Forward looking statements

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

PERFORMANCE HIGHLIGHTS FOR THE YEAR

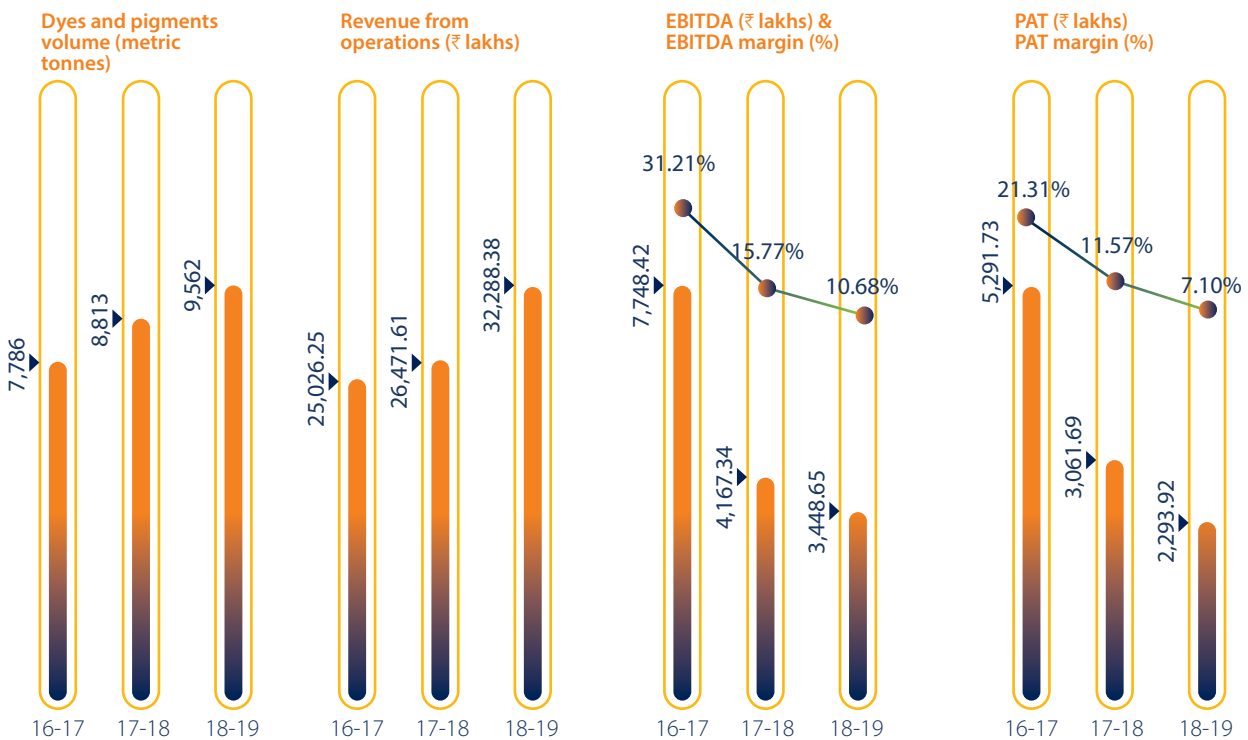

FY2018-19: Product-wise revenue break-up

71%
Dyes & Intermediates

29%
Pigment

- Our volumes expanded by 9% indicating that the demand for our product continues to be intact and that our business is sustainable
- Our revenue from operations expanded 22% supported by volume growth and higher realisation due to China situation
- Profitability was impacted by higher crude prices, currency fluctuation and increase in expenditure due to new CPC Green and H-acid capacity and initial stabilisation issues in H-acid manufacturing.

A MESSAGE FROM

CHAIRPERSON

“Character is what you are in the dark. Though these lines were said by Dwight Moody several years ago, they are very much applicable to us. Amidst multiple challenges that we faced in the past two years, we continued to remain firm. Our team displayed grit and determination to counter challenges and move ahead. This is our character.”

Dear Shareholders,

FY 2018-19 was a challenging year for us both due to external context and some internal challenges. Externally high volatility in the crude prices, currency fluctuations and disruption in supply of key raw materials led to surge in costs and impacted our margins. Internally, we faced teething problems in stabilizing the new H-Acid line due to quality and yield issues, leading to one-off loses.

But as always we remained steadfast. We responded with courage and determination to counter the challenges. While the external factors were beyond our control, we put in more efforts to retain our existing clients and focused on expanding geographic footprint and adding new clients. This led to win seven new accounts. Though these new relations have marginal share, we expect to grow business in the future. The impact of our efforts is evident in the 9% surge in our sales volume to 9,562 metric tonnes. This also exemplifies that the demand of our products continues to remain intact. Our revenue growth at 22% to ₹322.9 Crore was higher as China environmental crackdown factor continues to be persist leading to lower supply in the market and hence higher realization. The prices are expected to stabilize in the coming fiscal. Coming to profitability, our EBITDA for the year ended declined 17% to ₹34.5 Crore and PAT declined 26% to ₹22.6 Crores due to the reasons stated above. For price increase, we usually take a lag of one to two quarters to pass it on and hence the margins got impacted.

We won seven new accounts during the year while retaining all the existing ones

Stabilisation of H-Acid plant and its quality acceptance by customers has adds a new revenue stream

Our performance indicates something fundamental that we possess – strong resolve and persistence. And this are not just words for us. They are reflected in our character across all decisions that we take.

Resolving and moving ahead

Coming to internal factors relating to stabilizing the 1,200 MTPA H-Acid plant. We worked rigorously at this plant and after putting in months of efforts, we have been able to resolve all issues. The production line is now stabilized, and we have achieved the desired customer quality. H-Acid is new product that we have added in the dye intermediates basket to target export market and serve existing customers. I am happy to announce that our samples have been accepted by all our customers and we even received orders from them.

We continued to move at steady pace for all other expansion programs. Our 480 MTPA CPC Green has been completed. With this, our green capacity has now expanded from 1,920 MTPA to 2,400 MTPA. This line will soon be put to utilization and will start contributing from next fiscal onwards. It will enable us to meet the growing demand of our clients and ensure uninterrupted supply. In our specialty chemicals business,

we are progressing well with the 10,000 MTPA greenfield Precipitated Silica project. We expect it to commercialise by FY 2020. It will add another revenue stream for us.

