**22)DIVIDEND RELATED INFORMATION**

- A. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on 22nd September , 2021, i.e. the date prior to the commencement of book closure, being the cut-off date will be paid the Final Dividend for the financial year ended 31st March, 2021, as recommended by the Board, if approved at the AGM,
- B. Members holding shares in demat form are hereby informed that bank particulars registered with their respective Depository Participants, with whom they maintain their demat accounts, will be used by the Company for the payment of dividend. The Company or its Registrar cannot act on any request received directly from the Members holding shares in demat form for any change of bank particulars. Such changes are to be intimated only to the Depository Participant(s) of the Members. Members holding shares in demat form are requested to intimate any change in their address and / or bank mandate immediately to their Depository Participants.
- C. In case, the Company is unable to pay the dividend to any shareholder by the electronic mode, due to non-availability of the details of the bank account, the Company shall upon normalisation of the postal services, dispatch the dividend warrant to such shareholder by post.
- D. Members may note that the Income Tax Act, 1961, as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after 1st April, 2020 shall be taxable in the hands of the Shareholders. The Company shall therefore be required to deduct Tax at Source (TDS) at the time of making the final dividend. In order to enable us to determine the appropriate TDS rate as applicable, Members are requested to submit the documents in accordance with, the provisions of the Income Tax Act, 1961.
  - a) For Resident Shareholders, TDS shall be made under Section 194 of the Income Tax Act, 1961 at 7.5% on the amount of Dividend declared and paid by the Company during financial year 2021-22 provided PAN is registered by the Shareholder.
  - b) If PAN is not registered, TDS would be deducted @ 20% as per Section 206AA of the Income Tax Act, 1961.
  - c) However, no tax shall be deducted on the Dividend payable to a resident individual if the total dividend to be received by them during financial year 2021-22 does not exceed Rs. 5,000.
  - d) Please note that this includes the future dividends if any which may be declared by the Board in the financial year 2021-22.
  - e) Separately, in cases where the shareholder provides Form 15G (applicable to any person other than a Company or a Firm) / Form 15H (applicable to an individual above the age of 60 years), provided that the eligibility conditions are being met, no TDS shall be deducted.
  - f) For Non-resident Shareholders, taxes are required to be withheld in accordance with, the provisions of Section 195 of the Income Tax Act, 1961 at the rates in force. As per the relevant provisions of the Income Tax Act, 1961, the withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) on the amount of Dividend payable to them. However, as per Section 90 of the Income Tax Act, 1961, the non-resident shareholder has the option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) between India and the country of tax residence of the shareholder, if they are more beneficial to them. For this purpose, i.e. to avail the Tax Treaty benefits, the non-resident shareholder will have to provide the following:
    - Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the shareholder is resident.
    - Self declaration in Form 10F if all the details required in this form are not mentioned in the TRC.
    - Self-attested copy of the Permanent Account Number (PAN Card) allotted by the Indian Income Tax authorities.
    - Self-declaration, certifying the following points: i. Member is and will continue to remain a tax resident

of the country of its residence during the financial year 2021-22; ii. Member is eligible to claim the beneficial DTAA rate for the purposes of tax withholding on dividend declared by the Company; iii. Member has no reason to believe that its claim for the benefits of the DTAA is impaired in any manner; iv. Member is the ultimate beneficial owner of its shareholding in the Company and Dividend receivable from the Company; and v. Member does not have a taxable presence or a permanent establishment in India during the financial year 2021-22.

E Please note that the Company is not obligated to apply the beneficial DTAA rates at the time of tax deduction / withholding on dividend amounts. Application of beneficial DTAA Rate shall depend upon the completeness and satisfactory review by the Company, of the documents submitted by Non- Resident shareholder.

F Accordingly, in order to enable us to determine the appropriate TDS / withholding tax rate applicable, we request you to provide these details and documents as mentioned above before 15th September, 2021.

G Kindly note that the aforementioned documents are required to be submitted to company /form15 on or before 15th September, 2021 in order to enable the Company to determine and deduct appropriate TDS / withholding tax rate. No communication on the tax determination / deduction shall be entertained post 15th September, 2021. It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details / documents from you, there would still be an option available with you to file the return of income and claim an appropriate refund, if eligible.

H. We shall arrange to email the soft copy of TDS certificate to you at your registered email ID in due course, post payment of the said Dividend.

## **COVID-19 IMPACT**

As ours is the agriculture sector essential nature of the industry and consequently the demand for our products to have limited impact of covid-19.

