MACRO - ECONOMIC REVIEW

The Government imposed a strict lockdown to contain the virus, which resulted in sudden halt of economic activities. Thus, bringing the economy to a near standstill. The impact of the lockdown was felt across sectors as demand and exports, trade and travel plummeted sharply. The National Statistical Office's (NSO) provisional estimate of GDP for FY21 projects the Indian economy to register its first-ever contraction in the past four decades at 7.3%. With an adverse impact on the economy, the investment rate fell to a decade's low, primarily due to drag in private investment. Consumer demand remained muted with severe stress on the household balance sheets due to high unemployment. The Government scaled up its spending significantly to mitigate short term adversities rising from the pandemic.

To address the adversities arising from the pandemic led economic disruptions, calibrated and prudent fiscal and monetary support was extended by the policy makers. The Central Government announced '29.87 Lakhs Cr (15% of GDP) Aatmanirbhar Bharat package to support the economy's most distressed segments. The RBI provided monetary support by slashing the policy rates to its record low levels along with both conventional and unconventional liquidity measures to support credit creation. As part of the relief package, it also allowed borrowers to halt repayment of loans between March and August 2020 without impacting their credit history. In addition to the stress in asset quality across most lenders (banks as well as NBFCs), the moratorium also resulted in liquidity concerns for lenders, mostly for NBFCs. Well governed NBFCs with strong parentage remained buoyant throughout FY21, thanks to their strong capital buffers and also on the back of timely policy moves in the form of TLTRO 2.0 and special liquidity scheme for NBFCs under Aatmanirbhar Bharat package.

Subsequent to the Government-imposed lockdown, financial markets nosedived as investor sentiments were rattled. However, proactive and timely measures announced by the Government and RBI helped revive confidence amongst investors resulting in sustained foreign capital inflows. This helped markets regain its pre-pandemic levels. Financial markets remained buoyant thereafter, supported first by easy monetary conditions, and later from optimism arising out of the vaccine rollout. Additionally, most organizations realigned their strategies to focus on cost optimisation and building stress absorption capacity through raising capital and increasing provision on balance sheet. On the fiscal front, the pandemic weighed heavily on the Government's revenues. And yet, the Government had to scale up expenditures to prevent the economy from caving in. The Government resorted to higher market borrowings to take care of the fiscal deficit in FY21 that was upscaled to 9.3% of GDP from the budgeted 3.5%.

COVID-19 IMPACT IN INDIA

'From slowdown to lockdown', is one of the simplest ways to explain what India, one of the emerging economies of the world, went through in the first half of CY2020. It's been over a year since the COVID-19 pandemic caused volatility and chaos across the globe. There was a strong initial knee-jerk reaction as the pandemic's impact on society and economy started unfolding gradually. However, this was soon replaced with a gleam of hope as most economies put up a brave front in what seemed like a classic live experiment of human flexibility and adaptability.

INDUSTRY OUTLOOK

World over, the support from the governments and the central banks, has brightened the global growth outlook for CY2021. As per the International Monetary Fund's projection, the global economy is anticipated to expand by 6% in CY2021, on a lower base of estimated 3.3% degrowth in CY2020. With massive vaccination drives underway, risks to recovery are likely to abate, thus leading to a gain in the momentum of economic. But with the second wave of COVID-19 and the emergence of newer virus variants have made India the new hotspot of infections – adding uncertainty to the anticipation of a smooth recovery. Various multilateral organisations and rating agencies have projected the Indian economy to grow at around 9%. The economic growth is likely to be aided by a very low statistical base, mass vaccination drive and a supportive fiscal stance. In India, commercial and business activities are expected to gather pace in FY22 as by then majority of the population is likely to be inoculated by then.

