine months ended December 31, 2020 respectively.
- 10 Figures of the previous periods have been regrouped / reclassified wherever necessary to conform to current period's classification.
- 11 ₹ 10 lac = ₹ 1 million
₹ 10 million = ₹ 1 crore

2 The above financial results represent the consolidated financial results for HDFC Bank Limited and its subsidiaries constituting the 'Group'. These financial results have been approved by the Board of Directors of the Bank at its meeting held on January 16, 2021. The financial results for the quarter and nine months ended December 31, 2020 have been subjected to a limited review by the statutory auditors of the Bank. The report thereon is unmodified.

3 The Group has applied its significant accounting policies in the preparation of these financial results consistent with those followed in the annual financial statements for the year ended March 31, 2020.

4 The figures for the second quarter of the financial year are the balancing figures between audited figures in respect of the half year end and the published year to date figures upto the end of the first quarter of the financial year.

5 Consequent to the outbreak of COVID-19 pandemic, the Indian government had announced a lockdown in March 2020. Subsequently, the lockdown has been lifted by the government outside containment zones.

The impact of COVID-19, including changes in customer behavior and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activity, which may persist. While there has been a gradual pickup in economic activity since the easing of lockdown measures, the continued slowdown led to a decrease in loan originations, the sale of third party products, the use of credit and debit cards by customers and the efficiency in collection efforts. The slowdown may lead to a rise in the number of customer defaults and consequently an increase in provisions thereagainst. The extent to which the COVID-19 pandemic will continue to impact the Group's results will depend on ongoing as well as future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by us.

In accordance with the COVID-19 Regulatory Packages announced by the RBI on March 27, 2020, April 17, 2020 and May 23, 2020, the Group, in accordance with its board approved policy, offered a moratorium on the repayment of all installments and / or interest, as applicable, due between March 1, 2020 and August 31, 2020 to all eligible borrowers classified as standard, even if overdue, as on February 29, 2020. In respect of such accounts that were granted moratorium, the asset classification remained standstill during the moratorium period.

The Group holds provisions as at December 31, 2020 against the potential impact of COVID-19 based on the information available at this point in time. The provisions held by the Group are in excess of the RBI prescribed norms.

6 The Honourable Supreme Court of India (Hon'ble SC), in a public interest litigation (Gajendra Sharma Vs. Union of India & Anr), vide an interim order dated September 03, 2020 ("Interim Order"), has directed that accounts which were not declared NPA till August 31, 2020 shall not be declared as NPA till further orders. Pending the finality, the Group has not classified any account which was not NPA as of August 31, 2020 as per the RBI IRAC norms, as NPA after August 31, 2020. Further, in light of the Interim Order, even accounts that would have otherwise been classified as NPA post August 31, 2020 have not been and will not be, classified as NPA till such time that the Hon'ble SC rules finally on the matter.

Pending disposal of the case, the Group, as a matter of prudence has, in respect of these accounts made a contingent provision, which is included in 'Provisions (other than tax) and Contingencies'.

7 In accordance with the RBI guidelines, banks are required to make consolidated Pillar 3 disclosures including leverage ratio and liquidity coverage ratio under the Basel III Framework. These disclosures are available on the Bank's website at the following link: http://www.hdfcbank.com/aboutus/basel_disclosures/default.htm. The disclosures have not been subjected to audit or review by the statutory auditors.

8 Figures of the previous periods have been regrouped / reclassified wherever necessary to conform to current period's classification.

6. We draw attention to Note 5 to the unaudited consolidated financial results, which states that there is an impact on the business activities of the Bank due to Covid - 19 pandemic. The extent to which the Covid - 19 pandemic will continue to impact the Bank's consolidated results will depend on future developments, which are highly uncertain. Our opinion is not modified in respect of this matter.
7. We did not review the interim financial information of two subsidiaries included in the unaudited consolidated financial results, whose interim financial information reflects total revenues of Rs. 2,96,903 Lacs and Rs. 8,73,336 Lacs and total net profit after tax of Rs. 12,234 Lacs and Rs. 68,567 Lacs for the quarter and nine months ended December 31, 2020, respectively as considered in the consolidated unaudited financial results. These interim financial information have been reviewed by other auditors whose reports have been furnished to us by the Management of the Bank and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above. Our opinion is not modified in respect of this matter.

ASSET QUALITY

The Gross and Net non-performing assets were at 0.81% of gross advances and 0.09% of net advances as on December 31, 2020 respectively.

The restructuring under RBI resolution framework for COVID-19 was approximately 0.5% of advances.

The Honourable Supreme Court of India, in a public interest litigation (Gajendra Sharma Vs Union of India & Anr), vide an interim order dated September 3, 2020, directed that accounts which were not declared NPA till August 31, 2020 shall not be declared as such until further orders. Pursuant to the said interim order, accounts that would have otherwise been classified as NPA have not been and will not be, classified as NPA till such time that the Honourable Supreme Court rules finally on the matter.

However, if the Bank had classified borrower accounts as NPA after August 31, 2020 using its analytical models (proforma approach), the proforma Gross NPA ratio would have been 1.38% as on December 31, 2020, as against 1.37% as on September 30, 2020 and 1.42% as on December 31, 2019. The Bank's proforma Net NPA ratio would have been 0.40%. Pending disposal of the case, the Bank, as a matter of prudence, has made a contingent provision in respect of these accounts.

The Bank also continues to hold provisions as on December 31, 2020 against the potential impact of COVID-19 based on the information available at this point in time and the same are in excess of the RBI prescribed norms.