Due to the lockdown announced by the government of India from 22th March 2020, entire operations of the company came to a halt. Further as per district collector's orders our plants resumed operations from 19th April 2020. Our business is closely linked to agriculture and because of the essential nature of the products/services, demand and sales have seen limited impact post resumption of production at our plants. Our plant at Shapar (Gujarat) remained closed for 28 days. However, the production activity has recovered post resuming operations. The supply chain was disrupted in view of lockdown during March-May 2020 due to closure of our plants and our vendors. However, the situation has improved materially in June 2020 with Central & states relaxing lockdown norms. There is no impact on internal financial controls due to the COVID-19 situation.

## **INDEPENDENT AUDITOR'S REPORT**

TO THE MEMBERS OF '**CAPTAIN POLYPLAST LIMITED**'

### **Report on Audited Standalone Financial Statements**

#### **Opinion**

We have audited the accompanying standalone financial statements of **CAPTAIN POLYPLAST LIMITED** ('the Company'), which comprises the Balance Sheet as at 31<sup>st</sup> March, 2021; the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements read together with the notes thereon, give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and accounting principles generally accepted in India, to the extent applicable; of the state of affairs of the Company as at 31st March, 2021; its Profit including Other Comprehensive Income, its Cash Flows and the Statement Changes in Equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these

requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in auditor's professional judgment, are of most significance in the audit of the financial statements of the company. These matters are addressed in the context of audit of the financial statements as a whole, and in forming auditor's opinion thereon.

Based on our audit of Financial Statements of the Company for the period under review, we did not come across any material Key Audit Matters to be communicated in our report.

### **Emphasis of Matter**

We draw attention on **Note No. 9** forming part of the audited financial statements, being "Trade Receivables" amounting to Rs. 11,217.34 Lacs representing 53.20% of the total assets of the company as on 31st March, 2021. It includes Rs. 4,845.32 Lacs being trade receivables outstanding for a period more than 1 year, representing 43.19% of the total trade receivables as on 31st March, 2021. Trade Receivable comprises the most significant portion of the liquid assets of the company. In the opinion of the management of the company, they do not expect any credit loss on the said trade receivables including trade receivables comprising of more than 1 year, hence our opinion is not modified in this regard.

### **Information other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone

financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and those charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect, to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibility for the audit of Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance,

but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement, wherever found necessary, that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters, if any identified. We describe these matters, if any in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements.**

1. As required by section 143(3) of the Act, we report that:
  - a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) in our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books;
  - c) the Balance Sheet, Statement of Profit and Loss, including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity, dealt with by this report are in agreement with the books of account, as submitted to us;
  - d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the accounting standards specified under Section 133 of the

Companies Act, read with Companies (Indian Accounting Standard) Rules, 2015 as amended;

- e) On the basis of written representations received from the directors, as on 31st March, 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure – A**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - i. There were no pending litigations which would impact the financial position of the Company.
    - ii. The Company has made all material provisions, except as mentioned in the notes to accounts, if any, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143(11) of the Act, we give in the **Annexure – B**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## **ANNEXURE – A TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **CAPTAIN POLYPLAST LIMITED** of even date)

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **CAPTAIN POLYPLAST LIMITED** ("the Company") as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about

## **CAPTAIN POLYPLAST LTD.**

whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **CAPTAIN POLYPLAST LTD.**

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our Report to the Members of **CAPTAIN POLYPLAST LIMITED** of even date)

i. **FIXED ASSETS:**

- a. In our opinion, the company has generally maintained proper records showing full particulars including quantitative details and situation of fixed assets on the basis of available information.
- b. As explained to us, the Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As further explained to us, pursuant to the said program, certain fixed assets were physically verified by the management during the year. According to the said information and explanations given to us, no material discrepancies were noticed on such verification.
- c. According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and building that have been taken on lease, the lease agreements are in the name of the Company.

ii. **INVENTORIES:**

- a. According to the information and explanation given to us, the inventories have been physically verified during the year by the management and in our opinion, the frequency of verification is reasonable.
- b. According to the information and explanation given to us, no material discrepancies were noticed on physical verification of inventories as compared to the book records.

iii. **LOANS:**

According to the information and explanations given to us and on the basis of our examination of the books of account, the company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the

## **CAPTAIN POLYPLAST LTD.**

Companies Act, 2013, during the year under review. Consequently, the provisions of clause (iii) of the order are not applicable to the company.

iv. **LOANS, INVESTMENTS & GUARANTEES:**

According to the information and explanations given to us and on the basis of our examination of the books of account, the company has not granted any loans directly or indirectly to any directors or person or entities in which directors are interested. During the year under review, the company has provided guarantee in connection with loan taken by its Associate Company Rs. 135.00 Lacs.