RISK & CONCERNS

Despite the optimism surrounding the ongoing vaccination drive, the recent resurgence in the country's COVID-19 infections has raised the threat of fresh pandemic restrictions. As of May 2021, many states had enforced complete lockdown thus, posing a risk to a smooth economic recovery. The RBI expects that gross Non-Performing Asset (NPAs) of Scheduled Commercial Banks (SCBs) might rise to 13.5% under the baseline stress scenario. It is also estimated to further escalate to 14.8% under a severe stress scenario by September 2021. The banks would, thus, need to make higher provisions to cover the stressed assets. This in turn could impair the credit available for investment spending. Similarly, the RBI expects asset quality of NBFCs to deteriorate further due to disruption of business operations caused by the pandemic.

ADEQUACY OF INTERNAL CONTROL

Internal Control implies controlling potential future events that may adversely impact a business's operations and functioning. It is about adopting a proactive approach instead of being reactive. Internal Control forms a vital part of your Company's businesses and it is cognizant of the prominent role it plays in long-term success. Your Company, as it advances towards its business objectives and goals, is often subjected to various risks. These risks, if not timely identified and duly mitigated, hold the potential to severely affect your Company's financial strength, operations and reputation. The Company has well-equipped internal control systems in place, adequate for the size of the Company and the nature of its business. The primary function of our internal control systems is to ensure efficiency in business operations, safeguarding of company's assets, adherence to policies and procedures, protecting and detecting errors and frauds, strict compliance with applicable laws and the reliability of financial statements and reporting.

HUMAN RESOURCE DEVELOPMENT

As a financial services provider, people are the greatest resource and the core strength to your Company's business. Your Company has consistently adapted, evolved and improved its human resource practices to match up the ever changing workplace DNA. Independent Auditor's Report

To The Members of Brilliant Portfolios Limited

Report on the Audit of the Financial Statements

Opinion

I have audited the accompanying financial statements of Brilliant Portfolios Limited, (the "company") which comprise the Balance sheet as at March 31, 2021, and the Statement of Profit and Loss, the Cash Flows Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profits, its cash flow and the changes in equity for the year ended on that date.

Basis for Opinion

I conducted my audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). My responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. I based on the work I have performed, determined that there are no key audit matters to communicate in my report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion & Analysis, Board's Report including annexure thereto, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with

BRILLIANT PORTFOLIOS LIMITED

the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibility of Management & Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the company has adequate internal

BRILLIANT PORTFOLIOS LIMITED

financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. I consider quantitative materiality and qualitative factors in (i) planning the scope of my audit work and in evaluating the results of my work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, I give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on my audit I report that:
 - a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.

BRILLIANT PORTFOLIOS LIMITED

- b) In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- d) In my opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to my separate Report in “**Annexure B**”. My report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal Financial Controls over financial reporting.
- g) In our opinion, the managerial remuneration for the year ended 31 March 2021 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(Referred to in paragraph 1 under the 'Report on Other Legal and Regulatory Requirements' section of my report of even date)

- i) In respect of the Company fixed assets:
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) The Company has a regular program of physical verification of fixed assets which is, in my opinion, reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain fixed assets have been physically verified by the management during the year and no material discrepancies have been noticed on such verification.
 - c) No immovable properties are held in the name of the Company.
- ii) In respect of inventories:

As explained to me, shares are held as stock in trade which is treated as inventories and have been verified during the year by the management and no material discrepancy was noticed on such verification of stocks by the management as compared to book records.
- iii) According to the information and explanation given to me, the Company had not granted loan to any of the companies, firms and other parties covered in the register maintained under section 189 and hence provisions of Clause 3(iii) of the Order are not applicable to the Company.
- iv) In my opinion and according to the information and explanations given to me, the Company had not granted any loans or provided any guarantee or security to the parties covered under section 185 or made investment as per provisions of section 186, hence provisions of Clause 3(iv) of the Order are not applicable to the Company.
- v) In my opinion and according to the information and explanations given to me, the Company has not accepted deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Thus provisions of the Clause 3(v) of the Order are not applicable to the Company.
- vi) On the basis of available information and explanation provided to me, maintenance of cost records has not been specified by the Central Government under sub-section (1) of the Section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under Clause 3(vi) of the Order is not applicable to the Company.
- vii) According to the information and explanations given to me, in respect of statutory dues:
 - a) The Company is generally regular in depositing statutory dues including provident fund, employees' state insurance, income-tax and other statutory dues applicable to it with the appropriate authorities.
 - b) There were no undisputed amount payable in respect of provident fund, income-tax, and other statutory dues in arrear as at March 31, 2021 for a period more than six months from the date they became payable.