Conviction of growing demand

After the environment crackdown episode in China, globally the chemical industry is witnessing a scenario where demand for quality and environmentally compliant dye and intermediates is surpassing supply. We expect this scenario to persist for sometime. It will contribute to growing demand for products from India which is the most competitive markets in the world owing its low-cost advantage and quality. This is expected to drive export market of domestic dyes industry. The industry will also benefit from rising domestic consumption on the backs of growth in textile industry.

Confidence in our capabilities

Moving ahead, I am sure we will be able to make good of the demand with our best quality reliable products and over two decades strong relationships

with the world's largest dyestuff houses. While on one hand we now have more capacities, on the other we continue to retain competitive advantage in the industry owing to our quality, cost and environmental compliances. We have made sustained investments in environmental technologies over the years including the ₹16 Crores committed in FY 2018-19. We are now probably amongst the world's most environment-friendly chemical companies. And this gives us an edge in a challenging global market marked by tightening environmental regulations.

Message to the shareholders

Your Company is convinced of improving market scenario and confident of capitalising on it. We have taken all right steps to be future ready and it is now a matter of perfect execution. I thank all our stakeholders for being with us through this exciting journey. I also thank our people for bringing in passion to work and contributing to the growth of the Company.

Warm wishes

Paru M. Jaykrishna
Chairperson.

MOVING AHEAD WITH CONFIDENCE

IN a world, where fast-paced changes are happening and customer need are continuously evolving, sustaining growth is both challenging and complex. In such scenario, we are confident that our competencies, market knowledge, incisive understanding of market dynamics and insightful view of emerging trends will enable us to deliver sustainably.

Confidence of delivering the best quality

Our investment in state-of-the-art manufacturing facility, advanced technologies and talented manpower enable us to deliver the best quality with a track record of zero rejection. This is reinforced by our constant efforts to undertake improvement initiatives and stringent monitoring by quality team right from raw material procurement to finished good. We also have in place standard operating procedures.

Confidence of being the preferred supplier

While we deliver industry best quality on one hand, on the other we ensure industry low costs to deliver unmatched value proposition to our customers. We ensure cost competencies through our advantage of large scale of operations that we effectively manage by achieving high capacity utilisation. This is done through employing best equipment and automation technologies and continuously undertaking shop floor and employee productivity improvement measures.

Confidence of being in the right market

We are confident that our presence in the right markets having strong demand potential which will enable us to ensure consistent growth in topline.

Confidence of retaining relations

We have adopted a zero-tolerance culture within our organisation for product quality and delivery schedule along with ensuring unmatched service standards. This has helped us to build long-term relationships with our customers.

MOVING AHEAD WITH CAPACITY

GLOBALLY the dye and pigments industry is increasingly witnessing consolidation in favour of India led by two key developments – rising demand due to surging industrial activity and environmental crackdown in China. The demand is further expected to accelerate on the back of strong growth in the textile market. This has created demand-supply imbalance in the global markets.

At AksharChem, we have prepared to deliver this global demand-supply imbalance by successfully adding new capacities during the year. We are also progressing well with other ongoing capacity expansion program. We believe these capacities would enable us to considerably grow our topline in the coming years.

Capacity to meet future demand

During the year, we have successfully added 480 MTPA of CPC Green to our existing capacity and added new capacity of 1,200 MTPA H-Acid to our production line. While the CPC Green capacity will enable us to consolidate our leadership position for the product, H-Acid will enable us to tap new customers and cross existing ones. We are also progressing well with our other capacity expansion program of 10,000 MTPA precipitated silica which shall further enhance our competitive positioning in the market.

Capacity of skilled manpower

We have added 36 manpower within the organisation and have provided necessary skill development training that shall enable us to effectively operate additional capacities.

Capacity of research and development

We have a strong team of research personnel who continuously work towards improving product quality and optimising production process enabling us to meet the growing expectation of customers.

Capacity of distribution network

We have established strong distribution network across our global markets of presence enabling us to effectively cater existing customers and build relations with new ones.

MOVING AHEAD WITH **CONVICTION**

UNDERTAKING the right steps and preparing ourselves with necessary capacity, right manpower and presence in right markets, we are now on the right side opportunity. We have conviction in our capabilities, in our values and ethical practices, in what the market has to offer and in our ability to consistently perform.

Conviction of positive global chemical market

With chemical industry in China facing intense regulatory clampdown and India having the advantage of low-cost labour, the country is expected to emerge as one of the most important chemical industry destinations.

Conviction in our management

Our management have deep understanding of the market dynamics. Their knowledge, ability to judge the market and develop right strategies have been crucial for the Company's growth. We have the conviction that the Company will continue to prosper under their guidance.

Conviction in our values and ethical practices

We have high regards for ethical practices. Since inception, we have always believed in being transparent and fair in all our dealings. Our customers globally value our ethical standards and continue to do business with us. Our practices make us one of the trusted global brands.

Conviction of expanding market share

Our processes and automation technologies are one of the best in the industry. Over time it has enabled us to improve efficiency, reduce human error and attain unmatched quality. We have the conviction that this competitive edge will enable us to gain market share in the future.

Conviction of growing shareholder value

We continue to have strong balance sheet strength on the back of our business model. Our net debt remains almost nil despite undertaking capacity expansion program. Our net worth is strong at ₹25,720.21 lakhs as on March 31, 2019. With our healthy balance sheet and strong demand for our product, we have the conviction of delivering more value to shareholders.

MOVING AHEAD WITH
RIGHT STRATEGIES

With the markets offering great opportunities, we have prepared a blueprint to be able to make most of the opportunity and ensure long-term value creation.

MOVING AHEAD TO A **SUSTAINABLE FUTURE**

Business success in today's context means creating value for all stakeholders including the society and the environment. Understanding its importance in a tightening regulatory context, we ensure that it forms the cornerstone of our corporate strategy. This makes us one of the most environment-friendly chemical companies globally. We are leveraging this competitive advantage to create more relationships and grow business.

