**INDEPENDENT AUDITORS' REPORT
TO THE BOARD OF DIRECTORS OF
ADANI PORTS AND SPECIAL ECONOMIC ZONE LIMITED**

1. We have audited the accompanying Statement of Consolidated Financial Results of **ADANI PORTS AND SPECIAL ECONOMIC ZONE LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the loss of its joint ventures for the year ended March 31, 2019 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Board of Directors, has been compiled from the related consolidated financial statements which has been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder ("Ind AS") and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such consolidated financial statements.
3. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Parent's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Parent's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in paragraph 6 below, is sufficient and appropriate to provide a basis for our audit opinion.

4. In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate financial statements of subsidiaries and joint venture referred to in paragraphs 6 below, the Statement:

includes the results of the parent, subsidiaries and joint ventures as given in the annexure to this report ;

- b. is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016; and
- c. gives a true and fair view in conformity with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India of the net profit, Total comprehensive income and other financial information of the Group for the year ended March 31, 2019.

5. We draw attention to:

- (i) Note 6(a) to the Statement, which describes the management's assessment for recoverability of the project cost incurred by Parent, pending execution of definitive agreements between the parties.
- (ii) Note 7 to the Statement which describes the key sources of estimation uncertainties as at March 31, 2019 relating to the recoverability of the carrying amount of property, plant and equipment and intangible assets amounting to Rs.355.41 crore in case of Adani Murmugao Port Terminal Private Limited and Rs. 834.20 crore in case of Adani Kandla Bulk Terminal Private Limited, subsidiaries of the Parent.

Our opinion is not modified in respect of these matters.

We did not audit the financial statements of 51 subsidiaries included in the consolidated financial results, whose financial statements reflect total assets of Rs. 17,222.70 crore as at March 31, 2019, total revenues of Rs. 3,708.93 crore, total net profit after tax of Rs. 1,459.94 crore and total comprehensive income of Rs. 1,459.05 crore for the year ended on that date, as considered in the consolidated financial results. The consolidated financial results also include the Group's share of loss after tax of Rs. 100.69 crore and total comprehensive loss of Rs. 100.79 crore for the year ended March 31, 2019, as considered in the consolidated financial results, in respect of one joint venture, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint venture, is based solely on the reports of the other auditors.

Certain of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Parent's management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Parent's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Parent and audited by us.

Our opinion on the Statement is not modified in respect of the above matters with respect to our reliance on the work done.

The domestic rating agencies namely India Ratings & Research, ICRA and CARE have assigned AA+ (Stable) rating to the Company's long term Bank Facilities and Non-Convertible Debentures. The domestic rating agencies namely India Ratings & Research and ICRA have assigned A1 + for Short term Facilities – Commercial Paper. The rating of subsidiary company, The Dhamra Port Company Limited is AA (Stable) by India Ratings & Research. The Joint Venture Entities, Adani CMA Mundra Terminal Private Limited and Adani International Container Terminal Private Limited have been rated as A+ (Stable) and AA (Stable) by India Ratings & Research and CARE respectively.