BRILLIANT PORTFOLIOS LIMITED

- c) There are no dues including provident fund, employees' state insurance, income-tax and other statutory dues as on 31/03/2021 on account of dispute.
- viii) According to the information and explanations given to me, the company has not accepted any loans or borrowings from financial institutions, bank and government or has not issued any debentures during the year. Hence, reporting under Clause 3(viii) of the Order is not applicable to the Company.
- ix) The Company did not raised any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, reporting under Clause 3(ix) of the Order is not applicable to the Company.
- x) To the best of our knowledge and according to the information and explanations given to me, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi) The Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provision of the Section 197 read with Schedule V of the Act.
- xii) The Company is not a Nidhi Company and hence, reporting under Clause 3(xii) of the Order is not applicable to the Company.
- xiii) The Company has entered into the transaction with the related parties in compliance with the provisions of the Section 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence, reporting under Clause 3(xiv) of the Order is not applicable to the Company.
- xv) The Company has not entered into any non-cash transactions with its directors or the persons connected with directors and hence reporting under Clause 3(xv) of the Order is not applicable to the Company.

Annexure B to the Independent Auditor's Report

(Referred to in paragraph 2(f) under the 'Report on Other Legal and Regulatory Requirements' section of my report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Act

I have audited the internal financial controls over financial reporting of Brilliant Portfolios Limited ("the Company") as of March 31, 2021 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India" (the "Guidance Note"). These responsibilities includes design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

My responsibility is to express an opinion on Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and Guidance note require that I comply with ethical requirements and plan and perform audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide a reasonable assurance regarding the reliability of financial reporting and preparation of financial

BRILLIANT PORTFOLIOS LIMITED

statements for external purpose in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, to the best of my information and according to the explanations given to me, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the year ended March 31, 2021

Note 1: CORPORATE INFORMATION

Brilliant Portfolios Limited (the Company) having principal place of business at Registered office, B - 09, 412, ITL Twin Tower, Netaji Subhash Place, Pitampura, New Delhi - 110088 is a NBFC and engaged in providing services related to the business activity of NBFC within India.

The financial statements for the year ended March 31, 2021 were approved by the Board of Directors on 30th June 2021.

Note 2: SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation of Financial Statements

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with section 133 of the Companies Act, 2013 (as amended from time to time) and relevant presentation requirements of the Companies Act 2013. The financial statements have been prepared in accordance with the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant Ind AS. The accounting policies have been consistently applied to all periods presented, unless otherwise stated.

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest thousands except otherwise indicated.

2.2 Presentation of Financial Statements

The financial statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 (the Act) applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA). Financial assets and financial liabilities are generally reported on a gross basis except when, there is an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event and the parties intend to settle on a net basis in the following circumstances:

- i. The normal course of business
- ii. The event of default
- iii. The event of insolvency or bankruptcy of the Company and / or its counterparties

2.3 Statement of Compliance:

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) on the historical cost basis except for certain financial instruments that fair value measured at fair values at the end of each reporting period as explained in the accounting policies and the relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

BRILLIANT PORTFOLIOS LIMITED

2.4 Financial Instruments

A financial instrument is a contract that gives rise to a financial asset for one entity and a financial liability or equity instrument for another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Initial Recognition and Measurement

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial asset is initially recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Classification and Subsequent Measurement

Financial Assets

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- Financial Asset carried at amortised cost
- Financial Asset at fair value through other comprehensive income (FVTOCI)
- Financial Asset at fair value through profit and loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Financial Asset carried at Amortised Cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Asset at Fair Value through Profit and Loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Equity Instruments

All equity investments in the scope of Ind AS 109 are measured at fair value.