According to the information and explanations given to us and on the basis of our examination of relevant records, the company has complied with the provisions of section 186 in respect of investments made and guarantee provided for the parties covered under section 186 of the Act.

v. **DEPOSITS:**

As explained to us, the company has not accepted any loans or deposits within meaning of Section 73 to 76 of the Companies Act, 2013 read with Rule 2(b) of the Companies (Acceptance of Deposit's) Rules 2014, during the year under review. Consequently, the provisions of clause (v) of the order are not applicable to the company.

vi. **COST RECORDS:**

We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, prescribed by the Central Government under Section 148(1)(d) of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed accounts and cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

Further, the company also undertakes installation of micro irrigation systems, providing of agronomical services to farmers and also carrying out business activities on DCA cum CS basis of Indian Oil Corporation Ltd. (IOCL) of Polymer Business.

### 2. Significant accounting policies :

#### (i) Basis of preparation

These standalone financial statements are prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015; and other relevant provisions of Companies Act, 2013 and the rules made thereunder.

The financial statements are prepared on accrual basis and going concern basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified thereunder, except for certain financial assets liabilities measured at fair value.

#### (ii) Use of Estimates:

The preparation and presentation of financial statements requires the management to make estimates, judgements and assumptions that affect the amounts of assets and liabilities reported as on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as and when the Management becomes aware of the changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to the financial statements.

## **CAPTAIN POLYPLAST LTD.**

Information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that may have significant impact on the amounts recognized in the financial statements are as below:

- \* Useful lives of property, plant & equipment
- \* Measurement of defined benefit obligations
- \* Provisions & contingencies.

(iii) Property, Plant & Equipment

All the items of property, plant & equipment are stated at historical cost net of recoverable taxes, less accumulated depreciation and impairment loss, if any. The cost of an Property, Plant & Equipment comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into its present location and the condition necessary for it to be capable of operating in the manner intended by the management, and also taking into account the initial estimate of any decommissioning obligation, if any, and Borrowing Costs for the assets that necessarily take a substantial period of time to get ready for their intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The estimated useful lives of assets are in accordance with the Schedule II of the Companies Act, 2013.

Gains or losses arising from de-recognition / disposal of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised / disposed off.

(v) Impairment of Assets

At each balance sheet date, the company reviews the carrying amounts of its assets to determine whether there is any indication that those assets suffered any impairment loss. If any such indication exists or when annual impairment testing for an asset is required, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. An impairment loss, if any, is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use.

(vi) Leasing :

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. The company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease.

The company has entered into operating lease arrangements for premises like admin offices, godowns, branch offices, etc. These rent agreements are cancellable and are

usually renewable by mutual consent of both the parties. Rental payments recognized in the Statement of Profit & Loss are as under:

	(Amt. Rs. In Lacs)	
Particulars	FY 2020-2021	FY 2019-2020
Rental payments	53.45 Lacs	56.28 Lacs

(vii) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### Financial Assets

#### *Initial Recognition and Measurement*

A financial asset is recognized in the balance sheet when the Company becomes party to the contractual provisions of the instrument. At initial recognition, the company measures a financial asset taking into account transactions cost that are directly attributable to the acquisition or issue of the financial asset.

#### *Subsequent Measurement*

##### a. Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### b. Financial Assets measured at Fair Value through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### c. Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

Financial Assets which is not classified in any of the above categories are measured at FVTPL.

## **CAPTAIN POLYPLAST LTD.**

## CAPTAIN POLYPLAST LTD.

### *Cash and Cash Equivalents*

Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand, and fixed deposits, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. Cash flows from operating, investing and financing activities of the Company are segregated, accordingly.

### **Financial Liabilities**

#### *Borrowings*

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using the effective interest method. Transaction costs are charged to the statement of profit and loss as financial expenses over the term of borrowing.

#### *Trade Payables*

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

(viii) **Provisions, contingent liabilities and contingent assets :**

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

Contingent liabilities are disclosed by way of notes to the accounts.

## **CAPTAIN POLYPLAST LTD.**

Contingent assets are not recognized.

(ix) Government Grants & Assistance:

This includes cash subsidy being received from State Government and District Industries Center (DIC) for fixed assets being non-repayable, classified as deferred income now transferred to other income on completion of useful life of the respective fixed assets.

