Years of enriching industry experience

From the MD's desk

Our results this year showcased the strength, agility and resilience of Can Fin Homes Limited, with an innate purpose that permeates across the organisation and a strategy that is delivering consistent growth.

Dear Shareholders,

As I reflect on FY21, I realize that the year will remain in our memories for varied reasons. COVID-19 and the subsequent lockdown presented unprecedented challenges in all aspects of our lives. In my message last year, I expressed confidence in Can Fin's ability to prosper in challenging circumstances, validating our commitment to deliver on our promises. That confidence was fully vindicated as our colleagues came together in the most difficult situations and in the most inspiring ways to ensure business continuity. On behalf of Can Fin Homes Limited, I would like to take this opportunity to express my sincere appreciation for our dedicated employees for their unwavering efforts to take care of our stakeholders' interests in the year gone by.

Impact of COVID-19

COVID-19 has been a catastrophe of epic proportions which has resulted in loss of many precious human lives. It has unsettled the entire human race

and people are still dealing with the adverse consequences. However, history has always shown that the human spirit is capable of overcoming adversity. Therefore, as countries, cities, economies, markets are opening up, people are adapting to the 'new normal' and there is an air of optimism that "this too shall pass"

Over the years, the reputation of Can Fin Homes' as a reliable and trustworthy company has continued to improve. 2021 is the 34th anniversary of our extraordinary journey, and we have won many awards in the process. Despite being an extraordinarily challenging year for most of us, personally and professionally, I take pride in saying that we have delivered an outstanding performance and continued our journey of being a customer focused housing finance partner. Our results this year showcased the strength, agility and resilience of Can Fin Homes Limited, with an innate purpose that permeates across the organisation and a strategy that delivers consistent growth.

Promoting home ownership and increasing the number of proud and satisfied home owners across the nation has been our core operating philosophy. Staying true to this vision, we worked together to adapt and deal with the unprecedented, changes and challenges created by the pandemic. Throughout this tough period, we were always there for our customers – servicing their needs as a trusted housing finance partner. This, in turn, led to a commendable performance during the year.

Robust performance

As a part of the housing finance industry, our business is directly linked with the performance of the economy and the real estate sector. The government's growing impetus for affordable housing through schemes such as Housing for All, Pradhan Mantri Awas Yojana-Credit Linked Subsidy Scheme and Smart city initiatives are fuelling home ownership dreams of the common man. The schemes are

aimed at empowering the urban poor, primarily the Low-Income Group (LIG), Economically Weaker Section (EWS) and the Middle-Income Group (MIG I & II) to fulfil their home ownership dreams. These initiatives have helped the housing finance industry and the real estate industry to record a better performance during the year.

With the outbreak of COVID-19 and the subsequent lockdown, the Indian real estate industry was severely disrupted in the first half of FY 21. As the pandemic progressed, the government's focus shifted towards the development of healthcare infrastructure in the country to cope with an unprecedented medical emergency that continued to affect a large number of people. With economic uncertainty and rising unemployment, the demand for housing dropped in first half of the year.

In the face of this monumental crisis, the real estate sector displayed remarkable flexibility. As soon as the unlocking process was initiated by the government in the third quarter of 2020, the industry showcased promising signs of revival. Further thrust to the industry was provided by the decisive and positive policy measures adopted by the government/regulators. Record low home loan interest rates, coupled with income tax incentives and concessional stamp duty rates, led to the rise in the demand for affordable housing – especially for first-time homeowners. Also, developers willing to close deals quickly played a key role in encouraging home buyers to finalise sales within shorter periods. A confluence of all these factors together with pent up demand aided the sharp recovery seen in housing in the second half of FY20.

Despite these challenges, we recorded a stable topline and growth in bottom-line, in the last two quarters of FY21. In FY21, our new loan approvals stood at ₹4,631 crore and disbursements at ₹4,332 crore. We closed FY21 with a loan book of ₹22,105 crore, an increase of 7% from the previous year. Our PAT

improved by 22% to ₹456 crore from ₹374 crore. The Net Interest Income (NII) increased by 18% to ₹798 crore as against ₹675 crore in FY20 and revenue stood at ₹ 2018 crore as against ₹2,030 crore. NIM rose from 3.52% to 3.88%. The ROE and RoAA stood at 17.47% and 2.18% respectively. In FY21, the cost to income ratio decreased to 15.33% from 15.68%. The Capital Adequacy Ratio for FY21 stood at 25.46% against 22.26% in FY20.

Focusing on our four strategic pillars – Growth, Asset Quality, Profitability and Liquidity, we continued to follow prudent lending practices. This enabled us to report one of the lowest NPA levels in the industry. Our gross and net NPA in FY21 stood at 0.91% and 0.61% respectively, emphasising the Company's constant focus on asset quality.

In FY21, we continued to empower the nation's working middle class to realise their homeownership dreams. 73% of our outstanding loan book, as on 31st March 2021, constituted salaried customers and professionals. 90% of our loan book was under housing loan segment while 87% of our incremental disbursements were for housing loans.

I am proud of the way our people have managed a challenging situation. Their ability to take need based decisions enabled us to keep the business running amidst the hurdles posed by the pandemic. Business continuity was tested. Our employees rose to the challenge and continued to perform while observing COVID appropriate behaviour. It helped us to weather the storm and emerge stronger than before.

On account of the economic slowdown and sluggishness in the housing sector due to the Pandemic, our business was affected in the first two quarters, during which, our employees rallied around, remained in touch with the customers, attended to their request requirements and contacted all customers for moratorium related information, even during the period of remote working. We could thus seamlessly continue work in the post lock down phase too.

In spite of our moratorium percentage being high compared to industry standards, we were able to manage better collection efficiency through constant interaction with our customers, which eventually resulted in lower NPAs.

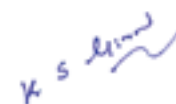

Working IT procedures were made more flexible and agile to facilitate the employees and enabled them to adapt to the 'new normal' in the Covid scenario.

We also endeavour to improve our capabilities to support our customers through digital initiatives. With a focus on value added services, we are consistently upgrading our service portfolio and customising offerings that lend a new dimension to customer experience.

At CanFin, we continue to embrace change and are adapting to the 'new normal' confidently. I am pleased to say, we are increasingly focusing on exploring newer and bigger opportunities that would probably seem impossible a few years ago. I continue to look ahead with renewed hope as we maintain our credo of friendship finance and be a reliable housing finance partner for people from all sections of society.

I would also take this opportunity to thank our stakeholders, shareholders, regulators and Canara bank for their continued support and faith in our abilities. Today, we look ahead with great enthusiasm and optimism as we depend on our core strengths to ensure long term progress and sustained value creation in the days to come.

“Covid has driven home the importance of digitalization and automation”

Girish Kousgi, MD & CEO, Can Fin Homes Ltd.

The scourge of Covid-19 Pandemic has widespread ramifications since it has impacted lives, businesses, livelihoods, careers, education and economies, world-wide.

In the last one year, there have been changes in the style of functioning of diverse business

entities.

First and foremost, it is seen that the hitherto unimaginable concept of work from home has become a ground reality. In the IT sector, this system has gained a ground of almost 100 percent, whereas in the financial sphere, the concept is being enforced conservatively. In the foreseeable

future, working from office may become a rarity.

Covid-19 has driven home the importance of digitalization and automation in times of crisis and uncertainty. Therefore, companies are giving more thrust to these twin areas for sustenance and growth of business. The profile mix, product mix and business model will change depending on the risk and segment of

sourcing.

Emphasis will be on improving liquidity. Funding by NBFC and HPCs will be based on safe assessment. Lending on the basis of verifiable declared income is likely to take precedence.

Industry challenges

Currently, the biggest business challenge faced by all organizations is to overcome the deficiencies caused due to Covid

and to stay afloat, ensure survival and strive to get the portfolio back in order.

The flipside is that interest rates and property prices have bottomed down, on account of which affordability has increased, which is sure to benefit many. The impetus given to housing by the Government will increase the demand for housing and will increase the mortgage portfolio.

Embracing Change Digital Transformation

2020 compelled us to adopt new ways of working. In a dynamic and rapidly evolving business environment, it is essential to remain relevant. To attune ourselves to the 'new normal', we are proactively enhancing our digital presence and making strategic investments in our digital infrastructure making it agile, innovative & efficient to drive our digital transformation journey.

Why is this relevant today?

ONE

Concerns about COVID-19 still loom large, forcing people to stay at home and conduct operations remotely.

TWO

Restrictions on movement continue to affect business in different parts of the country.

THREE

The convenience and ease of doing business through digital platforms has made it imperative for us to embrace digital transformations.

FOUR

India's internet penetration is rising at an exponential rate.

FIVE

The government's vision of 'Digital India' is facilitating rapid adoption of digital channels across the country.

How this could benefit Can Fin Homes Limited?

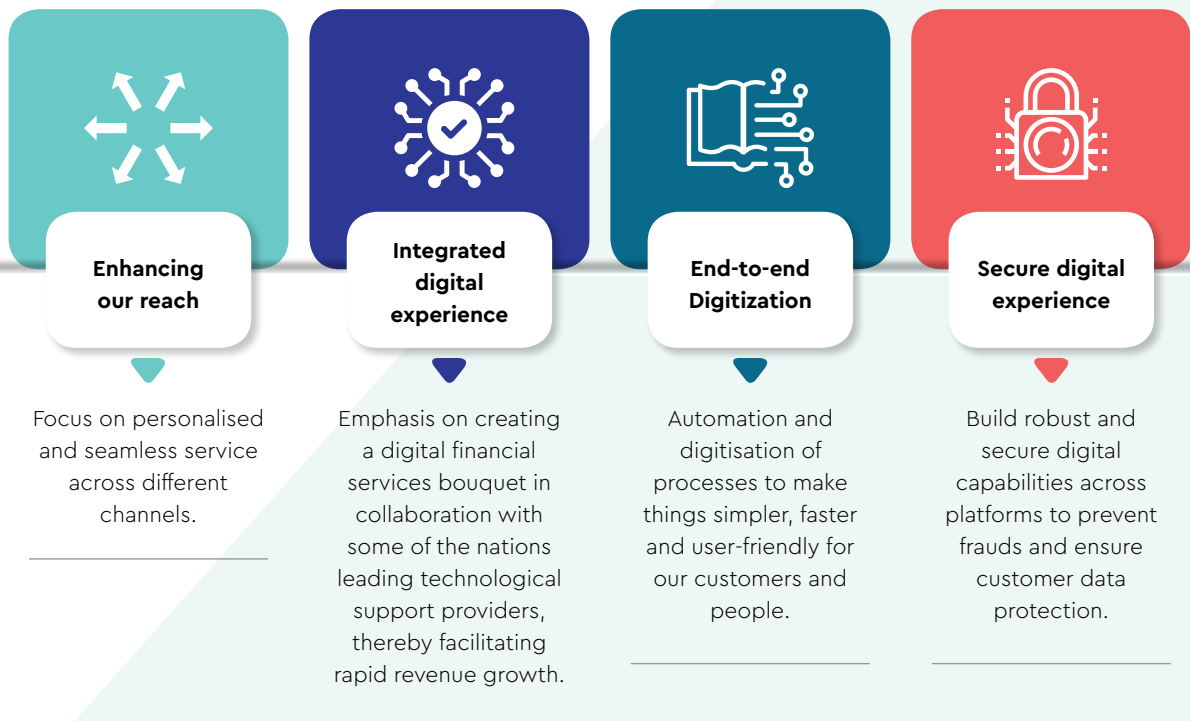

Our digital capabilities are likely to make us more relevant in the days ahead. We intend to deliver personalised services for varied customers by leveraging advanced digital tools and technologies. It would also enable us to reach more customers, across the length and breadth of the country, making our services more appealing for the millennial population of India, who continue to rely on digital platforms for different types of services.

It is also anticipated to enhance our efficiency, enable smarter work and aid prudent allocation of resources. Digital transformations are also expected to open new opportunities for strengthening the core business, reduce cost and deliver excellent customer service.

Our focus on transforming the business and investing in digital initiatives have

enabled us to respond effectively to the accelerating shift towards digital channels, primarily brought about by the COVID-19. It has not only allowed us to tide through crisis unharmed but, has also ensured business continuity despite difficulties.

Management Discussion and Analysis

Indian Economy

India's GDP growth recovered to 1.6% in the last quarter of fiscal year ended March 2021, narrowing contraction in the whole fiscal year from estimated 8% in April to a revised 7.3% during the fiscal year 2020-21 due to the Covid-19 pandemic. The nation-wide lockdown enforced on March 24, 2020 led to severe demand contraction and supply chain disruption across the country, dragging down the quarterly GDP to a record -24% in Q1FY21. Economic activity improved during the unlock phase from June and was supported by pent up demand as investment and consumption grew. The economy delivered sequential quarterly growth in the last two quarters and was among the few global economies to do so.

Among the measures taken to cushion the attendant economic crisis from the pandemic, India adopted an expansionary monetary and fiscal policy, in sync with the global economies. The policy rate was maintained at 4% since May 2020 and along with open market operations conducted throughout the year, the Reserve Bank of India ensured liquidity in the system and lower cost of borrowing. The Government consumption increased by 2% in FY21 aided by various relief schemes for social security and demand revival.

The IMF revised India's GDP growth forecast for FY22 to 9.5% in a span of four months coinciding with the last quarter for FY21. This optimism around recovery, albeit on a low base effect, validates the broad-based recovery observed across sectors during the same period.

However, uncertainty in growth resurfaced since the resurgence of infectious waves in mid-April 2021, exacerbated by the deficient public health infrastructure. The threat was

further amplified by the rise in mutation of the coronavirus and other deadly pathogenic outbreaks, while the Government remains constrained with a fiscal deficit of 9.3% in FY21.

The macroeconomic variables, though controlled, are vulnerable to the uncertain global economic environment. The inflation projection will depend on global factors such as commodities super cycle trends, increasing food prices and geopolitical tensions. Amongst the domestic factors, rising contagion effect in rural areas could dampen the expectations from strong forecast for monsoon and robust agriculture sector. The resulting supply chain disruption could increase headline inflation.

The outlook of the economy, during such uncertain conditions, depends largely on the vaccination rate and containing the rise of new cases.

Indian Housing Review

The Indian housing sector is the largest employment generator in the economy, after agriculture. Besides having a direct impact on the country's GDP and influencing the consumption pattern of its 1.3 billion population, the sector indirectly impacts the human capital formation. Apart from the social and cultural aspect associated with housing, it represents a significant asset class for investment by Indian households.

The Indian housing market is broadly categorized into low, middle and high income according to income potential of consumers. From the supply side, it is transitioning towards a more regulated and efficient market marked by consolidation and entry of new corporate houses and supported by new regulations like GST, RERA, etc.

Prices

The consumer demand witnessed steep decline at the onset of the pandemic which reflected in the increased supply of unsold inventory. In an attempt to balance the mismatch, promotional discounts by developers were offered to attract the consumers. This was further supplemented by policy measures such as stamp duty reduction in various States and overall low cost of borrowing in the prevailing low interest rate scenario. The resulting downward pressure on prices is likely to have further improved the affordability ratio in the middle income segment, which probably explains the increase in consumer uptake during the second half of the fiscal year. The quarterly growth of 1.2% in Q3FY21 further corroborates the resumption of economic activities and consumer buying activities after unlocking the economy.

Inventory

New launches and sales, across top 8 cities, registered a sharp decline during the nationwide lockdown in the first quarter of the fiscal 2020–21. However, new launches witnessed marginal improvement thereafter due to improvement in economic activities and demand. The number of units of unsold inventory also declined marginally in Q2FY21, even as the inventory overhang (i.e., average number of months required to sell unsold houses) increased sharply in the wake of the pandemic.

Growth Drivers for Housing

Housing deficit

Urbanization rate in India has increased from 31% in 2011 and is likely to reach 39% by 2036. With a population of 1.3 billion and consumption driven economy, there is significant opportunity in the housing sector.

Demand in Tier II and Tier III cities

The reverse migration that was triggered by Covid 19 along with the work from home culture which is becoming the new normal, requires additional housing units. Affordability and improved infrastructure have also increased demand for housing in smaller cities. Government initiative in smart cities has also triggered demand.

Ready to move-in:

The pandemic has made the average city resident realize the worth of his/her home which is now doubling up as office space and since this arrangement is unlikely to change in the foreseeable future, home buyers are looking for bigger and ready to move in spaces. Low interest rate and consumers' preference for immediate possession are the added factors for upward movement.

Affordable Segment:

The affordable to mid housing segment will continue to command significant traction from buyers who would be willing to leverage upon lower cost of borrowing to buy household property to suit their income, save on rental expenditure and to avail tax benefits.

Digital transformation:

The ongoing pandemic has altered several narratives. This in turn has not only impacted lifestyles but has also altered the way business is done across industries. For the Financial sector it was important to build on and create platforms to ensure smooth operations due to remote working which traditionally is catered to through personal interactions. This sudden shift accelerated the pace of adoption to digital platforms to cater to customers and their needs across products and services to conduct business safely and securely enabling customers to have a seamless experience.

This transformation required a complete overhaul of existing IT systems preparing for a New Normal by capitalising on existing technology advantages and implementing of diverse Data Management Systems (DMS) and Application Programming Interface (API) that have been accessed during the remote working phase. Automation and data analysers tools were embedded/linked to the existing system thus enabling smooth operations and business continuity. A few changes which were vital for transformation are enumerated below:

- 1) Extension of existing onboarding platforms (websites) were extended to channel partners
- 2) Real time tracking facilities were made available through mobile apps
- 3) Customer Acquisition and validation of details through alternate modes like video calls and relaxations for existing customers
- 4) Assessment of customers with regard to eligibility of loans was done through data fetching from public portals like Goods and Service Tax Network, Ministry of Corporate affairs etc.
- 5) Tools for real time bank statement information analyzers with real time analytical capabilities has been integrated with the system thereby strengthening the loan origination and processing.
- 6) This period also sees Fintechs providing API based solutions thus further enabling businesses with tailor made solutions for better control and faster execution.
- 7) Introduction of Artificial Intelligence/Chat bots to enable resolution for customer queries, complaints and requests enabling faster resolutions.