At AksharChem, we continue to proactively invest in environmental technologies to remain ahead of regulations. We have procured internationally recognised processes that enables us to ensure minimum waste generated per unit, treat waste to permissible limits, emit fewer pollutants and recycle and reuse water.

Some of the key environment-related technologies at our plant include:

- Effluent treatment plant
- Water treatment plant

NOTES:**1. Proxy**

A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/ HERSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY.

Pursuant to the provisions of Section 105 of the Companies Act, 2013, a person can act as a proxy on behalf of not more than fifty (50) members and holding in aggregate not more than ten percent of the total Share Capital of the Company. Members holding more than ten percent of the total Share Capital of the Company may appoint a single person as proxy, who shall not act as a proxy for any other Member. The instrument of Proxy in order to be effective shall be deposited at the Registered Office of the Company, either in person or through post, duly completed and signed, not later than forty-eight hours before the commencement of the meeting. A Proxy form is sent herewith. Proxies submitted on behalf of the companies, societies etc., must be supported by an appropriate resolution/authority, as applicable.

2. Explanatory Statement

The relevant explanatory statement pursuant to provisions of Section 102 of the Companies Act, 2013 ("the Act") relating to the Special Business to be transacted at the Annual General Meeting ("Meeting") as set out under Item No. 4 to 11 of the Notice, is annexed hereto.

3. Book Closure

Pursuant to the provisions of Section 91 of the Companies Act, 2013, Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, September 24, 2019 to Monday, September 30, 2019 (both days inclusive).

4. Director proposed to be re-appointed

At the ensuing Annual General Meeting, Mr. Munjal M. Jaykrishna (DIN:00671693), retire by rotation and being eligible, offers himself for re-appointment. The Board of Directors of the Company recommends his re-appointment. The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are given in annexure to notice of Annual General Meeting.

5. The Company's Statutory Auditors M/s. Mahendra N. Shah & Co., Chartered Accountants (Firm Registration No. 105775W), Ahmedabad were appointed as the Statutory Auditors of the Company to hold office for a term of 5 (five) consecutive years from

the conclusion of Twenty Eighth Annual General Meeting till the conclusion of Thirty Third Annual General Meeting of the Company (subject to ratification of such appointment at every Annual General Meeting, if so required under the Companies Act, 2013).

Pursuant to the Companies (Amendment) Act, 2017, effective from May 7, 2018, the requirement of seeking ratification of the Members for the appointment of the Statutory Auditors has been withdrawn from Section 139 of the Companies Act, 2013.

In view of the above, no resolution is proposed for ratification of appointment of the Statutory Auditors. As authorised by the members, at the 28th Annual General Meeting, the Board of Directors (the Board), as recommended by the Audit Committee, has ratified the appointment of the Statutory Auditors for their respective remaining terms, at such remuneration as may be mutually agreed between the Board and the Statutory Auditors, from time to time. The Statutory Auditors have given a confirmation to the effect that they are eligible to continue with their appointment and that they have not been disqualified in any manner from continuing as the Statutory Auditors.

6. Payment of Dividend

The dividend on equity shares for the financial year 2018-19, if declared by the members, will be paid within thirty days of declaration by members:

Item No. 7 & 8

Mr. Gautam Jain (DIN: 00160167), and Dr. Pradeep Jha (DIN : 01539732), were appointed as Independent Directors at the 25th Annual General Meeting held on September 25, 2014, to hold office for a term of five consecutive years till the conclusion of 30th Annual General Meeting.

On the recommendation of Nomination and Remuneration Committee of the Board of Directors, on the basis of the report of performance evaluation of Independent Directors, the Board of Directors have re-appointed Gautam Jain and Dr. Pradeep Jha as Independent Director(s) of the Company for a second term of 5 (five) consecutive years commencing from August 12, 2019 in accordance with the provisions of the Companies Act, 2013 (Act) and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), subject to approval of members by way of special resolution in the ensuing Annual General Meeting.

Mr. Gautam Jain and Dr. Pradeep Jha have consented to their re-appointment and have confirmed that they do not suffer from any disqualifications which stand in the way of their re-appointment

as the Independent Directors. The Company has also received declarations from the aforesaid Independent Directors confirming that they meet the criteria of independence as prescribed under Section 149 (6) of the Act and Regulation 16(1)(b) of the Listing Regulations. The Company has received a Notice from a member in writing under Section 160 of the Act, proposing their candidature for the office of Independent Directors. In the opinion of the Board, the aforesaid Independent Directors fulfill the conditions specified under the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the Listing Regulations for their re-appointment as Independent Directors of the Company and are independent of the management.

Regulation 17(1A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 notified on June 7, 2018 prescribes that no listed entity shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of seventy five years unless a special resolution is passed to that effect.

Nomination and Remuneration Committee of the Board discussed the matter and considered continuation of Directorship of Dr. Pradeep Jha, who may attain the age of 75 years during the tenure of reappointment.

The above mentioned Independent Directors are experts in their respective fields and their experience and valuable guidance is beneficial to the Company. The Board based on the recommendation of Nomination and Remuneration Committee and considering benefits of the expertise of the aforesaid independent Directors, has recommended the resolutions for approval of shareholders by way of special resolution.

Brief profile of the aforesaid Independent Directors and the disclosures required under the Listing Regulations forms part of the Notice.

A copy of the letters of their appointment as Independent Directors, setting out the terms and conditions of their appointment are available for inspection by the members at the registered office of the Company on all working days (except Saturday and public holidays) between 11.00 a.m. to 1.00 p.m. and will also be available at the Annual General Meeting.. The Board commends the Special Resolution(s) set out at Item No. 7 and 8 of the Notice for the approval by the Members.

Except Mr. Gautam Jain and Dr. Pradeep Jha and their relatives, none of the Directors, Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the respective resolutions for their appointment, set out at Item No. 7 & 8 of this Notice.

The Board of Directors recommends the passing of the Special Resolutions set out at item No. 7 & 8 for approval of the members.

Item No. 9

As per the provisions of Section 197 of the Companies Act, 2013 ("the Act") the overall managerial remuneration to Directors shall not exceed 11 per cent (11%) of the net profits of the Company calculated in accordance with Section 198 of the Act ("Net Profit") and should be within the sub-limits as prescribed under the second proviso to Sub-Section (1) of Section 197 of the Act.