### 45. Segment Reporting

The Group's operating segments are established on the basis of those components of the Group that are evaluated regularly by the Executive Committee (the 'Chief Operating Decision Maker' as defined in Ind AS 108 - 'Operating Segments'), in deciding how to allocate resources and in assessing performance. These have been identified taking into account nature of products and services, the differing risks and returns and the internal business reporting systems.

In accordance with Ind AS - 108 – "Operating Segments", the Company has identified its business segment as

**Segment-1** : "Manufacturing of Micro Irrigation Systems & Allied Products" and

**Segment-2** : "DCA cum CS of Indian Oil Corporation Ltd. (IOCL) – Polymer Business".

The accounting policies adopted for segment reporting are in line with the accounting policy of the Company with following additional policies for segment reporting.

- a. Revenue and Expenses have been identified to a segment on the basis of relationship to operating activities of the segment. Revenue and Expenses which relate to enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "Unallocable".
- b. Segment Assets and Segment Liabilities represent Assets and Liabilities in respective segments. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as "Unallocable".

## **INDEPENDENT AUDITOR'S REPORT**

TO THE MEMBERS OF 'CAPTAIN POLYPLAST LIMITED'

### **Report on Audited Consolidated Financial Statements**

#### **Opinion**

We have audited the accompanying consolidated financial statements of **CAPTAIN POLYPLAST LIMITED** ('the Holding Company') and its associate **CAPTAIN PIPES LIMITED** (collectively referred to as "the Company" or "the Group"), which comprises the Consolidated Balance Sheet as at 31<sup>st</sup> March, 2021; the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and Consolidated Statement of Changes in Equity for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements read together with the notes thereon, give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and accounting principles generally accepted in India, to the extent applicable; of the state of affairs of the Company as at 31<sup>st</sup> March, 2021; its Profit including Other Comprehensive Income, its Cash Flows and the Statement Changes in Equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements

under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in auditor's professional judgment, are of most significance in the audit of the financial statements of the company. These matters are addressed in the context of audit of the financial statements as a whole, and in forming auditor's opinion thereon.

Based on our audit of Financial Statements of the Company for the period under review, we did not come across any material Key Audit Matters to be communicated in our report.

### **Emphasis of Matter**

We draw attention on **Note No. 9** forming part of the audited financial statements, being "Trade Receivables" amounting to Rs. 11,217.34 Lacs representing 53.26% of the total consolidated assets of the company as on 31st March, 2021. It includes Rs. 4,845.32 Lacs being trade receivables outstanding for a period more than 1 year, representing 43.19% of the total trade receivables as on 31st March, 2021. Trade Receivable comprises the most significant portion of the liquid assets of the company. In the opinion of the management of the company, they do not expect any credit loss on the said trade receivables including trade receivables comprising of more than 1 year, hence our opinion is not modified in this regard.

### **Information other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated

financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and those charged with Governance for the Consolidated Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect, to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibility for the audit of Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will

always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial

statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement, wherever found necessary, that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters, if any identified. We describe these matters, if any in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements.**

1. As required by section 143(3) of the Act, we report that:
  - a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) in our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books;
  - c) the Balance Sheet, Statement of Profit and Loss, including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity, dealt with by this report are in agreement with the books of account, as submitted to us;
  - d) in our opinion, the aforesaid consolidated Ind AS financial statements comply with the accounting standards specified under Section 133 of the Companies Act, read with Companies (Indian Accounting Standard) Rules, 2015 as amended;
  - e) On the basis of written representations received from the directors, as on 31st March, 2021, and taken on record by the Board of Directors,

- none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure – A**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. There were no pending litigations which would impact the financial position of the Company.
  - ii. The Company has made all material provisions, except as mentioned in the notes to accounts, if any, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

## **ANNEXURE – A TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section, of **CAPTAIN POLYPLAST LIMITED** ('the Holding Company') and its associate **CAPTAIN PIPES LIMITED** (collectively referred to as "the Company" or "the Group"), of even date)

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **CAPTAIN POLYPLAST LIMITED** ("the Holding Company") and its associate, as of 31st March 2021 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Group is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by these Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Group based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about

## **CAPTAIN POLYPLAST LTD.**

whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# **CAPTAIN POLYPLAST LTD.**

## **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2021 based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Under the Equity Method, on initial recognition, the investment in an associate is recognised at cost, and the carrying amount is increased or decreased to recognise the investor’s share of the profit or loss of the investee after the date of acquisition. The investor’s share of the investee’s profit or loss is recognised in the investor’s Other Comprehensive Income as laid down under Ind AS 1 – Presentation of Financial Statements.