While these adaptations are rapidly evolving, the pandemic has further enabled Fintechs to strengthen their presence and provide reliable offerings through customized products & partnerships.

Policy Developments during the fiscal year 2020–21

The policy action framework intended to provide liquidity into the system and ease the flow of credit to the capital-intensive real estate sector, thereby influencing economic activity in the country. The notable among them were:

- An ₹ 30000 crore Special Liquidity Scheme for investments in debt papers of NBFC and HFC.
- The Partial Credit Guarantee Scheme, launched in 2019 for the purchase of pooled assets from NBFC and HFC, was modified to also cover their borrowings during the fiscal year 2020–21.
- Financial Institutions including NBFC-HFC were allowed to offer Moratorium facility on payment of instalments with respect to term loans for six months along with relaxation in asset classification norms.
- Extension of the Priority Sector classification for bank loans to NBFCs for on-lending during FY21.
- CRR exemption for banks and allocation of proceeds from Targeted Longer-Term Refinancing Operations (TLTRO) 2.0 auction for improving credit flow towards sectors including housing.
- Risk weights to be rationalized and linked to Loan to Value (LTV) ratios only for all new individual housing loans sanctioned up to 31st March, 2022.
- The 'Co lending model' of loans, initiated in 2018 for limited category of banks and NBFCs has been extended to HFCs to improve the credit flow. This will enable a symbiotic development of banks and HFC through leveraging their financial and operational advantages, respectively.

Government schemes and achievements during the fiscal year 2020–21

- Covid-19 related disruption declared to be treated as force majeure under the Real Estate (Regulation and Development) Act and criteria for the scheme fixed thereof.
- The Credit Linked Subsidy Scheme, introduced in 2017 and previously extended till 31st March, 2020 was further extended by one year up to 31st March 2021, for middle income group (MIG) with annual income ranging between

₹ 6–18 lakhs. The extension has been estimated to benefit 2.5 lakh middle income families during the fiscal year FY21.

- Deadline for Emergency Credit Line Guarantee Scheme (ECLGS 2.0) extended till 31st March, 2021.
- Under Aatmanirbhar Bharat 3.0, a sum of ₹ 18000 crore was provided for PMAY-U over and above ₹ 8000 crore allocated in FY21, which is expected to build 12 lakh houses and complete 18 lakh houses.
- The Special Window for Affordable and Mid-Income Housing (SWAMIH) Investment Fund was established in 2019 to enable delivery of stalled housing projects in the affordable and middle-income housing segment, by extending loans for completing the construction. ₹ 25000 crores fund aims to complete 116,000 homes and has already given final approval for 72 projects translating into 44,100 homes by FY21.
- Pradhan Mantri Awas Yojana – Urban (PMAY-U), launched in 2015, aims to provide pucca houses to all eligible urban households in the low income and mid-income categories including slum dwellers, by 2022. Under the scheme, 112.5 lakh houses were sanctioned by the end of March, 2021 against a demand of 112.2 lakh houses, of which 48 lakh units were already completed. In addition to this, work had also started on 80.2 lakh house units.
- Affordable Rental Housing Complexes (ARHC), a sub-scheme under PMAY-U, has been initiated to extend dignified living at affordable rent to urban migrants/poor in the Industrial sector and those in informal urban economy, close to their workplace. The scheme, which includes new construction along with conversion of existing Government funded vacant housing complexes, has been estimated to benefit 2.95 lakh beneficiaries.

The Budget for fiscal 2021–22 further announced proposals for the development of the real estate industry focusing towards residential segment. The safe harbor limit, which reduces liability and offers certainty in business, was increased from 10% to 20% for residential units. In the affordable housing segment tax incentives were provided which reiterates the Government's push towards this segment. Furthermore, to attract investments in the sector, tax incentives were extended towards dividend payments in REITs and INVITs along with allowing foreign portfolio investments.

Housing Finance Sector Overview

Housing finance market in India is primarily dominated by scheduled commercial banks and Housing Finance Companies (HFCs) with HFCs consistently accounting for nearly two-fifth

of the total housing credit. The overall share of individual housing loans from banks and HFC combined stood at 9.9% of the GDP by end March 2020, along with an outstanding of over ₹ 20 lakh crore.

By end March 2020, there were over 100 HFCs in India, dominated by non-Government public limited companies. This trend will continue in future also. Debentures and bank borrowings have been the main sources of resource mobilization for HFCs, constituting 66% of total resources, while the rest is mobilized through public deposits, NHB, foreign borrowings and others.

The HFCs were the second largest borrowers of funds from the financial system, after NBFCs, with gross payables of ₹ 6.2 lakh crores and gross receivables of ₹ 0.53 lakh crores as at end-September 2020. The resource mobilization from Commercial Papers picked up marginally in the H1FY21.

The RBI modified the rules under its revised framework for Housing Finance Companies (HFC) during the fiscal year 2020-21, to manage the systemic risk to the financial system. The changes listed in the framework include:

- Defined 'principal business', 'housing finance' and 'qualifying assets' for HFCs. The qualifying assets should be a minimum 50% of total assets, of which at least 75% should be towards individual housing loans, to qualify as HFC.
- Classified non-deposit taking HFCs with asset size greater than ₹ 500 crores and all deposit taking HFCs as systematically important HFCs.
- A minimum net owned funds (NOF) of ₹ 20 crores would be required to operate as HFC.
- The RBI rules on liquidity risk framework, liquidity coverage ratio, securitization as applicable to NBFCs will be applicable to HFCs after a cooling period of two years.

Impact of Covid-19

The resurgence of the fresh Covid-19 wave has put many MSME, individuals and small businesses under stress. Taking cognizance of the prevailing situation, the RBI announced Resolution framework 1.0 and 2.0 under which individuals and small businesses having exposure upto ₹ 25 crore and ₹ 50 crore respectively, can opt for restructuring as per applicable schemes. In case of those who had availed the loan restructuring under the earlier scheme, the RBI permitted the Banks and lending Institutions to modify the plans and increase the period of moratorium to help alleviate the potential stress.

The slowdown induced by the Covid-19 pandemic, impacted Banks and HFCs, however, registered year-on-year growth

of 8.5 per cent and 3 per cent, respectively (NHB report in September 2020). The rising refinance offtake and sanctions by Housing Finance Companies (HFC) so far indicate the demand for housing is back in the market, both in lower income and middle income segments.

Lower property prices coupled with reduction in stamp duty/ registration charges in states like Maharashtra, will propel growth. In order to be at par with other Southern states, the Government values have been revised upward for registration and registration charge in Telengana. This is helpful for IT professionals and other salaried employees to access reputed builders, go for high end properties and avail higher loans in a low interest regime. Backed by government policies, support measures and rising population, environment is conducive for affordable housing. Affordable segment housing will continue to remain in demand, as home buyers having an appetite for new property purchases will look to rationalise their quantum of investments.

The housing finance industry had to face many challenges because of Covid 19 and has opened up multiple opportunities due to various relief and liquidity measures announced by the Government and the regulator.

The lower rates coupled with stagnant property prices have led to increase in the affordability. Housing finance disbursement gained momentum in Q3 and Q4. The co-lending model will leverage the competitive advantage of banks and HFCs in a collaborative effort and make available funds to the ultimate beneficiary at an affordable cost, considering the lower cost of funds from banks and greater reach of the HFCs.

With gradual lifting of lockdown measures and reopening of economy, the housing finance activity is on the trajectory of revival. Distinct signs of green shoots in housing finance sector was witnessed in the month on month improved credit offtake from HFCs.

The asset quality across various segments of mortgage finance market such as housing loans, loan against property (LAP), etc. was impacted due to Covid 19 and attendant skepticism in debt servicing capacity of borrowers. The 30-basis point increase in the Gross NPA (GNPA) during 9MFY21 to 2.7% is indicative of the cash flow stress among the borrowers, leading to increase in overdues. With the withdrawal of forbearance measures and intermittent hiccups in economic recovery, the asset quality is likely to deteriorate further, if not properly monitored, thereby countering the upward pressure from increase in credit offtake on profitability of the HFCs.

During H1FY21, the disbursement of individual housing loans of HFCs and banks fell by 45% and 48% respectively, due to demand contraction in the first quarter of the fiscal owing to the lockdown.

During H1FY21, NHB provided refinance support of ₹ 32,851 crores of which 90% was meant for HFC and disbursed subsidy under PMAY-CLSS amounting to ₹ 5353 crores. This helped the lending Institutions avail benefits of liquidity thereby further reduction in EMI for the borrower.

The credit offtake during the second half of the fiscal 2020-21 further indicates the pick-up in housing demand across low and mid-income segments, after the unlocking of the economy in Q2FY21.

Overall Developments and Outlook

The housing finance market was supported by favorable operating environment marked by sharp decline in cost of funds and liquidity measures provided by the central bank and Government. Consequently, the transmission of lower interest rates to borrowers further improved affordability thereby driving sale of housing units, particularly in the affordable and mid income segment. However, the normalization of disbursements to pre-covid levels was observed during the second half of the fiscal 2020-21.

The situation is improving for the residential sector. The enhanced role of Reserve Bank of India (RBI) in the housing sector ensures a better regulated environment for home loan buyers. The policy rates held by the Central Bank are kept low for aiding economic recovery, thereby increasing consumption and growth. As a result, mortgage rates are low, while prices are stagnant. These twin factors make it an appropriate time to acquire a home. As developers have been brought under the domain of RERA, only credible ones who are capable of timely execution of quality products will be able to subsist in the new normal.

From the supply side, structural changes such as including priority sector lending under the ambit of HFCs, developers expected to focus on unfinished projects that were delayed in FY21 and increase in new projects in the current fiscal, is likely to improve demand.

The demand potential driven by rising population and increasing urbanization along with shifting preferences for consumers in the post lockdown environment, is likely to sustain in the near term. The Government push towards affordable and mid-segment housing will further propel growth in the segment on year due to continuation of credit linked subsidy for availing benefits for affordable housing upto March 31, 2022.

Company Overview

Can Fin Homes Ltd. (CFHL), is one of the leading players in the housing finance arena, providing housing loans for individual homes. It also offers non-housing loans including mortgage

loans, site loans, loans for commercial properties, loan against rent receivables, top up loans and personal loans. Can Fin Homes is one of the few institutions approved to accept term deposits from the Public.

Can Fin Homes Ltd. has 200 branches spread over 21 States and Union Territories. The Company offers Housing Loans and Mortgage Loans at competitive interest rates both to Salaried and Self-employed category of borrowers, designed to cater to their individual needs.

The Company's focus has mainly been on Housing Loans to individuals with 90 % of loan book comprising Housing Loans and 10 % for Non-Housing. Average Age of incremental borrowers is around 35 years who are mostly first-time home seekers. In order to uphold its objectives of encouraging home ownership and enhance housing stock in the country, the Company focuses on affordable and mid-segment to reach out to a larger cross section of home aspirants. The average ticket size of the loan is ₹ 20 lakhs in respect of housing Loans and ₹ 10 lakhs for non-housing loans.

The Company will continue its focus on affordable segment and will increase its presence in mid-segment to drive faster growth. With this strategy, its growth is expected to be much faster than before. With clear focus on mid-segment, the Company will be able to gain market share in high-end Developers / Corporates. This will also increase ticket size and will reduce risk.

With sustained efforts, the cost of funds was brought down by 107 bps during the year through continuous negotiations with Bankers by repricing term loans and working capital limits. Cost effective funds were also mobilised through market borrowings and refinance facility from National Housing Bank. During the year, the Company changed its pricing strategy as a customer retention initiative and to increase incremental business. In the past the Company has demonstrated its ability to build business at higher yields. The Company will explore possibility of earning better yields with specific products/geography. With one of the lowest cost of funds, the Company's efforts for raising cost effective funds will continue.

The Company's preference for salaried profile will continue in tune with its strategy, which has helped maintain a healthy asset quality. Self employed will be sourced from safe geographies and with better credit profiles.

Throughout the year, the Company has been maintaining adequate liquidity position which has enabled it to raise funds at competitive rates.

The Company has an array of products, focusing on diverse customer requirements. It caters to both the housing and non-

housing segment by offering attractive, competitive rates of interest.

The Company is helmed by richly experienced, astute professionals in all aspects of banking and housing finance. It has eminent personalities on its Board. The branch offices are manned by capable, efficient and trained employees to help the Company source and process quality loans, maintain effective internal control and deliver excellent customer service.

The hallmark of CFHL is a strong, resourceful governance framework and effective operating procedures. The Company's constant endeavour is to improve its TAT (turn-around time) for the customers and provide efficient service and guidance to abide by our motto of Friendship Finance. Customer satisfaction is the gateway to get newer clients and expand business.

A healthy Asset quality is one of the pivotal factors instrumental for CFHL's growth and reliability since it directly impacts provisioning, profitability, net worth and CRAR. The Company has strong credit underwriting practices and has an effectual system to persistently oversee branch operations and assess risk build up, if any. Additionally, CFHL's proven risk management systems and procedures have helped maintain good asset quality.

Digitalization measures enabled our Company to connect and engage with our Customers for business and collections during the lockdown and even after, on account of the need for social distancing.

The Centralized Processing Centres have been increased to standardise decision making and to increase productivity and TATs. The Company is following a well-established branch model where Branch Manager is responsible for business, collections and customer service.

Deposit Schemes

CFHL is one of very few HFCs licensed by NHB/RBI to accept Public Deposits. CFHL accepts two types of deposits viz; Fixed and Cumulative Deposits. These schemes are designed by CFHL to cater to the needs of the common man. Senior Citizens are offered 0.5% higher ROI than the Card Rate for Deposits. Minimum Deposit amount for Fixed Deposit Scheme is ₹ 2 Lakh with option for drawing interest Quarterly, Half Yearly and Yearly Periods and ₹ 10 Lakh for Monthly Interest Payment. The minimum Deposit Amount under Cumulative Deposit is ₹ 20000/-, interest is compounded quarterly and paid on maturity along with the Principal.

Funding Mix

CFHL borrows term loans, credit lines from Banks, refinance from National Housing Bank, Money market instruments like Non-convertible debentures (NCDs), Commercial Papers (CPs) and Deposits from retail market for funding its lending. As on 31st March 2021 the borrowing of the Company stood at ₹ 19292 Crore.

Deposits	442 Crore
NHB	3955 Crore
Market	4994 Crore
Bank	9902 Crore

The sound financial strategy adopted by the Company in terms of a prudent funding mix has always ensured that liquidity levels are comfortable. The cost of funds is continuously monitored for effectiveness and it has consistently been brought down in several quarters. Though there were liquidity challenges in the market, the Company managed liquidity position well.

Risks and Concerns

As risk is an integral part of business, CFHL manages various risks like Credit Risk, Operational Risk, Market Risk and Liquidity Risk prudently with the help of standard procedures, systems and guidelines.

Credit Risk :

Credit Risk arises on account of default in payment of instalments and is inherent in any lending activity. Reduction in salary or job losses may lead to defaults.

Credit Risk is managed by sound credit norms and a pragmatic credit policy. All new proposals undergo the Credit Appraisal Process which involves a comprehensive Credit Risk assessment standardized procedure for an in-depth analysis of related subjective and objective information of each borrower for correctly gauging their individual creditworthiness. This is most essential for lending. The Company uses various credit assessment agencies like the Credit Information Bureau of India Limited (CIBIL), Experian etc. and the Central Registry

of Securitization Asset Reconstruction and Security Interest of India (CERSAI) to assess the potential risk of the new loan underwritten.

Apart from the check while onboarding a borrower, the Risk Management Policy mandates the periodic assessment of the existing borrower's creditworthiness during the annual resetting of interest. The Offsite Transaction Monitoring System (OTMS), which is an internal monitoring mechanism, provides the necessary inputs and information regularly for corrective action on time.

Review of SMA Accounts is a continuous process for maintaining asset quality. Stressed accounts are closely monitored through preventive rather than the curative approach by periodic inspections, strengthening the inspection team for this purpose and more frequent monitoring of valuation of properties.

External factors such as inflation, deflation, demand, supply dynamics are responsible for this type of risk and are not within the control of the Company. Due to negative trend in market prices, risks like funding risk, liquidity risk and interest rate risk arise.

All loans availed after April 01, 2017 are subject to annual reset of interest rates. A proper mix of short term and long term debt is an intrinsic part of our borrowing policy along with fixed and floating rate instruments. Rate sensitive assets which can be re-priced, takes care of Interest rate fluctuations.

Insufficient funds to meet liabilities constitutes Liquidity Risk. Market liquidity conditions govern this risk of not getting adequate funds when required.

Asset-liability management tolerance levels are keenly watched, as a practical risk mitigation measure. CFHL keeps its borrowing options open and raises funds from different sources like NHB, Banks, NCDs, CPs and Deposits. This enables obtention of funds at lowest possible rates and strengthens liquidity management. ALCO committee reviews its funds regularly. The Company is thus able to have a sound liquidity position.

Covid – 19

Covid-19 has disrupted business, globally. Loss of lives, jobs, income are the consequences of the Pandemic and the entire world is still grappling with the issues that have cropped up in the aftermath of the virulent disease.

The impact has been seen in all sectors including real estate, housing etc. A revival of various economic activities was observed in the 3rd and 4th quarters.