As per the amendments made by the Companies (Amendment) Act, 2017 in the second proviso to Sub-Section (1) of Section 197 of the Act, which were made effective from September 12, 2018, with the approval of the Members of the Company by special resolution at the general meeting, pay remuneration to the Managing Director, Whole Time Director or Manager, in excess of 5 per cent (5%) of the Net Profit for a particular financial year and where there is more than one such Directors, in excess of 10 per cent (10%) of the Net Profit to all of them together and to the Non-Executive Directors in excess of 1 per cent (1%) of the Net Profit of the Company.

Accordingly, approval of the Members is being sought for the Special Resolution as set out under Item No. 9 of the Notice for payment of remuneration to Directors in excess of sub-limits prescribed under the provisions of Section 197 of the Act for the Financial Year 2019-20 and subsequent years.

None of the Key Managerial Personnel of the Company / their relatives, other than the Directors to the extent of remuneration which may be paid to them in accordance with the provisions of Section 197 of the Companies Act, 2013, are concerned or interested, financially or otherwise, in the Special Resolution set out at Item No. 9 of the Notice.

The Board of Directors recommends the passing of the Special Resolution set out at item No. 9 for approval of the members.

Item No. 10

As required under Regulation 17 (6)(e) of the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018 ('Listing Regulations'), inserted by SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the fees or compensation payable to executive directors who are promoters or members of the promoter group of the listed entity, shall be subject to the approval of the shareholders by special resolution in general meeting, if:

- (i) Annual remuneration payable to such executive director exceeds ₹5 Crore or 2.5 per cent (2.5%) of the net profits of the listed entity, whichever is higher; or
- (ii) Where there is more than one such director, the aggregate annual remuneration to such directors exceeds 5 per cent (5%) of the net profits of the listed entity. Further, the approval of the shareholders under the said Regulation shall be valid only till the expiry of the terms of such director.

In view of the above and in order to have a flexibility for payment of annual remuneration to the Executive Director(s) who are Promoter(s) or Member(s) of Promoter Group in excess of the limits as mentioned in Regulation 17 (6)(e) of the Listing Regulations from Financial Year 2019-20 and for subsequent years, till the expiry of respective term of such Executive Directors, it is necessary to obtain the approval of shareholders by way of Special Resolution.

None of the Key Managerial Personnel of the Company / their relatives, other than the Directors to the extent of remuneration which may be paid to them in accordance with the provisions of Section 197 of the Companies Act, 2013, are concerned or interested, financially or otherwise, in the Special Resolution set out at Item No. 10 of the Notice.

The Board of Directors recommends the passing of the Special

Resolution set out at item no. 10 for approval of the members.

Item No. 11

In order to augment resources inter alia, for financing capital expenditure and / or for general corporate purposes, the Company may offer or invite subscription for secured and / or unsecured, bonds, Commercial Paper ("CP") or any other Debt securities in one or more series / tranches on private placement basis.

Pursuant to the provision of Section 42 and any other applicable provisions of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, a Company shall not make a private placement of its securities unless the proposed offer of securities or invitation to subscribe securities has been previously approved by the members of the Company by a Special Resolution for each offer or invitation. Further, the sub rule (2) of the said Rule 14 states that in case of an offer or invitation to subscribe for non-convertible debentures on private placement, the Company shall obtain previous approval of the members by means of special resolution only once in a year for all the offers or invitations for such debentures during the year.

Accordingly, consent of the members is sought for passing a Special Resolution as set out under this item No. 11 of the Notice. This resolution enables the Board of Directors of the Company / its duly authorised Committee to offer or invite subscription for debt securities, including but not limited to non-convertible debentures, commercial paper, bonds, etc., whether in rupee denominated or denominated in foreign currency, in one or more series or tranches aggregating up to ₹300 crores (Rupees Three Hundred Crores Only), as deemed fit, from time to time, during the period commencing from the date of passing of special resolution till completion of one year thereof or the date of next Annual General Meeting to be held in calendar year 2020, whichever is earlier within a period of one year within the overall Borrowing limits of the Company, as approved by the Members from time to time.

None of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 11.

The Board of Directors recommends the passing of the Special Resolution set out at item No. 11 for approval of the members.

STATE OF COMPANY'S AFFAIRS

The highlights of the Company's performance are as under:

General

Financial Year 2019 has ended on a positive note with topline growth of 22% Y-o-Y. Our growth was led by increase in volumes, change in product mix and higher realizations.

On volume front, we have achieved Y-o-Y growth of 9% with a volume of 9,562 metric tonnes. On product mix, we have introduced new products H-Acid along with a change in product mix of Vinyl Sulphone and green. On realisation front, Higher realizations were largely due to environmental situation in China which we expect to stabilize from its peak in the coming financial year, part of which is reflected in our FY2019 realizations.

However, our profitability was impacted due to several internal and external reasons. Our gross profit margins were impacted on back of high volatility of crude prices along with currency fluctuations, which was beyond our control. Also there was disruption in supply of a few of the input raw materials resulting in increased cost of production.

Results of Operations

During the year under review, the turnover of the Company has increased from ₹26,471.61 Lakhs to ₹32,288.38 Lakhs. However, the Profit after Tax (PAT) has decreased from ₹3,056.14 Lakhs to ₹2,258.95 Lakhs.

Exports

The export turnover has increased from ₹22,483.15 Lakhs to ₹26,682.54 Lakhs compared to previous year. Continuous efforts are being taken to increase exports by exploring new markets.

VI. PENALTIES / PUNISHMENT/ COMPOUNDING OF OFFENCES:

There were no instances of any penalties/punishment/compounding of offences for the year ended March 31, 2019.

