

Heavy rainfall to continue, landslide warning issued for Uttarakhand

**Dehradun.** Heavy to extremely heavy rainfall is likely to continue over Uttarakhand for the next few days, especially in Uttarkashi, Nainital, Dehradun and Pauri, the meteorological department has predicted. According to the Met office, landslides could occur in most of the hill districts. Director of the regional meteorological centre in Dehradun, Bikram Singh, said people residing near the banks of rivulets or in low lying areas and rainwater streams must remain cautious. "People need to be extremely careful as we may see landslides in most of the hill districts. We are advising people not to travel these days," Bikram Singh said. The Garhwal Division's Uttarakashi, Tehri Garhwal, Dehradun and Pauri Garhwal districts have been put on high alert. Pithoragarh, Bageshwar, and Nainital districts in the Kumaon division have also been asked to be on high alert for the next few days. The water level of Ganga in Gangotri has risen significantly due to heavy rainfall and after parts of a mountain near the Gangotri Dham fell into the waterbody, the district administration told news agency ANI on Wednesday. Last week, many people suffered huge losses after a series of landslides occurred along the Tanakpur-Ghat national highway in Uttarakhand's Champawat district following heavy rains earlier this week.

UP woman dies after doctors leave piece of cloth in stomach during C-section

**Shahjahanpur.** A woman, who was taken seriously ill after doctors at Government Medical College here allegedly left a piece of cloth in her stomach during a cesarean operation, has died during treatment in a Lucknow hospital. The woman, who was admitted to the trauma centre of King George's Medical College in a serious condition and was on ventilator, died on Monday, her husband said on Wednesday. Taking note of the matter, the principal of the medical college, Rajesh Kumar, had formed a three-member inquiry committee to investigate the allegation. The husband claimed that the committee has not taken his version yet. The woman's husband Manoj, a resident of Ramapur North under the Tilhar police station here, had alleged that his wife Neelam (in her 30s) had given birth to a baby girl on January 6 during which a piece of cloth was left in her stomach. Talking to PTI over the phone, Manoj said that his wife died during treatment at the Lucknow trauma centre on Monday night. Manoj said after the birth of their daughter, his wife used to complain of stomach pain. With no relief from treatment by private doctors, he claimed that he got her admitted to a private medical college in Shahjahanpur during which a piece of cloth was found in her stomach which was removed through an operation. She was later admitted to Lucknow trauma centre after her condition did not improve, he said. Medical College spokesperson Dr Puja Tripathi, however, said that earlier when the inquiry committee tried to take the statement of the concerned doctor over the phone, he did not give a satisfactory reply.

The decisions were taken by Chief Minister Vijay Rupani in a core committee meeting held in Gandhinagar, it was stated. At present, a night curfew has been imposed between 10 pm and 6 am in Ahmedabad, Rajkot, Surat, Vadodara, Jamnagar, Bhavnagar, Gandhinagar and Junagadh. **Mumbai.** Maharashtra Cabinet Minister Aslam Shaikh on Wednesday hinted that fully vaccinated passengers could be permitted to travel unrestricted in suburban train services within two to three days. Speaking to the media, Shaikh said in the state cabinet meeting, a detailed discussion took place over the opening of Mumbai local train and Brihanmumbai Electric Supply and Transport (BEST) buses for fully vaccinated individuals. "As a Minister, I am also of the view that person whose two doses are completed should be allowed to travel in Mumbai local, we have also informed Chief Minister about this. 'After the Abrogation of Article 370 in J&K, there has been development, especially in regions like Shopian'

**Srinagar:** While there has been many discussions and political debates, following the abrogation of Article 370 in Jammu and Kashmir, several positive changes in terms of progress has been noticed in J&K. Zee News visited Kashmir to know about the latest developments there. **The development of Shopian district** The Shopian district of Kashmir has been one of the worst-affected areas of the region when it came to terrorism. However, the past few months saw a change in situation with the region showing signs of progress. First, the entire 45+ population has been vaccinated with the first dose of COVID vaccine. A new hospital, Shadab Hospital, has come up in this Shopian area. Faizan, an administrator at the hospital, says that it has a total of four floors. Talking to , Faizan said that the government is paying attention to the development of Jammu and Kashmir. A sense of awareness is being created among the people and they are being taken advantage of government schemes. Shopian's daughters are also coming out of their homes to work. **'Daughters are stepping out to work'** Many young women working in his hospital are also from this area. One such woman, Ayman Amin, shares, "I work here at the hospital. It is good that I get to work in my

district and there is no need for me to go far away from home. My family is proud of me. They feel that the daughter should also work." This has come as a pleasant surprise as not long back, Shopian district had been infamous for frequent stone-pelting incidents. As situation became dangerous, many families didn't let their girls step out. While some were made to sit at home and do their studies, many were married off young. But there are signs of change now, two after the abrogation of Article 370. More and more girls are now going out of their homes and working outside. **Change is visible everywhere** These signs of change are visible everywhere in Shopian. Earlier, the main market would frequently be surrounded by security forces. In 1989, 55-60 grenades were thrown there. Many in the region now admit that now people's thought process also seems to be changing. The security forces have also played an important role in changing the mindset of the youth along with the local administration. Social activist Mohammad Mansoor says that many officers have contributed a lot in bringing about the change in the area. SP City Sanjeev Chaudhary would often take the misguided

youth under his wings, encouraging them to tread the right path and join the mainstream of the country. And as Mansoor points out, the end result is that the areas which was known for stone-pelting incidents, is now focusing on education and employment of its youth. **Employment opportunities for youth** Muzaffar Bashir, who lives in Shopian, shares, "I live in Shopian. I was unemployed from 2011 till now. This year, I have managed to take loan for a dairy unit through IDDS scheme. Ther area faces a shortage of milk supply and this is a great business opportunity for young people like me."