All employees have been vaccinated and the Covid-19 appropriate behavior continues to be followed.

Asset Liability Management

The operational function for managing the balance sheet and asset liability mismatches vests with the ALCO. Cash flows in different time buckets are assessed by ALCO for analyzing behaviour of assets and liabilities and off-balance sheet items. ALCO prevents mismatch between uses and sources of funds. ALCO ensures effective functioning with limits set, for liquidity mismatch and interest rate sensitivity, review mechanisms within the limits prescribed by National Housing Bank/RBI. All the borrowing decisions of the Company are taken by the competent authorities as per the Board approved Policy on Borrowings.

The Risk Management Committee, Audit Committee and the Board of Directors periodically review the financial position of the Company.

Capital Adequacy Ratio

The Company's capital adequacy (CAR) stood at 25.46% of which tier I capital was 23.66% and Tier II was 1.79%. The minimum CAR as per regulatory guidelines is 14% and minimum Tier I capital is 10%.

The Company is required to maintain a minimum CAR of 15% and minimum Tier I capital of 10% as at 31st March 2022. The risk weighted assets of the Company stood at ₹ 11,030 cr.

Internal Audit

Internal Control for operational effectiveness and efficiency, reliable financial reporting and compliance with laws, regulations and policies, is taken care of by the Internal Audit system.

The Risk Based Internal Audit team (RBIA) was further strengthened to intensify the thrust on evaluation of branches and ensure that the functioning is in consonance with the carefully formulated and well documented policies of the Company, plug loopholes and improve customer service, which is the mainstay in an organization like ours. Details of audit reports provided by the Risk Based Internal Audit (RBIA) inspection, NHB/RBI, Sponsor Bank as well as the internal and external Auditors of branches are placed before the Audit Committee of the Board for review. The reports of standalone "Application audit of IT systems" by the IT auditors and special audit for evaluating 'efficiency' of existing internal control systems are reviewed by the Audit Committee periodically. The operations and performance of the audit department is reviewed by the Audit Committee.

The Board of Directors scrutinize and review the Risk profile of the Company, KYC/AML compliances, legal compliance report, ALM at quarterly intervals and compliance of fair practice code, customer complaints at periodical intervals as per the regulatory guidelines. The critical analysis/review of the various policies of the Company is done by the Board Committees prior to approval by the Board.

Asset Quality

Asset Quality is one of the most crucial aspects of an organization, which determines its financial soundness and health.

The Loan Assets of CFHL are administered by the Management with significant time, energy and resources, spent on the same. The critical aspect of reviewing a loan portfolio with regard to borrower default under contractual agreements of payment is undertaken with focus and due diligence. The factors responsible for default are reviewed within the context of any local and regional conditions that adversely affect the Company performance. The adequacy of loan appraisal

standards, risk identification practices, reasons resulting in NPAs, existence of asset concentration, timely identification of delinquency and collections, adequacy of internal controls and MIS, the nature of credit documentation are all meticulously verified at various levels for initiating proper and timely action.

The Company has a robust recovery mechanism to contain NPAs, supported by SARFAESI Act. Relentless follow up both at the branch and Central level, significantly improve collection figures.

As on March 31, 2021, the Gross NPA stood at ₹ 201.91 Crore (0.91%) as against ₹ 157.13 Crore (0.76%) during the previous year.

Provisioning for Loans

Being a housing finance company, the guidelines given by the National Housing Bank (NHB)/RBI on Prudential Norms on Asset Classification and provisioning requirement have to be followed. The Company provides for impairment of financial assets on the basis of the Expected Credit Loss Model or the Prudential norms of NHB / RBI whichever is higher.

Human Capital

Human capital is very critical for the success of any organisation. CFHL has passionate, dedicated and loyal employees which form the Company's core strength. Our employees comprise an optimum blend of confident, energetic and enthusiastic youngsters on one hand and mature, experienced and perceptive seniors on the other hand.

'We are what we do repeatedly. Excellence then, is not an act, but a habit'. Can Fin sets store by this philosophy and lays heavy emphasis on the professional and personal welfare of the staff. Continuous learning is stressed upon in the human resource policy to meet the expectations of the management and to fructify the ambition and aspirations of employees. Several orientation and training programmes are conducted to motivate the staff and help improve efficiency and job proficiency. Several staff welfare measures are implemented to take care of employee interests, which in turn improve productivity.

Employee loyalty and retention are important factors for progress. To attract, hire and have the best available talent, the Company provides equal employment opportunities and the best working conditions.

The Company recruitment strategy is to hire skilful people with right and positive attitude. Attrition levels are low, reflecting a fairly good job satisfaction index.

As of March 31, 2021, the total employee strength of the Company stood at 887. Total assets per employee as at March 31, 2021 stood at ₹ 25.42 Crore as compared to ₹ 25.07 Crore in the previous year.

IT and Security

Data of the Company is a valuable asset and it is the responsibility of the Company to ensure safety and security of the same. Safeguarding of such data and IT Infrastructure from any cyber threat is accorded top priority.

Our IT & IT Security policy, Cyber Security Policy and Cyber Crisis Management plan includes detailed directions to ensure the protection of business information at all levels.

Business Continuity Plan has ensured that critical business functions were available during lockdown. The Company undertakes vulnerability assessment and penetration testing regularly to test and improve the implemented control measures.

The operations of all the branches and the Registered Office are linked through a core-banking platform (Integrated Business Suite).

Segment wise Reporting

Segment has been identified in line with the Accounting Standard on segment reporting, considering the organization structure as well as the differential risk and returns of these segments. The Company is exclusively engaged in the Housing Finance business and revenues are mainly generated from this activity.

Related Party Transactions

The Company's detailed policy on related party transactions is uploaded in the Company's website for the information of all the stakeholders. The related party transactions with details are furnished in the Note forming part of the accounts. All related party transactions are approved by the Audit Committee or Board or members at a general meeting, as applicable.

Corporate Social Responsibility

The Company is committed to Corporate Social Responsibility measures. In FY 2020-21, the CSR activities encompassed the promotion of education, including special education, procurement of educational tabs, water filters etc., for Government schools, construction of class room blocks for schools, renovation of anganwadis, Scholarships for under privileged, Scholarships were awarded for girl child education, and to special, differently abled students for pursuing higher

education, basic equipment to differently abled old and homeless destitutes, construction of library building, toilets etc.

The Company's CSR measures also give a thrust to healthcare by donating advanced medical equipment and ambulances to Hospitals. The Company has extended its CSR support for the construction of a Fitness cum sports centre for tribal students. The Company has also contributed for nutritional expenses, procurement of basic Fixed assets for old age homes, orphanages and residential homes for differently abled people.

Contribution to Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES) and Karnataka State Disaster management Authority during COVID-19 pandemic to provide relief to those affected by any kind of emergency or distress situation like COVID-19, has also formed part of its CSR activities.

During the year under review, a total of ₹ 11 crores has been spent towards CSR activities undertaken by the Company and ₹ 1.73 crores has been sanctioned and will be disbursed during the current Financial Year.

Prospects and Plans of the Company

After the upheaval following the outbreak of Covid-19, which afflicted the entire populace across the country from March 2020 onwards, the post Pandemic phase has begun, following containment measures and a massive vaccination drive. The situation is improving, markets are opening up, there is revival of different sectors and businesses, mobility issues have been resolved to a large extent with the gradual ease of restrictions and there is optimism that the economy is poised to grow.

In the real estate sector and housing finance arena, it is anticipated that demand will spiral upwards and aid business growth. Can Fin Homes will pick up the gauntlet to increase growth in lending and ensure to increase the number of home owners. The margin of difference between the bank rates and our rates has reduced and is bound to help us increase volumes.

The cost of funds will be perpetually monitored and will be aggressively brought down to enhance our profitability parameters. Thrust on collections will also be an ongoing exercise and our focus on Asset Quality will not waver and maintenance of the same will be an ongoing endeavour.

Notwithstanding the deadly second wave of COVID-19 that led to severe economic repercussions in the months of April and

May, signs of recovery for demand in residential real estate were visible in June. Despite the slump during April and May, the demand for housing in June'21 rebounded to pre-covid levels. The intermittent lockdown due to the second wave and the continuance of Work-From-Home (WFH) policies ensured a rise in demand for 3BHKs and above as home buyers are looking to upgrade for the need of an extra room to suit the requirement of home-office.

Signs also suggest that the momentum gained in the last six months will continue across both supply and demand, especially due to the emerging needs of consumers for large size houses and all-time low interest rates. However, caution is required given the resurgence of COVID cases in the country and threats of another streak of lockdowns. The future of the sector is tied to speedy vaccine drives and completion of infrastructure projects like the metro and major highway projects.

Impact of Covid on business:

World Health Organisation had declared Covid-19 as a pandemic in March 2020 and the entire world has been grappling with the dreaded disease. The resilient human spirit endured and overcame the first wave. Between October 2020 to March 2021, lives, businesses and economies resumed with near normalcy. However, severity of the Pandemic during the first 6 months of the fiscal has definitely impacted performance of most business and corporate entities.

The Company's main business is providing loans for construction/ purchase of houses/ flats against the security of immovable property.

During the first two quarters, your Company continuously was in touch with customers, trying to understand their needs, impact on income due to Covid and well-being. Customers were educated regarding RBI's initiative of granting moratorium. This initiative helped customers choose the right option and also helped the Company manage portfolio effectively post Covid. Business picked up in the third quarter and Company performed well during the last 2 quarters.

In Q4, the Company disbursed ₹ 2001 Crore which is an all-time high quarterly number in last 33 years. The Company registered 44% growth in Disbursements in Q4 YOY and disbursements increased sequentially by 81%. We were able to do well on the Collections front too and contained NPAs at 0.91%. Despite pandemic, the Company managed to deliver a good performance.

4. EXPANSION OF BRANCH NETWORK

Your Company has been continuously expanding its network of branches. Though our presence in Southern states is predominant, new branches have been opened in various parts of the country after examining the potential on the basis of surveys conducted.

During FY21, due to Covid-19 related restrictions, only 4 new branches were opened. As at the end of FY21, your Company has an expanded network of 200 branches spread across 21 states comprising 186 branches and 14 Satellite Offices.

During FY22, your Company has plans to open branches depending on the return to full normalcy, considering the growth potential of various locations.

5. TECHNOLOGY INITIATIVES

All the branches and the Registered Office are connected through a core-banking platform (Integrated Business Suite) with Cloud compute services. The Company has implemented Multiprotocol Label Switching (MPLS) links for a higher bandwidth, security and dedicated uptime.

In order to improve operational efficiency, your Company has embarked on technology initiatives like implementation of Central Know Your Customer (CKYC)

and web-based Application software for Inspection & Audit. The website of your Company is interactive and user friendly.

Your Company has introduced digital meetings platform for Board and Committee meetings which is paperless, secure, efficient and cost effective. Further, the Company has also introduced digital platform for the tracking of Unpublished Price Sensitive Information (UPSI).

During the Pandemic, as per the new normal, several virtual meetings were conducted and your Company optimally utilized the Video Conferencing facility at various centres. Virtual review meetings with branches, clusters and interviews for recruitments were facilitated with the use of this technology.

The technological capabilities of the Company were quickly leveraged to ensure that operations were smooth and the employees were successfully able to work from home even during the lockdown.

Digitalization measures enabled your company to connect and engage with our Customers for business and collections during lockdown and even after, on account of the need for social distancing.

Thrust on cyber security was given and all employees have been regularly informed about security awareness and the dos and donts to safeguard the information assets of the Company.

Business continuity plan is tested to address disruption risks in the event of an unforeseen situation and in the unprecedented lockdown this enabled us to continue operations smoothly.

6. CUSTOMER FRIENDLY INITIATIVES

The Company follows transparent, fair and impartial practices covering all customers across branches. Information related to our Company, products, schemes and charges is made available in the website of the Company.

As per NHB/RBI Master Directions, the Fair Practices Code (FPC) and Most Important Terms and Conditions (MITC) are regularly updated and uploaded in the Company's website for ready reference of our customers. The customer portal on the website enables customers to access Income Tax provisional certificates and facilitates online money transfer.

The COVID-19 pandemic necessitated several safety measures to safeguard the health and welfare of the

customers and your Company ensured that all the necessary steps were taken in this direction, including social distancing, provision of sanitizers in all branches, usage of masks by the staff, etc.

We have also ensured that most of their requirements have been met by way of telephonic discussions and mails in order to prevent avoidable visits during the course of the Pandemic.

As an environment friendly initiative, we have provided cotton cloth bags to our customers across the country through our branches, to discourage and discontinue the use of plastic which harms the ecosystem.

7. FINANCIAL RESOURCES

a) Refinance from National Housing Bank (NHB) and borrowings from Banks

During the year, your Company had availed fresh refinance amounting to ₹500 Crore out of the sanctioned ₹2,000 Crore (previous year ₹1,500 Crore) under the NHB refinance scheme and Special Refinance Assistance of ₹ 636 Crores. The cumulative NHB borrowings as on March 31, 2021 were ₹3,954.94 Crore (previous year ₹3,446.88 Crore), with the overall cost of borrowing (including the loans under Rural Housing and Urban Housing Schemes) of 6.41% p.a.

b) Borrowings from Banks

During the year, borrowings were diversified through a combination of short-term and long-term loans considering the asset liability management position to reap maximum benefit of interest rates. To diversify risks within banks, we had exposure from PSU/Private/Foreign banks. The aggregate bank borrowings (term loans plus overdraft) at the end of the financial year stood at ₹ 13,856 Crore; the overall borrowings are within regulatory ceiling of 13 times of net owned funds.

The overall cost of borrowings from banks was 6.71% p.a. as on March 31, 2021. During the year, the long-term 'rating' of the Company for term loans was [ICRA] AA+ (Pronounced as ICRA Double A Plus), signifying high degree of safety regarding timely servicing of financial obligations.

c) Debentures

(i) Secured Non-Convertible Debentures

The Company has issued Secured Redeemable Non-Convertible Non-Cumulative Taxable

Debentures (SRNCD) during the year of ₹275 Crores (previous year was ₹250 Crores). The debentures were secured by way of a floating charge on the assets i.e., loan receivables specifically earmarked for the purpose in favour of the Debenture Trustees. Compliance with Directions/ Guidelines of National Housing Bank (NHB)/RBI and other statutes

Your Company has complied with the Housing Finance Companies (NHB) Directions, 2010 and other directions/guidelines prescribed by NHB and as amended from time to time till February 17, 2021 i.e., issue of Master Direction - Non-Banking Financial Company - Housing Finance Company (Reserve Bank) Directions, 2021 by RBI. Your Company has adhered to the prudential guidelines/norms for non-performing assets (NPAs) and directions issued by NHB on withdrawal of pre-closure charges for all loans, asset classification of credit/ investments, credit rating, acceptance of deposits, Fair Practices Code (FPC), Most Important Terms and Conditions (MITC), Customer Complaints Redressal Mechanism, Know Your Customer (KYC), Anti-Money Laundering (AML) Guidelines, Asset Liability Management, Capital Adequacy Ratio (CAR) norms, Information Technology frameworks, CERSAI, Implementation of Indian Accounting Standards (Ind AS), Guidelines on Reporting and Monitoring of Frauds

in Housing Finance Companies, INGRAM software, constitution of IT Strategy Committee, Guidelines on reporting and monitoring of Frauds in Housing Finance Companies and other related instructions issued by the National Housing Bank (NHB) were implemented in letter and spirit with an explicit notification on the website of your Company, to the extent applicable.

In August 2019, the central government conferred the powers of regulation of Housing Finance Companies (HFCs) to RBI from NHB. NHB continues to carry out the function of supervision of HFCs.

In October 2020, RBI issued the regulatory framework for HFCs in supersession of the corresponding regulations by NHB. The objective of the framework was to facilitate regulatory transition in a phased manner with least disruption.

During the year, RBI introduced certain regulatory changes for HFCs such as the principal business criteria for housing finance, definition of housing finance, minimum net owned fund requirements, guidelines on liquidity risk management framework and liquidity coverage ratio, amongst others.

Further, on February 17, 2021, RBI issued Master Direction - Non-Banking Financial Company - Housing Finance Company (Reserve Bank) Directions, 2021 (RBI HFC Directions). These directions came into force with immediate effect. As mentioned in the notification, RBI has issued the subject Regulations to all Housing Finance Companies (HFCs), considering it necessary in the public interest, and being satisfied that, for the purpose of enabling the Bank to regulate the financial system to the advantage of the country and to prevent the affairs of HFCs from being conducted in a manner detrimental to the interest of investors and depositors or in any manner prejudicial to the interest of such HFCs.

Key changes in the regulations are detailed in the Management Discussion & Analysis report.

In terms of the Master Direction - Non-Banking Financial Company - Housing Finance Company (Reserve Bank) Directions, 2021 Housing Finance Companies - Corporate Governance (NHB) Directions, 2016, the Company has attached the Related Party Transactions Policy at the end of this Annual Report.

During the year, the NHB conducted regular inspection of your Company in November 2020, for the position as at March 2020. The replies on the observations were submitted within the prescribed time to NHB, which were reviewed by the Audit Committee and the Board.

During 2020-21, NHB vide its letter dated October 15, 2020 had imposed a penalty of ₹5,900 (inclusive of GST@18%) for alleged contravention of section 29 of the NHB Act, 1987, relating to creation of floating charge on SLR investments in favour of the Deposit Trustee, on SLR investment maintained to an extent of more than 13% (requirement 13%) on the total public deposit outstanding as on the last day of 2nd preceding quarter. The Company had sent a reply and remitted the amount.

Your Company has complied with other related statutory Guidelines/Directions/Policies as applicable to the Company from time to time. Compliance of all Regulatory directions/ guidelines of NHB/RBI other statutes are periodically reviewed by the Audit Committee and the Board.