OVERVIEW

AksharChem (India) Limited is one of the leading organic chemicals manufacturing company based in India with a focus on exports to over 20 countries. Our product offerings fall into two categories being dyes and pigments, within the organic chemical spectrum. We are specialised in manufacturing Vinyl Sulphone and CPC Green which have multiple applications in textile, inks, rubber, plastics, paints and leather industries. For both these products, we are one of the key manufacturers and have been recognised as Star Export House by the Government of India. We believe that we have built strong reputation in our markets, over 28 years of experience that has translated to a customer base. Further the Company has added new product namely H Acid in its products portfolio.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Our manufacturing facility is located in Gujarat, with installed manufacturing capacity of 10,200 MTPA, as of March 31, 2019. Our facility is fully integrated and equipped to manage products from the stage of chemical treatment to dispatch, lending us competitive advantages such as cost effectiveness and maintenance of quality standards. Our facility includes automated and cost-efficient systems and quality control and quality assurance laboratories, among others.

There has been strict enforcement of environment regulations in India. Also globally the environmental laws are only getting stricter. We being one of the most environmental friendly company stand a better chance in this market. Our company puts a lot of efforts and adheres to the environmental norms pertaining to effluent treatment expenses. We have been consistently spending on the pollution treatment expenses. We have spent ₹16 Crores towards pollution treatment expenses for the FY2019.

The recent incident in Jiangsu in China has led to implementation of strict environmental regulations. This has caused temporary disruption in many segments with both prices and supply being impacted. It is not expected that this will continue for long, but gradually companies will adhere to higher levels of safety norms and production may come back on stream. For Q4 FY19, Our topline increased by 5% YoY with a volume growth of 4%. We have achieved 12% volume growth Q-o-Q, with 2,643 metric tonnes. Increase in volumes is on back of new product addition and increase in capacity utilization. It gives us confidence that the demand for the product is intact and we were able to get the business because of our best quality reliable products and over two decades of relationship with the biggest dyestuff houses in the world.

OPPORTUNITIES AND THREATS

To service our clients on a continuous basis, we have strengthened our capabilities through capacity expansion. Our expansion of CPC green of 480 MTPA was completed in the first half of financial year 2019, this has resulted in an increase of our green capacity from 1920 to 2,400 MTPA. CPC green contributed 29% of our revenues in

FY2019. In this business, there is no China factor. As a result, the price and margins generally tend to be stable.

We had started manufacturing of H Acid in Q3 FY2019 when we faced some teething trouble in terms of quality and yield. During Q4 FY19, we have been partially successful to resolve the issues and production has normalized. Our main objective to setup H-Acid plant is to target export market and to serve our existing customers. To achieve the quality standard of our customers, we worked rigorously and took two and a half months to achieve the quality as per the customers' requirement.

OUTLOOK AND STRATEGY

Our growth was led by increase in volumes, change in product mix and higher realizations. On volume front, we have achieved Y-o-Y growth of 9% with a volume of 9,562 metric tonnes. On product mix, we have introduced new products H-Acid along with a change in product mix of Vinyl Sulphone and green. On realisation front, Higher realizations were largely due to environmental situation in China which we expect to stabilize from its peak in the coming financial year, part of which is reflected in our FY2019 realizations.

We have been successful to get orders from the prestigious customers for H Acid. Going ahead, we expect a little higher utilization of the capacity.

RISKS AND CONCERNS

Our profitability was impacted due to several internal and external reasons. Our gross profit margins were impacted on back of high volatility of crude prices along with currency fluctuations, which was beyond our control. Also there was disruption in supply of a few of the input raw materials resulting in increased cost of production.

Our EBITDA levels were impacted due to higher expenditure due to new capacity addition of H Acid. Our company started manufacturing of H-Acid where initially we faced teething troubles with quality and yield. This led to one-off losses. However, now we have been successful to resolve these issues and it has stabilized. Our company has been continuously putting efforts and are focused on expanding geographic footprint, adding new clients. We have developed seven new relationships. Though as of now they are negligible to our wallet share, we expect to leverage our relationship in the long run by providing them our quality products. Going ahead, we expect good business from them.

FINANCIAL AND OPERATIONAL PERFORMANCE

The financial performance of the year 2018-19 was affected largely because of several internal and external reasons. Our gross profit margins were impacted on back of high volatility of crude prices along with currency fluctuations, which was beyond our control. Also there was disruption in supply of a few of the input raw materials resulting in increased cost of production. The overall performance of the Company is satisfactory. Below are the Financial Figures for the financial year 2018-19.

Independent Auditor's Report

To the Members of AksharChem (India) Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of AksharChem (India) Limited (the 'Company') which comprise the Balance Sheet as at March 31, 2019, and the statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its profit, total comprehensive income, the changes in equity and its cash flows for the year then ended on that date.

We also reviewed the appropriateness of estimated useful lives applied in the calculation of depreciation.</p>

Information other than Financial Statements & Auditors Report thereon.

The Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the Board's Report including Annexures to Board's Report and Management Discussion & Analysis, but does not include the standalone financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the Other Information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's Responsibilities Relating to Other Information'.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the

Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively or ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the

reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (the "Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our

information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company has disclosed the impact of pending litigations on the financial position of its financial statements (Refer Note 36 to the financial statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company.

**“Annexure A” to
the Independent Auditors’ Report**

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirements’ of our report of even date to the financial statements of the Company for the year ended March 31, 2019:

1. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets;
- (b) The Company has regular programme of physical verification of fixed assets by which all fixed assets are verified in phased manner over period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and nature of its business. According to information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties included in property, plant and equipment are held in the name of the company.
2. According to information and explanations given to us, the physical verification of inventories has been conducted at reasonable intervals by the management during the year and no material discrepancies were noticed on such physical verification during the year.
3. According to information and explanation given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under Section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
4. In our opinion and according to the information and explanations given to us, the Company has complied with provisions of Section 186 of the Companies Act, 2013 in respect

of investments. The Company has not granted loan or given guarantee or provided security as provided in the Section 185 and 186 of the Companies Act, 2013.

5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit from the public in accordance with the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable to the Company and hence not commented upon.
6. The Central Government has prescribed maintenance of Cost Records under Section 148(1) of the Companies Act, 2013 in respect of manufacturing activities of the Company. We have broadly reviewed the accounts and records of the Company in this connection and are of the opinion, that prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
7. According to information and explanations given to us in respect of statutory dues and on the basis of our examination of the books of account, and records :
 - (a) the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, Goods & Service Tax, Duty of Customs, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above statutory dues were in arrears as at March 31, 2019 for a period of more than six months from the date on when they become payable.
 - (b) According to the information and explanations given to us, there are no material dues of Income Tax, Sales Tax, Service Tax, Goods & Service Tax and Customs Duty which have not been deposited with the appropriate authorities on account of any dispute, except following :

“Annexure B” to the Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of AksharChem (India) Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s Judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the

Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company. (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles , and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as on March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reports issued by the Institute of Chartered Accountants of India.