## CAPTAIN POLYPLAST LTD.

### 2. Significant accounting policies :

(i) Basis of preparation

These consolidated financial statements are prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015; and other relevant provisions of Companies Act, 2013 and the rules made thereunder.

The financial statements are prepared on accrual basis and going concern basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified thereunder, except for certain financial assets liabilities measured at fair value.

(ii) Use of Estimates:

The preparation and presentation of financial statements requires the management to make estimates, judgements and assumptions that affect the amounts of assets and liabilities reported as on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as and when the Management becomes aware of the changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to the financial statements.

Information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that may have significant impact on the amounts recognized in the financial statements are as below:

- \* Useful lives of property, plant & equipment
- \* Measurement of defined benefit obligations
- \* Provisions & contingencies.

## **CAPTAIN POLYPLAST LTD.**

(iii) Property, Plant & Equipment

All the items of property, plant & equipment are stated at historical cost net of recoverable taxes, less accumulated depreciation and impairment loss, if any. The cost of an Property, Plant & Equipment comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into its present location and the condition necessary for it to be capable of operating in the manner intended by the management, and also taking into account the initial estimate of any decommissioning obligation, if any, and Borrowing Costs for the assets that necessarily take a substantial period of time to get ready for their intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The estimated useful lives of assets are in accordance with the Schedule II of the Companies Act, 2013.

Gains or losses arising from de-recognition / disposal of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised / disposed off.

(iv) Depreciation / Amortization :

The company has charged depreciation on Property, Plant & Equipment on Written Down Value (WDV) method on the basis of useful life / remaining useful life and in the manner as prescribed in, Part C, Schedule II of the Companies Act, 2013. Depreciation on additions/ disposals during the year has been provided on pro-rata basis with reference to the nos. of days utilized.

Depreciation on additions/ disposals during the year has been provided on pro-rata basis.

Details of useful life of an asset and its residual value estimated by the management:-

<b>Type of Asset</b>	<b>Useful Life as per management's estimate</b>
Factory Building	30 Years
Plant & Machineries	15 Years
Furniture & Fixtures	10 Years
Computers	3 Years
Vehicles	8 Years

**CAPTAIN POLYPLAST LTD.**

Windmill Plant & Machinery	22 Years
----------------------------	----------

**(v) Impairment of Assets**

At each balance sheet date, the company reviews the carrying amounts of its assets to determine whether there is any indication that those assets suffered any impairment loss. If any such indication exists or when annual impairment testing for an asset is required, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. An impairment loss, if any, is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use.

**(vi) Leasing :**

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. The company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease.

The company has entered into operating lease arrangements for premises like admin offices, godowns, branch offices, etc. These rent agreements are cancellable and are usually renewable by mutual consent of both the parties. Rental payments recognized in the Statement of Profit & Loss are as under:

(Amt. Rs. In Lacs)

Particulars	FY 2020-2021	FY 2019-2020
Rental payments	53.45 Lacs	56.28 Lacs

## **CAPTAIN POLYPLAST LTD.**

### ***Other Equity Investments***

#### **Share Holding by Captain Polyplast Ltd : (Unquoted)**

2,50,000/- Equity Shares of Rs. 10/- each (Captain Engineering Pvt .Ltd.) out of total 17,00,000/- fully paid up Equity Shares of Rs. 10/- each, representing 17.41% of total share holding. The company is into the business of manufacturing of submersible pumps and their related parts.

The company measures its equity investment (other than investment forming part of interest in associate) at fair value. The company's management has elected to present fair value gain and losses on equity investments in other comprehensive income. Dividends from such investments are recognized in profit & loss as other income when the Company's right to receive the same is established. In the opinion of the management of company, book value per share is only the realizable value / fair value per share as on 31<sup>st</sup> March, 2021, looking to the composition of the assets of the investee company.

Other quoted investments being investments in Mutual Funds are measured at fair value through Other Comprehensive Income.

### ***Inventories***

Inventories of Raw Materials and Finished Goods are stated at cost or net realisable value, whichever is lower. Inventories of Waste & Scrap are valued at Net Realizable Value. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formula used is 'First in first Out Method'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

### ***Trade Receivables***

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at its transaction amount which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

### ***Cash and Cash Equivalents***

Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand, and fixed deposits, that are readily convertible to know amounts of cash and which are subject to an insignificant risk of change in value.