- 6 a) The Company had entered into preliminary agreement with a party for development and maintenance of Liquefied Natural Gas ("LNG") terminal infrastructure facilities at Mundra ("the LNG Project") vide preliminary agreement dated September 30, 2014. The Company had, during the quarter ended September 30, 2014, recognised project service revenue of ₹ 200 crore towards land reclamation pending conclusion of a definitive agreement based on the activities completed. The LNG Project is substantially completed and the Company and the other party have spent substantial amounts on their respective areas as per the agreement on the LNG Project which are within their scope. During the current year, the Management has assessed that it would be prudent to record revenue from this project once definitive agreements are executed by both the parties. Consequently the Company has derecognised accrued income amounting to ₹ 121.90 crore (net off advance of ₹ 50 crore received and cost recognised earlier). The same is presented as an exceptional item in the financial results for the quarter and year ended March 31, 2019. The Management based on its assessment of ongoing activities, is of the view that project costs amounting to ₹ 562.89 crore incurred by the Company towards the LNG Project is considered fully recoverable.
- b) Adani Vizag Coal Terminal Private Limited ("AVCTPL") - a subsidiary of the Company is engaged in Port services under concession from one of the port trust authorities of the Government of India. The port operations were suspended temporarily due to operational bottlenecks beyond the subsidiary's control during 2016-17. The Port authority issued Consultation Notice to AVCTPL in accordance with the provisions of the Concession Agreement. As at March 31, 2018, AVCTPL had assessed the appropriateness of the carrying value of the Service Concession Rights in its books and had recorded an impairment amounting to ₹ 155.18 crore based on best estimates by the management. During the current financial year, on account of certain positive developments in operations such as permission for road movement, rake availability for cargo evacuation and entering into long term contract for cargo handling, the Consultation Notice has been withdrawn by the Port authority and AVCTPL has resumed the port operations. AVCTPL has received relaxation in the form of rationalisation on revenue share from storage income from the Port Trust in accordance with guidelines from Ministry of Shipping (MoS). This will result into improving the operating efficiency and ultimately result in generation of cash and able to meet its financial obligation. As at March 31, 2019, the Group has reassessed the carrying values of Service Concession Rights and has reversed an impairment loss amounting to ₹ 52.95 crore based on the estimates made by the management. The same is presented as an exceptional item in the financial results for the quarter and year ended March 31, 2019.
- 7 The Group has determined the recoverable amounts of Property, Plant and Equipment & Intangible Assets (comprising of service concession rights) in case of Adani Kandla Bulk Terminal Private Limited ("AKBTPL") amounting to ₹ 834.20 crore and Adani Murmugao Port Terminal Private Limited ("AMPTPL") amounting to ₹ 355.41 crore over its useful life under Ind AS 36, Impairment of Assets based on the estimates relating to cargo traffic, port tariffs, inflation, discount rates, revenue share on income etc. which are considered reasonable by the Management. The Company has been providing financial support to these entities to meet its financial obligations, if and when required. AKBTPL has received relaxation in the form of rationalisation on revenue share from storage income from the Port Trust in accordance with guidelines from MoS. AMPTPL is in the process of applying for similar rationalization as it believes that the project meets the criteria as prescribed in the guidelines. This will result in improving the operating efficiency and ultimately result in generation of cash and able to meet its financial obligation.
- On a careful evaluation of the aforesaid factors, the Management of the Company has concluded that the recoverable amounts of Property, Plant and Equipment & Intangible Assets is higher than their carrying amounts as at March 31, 2019 and no provision for impairment in respect of these assets is considered necessary at this stage.
- 8 Revenue from Operations for the corresponding previous quarter and year ended March 31, 2018 included income on development and transfer of Container Terminal Infrastructure Assets and Infrastructure usage income. The relevant expenditure, thereof, were included in operating expenses.
- 9 a) On March 29, 2019, the Company's subsidiary company Adani Logistics Limited has acquired 100% equity shares of (i) Adani Agri Logistics Limited, (ii) Adani Agri Logistics (Dahod) Limited, (iii) Adani Agri Logistics (Samastipur) Limited and (iv) Adani Agri Logistics (Darbhanga) Limited from Adani Enterprises Limited for an aggregate enterprise value of ₹ 1,661.68 crore. The company is in the process of making a final determination of fair values of the identified assets and liabilities for the purpose of Purchase price allocation and the same is expected to be completed by March 31, 2020. Pending this, the business combination has been accounted based on provisional fair valuation report. The acquisition does not have a material effect on the results of the quarter and year ended March 31, 2019.
- b) During the quarter, the Company's subsidiary company Adani Logistics Limited has acquired 100% equity shares of Dermot Infracon Private Limited.
- c) Adani Yangon International Terminal Company Limited ("AYITCL") has been incorporated as a wholly owned subsidiary of Adani International Terminals Pte Limited (a subsidiary company) on February 22, 2019.
- d) During the quarter, Adani Petroleum Terminal Private Limited ("APTPL") has become subsidiary of Adani Logistics Limited ("ALL"). Subsequent to the reporting date, pursuant to issuance of new equity shares by APTPL to Total Holdings SAS ("TOTAL") on a private placement basis on May 03, 2019, APTPL has ceased to be a controlled subsidiary of the ALL and is now under joint control of ALL and TOTAL. APTPL has been renamed as Adani Total Private Limited.
- 10 During the year, the Company filed its return of income for the Assessment Year 2018-19. Based on the opinion obtained by the Company with regard to certain tax positions, the Company has determined its self-assessment tax. Consequently, the tax expense for the quarter ended December 31, 2018 and the year ended March 31, 2019 is adjusted to the tune of ₹ 304.41 crore to give effect of self-assessment tax determined by the Company vis-a-vis tax provision made by the Company for the year ended March 31, 2018.

The Company had, during the quarter ended September 30, 2014, recognised project service revenue of ₹ 200.00 crore towards land reclamation pending conclusion of a definitive agreement based on the activities completed. The LNG Project is substantially completed and the Company and the other party have spent substantial amounts on their respective areas as per the agreement on the LNG Project which are within their scope. Consequently the Company has derecognised accrued income amounting to ₹ 121.90 crore (net off advance received ₹ 50 crore and cost recognised earlier). The same is presented as an exceptional item in the financial results for the quarter and year ended March 31, 2019. b) Adani Vizag Coal Terminal Private Limited ("AVCTPL") - a subsidiary of the Company is engaged in Port services under concession from one of the port trust authorities of the Government of India. The port operations were suspended temporarily due to operational bottlenecks beyond the subsidiary's control during FY 2016-17. The Port authority issued Consultation Notice to the AVCTPL in accordance with the provisions of the Concession Agreement. During current financial year, on account of certain positive developments in operations such as permission for road movement, rake availability for cargo evacuation and entering into long term contract for cargo handling, the Consultation Notice has been withdrawn by the Port authority and AVCTPL has resumed the port operations. AVCTPL has received relaxation in the form of rationalisation on revenue share from storage income from the Port Trust in accordance with guidelines from Ministry of Shipping (MoS). This will result in improving the operating efficiency and ultimately result in generation of cash and able to meet its financial obligation. The Company has reassessed the carrying values of its loan and equity investment in AVCTPL in light of the aforesaid developments and has continued to carry these balances at values net of impairment provisions amounting to ₹ 297.38 crore (₹ 228.85 crore net of tax) as recorded in the previous year.

The said subsidiary companies have incurred losses in the recent years and the negative net worth of these companies is ₹ 449.07 crore. The Company has been providing financial support to these entities to meet its financial obligations, if and when required. AKBTPL has received relaxation in the form of rationalisation on revenue share from storage income from the Port Trust in accordance with guidelines from MoS. AMPTPL is in the process of applying for similar rationalization as it believes that the project meets the criteria prescribed in the guidelines. This will result in improving the operating efficiency and ultimately result in generation of cash and able to meet its financial obligation.
The Company has determined the recoverable amounts of its investments and loans in these subsidiaries as at March 31, 2019. The said determination requires significant estimates & judgements to be made by the management with respect to cargo traffic, port tariffs, inflation, discount rates, revenue share on income etc which are considered reasonable by the Management. On a careful evaluation of the aforesaid factors, the Company's management has concluded that no provision for impairment in respect of such investments and loans is considered necessary at this stage.