NOTES

1. Company Information

AksharChem (India) Limited (the 'Company') is a public limited Company domiciled in India with its registered office at 166/169, Village Indrad, KadiKalol Road, Dist. Mehsana, Gujarat - 382 715 (India). The equity shares of the Company are listed on BSE Limited (BSE), National Stock Exchange of India Limited (NSE) and Ahmedabad Stock Exchange Ltd. (ASE).

The Company is principally engaged in the business of manufacturing & export of Dyes and Pigments.

The financial statements as at March 31, 2019 present the financial position of the Company.

The financial statements for the year ended March 31, 2019 were approved by the Board of Directors and authorized for issue on May 14, 2019.

2. Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

(i) Compliance with Ind-AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

(ii) Basis of Preparation and presentation

The financial statements have been prepared and presented on the going concern basis and at historical cost basis considering the applicable provisions of Companies Act 2013, except for the following items that have been measured at fair value as required by relevant IND AS.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

- Certain financial assets/liabilities measured at fair value (refer accounting policy regarding financial instruments) and
- Any other item as specifically stated in the accounting policy.

(iii) Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

(iv) Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time

lag between the acquisition of assets for processing and their realisation in cash and cash equivalents, 12 months period has been considered by the Company as its normal operating cycle.

(iv) Rounding off amounts

The financial statements are presented in INR and all values are rounded to the nearest Lakhs (INR 1,00,000) as per the requirement of Schedule III, unless otherwise stated.

2.2 Key accounting estimates & judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable.

2.2.1 Critical accounting estimates

- Useful lives and residual values of Property, plant and equipment represent a material portion of the Company's asset base. The periodic charge of depreciation is derived after estimating useful life of an asset and expected residual value at the end of its useful life. The useful lives and residual values of assets are estimated by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on various external and internal factors including historical experience, relative efficiency and operating costs and change in technology.

- Income taxes

The Company's tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes including amounts to be recovered or paid for uncertain tax positions. Management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

- Defined benefit obligations

Defined benefit obligations are measured at fair value for financial reporting purposes. Fair value determined by actuary is based on actuarial assumptions. Management judgement is required to determine such actuarial assumptions. Such assumptions are reviewed annually using the best information available with the Management.

- Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not

recognised.

2.3 Property, Plant and Equipment (PPE) (IND AS 16)

These tangible assets are held for use in production, supply of goods or services or for administrative purposes. Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses except for freehold land which is not depreciated. Cost includes purchase price after deducting trade discount/rebate, import duties, non-refundable taxes, Net of GST input credit wherever applicable, cost of replacing the component parts, borrowing costs and other directly attributable cost of bringing the asset to its working condition in the manner intended by the management.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Company in future periods and the cost of the item can be measured reliably. Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

Items such as spare parts, standby equipment and servicing equipment are recognized as PPE when it is held for use in the production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise such items are classified as inventory.

Expenditure on acquisition of PPE for Research and Development (R&D) is included in PPE and depreciation thereon is provided as applicable.

The Company adjusts exchange differences arising on translation difference/settlement of long term foreign currency monetary items outstanding and pertaining to the acquisition of a depreciable asset to the cost of asset and depreciates the same over the remaining life of the asset. The depreciation on such foreign exchange difference is recognised from first day of its financial year.

De-recognised upon disposal

An item of PPE is derecognised on disposal or when no future economic benefits are expected from use or disposal. Any gain or loss arising on derecognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss when asset is derecognised.

Treatment of Expenditure during Construction Period

Expenditure, net of income earned, during construction (including financing cost related to borrowed funds for construction or acquisition of qualifying PPE) period is included under capital work-in-progress, and the same is allocated to the respective PPE on the completion of construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under

“Other Non-Current Assets”.

Depreciation

The depreciable amount of an asset is determined after deducting its residual value. Where the residual value of an asset increases to an amount equal to or greater than the asset's carrying amount, no depreciation charge is recognized till the asset's residual value decreases below the asset's carrying amount. Depreciation of an asset begins when it is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the intended manner. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale in accordance with IND AS 105 and the date that the asset is derecognised.

The Company depreciates its property, plant and equipment (PPE) over the useful life in the manner prescribed in Schedule II to the Act. Management believes that useful life of assets are same as those prescribed in Schedule II to the Act, except for plant and equipment wherein based on technical evaluation, useful life has been estimated to be different from that prescribed in Schedule II of the Act. Useful life considered for calculation of depreciation for various assets class are as follows:-

Asset Class	Useful Life
Factory Building	30 years
Non-Factory Building	60 years
Road, Fencing, Borewell, etc.	5/10 years
Plant & Equipment	15/20 years
Lab Equipment	10 years
Electric Installation	10 years
Furniture & Fixtures	10 years
Office Equipment	5 years
Vehicles	8 years
Computers	3 years

The identified component of fixed assets are depreciated over the useful lives and the remaining components are depreciated over the life of the principal assets.

Depreciation on fixed assets added/disposed off during the period is provided on pro-rata basis with reference to the date of addition/disposal.

The assets residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Leasehold Land is amortised over the primary period of the lease.

2.4 Intangible assets (IND AS 38)

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of

any changes in estimate being accounted for on a prospective basis.

Computer Software

Computer software are amortized over period of 3 years.

Internally Generated Intangible Assets - Research and Development Expenditure:

Expenditure incurred on development is capitalised if such expenditure leads to creation of any intangible asset, otherwise, such expenditure is charged to the Statement of Profit and Loss. PPE procured for research and development activities are capitalised.

2.5 Leases (IND AS 17)

At the inception of a lease, the lease arrangements is classified as either a finance lease or an operating lease, based on the substance of the lease arrangement.