Your Company has complied with Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standard) Amendment Rules, 2016 as applicable read with Section 133 of the Companies Act, 2013 and guidelines issued by National Housing Bank.

16. TRANSFER OF UNCLAIMED AND UNPAID DIVIDEND/ DEPOSIT AMOUNTS TO THE INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

In terms of section 124 and 125 of the Companies Act, 2013, the amounts (dividend, deposits etc., with interest) that remained unclaimed and unpaid for more than 7 years from the date they first became due for payment, should be transferred to IEPF. As an investor-friendly measure, your Company has been intimating the respective shareholders / depositors / investors to encash their dividend warrant/renew matured deposits or lodge their claim for payment of due, if any, from time to time and claims made are settled. As per the statutory requirements, the details of such amounts are made available on the website of MCA-IEPF as well as on the Company's website. In order to receive prompt payment of dividend, the members/ investors are requested to DEMAT the shares held in physical mode, register bank account particulars, opt for ECS facility, register nomination and intimate change of address, if any, to the Company/ Depository Participants promptly.

a) Unclaimed dividends

As at March 31, 2021, dividends aggregating to ₹185.52 Lakh (Previous year ₹173.02 Lakh) relating to dividends declared for the years FY13-14 to

FY19-20 (of which ₹32.43 Lakh related to dividend for the year 2020), had not been claimed by shareholders. As an investor friendly measure, your Company has intimated shareholders to lodge their claims and related particulars were provided in the annual reports each year as well as on the website of your Company. The dividend pertaining to 2012-13, which remained unclaimed/unpaid amounting to ₹ 13.28 Lakh (in respect of 2,222 shareholders), was transferred to IEPF on September 10, 2020, after the settlement of claims by members received in response to the individual reminder letters sent by your Company to the respective members. The dividend pertaining to 2013-14 remaining unclaimed and unpaid, amounting to ₹20.23 Lakh (in respect of 1,977 shareholders) as on March 31, 2021, would be transferred to IEPF during July 2021 after settlement of the claims received up to the date of completion of seven years i.e. on July 31, 2021.

The Company takes various initiatives to reduce the quantum of unclaimed dividend and has been periodically intimating the concerned shareholders, requesting them to encash their dividend before it becomes due for transfer to the IEPF.

b) Transfer of shares to IEPF Demat account

Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and refund) Amendment Rules, 2017 was notified by the Ministry of Corporate Affairs (MCA) on October 13, 2017. As per Rule 6 of the said Rules, the shares, in respect of which dividend amounts have not been paid or claimed for 7 consecutive years, are required to be transferred to 'IEPF demat Account' of IEPF Authority. On verification of records of unclaimed dividend amounts from 2006 to 2012, which have already been transferred to IEPF on lapse of 7 years (during 2013 to 2019 respectively), 7 shareholders had not claimed dividend for consecutive 7 years and their shares 4,000 Nos. have been transferred to IEPF demat account within the prescribed period and the details are provided on the website of the Company. For more details, please refer 'General Information to shareholders' in this report.

In terms of the above Rules, reminder letters were sent by the Company to all the shareholders who had not claimed their dividends for a consecutive period of 7 years, informing that their shares will be transferred to IEPF suspense account on the due date, September 03, 2021, if they do not place their claim for unclaimed dividend amounts before the

Company. Your Company has provided the related details on its website (Investors page).

c) Unclaimed deposits

Deposits remaining unclaimed for a period of seven years from the date they became due for payment have to be transferred to the Investor Education and Protection Fund (IEPF) established by the Central Government. The concerned depositor can claim the deposit from the IEPF. As required under Section 125 of the Companies Act, 2013, the unclaimed and unpaid deposits together with interest for the year 2012-13 amounting to ₹ 16.94 Lakh (previous year ₹ 0.60 Lakh) that remained unclaimed and unpaid for a period of 7 years were transferred to IEPF during the year under review.

17. PARTICULARS REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND EXPENDITURE

During the year, your Company did not earn any income or incur any expenditure in foreign currency/exchange other than payment of Dividend 2020 to NRIs on repatriation basis to an extent of ₹14.50 Lakh through authorised dealers.

Since your Company is a Housing Finance Company and does not own any manufacturing facility, the requirement relating to providing the particulars relating to conservation of energy and technology absorption as per Sec 134 (3) (m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules 2014, are not applicable. Also the Company does not use energy intensively. The Company is conscious of the importance of imbuing measures towards optimum energy utilisation and conservation. However, the Company as its responsibility towards the society, has taken measures towards optimum energy utilisation and conservation, like installation of Solar Power systems, Solar UPS and power saving lamps like LED lights instead of conventional CFL & Fluorescent lamps in some of its branches.

As a part of Save Green efforts and leverage of technology, a lot of paper work at branches and the Registered Office has been reduced (also refer para 5).

As a green initiative, the Company has started availing the services of 'Dess Digital Software' for sharing the soft copies of agenda papers pertaining to all the Board and Committee meetings, with the Directors and executives.

In compliance with the said Regulations, the BRR is provided as a part of this Report as Annexure 5.

Board Evaluation:

The Board of Directors has carried out an annual evaluation of its own performance, board committees, and individual directors pursuant to the provisions of the Act and SEBI Listing Regulations. In terms of Regulation 17(10) of the SEBI (LODR) Regulations, 2015 read with the SEBI Circular No. SEBI/HO/CFD/ CMD/ CIR/P/2017/004 dated January 05, 2017, your Company has put in place the 'Board and Director's Evaluation Policy' laying down a framework for evaluation of the Board, its Committees and of the individual directors with defined attributes for evaluation. The Board has evaluated the performance of the independent directors including their criteria of independence as specified in the said regulations and their independence from the management. The directors who were subject to evaluation did not participate in their own evaluation. The results of the evaluation exercise were shared with the Board in subsequent Board Meeting(s).

30. SAVE GREEN EFFORTS & RESPONSIBILITY TOWARDS SOCIETY

In recognition and support to the green initiative taken by the Ministry of Corporate Affairs (MCA), Government of India, your Company is sending AGM notices, annual reports, correspondence with the stakeholders etc. to the respective e-mail IDs of stakeholders. To facilitate paperless banking, initiatives taken by your Company include ECS / NACH facility for repayment of loans, streamlining the systems and procedures for reporting by the branches and at the Registered Office through Integrated Business Suite (IBS), networking of branches with the Registered Office, harnessing solar energy for lighting and computer operations in 16 branches. The digital storage of data is being increasingly adopted and therefore, the usage of paper is curtailed to the minimum.

As in the previous years, we continue to publish only the statutory disclosures in the print version of the Annual Report. Electronic copies of the Annual Report, Annual General Meeting Notices, and such other notices are being sent to all members whose e-mail addresses are registered with the Company/ Depository participants. Further as per MCA circular dated 13/04/2020 notices for the General meeting may be given only through e-mails registered with the Company/DP/RTA. As per SEBI Circular SEBI/HO/CFD/CMD1/ CIR/P/2020/79 dated 12/05/2020, the requirements of Reg.36 (1)(b) and (c) and Reg.58 (1)(b) &(c) of the LODR are dispensed with for listed entities who conduct their AGMs during the calendar year 2020 (i.e. till 31/12/2020). Accordingly, the Company conducted the AGM through VC/OAVM facility. Further, MCA General Circular No. 02/2021 dated

January 13, 2021 and SEBI Circular SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 has further extended relaxations to companies to conduct their AGMs through Video Conferencing (VC) or through other audio-visual means (OAVM) till 31/12/2021.

[Regulation 36 (1)(b) and (c) of the LODR prescribes that a listed entity shall send a hard copy of the statement containing salient features of all the documents, as prescribed in Section 136 of the Companies Act, 2013 to the shareholders who have not registered their email addresses and hard copies of full annual reports to those shareholders, who request for the same, respectively. Regulation 58 (1) (b) & (c) of the LODR extend similar requirements to entities which have listed their NCDs and CPs.

Through our CSR activities in the field of healthcare, education and empowerment of the downtrodden, we have strived to improve the lives of lakhs of our country men, women and children. We have sanctioned ₹ 10.47 Crore for FY 2020-21 and spent ₹ 11.08 Crore (₹9.05 crore from FY 2020-21 and ₹2.03 Crore from Previous Years) towards various activities which have been detailed in point no.23 of this report.

31. OUTLOOK FOR 2021-22

The country is trying to tackle Covid-19 and the vaccination drive is expected to ease the situation soon.

With gradual lifting of lockdown measures and reopening of economy, the housing finance activity is on the trajectory of revival. Distinct signs of green shoots in housing finance sector was witnessed after the slump in April and May and improved credit offtake from HFCs is observed.

Various schemes launched and introduced by the Government are anticipated to act as catalysts for revival of the economy and for giving a thrust to the real estate market.

As done in the past, your company is committed to maintain high level of standards in all the business conducted in the normal course.

With change in pricing strategy, the ROI on loans was reduced several times during the fiscal and margin of difference between bank rates and our rates has reduced and is bound to help us increase volumes.

Our focus on lending to the salaried class will continue. Your Company will concentrate on lending for the Affordable and mid-segment Housing. Qualitative growth and thrust on collections will be an on-going exercise

and will strengthen our resolve to maintain good Asset Quality.

The cost of funds will be monitored continuously to enhance profitability. Your Company will continue to focus on growth, profitability, asset quality and liquidity.

32. APPRECIATIONS

Your Directors would like to thank Canara Bank, the promoter, for their continuous support.

Your Directors would like to acknowledge the role of all its stakeholders viz., shareholders, debenture holders, CP holders, depositors, bankers, lenders, borrowers, merchant bankers, insurance partners, Statutory and Branch Auditors, Secretarial Auditors, panel advocates, panel valuers, agents and all others for their continuous support to your Company and the confidence and faith that they have always reposed.

Your Directors acknowledge and appreciate the guidance and support extended by all the Regulatory authorities including National Housing Bank (NHB), Reserve Bank of India (RBI), Insurance Regulatory and Development Authority of India (IRDAI), Securities Exchange Board of India (SEBI), Ministry of Corporate Affairs (MCA), Registrar of Companies, Karnataka, Stock Exchanges, NSDL and CDSL.

Your Directors thank the Rating Agencies, viz. ICRA, CARE, India Ratings & Research Ltd., (FITCH), the Registrars & Share Transfer Agents, Debenture Trustees and Trustees of public deposits of your Company, Government(s), local/ statutory authorities, and all others for their whole-hearted support during the year and look forward to their continued support in the years ahead.

The Directors mourn the loss of lives of two employees due to COVID-19 pandemic, are deeply grateful and have immense respect for all persons who risked their lives and safety to fight this pandemic.

Your Directors value the professionalism of all the employees who have proved themselves in a challenging environment and whose efforts have stood the Company in good stead and taken it to present level.

PERFORMANCE OVERVIEW: NATURAL CAPITAL

Environmental Social and Governance (ESG)

Our Company's approach to sustainable growth is built on the belief that it can strengthen its business while also valuing the environment and its ecosystem. We aim to achieve more sustainable outcomes as well as partner with customers, society and governments towards the achievement of the UN sustainable development goals. We are of the belief that business success and sustainability-driven decisions go hand in hand and depends on the passion of its employees, shareholders and customers.

Environment

It is observed that environmentally sustainable practices aid financial benefits. Inclusive growth promotes and advocates optimal use of depleting resources like water and curbing pollution. As our company is service based and its activities do not involve manufacture of products, we ensure that consumption of energy and natural resources are moderated. Emphasis is placed on environmental conservation while adhering to employee and community safety. We aim to improve energy efficiency by ensuring that business and employee travel are optimized. Company's utilization of virtual technology in the new normal ensured continued business communication in this era of social distancing.

At Can Fin Homes, we are committed to environment-social-governance (ESG) for providing services directly/ indirectly. The holistic environment-social-governance ensures corporate longevity, ensures sustainability in the long run and enhances value for its employees, stakeholders and the community.

Can Fin Homes has taken steps for promoting renewable energy which will be predominant in the foreseeable future in view of scarce natural resources. In this direction, a few years ago itself, our Company has started to use solar energy-driven Power systems including Solar UPS and power saving lamps in some of its branches, use of LED lights instead of conventional CFL & Fluorescent lamps. This saves electricity and is also cost advantageous. We will endeavor to utilise these power saving sources in multiple branches across India.

Bio-Diversity

The nature of our service oriented business, does not affect biodiversity negatively. Our employees are also encouraged

to promote environment friendly initiatives like tree planting, avoid usage of plastic, water conservation and usage of bio-degradable products.

Water

Given the nature of our industry, water consumption is minimal. We will encourage our employees and customers to ensure rain water harvesting in their homes to preserve water.

Waste

There is no discharge of effluents and waste since we are a service oriented institution. Necessary steps are taken to reduce emissions, resource consumption, carbon footprint, through efficient use of renewable energy.

Social and employee matters

Policies on corporate governance, code of conduct for the Directors and Employees are in place and the same are strictly adhered to.

We abide by the credo of excellence, cost efficiency, timely HR measures. Our employees work in a safe and conducive environment, where equal opportunities are given to all.

Customers and Vendors

The Company adopts a customer friendly approach recognizing that the customer is paramount for the growth and success of the organization. Customer service is given predominance and customer satisfaction is pivotal.

Community

The Company follows the branch model and all branches provide community services across the country in tune with the United Nations' Sustainable Development Goals.

We are guided by our Board of Directors, including a woman director, who are all eminent personalities with rich experience.

Our Company is totally service based and in no way involved in the manufacture or selling of controversial weapons.

Report of Directors on Corporate Governance

A Report on Corporate Governance for the year ended 31st March, 2021 is given below, pursuant to Schedule V(C) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations")

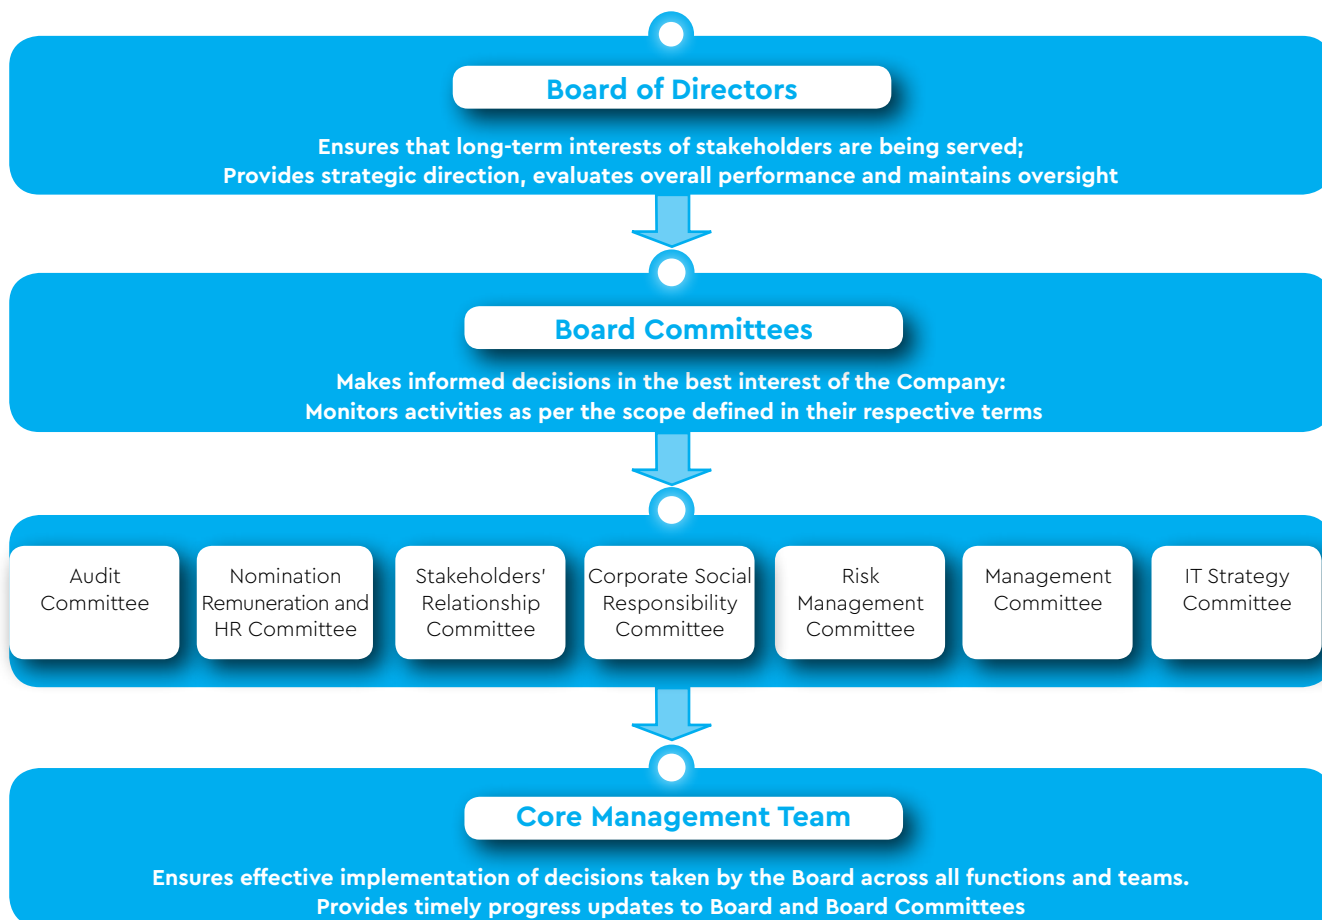

Your Company is committed to the principles of 'Accountability', 'Transparency' and 'Fairness' in its dealing with Stakeholders. Accordingly, in the endeavor to take balanced care of Stakeholders, your Company adheres to good corporate governance practices in its business processes. The Company has a strong legacy of fair, transparent and ethical governance practices. The Company has in place a Code of Conduct for its employees, Senior Managerial Personnel and also for its Directors.