## **CAPTAIN POLYPLAST LTD.**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. Cash flows from operating, investing and financing activities of the Company are segregated, accordingly.

### **Financial Liabilities**

#### ***Borrowings***

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

#### ***Trade Payables***

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

#### (viii) **Provisions, contingent liabilities and contingent assets :**

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

Contingent liabilities are disclosed by way of notes to the accounts.

Contingent assets are not recognized.

#### (ix) **Government Grants & Assistance:**

This includes cash subsidy being received from State Government and District Industries Center (DIC) for fixed assets being non-repayable, classified as deferred income now transferred to other income on completion of useful life of the respective fixed assets.

Defined Benefit Plans :

Provision for gratuity liability is provided based on actuarial valuation made at the end of the financial year. Re-measurement of Defined Benefit Plan in respect of post-employment are charged to the Other Comprehensive Income.

## **CAPTAIN POLYPLAST LTD.**

Leave encashment expenditure, if any, is charged to profit and loss account at the time of leave encashed and paid. Bonus expenditure is charged to profit and loss account on accrual basis.

(xii) Foreign Currency Transactions:

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Exchange difference arising on settlement of transactions is recognised as income or expense in the year in which they arise.

Monetary assets and liabilities related to foreign currency transactions outstanding at the balance sheet date are translated at the exchange rate prevailing on that date and the net gain or loss is recognized in the profit and loss account.

Foreign currency translation differences relating to liabilities incurred for purchasing of fixed assets from foreign countries are adjusted in the carrying cost of fixed asset for differences up to the year-end in the year of acquisition, whereas differences arising thereafter to be recognized in the profit and loss account. All other foreign currency gain or losses are recognized in the profit and loss account.

(xiii) Borrowing Cost :

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Costs incurred in raising funds are amortised equally over the period for which the funds are acquired. All other borrowing costs are charged to profit and loss account.

(xiv) Taxes on Income

Tax expenses comprise Current Tax and deferred tax charge or credit.

Current Tax: Provision for current tax is made based on tax liability computed after considering tax allowances and exemptions, in accordance with the provisions of The Income Tax Act, 1961.

Deferred Tax: Deferred tax assets and liability is recognized, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising mainly on account of brought forward losses, unabsorbed depreciation and minimum alternate tax under tax laws, are recognised, only if there is a virtual certainty of its realisation, supported by convincing evidence. At each Balance Sheet date, the carrying amount of deferred tax assets are reviewed to reassure realisation. The deferred

## **CAPTAIN POLYPLAST LTD.**

tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

(xv) Earnings/(Loss) per Share :

Basic earnings/(loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors.

(xvi) Segment Reporting:

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on the profit or loss and is measure consistently with the profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting provided to CODM.

In accordance with Ind AS - 108 – “Operating Segments”, the Company has identified its business segment as "Manufacturing of Micro Irrigation Systems & Allied Products" and “DCA cum CS of Indian Oil Corporation Ltd. (IOCL) – Polymer Business”. There are no other primary reportable segments. The major and material activities of the company are restricted to only one geographical segment i.e. India, hence the secondary segment disclosures are also not applicable.

(xvii) De-recognition:

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for de-recognition under Ind AS 109. A Financial liability (or a part of a Financial liability) is derecognized from the Company’s Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

## **CAPTAIN POLYPLAST LTD.**

(xviii) Offsetting:

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

### 45. Segment Reporting

The Group's operating segments are established on the basis of those components of the Group that are evaluated regularly by the Executive Committee (the 'Chief Operating Decision Maker' as defined in Ind AS 108 - 'Operating Segments'), in deciding how to allocate resources and in assessing performance. These have been identified taking into account nature of products and services, the differing risks and returns and the internal business reporting systems.

In accordance with Ind AS - 108 – "Operating Segments", the Company has identified its business segment as

- Segment-1** : "Manufacturing of Micro Irrigation Systems & Allied Products" and  
**Segment-2** : "DCA cum CS of Indian Oil Corporation Ltd. (IOCL) – Polymer Business".

The accounting policies adopted for segment reporting are in line with the accounting policy of the Company with following additional policies for segment reporting.

- a. Revenue and Expenses have been identified to a segment on the basis of relationship to operating activities of the segment. Revenue and Expenses which relate to enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "Unallocable".
- b. Segment Assets and Segment Liabilities represent Assets and Liabilities in respective segments. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as "Unallocable".