For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by- instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss

BRILLIANT PORTFOLIOS LIMITED

within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of Profit and Loss.

De-Recognition

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when:

- (i) The contractual rights to receive cash flows from the asset has expired, or
- (ii) The Company has transferred its contractual rights to receive cash flows from the financial asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement, and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, borrowings etc.

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at amortised cost
- Financial liabilities at fair value through profit and loss (FVTPL)

Financial Liabilities at Amortized Cost

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

De-Recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

BRILLIANT PORTFOLIOS LIMITED

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgments in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Impairment of Non-Financial Assets

The carrying amounts of the Company's non-financial assets, other than deferred tax assets, are reviewed at the end of each reporting period to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit ('CGU') is the greater of its value in use or its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets ('CGU').

An impairment loss is recognized, if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount and is recognised in statement of profit and loss.

Impairment losses recognised in prior periods are assessed at end of each reporting period for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

BRILLIANT PORTFOLIOS LIMITED

2.5 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of Shares

Revenue from sale of shares is recognized when all the significant risks and rewards of ownership of the traded goods have been passed to the buyer.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Further, in accordance with the guidelines issued by the Reserve Bank of India for Non-Banking Finance Companies, income on business assets classified as Non-performing Assets, is also recognized on receipt basis.

Dividend Income

Dividend income is accounted as and when right to receive dividend is established.

2.6 Net gain on Fair value changes

Any differences between the fair values of financial assets classified as "Fair Value Through Profit or Loss" held by the company on the reporting date is recognised as an unrealised gain / loss in the statement of profit and loss. In cases there is a net gain in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations and if there is a net loss the same is disclosed as "Net loss on fair value changes" under Expenses in the Statement of Profit and Loss.

2.7 Finance Costs

Finance Costs on borrowings is paid towards availing of loan, is amortised on EIR basis over the life of loan.

The EIR in case of a financial liability is computed

- a. As the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the gross carrying amount of the amortised cost of a financial liability.
- b. By considering all the contractual terms of the financial instrument in estimating the cash flows.
- c. including all fees paid between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Any subsequent changes in the estimation of the future cash flows are recognised in interest expense with the corresponding adjustment to the carrying amount of the liability.

Interest expense includes issue costs that are initially recognized as part of the carrying value of the financial liability and amortized over the expected life using the effective interest method. These include fees and commissions payable to advisers and other expenses such as external legal costs. Rating Fees etc, provided these are incremental costs that are directly related to the issue of a financial liability.

2.8 Employee's Benefits

Benefits such as salaries, wages and short-term compensated absences, bonus and ex-gratia etc. are recognised in statement of profit and loss in the period in which the employee renders the related service.

2.9 Taxes

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income (OCI) or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax assets and liabilities are recognised for temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. Deferred income tax is determined using tax rates (and laws) that are enacted or substantively enacted by the reporting date and expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are only recognised for temporary differences, unused tax losses and unused tax credits if it is probable that future taxable amounts will arise to utilise those temporary differences and losses. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

2.10 Cash and Cash Equivalents

Cash and cash equivalent comprise the net amount of short term, highly liquid investments that are readily convertible to known amounts of cash (short-term deposits with an original maturity of three months or less) and are subject to an insignificant risk of change in value. They are held for the purpose of meeting short term cash commitments (rather than for investment or other purposes).

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short term deposits, as defined above.

2.11 Property, Plant and Equipment

Property, plant and equipment (PPE) are measured at cost less accumulated depreciation and accumulated impairment, if any. The total cost of assets comprises its purchase price, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management. Changes in expected useful life are accounted for by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

BRILLIANT PORTFOLIOS LIMITED

Subsequent expenditure related to an item of tangible asset are added to its gross value only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

Depreciation

Depreciation is calculated using the written down value method to write down the cost of property and equipment to their residual values over their estimated useful lives which is in line with the estimated useful life as specified in Schedule II of the Act. The estimated useful lives are as prescribed by Schedule II of the Act. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

2.12 Inventories

Items of inventories are measured at lower of cost and net realizable value after providing for obsolescence, wherever considered necessary. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition.