Corporate Governance is a set of systems and voluntary practices ensuring commitment to values, compliance of statutory regulations, political and economic environments, ethical conduct of business, accountability, transparency, disclosures and acceptance by management of the inalienable

rights of shareholders as the true owners of the Company. It involves relationships between the management, the Board of directors and all its stakeholders.

Good corporate governance is a well-defined and enforced structure that works for the benefit of everyone concerned by ensuring that the enterprise adheres to accepted ethical standards, best practices and formal laws. It leads to improved business performance; the main objective of corporate governance is not only to protect the interest of the shareholders but also to enhance shareholders value. It is rightly said that corporate governance is a philosophy which touches every aspect of the functioning of a corporate and its stakeholders. It is not an end itself but a means to practice and bring about corporate democracy at all levels of the corporate entity.

CORPORATE GOVERNANCE STRUCTURE

Company's corporate governance is important to investors equally as it shows from time to time the company's direction and business uprightness. Good corporate governance helps companies build trust with investors and the community. As a result, corporate governance helps promote financial viability by creating a long-term investment opportunity for market participants.

In observation of the current economic downturn climate, investors may look more closely at companies' corporate governance disclosures. As a good corporate citizen, your Company is dedicated towards following the best practices built through conscience, fairness, transparency and accountability in building confidence of its various stakeholders in it, thereby paving the way for its enduring success.

The corporate governance arrangements are those through which an organisation directs and controls itself and the people associated with it by establishing standards and codes of conduct. Good Corporate Governance is a way of life that necessitates taking into account the stakeholders interests in every business decision.

1. Company's Philosophy on Code of Governance

The Company, the Board, the promoters and the employees have embraced statutory and regulatory changes towards strengthening corporate governance. The Company's corporate governance philosophy encompasses enhancement of value for all stakeholders. The Company's Board follows ethical standards of Corporate Governance and adheres to the norms and disclosure requirements mentioned under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018 (hereinafter collectively referred to as "the Listing Regulations") as applicable and looks at corporate governance as a part of its business. It also adheres to the applicable provisions under the Housing Finance Companies – Corporate Governance (National Housing Bank) Directions, 2016 and Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021.

The Company has a strong commitment to the principles that underline the effective corporate Governance. The Company's Board oversees how the management serves and protects the long-term interests of the stakeholders. Over more than three decades, the Company has put in place the best practices for the timely, adequate, explicit and accurate disclosure of information on Company's financials, performance, governance and other related matters.

Your Company has been responsive to its stakeholders and striving to provide equal, timely and cost efficient access to relevant information to all with whom it has business relations.

The Board has a set policy on Corporate Governance to help fulfil Company's corporate responsibility towards its stakeholders. The Board, at its discretion, may change the policy or guidelines periodically to achieve Company's stated objectives. Further, these guidelines allow the Board to make decisions that are independent of the management. The policy is available on the website of the Company at the link <https://www.canfinhomes.com/pdf/Corporate-Governance-Policy-2021.pdf>

Your Company has built confidence amongst the stakeholders all these years by adherence to the standards and principles of corporate governance, compliance with statutory and regulatory directions/guidelines, and by its determination to achieve higher levels of excellence in the areas of meeting stakeholder expectations, customer satisfaction, employee welfare and its obligations towards the society.

Your Company strives to achieve the objectives of the principles to protect and facilitate the exercise of the rights of its shareholders like right to be informed of the changes, effective participation & vote in general meetings, adequate mechanism to address the grievances of the shareholders, stakeholders, etc., and provide timely and adequate information to shareholders, equitable treatment, etc. Your Company respects the rights of its stakeholders.

The directors are pleased to present this report on the Corporate Governance practices followed in your Company.

2. Board of Directors

As at the end of the financial year 2020–21, the Board consisted of 8 members with an optimum combination of executive directors, non-executive directors and independent directors, including a woman director. (viii) Independent Directors

Independent Directors play a key role in the decision-making process of the Board. They are committed to act in what they believe are in the best interests of the Company and oversee the performance of the management periodically. The Company and its Board benefits immensely from the in-depth knowledge, experience and expertise of its Independent Directors in achieving its desired level of business performance and good corporate governance.

Independent Directors are non-executive directors as defined under Regulation 16(1)(b) of the SEBI Listing Regulations and Section 149(6) of the Act along with rules framed thereunder. In terms of Regulation 25(8) of SEBI Listing Regulations, they have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Based on the declarations received from the Independent Directors, the Board of Directors has confirmed that they meet the criteria of independence as mentioned under Regulation 16(1)(b) of the SEBI Listing Regulations and that they are independent of the management. Further, the Independent Directors have included their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs in terms of Section 150 of the Act with an objective independent judgement and without any external influence read with Rule 6 of the Companies (Appointment & Qualification of Directors) Rules, 2014. The terms & conditions of their appointment are disclosed on the Company's website.

The Independent Directors have given declarations to the Company for the year ended March 31, 2021 confirming adherence to the code of conduct/ criteria of independence, directorships, etc. The

Company has in place the evaluation criteria for performance evaluation of Independent Directors wherein their preparation, deliberations, effective participation, skills and knowledge to discharge their duties as Independent Directors, performance, criteria of independence, etc. are rated by all the Directors (excluding the Director being evaluated).

Based on the disclosures received from all independent directors, the Board of Directors confirm that the independent directors have fulfilled the conditions specified in the Companies Act, 2013, the SEBI Listing Regulations, HFC's Corporate Governance (NHB) Directions, 2016, Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021 and they are independent of the Management.

There were no resignations under the category of Independent Director during the Financial Year 2020-21.

As per Regulations 25(10) of SEBI (LODR) Amendments Regulations, 2018, the Company has undertaken Directors and Officers Insurance (D&O insurance) for all Directors including independent directors of such quantum and for such risks as was determined by the Board of Directors.

Meeting of Independent Directors:

Separate meeting of Independent Directors of the Company, without the presence of the Executive Directors and the management representatives, was held on March 30, 2021, as required under Schedule IV to the Act (Code for Independent Directors) and Regulation 25(3) of the listing regulations. Dr Vijayanand Yeluri was the Lead Independent Director in the Meeting.

The Independent Directors at their meeting have reviewed, inter-alia, the performance of the Board as a whole, the Committees, the Managing Director & Dy. Managing Director, the non-independent directors and the Chairperson. They also assessed the quality, quantity and timeliness of the flow of information from the Management to the Board.

(ix) Appointment/ re-appointment/ resignation of Directors

Complete particulars of appointments, re-appointments and resignations of the Directors during the relevant period of this Report are provided in Para 18 of the Report of Directors forming part of this Annual Report.

SHARE TRANSFER SYSTEM

The powers to consider and approve share transmissions / consolidation / sub-division, etc. have been delegated by the Board to the Company Secretary and one of the Asst. General Managers at the Registered Office of the Company and such requests are processed once in ten days. However, in cases of disputes over title to shares pending before Courts or otherwise stop transfer instructions are registered by owners, the transfers take place on resolution of disputes between the parties and/or in terms of the applicable provisions of law.

The matter connected with the share transfer/transmission and other related matters are being handled by Registrars and Transfer Agents located in the address mentioned above. Share lodged for transfer are normally processed within 15 days from the date of lodgement, if the documents are clear in all respects. All requests for dematerialization of securities are processed and the confirmation is given to the depositories within 15 days.

Grievances received from the investors and other miscellaneous correspondences relating to change of address, mandates, etc., are processed by our RTA within 7 days. In case of shares

in electronic form, the transfers are processed by NSDL/CDSL through respective Depository Participants. In compliance with the Listing Regulations, a Practicing Company Secretary carries out audit of the System of Transfer and a certificate to that effect is issued.

However, as per SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 08, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from April 01, 2019 unless the securities are held in the dematerialised form with the depositories. Therefore, shareholders are requested to take action to dematerialize the Equity Shares of the Company promptly. SEBI has fixed March 31, 2021 as the cut-off date for re-lodgement of transfer deeds and the shares that are re-lodged for transfer shall be issued only in demat mode. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form.

Certificates are being obtained and submitted to Stock Exchanges on half yearly basis from a Company Secretary in practice towards due compliance of share transfer formalities by the company within the due dates, in terms of Regulation 40 (9) of SEBI LODR Regulations, 2015.

The Company as required under Clause 46 of the SEBI LODR Regulations, 2015, has designated the following email ID namely investor.relationship@canfinhomes.com for the purpose of registering complaints if any by the investors and expeditious redressal of their grievances.

The Shareholders are therefore, requested to correspond with RTA for transfer/transmission of shares, change of address and queries pertaining to their shareholdings at the address given in this report.

PROCEEDS FROM PUBLIC ISSUES, RIGHT ISSUES AND PREFERENTIAL ISSUE, AMONG OTHERS

The Company did not raise money through any public issue, right issue or preferential issue during FY2020-21.

DEMATERIALIZATION OF SHARES AND LIQUIDITY

The equity share of the Company are in the list of scripts specified by SEBI to the compulsorily traded in the electronic form. About 98.60% of paid up capital is held in dematerialised form and the remaining 1.40% are held in physical form. The securities of the Company are admitted as the 'Eligible Securities' into the Depository system by NSDL and CDSL. Independent Auditors' Report

To,
The Members,
Can Fin Homes Limited

Report on the Audit of Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Can Fin Homes Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date including summary of the significant accounting policies and other explanatory information in which are included the Returns for the year ended on that date audited by the branch statutory auditors of the Company's 168 branches located at various locations across India (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under

those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw your attention to Note 46 to the financial statements which describes the probable impact of the COVID-19 pandemic on the Company's operations and financial position, including the credit quality and requirement for provisioning, is uncertain and will depend on future steps as they evolve and is highly unpredictable at this stage.

Our opinion is not modified in respect of this matter.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's response
1.	<p>Expected credit loss allowances:</p> <p>Expected credit loss allowances relating to loans and advances are determined on a portfolio basis, with the use of impairment models. These models are based on historical loss experience and use a number of key assumptions including probability of default, loss given default (including propensity for possession and forced sale discounts for mortgages) and valuation of recoveries. Our work therefore focused on the appropriateness of modelling methodologies adopted and the significant judgements required.</p>	<p>We evaluated management's process and tested key controls around the determination of expected credit loss allowances, including controls relating to:</p> <ul style="list-style-type: none"> The identification of events leading to a significant increase in risk and credit impairment events; and The review, challenge and approval of the expected credit loss allowances, including the impairment model outputs and key management judgements applied.

Sr. No.	Key Audit Matter	Auditor's response
	<p>Refer to Note 2(i) to the financial statements accounting policy on accounting for the impairment of financial assets and Note 40(i) to the financial statements for credit risk disclosures and for Credit impairment charges and other provisions.</p>	<p>We found that these key controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purposes of our audit.</p> <p>We understood and assessed the appropriateness of the impairment models developed and used by the management at the entity level. This included assessing and challenging the appropriateness of key modelling judgements (e.g. the transfer criteria used to determine significant increase in credit risk). We tested the formulae applied within the calculation files, the completeness and accuracy of key data inputs, sourced from underlying systems that are applied in the calculation. We also tested the reconciliation of loans and advances between underlying source systems and the expected credit loss models.</p>
2	<p>Information Technology ('IT') systems and controls:</p> <p>The Company's key financial accounting and reporting processes are highly dependent on information systems including automated controls in information systems, such that there exists a risk that, gaps in the IT control environment could result in the financial accounting and reporting records being misstated.</p> <p>We have identified 'IT systems and controls' as key audit matter because of significant use of IT system and the scale and complexity of the IT architecture.</p>	<p>Our audit procedures included verifying, testing and reviewing the design and operating effectiveness of the IT system by verifying the reports and other financial and non-financial information generated from the system on a test check basis. Our audit procedures included:</p> <ul style="list-style-type: none"> • Evaluation of the design and testing the operating effectiveness of certain automated controls that were considered as key internal controls over financial reporting including the completeness and accuracy of data feeds, and automated calculations. • Ensuring that deficiencies noticed in our verification were informed to the management for corrective action, which is already been done; • Carrying out independent alternative audit procedures like substantive testing in areas where deficiencies were noticed; • We have considered the report given by IT audit specialists appointed by the management on design and operating effectiveness of the General IT Controls and assessed its impact on the key financial accounting and reporting systems; <p>Our audit procedures also included the consideration of the observations noted by the statutory branch auditors on the assessment of IT controls over the monitoring of loans, and reviewing the logic and assumptions used in the operating systems and other related IT system controls.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Report of Directors including Annexures to Directors Report, Corporate Governance, Information to Shareholders and Management Discussion and Analysis but does not include the financial

statements and our auditor's report thereon, which are expected to be made available to us after the date of this report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information

is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the reports which we are expected to be made available to us after the date of this auditor's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance. In case of uncorrected material misstatements, we are required to communicate to other stakeholders as appropriate as well as to take action under the applicable laws and regulations, if any.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast

significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of 168 branches included in the financial statements of the Company whose financial statements reflect total assets of ₹ 15,87,295.33 lacs as at 31st March 2021 and total revenues of ₹ 1,44,453.28 lacs for the year ended on that date, as considered in the financial statements. The financial statements of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("The order") issued by the Central Government of India in terms of sub-section 11 of section 143 of the Act, we give in the Annexure (Annexure A) a statement on the matters specified in Paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from branches not visited by us.
 - c) The report on the accounts of 168 branch offices audited under section 143 by a person other than the Company's principal auditor have been forwarded to us as required by sub-section (8) of section 143 and have been properly dealt with in preparing our report in the manner considered necessary by us;
 - d) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account;
 - e) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - f) On the basis of written representations received from the directors as on 31st March 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2021, from being appointed as a director in terms of Section 164(2) of the Act;
 - g) With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such control, refer to our separate report in "Annexure B";
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is within the limit laid down under the provisions of section 197 of the Act.

- i) With respect to the other matters to be included in the Auditor's report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company has disclosed pending litigations as contingent liabilities in Note 36 to the financial statements, the impact if any on the final settlement of the litigations is not ascertainable at this stage.
- b. The Company has not entered into any long-term contracts including derivative contracts which

require provision for foreseeable losses as per law or applicable accounting standards and

- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company. Refer Note 16.1 to the Financial Statements.

"Annexure B" to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s Can Fin Homes Limited ("the Company") as of 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating

effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods

are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 168 branches is based on the corresponding audit reports of the statutory branch auditors of such branches.

for the year ended March 31, 2021

1. Company Overview

Can Fin Homes Ltd (The Company), set up under the sponsorship of Canara Bank, was incorporated in the year 1987, The Company is a housing finance institution approved by National Housing Bank (NHB), the apex authority of housing in the country. It is a listed company and its shares are traded in all the major stock exchanges in the country. The company has its head office in Bengaluru, Karnataka.

2. Summary of Significant Accounting Policies:

a) Statement of compliance:

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as applicable read with Section 133 of the Companies act, 2013 (the "Act") and guidelines issued by National Housing Bank.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Basis of measurement

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i. Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments);
- ii. Defined benefit and other long-term employee benefits

c) Use of estimates and judgment

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, and disclosure of Contingent liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are as below:

1. Measurement of Expected Credit Loss
2. Measurement of useful life of Property, Plant & Equipment
3. Estimation of Taxes on Income
4. Estimation of Employee Benefit Expense

d) Financial instruments

Initial recognition and measurement:

All financial instruments are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition of the financial asset are recognised in determining the carrying amount, if it is not classified as at fair value through profit or loss.

Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. Loans, borrowings and payables are recognised net of directly attributable transaction costs. Subsequently, financial instruments are measured according to the category in which they are classified.

Subsequent measurement:

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non- derivative financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI or fair value through profit and loss account (FVTPL), non-derivative financial liabilities at amortised cost or FVTPL and derivative financial instruments (under the category of financial assets or financial liabilities) at FVTPL.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

Notes forming part of Financial Statements

for the year ended March 31, 2021

a) Non-derivative financial assets

(i) Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest rate method, less any impairment loss.

Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets. Cash and cash equivalents are highly liquid instruments that are readily convertible into cash and which are subject to an insignificant risk of changes in value and comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

(ii) Debt instruments at FVTOCI

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

- (a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and
- (b) the asset's contractual cash flow represents SPPI

Debt instruments included within FVTOCI category are measured initially as well as at each

reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain/(loss) in statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

(iii) Debt Instruments at FVTPL

A financial asset shall be measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income.

b) Non-derivative financial liabilities

(i) Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

e) Statement of Cash Flows:

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

Cash flows are reported using the indirect method whereby profit or loss is adjusted for the effects of the transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows.

f) Property, plant and equipment

i) Recognition and measurement:

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Costs include directly attributable expenditure incurred up to the date the asset is ready for its intended use.

Notes forming part of Financial Statements

for the year ended March 31, 2021

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital advances and capital work-in-progress respectively. Depreciation is not recorded on capital work-in-progress until installation is complete and the asset is ready for its intended use.

Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

ii) Depreciation:

Depreciation on tangible assets is provided on the Written Down Value method over the estimated useful life of the assets as prescribed in Schedule II of the Companies Act, 2013, except in case of servers, where the useful life is estimated to be 3 years considering its nature, estimated usage, operating conditions, anticipated technological changes, manufacturers warranties and maintenance support.

Depreciation methods, useful life and residual values are reviewed at least at each year end. Changes in expected useful life are treated as change in accounting estimate.

When parts of an item of property, plant and equipment have different useful life, they are accounted for as separate items (major components) of property, plant and equipment.

g) Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairments. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors.