As a Lessee:

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowing or other financial liabilities as appropriate.

Each lease payment is allocated between the liability and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from lessor) are charged to profit or loss on straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a Lessor:

Lease income from operating leases where the Company is a lessor is recognised in other income on straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Deposits provided to Lessor:

The Company is generally required to pay refundable security deposits in order to obtain property leases from various lessors.

Such security deposits are financial assets and are recorded at fair value on initial recognition. The difference between the initial fair value and the refundable amount of deposit is recognised as lease prepayments. The initial fair value is estimated as the present value of the refundable amount of security deposit, discounted using the market interest rates for similar instruments.

Subsequent to initial recognition, the security deposit is measured at amortised cost using the effective interest method with carrying amount increased over the lease period up to the refundable amount. The amount of increase in the carrying amount of deposit is recognised as interest income. The lease repayment is amortised on straight-line basis over the lease term as lease rentals expense.

2.6 Inventories (IND AS 2)

Inventories consisting of stores and spares, raw materials, work in progress, stock in trade, goods in transit and finished goods are valued at lower of cost and net realisable value. However, materials held for use in production of inventories are not written down below cost, if the finished products are expected to be sold at or above cost.

The cost is computed on FIFO basis and is net of credits under GST.

Goods and materials in transit include materials, duties and taxes (other than those subsequently recoverable from tax authorities) labour cost and other related overheads incurred in bringing the inventories to their present location and condition.

Traded goods includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

2.7 Borrowing Cost (IND AS 23)

Borrowing cost includes interest expense, amortisation of discounts, ancillary costs incurred in connection with borrowing of funds and exchange difference, arising from foreign currency borrowings, to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are attributable to the acquisition or construction or production of a qualifying asset are capitalised as part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing cost are recognised in the Statement of Profit and Loss in the period in which they are incurred.

2.8 Impairment of Assets (IND AS 36)

At the end of each reporting period, the Company reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit (CGU) to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable

amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss. Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Where an impairment loss subsequently reverses, the carrying amount of the asset or CGU is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset or CGU in prior years. A reversal of an impairment loss is recognised in the Statement of Profit and Loss.

2.9 Government Grants (IND AS 20)

Government grants are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received. When the grant relates to an expense item, it is recognised in the Statement of Profit and Loss by way of a deduction to the related expense on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income on a systematic basis over the expected useful life of the related asset.

2.10 Taxes (IND AS 12)

Income tax expense represents the sum of tax currently payable and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

a) Current Tax

Current tax includes provision for Income Tax computed under Special provision (i.e., Minimum alternate tax) or normal provision of Income Tax Act. Tax on Income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments/appeals.

b) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed

depreciation can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

c) Minimum Alternate Tax (MAT):

MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised, it is credited to the Statement of Profit and Loss and is considered as (MAT Credit Entitlement). The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period. Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for a specified period of time, hence, it is presented as Deferred Tax Asset.

2.11 Employees Benefits (IND AS 19)

a) Employee Benefits

All employee benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., are recognized during the period in which the employee renders related services and are measured at undiscounted amount expected to be paid when the liabilities are settled.

b) Post-employment obligations

The Company operates the following post-employment schemes:

- (i) Defined benefit plans such as gratuity and;
- (ii) Defined contribution plans such as provident fund.
- (i) Defined benefit plans-Gratuity obligations

The liability or assets recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligations at the end of the reporting period less the fair value of plan assets.

The defined benefit obligation is calculated annually by actuaries

using the projected unit credit method. The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The benefits which are denominated in currency other than INR, the cash flows are discounted using market yields determined by reference to high quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and change in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

(ii) Defined contribution plans

The Company pays provident fund contributions to publicly administered funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due.

2.12 Provisions, Contingent Liability and Contingent Assets (IND AS 37)

Disputed liabilities and claims against the company including claims raised by fiscal authorities (e.g. Sales Tax, Income Tax, Excise, GST etc.) pending in appeal / court for which no reliable estimate can be made and or involves uncertainty of the outcome of the amount of the obligation or which are remotely poised for crystallization are not provided for in accounts but disclosed in notes to accounts. However, present obligation as a result of past event with possibility of outflow of resources, when reliable estimation can be made of the amount of obligation, is recognized in accounts in terms of discounted value, if the time value of money is material using a current pre-tax rate that reflects the risk specific to the liability. No contingent asset is recognized but disclosed by way of notes to accounts.

2.13 Trade and Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

2.14 Revenue Recognition (IND AS 18)

Effective April 1, 2018, the Company has applied Ind AS 115 "Revenue from Contracts with Customers", which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. Ind AS 115 replaces Ind AS 18 "Revenue". The impact of the adoption of the standard on the financial statements of the Company is insignificant.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government such as Goods and Services Tax, etc.

Sale of Goods

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customers and there are no longer any unfulfilled obligations. The performance obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue from sales excludes GST. It is measured at fair value of consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Rendering of Services

Revenue from rendering of services is recognized as per the terms of the contract with customers when related services are performed and when the outcome of the transactions involving rendering of services can be estimated reliably.

Dividend Income

Dividend Income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

Interest Income

Interest Income on financial assets measured at amortised cost is recognised on a time-proportion basis using the effective interest method.

Other Income

Other income is recognised when no significant uncertainty as to its determination or realisation exists.

2.15 Cash Flows and Cash and Cash Equivalents (IND AS 7)

Statement of cash flows is prepared in accordance with the indirect method prescribed in the IND AS 7. For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheques and drafts on hand, deposits held with Banks, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and book overdrafts. However, Book overdrafts are shown within borrowings in current liabilities in the balance sheet for the purpose of presentation

2.16 Earnings per share (IND AS 33)

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after 'income-tax' effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.17 Segment Reporting (IND AS 108)

Based on "Management Approach" as defined in IND AS 108 – Operating Segments, the Management evaluates the Company's performance and allocates the resources based on an analysis of various performance indicators by business segments.

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

2.18 Foreign Currency Transactions(IND AS21)

In preparing the financial statements of the Company, transactions in foreign currencies, other than the Company's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the rate prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise except for:

- exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings; and
- exchange differences on transactions entered into in order to hedge certain foreign currency risks.