2.13 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the effect of the time value of money is material, the Company determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting, the current rates specific to the liability. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

2.14 Contingent Liabilities and Contingent Assets

A contingent liabilities is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. However contingent assets are assessed continually and if it is virtually certain that an economic benefit will rise, asset and related income are recognized in the period in which the change occurs.

2.15 Earnings Per Share (EPS)

The Company Reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year.

BRILLIANT PORTFOLIOS LIMITED

For the purpose of calculating diluted earnings per share, the net profit or loss attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the diluted earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

2.16 Significant Accounting Judgements, Estimates and Assumptions

The preparation of the Company's financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities, at the end of the reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

Revenue Recognition and Presentation

The Company assesses its revenue arrangements against specific criteria, i.e. whether it has exposure to the significant risks and rewards associated with the sale of goods or the rendering of services, in order to determine if it is acting as a principal or as an agent. The Company has concluded that they operating on a principal to principal basis in all its revenue arrangements.

When deciding the most appropriate basis for presenting revenue or costs of revenue, both the legal form and substance of the agreement between the Company and its business partners are reviewed to determine each party's respective role in the transaction.

Useful Lives of Property, Plant and Equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Recoverability of Deferred Taxes

In assessing the recoverability of deferred tax assets, management considers whether it is probable that taxable profit will be available against which the losses can be utilised. The ultimate realisation of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the projected future taxable income and tax planning strategies in making this assessment.

Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table

Level 1 hierarchy includes financial instruments measured using quoted prices in active markets for identical assets or liabilities that the Company can access at measurement date.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

The Company gives loans / taken borrowings at market rates. The fair value of these loans approximates the carrying amount.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Note 28: RISK MANAGEMENT

Risk Disclosures

Company's risk is managed through an integrated risk management framework, including ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing profitability and each individual within the Company is accountable for the risk exposures relating to his or her responsibilities. The Company is exposed to credit risk, liquidity risk and interest rate risk. It is the Company's policy to ensure that a robust risk awareness is embedded in its organisational risk culture

The Company's principal financial liabilities comprise borrowings, trade and other payables, interest accrued and advances. The main purpose of these financial liabilities is to finance the Company's operations.

The Company's principal financial assets includes loans, cash and cash equivalents, deposits with bank, interest accrued and advances.

The Company is exposed to market risk, credit risk and liquidity risk .

All activities for risk management purposes are carried out by the teams that have the appropriate skills, experience and supervision.

A. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk borrowings, short term deposits and derivative financial instruments.

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

i) Interest Rate Risk

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments. The core business of the company is providing loans. The company borrows through various financial instruments to finance its core lending activity. These activities expose the company to interest rate risk.

Company does not have any floating rate borrowing. The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

B. Credit Risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company manages and control credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties The Company is exposed to credit risk mainly from its loans.

The Company continuously monitors all assets subject to Expected Credit Losses. In order to determine whether an instrument or a portfolio of instruments is subject to 12 months Expected Credit Losses or lifetime Expected Credit Losses, the Company assesses whether there has been a significant increase in credit risk since initial recognition.

C. Liquidity Risk

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances. Such scenarios could occur when funding needed for illiquid asset positions is not available to the Company on acceptable terms. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system.

Note 30 : SEGMENT INFORMATION (IND AS 108)

The Company operates mainly in the business segment of fund based financing activity. All other activities revolve around the main business. Further, all activities are carried out within India. As such, there are no separate reportable segments as per the provisions of IND AS 108 on 'Operating Segments'.

Note 31: The extent to which the COVID-19 pandemic will impact the Company's result will depend on future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government - mandated or elected by the Company. Given the uncertainty over the potential macro - economic conditions, the impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions.

Note 32: Schedule to the Balance Sheet of Non-Deposit taking Non-Banking Financial Company as required in terms of Reserve Bank of India Prudential Norms are annexed hereto.