The estimated useful lives of intangible assets for the current and comparative period are as follows:

Asset	Estimated useful life
Software	5 Years

h) Lease

The Company recognises assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The Company is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments.

The Company measures right-of-use assets similarly to other non-financial assets (such as property, plant and equipment) and lease liabilities similarly to other financial liabilities. As a consequence, the Company recognises depreciation on the right-of-use asset and interest on the lease liability. The depreciation would usually be on a straight-line basis.

Assets and liabilities arising from a lease are initially measured on a present value basis. The measurement includes non-cancellable lease payments (including inflation-linked payments), and also includes payments to be made in optional periods if the Company is reasonably certain to exercise an option to extend the lease, or not to exercise an option to terminate the lease.

i) Impairment

i) Financial assets

Ind AS 109 establishes a credit risk impairment model based on expected losses. This model will apply to loans and debt instruments measured at amortised cost or at fair value through shareholders' equity (on a separate line), to loan commitments and financial guarantees not recognised at fair value, as well as to lease receivables. The impairment model under Ind AS 109 requires accounting for 12-month expected credit losses (that result from the risk of default in the next 12 months) on the financial instruments issued or acquired, as of the date of initial recognition on the balance sheet. Expected credit losses at maturity (that result from the risk of default over the life of the financial instrument) will be recognised if the credit risk has increased significantly since initial recognition (Stage 2) or have become credit impaired (Stage 3).

Notes forming part of Financial Statements

for the year ended March 31, 2021

Under the standard, there is also a rebuttable presumption that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due. Based on past experience, the company has developed the ECL model rebutting this presumption and uses 30 days past due as the trigger for confirming a significant increase in credit risk. The structure of the ECL model developed by the company is :

Stage	Assets
1	Standard Assets/SMA 0* assets : Over due for 30 days
2	SMA 1 and SMA 2 Assets : Over due more than 30 days to 90 days
3	Sub-standard, Doubtful and Loss Assets (all NPAs) – Overdue for more than 90 days

*SMA- Special Mention Accounts.

The Company assesses periodically and at each balance sheet date whether there is objective evidence that a financial asset or group of financial assets is impaired. Impairment allowances represent management's best estimate of the losses incurred within the loan portfolios at the balance sheet date. They are calculated on a collective basis for portfolios of loans of a similar nature and on an individual basis for significant loans. The calculation of both collective and specific impairment allowances is inherently judgmental. Collective impairment allowances are calculated using models which approximate the impact of current economic and credit conditions on large portfolios of loans. The inputs to these models are based on historical loss experience with judgement applied to determine the assumptions (for example the value of collateral) used to calculate impairment. The amount of provision for loan losses is calculated by multiplying the exposure at default (EAD), Probability of Default (PD) and Loss Given Default (LGD).

EAD is the amount of outstanding in the account and the interest accrued. PD has been arrived at on the basis of the average of defaults over the past four years in the category to which the asset belongs. LGD is the amount of default expected to occur after considering the value of the security offered as collateral.

Being a housing finance company, the company has to follow the guidelines given by the National Housing Bank (NHB) on Prudential Norms on Asset Classification

and provisioning requirement. The Prudential norms prescribed by NHB do not consider the value of security for standard and sub-standard assets. The company provides for impairment of financial assets on the basis of the Expected Credit Loss Model or the Prudential norms of NHB whichever is higher.

ii) Non-financial assets

The Company assesses at each Balance sheet date whether there is any objective evidence that a non-financial asset or a group of non-financial assets maybe impaired. If any such indication exists, the Company estimates the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in the statement of profit and loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

j) Employee Benefits

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.

The Company has the following employee defined contribution plans:

a) Employee State Insurance

The Company's contribution to state plans namely Employee's State Insurance Scheme is a defined

Notes forming part of Financial Statements

for the year ended March 31, 2021

contribution plan and contribution paid or payable is recognised as an expense in the period in which the employee renders services.

b) Employee Pension Scheme

The Company's contribution to state plans namely Employee's Pension Scheme is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which the employee renders services.

c) Employee Provident Fund.

Liability in respect of contribution to Employee Provident fund is estimated on the basis of valuation in a manner similar to gratuity liability and is recognised in the balance sheet net of the fair value of the plan assets.

d) Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days of last drawn salary for every completed year of service. Vesting occurs upon completion of five years of service. The Company make annual contributions to gratuity funds established as trusts and accounts for the liability for Gratuity benefits payable in the future based on actuarial valuation.

Actuarial gains or losses are recognized in other comprehensive income. Further, the statement of profit and loss does not include an expected return on plan assets. Instead net interest recognized in statement of profit and loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income.

Re-measurements comprising actuarial gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to statement of profit and loss in subsequent periods.

e) Compensated absences

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognizes accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognized in the period in which the absences occur. The Company recognizes actuarial gains and losses immediately in the statement of profit and loss.

f) Leave Travel Concessions:

All confirmed employees are entitled to leave travel concession once in two years, the liability in this respect is recognised in the year the related service is rendered at the undiscounted amount of the benefit expected to be paid in exchange for that service.

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

k) Revenue recognition

Revenue is measured at fair value of consideration received or receivable. Revenues are recognised when collectability of the resulting receivables is reasonably assured.

Notes forming part of Financial Statements

for the year ended March 31, 2021

i) Interest

Interest income and expense are recognised in the statement of profit or loss using the effective interest (EIR) method. The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating the interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument or, when appropriate, a shorter period to the net carrying amount of the financial asset or financial liability. When calculating the effective interest rate, the Company estimates cash flows considering all contractual terms of the financial instrument but does not consider future credit losses.

Fees that are integral part of EIR are recognised as interest income.

ii) Fees and Commission

Fees and commission income include fees other than those that are an integral part of EIR. The company recognises such fee and commission income in accordance with terms of the relevant contracts / agreements with the customers.

iii) Insurance Commission

Commission on sale of insurance policies are recognised on an accrual basis in accordance with the agreed rates with the Insurer.

iv) Income from Investments

Interest Income on Investments in government securities is recognized as it accrues in the statement of profit and loss, using the effective interest method and interest on other investments is recognised on accrual basis.

v) Dividend Income

Dividend income is recognized in the statement of profit and loss on the date that the Company's right to receive payment is established.

vi) Other income

Other Income represents income earned from the activities incidental to the business of the Company and is recognised when the right to receive the income is established as per the terms of the contracts.

l) Finance expense

Finance expenses consist of interest expense on loans and borrowings. Borrowing costs are recognized in the statement of profit and loss using the effective interest method.

m) Foreign Currency

i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

ii) Transactions and Translations

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are re-measured into the functional currency at the exchange rate prevailing on the balance sheet date. Exchange differences arising on settlement of transactions are recognised in the statement of profit and loss.

Foreign currency gains and losses are reported on a net basis. This includes changes in the fair value of foreign exchange derivative instruments, which are accounted at fair value through profit or loss.

n) Income tax

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income in which case is also recognised outside the statement of profit and loss.

a) Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to

Notes forming part of Financial Statements

for the year ended March 31, 2021

set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

b) Deferred taxes

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognised for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilised business loss and depreciation carry forwards and tax credits.

Deferred tax asset is recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

o) Earnings per share (EPS)

Basic earnings per share is computed by dividing net profit after tax by the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

p) Borrowing Costs

Borrowing costs include interest, commission/brokerage on deposits and exchange differences arising from foreign currency borrowings to the extent they are regarded as adjustment to interest cost. Interest expenses are accrued on a timely basis, by reference to the principal outstanding and at the effective interest rate (EIR) applicable. The

effective interest method is a method of calculating the amortised cost of a financial liability and allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

q) Provisions and contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of each reporting period, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. Contingent liabilities are not recognized but are disclosed in the notes to financial statements. Contingent assets are not recognized but are disclosed in the notes to financial statements when economic inflow is probable.

r) Onerous contracts

Provision for onerous contracts i.e., contracts where the expected unavoidable costs of meeting the obligations under the contract exceed benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

s) Segment

The Company is engaged mainly in the business of Housing finance. The Company is also involved in the corporate insurance agency business activity, however it is not a separate reportable segment as per the Ind AS 108 "Operating Segments", specified under Section 133 of the Companies Act, 2013. This in the context of Ind AS 108 – operating segments reporting are considered to constitute one reportable segment.

Sensitivity Analysis

The sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of reporting year, which is same as that applied in calculating the defined benefit obligation liability recognized in the balance sheet

Notes forming part of Financial Statements

for the year ended March 31, 2021

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Note 40 Financial Risk Management

i) Credit Risk

It is defined as the inability or unwillingness of the counterparty to meet the commitment in relation to lending, trading, hedging, settlement and other financial transactions. Also it is defined as the possibility of losses associated with diminution in the credit quality of borrowers or counter parties. The Credit policy articulates credit risk strategy to effectively communicate it throughout the company and all relevant personnel to understand company's approach to grant of credit. The Policy covers products/borrower category, frame work for appraisal process, guidelines for takeover of accounts, entry level matrix (credit scoring system) and flexibility in pricing, dispensation of credit, monitoring and review mechanism, limit structure/prudential exposure levels, reporting frame work. The Company has put in place a proper Loan Review Mechanism with responsibilities assigned in various areas such as, evaluating the effectiveness of loan administration, maintaining the integrity of credit grading process, assessing the loan loss provision, portfolio quality, etc. Credit grading involves assessment of credit quality, identification of problem loans, and assignment of risk ratings. Monitoring is being done through guidelines to branches; follow up by overseeing executives and other regular follow up.

Analysis of stages of loans and provision of expected credit loss is as follows [Refer Note 2 (i) for "Significant Accounting Policies"].

Particulars	As at March 31, 2021				As at March 31, 2020			
	Stage 1	Stage 2	Stage 3	Total	Stage 1	Stage 2	Stage 3	Total

Net Carrying Amount of Loans (E) = (A)-(C)	20,64,526.58	1,17,929.01	13,433.15	21,95,888.74	19,01,712.77	1,23,023.88	32,277.09	20,57,013.74

* As per IRAC norms of NHB.

- The provision estimated as per ECL model on an aggregate basis is lower than the overall provision required under IRAC norms of the NHB. The Management on a conservative approach has decided to maintain the higher provision.
- As at balance sheet date, the Company does not have significant concentration of credit risk (Refer Note 45.10(ii)).

ii) Financial Risk

The market risk is the possibility of loss to the Company prices of security due to changes in the market factors, mainly the changes in interest rates, and competition. It is the risk to the Company's earnings and capital due to the changes in the market interest rates. Market Risk also includes company's ability to meet its obligations as and when due. The limited avenues at the disposal of the Company for raising low cost/cost effective resources and our operating on thin spreads make market risk management all the more significant. The Company has an Investment Policy/ Borrowing Policy in place which addresses the Market Risk which defines safety and liquidity will have preference over returns. Our majority of investment is by way of Bank Deposits and Govt. securities for the purpose of maintenance of SLR as prescribed by NHB. All these deposits are held to maturity. There is an ALM Committee of Executives at RO (ALCO), which functions as the operational unit for managing the balance sheet and asset liability mismatches. All the borrowing decisions and raising short term funds in the form of Non Convertible Debentures, Commercial Papers, Securitization and such other modes, are taken at appropriate level as per the Board approved policy on borrowings. Refer Note 5.7 for Asset Liability Management.

iii) Liquidity Risk

Probability of loss arising from a situation where (1) there will not be enough cash and/or cash equivalents to meet the needs of depositors and borrowers, (2) sale of illiquid assets will yield less than their fair value, or (3) illiquid assets will not be sold at the desired time due to lack of buyers. ALM Policy is in place which has set prudential limits for structural liquidity and interest rate risk. The ALCO committee of the Company analyzes the ALM position of the Company as at the end of each quarter and appraises the Board the ALM position of the respective quarters along with the proposed measure to improve the ALM position.

iv) Interest rate risk

Earnings risk is the danger that income may fluctuate due to changes in economic conditions or other factors. It is also the potential negative impact on the net interest income. The risk refers to vulnerability to movement in interest rates. Changes in interest rates effects earning, value of asset and cash flow. Asset Liability Management Committee (ALCO) meets at periodical intervals and assesses the earning risk and gives proper directions to the management to improve the NIM. Company shall monitor the income earned by way of interest and other income at quarterly intervals and place suitable notes to Board while placing notes on quarterly/half yearly/annual financial results of the Company. The limited avenues at the disposal of the Company for raising low cost/cost effective resources and our operating on thin spreads make market risk management all the more significant. The credit rating of our borrowings also have a significant impact on our net interest margin. Refer Note 43.4 for credit rating details.

Note 46: COVID19 Regulatory Package – Asset Classification and Provisioning

Consequent to the outbreak of the COVID-19 pandemic, the Indian government announced a lockdown in March 2020. Subsequently, the national lockdown was lifted by the government, but regional lockdowns continue to be implemented in areas with significant number of COVID-19 cases. Subsequently India has entered the second wave of the pandemic where the number of COVID cases have increased significantly and has resulted in re-imposition of localised lockdowns in various parts of the Country. The impact on the Company's operations and financial position, including the credit quality and requirement for provisioning, is uncertain and will depend on future steps taken by the Government/Reserve Bank of India till such time that the economic activities return to normalcy, which is highly unpredictable. The Company will continue to closely monitor any material changes to the future economic/regulatory conditions. However, operating substantially in asset mortgage business, which is relatively stable asset class, no major impact is anticipated at this juncture.

The RBI on March 27, 2020, April 17, 2020, May 6, 2020 and May 23, 2020 announced 'COVID-19 Regulatory Package' on asset classification and provisioning. In terms of the guidelines given in the aforesaid RBI circulars, the company has offered a moratorium option to its borrowers whose accounts are standard as on February 29, 2020, from payments of instalments falling due between March 01, 2020 to August 31, 2020. As such, in respect of all accounts classified as standard as on February 29, 2020, even if overdue, the moratorium period, wherever granted, has been excluded from the number of days past-due for the purpose of asset classification under Regulatory Income Recognition and Asset Classification norms (IRAC) as of March 31, 2021.

As on March 31, 2021, Company holds a provision of ₹ 6,984.05 lakhs, after adjusting against the actual provisioning requirements for slippages from the accounts reckoned for such provisions and utilised for meeting the provision requirements under Resolution Framework for COVID-19-related Stress as per RBI circular dated August 6, 2020.

The notice of any such potential Related Party Transaction should be given to the Board/Audit Committee well in advance so that the Audit Committee has adequate time to obtain and review information about the proposed transaction.

6. Process for ascertaining related party

The Accounts Dept. shall prepare a list of related party on the basis of information collected from the related parties as on 31st of March every year and as and when any person or entity becomes related party, in terms of this policy and declarations received. The related party list shall be updated whenever necessary and shall be reviewed at periodical intervals.

The internal Auditors/Statutory Auditor are required to verify the process of ascertaining the related parties and their correct recording/ listing in register of Contracts/ arrangement etc. as well as their classification regarding whether they are on arm's length basis.

The list of the related parties shall be circulated among the branches and any transactions with the related parties shall be carried out as per the Related Party Transaction policy.

7. Approval of Related Party Transaction:

Approval of Related party transactions by Audit Committee of the Board: All related Party Transactions proposed to be entered into by the Company shall require prior approval of Audit Committee except those transactions exempted by the committee through omnibus specific approval. All "Material" related party transactions shall require approval of the shareholders through special resolution and no related party shall vote to approve such resolutions. However, this shall not be applicable in the following cases.

- (a) Transactions entered into between two government companies;
- (b) Transactions entered into between a holding company and its wholly owned subsidiary whose accounts are consolidated with such holding company and placed before the shareholders at the general meeting for approval.

Approval of the Board of Directors: All the contracts/ arrangements prescribed under Section 188(1) of the Companies Act, 2013 and within the threshold limits, which

are not in the ordinary course of business of the Company or on an arm's length basis shall along with the approval of the Audit Committee also require approval of the Board of Directors of the Company.

Approval of Shareholder: All the Material Related Party Transactions (as per Reg.23 of SEBI(LODR) Regulations, 2015) and Related Party Transactions exceeding the threshold limits, whether or not in the ordinary course of business of the Company or on an arm's length basis, shall require prior approval of the Audit Committee, the Board and the shareholders of the Company by way of Special Resolution and no related party shall vote to approve such resolution. The shareholders' approval shall not be required in respect of a resolution plan approved under section 31 of the Insolvency Code, subject to the event being disclosed to the recognized stock exchanges within one day of the resolution plan being approved.

In the following cases the prior approval of the Company by a resolution is required whenever a company is entering into a transaction, and such transaction is contracts or arrangements with respect to clauses (a) to (e) of sub-section (1) of section 188 of the Companies Act, 2013:

- i) sale, purchase or supply of any goods or materials, directly or through appointment of agent, amounting to 10% or more of the turnover of the company as mentioned in clause (a) and clause (e) respectively of sub-section (1) of section 188;
- ii) Selling or otherwise disposing of or buying property of any kind, directly or through appointment of agent, amounting to 10% or more of net worth of the company as mentioned in clause (b) and clause (e) respectively of sub-section (1) of section 188;
- iii) Leasing of property of any kind amounting to 10% or more of turnover as mentioned in clause (c) of sub-section (1) of section 188;
- iv) Availing or rendering of any services, directly or through appointment of agent, amounting to 10% or more of the turnover of the company as mentioned in clause (d) and clause (e) respectively of sub-section (1) of section 188.

