To the Board of Directors of Britannia Industries Limited

We have reviewed the accompanying statement of unaudited standalone financial results ('Statement') of Britannia Industries Limited ('the Company') for the quarter ended 31 December 2018 and the year to date results for the period from 1 April 2018 to 31 December 2018 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these standalone financial results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" specified under Section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

Press Release

Britannia Consolidated Revenue grew 11%, & Net Profit increased by 14% for the quarter

Mumbai, Nov 12th, 2018: Britannia Industries Ltd. (BIL), India's leading Food Company, reported consolidated revenue growth of 11% for the Quarter at Rs. 2,827 crores. Net profit for the quarter at Rs. 301 Crs increased by 14%.

Commenting on the performance, Mr. Varun Berry, Managing Director, said,

“Our consistent performance over the past 24 quarters continued with a revenue growth of 11% and Net profit growth of 14% in the quarter. The building blocks of the business continued to be: expanding distribution reach in urban & rural markets, increasing presence and share in weak territories, accelerating innovation journey and doubling down on cost through our Cost efficiency programs.

In the base business, we continued our Premiumisation & Innovation journey with launch of “Whole Wheat Vita MarieGold”, “Good Cashew Almond” and renovation of 50-50 & Tiger Creams. We also bridged portfolio gaps in our Cakes business with launch of “Swiss Rolls” and “Layer Cakes”. In line with our goal to become a “Global Total Foods Company” our new launches “Cream Wafers” and “Flavoured Milk Shakes” in Tetra Packs have received positive response in the market. Project work at the Greenfield unit in Nepal is progressing well and is expected to be commissioned by end of the current year, giving us local presence in the country. In the coming quarters, priority will also be on bridging portfolio gaps in our bakery business and other adjacent macro snacking business opportunities to ensure we stay ahead of market and achieve profitable growth. In line with our organization goals, we have also set up strategic business units for Adjacent Bakery, Dairy & International Business.

On the commodity front, we witnessed moderate inflation in the prices of key raw materials. We have progressed well in our journey of building technologically superior factories, in this context, I am pleased to announce commissioning of additional Cake & Biscuit lines at Ranjangaon.

We have witnessed slowdown in market place in the recent months, however this should get neutralised with the measures taken in the Interim Finance budget to boost rural consumption”.
