12. RECORD DATE AND SHAREHOLDERS' ENTITLEMENT

- 12.1. The Board has fixed Friday, January 14, 2022 as the Record Date for the purpose of determining the entitlement and the names of the equity shareholders who are eligible to participate in the Buy-back Offer ("Eligible Shareholders").
- 12.2. In due course, Eligible Shareholders will receive a Letter of Offer along with a Tender/Offer Form indicating their entitlement for participating in the Buy-back. Even if Eligible Shareholder does not receive the Letter of Offer along with a Tender/Offer Form, the Eligible Shareholder may participate and tender shares in the
- 12.3. The Equity Shares to be bought back as part of the Buy-back are divided in two categories: a. Reserved category for Small Shareholders (defined hereinafter); and
- b. General category for all other Eligible Shareholders.
- 12.4. As defined in the Buy-back Regulations, a "Small Shareholder" is a shareholder who holds shares whose market value, on the basis of closing price of shares on the recognized stock exchange, in which highest trading volume in respect of such shares is recorded on the record date, is not more than ₹2,00,000 (Rupees Two Lakhs).
- 2.5. In accordance with Regulation 6 of the Buy-back Regulations, 15% of the number of Equity Shares which the Company proposes to Buy-back or number of Equity Shares entitled as per the shareholding of the Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buy-back.
- 2.6. On the basis of the shareholding as on the Record Date, the Company will determine the entitlement of Eligible Shareholders, including Small Shareholders, to tender their Equity Shares in the Buy-back Offer. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the Buy-back applicable in the category to which such shareholder belongs. The final number of Equity Shares that the Company will buy-back from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company
- may not buy-back all of the Equity Shares tendered (over and above entitlements) by Eligible Shareholders 12.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the Buy-back by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.
- 12.8. In order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive higher entitlement under Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (Small Shareholder or General) and entitlement under the Buy-back. In case of Eligible Shareholders holding Equity Shares in physical form where sequence of PAN is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buy-back wil check the sequence of the names of the joint shareholders and club together the Equity Shares held in such cases where the sequence of the PANs and the name of the joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN shall not be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have different demat account nomenclature based on information prepared by Registrar to the Buy-back as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of 'clearing members' or 'corporate body margin account' or 'corporate body-broker' as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- 12.9. The participation of the Eligible Shareholders in the Buy-back is voluntary. Eligible Shareholders may also tender a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation by some other Eligible Shareholders, if any. If the Buy-back entitlement for any shareholder is not a round number. then the fractional entitlement shall be ignored for computation of Buy-back entitlement to tender Equity
- 12.10. The maximum number of Equity Shares that can be tendered under the Buy-back Offer by any Eligible Shareholder cannot exceed the number of Equity Shares held by the equity shareholder as on the Record Date. 12. RECORD DATE AND SHAREHOLDERS' ENTITLEMENT

- 12.1. The Board has fixed Friday, January 14, 2022 as the Record Date for the purpose of determining the entitlement and the names of the equity shareholders who are eligible to participate in the Buy-back Offer ("Eligible Shareholders").
- 12.2. In due course, Eligible Shareholders will receive a Letter of Offer along with a Tender/Offer Form indicating their entitlement for participating in the Buy-back. Even if Eligible Shareholder does not receive the Letter of Offer along with a Tender/Offer Form, the Eligible Shareholder may participate and tender shares in the
- 12.3. The Equity Shares to be bought back as part of the Buy-back are divided in two categories: a. Reserved category for Small Shareholders (defined hereinafter); and
- b. General category for all other Eligible Shareholders.
- 12.4. As defined in the Buy-back Regulations, a "Small Shareholder" is a shareholder who holds shares whose market value, on the basis of closing price of shares on the recognized stock exchange, in which highest trading volume in respect of such shares is recorded on the record date, is not more than ₹2.00.000
- 12.5. In accordance with Regulation 6 of the Buy-back Regulations, 15% of the number of Equity Shares which the Company proposes to Buy-back or number of Equity Shares entitled as per the shareholding of the Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buy-back.
- 12.6. On the basis of the shareholding as on the Record Date, the Company will determine the entitlement of Eligible Shareholders, including Small Shareholders, to tender their Equity Shares in the Buy-back Offer. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the Buy-back applicable in the category to which such shareholder belongs. The final number of Equity Shares that the Company will buy-back from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not buy-back all of the Equity Shares tendered (over and above entitlements) by Eligible Shareholders
- 12.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the Buy-back by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.
- 12.8. In order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive higher entitlement under Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (Small Shareholder or General) and entitlement under the Buy-back. In case of joint shareholding, the Equity Shares held in cases where the sequence of PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding Equity Shares in physical form where sequence of PAN is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buy-back will check the sequence of the names of the joint shareholders and club together the Equity Shares held in such cases where the sequence of the PANs and the name of the joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN shall not be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have different demat account nomenclature based on information prepared by Registrar to the Buy-back as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of 'clearing members' or 'corporate body margin account' or 'corporate body-broker' as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed
- 12.9. The participation of the Eligible Shareholders in the Buy-back is voluntary. Eligible Shareholders may also tender a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation by some other Eligible Shareholders, if any. If the Buy-back entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buy-back entitlement to tender Equity Shares in the Buy-back.
- 12.10. The maximum number of Equity Shares that can be tendered under the Buy-back Offer by any Eligible Shareholder cannot exceed the number of Equity Shares held by the equity shareholder as on the Record Date. The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buy-back Regulations. The settlement of the tenders under the Buy-back Offer will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI Circulars, as may be
- amended from time to time and other relevant rules and regulations. 12.11. The Buy-back from non-resident members, Overseas Corporate Bodies (OCBs) and Foreign Institutional Investors (FIIs), Foreign Portfolio Investors (FPIs) and members of foreign nationality, if any, etc. shall be subject to such approvals as may be required including approvals from the Reserve Bank of India under
- the Foreign Exchange Management Act, 1999 and the rules, regulations framed there under, if any. 12.12. Detailed instructions for participation in the Buy-back Offer as well as the relevant schedule of activities
- will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders. PROCESS AND METHODOLOGY FOR THE BUY-BACK
- 13.1. The Buy-back shall be open to all Eligible Shareholders, holding Equity Shares in demat form and physical form as on the Record Date.