Omnibus approval by the Audit Committee:

In case of certain frequent/ repetitive/ regular transactions with Related Parties which are in the ordinary course of business of the Company (including transactions for support services/sharing of services with Subsidiary/ Associate Companies), the Audit Committee may consider grant of an omnibus approval for such Related Party Transactions proposed to be entered into by the Company, subject to the following conditions:

- a. The Audit Committee shall lay down the criteria for granting such omnibus approval in line with this Policy and such approval shall be applicable in respect of transactions which are repetitive in nature.
- b. The Audit Committee shall satisfy itself that the need for such omnibus approval and that such approval is in the business interest of the Company.
- c. Such omnibus approval shall specify (i) the name(s) of the related party, nature of transaction, period of transaction, maximum amount of transaction that can be entered into, (ii) the indicative base price or current contracted price and the formula for variation in the price, if any and (iii) such other conditions as the Audit Committee may deem fit;

Where the need for Related Party Transaction cannot be foreseen and the aforesaid details are not available, the Audit Committee may grant omnibus approval for such transactions subject to their value not exceeding ₹1 crore (Rupees One Crore only) per transaction.

The audit committee shall review, at least on a quarterly basis, the details of related party transactions entered into by the listed entity pursuant to each of the omnibus approvals given.

Such omnibus approval shall be valid for a period not exceeding 1 (one) year and shall require fresh approval after the expiry of 1 (one) year from the date of the original approval granted by the Audit Committee, from time to time.

In terms of Schedule II Part C Para B point 2 of SEBI(LODR) Regulations, 2015, the Audit Committee shall review the statement containing significant Related Party Transactions. The threshold limit for determining significant Related Party Transactions will be the same as applicable for Material Related Party Transactions under Explanation to Reg.23(1) of SEBI(LODR) Regulations, 2015, as amended from time to time.

8. Procedure of seeking approval of Related Party Transaction

As and when any transaction is contemplated with any Related Party, the concerned office entertaining the request shall submit to the Accounts Dept. RO, the details of proposed transaction with details/draft contract/ draft agreement or other supporting documents justifying that the transactions are on arms' length basis in an ordinary course of business at prevailing market rate. The Accounts Department at RO shall appropriately take it up for necessary prior approvals from the Audit Committee at its next scheduled meeting and convey back the decision to the originator.

If the proposed transaction is not in ordinary course of business but at arm's length basis, then the branch/office shall give a detailed note with justification to Accounts Department RO, for entering such transaction along with details of proposed transaction with draft agreement/MoU/other supporting documents. Based on the note the Accounts Department at RO, shall escalate the matter for necessary approvals of the Audit Committee/Board/Share Holders as may be applicable.

The Accounts Department at RO, shall present to the Audit Committee the following information, to the extent relevant, with respect to actual or potential related Party Transaction.

- a) A general description of the transactions
- b) The name of the related party and the basis on which such party is a related party.
- c) The related party interest in the transaction(s)
- d) The approximate rupee value
- e) In case of lease or other transaction providing for periodic payments or instalments, the aggregate amount of all period payments of instalments expected to be made.
- f) In the case of indebtedness, the aggregate amount of principal outstanding and the rate or amount of interest payable on such indebtedness.
- g) Any other material information regarding the transaction(s) or the related party's interest in the transactions.

9. Review and Approval of Related Party Transactions

Related Party Transactions will be referred to the next regularly scheduled meeting of Audit Committee for review and approval. Any member of the Committee who has a potential interest in any Related Party Transaction will recuse himself or herself and abstain from discussion and shall not vote to approve the relevant transaction.

To review a Related Party Transaction, the Committee will be provided with all, relevant material information of the Related Party Transaction, including the terms of the transaction, the business purpose of the transaction, the benefits to the Company and to the related party, and any other relevant matters.

If the Committee determines that a related party transaction should be brought before the Board, or if the Board in any case decides to review any such matter or

it is mandatory under any law for Board to approve the Related Party Transaction, then the considerations set forth above shall apply to the Board's review and approval of the matter, with such modification as may be necessary or appropriate under the circumstances.

Notwithstanding the foregoing, the following Related Party Transactions shall not require approval of Audit Committee or Shareholders:

- a. Any transaction that involves providing of compensation to a director or Key Managerial Personnel in connection with his or her duties to the Company or any of its subsidiaries or associates, including the reimbursement of reasonable business and travel expenses incurred in the ordinary course of business.
- b. Any transaction in which the Related Party's interest arises solely from ownership of securities issued by the Company and all holders of such securities receive the same benefits pro rata as the Related Party.

10. Related Party Transactions without the prior approval under this Policy

In the event the Company becomes aware of a Related Party Transaction with a Related Party that has not been approved under this Policy prior to its consummation, the matter shall be reviewed by the Committee. The Committee shall consider all the relevant facts and circumstances regarding the Related Party Transaction and shall evaluate all options available to the Company, including ratification, revision or termination of the Related Party Transaction. The Committee shall also examine the facts and circumstances pertaining to the failure of reporting such Related Party Transaction.

In any case, where the Committee determines not to ratify a Related Party Transaction that has been commenced without approval, the Committee, as appropriate, may direct additional actions including, but not limited to, immediate discontinuation or rescission of the transaction.

In connection with any review of a Related Party Transaction, the Audit Committee has the final authority to modify or waive any procedural requirements of this Policy.

11. Disclosures

The Company shall keep a register in the prescribed form (Annexure 3) giving the full particulars of contracts or arrangements in respect of all RPTs approved by the Audit Committee and the gist of such contracts/RPTs shall be placed before the Board periodically.

Necessary disclosures shall be made in the Annual Financial Statements as required under IND AS-24 and RBI guidelines (Annexure 2). Further, as required under Para A of Schedule V of SEBI(LODR) Regulations, 2015 necessary details of all materially significant related party transactions which may have potential conflict with the interests of the Company at large, shall also be given in Report on Corporate Governance section in Annual Report.

As per Point 2A of Para A of Schedule V of SEBI(LODR) regulations, 2015 disclosures of transactions of the Company with any person or entity belonging to the promoter/promoter group which hold(s) 10% or more shareholding in the Company, in the format prescribed in the relevant accounting standards for annual results.

Details of all material transactions with related parties shall be disclosed quarterly along with the compliance report on Corporate Governance.

The Company shall disclose the policy on dealing with related party transactions on its website and a web link thereto shall be provided in the Annual Report.

The Company shall submit within 30 days from the date of publication of its standalone and consolidated financial results for the half year, disclosures of related party transactions on a consolidated basis, in the format specified in the relevant accounting standards for annual results to the stock exchanges and publish the same on its website.

12. Records relating to Related Party/Supporting documents

All disclosures, supporting documents shall be preserved for a period of eight years from the end of the financial year to which it relates and shall be kept in the custody of the Accounts Dept. and any other person authorized by the Board for the purpose.

Agreement or other supporting documents along with proper justification of the transaction being on arm's length basis in the ordinary course of business at a prevailing market rate shall also be preserved for a period of 8 years

from the end of the financial year to which it relates and shall be kept in the custody of the Board and/or any other person authorized by the Board for the purpose.

13. Interpretation

In any circumstances where the terms of these policies and procedures differ from any existing or newly enacted law, rule, regulation or standard governing the Company, the law, rule, regulation or standard will take precedence over these policies and procedure until such time as these policies and procedures are changed to confirm to the law, rule, regulation or standard.

14. Secrecy Provisions

In terms of paragraph 4A of IND AS-24, the disclosure requirements do not apply in circumstances when providing such disclosures would conflict with the reporting enterprise's duties of confidentiality as specifically required in terms of statute, by regulator or similar competent authority. In terms of Paragraph 4B of IND AS-24, in case a statute or SEBI prohibits the Company from disclosing certain information which is required to be disclosed, non-disclosure of such information would not be deemed as non-compliance with the requirements of IND AS-24. It is clear from the above that on account of the judicially recognized common law duty of the Company to maintain the confidentiality of the customer details, they need not make such disclosures. In view of the above, where the disclosures under the Indian Accounting Standards are not aggregated disclosures in respect of any category of related party i.e., where there is only one entity in any category of related party, Company need not disclose any details pertaining to that related party other than the relationship with that related party.

15. Review of Related Party Transaction Policy

The Related Party Transaction Policy is a part of Corporate Governance Policy. Therefore, the same has to be reviewed at periodical intervals by the Board as per the Transactions.

Annexure 1 – Definitions

a. Arm's Length Transaction

Explanation Section 188(1)(b) of the Companies Act, 2013 defines an "arm's length transaction" to mean a transaction between two related parties that is conducted as if they were unrelated, so that there is no conflict of interest.

b. Associate Company

A. Companies Act, 2013:

In terms of Section 2(6) of the Companies Act, 2013 "Associate Company" in relation to another company, means a company in which that other company has a significant influence, but which is not a subsidiary company of the company having such influence and includes a joint venture company.

"significant influence" means control of at least twenty per cent of total share capital, or of business decisions under an agreement.

"joint venture" means a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement.

B. Listing Agreement SEBI(LODR) Regulations, 2015:

As per Reg.2(1)(b) of SEBI(LODR) Regulations, 2015 "associate" shall mean any entity which is an associate under sub-section (6) of section 2 of the Companies Act, 2013 or under the applicable accounting standards.

c. Audit Committee

The term "Audit Committee" means the committee of Board of Directors of the Company constituted in accordance with the provisions of Reg. 18 of SEBI(LODR) Regulations, 2015, Companies Act, 2013 and Rules made thereunder.

d. Material Related Party Transaction

In terms of Explanation to Reg.23(1) of SEBI(LODR) Regulations,2015, a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the listed entity as per the last

audited financial statements of the Company.

In terms Reg.23(1A) of SEBI(LODR) Regulations,2015 notwithstanding the above, a transaction involving payments made to a related party with respect to brand usage or royalty shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceed two percent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity.

e. Related Party

A. Companies Act, 2013:

The term Related Party has been defined under Section 2(76) of the Companies Act, 2013 as follows-

Related Party with reference to a company means –

- (i) a Director or his relative;
- (ii) a Key Managerial Personnel or his relative;
- (iii) a firm, in which a Director, Manager or his relative is a partner;
- (iv) a private company in which a Director or Manager is a member or director;
- (v) a public company in which a Director or Manager is a Director and holds along with his relatives, more than 2% of its paid-up share capital;
- (vi) any body corporate whose Board of Directors, Managing Director or Manager is accustomed to act in accordance with the advice, directions or instructions of a Director or Manager;
- (vii) any person on whose advice, directions or instructions a Director or Manager is accustomed to act:

Provided that nothing in sub-clauses (vi) and (vii) shall apply to the advice, directions or instructions given in a professional capacity;

(viii) any company which is —

- (A) a holding, subsidiary or an associate company of such company; or
- (B) a subsidiary of a holding company to which it is also a subsidiary;
- (C) an investing company or the venture of the Company

Explanation- For the purpose of this clause, "the investing company or the venture of a Company" means a body corporate whose investment in the Company would result in the Company becoming an associate company of the body corporate.

(ix) such other person as may be prescribed;

Rule 3 of the Companies (Specification of definitions details) Rules, 2014, provides that a Director or Key Managerial Personnel of the holding company or his relative with reference to a company shall also be deemed to be a related party.

B. SEBI(LODR) Regulations,2015

The term Related Party has been defined under Regulation 2(1)(zb) of SEBI(LODR) Regulations, 2015 as follows:

"related party" means a related party as defined under sub-section (76) of section 2 of the Companies Act, 2013 or under the applicable accounting standards:

Provided that any person or entity belonging to the promoter or promoter group of the listed entity and holding 20% or more of shareholding in the listed entity shall be deemed to be a related party.

C. Accounting Standard:

As per IND AS-24 pertaining to Related Party Disclosures notified by the Companies (Indian Accounting Standards) Rules 2015, a Related Party is defined as follows –

Parties are considered to be related if at any time during the reporting period one party has the ability to control the other party or exercise significant influence over the other party in making financial and/or operating decisions.

f. Related Party Transaction

Reg.2(1)(zc) of SEBI(LODR) Regulations, 2015 Clause 49(VII)(A) of the Listing Agreements defines a "Related Party Transaction" means to be a transfer of resources, services or obligations between a company and a related party, regardless of whether a price is charged and a "transaction" with a related party shall be construed to include a single transaction or a group of transactions in a contract.

g. Relative

In terms of Section 2(77) of the Companies Act, 2013 read with the Companies (Specification of definitions details) Rules, 2014 a person is said to be a relative of another, if –

- a. They are members of a Hindu undivided family;
- b. They are husband and wife;
- c. Father (including step-father);
- d. Mother (including step-mother);
- e. Son (including step-son);
- f. Son's wife;
- g. Daughter;
- h. Daughter's husband;
- i. Brother (including step-brother); or
- j. Sister (including step-sister).

Disclaimer

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements – written and oral – that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated, or projected. Readers should keep this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

In respect of Agenda No.4 – Appointment of Statutory Central Auditors

The Members of the Company at the 30th Annual General Meeting held on June 28, 2017 had approved the appointment

of M/s Varma & Varma, Chartered Accountants (ICAI Firm Registration No.004532S), as the Statutory Auditors of the Company for a period of 5 (five) years commencing from the conclusion of the 30th Annual General Meeting until conclusion of the 35th Annual General Meeting, subject to ratification by Members every year, as applicable.

Subsequently, the Reserve Bank of India ("RBI") has on April 27, 2021, issued the Guidelines for Appointment of Statutory Central Auditors (SCAs)/Statutory Auditors (SAs) of Commercial Banks (excluding RRBs), UCBs and NBFCs (including HFCs) ("RBI Guidelines"). The Guidelines intend to supersede the existing circulars/notification(s) on appointment of statutory auditors by Banks and NBFC. The Guidelines provide necessary instructions for appointment of SCAs/SAs, the number of auditors, their eligibility criteria, tenure and rotation as well as norms for ensuring the independence of auditors. A copy of the Policy for appointment of Statutory Central Auditors has been made available on the website of the Company.

In terms of the RBI Guidelines, the Statutory Auditors have to be appointed for a term of 3 years subject to the firms satisfying the eligibility norms each year. The RBI Guidelines are applicable for HFCs from the second half year of FY 2021-

22. Accordingly, the tenure of the existing auditors M/s Varma & Varma, will come to an end on the conclusion of this 34th Annual General Meeting, whereat the Members are appointing the new Statutory Central Auditors for the Company.

In view of the above, as M/s Varma & Varma cannot continue beyond 30 September, 2021 as statutory auditors of the Company, they have communicated their intention to resign as statutory auditors of the Company.

Further as per the RBI Guidelines, the Company needs to have a minimum of two joint Statutory Central Auditors since the asset size of the Company is more than ₹15,000 crore.

In terms of the RBI Guidelines and the Company's Policy for appointment of SCAs, after following the due procedure, the Audit Committee has shortlisted two Audit Firms viz., M/s. B Srinivasa Rao & Co., Chartered Accountants (Registration No.: 008763S) and M/s. B K Ramadhyani & Co. LLP, Chartered Accountants (Registration No.: 002878S/S200021), as joint Statutory Central Auditors and recommended to the Board. Accordingly, the Board recommends for appointment of M/s. B Srinivasa Rao & Co. and M/s. B K Ramadhyani & Co. Chartered Accountants as Joint statutory central auditors of the Company.

Disclosure Under Regulation 36(5) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Proposed statutory audit fee payable to auditors

Upto ₹ 30 Lakh (approx.). Statutory audit fees for the period ending March 31, 2022 in aggregate for both the statutory central auditors of the Company will be decided by the Board of Directors including any committee thereof, as authorised by the Members.

Terms of appointment

M/s. B Srinivasa Rao & Co., and M/s. B K Ramadhyani & Co. LLP, are recommended for appointment for a term of three years from the conclusion of the 34th Annual General Meeting until the conclusion of the 37th Annual General Meeting of the Company.

Material change in fee payable

No material change in fee for the proposed auditors. Outgoing auditors were paid a statutory audit fees ₹ 21.10 Lakh for FY 21.

Basis of recommendation and auditors' credentials

The recommendations are based on the fulfilment of the eligibility criteria prescribed by RBI guidelines and the Companies Act, 2013 with regard to the fulltime partners, statutory and branch audit experience of the firms, CISA/ISA qualification, No. of professional staff, assessment of criteria of independence, additional considerations as per Company's policy, etc.

Justification for choosing the appointee for appointment	In the opinion of the Board, Shri Ajai Kumar possesses appropriate skills, experience & knowledge and fulfils the conditions for appointment as Independent Director as specified in the Act and the SEBI Listing Regulations and that he is independent of the management of the Company.

In terms of Regulation 25(8) of the SEBI Listing Regulations, he has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties. In the opinion of the Board, he fulfils the condition specified in the Act, Rules framed thereunder and the SEBI Listing Regulations, for being appointed as an Independent Director.

He is not disqualified from being appointed as a director in terms of Section 164(2) of the Act. The requisite Form DIR-8 is received from Shri Ajai Kumar, by the Company, in terms of the Companies (Appointment and Qualification of Directors) Rules, 2014, confirming his eligibility for such appointment. He has also submitted a declaration to that effect that he meets the criteria of independence as provided in Section 149(6) of the Act and confirmed that he continues to satisfy the fit and proper criteria as prescribed and the Deed of covenants as required under the Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021. Your directors are of the opinion that Shri Ajai Kumar fulfils the conditions specified in the Companies Act, 2013, SEBI (LODR) Regulations, 2015 and the Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021 for appointment as an Independent Director and his appointment as an Independent Director would be in the best interest of the Company.

The draft letter of appointment of an independent director setting out the terms and conditions is available on the website of the Company. Consents, declarations etc., referred above would be available for inspection by the Members as mentioned in the notes to this Notice.