2.19 Events occurring after the balance sheet date (IND AS 10)

Assets and liabilities are adjusted for events occurring after the reporting period that provides additional evidence to assist the estimation of amounts relating to conditions existing at the end of the reporting period.

Dividends declared by the Company after the reporting period are not recognized as liability at the end of the reporting period. Dividends declared after the reporting period but before the issue of financial statements are not recognized as liability since

no obligation exists at that time. Such dividends are disclosed in the notes to the financial statements.

2.20 Financial Instruments (IND AS 109)

i. Recognition and initial measurement

All financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- Fair Value through Other Comprehensive Income (FVOCI) – equity investment; or
- Fair Value Through Profit and Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI. (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortized cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial liabilities

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

De-recognition

Financial assets

The company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The company de-recognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The company also de-recognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the company

currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

2.21 Cash Dividend to Equity Holders of the Company:

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

2.22 Research and Development

Expenditure on research is recognized as an expense when it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred.

Items of property, plant and equipment and acquired intangible assets utilized for research and development are capitalized and depreciated / amortized in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

2.23 Goods and Service Tax / Service Tax input Credit:

Goods and Service tax / Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

Securities Premium :

The amount received in excess of face value of the equity shares is recognised in Securities Premium Reserve. The reserve is utilised in accordance with the specific provisions of the Companies Act, 2013.

General Reserve :

General Reserve has been created by transfer out of profit generated by the Company and is available for distribution to shareholders. Under the erstwhile Companies Act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to the introduction of the Companies Act, 2013, the requirement to mandatory transfer a specified percentage of net profit to general reserve has been withdrawn.

Retained Earnings:

Retained earnings are the profits that the Company has earned till date including effect of remeasurement of defined benefit obligations less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained Earnings is a free reserve available to the Company.

NOTES

Equity Instruments through Other Comprehensive Income:

This represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income, under an irrevocable option, net of amounts reclassified to retained earnings when such assets are disposed off.

Effective portion of Cash Flow Hedges:

This Reserve represents the cumulative effective portion of changes in Fair Value of derivatives that are designated as Cash Flow Hedges. It will be reclassified to profit or loss or included in the carrying amount of the non-financial asset in accordance with the Company's accounting policy.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON MARCH 31, 2019

42. Financial Risk Management - Objectives and Policies

The Company's financial liabilities comprise other than derivatives mainly of borrowings, trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets, other than derivatives, include trade and other receivables, other balances with banks, loans, investments and cash and cash equivalents that arise directly from its operations.

The Company's activities are exposed to Credit risk, Liquidity Risk and Market risk.

The Board of directors of the Company are overall responsible for the establishment and oversight of the company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the company's activities.

The Company's audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

42.1 Credit Risk Management

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers and loans. The carrying amounts of financial assets represent the maximum credit risk exposure.

Trade Receivables and Loans

The company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base. The company has established a credit policy under which each new customer is analyzed individually for creditworthiness before the company's standard payment and delivery terms and conditions are offered. Sale limits are established for each customer and reviewed quarterly. Any sales exceeding those limits require approval from the management of the company.

The company limits its exposure to credit risk from trade receivables by establishing a maximum payment period of 120 days for customers. More than 85% of the company's customers have been transacting with the company for over four years, and none of these customers' balances are credit-impaired at the reporting date.

Confirmation of balances from Debtors & Loans and Advances have been received and the same is being reconciled.

Cash and Cash Equivalents

The company holds cash and cash equivalents of ₹24.23 Lakhs at March 31, 2019 (P.Y. ₹383.19 Lakhs). The cash and cash equivalents are held with bank and cash on hand.

42.2 Liquidity Risk

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation. The company uses process costing to cost its products, which assists it in monitoring cash flow requirements and optimizing its cash return on investments.

42.3 Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates and interest rates – will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

42.4 Interest Rate Risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

With all other variables held constant, the following table demonstrates the impact of the borrowing cost on floating rate portion of loans and borrowings and excluding loans on which interest rate swaps are taken.

42.6 Price Risk

Investment Price Risk

The company's exposure to price risk arises from investments in equity and mutual fund held by the company and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from investments, the company diversifies its portfolio.

Sensitivity Analysis

The table below summarises the impact of increase/decrease of the index on the company's equity and profit for the period. The analysis is based on the assumption that the price of the instrument has increased by 3% or decreased by 3% with all other variables held constant.

₹ 1 Increase in price of Ethylene Oxide	(14.75)	(12.95)

43. Capital management

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirement of the financial covenants.

The company monitors capital using gearing ratio, which is net debt divided by total equity plus debt. (₹ in Lakhs)

Particulars	As at March 31, 2019	As at March 31, 2018
Borrowings	1,152.57	-
Less : Cash & Cash Equivalents Including investment in Liquid Fund.	24.23	4,418.34
Net Debt (A)	1,128.34	(4,418.34)

Equity and Net Debt (B)	26,848.55	19,354.10
Gearing Ratio (A/B)	0.04	-

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest bearing loans and borrowing in the current period.

As at March 31, 2019, the Company has only one class of equity shares. No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2019.

44. In the opinion of the Board, the current assets, loans and advances are approximately of the value stated in the balance sheet, if realised in the ordinary course of the business. Provision for depreciation and all known liabilities have been made in accounts.

45. In terms of Ind As 36 – Impairment of Assets issued by ICAI, the management has reviewed its fixed assets and arrived at the conclusion that impairment loss which is difference between the carrying amount and recoverable value of assets, was not material and hence no provision is required to be made.

46. Financial Instruments - Fair Values & Risk Management

46.1 Accounting Classifications & Fair Value Measurements

The fair values of the financial assets and liabilities are measured at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

All financial instruments are initially recognized and subsequently re-measured at fair value as described below :

1. The fair value of investment in quoted equity shares and mutual funds is measured at quoted price or NAV.
2. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON MARCH 31, 2019

instruments.

3. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.
4. The fair value of forward foreign exchange contracts and currency swaps is determined using forward exchange rates and yield curves at the balance sheet date.
5. The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:
 Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities.
 Level 2 : Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