12. RECORD DATE AND SHAREHOLDERS' ENTITLEMENT

- 12.1. The Board has fixed Friday, January 14, 2022 as the Record Date for the purpose of determining the entitlement and the names of the equity shareholders who are eligible to participate in the Buy-back Offer ("Eligible Shareholders").
- 12.2. In due course, Eligible Shareholders will receive a Letter of Offer along with a Tender/Offer Form indicating their entitlement for participating in the Buy-back. Even if Eligible Shareholder does not receive the Letter of Offer along with a Tender/Offer Form, the Eligible Shareholder may participate and tender shares in the Buy-back.
- 12.3. The Equity Shares to be bought back as part of the Buy-back are divided in two categories:
- a. Reserved category for Small Shareholders (defined hereinafter); and b. General category for all other Eligible Shareholders
- 12.4. As defined in the Buy-back Regulations, a "Small Shareholder" is a shareholder who holds shares whose market value, on the basis of closing price of shares on the recognized stock exchange, in which highest trading volume in respect of such shares is recorded on the record date, is not more than ₹2,00,000 (Rupees Two Lakhs).
- 12.5. In accordance with Regulation 6 of the Buy-back Regulations, 15% of the number of Equity Shares which the Company proposes to Buy-back or number of Equity Shares entitled as per the shareholding of the Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buy-back.
- 12.6. On the basis of the shareholding as on the Record Date, the Company will determine the entitlement of Eligible Shareholders, including Small Shareholders, to tender their Equity Shares in the Buy-back Offer This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the Buy-back applicable in the category to which such shareholder belongs. The final number of Equity Shares that the Company will buy-back from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not buy-back all of the Equity Shares tendered (over and above entitlements) by Eligible Shareholders.
- 12.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bough back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the Buy-back by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.
- 12.8. In order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive higher entitlement under Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (Small Shareholder or General) and entitlement under the Buy-back. In case of joint shareholding, the Equity Shares held in cases where the sequence of PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding Equity Shares in physical form where sequence of PAN is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buy-back will check the sequence of the names of the joint shareholders and club together the Equity Shares held in such cases where the sequence of the PANs and the name of the joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN shall not be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have different demat account nomenclature based on information prepared by Registrar to the Buy-back as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of 'clearing members' or 'corporate body margin account' or 'corporate body-broker' as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- 12.9. The participation of the Fligible Shareholders in the Buy-back is voluntary. Fligible Shareholders may also tender a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation by some other Eligible Shareholders, if any. If the Buy-back entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buy-back entitlement to tender Equity Shares in the Buv-back.
- 12.10. The maximum number of Equity Shares that can be tendered under the Buy-back Offer by any Eligible Shareholder cannot exceed the number of Equity Shares held by the equity shareholder as on the Record Date. The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buy-back Regulations. The settlement of the tenders under the Buy-back Offer will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI Circulars, as may be amended from time to time and other relevant rules and regulations.
- 12.11. The Buy-back from non-resident members, Overseas Corporate Bodies (OCBs) and Foreign Institutional Investors (FIIs), Foreign Portfolio Investors (FPIs) and members of foreign nationality, if any, etc. shall be subject to such approvals as may be required including approvals from the Reserve Bank of India under the Foreign Exchange Management Act, 1999 and the rules, regulations framed there under, if any,
- 12.12. Detailed instructions for participation in the Buy-back Offer as well as the relevant schedule of activities will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders

- 13.1. The Buy-back shall be open to all Eligible Shareholders, holding Equity Shares in demat form and physical form as on the Record Date.