In terms of Sec.149, 150, 152 and other applicable provisions of the Companies Act, 2013 and related rules made thereunder, Shri Ajai Kumar, being eligible, is proposed to be appointed as an Independent Director from this Annual General Meeting until the conclusion of the Annual General Meeting of the Company

of the year 2024. The Board of Directors therefore, recommend the passing of the resolution proposed at Agenda No.6 of the Notice.

In terms of Sec.161 of the Companies Act, 2013, the Additional Director appointed by the Board holds office upto the date of the ensuing AGM and he shall be appointed as a Director by the Members at the AGM. Hence, this agenda item is considered unavoidable and forms part of this Notice, in terms of the Circular No.20/2020 and General Circular No. 02/2021 issued by the Ministry of Corporate Affairs.

In respect of Agenda No.7: Acceptance of deposits from public

The Company has been accepting deposits from the public since inception. With the business operations of the Company growing, Company's requirements for additional funds are increasing. The Company intends to continue to accept deposits from the public in terms of section 73(2) and 76 and all other applicable provisions, if any, of the Companies Act, 2013, and the rules made thereunder, as amended from time to time and to the extent applicable. The Company is exempt from applicability of the provisions under the Companies (Acceptance of Deposits) Rules, 2014 for the purpose of acceptance of deposits from public since your Company is a Housing Finance Company registered with National Housing Bank (NHB).

Your Company being a Housing Finance Company registered with NHB, has been following the Directions/guidelines issued by the NHB/RBI from time to time with regard to acceptance and renewal of deposits. The Master Direction-Non-Banking Financial Company-Housing Finance Company (Reserve Bank) Directions, 2021 were issued by RBI on February 17, 2021.

Regarding the quantum of deposits that can be accepted, your Company is bound by Para 27.1 under Chapter VII (Acceptance of Public Deposits) of the Master Direction - Non-Banking Financial Company - Housing Finance Company (Reserve Bank) Directions, 2021, according to which the Company can accept deposits not exceeding 3 (three) times of our net owned fund (NOF) as per the last audited balance sheet (Notification No. NHB.HF 22/ MD&CEO/2019 dated June 17, 2019) or such other limits prescribed by NHB/RBI from time to time. The NOF of the Company as on March 31, 2021 (as per the definition given in Master Directions) is ₹ 2583.18 Crore (net of dividend payout) and the outstanding deposits as on the said date was ₹ 442.47 Crore.

In order to be eligible for accepting deposits from the public in terms of section 73(2) of the Companies Act, 2013, the Company is seeking the prior consent of the Members by way of an ordinary resolution, subject to the condition that the amount accepted in the form of deposits from public together with the existing borrowings and future borrowings would be

within the limits specified by the Members under section 180(1) (c) of the Companies Act, 2013. The consent so obtained shall be effective and valid until altered, modified or rescinded in future.

All the related documents and registers referred in the Notice, which do not form part of the Annual Report, if any, are available for inspection at the Registered Office of the Company. No Director(s) or any Key Managerial Personnel or the relative(s) of the director(s) or Key Managerial Personnel, is in any way concerned or interested, financially or otherwise, in the said agenda. The Board of Directors therefore, recommend the passing of the resolution proposed at Agenda No.7 of the Notice.

In terms of the Master Direction - Non-Banking Financial Company - Housing Finance Company (Reserve Bank) Directions, 2021, the terms and conditions of acceptance of Deposit issued by way of Annual Deposit Advertisement during the previous year is valid only upto the date of this Annual General Meeting. The Company has to obtain prior consent of the Members before acceptance of deposits and publish a fresh Annual Deposit advertisement with the terms of conditions for acceptance of public deposits on the next day of the Annual General Meeting. Hence, this agenda item is considered unavoidable and forms part of this Notice, in terms of the Circular No.20/2020 and General Circular No. 02/2021 issued by the Ministry of Corporate Affairs.

In respect of Agenda No.8 - To borrow amounts not exceeding ₹ 30,000 Crore

At the 33rd Annual General Meeting (AGM) of the Company held on August 26, 2020, the shareholders have accorded consent u/s.180(1)(c) and all other applicable provisions, if any, of the Companies Act 2013, by way of a special resolution, to the Board of Directors of the Company for borrowing money(ies) in excess of the aggregate of the paid up capital and free reserves of the Company upto a sum of ₹ 27,500 Crore (including temporary loans obtained from the Company's Bankers in the ordinary course of business). At the 28th Annual General Meeting held on July 08, 2015, the shareholders have authorised the Board of Directors of the Company u/s. 180(1) (a) to create security to the extent of the borrowing limits approved by the Members from time to time.

The total borrowings of the Company as on March 31, 2021 was ₹ 19,293 Crore. As per NHB/RBI Master directions, for the financial year ended March 31, 2022, the maximum amount that the Company can borrow shall not exceed 12 times of the net owned funds as per the last audited balance sheet. As on March 31, 2021, the NOF was ₹ 2,583 Crore (net of Dividend payout) and hence our borrowing limit shall not exceed ₹ 30,996 Crore at the end of the year 2021-22. The Borrowing Power of ₹ 30,000 Crore sought by the Company will be valid till the outstanding borrowing of the Company reaches the

limit approved at this AGM. Though the approved limit is higher than the projected book size i.e., ₹ 26,000 Crore for FY22, the limits will be availed by the Company only based on the actual requirement. However, a higher limit will help the Company to approach various Banks/ Institutions and have sufficient cost-effective funds at our disposal.

In view of the above, it is considered desirable to increase the Company's existing borrowing limit from ₹ 27,500 Crore to ₹ 30,000 Crore. In order to comply with the requirements under Section 180(1)(c) of the Companies Act, 2013, consent of the Members is sought through the resolution(s) proposed at Agenda No.8 by way of special resolution to enable the Board of Directors of the Company to borrow money(ies) upto a sum of ₹ 30,000 Crore (Rupees Thirty Thousand Crore) only, including the temporary loans obtained from Company's Bankers in the ordinary course of business. Accordingly, the aggregate amounts borrowed, which are outstanding at a given point of time shall not exceed the limit of ₹ 30,000/- Crore as recommended by the Board to the Members for their consent.

The borrowings of the Company include term loans, overdraft facilities, issue of non-convertible debentures, commercial papers, acceptance of deposits from public, etc. All the related documents and registers referred to in the Notice, which do not form part of the Annual Report, if any, are available for inspection at the Registered Office of the Company.

None of the directors are related inter-se. No Director or any Key Managerial Personnel or the relatives of the directors or Key Managerial Personnel is in any way concerned or interested, financially or otherwise, in the said resolution, except for borrowings, if any, from Canara Bank, in which case Shri Venkata Prabhakar (MD and CEO of Canara Bank), Shri Debashish Mukherjee (Executive Director of Canara Bank) and Shri Amitabh Chatterjee (Dy. General Manager, Canara Bank) shall be deemed to be the interested directors.

The Board of Directors therefore, recommend the passing of the special resolution proposed at Agenda No.8 of the Notice.

As the Company is a housing finance institution and its main business is providing loans, borrowing through various sources is inevitable. Hence, this agenda item is considered unavoidable and forms part of this Notice, in terms of the Circular No.20/2020 and General Circular No. 02/2021 issued by the Ministry of Corporate Affairs.

In respect of Agenda No.9 – Offer or invitation for subscription of Non-Convertible Debentures (NCDs) or bonds, secured or unsecured, of any nature upto an amount not exceeding ₹ 4000 Crore, on private placement

In terms of Section 42 and all other applicable provisions, if any, of the Companies Act, 2013, a Company may, subject to

the provisions of that section, make an offer or invitation for subscription of securities including non-convertible debentures by way of private placement. Further, in terms of Rule 14(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and all other applicable provisions, if any, of the said Act, Directions/ Guidelines by the Regulators or any other statutory authorities issued from time to time, a Company shall not make a private placement of its securities unless the proposed offer of securities or invitation to subscribe securities has been previously approved by the shareholders of the Company by a Special Resolution, for each of the offers or invitations. In case of an offer or invitation for subscription to the Non-Convertible Debentures (NCDs), it shall be sufficient if the Company passes a previous Special Resolution only once in a year for all the offers or invitation for such debentures during the year.

At the 33rd AGM of the Company held on August 26, 2020 approval of the Members of the Company was obtained for authorising the Board of Directors of the Company to Offer or Invite for subscription of 'Non-Convertible Debentures (NCDs)' upto an amount of ₹ 4000 Crore only, on private placement basis, in one or more tranches, during the period of one year commencing from the said AGM until the conclusion of the ensuing AGM.

During FY21, the coupon rates for NCD's were very high compared to the rates offered by the Banks for term loans and discounted rates for Commercial Papers. During the year 2020-21 (subsequent to 33rd AGM – August 26, 2020), the Company has issued 6.25% SRNCD 2020 Series 1 secured debenture of ₹ 275 crore on December 24, 2020. The SRNCD outstanding as on March 31, 2021 was ₹ 1440.43 Crore, which works out to 7.26% of the total borrowings.

Now, since the Ministry of Finance has come out with various beneficial schemes for NBFCs/ HFCs like TLTRO 2.0, to address liquidity-related stress points and structural issues, and Banks are showing interest in investing in NCDs/Bonds issued by good NBFCs/ HFCs, there is scope for raising NCDs during the Current Financial Year. As per SEBI Circular SEBI/HO/DDHS/CIR/P2018/144 dated November 26, 2018, SEBI has prescribed to raise one fourth (1/4) of incremental borrowings in a given financial year from debt market, which came into effect from April 01, 2019.

Keeping in view the above, volume of business of the Company, alternative sources of funds and cost of each of such source, and subject to the provisions of Section 42 of Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and all other applicable provisions of the said Act, Directions/Guidelines by the Regulators like NHB, RBI, SEBI, etc. or any other statutory authorities issued from time to time, your Company intends to offer or invite subscription of bonds or NCDs or tier II bonds, onshore and/or offshore, denominated in Indian Rupees and/or any foreign currency, for cash either at par or premium or at a discount to face value,

issuance of Redeemable Non-Convertible Debentures (NCDs), secured or unsecured, such other securities described above upto an amount of ₹ 4,000 Crore (Rupees Four Thousand Crore only), on private placement basis for a period of one year from the conclusion of the 34th AGM until the conclusion of the next AGM, in one or more tranches, subject to the condition that the amount accepted in the form of the said Non-Convertible Debentures / Bonds / such other securities together with the existing borrowings and future borrowings would be within the limits specified by the Members under section 180(1)(c) of Companies Act, 2013.

The terms of issue of such NCDs would depend upon the requirement of the funds, time of issue, market conditions and alternative sources of funds available to the Company and would be decided by the Board or the Committee, if any constituted by the Board. All the required details/ disclosures relating to the issue would be made available in the standard/shelf disclosure document or respective information memorandum, as the case may be.

In order to issue Non-Convertible Debentures/bonds as per the proposed resolutions by way of an offer or invitation for subscription on private placement and in terms of the above-mentioned provisions of the Companies Act, 2013, as amended from time to time and related rules, subject to Directions/ Guidelines by the Regulators or any other statutory authorities issued from time to time, the prior consent of the Members is sought by way of a Special Resolution. All the related documents and registers referred in the Notice, which do not form part of the Annual Report, if any, are available for inspection at the Registered Office of the Company.

None of the directors are related inter-se. No Director or any Key Managerial Personnel or the relatives of the directors or Key Managerial Personnel is in any way concerned or interested, financially or otherwise, in the said resolutions. The Board of Directors therefore, recommend the passing of the special resolution proposed at Agenda No.9 of the Notice.

In terms of Section 42 and all other applicable provisions, if any, of the Companies Act, 2013, read with Rule 14(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014, in case of an offer or invitation for subscription to the Non-Convertible Debentures (NCDs), it shall be sufficient if the Company passes a previous Special Resolution only once in a year for all the offers or invitation for such debentures during the year. Hence, this agenda item is considered unavoidable and forms part of this Notice, in terms of the Circular No.20/2020 and General Circular No. 02/2021 issued by the Ministry of Corporate Affairs.

In respect of Agenda No.10 – Further issue of shares by way of QIP not exceeding ₹ 1000 Crore

The Company focuses on four key parameters viz., growth, asset quality, liquidity and profitability. The Company expects

that the market may open up and there is a scope for growth and the Company should be future-ready when the growth picks up/ opportunity opens up. The expected growth rate necessitates infusion of fresh capital to build in adequate cushion in the borrowing capacity of the Company for next 3-4 years and to keep the Leverage Ratio at comfortable levels. There is a need to improve the leverage ratio considering the growth potential to be tapped.

At the 33rd AGM of the Company held on August 26, 2020 approval of the Members of the Company was obtained for authorizing the Board of Directors of the Company for raising Tier I Capital – By way of issue of Qualified Institutional Placement (QIP) and/ or Preferential shares to promoters and/or by any other mode of further issue of specified securities. Since the growth did not pick-up as expected during 2020-21 and the Company continued to deliver a better ROE, additional internal accruals had kept the CAR as well as leverage ratio at comfortable levels. Hence, the Company did not raise any capital during 2020-21, though approval was taken from the Members.

Government of India and the Reserve Bank of India have taken several measures to revive the economy in general and Housing sector in particular, including the 'Housing for all' initiative by 2022. RBI came out with relief and welfare measure of injecting ₹ 30,000 crore liquidity facility for NBFCs/HFCs and ₹ 45,000 crore partial credit guarantee scheme 2.0 for NBFCs, to boost the economy.

As per the Business Plan of the Company for 2020-21, ₹ 26,000 crore has been projected as outstanding loan book as on March 31, 2022.

The Capital Adequacy Ratio of the Company as on March 31, 2021 was at 25.46% which was well above the regulatory requirement of 15%. However, the Leverage Ratio was expected to remain around 8% over a period of time. The CAR was also expected to deplete faster as growth picks up. Generally, lender /banks the comfortable with DEP around 7-8% and hence, there is a need to infuse Tier-1 capital so that growth does not suffer.

In the light of the above, it is anticipated that there will be a gradual revival and the demand for housing, particularly due to reduction in property prices and reduction in ROI. Further, as observed from recent trends, the growth is expected to gain momentum in Quarter 3 and Quarter 4 of FY 21-22. In view of Company's overall growth, we propose to issue Tier I Capital upto ₹ 1000 crores. This is mainly to keep the Leverage Ratio at an optimum level and to ensure availability of funds at competitive rate.

Considering the cost, benefit, requirement of time etc., with reference to each of the alternative modes of raising funds to improve the Leverage Ratio of the Company, the Board has now recommended to raise funds not exceeding ₹ 1,000 Crore through QIP mode.

This special resolution seeks to empower the Board to create, issue, offer and allot either in India or in the course of international offerings in one or more foreign markets, Equity Shares of the Company of face value of ₹ 2/- each, in one or more tranches through a private offering pursuant to a Qualified Institutional Placement ("QIP") by the issue of a placement document to Qualified Institutional Buyers in terms of the SEBI (ICDR) Regulations, for an amount not exceeding an aggregate of ₹ 1000 Crore (Rupees One Thousand Crores only), inclusive of such premium at such price(s) and on such terms and conditions as may be deemed appropriate by the Board (which term shall be deemed to include any Committee thereof which the Board may constitute/have constituted) at its absolute discretion.

The Board shall issue Securities pursuant to this special resolution and utilize the proceeds for business purposes, including but not limited to meet capital expenditure and working capital requirements of the Company, repayment of debt, exploring acquisition opportunities and general corporate purposes. The special resolution seeks to empower the Board to issue the specified securities through issue of prospectus and/or placement document/or other permissible/requisite offer document to any eligible person, including Qualified Institutional Buyers ("QIBs") or otherwise, foreign/resident investors (whether institutions, incorporated bodies, mutual funds, individuals or otherwise), venture capital funds (foreign or Indian), alternate investment funds, foreign institutional investors, foreign portfolio investor other than individuals, corporate bodies and family offices, qualified foreign investors, Indian and/or multilateral financial institutions, mutual funds, insurance companies, non-resident Indians, stabilizing agents, pension funds and/or any other categories of investors, whether they be holders of equity shares of the Company or not (collectively called the "Investors") as may be decided by the Board.

The special resolution also seeks to empower the Board to offer a discount of not more than 5% or such other percentage as permitted on the QIP Floor Price calculated in accordance with the pricing formula provided under SEBI ICDR Regulations. The "Relevant Date" for this purpose will be the date of the meeting in which the Board decides to open the proposed issue of Equity Shares as may be determined by the Board. As the Issue may

result in the issue of Equity Shares of the Company to investors who may or may not be Members of the Company, consent of the Members is being sought pursuant to Section 62(1)(c) and other applicable provisions, if any, of the Companies Act, 2013, the SEBI ICDR Regulations and any other law for the time being in force and being applicable and in terms of the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. In case of QIP, allotment of securities would be completed within a period of 365 days from the date of passing the resolution set out at agenda no. 10.

The securities issued will be listed on one or more stock exchanges in India. Considering the present situation of COVID-19 pandemic, it seems that the normalcy in postal facility for the purpose of obtaining approval of Members by way of postal ballot or holding of an extra-ordinary general meeting is not feasible for some more time. If the Company does not obtain approval from the Members at this point of time, the same may have an impact on its liquidity ratio and other consequential inconveniences in the smooth functioning of the Company. Hence, this agenda item is considered unavoidable and forms part of this Notice, in terms of the Circular No.20/2020 and General Circular No. 02/2021 issued by the Ministry of Corporate Affairs.

All the documents referred in the Notice are available for inspection at the Registered Office of the Company. The Board of Directors therefore, recommend the passing of the special resolution proposed at Agenda No.10 of the Notice.

The Directors or key managerial personnel of the Company or their relatives may be deemed to be concerned or interested in the proposed resolution to the extent of Equity Shares that may be subscribed by the companies /institutions in which they are Directors, Members or employees.
